SEVEN SEAS EXPLORER® NEWLY RELEASED ITINERARIES

TRUE LUXURY IS INTANGIBLE

True luxury is not about excess. Nor is it about price. It is uniquely personal, and for the most part it is about your essential values. Every passenger ship afloat seems to be prefaced with the word 'luxury'. In reality, the term 'luxury' has become so worn its meaning has diminished, leaving a sense that tangible luxury has retreated.

True luxury is an integral element of our DNA and this mercurial quality elevates our experience and emotion to a whole new echelon of experiential splendour.

We are a cruise line that appreciates the nuances of refinement where the little things in life, so completely personal to individuals and their psyche, assume a value beyond compare.

Together, by subtle alchemy, our blend of seagoing 'true luxe' and all-inclusive indulgence combine to produce something that manages to extract the vital spark from both. This avatar of cruising reflects our desire to offer you a subtle interpretation of individuality, liberating your experience at sea.

TRUE LUXURY IS INTANGIBLE

Find out more at www.intangibleluxury.com

personal space

While many ships resemble floating mega-resorts, our ships are a *recherché* collection for just 750 guests that epitomise ultra-luxe cruising. From bow to stern, our onboard architecture segues seamlessly to create harmonious environments where guests can mingle without a *mêlée*.

You'll soon discover that an abundance of personal space at sea is not an oxymoron.

personal freedom

From the moment you embark there's the chance to rediscover that enigmatic quality so rare in today's 'hurry up' lifestyle: time. You can revel in the freedom to choose where you want to dine, at a time that's convenient to your schedule, not the ship's. Early embarkation with a welcoming glass of Champagne is another touchstone allowing you to begin your cruise in style and comfort.

personal elegance

Elegance and allure – two cherished attributes that have been wondrously tempered by both delicacy and decorum, in our quest to make everyone happy. Guests can revel in privacy and a service that is unobtrusive without being invisible. We appreciate that you enjoy an ultra all-inclusive concept of connoisseur cruising as well as a sense of style that's in harmony with a distinctive cruising *élan*.
