From the simple rhythms of everyday life to designated UNESCO World Heritage Sites, there are certain places that must be seen to truly experience a destination. Here are some insider views for optional enrichment to help you plan your journey with Crystal. Ports featuring UNESCO World Heritage Sites are marked here and throughout the itineraries with .

ALASKA

ANCHORAGE/SEWARD Visit Kenai Fjords National Park to see bald eagles, sea otters, sea lions and the occasional humpback whale and orca; see thousands of horned and tufted penguins at the Alaska Maritime National Wildlife Refuge. Voyages 6312, 6313, 6314, 6315, 6318, 6319

DUTCH HARBOR In the heart of the Aleutian Islands along the “Ring of Fire,” these islands were the stepping stones that lured Russian explorers to Alaska; the Holy Ascension of Our Lord is the oldest Russian Orthodox cathedral in Alaska, and services are still performed in English, Aleut and Slavonic. Voyage 6319

GLACIER BAY Characterized by high mountain peaks, glacial systems, lakes, streams, valleys and coastal landscapes, Glacier Bay is part of the world’s longest non-polar icefield, a UNESCO-designated region known as the “Mountain Kingdom” of North America. Voyages 6312, 6314, 6316, 6318 .

HOONAH Located on Chichagof Island, this maiden port is home to the world’s largest brown bear population; the waters here are a favorite spot for humpback whales, and kayaking at Icy Strait Point is renowned for its gorgeous scenery. Voyage 6317

HUBBARD GLACIER Seventy-five miles long, covering 1,350 square miles, this is the largest tidewater glacier in North America; it’s impressive, too, as a 300-foot wall of ice rises sheer and jagged from the ocean. Voyages 6312, 6313, 6314, 6315, 6317, 6318

INSIDE PASSAGE Protected from the open sea by forested isles and sheltered from the windy mainland and the tallest coastal mountains in the world, this 1,000-mile waterway seems custom-built by nature for a cruise. Voyages 6312, 6313, 6314, 6315, 6316, 6317, 6318

JUNEAU However you choose to explore it—kayaking, hiking, flightseeing—a visit to Mendenhall Glacier is a must. The 12-mile river of ice is Alaska’s most accessible and most photographed glacier. Voyages 6312, 6313, 6314, 6315, 6316, 6317, 6318

KETCHIKAN Accessible only by air, a seaplane adventure into Misty Fjords National Monument is a breathtaking experience revealing a 2.2 million-acre wilderness of twisting fjords, crystalline lakes, cascading waterfalls and granite cliffs. Voyages 6312, 6313, 6314, 6315, 6316, 6317, 6318

KODIAK Often called “Alaska’s Emerald Isle,” this beautiful island is magnificently green thanks to plentiful summer rains; the Kodiak National Wildlife Refuge offers amazing trails for hiking and mountain biking. Voyage 6319

NOME Renowned as the end point of the annual 1,049-mile Iditarod sled dog race that travels from Anchorage, often through white-out and sub-zero conditions. Summer is perfect for bird-watching and wildflower excursions. Voyage 6319

SITKA Venture into the Tongass National Forest for a birding expedition. Southeast Alaska is home to the largest population of bald eagles in America. Or take off on a sea otter and wildlife quest. Voyages 6313, 6315, 6316, 6317

SKAGWAY For true frontier adventure and scenery, consider a journey aboard the White Pass Scenic Railway to then embark on a snowshoe wilderness outing, keeping an eye out for bear, moose, mountain goats and caribou. Voyages 6312, 6313, 6314, 6315, 6316, 6317, 6318

CANADA

CAMBRIDGE BAY The largest stop for vessels traversing the Northwest Passage is home to the Ovayok Territorial Park, a great place to hike while keeping an eye out for muskox and nesting birds. Voyage 6319

NANAIMO Situated between the Strait of Georgia to the east and a surrounding Vancouver Island landscape of peaks, valleys and forested wilderness, the Harbourfront Walkway in this maiden port is perfect for a stroll with its shops and cafes; or take a ferry to Newcastle Island Marine Provincial Park to explore its hiking and biking trails. Voyage 6317

POND INLET Located squarely above the Arctic Circle with an abundance of wildlife, guided kayaking adventures and Baffin Island land treks afford glimpses of harp seals, arctic foxes, and maybe even a polar bear. Voyage 6319

PRINCE RUPERT A spot of urban chic in the wilderness where you can walk in the rainforests without leaving the city, but you won't want to miss a visit to the nearby Khutzeymateen Grizzly Bear Sanctuary to observe one of the densest populations of grizzlies in North America. Voyage 6316, 6318

VANCOUVER Enjoy exploring the restored Gastown district or discovering the intrigue of Chinatown. Sample delicacies from the sea, explore the North Shore and Stanley Park, the largest natural park of any city on the North American continent. Voyages 6312, 6313, 6314, 6315, 6316, 6317, 6318

VICTORIA With over 50 acres of meticulously planned grounds with an English Rose Garden, Japanese Gardens and the iconic Sunken Gardens, the world-famous Butchart Gardens is a feast for the eyes; enjoy a proper English Tea or take a tour behind the scenes. Voyages 6316, 6318

ULUKHAKTOK With a population of only 450 people, this small hamlet on the west coast of Victoria Island in the Northwest Territories is famous for its Inuit print artisans and their work. Voyage 6319

GREENLAND

ILULISSAT Home to the UNESCO-designated Ilulissat Icefjord rising impressively out of the sea, and the Sermeq Kujalleq, the most active glacier in the world, here you will be enchanted and amazed at the wonder of nature. Voyage 6319 🏠

NUUK Located at the tip of a large peninsula by the mouth of the gigantic Nuuk Fjord, the capital of Greenland is also its oldest, blessed with striking mountains, breathtaking scenery and Northern lights; watch for humpback whales, seals and sea eagles. Voyage 6319

SISIMIUT A mix of Inuit and Danish culture, traditions in dog-sledding, and pride in the cross-country ski Arctic Circle Race, this unique destination is great for snowmobile rides, scenic trail treks, fishing trips and, of course, a dog-sledding adventure. Voyage 6319

Between the wildlife and the natural beauty that surrounded us, exploring Alaska and Canada was a joy each day of our Cruise.

NEW ENGLAND & CANADA

When you think of taking a cruise, do you only think of exotic, faraway places? Adrienne and I always did until we found that staying close to home was one of the best voyages we've ever experienced, and so easy. Cycling backroads in Maine surrounded by fall colors, getting to know our neighbors to the north in charming Québec City, sailing Newport... and all aboard the World's Best.

Why the long face? :)

CANADA

CHARLOTTETOWN (Prince Edward Island) Awarded the #1 island in Canada & the U.S. by *Travel + Leisure*, 2013; visit the beautiful St. Dunstan's Basilica, enjoy the cafés and shops along Victoria Row, or take off on a wildlife adventure to explore the island's bucolic scenery and lush landscapes. Voyages 6325

GASPÉ On the far northern tip of Quebec, the iconic Percé Rock ("pierced rock") jets out from the St. Lawrence Seaway, one of the largest natural arches in the world; nearby Bonaventure Island is a migratory bird sanctuary for the northern gannet, the second largest in the world. Voyages 6322, 6325, 6326

HALIFAX (Nova Scotia) The most Scottish of all Canada's great cities—be sure to take home an authentic tartan—you won't want to miss seeing the iconic lighthouse at Peggy's Cove or the Citadel Fortress; consider, too, a white-water rafting adventure on the Shubenacadie River. Voyages 6322, 6323, 6324, 6325 .

MAGDALEN ISLANDS (Province du Québec) In the middle of the Gulf of St. Lawrence, this windswept archipelago is still largely unspoiled by urban trappings; over 250 species of birds migrate here, and harp seals make the islands their home. Voyage 6322

NEWPORT (Rhode Island) Of course there are the “summer cottages” of America’s Gilded Age to see, but why not take the helm of an America’s Cup yacht to explore Narragansett Bay? Voyages 6323, 6324

NEW YORK CITY (New York) Explore one of the world’s premier scientific and cultural institutions on an exclusive, pre-opening morning visit to the American Museum of Natural History; take a bike ride through Central Park; and be sure to visit the iconic UNESCO-designated Statue of Liberty. Voyages 6322, 6323, 6324, 6325, 6326 [🏛️](#)

CRYSTAL ADVENTURES LAND PROGRAMS

Enjoy more of what the countries you visit have to offer with one of our exciting Extended Land Programs. Stay in some of the world's most fascinating cities, either before or after your cruise, and benefit from the inside knowledge of our local travel experts. Along with Crystal Cruises, they have planned your extended stay to make sure you enjoy the same level of quality, luxury and service you expect.

MAGICAL IGUAZÚ FALLS

- Post-cruise 6201; pre-cruise 6202

The magnificent Iguazú Falls are so vast they extend over two countries—Argentina and Brazil. Much larger than Niagara and a designated UNESCO World Heritage Site, the falls draw people from all over the world who relish the chance to marvel at their dramatic, cascading waters.

MYSTICAL MACHU PICCHU

- Post-cruise 6203; pre-cruise 6204

The mystical mountain fortress-city of Machu Picchu is South America's best known and most spectacular archaeological site. For hundreds of years, it remained lost to the world, concealed in semi-tropical vegetation on a saddle between two peaks. On July 24, 1911, American historian Hiram Bingham rediscovered the site and shared it with the world.

CAPTIVATING CAPPADOCIA

- Pre-cruise 6211 and 6225; post-cruise 6224

Journey to the lunar-like landscape of Cappadocia for an other-worldly experience exploring troglodyte dwellings carved into the rock and cities dug underground. Thousands of years of eroding winds and rain created the unusual formations here on the lava-covered plain between volcanic mountains Erciyes, Melendiz and Hasan.

DELIGHTFUL DENALI

- Post-cruise 6319; pre-cruise 6320

Denali is the native Alaskan name for Mount McKinley, North America's highest peak and the centerpiece of Alaska's Denali National Park and Preserve. Explorations both rare and wonderful are possible during your time in Denali, from watching moose and beluga whales to enjoying the beautiful Alaska Range, with its massive walls of rock and ice.

QUÉBEC & MONTRÉAL BY TRAIN

- Post-cruise 6322

Travel on a magical and scenic route between Montréal and Québec City aboard a plush business-class train; enjoy accommodations at the chic Auberge Saint-Antoine hotel in the heart of Québec City—itsself a designated UNESCO site, as well as the Ritz-Carlton Montréal, walking distance to the city's many attractions.

WORLD WONDER NIAGARA FALLS

- Pre-cruise 6323

With its spectacular natural setting between two Great Lakes and bordering the Niagara River, the region here offers tremendous opportunity for discovery both adventurous and cultural—from the sheer spectacle of Niagara Falls to renowned wineries and beautiful parks, all easily explored via hiking and biking trails.

BEFORE YOU SAIL

AIR TRANSPORTATION/LUGGAGE

Transfers, portage and luggage handling are part of our optional Crystal Air/Sea Program. If you choose to arrange for air travel independently, you may purchase embarkation and disembarkation airport transfers from Crystal Cruises up to seven days prior to the cruise.

When making your own air arrangements, we recommend allowing a minimum of five hours between your flight arrival time and the ship's sailing time. Specific port and pier information and embarkation times are stated on your cruise ticket. Port authorities sometimes change the location of the pier or berth number, so be sure that you actually see your ship when you arrive at the port/pier. **You must be on board the ship at least 2 hours prior to sailing. If the ship is scheduled to remain in port overnight or has a scheduled departure time after 9 pm, please plan to be at the pier no later than 7 pm for security clearance and check-in.**

When planning your return flights, please take into consideration the date and time the ship docks at the final port. Customs and Immigration must conduct various inspections before you are allowed to disembark. Disembarkation usually starts around 8:30 am and all guests must debark the ship by 10 am. Times may vary if the ship is in port the night prior to disembarkation. Before booking your departing flights, please also take into account the time needed at the airport for airline check-in and security procedures. Some cities require a longer transfer time due to stringent customs procedures or travel time to the airport. If you are making independent reservations to fly home directly after the cruise, your travel agent should contact Crystal Cruises' Reservations for flight departure guidelines, which vary by cruise itinerary and port. **In addition, when disembarking at a U.S. or Canadian port, flights should be scheduled no earlier than 12 noon.**

Guests should contact the airlines directly to add frequent flyer numbers for mileage accrual, secure seat assignments, arrange for special service requirements, and provide a personal phone contact for last-minute flight updates.

Details regarding checked and carry-on luggage allowances (restrictions, size, weight and quantity) and applicable fees, miscellaneous service airline fees or other flight-related inquiries should be discussed directly with the airlines or through your travel agent.

Flight schedules sometimes change. We strongly suggest that you reconfirm all flight numbers, flight times, check-in times, departure terminals and locations, and seat assignments for both outbound and return flights 96 hours prior to departure.

BAGGAGE, VALUABLES & OTHER POSSESSIONS

Guests may bring aboard the ship a reasonable amount of clothing and personal effects without charge, subject to airline restrictions. All baggage must be securely packed and distinctly labeled with the guest's full name, the name of the ship, the stateroom number of the guest and the sailing date of the ship. All checked baggage must be locked.

Guests must personally carry baggage containing breakable items and valuables, including but not limited to jewelry, watches, money, precious stones and metals, securities, checks, other financial instruments and/or tickets, at all times during transit, including but not limited to on and off the ship. **Guests should not give such baggage containing breakable items or valuables to anyone at any time**, including but not limited to porters, ship personnel or anyone else who is not known personally to the guest, regardless of any assurances given that it is safe to do so, at any time, including during transit to and from the airport, arrival at the ship, boarding and checking into guest's stateroom, or at any other time while traveling. **Such baggage is the full and sole personal responsibility of the guest at all times and may not be included with checked baggage.**

Guests are personally responsible for their baggage throughout the travel process and should personally ensure that their valuables are carried to their staterooms and stored appropriately in the stateroom safe or in the ship safe available at the Front Desk. Crystal Cruises is not responsible for loss of or damage to any such items.

BOARDING THE SHIP

The exact embarkation and sailing times are specified on your cruise ticket. All guests must carry a passport that is valid for six months after the end of the cruise in order to embark.

At most embarkation ports, the ship is usually available for guests to board after 12 noon (after the ship has been cleared by the local port authority). Staterooms are available for guests **only after 3 pm.**

On succeeding cruise days (cruise day 2 through the last cruise day or night prior to disembarkation), all guests must be on board **no later than 30 minutes prior to scheduled port departure.**

When in port during a cruise, our unique computerized security system takes a reading of each guest's photo room key card at the gangway for identification purposes, and to inform the ship when a guest leaves and returns. All personal items are scanned by an x-ray machine each time a guest boards to ensure the safety and security of all on board.

Please note: To help ensure an efficient embarkation process, it is highly recommended that guests register their credit cards online at our Priority Check-in & Planning Center before the cruise. **Please refer to page 214 for more details about our Priority Check-in & Planning Center.**

If you have not registered your credit card prior to arrival, you will need to do so during embarkation. Registering your credit card provides you with the convenience of settling your onboard expenses using our Express Check-out System, ensuring a smooth and expeditious process at the conclusion of your cruise. You will receive an itemized statement delivered to your stateroom on the morning of debarkation, and your credit card will be billed automatically through your credit card company. If you wish, at the conclusion of the cruise, you may elect to pay for your onboard expenses in cash or by check at Reception. If you decide to pay for your expenses by cash or check, please notify the Reception Desk and your credit card will not be charged.

CLOTHING SUGGESTIONS/DRESS CODES

Based on valuable feedback from our guests, we have updated and simplified the preferred Evening Dress Codes to two types: Crystal Casual and Black Tie Optional to be more in line with the continually evolving, more relaxed dress codes reflected throughout the world today. Please refer to the new and updated dress codes described in detail below. **After 6 pm, casual daytime attire is not appropriate. Shorts and baseball caps are not permitted for men or women. If you choose to change your attire following the evening dinner and other festivities, please maintain a minimum style of dress in keeping with the dress code described below in Crystal Casual.**

New: Crystal Casual

For women, Crystal Casual attire includes a dress, or a blouse or sweater and skirt or dressy slacks. Men's Crystal Casual attire can include a sport coat, dress shirt, button-down shirt, open-collar or collared polo shirt and dress pants or smart trousers (no tie required).

Black Tie Optional

A Black-tie Optional evening offers our guests a celebratory opportunity to dress more formally on a special evening(s). For men, this includes a dark suit with tie or tuxedo; for women, this includes a formal cocktail dress, evening gown or dressy evening separates. On Black Tie Optional evenings, we request at least a jacket to be worn by men and dress, skirts or dressy slacks and blouse or sweater be worn by women. Jeans may not be worn in any dining venues or lounges, including the Casino on Black Tie Optional evenings.

With this new policy, guests can expect the following:

- **7- to 10-day cruises:** Up to one Black Tie Optional evening (based on itinerary, see dress code for your specific cruise for details)
- **11- to 13-day cruises:** 2 Black Tie Optional evenings
- **World Cruises, Holiday voyages and Crossings** may be scheduled differently

For your convenience, the recommended dress code for each evening of your cruise is listed in the daily itinerary section of the Priority Check-in & Planning Center (PCPC) accessible at crystalcruises.com.

CRUISE TICKET/LUGGAGE TAGS

Your cruise ticket is enclosed with your travel documents; it must be in your possession, along with your valid passport, when you board the ship. Please read the complete terms and conditions on your cruise ticket, as you are bound by them. Immediately following the terms and conditions, you will find the Cruise Itinerary and Travel Advisories with important details specific to your travel plans. **Prior to leaving for the airport, please be sure to complete and attach a Crystal Cruises luggage tag to each checked bag so it can be easily identified upon arrival.**

CRYSTAL SOCIETY

If you have sailed with us before, you are a member of the Crystal Society and have a personal Crystal Society number. Please make sure your travel agent has this number to ensure that you receive your Crystal Society benefits and savings on future cruises. If you wish to redeem a Crystal Society Milestone on your cruise, it must be requested by your travel agent before you sail. Please refer to the terms and conditions of the Crystal Society Benefits Program for further information, available at crystalcruises.com.

DIGITAL ENTERTAINMENT

Take advantage of downloading our exclusive new entertainment apps before you embark. Once on board, you can immediately begin enjoying the benefits of several exciting digital programs including Movies on Demand, PressReader, iMovie, The Storyteller and more. See page 218 or visit crystalcruises.com today.

INOCULATIONS

Requirements for inoculations often change. Crystal Cruises informs you of the health requirements; however, it is your responsibility to have all required vaccinations with a signed International Certificate of Vaccination. We recommend that you contact your personal physician with any health concerns. **Failure to comply can result in refusal of passage by international Customs and Immigration authorities.**

MEET & ASSIST

Domestic

If you are participating in our optional Air/Sea Program or have purchased our transfers or requested Meet and Assist services in cities where this service is available, a Crystal Cruises representative will meet you in the baggage claim area. Please claim your luggage and leave both the luggage and claim checks with the representative.

International

If you are arriving on an international flight, you will need to proceed through Immigration, claim your luggage and clear Customs prior to meeting your representative. You will then be escorted to the motor coach for the transfer service.

Crystal VIP Airport Service

In order to ensure a more seamless travel experience, consider our optional service that allows you to arrange customized assistance starting from your home all the way to the ship, including personal attention at the airport during check-in, connections, security and Customs. To reserve the Crystal VIP Airport Service, log into your booking at the Priority Check-in & Planning Center (PCPC).

BEFORE YOU SAIL

PASSPORTS/VISAS

A passport valid for six months after the completion of the cruise is required for ALL guests. **Four blank visa pages are recommended per cruise for international voyages.** Guests must take full responsibility for securing the required travel documents prior to departure. **Failure to comply may result in refusal of passage by Customs and Immigration authorities.**

On most cruises, passports are collected and retained by ship staff for the duration of your voyage in order to facilitate official clearance in each port of call.

Visa Requirements

Visa requirements vary from country to country. Crystal Cruises informs U.S. citizens of specific visa requirements. Visa information may also be obtained through the local embassy or consulate of the countries you will be visiting. As requirements vary for each nationality, we request that all non-U.S. citizens contact their travel agent or local authorities to determine their individual visa requirements for **ALL** ports. Failure to comply with requirements may result in refusal of passage. **It is your responsibility to obtain all necessary visas.** Visas must be obtained regardless of whether you plan to go ashore or remain on board while in ports which require visas. Everyone must be cleared by local Immigration authorities upon arrival in port, regardless of the length of the ship's call.

Please note: We recommend you contact your travel agent to ensure you have secured all necessary visas and that all documentation is up to date. Crystal Cruises cannot be held responsible at the time of sailing for any visa information provided by us or travel agents, as visa rules and requirements change regularly.

PRIORITY CHECK-IN & PLANNING CENTER

Our Priority Check-in & Planning Center (PCPC) at crystalcruises.com will streamline your embarkation process and allow you to pre-reserve shipboard and shoreside activities. Full-fare guests who have made a deposit and have a booking number may pre-reserve their Crystal Adventures shore excursions online.

Please note: Guests will not be able to access PCPC within seven (7) days prior to sailing. Guests who have paid for their cruise in full and completed Priority Check-in may also make the following pre-cruise reservations online:

- Spa and salon appointments
- Specialty restaurant dinner reservations
- Dining by Reservation
- Complimentary Creative Learning Institute classes
- The Vintage Room Wine-Makers Dinners
- Crystal VIP Airport Service

All reservations are subject to availability. Online reservations for shore excursions, and spa and salon appointments are available approximately six months prior to sailing.

RECOMMENDED READING PROGRAM

To complement our worldwide itineraries and the exciting destinations we visit, Crystal Cruises has created a Recommended Reading List. You'll find classic literary selections, destination guide books, essays and more, all selected to enhance your Crystal Experience before, during or after your cruise. Regions covered include:

- Alaska
- Africa
- New England/Canada
- Panama Canal
- South America/Amazon
- World Cruise
- Europe (Mediterranean/Baltic Sea/Black Sea)
- Hawaiian Islands
- Arctic/North Cape
- Asia
- Australia/New Zealand
- British Isles
- Caribbean

The Recommended Reading List can be found on the Crystal Cruises website at crystalcruises.com, and books listed there may be purchased with a single click.

SPECIAL DIETARY REQUESTS

If you require a special diet, including food allergies, or if you need special food items available during your cruise, please submit your dietary requests in writing to our Onboard Guest Services department no later than 90 days prior to your cruise, and confirm your arrangements with the Food and Beverage staff on the day of embarkation. There may be a charge for some special requests, as well as any applicable shipping fees.

A wide choice of pre-packaged kosher-certified meals, including meats, seafood and poultry, as well as white and red kosher wines, is available on a limited basis on every itinerary. All chefs, kitchen and dining staff have been trained in kosher food preparation, handling and servicing. Only kosher pots, pans and utensils are used, and plates, silverware and glassware are washed separately. Due to limited provisioning resources, the number of guests per cruise who may partake in our kosher-style program is restricted to 20. Guests whose diet requires it or who wish to dine kosher-style must provide us with advance notice at the time of the initial reservation and no less than 90 days prior to sailing. We will do all that we can to ensure your needs are met. Due to limited availability, kosher-style dining is subject to confirmation by Crystal Cruises.

VALUABLES

While in transit to and from the ship, or when participating in a Crystal Adventures shore excursion, personal items and valuables such as jewelry, medication, tickets, passports and visas should be packed with your hand luggage and kept with you at all times.

Please note: We highly recommend that you keep your carry-on luggage with you when in transit. Should you choose to check your carry-on luggage, Crystal Cruises cannot be held responsible for the luggage or the contents. For additional details, please refer to your cruise ticket and the Baggage, Valuables & Other Possessions section on page 212 of this Cruise Atlas.

Each stateroom and Penthouse is equipped with a personal safe. Because you must assume full responsibility for items kept in your stateroom or Penthouse, we recommend that items of special value be placed in the complimentary safe-deposit boxes at the Reception Desk.

VISITORS

Whenever conditions allow, visitors will be permitted on board. Requests may be made through the Crystal Cruises Marine Operations department or, if requested on board, through the ship's Reception Desk. All requests and supporting information must be received in writing by the Crystal Cruises Marine Operations department no later than two weeks prior to the intended visit day (no later than seven working days if requested while on board). The numbers and types of visitors allowed are capacity-controlled and subject to the security level at the port of call. **Due to changing world conditions, Crystal Cruises may institute a no-visitor policy on board its ships from time to time.** This policy is subject to change, without notice, at any time. Visit crystalcruises.com and download the form for visitors under the Cruise Guidebook section. Select Planning Your Cruise, then select Sailing on the Ship to access the visitors form. Or, you may e-mail visitors@crystalcruises.com no later than two weeks before departure.

By making prior arrangements with the Maître d', you are also welcome to invite visitors to join you for a meal on board, subject to space availability and the above security conditions. Charges for your visitors' meals and beverages will be added to your shipboard account at the current rates.

COMMUNICATION

Mail

Included in your travel documents is a Communications brochure which lists the addresses of the embarkation and disembarkation ports where mail can be forwarded or delivered to you on board. Postage and mailing services are available on the ship. Be sure to allow sufficient time for delivery to distant destinations.

Telephone

Crystal ships are equipped with a sophisticated telephone system that allows you to make direct-dial satellite* phone calls from your stateroom. The ship telephone number is included in your Communications brochure.

Calls are billed to your shipboard account or a major credit card. However, please be aware that the \$2.50* per-minute cost to use this satellite system is significantly higher than a normal shoreside call. You may also wish to use pay phones located in various ports of call.

Through an agreement with SeaMobile,™ Crystal Cruises lets you take advantage of your wireless devices while at sea. Using your own mobile phone and telephone number, you can make and receive calls to and from fellow travelers who are on the ship, as well as friends and family who are far away on land. If you currently have the service through your home provider, you can also send and receive text messages. Other available wireless services include use of PDAs, such as your BlackBerry.® Charges for using the SeaMobile system will appear as roaming charges on the regular monthly bill of your service provider. Contact your mobile home service provider for more information about rates, additional fees and taxes. While you do not need to do anything special to connect, you must have authorized service for international dialing through your home provider. To determine if you will be able to access SeaMobile, please contact your home service provider.

E-mail

Crystal Cruises offers a 24-hour private e-mail system through our Computer University@Sea. Your personal e-mail address is included on your cruise ticket. Charges apply; see “Computer University@Sea.”

Facsimile

Facsimile services are available at the Reception Desk. Charges apply.

Internet Access

See “Computer University@Sea.”

Satellite Reception*

All electronic communication to and from the ship is via satellite. Interruptions in satellite reception can occur at any time without notice. While we regret this, and apologize for any inconvenience it may cause, Crystal Cruises cannot guarantee that communication connections for telephone, television, Internet, e-mail or fax will be available at all times in all areas of the world. The following destinations are extremely sensitive to interference: Baltic, North Cape and the Chilean fjords.

*Rates are subject to change without notice. Connection depends on satellite availability and cannot be guaranteed.

COMPUTER UNIVERSITY@SEA

Our popular Computer University@Sea program is offered on all cruises. CU@Sea provides e-mail services, Internet access, group and individual instruction on using computers, and extensive complimentary enrichment course offerings. Each ship has dedicated computer labs with state-of-the-art workstations. Complimentary lectures or classes are offered each cruise. Details are listed in the daily newsletter, *Reflections*. There is a nominal setup fee when you begin to use any CU@Sea services involving off-ship communication.

Digital Cameras

There are media readers for most standard camera memory cards. You may also consolidate your media card photos on complimentary server space for CD burning; charges apply for burning CDs.

E-mail Services

A unique e-mail address for each guest is printed on the cruise ticket. This private e-mail system supports sending and receiving e-mail messages under 1MB. Messages are sent and received instantaneously, subject to the stability of satellite communications. There is a charge for the first 100KB of each inbound and outbound e-mail, plus a supplemental charge for all additional outbound e-mail (“cc”) addresses, and for messages greater than 100KB. The current schedule of charges is available on board.

Home and Business E-mail Access

If your home or business e-mail provider has web access to your e-mail, you will be able to access it on the ship via the Internet. If you are not sure, please contact your e-mail provider prior to your cruise. The current schedule of charges is available on board.

DINING CHOICES

Our ships feature a tempting variety of dining options, from the early-bird breakfast through the dinner hour and into the late evenings.

Crystal Dining Room

The Crystal Dining Room offers open seating for breakfast and lunch; with our Perfect Choice Dining options for dinner, you may select from Classic Main (beginning at 6:15 pm), or Classic Late (beginning at 8:30 pm). You may also choose our Dining by Reservation option

(available between 6:15 pm and 9:15 pm). Actual times vary by itinerary and are printed in *Reflections* on board. With Dining by Reservation, you have the flexibility to choose with whom you wish to dine as well as your dinner time (within the applicable dining hours).

If you choose Dining by Reservation, you may reserve your dining times through our Priority Check-in & Planning Center prior to your cruise at crystalcruises.com, or you may make these arrangements once on board. All dinner reservations are subject to availability, and every effort is made to honor requests.

The Crystal Dining Room evening menu offers our Crystal Classic Cuisine along with our Modern Cuisine, which is based on the food science of contemporary cooking that uses special and innovative techniques resulting in tantalizing, and often healthy, options.

Specialty Restaurants

Crystal Cruises provides alternative specialty restaurants to enhance the evening dining options and provide the opportunity to enjoy a variety of culinary environments.

Prego features cuisine inspired by various regions of Italy. *Silk Road & The Sushi Bar* serve the finest Asian cuisine featuring unique flavors of the Orient created by Nobu Matsuhisa.

See page 214, Priority Check-in & Planning Center, for details on making reservations. Approximate dining hours for each restaurant are 6 pm to 10 pm, but times vary by itinerary.

In order to ensure that each guest has a chance to dine at *Prego*, *Silk Road* and the *Sushi Bar* at least once during their voyage, a maximum of one reservation per specialty restaurant will be confirmed per booking via our Guest Check-in/Priority Check-in and Planning Center (PCPC). All additional reservations or visits (i.e. walk-in dining) will be confirmed on board on a space available basis for a nominal fee of \$30 per person, per dining experience.

A few points to remember about our Specialty Restaurant dining policy:

Dining Reservation: Guest Check-in, Priority Check-in and Planning Center (PCPC) will only allow ONE reservation in each specialty restaurant, per booking, per guest, prior to the voyage. Additional reservations will be confirmed on board for a nominal \$30 reservation fee, may only be confirmed on board and are subject to availability. Note: *Sushi Bar* is not available for pre-reservation via PCPC. *Sushi Bar* seating/dining requests must be made on board the ship, on a first-come, first-served basis, based on space availability.

Once on board, if a guest chooses to dine again in one of the specialty restaurants he/she will be accommodated on a first-come, first-served reservation basis for a nominal fee of \$30 per person, per dining experience. The same policy applies to guests who are accommodated as “walk-in” diners should space be available at time of dining request with the Maitre d’.

Guests on Back-to-Back Cruises: Guests sailing on multiple voyages will receive this complimentary reservation for each separate voyage.

Guests on Cruises 14 days or longer: Guests will be extended 2 (two) complimentary reservations in each Specialty Restaurant venue. The second complimentary reservation will need to be made and confirmed on board the ship, once the sailing begins and is on a space available basis (but without the nominal \$30 fee).

Full World Cruise Guests: All Specialty Restaurant reservation fees will be waived. One reservation per Specialty Restaurant, per World Cruise segment may be booked via PCPC prior to the voyage. Additional reservations will need to be confirmed on board the ship, after the voyage begins.

Guests redeeming their 50+ Milestone Crystal Society Benefit: All Specialty Restaurant reservation fees will be waived for all guests who have achieved their 50th (or greater) Crystal Society Milestone. One reservation per Specialty Restaurant venue, per segment, may be booked via PCPC prior to the beginning of each voyage. Additional reservations may be confirmed when on board the ship, on a space available basis.

The Vintage Room

An innovative concept in wining and dining, *The Vintage Room* promotes wine education and the vast range of fine wines available on board. In addition to daytime tastings and discussions, guests may partake in a variety of private wine “themed” dinners by special arrangement with the Head Sommelier. Both options are available in our pre-reservation system. To request a reservation, a seating or a private dinner, see page 214, Priority Check-in & Planning Center, for details.

Lido Café

This is an indoor/outdoor venue for breakfast and lunch. Breakfast includes made-to-order omelettes, waffles and pancakes, in addition to a large selection of other breakfast favorites. Lunch offers made-to-order pastas and salads, a delicious selection of our famous soups, carved meats, fresh catches of the day and a tempting array of sumptuous desserts, including sugar-free options.

The Bistro

This popular Parisian-style coffee bar and café is a favorite meeting place. Complimentary espresso, *caffe latte*, cappuccino and specialty teas are served in our comfortable café, graced by the whimsical paintings of celebrated artist Guy Buffet.

Wines by the glass are also available. Light snacks are served throughout the day, ranging from fresh pastries and fruit in the morning to a selection of international cheeses, charcuterie, pastries and other delicacies in the afternoon.

The Bistro also serves a variety of late evening and nighttime snacks from 6 to 11 pm. The selection varies and often includes charcuterie and artisanal cheeses in the evening hours, while late-night snacks offered may include petite desserts, chocolate-dipped strawberries and seasonal fruits.

Trident Grill & Ice Cream Bar

The Trident Grill offers classic hamburgers, cheeseburgers, veggie burgers, chicken burgers, hot dogs and tuna melts. There are also wrap sandwiches and gourmet pizzas (available at *Tastes on Crystal Serenity*). A Late-Risers Breakfast is available on the Lido Deck on *Crystal Serenity* and at the Trident Grill on *Crystal Symphony*. TERMS & CONDITIONS

Please read these Terms & Conditions carefully. They include important information you will need to know before you book a Crystal cruise, and are some of the Terms & Conditions which form part of the Ticket contract pursuant to which you travel with Crystal Cruises. These Terms & Conditions are subject to change with or without notice. The entire Terms & Conditions that form the ticket contract by which you are bound are available through Crystal Cruises.

1. TERMS OF THE CONTRACT:

The Crystal Cruises Inclusive Fly-cruise arrangements in this brochure are organised and offered for sale in the United Kingdom by Mundy Cruising plc trading as The Cruise Portfolio of 50-51 Wells Street, London, W1T 3PP ("the Company") upon the terms of these conditions and the information contained in this brochure. Although all of the information contained in this brochure has been described in accordance with the latest information available at the time of printing, the Company reserves the right to make changes, though any change will be notified to you before you conclude a contract with the Company. Carriage by Sea is provided by Crystal Cruises Inc. (Crystal Cruises or the Carrier) of 11755 Wilshire Boulevard, Suite 900, Los Angeles, California 90025, whose ships "Crystal Symphony" and "Crystal Serenity" are registered in the Bahamas.

2. BOOKING PROCEDURE AND DEPOSIT:

In order to make a booking, please contact your ABTA Travel Agency or the Company. Complete and sign the booking form contained within this brochure. The person signing the booking form accepts these conditions and the brochure information on behalf of all persons named on the booking form. All references to "you" or "your" shall be a reference to all persons who are part of the booking. The booking form should then be sent to the Company or handed to your ABTA Travel Agent together with a deposit of 20% per person for all categories. All monies you pay to the travel agent are held by him on behalf of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at the time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. The holiday arrangements shown in the brochure are flexible—if you wish to extend your stay pre- or post- cruise, upgrade your flights or make any other arrangements, please put full details in writing at the time of booking. If you do not do so, you will be required to pay the booking amendment fee when changes are made (see section 20).

3. CONTRACT:

Your Contract is with the Company and your cruise is performed by Crystal Cruises whose Conditions of Carriage are expressly incorporated into these Booking Conditions and can be viewed at www.crystalcruises.co.uk. You can also obtain a copy from the Company. The person signing the Booking Form must be over the age of eighteen (18). The Contract with the Company is concluded when the Company issues a confirmation invoice. This will be sent to you by the Company or your ABTA Travel Agent. Full payment of the balance shown on the confirmation invoice is required no later than 100 days prior to departure. If the booking is made and accepted within 100 days of departure, then full payment must be sent with the completed booking form. Failure to pay in full by this time may result in cancellation of your cruise and forfeit of your deposit.

4. PRICES:

The prices shown in this brochure may have changed by the time you come to book your holiday. Although we make every effort to ensure that the pricing shown in the brochure is accurate at the time of printing, regrettably errors do occur, and you will be advised of the current price of the holiday when your contract is confirmed.

The Company's prices are based on known costs and projections at 1 November 2014 and it does not expect to have to make any changes. However, the Company reserves the right to vary prices up or down at any time up to 30 days before departure to allow for variations in: a) exchange rates, b) transportation costs, including the cost of fuel and, c) increases in general tax rates (such as VAT) imposed by any country including dues, taxes or fees chargeable for services such as embarkation and disembarkation fees at ports or airports. Even in these cases, the Company will absorb an amount equivalent to 2% of the holiday price (excluding insurance premiums and amendment charges). (Any increase will be calculated by reference to the total cost of the variation to the Company divided by its best estimate of the number of passengers likely to be affected, so as to arrive at a per capita increase). If this means paying more than 10% on the holiday price, you will be entitled to cancel your holiday with a full refund of all money paid except for any premium paid to the Company for holiday insurance and amendment charges. Should

you decide to cancel because of this, you must exercise your right to do so within 14 days from the issue date printed in the invoice or such other time as may be specified.

All charges for services and products provided onboard the Ship must be settled in cash, traveller's cheques and personal cheques to limits acceptable to Crystal Cruises or by credit card acceptable to Crystal Cruises and before the guest's final disembarkation from the Ship. Any and all payments shall be made in the currency of the United States of America or other currency acceptable to the Carrier. Any other expenses incurred by you shall be payable to Crystal Cruises on demand and prior to leaving the Vessel.

5. PASSPORTS AND VISAS:

All passengers are required to be onboard the Ship at least 90 minutes before departure time.

British passengers should carry a full British Passport, valid for at least 6 months after the end of your holiday. Other nationalities should also carry a full passport. Visas may be required for some ports of call. Please check with your travel agent or Crystal Cruises.

It is your responsibility to ensure that you have valid and appropriate travel documentation including passports and visas for each person travelling with you for eligibility to travel at the time of embarkation and throughout the cruise and the various ports of call for the Cruise. In addition to immigration and customs requirements, the U.S. Government and others place restrictions on the carriage of persons whose names appear on Government watch lists or who are deemed legally ineligible to travel. It is your sole responsibility to ensure your legal eligibility to travel. You are advised to check with the appropriate Government authority to determine the necessary documents and travel eligibility requirements. If you or anyone travelling with you become ineligible to travel for any reason, or are travelling without proper documentation, then you will not be allowed to board the ship. Under no circumstances shall the Company or Crystal Cruises be liable for any costs, damages or expenses whatsoever incurred by you or anyone else as a result of such denial of boarding.

6. HEALTH REQUIREMENTS AND INSURANCE:

You represent and warrant that you and everyone travelling with you are physically and otherwise fit to travel. The ship visits numerous ports in a number of countries. You are solely responsible for checking with your doctor as to which vaccination or medication are recommended or required for those countries for those travelling and for any assistance animals.

Unwed, unrelated couples must be 18 or over to be booked in the same stateroom. Crystal Cruises is unable to accommodate children under six (6) months of age and reserves the right to restrict the number of those under three (3) years of age aboard the Ship. Any child under the age of eighteen (18) must be accompanied by an adult over the age of eighteen (18). In addition, if the adult accompanying this child is not a parent, a "Parental Consent Guardianship Form" must be signed by a parent or legal guardian and received by Crystal Cruises at least 30 days prior to sailing. Guests aged 17 and under must be in a stateroom either with a parent or authorised guardian over 21 years of age. No one under the age of eighteen (18) is permitted in the Ship's casino or to participate in any monetary-based games of chance (including Bingo) on board.

The Company or Crystal Cruises cannot accept any responsibility for your failure to comply with the necessary medical, passport or visa requirements. Crystal Cruises and/or the relevant port authorities shall be entitled to administer a Public Health Questionnaire at any time. You and all persons travelling with you agree to complete the pre-boarding questionnaire and to supply accurate information regarding any symptoms of illness including but not limited to gastro-intestinal illness. In the interest of health and safety Crystal Cruises may deny boarding to any person who has symptoms of any viral or bacterial illness including but not limited to Norovirus. Where illness is diagnosed on board the vessel you and all persons travelling with you agree that you/they may be required to remain in their cabins for such duration as required by the ship's doctor. Refusal to complete the relevant pre-boarding questionnaire may in itself result in denied boarding. Refusal to remain in the cabin or otherwise reasonably co-operate or follow the Doctor's or Captain's instructions following illness may result in being disembarked at the next port of call. Neither the Company nor Crystal Cruises shall have any liability to you or any person travelling with you in the event of denied boarding or disembarkation. You must pay or reimburse Crystal Cruises for all resulting costs and expenses including for food, transportation, accommodation, medical and/or repatriation services, including, but not limited to such costs and expenses incurred by or on account of services provided by port agent and other shoreside service providers, including luggage shipping costs.

All passengers must have adequate insurance cover against cancellation, illness, repatriation loss of luggage etc. You should advise name of your own insurer so to indicate to the Company you have in fact taken out adequate insurance cover.

7. PREGNANCY:

If you or anyone travelling with you is pregnant you/they understand and acknowledge that prenatal and early infant care, in particular, may require specialised diagnostic facilities and/or treatment that are not obtainable during the Cruise on board the ship and/or ashore in ports of call. The ship's doctor is not qualified to deliver babies or to offer pre or post natal treatment and no responsibility is accepted by the Company or Crystal Cruises in respect of the inability to provide such services or equipment.

The Company and Crystal Cruises recommend that pregnant women should seek medical advice prior to travel at any stage of their pregnancy. The Carrier does not have on board its ships adequate medical facilities for childbirth. Crystal Cruises is unable for safety reasons to carry pregnant passengers of 23 weeks or more by the end of the cruise, therefore the Company will not be able to accept a booking for any person who will have passed their 23rd week of pregnancy at the time of embarkation or at the end of the cruise.

All pregnant women who meet the above requirements are required to produce a doctor's letter stating that mother and baby are in good health, fit to travel taking into account the proposed itinerary and that the pregnancy is not high-risk. The letter must also include the estimated date of delivery calculated from both the last menstrual period and ultrasound (if performed). Crystal Cruises cannot carry any pregnant woman who does not comply with this requirement and will refuse passage to any person who appears to be in an advanced state of pregnancy and neither the Company or Crystal Cruises shall have any liability whatsoever in respect of either such refusal and/or the carriage of such a person.

8. MEDICAL FACILITIES/ TREATMENT ON BOARD AND ASHORE:

Whilst there is a qualified doctor on board it is the passenger's obligation and responsibility to seek medical assistance if necessary during the Cruise. You and all those travelling with you consent to treatment deemed necessary by the Ship's doctor or other medical personnel if subsequent to embarkation you/they are unable to request or authorise such treatment and in the opinion of the Ship's doctor such medical attention is necessary.

The ship's doctor is not a specialist and the ship's medical Centre is not required to be and is not equipped to the same standards as a land based hospital or designed for the provision of extensive or continuing treatment. The ship carries medical supplies and equipment in accordance with the requirements of its flag state.

Neither the Company or Crystal Cruises nor the ship's doctor shall be liable to you or anyone else travelling with you as a result of any inability to treat any medical condition as a result. Charges will apply for services dispensed by the ships medical Centre. The Company or Crystal Cruises shall not be liable for any aspect of medical treatment provided to you or anyone else travelling with you, including, but not limited to, the consequences of any examination, advice, diagnosis, medication, treatment, prognosis

or other professional services which such doctors or nurses may furnish you with. The Company or Crystal Cruises makes no warranty as to the quality of any such medical services.

In the event you or anyone travelling with you have to be landed for medical treatment ashore no representations are made regarding the quality of medical treatment at any port of call or at the place at which you are landed. Medical facilities and treatment do vary from port to port. Any cost or expense which is reasonably incurred by Crystal Cruises for or on behalf of yourself or any person travelling with you in respect of any form of medical, dental or similar treatment, hotel, transportation, repatriation or any other expense shall be repayable by you/them to Crystal Cruises, whether or not such sum is covered by your/their travel insurance. The Company and Crystal Cruises reserve the right to take any action that they consider appropriate to recover any such costs or expense and You/they agree to fully indemnify and reimburse the Company or Crystal Cruises in respect of such costs and expenses.

If you require dialysis on board the vessel you must notify the Company at the time of booking and every effort will be made to see if this can be accommodated on board the ship. Please note that the medical facilities on board the ship are NOT equipped to perform dialysis. The shipboard doctors are not trained to provide dialysis treatments but are able to assist in emergency situations. All dialysis equipment and medication must be provided by the passenger. This includes antibiotics. A risk assessment shall be carried out at the time of booking by the Carrier to ensure that you/they can be carried in these circumstances safely and in accordance with applicable laws.

In relation to any other medical equipment there are limited storage facilities on board. There are restrictions on the number and type of oxygen cylinders which can be carried in cabins. The ships medical centre cannot refill or supply oxygen cylinders liquid oxygen is strictly prohibited. You must notify the Company prior to booking of any medical or mobility equipment you wish to take on board the ship.

9. CHILDREN:

Crystal Cruises is unable to accommodate children less than six months (6 months) of age and may restrict the number of those who are less than three (3) years of age onboard the Ship. Any child under the age of 18 must be accompanied by an adult. If the adult accompanying the child is not a parent, a "Parental Consent Guardianship Form" must be signed by a parent or legal guardian prior to sailing. Parents can have two related children booked in the same cabin, provided one of them is at least sixteen (16) years of age. No one under the age of eighteen (18) is permitted in the Ship's Casino or to participate in any monetary based games of chance (including Bingo) onboard.

No one under the age of eighteen (18) shall be served alcohol onboard the Vessel. When docked or anchored in US Ports or within the three mile limit, alcoholic beverages will not be served to guests under the age of twenty-one (21).

10. DISABLED PASSENGERS OR PASSENGERS WITH REDUCED MOBILITY:

The Company and Crystal Cruises priority is always your comfort and safety as well as complying with the strict legal requirements of the law relating to safety of life at sea. In order to achieve these objectives, you are asked at the time of booking and before boarding to provide as much detail as possible of the matters given below to the Company/your ABTA Travel Agent/ Crystal Cruises so that the Carrier can consider its obligation to carry you in a safe and operationally feasible manner, taking into account any issues relating to the design of the ship or port infrastructure and equipment including port terminals which may make it impossible to carry out your embarkation, disembarkation or carriage which may therefore have an impact on your safety and comfort.

See also sections 8, 11 and 12.

You are asked to provide full details if you or anyone travelling with you is unwell, infirm, Disabled or has Reduced Mobility prior to Carriage. You/they are asked to provide full details:

- a) If you/they require a Disabled cabin. The Ship has a limited number of such accessible staterooms available on a "first come first serve" basis.
- b) If you/they have any special seating requirements.
- c) If you/they need to bring any electrical or other medical equipment on board.
- d) If you/they need to bring a recognised assistance animal on board the vessel. Please note that assistance animals are subject to national certificate regulations.

Please ask for our Special Needs form in order that we can assess your personal requirements. Where Crystal Cruises considers that it is strictly necessary it may require

TERMS & CONDITIONS

a Disabled Person or Person with Reduced Mobility to be accompanied by another person who is capable of providing the assistance required by the Disabled Person or Person with Reduced Mobility. This requirement will be based entirely on the Carrier assessing the person's need on grounds of safety and may vary from vessel to vessel and/or itinerary to itinerary.

If you or anyone travelling with you has any particular conditions, Disability or Reduced Mobility which require personal care or supervision then such personal care or supervision must be organised by you/them and at your/their expense. The vessel is unable to provide respite services, one-to-one personal care or supervision or any other form of specialised care for physical or psychiatric or other conditions.

Crystal Cruises may refuse to carry any person who has failed to adequately notify the Company/ Crystal Cruises of any Disabilities or needs for assistance in order for the Carrier to make an informed assessment that the person can be carried in a safe and operationally feasible manner on the grounds of safety.

If you or any person travelling with you become aware between the date of booking the cruise and the date of commencement of the cruise that you/they will require special care or assistance as detailed above then you/they are asked to inform the Company/ Crystal Cruises and/or the Carrier immediately so that the Carrier can make an informed assessment whether or not you/they can be carried in a safe and operationally feasible manner. If after careful assessment of your or any person travelling with you their specific needs and requirements, the Company or Crystal Cruises conclude that you/they cannot be carried safely and in accordance with applicable safety requirements then the Company can refuse to accept a booking or Crystal Cruises can refuse embarkation of a Disabled Person or Person with Reduced Mobility on the grounds of safety. In those circumstances you will be entitled to request that the Company or the Crystal Cruises provide the reasons to you in writing within 5 working days. See also Complaints in section below.

Some ports of call are anchorage ports, and physical conditions of a Disabled Person or Person with reduced mobility may preclude them from going ashore. Wheelchairs cannot be accommodated in tenders or other craft. Some Shore Excursions may not be suitable for Disabled Passengers or those with Reduced Mobility. Passengers must check at the time of booking. The decision will be made by the Captain of the Ship based on safety and is binding.

Any person in your booking confined to a wheelchair is asked to furnish their own standard size collapsible wheelchair and must also be accompanied by a travelling companion fit and able to assist them. In order to comply with Safety of Life at Sea and other Regulations each cabin is limited to two pieces of medical and or mobility equipment to a combined total value of 2250 SDRs (approx £2158.50). The Carrier can give permission in writing to allow these limits to be exceeded. The Carrier's assessment will be based on safety and reasonableness. If you would like to bring a motorised wheelchair on board you must provide the dimensions as size limitations may apply and the ship may not be able to accommodate this request.

11. MEDICAL EQUIPMENT:

It is your responsibility or that of any person travelling with you requiring to bring any medical equipment on board the ship to notify the Company at the time of booking in writing if you/they need to have medical equipment on board and providing details of what type of equipment this might be so that the Company can inform the Carrier in order that the Carrier can ensure that the medical equipment can be carried and/or carried safely.

It is important that you or any person travelling with you contact the manufacturer or supplier to ensure that any medical equipment you/they are intending to bring on board is safe to use. It is your/their responsibility to arrange delivery to the Ship prior to departure of all medical equipment. It is your/their responsibility to ensure that all medical equipment is in good working order and for arranging enough equipment and supplies to last the entire voyage. The ship does not carry any replacement and access to shore side care and equipment may be difficult and expensive. You/they must be able to operate all equipment.

Portable oxygen tanks and oxygen concentrators may be used on board, provided that the Company is notified in writing at least 30 days prior to sailing and it has obtained the Carrier's consent in writing in respect thereof. Liquid oxygen is not permitted on board.

12. PETS AND SERVICE DOGS:

Pets and other animals are not allowed on board the Ship. The Carrier must agree at the time of booking or prior to embarkation, in writing, that you or anyone travelling with you can bring a recognised service dog on board the ship. Prior notification is required in order to determine whether the Carrier can accommodate the service dog. If you or anyone travelling with you has not provided this information the Carrier cannot guarantee that the assistance dog will be carried. There may be national certificate requirements. It is the Passenger's responsibility to check the requirements at each port to include embarkation, disembarkation as well the various ports of call. The service dog must provide a physical service to the passenger to qualify as an assistance dog.

13. SPECIAL DIETS AND REQUESTS:

The Company will endeavour, but does not guarantee, to meet any special diet requirements or special requests which you may have. These should be advised in writing at the time of booking.

If you or anyone travelling with you has any known allergies, or is intolerant to any food, you/he/she is required to report it to the Maitre d'hôtel as soon as convenient after boarding the ship. It is your/their responsibility to ensure that you/they actively avoid any food you/they are allergic to. The Carrier will take all reasonable care if made aware in writing of any specific food or ingredient that you/they have an allergic reaction to and will assist you within reason to avoid any such food or ingredients if made aware by you/their prior to ordering such food. The Carrier is not under any obligation to prepare or provide special meals for you or anyone travelling with you.

Such additional dangerous articles include, but are not limited to, firearms, stun guns, swords, ice picks or knives. A more comprehensive list of prohibited items is available through the Carrier from the Company. Any such items shall be surrendered to the Captain at embarkation, and may be disposed of in the sole discretion of the Captain.

You and everyone travelling with you hereby consents to a reasonable search being made of your/their person, Luggage or other property, and to the removal and confiscation or destruction of any object which may, in the opinion of the Captain impair the safety of the Ship, be illegal or inconvenience other passengers on board.

15. CRUISE ONLY ARRANGEMENTS:

If you book arrangements with the Company that do not include flights, your arrangements are protected by way of a bond with ABTA. This means that in the unlikely event of our insolvency, your cruise can't be provided, you will receive your money back or, if your cruise has started, arrangements will be made for you to be able to continue as planned.

16. FLY/CRUISE PACKAGES:

For most 2016/2017 voyages, we have included economy class return flights from a London airport within your cruise package fare. In certain circumstances we may require full payment for flights and ancillaries at time of booking, and the amount paid for the flight element or ancillaries of the arrangements at deposit stage may be non-refundable. This will include pre-cruise and post-cruise arrangements. Please enquire at time of booking.

17. HOTEL AND FLIGHT RESERVATION:

If you purchase a fly/cruise package The Company has made arrangements with airlines and hotels which provide services included in the holidays in this brochure. Where the hotel is specified you will be booked into this hotel or one of a similar standard. If you chose to travel by air on dates other than those published, a higher fare may apply, and you should be advised by the Company prior to booking. All flights and hotels are confirmed when the booking form and deposit are received. No allocations are held. 19. ALTERATIONS BY THE COMPANY:

Arrangements for the holidays are made many months in advance by the Company.

Occasionally for some reasons of force majeure or other circumstances beyond the control of the Company it is necessary to make alterations to the arrangements. The Company reserves the right to alter or cancel itineraries, accommodation or other arrangements at any time.

In the event of a Significant Alteration prior to departure of an essential term of the Cruise, the Company will inform you of any cancellation or change of itinerary in writing as soon as reasonably possible and you will be offered a choice of:

- a. accepting the alteration or
- b. booking another Cruise of equivalent or superior quality, if available or booking another Cruise of a lower quality, if available, with a refund of the difference in price or cancelling and receiving a full refund of all monies paid.

You must notify the Company of your decision in writing within seven days of receiving the notification or alteration or such time as may be reasonably stipulated. The Company will not be liable with indirect or consequential losses. You will not be entitled to receive compensation where the Significant Alteration is due to:

- a. an event of Force Majeure where the cancellation is due to unusual and unforeseeable circumstances, the consequences of which could not have been avoided even if all due care had been exercised or
- b. where the minimum number of passengers specified as being required for a package to proceed is not reached.

In those circumstances, compensation shall be limited to £20 per person per night for the duration of the Cruise as booked.

In respect of a significant alteration of the Cruise after departure, then the Company will make suitable alternative arrangements at no extra cost to you for the continuation of the Cruise. If you do not accept these for good reason or it is impossible to make suitable alternative arrangements, the Company will where possible provide you back to the place of departure or to another place to which you have agreed with us. Compensation will not be payable if the alteration is minor or does not affect the value of the Cruise or if the Company is not able to provide a significant proportion of the package due to an event of force majeure or is not at fault. The Carrier cannot guarantee the Cruise will call at every Port on the itinerary or follow every part of the advertised route or schedule. Cancellation of part of the itinerary, substitution of ports or unavailability of some services on board the vessel will not amount to a significant alteration.

20. GUEST AMENDMENTS:

Should you wish to make any amendment to your booking, then you must notify us in writing. All amendments carry a £50 per person amendment fee, plus any additional charges as a result of the changes. For all amendments received, we will make every effort to assist you, although we cannot guarantee that that we will be able to meet every request. Certain changes such as name, ship, sail date, category of accommodation, or value of booking may not be changeable and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Any amendments received within 90 days before the sailing date may be treated as a cancellation, and the applicable cancellation charges will apply as per point 18.

21. OUR RESPONSIBILITY:

The Company accepts responsibility for ensuring that all elements of your holiday are as described in this brochure and are of a reasonable standard. Local laws and regulations of the relevant country will be relevant in assessing performance of the services of any Supplier. In the event of a complaint by a Guest, this Contract will be regarded as having been performed if local laws and regulations relating to those services have been satisfied, even if the laws of England and Wales have not been met. If you and/or any other person included in your booking suffers injury, death or loss of or damage to property as a result of the non-performance or improper performance of any service which the Company is contractually obliged to provide, then the Company's liability, if any, to pay compensation shall be governed by the international conventions which govern such services. This limitation applies whether or not any particular international convention has been signed or ratified by the UK; or as any particular convention may be applicable by the operation of UK Law. Please also see the important paragraph below headed "Conditions of Carriage".

Where the Athens Convention 2002, EU Regulation 392/2009 or the 2014 Order or the Montreal Conventions do not apply then the Company shall be under no liability to you at all if the failure to perform or improper performance of any contractual obligation is caused by:

- a) your own fault or the fault of anybody else included in your booking
- b) the failure is attributed to a third party unconnected with the provision of any services contracted for and is unforeseen or unavoidable, or
- c) the failure is due to:
 - i) any unusual or unforeseen circumstances beyond our control, the consequence of which could not have been avoided even if all due care had been exercised; or
 - ii) an event which the Company or any supplier of services even with all due care, could not foresee or forestall.
 - iii) if you or any member of your party suffers damage arising out of an activity which does not form part of the holiday arranged through the Company, it will offer advice, guidance and assistance to help you in resolving any claim you may have against a third party, provided the Company is advised of the incident within 90 days of the occurrence. Where legal action is contemplated the Company's authority must be obtained prior to commencement of proceedings and be subject to your undertaking to assign any costs recovered or any benefits received under an appropriate insurance policy to the Company. The Company's costs in respect of the above on behalf of you and your party shall not exceed £5,000 in total.

For cruises where the original port of embarkation is in the EU, in the event that the cruise is delayed in departure of one or more nights and you are not on board the ship and have travelled to the port of embarkation for the cruise then in accordance with EU 1177/2010 the Company shall offer passengers adequate accommodation free of charge for a maximum of 3 nights and up to 80 Euros per night per person. The Company shall also provide suitable snacks, meals and refreshments. No payment shall be made unless authorised by The Company in writing. Domestic sea carriage by sea or use of the ship as a floating hotel in the UK shall be governed by the 2014 Order which applies the Athens Convention 1974 limits. A copy of the Athens Convention 1974 may be viewed at: <http://www.admiraltylawguide.com/conven/passengers1974.html>. As mentioned in paragraph 21, from 30 December 2016 EU Regulation 392/2009 will apply to domestic carriage by sea in the UK.

Any liability of the Company and the Carrier for death or personal injury or for loss of or damage to luggage arising out of carriage by sea shall be solely brought and determined in accordance with the Athens Convention 2002 EU Regulation 392/2009 or where applicable the 2014 Order .

Where the cruise involves domestic carriage by sea or the ship is being used as a float hotel the aggregate liability of the Company and the Carrier for the death of or personal injury to a passenger shall in no event exceed the monetary limitations of 46,666 SDR's (approx. £42,985.69) as set forth in the Athens Convention 1974. From 30 December 2016 this will increase for domestic seagoing carriage to 400,000 SDR's (approx. £368,448.47). The maximum liability for international sea going cruises is 400,000 SDR's per passenger per incident (approx. £368,448.47) or 250,000 SDR's (approximately £230,280.68) in the case of War and Terrorism pursuant to EU Regulation 392/2009 and the Athens Convention 2002.

Liability for loss of or damage to property (save for medical and mobility equipment which is dealt with in Sections 10 and 11) pursuant to the Athens Conventions and EU Regulation 392/2009 is limited. Cabin luggage is limited to 833 SDR's under the Athens Convention 1974 and 2014 Order (approx. £767.30) and 2,250 SDR's (approx. 2,072.53) under the Athens Convention 2002 and EU Regulation 392/2009.

In all cases of carriage by sea luggage is assumed to be delivered without damage unless written notice is given by the passenger within the following periods:

- (i) In the case of apparent damage before or at the time of disembarkation or redelivery.
- (ii) In the case of damage which is not apparent or loss of luggage, within 15 days from the disembarkation or delivery or from the date any such delivery should have taken place.

Neither the Company nor the Carrier shall not be liable for any loss or damage to luggage that occurs outside the course of carriage including any loss or damage before or after the luggage comes into the Carrier's actual possession, custody and control, including, but not limited to, where the luggage is in the possession, custody and control of airlines or other transportation services.

The Carrier provides safekeeping for valuables aboard Ship and encourages passengers to deposit any jewellery or other valuables brought aboard the Ship with the Reception Desk staff who will issue a receipt for such valuables. The Carrier provides an in-room personal safe for passenger's convenience. However, the Carrier shall not be liable for any loss of or damage to money, jewellery, watches, precious stones and metals, securities, financial instruments, tickets and/or other valuables unless they have been delivered to the Reception Desk for safekeeping and a receipt issued in which case the Carrier's liability is limited in sums set out in the Athens Convention 1974 of 1,200 SDR's (approx. £1,105.34) and SDR's 3,375 (approx. £3,108.78) under EU Regulation 392/2009 and the Athens Convention 2002. The use of safes on board is not a deposit with the Ship under the Athens Convention 1974 or 2002 or EU Regulation 392/2009.

Where carriage is performed on Inland waterways and the vessel does not go to sea the liability provisions relating to sea going vessels do not apply to the cruise. In those cases the liability of the Company and the Carrier to Passengers shall be determined in accordance with English law (the Merchant Shipping Act) and The Convention on Limitation of Liability for Maritime Claims 1996 (LLMC 96) as amended by SI 1998/1258, a copy of which will be provided by on request or can be found at (<http://www.legislation.gov.uk/uksi/1998/1258/article/4/made>). Liability for property claims will be at least 1,000,000 SDR's (approx. £921,124.11) under SI 1998/1258 (4)(b)(i)).

The Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vessels, referred to as the "Strasbourg Convention" with protocols and amendments, applies to vessels sailing on waterways located in the territory of a state party subject to (i) the "Revised Convention relating to the Navigation of the Rhine of 17 October 1868" and (ii) the "Convention of 27 October 1956 concerning the canalization of the Moselle" (Article 15(1) of the Strasbourg Convention: <http://www.ivr.nl/downloads/forms/B2.pdf>). The Company's and the carrier's for death, injury, illness, damage, delay or other loss to person or property of any kind suffered by Passengers shall, in the first instance, be governed by the Convention on Limitation of Liability for Maritime Claims 1996 as amended by SI 1998/1258 or where applicable the Strasbourg Convention. The Company's liability therefore shall not exceed those limitations provided by the said LLMC 1996 and SI 1998/1258 or where applicable Strasbourg Convention or in any further revisions, protocols and/or amendments thereto as shall become applicable. Where the LLMC 1996 or If applicable Strasbourg Convention permits us to apply a deductible, we may apply that deductible. (The above reference approximate conversion rates are based on exchange rates as of 29 May 2014. SDR's are a monetary unit of the International Monetary Fund and current exchange rate can be found in major financial newspapers).

In respect of any loss or damage to property including luggage which are not covered by any international conventions, and where liability is not limited by reference to any enactment, terms or conditions, then any legal liability that the Carrier may have for any such losses or damage will be limited to £500 per passenger.

All settlements by the Company or the Carrier will be made on the basis of actual cash value (replacement cost, less depreciation) Claims for damaged items will be settled on the basis of cost of repair. No amount shall be paid in settlement of any claim without proof of the actual cash value, or repair cost, as appropriate, arising from the loss or damage. Such proof must be sent to the Company. The Carriers' liability must also be proven before any settlement will be paid. You cannot make a double recovery by making a claim against the Company and the Carrier.

The Company or Crystal Cruises is not responsible for any acts or omissions that are wholly attributable to the fault of the local Supplier. If a Crystal Society member redeems his or her amenity package and is also on a Crystal "Classic" or "Classic-Plus" Hotel Programme, he or she may take either the complimentary private car transfer offered with the Special Penthouse Amenities Package, or the city tour and motor coach transfer offered with the Hotel Programmes, but not both. No credit will be given for the unused transportation and/or tour.

- One cruise between 5 and 15 days: Guests receive credit for one cruise level.
- One cruise of 16 days or more: Guests receive credit for two cruise levels.
- Cruise levels are posted at the conclusion of each cruise.
- Cruise levels are cumulative, are not deducted after earned, and do not expire unless Programme is discontinued.
- Cruise levels are nontransferable, and are awarded to the individual who sails and not the person who pays.

CRUISE PROTECTION PROGRAMME

To help ensure that you have some peace of mind, we recommend you consider our Cruise Protection Programme, which was designed for the guests of Crystal Cruises. This programme provides **travel insurance coverage** and emergency assistance services demanded by our travelers. The Cruise Protection Programme provides reimbursement for penalties that may be assessed due to cancellations for covered reasons, and provides medical expense reimbursement for accidents or illness that may occur overseas. And, if your claim is denied due to a pre-existing medical condition, the Cruise Protection Programme offers participants a special “Cruise Credit Rollover Feature” that allows you to apply the cancellation fees as a credit toward a future cruise.

Rollover Credit Feature — Provided by Crystal Cruises: If your total trip cost and cancellation penalties exceed \$50,000 per insured and you have a covered Trip Cancellation, you will be reimbursed \$50,000 in cash, plus a future Crystal Cruises Rollover Credit equal to the amount by which the cancellation penalties imposed exceed the \$50,000 per insured cash reimbursement.

If you do not have a covered Trip Cancellation due to a pre-existing medical condition, you will be reimbursed in the form of a future Crystal Cruises Rollover Credit equal to the amount of the cancellation penalties imposed.

In both cases mentioned above, the Rollover Credit will be valid for cruises commencing within twelve (12) months from the date of cancellation. This rollover is non-transferable and not redeemable for cash.

How to Enroll: In order to quickly effect coverage and protect your trip deposit(s), make payment for the applicable plan cost to Crystal Cruises upon booking your trip. Please ask your travel agent to confirm that your booking is correctly noted by our Reservations Department. Should you decide to purchase the Cruise Protection Programme, simply pay the plan cost with your final payment. Trip Cancellation coverage takes effect upon receipt of the Crystal Cruise Protection Programme payment. All other benefits take effect upon departure.

To obtain the Crystal Cruise Protection Programme, simply ask your travel agent to provide you with a copy of the plan or you may locate a copy of the plan on our website at crystalcruises.com. Select “Trip Insurance/Cruise Protection” under the “Already Booked” section of the navigation ribbon. You may also contact the programme administrator, Aon Affinity at 1-800-521-4591 to review any questions you may have regarding the plan.

This plan provides cancellation coverage for your trip and other insurance coverages that apply only during the covered trip. You may have coverage from other sources that provides you with similar benefits but may be subject to different restrictions depending upon your other coverages. You may wish to compare the terms of this policy with your existing life, health, home and automobile policies.
