# TROPICAL SOJOURNS

CARIBBEAN, CENTRAL  
& SOUTH AMERICA VOYAGES

Magical places of colourful  
traditions and natural beauty

2015 & 2016 VOYAGES

Laguna San Rafael, Chile

## FROM PALM-STREWN BEACHES TO THE BOTTOM OF THE WORLD

*Break away from the crowds. Discover the enviable pleasures of cruising to the small islands and hidden harbours where big ships cannot go. Snorkel, hike, kayak and zip-line through the most coveted destinations of tropical America. Or explore South America with its vibrant cities and ancient empires. Don't just dream the fabulous dream — live it.*

### **Escape to the Tropics**

Let your thoughts drift to balmy breezes and swaying palms. Come let the tiny isles of the deep Caribbean embrace you with their lush and steamy beauty. Exclusive hideaways like St. Kitts, “the island that tourism forgot,” and her sister isle, Nevis, with its deserted beaches, coral reefs and little to do that isn't utterly relaxing. On Dominica, the “Nature Isle,” you can indulge in as much or as little adventure as you like from tubing down a river or hiking to Boiling Lake, the “pre-eminent Caribbean trek.” While the Spice Island of Grenada is bordered by beaches and seemingly untouched by time. These are the islands that Silversea sails to, the ones in the less-visited Lesser Antilles.

Or cast off to the sun-bathed beaches of Cancun, Costa Maya and Cozumel in the Yucatán, and lesser-known gems in Guatemala and the Banana Coast in Honduras. Gaze amazed at the Mayan ruins of Tikal and Copan. Climb Las Murallas in old Cartagena, one of the seven “New Wonders of the World.” Hike through the cloud forests of Costa Rica where hummingbirds outnumber crows back home. While Belize is a diver's dream, gateway to the largest barrier reef in the Americas.

From seven-day getaways to a 17-day Amazon voyage or crossing through the Panama Canal, we offer dozens of escape routes during the cold months of winter. You can depart from Fort Lauderdale, San Juan or Bridgetown. Or set sail from New York City in fall, stopping off to savour a spot of tea and the pink beaches and pastel panoramas of Bermuda.

### **Circle South America**

This winter, fall under the magical spell of South America on a voyage that captures the pure essence of these colourful lands.

Circle the entire continent for 66 days of endless diversity: sky-high desert plateaus, steaming rainforests, Patagonian wilderness and sophisticated cities including Rio de Janeiro — even more dazzling during Carnaval. There are wine trails to follow, pre-Columbian sites to explore and a plethora of wildlife to astonish your very soul. If you don't have the time, choose a shorter segment from 16 to 29 days. Or combine two segments and enjoy combination cruise savings on a journey to the regions that interest you most.

### **Discover Small-Ship Sailing at its Most Divine**

Cruising with only a few hundred guests, you'll feel right at home in the prized yachting playgrounds of the Lesser Antilles or toasting the tip of Cape Horn with a fine Argentine Malbec. With nearly one staff member per guest, your preferences are readily observed, your wishes instantly gratified. A butler helps you unpack and stocks your in-suite bar with your favourite libations. Complimentary WiFi throughout the ship allows you to connect with friends and family any time you please. Almost all suites include verandas so that you can enjoy breakfast al fresco under the warm Caribbean sun. Imagine sipping a flute of champagne while St. Lucia's famous Piton peaks drift by. Although, you may prefer to join fellow guests for cocktails out on deck. Open bars and open-seating dining make it easy to mingle, and you'll be sailing with kindred spirits with interests similar to your own.

Your experience will be far more intimate and personal when you sail with Silversea. Only a smaller ship can pull right up to the pier in Puerto Madryn or sail into St. Barts' exclusive harbour. Our destination experts and guest lecturers will broaden your understanding of the lands you visit. And your time ashore is enriched by small-group exploration and insider access that ensure up-close encounters with the locals and daily life.

# BRIDGETOWN to FORT LAUDERDALE

 LEARN MORE

*Beyond the seductive sway of the palm trees, sandy beaches and multi-hued blue water, the islands of the Lesser Antilles possess an undeniable character that banish the cares and concerns of everyday life. From the soaring twin Pitons of St. Lucia to the lush rainforests of Dominica, the vast spectrum of nature's bounty is on full display. Add to that a rich, multi-cultural history and some of the best shopping and people watching in the Caribbean and the Lesser Antilles becomes a destination for not just relaxation, but exploration.*

## VOYAGE HIGHLIGHTS

- On the "Nature Isle" of Dominica, tube down a lazy river to the "pre-eminent trek" in the Caribbean
- Explore the underwater world surrounding St. Barts from the comfort of a semi-submersible boat
- Tour the beautiful coast of St. Martin/St. Maarten aboard a 65' catamaran
- Glide through the stillness of the mangroves in a kayak on the island of Tortola
- Take a high-speed airboat journey through the Everglades, the largest wetlands in the continental USA

## The Art of Relaxation

Just eight square miles in size, St. Barts is a favourite port-of-call for smaller premium cruise lines. And it's amazing what it squeezes into those eight miles: stunning beaches, exceptional dining and enough high-end boutiques to satisfy the most demanding of shoppers. Since you'll overnight here you'll have plenty of time to experience St. Barts' casual yet subtly sophisticated flavour. And while kicking back is practically an art form, one of the best ways to practice that art is with a scenic catamaran cruise along the coast of this small, exclusive Caribbean jewel.

## Big Impressions

What makes Dominica so unique is what it doesn't have — crowds. It's all about nature here, walking through sun-streaked rainforests and swimming under cooling waterfalls. Morne Trois Pitons National Park, a UNESCO World Heritage Site, is the island's crown jewel and home to its famous "Boiling Lake." And the waters around Dominica teem with life. Take a whale-spotting cruise. If a spout or pod is sighted, the captain will manoeuvre the ship so you can get a good look at the animals, allowing you to capture this special moment in this special place — forever.

# FORT LAUDERDALE to FORT LAUDERDALE

For many who visit this region of the world the sea and sky are the star attractions. Long known as the “Venice of the Americas,” Fort Lauderdale is home to many fashionable boutiques and a thriving, ever-expanding arts district. In the yacht-filled harbour of St. Barts you’ll find luxurious shops, sidewalk cafes, and art galleries that capture the island’s undeniable air of casual elegance. Long a destination for those seeking a more relaxed, less restricted way of life, the free-spirited streets of Key West are filled with a colourful history that not only includes U.S. President Truman and renowned author Ernest Hemingway.

Key West, Florida

## VOYAGE HIGHLIGHTS

- Glide through and over the treetops in St. Lucia’s old growth rainforests
- View the marine life surrounding the coral reefs of St. Barts on a catamaran snorkel excursion
- Tour the Bermudian-style architecture of historic Cockburn Town on a Segway
- In Key West, tour the Little White House, the former summer residence of President Harry S. Truman

## Quietly Exotic

Both solitude and adventure can be found in equal parts on the island of Grand Turk. Its quiet, white sand beaches offer the ideal backdrop for a lounge chair and a good book, while white washed, bougainvillea-covered buildings in tranquil Cockburn Town make a lovely setting for a leisurely stroll. And, for the active adventurer the waters of Grand Turk offer a multitude of riches, including 7,000-foot-deep pristine coral walls that drop straight down. Whether you seek seclusion or excitement, Grand Turk is sure to please.

## Sea and Sky

With its dense rainforests, deep valleys and numerous banana plantations, St. Lucia just might be the greenest, most beautiful island in the region. Rising almost half-a-mile from the ocean floor is the symbol of this island, the twin peaks of the Pitons. And one of the best ways to experience the towering Pitons is from the air on a 20-minute helicopter ride. You’ll get a bird’s-eye view of these iconic mountains, as well as St. Lucia’s volcanic hot springs and tropical rainforest. It’s a memorable way to experience this fertile island paradise.

Make new friends at a table of fellow guests, or enjoy an intimate meal just for two. Savour a perfectly prepared dish as you sail into St. Barts, or at a poolside dinner in the Caribbean. We serve dishes from all over the world, with an emphasis on the cuisine and ingredients of the countries we’re sailing through.*

### **La Terrazza and Slow Food**

The only Slow Food inspired restaurant at sea, dedicated to proper land stewardship while preserving cultural food traditions.
