2016 VOYAGES

Ha Long Bay, Vietnam

THE FAR EAST CLOSE UP

In an increasingly globalised world, the Far East continues to fire our imagination. Here you can still glimpse the truly exotic. Temples bejewelled with gold and diamonds. Red-sailed sampans in misty harbours. Harvested rice left to dry in the sun. From the ancient ruins of Bagan and Angkor to the lush jungles of Borneo, this is a region of infinite diversity. And infinitely fascinating with Silversea.

Yesterday, Today and Tomorrow

Nowhere are the contrasts more striking. Here soaring skylines compete in a global race skyward; Hong Kong has more skyscrapers than any other city in the world. But just a few minutes from Victoria Harbour unexpected panoramas open up: mountains and waterfalls, tropical forests and lakes. In Singapore, soaring buildings of glass and steel overlook colonial outposts from the days of Britannia rule. Bullet trains speed past rice fields in Japan. And in Zhujiajiao just 90 minutes from Shanghai, you can lose yourself in the Ming Dynasty era, drifting under camel-back bridges almost two thousand years old.

Then there's Vietnam, dramatically exotic and still relatively untouched: water buffalo ploughing the fields, farmers in conical hats, smiling children peering from bamboo thatched huts. While Myanmar is a time capsule that still moves by horse and cart. With three days in Yangon you can visit Bagan, the ancient Burmese capital, where over 2500 stupas sprawl across a high plain. And to spark the curiosity of even the most seasoned traveller, we are also forging new routes to less known ports in Borneo, the Philippines, and in the large Indonesian islands of Java and Sumatra.

Silversea's Asia. Now more inclusive than ever.

Seeing the Far East has never been easier with Silversea's convenient, seamless packages that offer even more value. **Included airfare and transfers** makes getting there as carefree as your voyage. And an included **two-night, pre-cruise hotel stay at the Shangri-La** in Hong Kong, Singapore or Tokyo, with transfers to the ship, will give you time to refresh after your flight before you step aboard and relax. Then, be sure to take advantage of **complimentary shore excursions** in every port to ensure you'll see all the key sights. Once back on board, you can still be connected, even as you disconnect, with **complimentary WiFi**.

And of course that's in addition to all the other indulgence of a Silversea voyage — sumptuous suites, exquisite cuisines, the head-to-toe pampering of a butler. Allow them to help you unpack or serve you breakfast al fresco. Almost all suites include verandas so that you can enjoy the fresh ocean air by merely stepping outside your door. Imagine sipping a flute of champagne to a performance of Hong Kong's dazzling *Symphony of Lights*. Although you may prefer to join fellow guests for cocktails out on deck.

Your Home on the China Seas

We believe that cultural immersion and luxury are not mutually exclusive. A lifestyle of pampered indulgence frees you from the nuances of travel so that you can embrace your destination more fully. Aboard our ships, lectures and cultural events provide a more profound understanding of the places you visit. And with our highly personalised land programmes, you can roam where you please. Join a small-group special interest tour and enjoy fresh insights far beyond an ordinary excursion. Or have the Concierge handcraft your own bespoke event. For an even more immersive experience, we also offer an impressive array of multi-day land extensions. Meet the warriors of Xi'an during your overnight in Shanghai, for example, or explore Cambodia and Angkor Wat after you disembark in Singapore.

Smaller Gets You Closer

However, it is the size of our ships that is perhaps the most significant advantage of sailing with Silversea. With a mere 382 guests, *Silver Shadow* can bring you closer to the places you visit, tying up right at the dock while others must anchor off shore, or cruising waterways where big ships cannot go. They can sail up the river into the heart of Bangkok and Saigon while others must anchor hours away, leaving you far more time to explore ashore. Yet there's a sense of space on board that is genuinely liberating thanks to some of the highest space ratios at sea.

Land of the Ascending Dragon

Steeped in a history of powerful dynasties and political transformations, and thriving in a global economy, Vietnam beckons the curious traveller. The landscape hosts emerald rice fields and the ruins of ancient temples, while its cities fuse French colonial architecture with modern skyscrapers.

In downtown Ho Chi Minh City (still colloquially called Saigon), the Benh Thanh Market is filled with people eating, drinking, shopping and selling — especially selling. *Silver Shadow* sails into the heart of Saigon while others must anchor hours away. And with overnights in Ho Chi Minh City and Ha Long Bay, you'll have time to explore further afield — Hanoi, perhaps, Asia's most atmospheric city.

Temples and Tuk Tuks

Leaving the big ships behind, the intimate *Silver Shadow* sails right up the Chao Phraya river into the heart of Bangkok so you can begin exploring as soon as you arrive. And there's so much to explore. Thailand's mysterious, magical capital offers more exotic sights than any other major Asian city. And that includes the silent grandeur of over 400 wats that form one of Asia's great spectacles. Take a tuk-tuk and go exploring. Visit the Grand Palace, sparkling residence of Siam's royalty. Cruise Bangkok's colourful klongs laden with produce of the floating markets. Or join one of our mid-cruise land adventures. With a two-night stay in the "City of Angels", you'll have time to explore further afield.

SINGAPORE to SINGAPORE

Splendid royal cities, bejewelled pagoda, breathtaking cultural monuments and a countryside of exquisite scenery. The 21st-century has barely encroached on this once reclusive and still mysterious nation. Rudyard Kipling said it best: "There's no place like Burma".

Travelling Through a Time-Warp

Slowly emerging from its shell, Myanmar is changing. Now is the time to explore this Buddhist nation, where oxen haul teak wood from the river, saffron-robed monks wander quiet lanes, and people lead a way of life little-changed for centuries.

We'll wander the medieval alleys of Malacca, a backwater port that was once the hub of the silk and spice trades. A treasure-trove of beach resorts lie along our route: Penang with its grand colonial mansions, sun-splashed Phuket, and Langkawi, a tropical paradise on the Andaman Sea. And with three days in Myanmar, you'll have time to explore Yangon and discover the breathtaking natural beauty of the country's rural heartland.

HONG KONG to HONG KONG

Step back to the past and into the future. Discover the iconic landmarks of a changing world. Let Silversea transport you to the age-old traditions and dazzling modernity of China, Taipei and Japan, where legends pierce rising skylines in a beguiling juxtaposition of old and new.

Shanghai booms in a global race skyward, while 90 minutes away in the water town of Zhujiajiao, gondolas drift under bridges built during the Ming and Qing eras. Taipei, too, is both an economic powerhouse and a cultural Mecca. You can browse through the fabled Chinese art collection at the National Museum; gaze up at Taipei 101, the world's tallest green building; and wander through heritage lanes. Savour a steaming plate of dumplings. Take a cooking class. Or even ride in a motorcycle side-car through the back streets of Shanghai.

HAUTE CUISINE ON THE HIGH SEAS

As we say in Italy, 'mangia bene, ridi spesso, ama molto' — 'eat well, laugh often, love a lot'. Good food and good company are passions of ours. Make new friends at a table of fellow guests, or enjoy an intimate meal just for two. Savour a perfectly prepared sole as you sail into Hong Kong, or at a poolside dinner in Koh Samui. We serve dishes from all over the world, with an emphasis on the cuisine and ingredients of the countries we're sailing through.

La Terrazza and Slow Food

The only Slow Food inspired restaurant at sea, dedicated to proper land stewardship while preserving cultural food traditions. Enjoy authentic Italian dishes that reflect the core tenets of Slow Food, with fresh, locally grown, and sustainable specialities like buffalo mozzarella from Naples, organic olive oil from Umbria, air-dried Prosciutto from Parma, and 24-month aged Parmigiano Reggiano from Emilia-Romagna.

Open-seating dining for buffet breakfast and lunch.
Reservations required for dinner.

Le Champagne by Relais & Châteaux

Indulge in an evening of regionally inspired dishes at the only Relais & Châteaux restaurant at sea, featuring the freshest, locally sourced ingredients and finest artisan products available. The menu continually changes to reflect your voyage destination, for an enhanced experience of authentic regional flavour.

Reservations required. Per guest dining fee.

The Restaurant

Dine amid sparkling crystal, fine porcelain, candlelight and sweeping ocean views in our main restaurant. Menus, including specialities created exclusively for Silversea by Relais & Châteaux, change daily.
