A wide choice of destinations You'll be spoiled for choice

To give you the best choice, we've included a wide range of our 2017/18 cruises, across all four ships in our fleet, so there's sure to be a cruise just right for you.

The gorgeous Mediterranean calls for your exploration, encircled by attractive cities packed with diverse history. The sun-bleached monuments and striking architecture all paint a picture of the empires that have sought control in this region through the ages. Alternatively, you may be persuaded by natural beauty and relaxed beach-life; be it in the Caribbean or the Canaries.

For the adventurous there is a voyage to Iceland, where the landscape is as wild as the fauna; a trip to the 'Waterfall of the Gods' is a perfect showcase of this, but a glimpse in any direction will afford you excellent views of dramatic scenery. Though if you're looking to capture endless variety and make memories around the globe, then a world cruise is sure to appeal.

Whichever region attracts you the most (there may even be more than one) the selection shown in this brochure will no doubt tempt you. And what's better, these holidays depart from eight ports around the UK, so as well as having free transfers, you can also sail from a port that's convenient for you. What better way to start your holiday?

The Fred. Olsen difference

We don't have the newest ships. We don't have zip wires, wave machines or climbing walls. We don't have celebrity chefs or cocktail mixologists. What we do have is long-serving staff carefully chosen for their friendly, caring personalities, 'real ships' that are regularly improved so they cater for your every need, cuisine carefully prepared by chefs who care about their craft, not their egos, and a passion to show you the very best of the world.

Most cruise lines try to keep you on their ship so you'll spend more money with them. We encourage you to head off on a journey of discovery in every destination. There are more places to see in the world than anyone could fit in one lifetime – but at Fred. Olsen we think there's no harm in trying.

Shore Tours can enhance your experience

On the following pages, we have included a selection of the many and varied tours we offer, at additional cost, to enhance your cruise experience. For the full list, visit www.fredolsencruises.com

Adult only cruising

The nature of these sailings decidedly creates a 'grown up' experience. With that in mind, many of these holidays are designated as 'adult only' cruises. Only those aged 18 or over will be permitted to travel, to ensure you're sailing with like-minded holidaymakers. Children are not permitted on cruises L1724, D1713, L1726, L1803, W1801, W1722, W1710, D1706, W1704, W1705 & M1724.

Shore Tours are subject to availability and service operation. Some ports may be at anchor, intermediate days are at sea. We reserve the right to amend itineraries for operational reasons. Free Door-to-Door: Offer valid from 22nd June to 31st July 2016, inclusive. Offer is applicable for departures within either 250 or 90 UK mainland miles of your home each way (as specified on each cruise's details); any additional mileage must be paid to the transport provider at the time of booking. You may be required to share the transport for all or part of the journey. Passengers may elect to use the Door-to-Door service the day before departure, but will then be responsible for finding their own way to the port, at their own expense, on the day of departure. Once your complimentary transport arrangement has been confirmed by the transport provider, if you subsequently fail to take this arrangement and do not cancel with the transport provider, then you will be liable for the cost. Your on board account will automatically be charged and your return journey cancelled. Free transfer (each way) is one per booking for all guests, from the lead guest address. Outbound and inbound mileage cannot be combined should you only require transfer one-way. This offer is not combinable with any other offer, including but not limited to On Board Spend as previously offered on cruises L1703, W1801 & L1803 (exceptions: the Enjoyment Promise if applicable). For cruises M1705 & M1730, the offer is only applicable on fly cruise fares, as shown. E&OE.
