Taking travellers into the real heart of Asia

The Pandaw experience is all about exploring remote and often hard-to-navigate rivers in specially designed luxury small ships.

BURMA

Pandaw are pioneers in river cruise expeditions in Burma and still to this day very few, if any, vessels are able to carry passengers on these rivers. We offer the widest choice of river cruises in Burma: 1, 2 and 4-night short cruises from Mandalay to Pagan; 7 night cruises on the Irrawaddy and Chindwin Rivers; and 10 and 14-night cruises from Rangoon to Mandalay.

LAOS TO CHINA

Sail on the spectacular Upper Mekong River all the way from Vientiane to China or vice versa. This incredible, pioneering 14-night river expedition, only recently made possible, allows guests to discover charming villages, stunning scenery, pristine jungle, the fabled "Golden Triangle" and the natural wonder of the emerald green waters of the Mekong in China's remote Yunnan province.

VIETNAM AND CAMBODIA

Take in the fascinating River Mekong and striking cultural contrast between the bustling Vietnam delta and the tranquility of Cambodia on our 7 to 10 night expeditions taking you from Saigon to Siem Reap and one of the world's great ancient wonders, Angkor Wat.

HALONG BAY AND RED RIVER

We explore the key sites of Northern Vietnam traversing the Red River delta and its main tributaries, connecting the wonders of Halong Bay with the excitements of down town Hanoi, and then on into the interior, well off the beaten track.

BORNEO

Borneo is a truly pioneering expedition into a rarely visited area where the main attractions are the scenery, wildlife and tribal village life. Travellers can take in the Kapuas River system, on our one-week expedition covering the upper part of the Kapuas and the Denau Sentarum.
