The Future of River Cruising

A photograph taken from the deck of a river cruise ship at dusk. The view is through a large window or glass railing, showing a harbor with several other boats, including a large cruise ship, and city lights in the background. The sky is a deep blue, and the water reflects the lights. The foreground shows the wooden deck of the ship and a white lounge chair.

“ From start to finish we can't recommend
Emerald Waterways enough.

2018 cruises at 2017 prices

There's never been a better reason to book early. To celebrate the launch of our 2018 collection, we have frozen 2018 cruise prices at this year's prices. In addition, book your 2018 river cruise now and enjoy **guaranteed savings of £1,000 per couple** and **a generous €200 worth of complimentary on-board credit per cabin** to use on additional treats throughout your journey.

Book early and secure your preferred cruise, cabin and departure date

To book your place on-board one of our award-winning ships simply call our dedicated cruise experts today on **0808 273 2167**. Our UK call centre is open 7 days a week and our friendly experts are ready to take your call.

Introducing Europe's Most Innovative River Cruise Ships

Our award-winning Star-Ships cut a chic figure on the waterways of Europe where comfort and innovation combine across our custom-built fleet. Designed with you in mind, each vessel features a wealth of on-board amenities to make your journey truly unforgettable. Tasteful and modern décor provides a wonderful setting from which to enjoy the picturesque landscapes that pass by your window, whether that's while relaxing in your lovingly-appointed cabin, talking with new friends in the spacious communal areas or enjoying time in the on-board heated pool.

Spacious Suites & Staterooms

These chic, modern sanctuaries are something you would expect from that of a world-class hotel. Inspired by innovation and contemporary design, we have five suite and stateroom grades for you to choose from. The Emerald Panorama Balcony Suite, the Owner's One-Bedroom Suite, the Riverview Suite, the Grand Balcony Suite and the Emerald Stateroom.

In all suites, the traditional French balcony has been substituted for our ingenious all-weather system, transforming your balcony into the perfect place for you to enjoy the endless river views, regardless of the weather, while our staterooms offer a picture window, perfect for admiring the views.

All staterooms and suites boast a wealth of sumptuous features and inclusions, from luxurious toiletries and a revitalising shower in your spacious bathroom, to a queen size* or twin hotel-style bed, draped with luxurious linens. Not forgetting, a flat screen HDTV and infotainment system provides on-demand classic and blockbuster films and TV channels covering news, sport and leisure, as well as free Wi-Fi to keep you connected with loved ones as you update them via email and social media.

A bottle of water in your suite or stateroom will be replenished daily so you can keep hydrated in time for a busy day out on your excursions, and a safe for valuables gives you peace-of-mind when not in your cabin.
