○ WELCOME

To simply see Southeast Asia is to merely touch the surface. Gaining a deeper understanding of what makes such a majestic region tick takes exploration and the opportunity to really appreciate what's around you.

After setting ourselves the task of building the best river cruise ships for Asian waters, we have specially-commissioned our state-of-the-art Space-Ships to set the standard.

Our design philosophy is not just about using the finest materials to create the most opulent interiors. We have purposefully limited the number of suites to create space and offer a more comfortable on board experience.

Scenic offer the most inclusive cruises and escorted tours in Southeast Asia. We go to the Nth Degree to provide exclusive and authentic experiences, combined with award-winning excursions, to take you deep into the heart of every destination you visit and immerse you in the local culture.

All this, as well as our uncompromising signature all-inclusive service, confirms Scenic really is the only way to travel.

DISCOVER

Take to the dynamic waterways of Southeast Asia in style and navigate your way through a tapestry of colour and culture. Cross country borders and see the river banks come to life while indulging in the luxuries of modern day cruising.

The Mekong River

The Mekong is a trans-boundary waterway which flows for 4,350 kilometres through China, Myanmar, Laos, Thailand, Cambodia and Vietnam. Despite only being Asia's seventh-longest river, it is one of the most biologically diverse in the world, second only to the Amazon. From floating markets to traditional sampans, it is truly fascinating to see how locals live in peaceful union with one of nature's most plentiful sources.

The Irrawaddy River

The Irrawaddy River cuts a peaceful path through central Myanmar for over 2,000 kilometres, from its glacial origins in the Himalayas to the Andaman Sea. Experience tranquil pleasures, visionary landmarks and age-old traditions along the water's edge, while locals make the most of the river as both a life-giver and means of transport.

° MEKONG RIVER CRUISING

The name Indochina was coined by the French to refer to the intermingling of Indian and Chinese influences in mainland Southeast Asia.

— But Vietnam and Cambodia each parade their own unique blend of home-grown cultures.

An intoxicating fusion of Colonial grace, colourful energy and captivating landmarks glaze the jungles, cities and waterways of Southeast Asia. See how locals have integrated with their environment to live in harmony with the rich forests and fertile rivers of the region. Step back in time amidst gold-top pagodas, ornate temples and ancient customs. Immerse yourself in the magic of the Mekong on a luxury cruise and navigate the hubbub of city living, like a journey through the past and present.

Discover Indochina

Used to denote a particular part of Southeast Asia, the term 'Indochina' is made up of much of the eastern part of the Indochinese Peninsula, specifically, Vietnam and Cambodia. A hypnotic blend of natural spectacles, ritualistic cultures and warm locals, Scenic want to lift the veil on this treasure trove as you navigate between each country.

Vietnam

Ho Chi Minh City's rich history is visible through its beautiful French Colonial architecture, from Notre Dame Cathedral to its 19th-Century Post Office. Streets lined with fusion restaurants and food stalls selling crusty baguettes, this thriving metropolis perched on the banks of the Saigon River, can certainly challenge Singapore as the most influential Southeast Asian powerhouse.

Northeast Vietnam is home to beautiful Ha Long Bay, where rainforest-topped limestone islands encase the majestic green waters. Here, you can board the elegant Au Co ship for a two-night cruise through the World Heritage-listed spectacle.

Hanoi, nicknamed the 'Paris of the East' encourages you to discover your joie de vivre as you immerse yourself in its French influence. Explore its 36 streets that make up the Old Quarter and get lost in its dazzling labyrinth of hues and flavours. Long has it been inspiration to writers, poets and painters, and it's clear to see why.

Cambodia

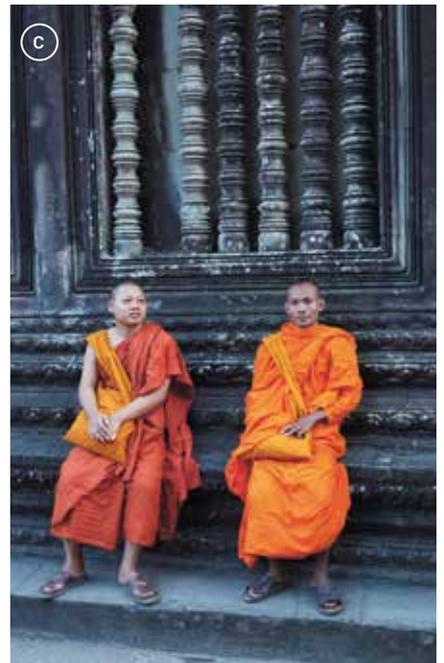

Cambodia's busy capital, you can't help but be swept up by the excitement as you breathe in the exotic scents of Phnom Penh. Situated at the junction of the Mekong and Tonlé Sap rivers, the confidence that the Cambodians feel about the future of their beloved country, is palpable.

Journey to the Killing Fields, enjoy a guided tour of a local food market, explore Phnom Penh's Colonial architecture on a Tuk Tuk ride and be sure not to miss the Royal Palace with its Silver Pagoda.

Journey through the floating villages of Tonlé Sap and discover the charms of Siem Reap, the gateway to the ruins of Angkor. A trip to this beautiful country would not be complete without a pilgrimage to Angkor Wat, a 12th-Century World Heritage-listed temple which was once buried deep in dense tropical rainforest. Marvel at the magnificent architecture, astonishing friezes and carvings as this ancient capital tells you everything of the country's history and leaves you with memories to last a lifetime.

Bangkok

Amari Watergate
 Bangkok is more than just a stepping stone before journeying into Southeast Asia. Dig beneath the neon exterior of this sleepless metropolis and you'll find a peaceful city rooted in religion and timeless customs.
 Amidst the sprawling high rise buildings and busy backstreets is a healthy scattering of tranquil sanctuaries, like the famous Grand Palace and Wat Phra Kaew. During a visit to Wat Pho you'll encounter Thailand's famous gigantic reclining Buddha, just one of the highlights found in this vast complex of landscaped gardens, stone statues and glazed porcelain stupas. You can also swap the buzzing streets for the Chao Phraya and glide across the waterways on a hired boat, then see how the locals have learnt to live in harmony with the river at the floating market of Damneon Sadauk. When night time arrives, a carnival atmosphere blankets the Soi Cowboy, but peace and quiet can also be found in one of Thailand's 40,000 temples.

Booking conditions

Important: The following terms and conditions together with the general information contained in our tour brochure form the basis of your contract with Scenic Tours (UK) Limited trading as Scenic.

Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions and agree to them. Except where otherwise stated, these booking conditions only apply to tour arrangements (including pre and post tour accommodation, activities and other services) which you book with us in the UK and pay for before departure from the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to "holiday", "booking", "cruise", "tour" or "arrangements" mean such tour arrangements unless otherwise stated. In these booking conditions, "you" and "your" means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Scenic Tours (UK) Limited trading as Scenic. We are a Member of ABTA. When you book with an ABTA Member you can expect high service standards, fair terms of trading and accurate information. ABTA's strict joining criteria for Members, code of conduct, customer helpline and approved ADR scheme to resolve complaints are all there to give you confidence and peace of mind when booking your travel arrangements. For more information see www.abta.com.

Bookings

1. We welcome passengers with medical conditions or disabilities. If you or any member of your party has any medical condition or disability which may affect your tour or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability or medical condition after booking. We must reserve the right to decline a reservation of any person or, if full details are not given at the time of booking or the condition/disability develops after booking, cancel when we become aware of these details, if we reasonably feel unable to properly accommodate their particular needs.

In the event that you require assistance with embarking or disembarking as a result of your reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. Any passenger affected by a disability or medical condition must ensure they have notified this to their travel insurers and that their travel insurance will provide a suitable level of cover (see clause 36 for more information about insurance).

2. The operation of all tours is conditional on us securing the minimum number of bookings required to operate the tour and to ensure an enjoyable group atmosphere. Where sufficient numbers cannot be achieved, we reserve the right to cancel or change a scheduled tour. Please also see clauses 18 and 19. We will notify you no less than 30 days prior to the departure date of the tour if we have to cancel or significantly change a tour due to lack of numbers.

3. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

Payment

4. To make a booking, you must pay the applicable deposit of a minimum of £1,250 per person if travelling in Economy flight class. Deposit will be higher if travelling in Premium Economy or Business Class (for Eastern & Oriental Express

options please add an additional £350 per person deposit) or full payment if booking 90 days or less before the start of the holiday. If you make a provisional booking the deposit or full payment, as applicable, must be received by us within seven days of the provisional booking to ensure a place on the tour is held. We will automatically assume that you do not wish to proceed with a booking if the applicable deposit or full payment, is not received by us within this seven day period and we will have no further liability to you. Any accommodation, sightseeing or flights we book for you which are separate to those stated in your itinerary are not included in the deposit or tour price. An extra payment will be required to cover the costs of these additional services, and these services will not be booked until both your holiday deposit and additional service costs are paid in full.

5. Deposits are non-transferable and non-refundable except as expressly set out in these terms and conditions. We therefore recommend that you take out adequate insurance prior to booking.

6. The balance of the tour price (after deduction of the applicable deposit) must be received by us no less than 90 days prior to the start of your tour. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled.

7. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

Credit & Debit Card Payments

8. There is no fee for all payments including deposit payments by debit card. If you pay by credit card the following fees will be added to your Cruise/Tour Price.

Fee on all other payments including deposit (subject to change)

Credit Card 1%

American Express 1.95%

Your contract

9. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the lead name on the booking ("Lead Name") or your Travel Agent.

Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

10. A binding contract between you and us comes into existence when we issue our confirmation invoice. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales.

If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

What are your on-tour obligations?

11. (a) You must follow the Tour Director's instructions at all times. You acknowledge that failure to do so may result in restricted access to areas on tour, or if necessary for your own safety and/or that of other passengers, withdrawal

from the tour. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the tour of the person(s) concerned. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the tour, you must make your own return travel arrangements at your own expense.

Tour price

12. Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking. Once the tour price has been confirmed at the time of booking, clause 13 below will apply.

13. Once your tour price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your tour price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your tour price (excluding insurance premiums and any amendment fee) will we levy a surcharge. If any surcharge is greater than 10% of your tour price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another tour from us – see clause 18. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another tour where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the tour price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the tour price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 30 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

Tour features

14. We make no representations about the features of any tour other than those expressly set out in the tour brochure and these terms and conditions.

Brochure validity

15. The tour brochure and these terms and conditions are valid for the departure dates as stated in the tour brochure unless extra dates are added or otherwise expressly advised by us.

Variation or cancellation by us

16. We start planning the tours we offer many months in advance. Occasionally, we have to make changes to and correct errors in the details of advertised tours both before and after bookings have been confirmed and cancel confirmed bookings.

17. In the event of industrial action affecting air, rail, cruise or other tour related transportation we will make every effort to contact the lead name and advise of alternative arrangements (if any). However, if contact is not made, you should phone 0808 115 3799.

18. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. Due to the nature of our itineraries, which are dependent on the safe navigation of national and international waterways over which we have no control, it is therefore not always possible for our vessels to sail or call at all ports as planned or foresee when this may occur. Unfortunately this is an inherent risk in sailing which you must accept. The captains of all the vessels we use, retain the ultimate right to deviate from or change any particular itinerary where they believe it necessary to do so, for example in the interests of the health and safety of passengers. Most changes made to a confirmed tour are minor. Examples of what we both agree to be minor changes are changes of vessels to one of the same class for the whole or part of your tour, changes to vehicles used for transfers and excursions, changes to planned excursions, changes to hotel accommodation to

that of an equivalent standard including the substitution of accommodation to on-board our vessels or vice versa, changes to berthing or dock location, changes to sailing times, and the substitution and/or removal of ports of call, or the replacement of sailing with the use of motor coaches. Occasionally, we have to make a significant change to or cancel a confirmed tour and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your tour. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one. A change of flight time of less than 12 hours, airline (except as specified in clauses 48-51 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.

19. If we have to make a significant change to or cancel a confirmed tour, we will in addition to the options set out in clause 18 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 18 can be accepted where (1) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (2) we have to cancel because the minimum number of bookings necessary for us to operate your tour has not been reached – see clause 2. No compensation will be payable and the options set out in clause 18 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

20. Very rarely, we may be forced by Force Majeure (see clause 34) to change or terminate your tour after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

Amendment or cancellation by you

21. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 90 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person per booking must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

22. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of tour dates will be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the tour price where, for example, the basis on which the price of the original tour was calculated has changed.

23. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day). The following cancellation fees apply to each person(s) cancelling and

where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

Cancellation Fees

Period before your tour commences within which written notification of cancellation is received by us

Cancellation period	Fee per person
91 days and over	Loss of Deposit
90 days to 60 days	35% of tour price
59 days to 30 days	50% of tour price
29 days or less	100% of tour price

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned. Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

Our liability

24. We will ensure that the tour arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted tour arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted tour arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we have asked them to do (for agents and suppliers).

25. We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:-

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your tour & which were unforeseeable / unavoidable or
- Force Majeure as defined at clause 34 below.

26. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our tour brochure as part of your tour and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your tour. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

27. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the tour arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable tour participant to refuse to take the tour in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 24. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

28. As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions

(including money), the maximum amount we will have to pay you is £1000 per person affected unless a different limitation applies to your claim under this clause or clause 29 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 29 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your tour.

29. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/ or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

30. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self-employed loss of earnings.

31. You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out below. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to co-operate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

Suppliers

32. Many of the services which make up your tour are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 29).

33. Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

Force Majeure

34. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure. "Force Majeure" means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include (whether actual or threatened) war, terrorism, exceptionally high or low water levels, lock closures, fire, flooding, unusual weather conditions, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, riots or civil disturbances, acts of government, government agencies or other authorities, inability to obtain any necessary licence or consent through no fault of ours and any other event or circumstances beyond the control of us or any supplier of any part of your tour, set out in clause 25 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

Risk and travel insurance

35. You acknowledge and accept that there are inherent risks associated with our tours for example, events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations.

36. We strongly advise you to take out adequate and appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative and emergency repatriation in the event of accident or illness.

37. Please read your policy details carefully and take them with you on your tour. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Itinerary changes and travel advice

38. During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

39. The Foreign and Commonwealth Office may have issued information about your tour destination. You are advised to check this information on the internet at <https://www.gov.uk/foreign-travel-advice>.

Smoking

40. Smoking (including e-cigarettes) is not permitted inside hotels, Eastern & Oriental Express, tourist coaches or indoors on any ship and such other places as are prohibited by us or our suppliers from time to time. Smoking is not permitted on the balconies of our river cruise ships. We will use reasonable endeavours to ensure there are frequent stops on any coach trip and there are permitted areas outside decks on-board some cruise vessels which are available for smoking, however we cannot guarantee these facilities will be available.

Baggage allowance

41. You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 76 x 53 x 28cm/30 x 21 x 11in (62 inches) and weight 20kg (44 lbs). Personal and valuable items such as make-up, cameras, medication, passport, money/ credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversized items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost. Please note, on board Eastern & Oriental Express items not required for the journey should be packed separately and will be stored away. You will then be able to take a smaller hand-luggage sized bag into your cabin which should include all your personal items and clothing for the duration of your journey.

Young travellers

42. Travellers who are less than 21 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 21 or over. Children under 12 years of age are not accepted. This is a condition of carriers and cruise operators we use.

Complaints and Damage

43. If a problem occurs during your tour, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your tour. You must also advise the supplier concerned. Any verbal notification must be put in writing and given to our representative/agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made in writing to us giving full details within 30 days of the end of the tour. If you fail to follow this simple procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result. Only the lead name should write to us.

44. When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss (reasonably estimated if not precisely known) must be made direct to the accommodation owner or manager or other supplier or to us as soon as possible. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions. You should ensure you have

appropriate travel insurance to protect you if this situation arises.

If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned

by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.
