EDGE

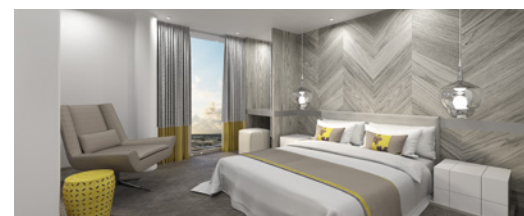

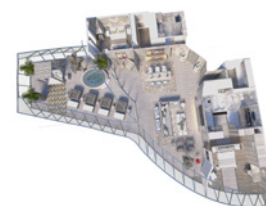

ICONIC SUITE

Celebrity EdgeSM introduces our most luxurious and spacious Suite in the fleet, our new Iconic Suites. As an Iconic Suite guest, you'll feel like you're on top of the world — literally. Positioned high on top of the ship, above the bridge, the Iconic Suites offer sweeping, panoramic views from front to back. They're also the largest suites in the fleet — each an expansive 1,880 opulent square feet, not including the outdoor space (where you'll find a private hot tub and stylish furnishings), which adds more than 685 square feet to the grand total.

Iconic Suites boast two bedrooms (each with a king-sized Cashmere CollectionSM bed) and two full bathrooms (featuring a full shower, whirlpool tub, and nothing but the best amenities), and enough space for six guests to comfortably unwind in. There's even an in-suite butler's pantry for those occasions when you feel like entertaining.

If you want the ultimate in luxury and indulgence at sea, there's no other way to go than Iconic.
