EDGE

INFINITE BALCONY

The most transformational aspect of our stateroom design is the introduction of the Edge Stateroom with Infinite BalconySM. These incredible rooms take our standard Balcony Stateroom and, with the touch of a button, blur—even erase—the boundaries between inside and outside living space. Your entire living space becomes the balcony, letting you walk right out to the water's edge. This brilliant innovation gives you luxurious open air access to the sea, whenever you wish.

- Transformed Balcony Stateroom
- Revolutionary, refined, expanded
- 886 total rooms
- 23% larger than Solstice Class[®]
- 10% larger bathroom and larger shower
- The Infinite Balcony blurs the boundaries between inside and outside living space
- Perfected storage, double in size from Solstice Class
- With the touch of a button you can control and personalise everything from lighting, shades, temperature and service – even choose a setting to tuck you in, or gently wake you.
