RESORT DECK

On the Resort Deck you'll find one of the most popular spots on every Celebrity Ship — the adults-only Solarium. Celebrity EdgeSM continues the tradition of offering a covered pool area where adults can unwind in modern luxury style. We turned again to Tom Wright for the design, and he used the ocean itself as his inspiration. The Solarium features a 3-dimensional art wall that represents the beautiful colours and movement of the ocean. It's the perfect complement to the serene onboard atmosphere.

The Resort Deck includes the pool, Solarium, Jogging Track and the new Rooftop Garden.

Unlike any other outdoor space, there are endless ways to enjoy the outdoors and connect with sea.
