ROOFTOP GARDEN

The Rooftop Garden is full of unexpected pleasures day and night. Find a cosy chair, sink in, and get lost in a good book. Sip a refreshing cocktail as you gaze out over the open ocean. Drift away to the rhythm of live musical performances coming down to you from treetop sculptures. Get caught up in a friendly game of giant chess with fellow holiday makers. Catch a movie at A Taste of Film for an interactive fusion of food and film that will excite your palate and your imagination. Dance the night away as a live band plays your favourite songs. Or just lie back on a comfy lounger and gaze up at the sea of stars above you as you glide over the sea below. Your imagination is your guide in this fantastic garden escape.

Feeling hungry? There's absolutely no reason to interrupt your inner child at play. Satisfy your cravings with gourmet burgers, brisket, and BBQ at the Rooftop Garden Grill. Nestled perfectly in its own delicious corner of the Rooftop Garden, pop in for lunch or dinner— and the most incredible garden and ocean views around.
