VOOM PRICING & PACKAGES

VOOM is Royal Caribbean®'s high speed internet service—the fastest internet at sea—and it's now available across the entire Royal Caribbean® fleet.

WHAT ARE THE PACKAGES?

There are two starting packages to choose from:

- **SURF:** the best package for guests who are just looking for basic internet access, eg. surfing the net, email, and sharing holiday photos on Facebook
- **SURF + STREAM:** if guests want more advanced capabilities, then SURF + STREAM allows them all the access of SURF, plus the ability to stream from subscription services like Netflix and Spotify, and connect with friends and family via video chat apps like Skype.

HOW DOES PRICING WORK?

- Prices start with a one-day, single device pass, and offer discounts on additional devices
- Guests purchasing their VOOM package in advance will benefit from a **30% discount** on the onboard purchase rates—it definitely pays to plan ahead!
