

SUMMER TEAM BUILDING

Come to Beaulieu for a summer team building day with a difference.

Enjoy a conference in one of our purpose built conference spaces or take in the history whilst having a meeting in the 13th century Domus. Make your way up to the Hartford Woods located just five minutes away. Go for gold to achieve a personal challenge or work as a team with either a game of archery tag or on the high ropes course. Alternatively bond around the campfire and learn traditional skills of shelter building, knife work and fire lighting.
