

Our purpose built Lecture Theatre seats up to 220 guests. With a full range of projection facilities, it is the ideal setting for a presentation or conference. With its own side entrance guests can enter at ease and with only a short walk from the attraction, they can also benefit from entrance to the National Motor Museum.

The Lecture Theatre is fitted with a full suite of AV equipment as well as Wi-Fi.

The foyer of the Theatre is suitable for registration, welcome drinks, refreshments and light buffets.
