# TOP TEN REASONS TO BOOK EARLY

Book now or hold your nerve and book later? This is a decision we all have to make when choosing our dream holiday. But whether you're planning a week in the Mediterranean or a World Cruise, you'll want to weigh up your options carefully to ensure your cruise is tailored just for you. Your family situation and how flexible you can be with when you travel contributes to your decision of booking now or later. So, avoid any disappointment and get your perfect dream cruise by following these top 10 tips for booking early.

## 1. THE RIGHT ROOM

Secure the type of stateroom you want in the best location on the ship

## 2. CONVENIENT FLIGHTS AND HOTELS

Let us arrange your flights, hotels and transfers. These may not be available or may be more expensive nearer departure.

## 3. PREFERRED DINING CHOICE

Choose your preferred dining option. We offer Traditional Dining as well as Anytime Dining, but slots are limited.

## 4. SPREAD THE COST

Spread the cost of your cruise over a longer period.

## 5. FRIENDS AND FAMILY

If you're travelling with friends or family, snap up a great value three or four berth stateroom.

**6. CHILDREN**

Child places sell out, especially on peak cruises, so book early to secure the itinerary you want.

**7. SEASONAL CRUISES**

Secure the itinerary and departure date you want on a popular seasonal cruise such as Christmas, New Year, or summer holidays or on any cruise where there are special must-see events.

**8. SHORE EXCURSIONS**

We offer a wide variety of landtours with selected cruises, and shore excursions in every port, but they do sell out. So book your cruise early to avoid disappointment and get the most out of your cruise experience.

*"The choice and quality of the tours are what you would expect from Princess and offer good value for money."*

PAMELA JACOB, RINGWOOD

**9. GET EXCITED**

Booking your holiday early means you'll have something nice to look forward to. You can get excited with plenty of time to plan your experience.

**10. PEACE OF MIND**

Book early with the destination experts and every detail will be taken care of so you can totally relax.

# PLANNING YOUR CRUISE

THE SEARCH IS over and you're probably ready to plan your Princess cruise. We understand you may still need answers to some burning questions before you take the next steps. You'll soon discover cruising is a great value holiday, that it's easy and convenient, plus you have the chance to see many unique and memorable ports of call in just one holiday - and you only need to unpack once. So, let us help you make some of those final choices. We know you want your holiday to be just perfect, and that's great news, because so do we.

#### WHICH DESTINATION SHALL I VISIT?

We cruise to over 360 destinations worldwide so there are plenty of ports of call to choose from. If you're after an adventure further afield we cruise to Alaska, the Far East, Australia and New Zealand, South Pacific, South America, Mexico and many more destinations. Winter sun seekers can head to the Caribbean or Hawaii and the Panama Canal is worthy of every bucket list. If you fancy exploring closer to home we also cruise to Mediterranean and Northern Europe.

#### WHAT'S INCLUDED IN MY CRUISE?

- Accommodation and housekeeping services
- All meals in the main dining rooms and casual eateries along with 24 hour room service
- Daytime activities such as the gym, sports court, pools, hot tubs, sauna and steam rooms
- Evening entertainment including West-End style shows, live music, comedy shows and Movies Under the Stars
- Youth and Teen programmes in age specific children's clubs
- Government fees and taxes

#### WHICH CABIN SHOULD I CHOOSE?

All staterooms are comfortable and amenity packed and come with the amazing services of a Stateroom Steward. First time cruisers or experienced cruisers who plan to spend more time on deck or ashore, may opt for an Inside or Oceanview stateroom. A Balcony stateroom is perfect if you want more space to relax and read your book, sunbathe and take in the views, or enjoy cocktails under the stars in your own private space. Alternatively, if you're travelling with friends or family, sharing a Mini-Suite or Suite is a great value option.

#### WHAT ARE THE DINING OPTIONS ONBOARD?

One thing is guaranteed on a Princess cruise - you'll never be hungry! When you book you'll need to select either Anytime Dining or Fixed Dining. Every evening you'll have the options of a multi course extravaganza in the main dining room, spectacular food in one of our Speciality restaurants, or indulging in one of the more casual eateries such as the Horizon Court buffet. You choose whether you dine as a couple, with your family, or with a large group of friends.

#### WHAT'S THE DRESS CODE ONBOARD?

As a general guide, the dress code during the day is casual holiday and beach wear. Most cruises in this brochure include at least two formal nights. This is a chance for the ladies to get glamorous and for gents to don dinner suits or dark lounge suits. Don't have a suit? Don't worry. Tuxedo and casual suit rental is available prior to your cruise and delivered directly to your stateroom on embarkation day. On other evenings the dress code in the main dining rooms and eateries is smart casual, so smart dresses or separates for ladies and casual shirts and casual trousers for men, just like you'd wear to a restaurant at home. If you opt to dine in one of the Speciality restaurants, smart attire is recommended including tailored trousers or smart dresses for ladies and shirt, trousers and a sports jacket for men.

#### DO YOU OFFER CELEBRATION PACKAGES?

We can assure you romance is alive and well on a Princess cruise. Wonderful celebration packages are available if you'd like to mark a special anniversary or birthday. Pop the question on the giant Movies Under the Stars movie screen with an Engagement Under the Stars proposal package. Say "I do" onboard, in an exotic location, or on embarkation day. Complete the story with the perfect honeymoon cruise. Friends and family can even gift a 'honeymoon wish' and contribute some onboard spending money to ensure the newlyweds have the honeymoon of their dreams. Or why not bring home something new with a Renewal of Vows package to celebrate a special anniversary. There are also unlimited soda packages, and a drinks package which includes wine, beer, cocktails, coffees and sodas.

#### COMPLIMENTARY EXTRAS

There are many free extras included too such as 24 hour room service, freshly made lemonade in the Horizon Court, poolside soft serve ice cream, afternoon tea, pub lunch, cookies and milk on deck, and Princess@Sea messenger app onboard.

Laughter is the best medicine of all. Join the fun of a Sailaway party, or catch a stand-up comedy act. Watch a live performance in the Piazza style atrium. See a dazzling sound and light show accompanied with dancing fountains on the top deck of Royal Princess and Regal Princess. Grab some popcorn and watch a blockbuster at Movies Under the Stars.

Listening to music is a simple way to make us feel good. Be entertained by a West-End style show. There is more than one performance each evening so you can see the show before or after dinner. Live music, stunning choreography and some of the largest casts at sea make this one of the highlights of the cruise. Or belt out a song at the karaoke or take a spin on the dance floor.

**NOT TO BE  
USED**

## HOLIDAY HIGHLIGHTS

It's impossible to grasp the massive undertaking that went in to the construction of the Panama Canal. Condé Nast Traveller named it among its top "Where to Go" attractions, and on a full transit your ship sails from the Caribbean Sea to the Pacific Ocean so you get to experience this epic waterway.

### Panama Canal

During a 9 hour full transit you'll pass through this 51 mile water bridge. Your ships will be raised and lowered a total of 170 feet as you cross the Isthmus of Panama and straight through the Continental Divide. This eighth wonder of the world is simply amazing.

### Huatulco

Explore the ruins of Copalita Point Eco-Archaeological Centre. Relax on a river rafting expedition to the lower reaches of the Copalita River. Or tour banana and citrus plantations, meet local palm-weavers and pot makers, and sample delicious regional food.

### Cartagena

Visit the Old City, the Castillo de San Felipe de Barajas. Make your way to Las Bóvedas for boutiques full of local arts and crafts. Cruise the historic harbour aboard a Spanish galleon, a replica of an old pirate ship. Explore a mangrove ecosystem in a traditional canoe.

That's long enough for us to know that fun comes in many different forms. Here at Carnival Cruise Line, it's never a "one size fits all" kind of deal. But we've also got a whole fleet of fun for the people who've never been on a cruise, who are looking for something completely different and altogether brilliant. Remember, this is not just our idea of fun, it's yours, and it all starts here.

For further information about your cruise please visit the **Cruise Answer Place at [princess.com](http://princess.com)**

## FARES

Fares shown are per person based on two adults sharing the lowest grade available within the stateroom type specified. Fares shown on each page are based on a specific departure date as stated on that page, subject to availability. Fares for other departures may vary. There is a range of stateroom grades within each type displayed on the itinerary pages, and fares shown are based on the lowest grade available within each type. Singles pay 200% of the double occupancy fare, across all cruises and staterooms. Passengers in 3rd and 4th berths pay 50% of the launch fare. The fares shown in this brochure apply to bookings for residents of the UK only and are quoted in pounds sterling (GBP) and are valid from 2 June 2016. We reserve the right to vary particulars and prices shown in this brochure after publication. Prices advertised in this brochure or elsewhere may be withdrawn or changed at any time. Regular promotions and discounts from both Princess Cruises and travel agents mean that savings on the brochure prices are available from time to time, which will vary depending on when the booking is made and the popularity of the dates and itinerary of a particular cruise and other factors. Please contact your travel agent for up to date prices before you book, call us on 0843 373 0333 or visit [www.princess.com](http://www.princess.com). We reserve the right to levy a charge for payments made by credit card. You will be advised of the rate of any such charge at the time of making a payment.

## PACKAGE GUIDE PRICE

Package Guide prices shown in this brochure include flight prices based on return flights from London, as well as transfers between airport and ship. The flight prices are correct at time of print but may go up or down as they are based on live pricing information from the relevant airlines' booking systems. Please call or check online for latest package fares.

## FLEXI FARE

If you are concerned your holiday plans may have to change after booking, Princess Cruises offers a unique Flexi Fare option. The Flexi Fare is slightly higher than our regular fare but gives you complete peace of mind, knowing that if you were to cancel your cruise for absolutely any reason up to 72 hours before the day on which your holiday with Princess starts, you would be subject to a special low cancellation fee of just 8% of the fare (please note that this does not apply to the fare for any flights you have booked with Princess, for which separate cancellation fees apply). Any cancellations within 72 hours are subject to standard cancellation fees. Please ask your travel agent or Princess Cruises for full details and for the Flexi Fare applicable to your cruise.

## GUARANTEES

When you or your travel agent make a booking you may be offered the guarantee of a stateroom grade, rather than a specific stateroom number. Accepting a guarantee means that you have a firm booking and you will be allocated a stateroom of at least the grade you have booked. The fare you have been quoted will remain unchanged.

## PAYING YOUR FARE

For bookings made more than 90 days before departure, we require 15% of the total fare per person as a deposit, which is non-refundable. A confirmation will be sent to you showing the deposit you have paid and invoicing the balance of your fare outstanding, which must be received by Princess no later than 90 days before departure. If your balance is not received by the due date, Princess reserves the right to end the contract between us and re-sell the accommodation held for you, which will result in the loss of your deposit as well as cancellation fees. Should you cancel within 90 days of departure, cancellation fees will apply in accordance with our Booking Conditions. Your holiday insurance may provide for you to recover such fees, subject to the policy terms and conditions. For bookings made 90 days or less before departure, full payment is required straight away.

## PASSPORTS & VISAS

If you are a British Citizen, a full passport is required for all the holidays in this brochure and you will need to have 6 months validity in your passport after your date of return. Non-British Citizen passport requirements can be checked by contacting our recommended visa service, CIBT on 0845 899 7213. It is your responsibility to have the necessary paperwork with you. Please note the following:

**Australia** - all passengers must have a valid Australian Visa, eVisitor approval or an ETA (Electronic Travel Authority). This also applies to passengers in transit, even if you do not intend to go ashore at an Australian port.

**Canada** - if you are flying in or out of Canada you will need an ETA (Electronic Travel Authorisation).

**India & China** - a visa will need to be purchased for India and China whether you are embarking, disembarking, in transit or staying on board. If you decide to apply for your visa(s) through the Princess approved supplier you will have to pay an additional charge.

**South America** - travellers who do not hold British Citizen and European passports may need to obtain visas for some South American countries.

Failure to obtain the correct travel documentation can lead to hefty fines that will need to be paid by the passenger. Please check your visa requirements before embarkation to avoid extra expense.

**USA (including territories)** - all British citizens must obtain ESTA (Electronic System for Travel Authorization) approval prior to travelling to the United States. This must be obtained prior to leaving home as authorisation of applications can take up to 72 hours. To apply follow the link to the ESTA application website at <https://esta.cbp.dhs.gov>. The cost of obtaining an ESTA is \$14 (subject to change at any time). Having obtained ESTA approval, British citizens may enter the US without a visa. British Subject passport holders are required to obtain a full US visa prior to travel. For all other nationalities, please check your eligibility on the US Embassy website at [www.usembassy.org.uk](http://www.usembassy.org.uk). Please note that in order to travel to the United States your passport must be machine-readable if issued before 26 October 2005. If issued between 26 October 2005 and 26 October 2006 it must have a digitally applied photograph; and if issued on or after 26 October 2006 it must be biometric. If your passport is issued after this date and is machine readable but not biometric, you will need to obtain a full US visa, see [www.usembassy.org.uk](http://www.usembassy.org.uk) for details.

**Vietnam/Cambodia** - a visa will be obtained for you onboard for a fee. Please ensure you have two passport sized photographs with you.

## CONSECUTIVE CRUISES

Some cruises are a combination of two cruises back to back. This means that the ship's entertainment programmes and menus will be repeated in the second half of the cruise. However, because of the choice and variety available onboard we are sure this will not impact on your overall enjoyment of the cruise. Please note that access to/from the ship may be restricted on the day linking the two cruises due to customs regulations, and some services may not be available. We regret that we cannot guarantee that the same stateroom number will be allocated for the consecutive cruise, but all attempts will be made to achieve this.

## TRAVEL ADVICE UNIT

The Foreign and Commonwealth Travel Advice Unit may have issued information about your holiday destination, in which case you are advised to check online at [www.fco.gov.uk/knowbeforeyougo](http://www.fco.gov.uk/knowbeforeyougo).

## VACCINATIONS & MALARIA

Malaria transmission may occur in India, Brazil and Vanuatu; we therefore recommend that you seek advice from a Travel Medicine clinic if you are travelling on a cruise which calls in these countries. Since these recommendations change continuously, you should check in good time before departure with your GP, or ask your travel agent for a copy of the Department of Health's leaflet, "Advice for Travellers", or visit [www.masta.org](http://www.masta.org)

## ONBOARD MEDICAL REQUIREMENTS

There is a well equipped Medical Centre on every Princess Cruises ship, but our facilities are not designed for extensive or continuing treatment of pre-existing conditions. So if you have a medical condition that necessitates the use of oxygen, or you will be taking any medical equipment with you such as a nebuliser, CPAP machine or oxygen concentrator, or if you need to dispose of medical sharps or require peritoneal dialysis you must inform us at the time of booking. We are unable to carry any passengers suffering from a contagious disease. Passengers who normally require assistance in the activities of daily living must be accompanied by a companion who is fit and able to assist them. If health conditions as disclosed at the time of booking change, Princess must be notified immediately. As ships are outside the scope of the National Health Service, charges will be made for all medical services, although in most cases these charges will be claimable under your travel insurance.

## MOBILITY

If you have a condition that requires special accommodation or you need to bring a wheelchair or mobility scooter please notify our Reservations Department and/or Medical Department at the time of booking. We encourage passengers using a wheelchair to travel with someone who is able to assist them both ashore and at sea. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Passengers must bring wheelchairs for their own use.

## MUMS-TO-BE

Princess cannot carry passengers who have entered their 24th week of pregnancy.

## SPECIAL DIETS

Please advise us of any special dietary requirements to accommodate medical needs or allergies no less than six weeks before you sail. We can cater for low-sodium, low-fat and vegetarian diets. Kosher meals (frozen entrées only) and baby food (excluding baby formula) are available upon written request.

## YOUR ONBOARD ACCOUNT

One of the best things about cruising with Princess is the convenience of being able to sign for all your expenses and have them charged to your stateroom. By providing your credit or debit card details in advance on the Cruise Personalizer, you are automatically registered for Express Check-Out, so all you need to do is check your final statement which will be delivered to your stateroom prior to disembarkation. Please note that whilst you are onboard your daily spend will be authorised at close of business each day with your card provider. These authorisations remain on your card for up to 28 days. On your return home, you may wish to contact your card provider to clear any outstanding authorisations so as not to affect your credit limit.

## GRATUITIES

During your cruise, regardless of which Princess ship you choose, you will meet staff who provide you with excellent service. Crew members often rotate to different vessels within the Princess fleet which helps to maintain

our high standards on every ship. These dedicated workers reflect our philosophy that all crew on all ships are but one family who share in our success. To simplify the tipping process for our passengers, a discretionary gratuity of \$12.95 per passenger per day (\$13.95 per person for mini-suites and suites), including children, will be automatically added to your shipboard account on a daily basis. This gratuity will be shared amongst those staff who help provide and support your cruise experience, including all waitstaff, stateroom stewards, buffet stewards, and housekeeping staff across the fleet. A 15% gratuity is added to bar charges and dining room wine accounts. This is shared amongst the beverage staff and their support staff. We know you will find these services onboard exemplary. Casino dealers and Lotus Spa personnel do not share in these gratuities, as not all passengers utilise these services.

## SMOKING ARRANGEMENTS

Smoking is permitted in designated areas of the public rooms and outer decks. Smoking is not permitted in other passenger public areas, or in your stateroom or on your balcony. We ask all passengers to refrain from smoking cigars and pipes anywhere indoors, although this is permitted on the designated areas of the outer decks. Electronic cigarettes are permitted within the confines of the guest's stateroom (balcony not included) and within designated smoking areas only.

## CHILDREN'S FACILITIES

Most Princess ships feature a Youth Centre and a Teen Centre. The minimum age for children to participate in supervised activities is 3 years. Younger children are welcome in the Youth Centre but must be accompanied by a parent or guardian. Group babysitting is also available (\$5 per hour charge between 10pm and 1am), however private babysitting is not available. Pacific Princess does not have a dedicated Youth and Teen Centre, however when 20 or more children aged 3 to 17 are travelling onboard these ships they will enjoy a varied schedule of supervised activities. Please note that nappies cannot always be purchased on board and Youth Coordinators will not change nappies, bottle feed or administer medication. In compliance with guidelines issued by the US Government's Centre for Disease Control and Prevention, the use of swim nappies is not permitted onboard Princess ships.

## AGE LIMITS

Guests must be 21 years of age to purchase or drink alcohol on all ships except for guests on cruises originating from Australia or Asian ports where you must be 18 years or over and from Japanese ports where you must be 20 years or over. Guests must be 18 years of age or over to gamble on all Princess ships. Passengers under 18 are not permitted the nightclub or the casino. Children must be 6 months of age to travel on Princess ships, except for certain cruises where the minimum age is 12 months. Please call for details.

## CHANGES TO INFORMATION

The information in this brochure represents Princess Cruises' intentions at the time of going to press. Subsequent events may cause us to unavoidably change our plans, which could affect the published itineraries and/or the prices and government fees and taxes. In the event of significant alterations you will be told promptly, and if it becomes necessary to increase the cost of the holiday we will comply with the applicable law on surcharging as set out in our Booking Conditions.

## PHOTOGRAPHY

The photography used in this brochure depicts typical scenes that may be viewed on a Princess cruise, but is not intended to be a specific representation of what can be seen.

## THE CONTRACT

2. The Contract shall be between Princess and the Passenger on the basis of these Conditions and the information contained in the brochure or website, and shall be governed by English law and the non-exclusive jurisdiction of the English courts.

3. By making a booking, the Passenger confirms that all persons named in the booking, including minors and persons under disability (and their personal representatives) have agreed to be bound by these Conditions and all other terms of the Contract, and that he/she has their authority to do so on their behalf.

4. All Packages are subject to availability at the time of booking. No Contract shall be made until the deposit (or, where appropriate, the full fare)

has been paid, whether or not a booking confirmation has been issued, but all money paid to a travel agent in respect of a booking shall be treated as having been paid to Princess. Failure to pay the balance by the due date shall entitle Princess to cancel the booking and retain the deposit by way of a cancellation charge, together with any cancellation charges due in respect of flights pursuant to clause 33. Failure to pay any other amount by the due date shall entitle Princess to cancel the booking and to retain an amount by way of a cancellation charge as set out in clauses 32, together with any cancellation charges due in respect of flights pursuant to clause 33.

5. A Passenger shall not have the right to exclusive occupancy of a stateroom, or hotel room as appropriate, with two or more berths unless the single person supplement is paid. If a cancellation results in a Passenger becoming the sole occupant of a stateroom, or hotel room as appropriate, with two or more berths, he/she shall be liable to pay the single person supplement. If a cancellation reduces the number of Passengers originally booked together in a stateroom, or hotel room as appropriate, the remaining Passengers shall each be liable to pay any increase in the fare arising as the result of such reduction. In the event that all Passengers who are booked in a stateroom permanently disembark the ship before the end of the Cruise, then the stateroom will revert to Princess's inventory.

6. For Packages including any flights to or from the UK (and if not already confirmed at the time of booking), Princess will issue an ATOL confirmation invoice giving the details of the flight arrangements (including UK and destination airports) within a reasonable time after such arrangements are known.

7. Shore excursions are available for separate purchase prior to sailing and on board. They do not form part of the Contract and are not performed by Princess but by local operators.

8. A booking may only be made by a person aged 21 or over. All Passengers who, at the time of departure, will be under 21 years old must be accompanied

by a Passenger aged 21 or over who will at all times during the Package be responsible for their welfare, conduct and behaviour.

**9.** Children aged 6 months or less at the commencement of the Package will be refused permission to board the ship and Princess shall have no liability whatsoever for any consequences of such refusal. Certain Packages also have prohibitions on children aged 12 months or less. Passengers should check with Princess before booking.

**10.** Passengers are responsible for ensuring that they arrive in plenty of time for check in for flights to/from the ship including any interconnecting flights. Passengers are responsible for checking with regard to any delay/ cancellation of flights. Passengers must ensure that they have a valid passport and any other necessary travel documents (such as visas) for their Package and should read the relevant section of the Princess brochure or visit [www.princess.com](http://www.princess.com) before booking.

**11.** Princess may incur a fine if the Passenger fails to comply with all relevant visa or documentation requirements for their Package. Princess reserves the right to re-charge any such fines to the Passenger.

#### AMENDMENTS TO THE CONTRACT

**12.** In clauses 12 and 13 "another person" means another person who satisfies all conditions applicable to the Package. A Package may be transferred to another person provided that the Passenger consults with Princess Cruises prior to purporting to transfer the Package (so that, for example, Princess Cruises may require that the Package is transferred to someone on its wait list) and Princess Cruises receives the transfer request at least 4 days before the scheduled departure date.

**13.** Any transfer of a Package to another person will be subject to payment of all charges incurred in connection with the transfer (for example hotel amendment charges) and any transfer of a Package including any flights will also be subject to any charges imposed by the airline. Passengers should note that airlines may not allow transfers on scheduled flights and that a flight booking may have to be cancelled and rebooked, in which event the re-booking will always be subject to flight availability and to payment of any charges imposed by the airline which may, in some cases, be the full cost of the ticket. Any request for a transfer of a Package to another person which is received by Princess Cruises less than 4 days before the scheduled departure date shall be treated as a cancellation by the Passenger of the Contract and a cancellation charge under clause 32 shall become payable.

**14.** If a Passenger wishes to transfer to another Package, this will generally be treated as a cancellation under clause 32. Princess Cruises, at its discretion, may allow the transfer without treating it as a cancellation if the Princess Cruises holiday to which the transfer is to be made departs within 12 months of the original and is for a higher price. Agreement to transfer a Package would also be conditional upon such a request being made more than 90 days before the original scheduled departure date; there being availability, and to payment of both an administration charge of £100 and any expenses (such as airline and/or hotel charges) incurred by Princess Cruises as a result. Such a transfer would only be allowed on one occasion.

The criteria for allowing transfers may be changed by Princess Cruises at any time without notice. All transfers to another Package will be treated as a new booking. Any discount or promotion applicable to the original booking may not apply to the new booking, in which case the Passenger shall be required to pay any difference in price.

**15.** After a Package has been booked, Princess Cruises will try to accommodate any request for a change (such as a change of cabin), but such changes are always at Princess Cruises discretion and are subject to an administration charge of £20.

#### FITNESS TO TRAVEL AND PASSENGERS WITH DISABILITIES AND/OR REDUCED MOBILITY

**16.** In order to ensure that Princess is able to carry Passengers safely and in accordance with applicable safety requirements established by international, EU or national law or in order to meet safety requirements established by competent authorities including the ship's flag state, the Passenger making the booking represents that all Passengers in the booking are fit to travel.

**17.** At the time of booking every Passenger is obliged to inform Princess of any condition, including but not limited to reduced mobility or any Disability, which may require special arrangements, medical equipment/supplies, care or assistance. This is to ensure that the Passenger can be carried safely and in accordance with all applicable safety requirements. If the Passenger cannot be carried safely and in accordance with applicable safety requirements then Princess can refuse to accept a booking or to subsequently embark that Passenger on the grounds of safety. Such a refusal will be based on an assessment of risk by Princess to take into account the provisions of national law and other applicable legislation and international regulations including the International Management Code for the Safe Operation of Ships and for Pollution Prevention and the International Convention for the Safety of Life at Sea. It is important that the fullest information is provided by the Passenger at the time of booking. If a Passenger's circumstances change between the date of booking the Package and the date of commencement of the Package, which may make the carriage of that Passenger unsafe, the Passenger is obliged to inform Princess as soon as possible and to advise Princess of any requirements for special arrangements, medical equipment/supplies, care or assistance.

**18.** Princess reserves the right to require any Passenger to produce medical evidence of fitness to travel in order to assess whether that Passenger can be carried safely in accordance with applicable international, EU or national law. Where Princess considers that it is strictly necessary Princess may require a Passenger to be accompanied by another person who is fit and able to assist them in day to day tasks and capable of providing the assistance required by the Passenger. This requirement will be based entirely on safety grounds and may vary from ship to ship and/or itinerary to itinerary. Examples of Passengers who may fall into this category include Passengers who require assistance with personal care. The assessment of whether or not it is strictly necessary for a Passenger to be accompanied will be based on information provided at the time of booking. Passengers are requested to provide as much information as possible to enable a full risk assessment to be made. Passengers may be asked to provide further information to ensure that Princess has all relevant information.

**19.** In order to ensure that Princess can provide the necessary assistance and there are no issues relating to the design of the ship or port infrastructure and equipment, including port terminals, which may make it impossible to carry out the embarkation, disembarkation or carriage of the Passenger in a safe or operationally feasible manner, Passengers who may require special treatment or assistance (including Passengers who use wheelchairs) must advise Princess in writing at the time a booking is made. Passengers using a wheelchair are encouraged to travel with someone who is able to assist them both ashore and at sea. Passengers who use wheelchairs must furnish their own standard size wheelchairs. Ships' wheelchairs are available for emergency use only. For the safety of the ship and all passengers on board, all wheelchairs and other aids to mobility must be stored in the Passenger's stateroom when they are not being used and in order to ensure that this is possible, and to so ensure the safety of the ship and all passengers on board, Princess reserves the right to require that Passengers who use wheelchairs book a specified category of cabin. Some parts of call require tenders to go ashore and may preclude Passengers using a wheelchair from leaving the ship for safety reasons. A decision made by the ship's Captain on this is binding. Further information is contained in the brochure and on [princess.com](http://www.princess.com). Princess reserves the right to refuse passage to any Passenger who has failed to notify Princess of their requirement for special treatment or assistance (including the requirement to use a wheelchair). The cost for loss or damage to mobility equipment caused by the fault or neglect of Princess or a shipping incident is subject to Princess' absolute discretion to either repair or replace the equipment. Except where Princess agrees otherwise and in writing at the time of booking Passengers are restricted to having on board the ship, two pieces of mobility or other medical equipment with a combined value not exceeding £2,250 per cabin.

**20.** Princess and/or the relevant port authorities shall be entitled to administer a Public Health Questionnaire at any time. All Passengers agree to complete the pre-boarding questionnaire and to supply accurate

information regarding any symptoms of illness including but not limited to gastro-intestinal illness. In the interests of health and safety Princess may deny boarding to any Passenger who has symptoms of any viral or bacterial illness including but not limited to Norovirus. Refusal by a Passenger to complete the relevant pre-boarding questionnaire may in itself result in denied boarding. All cases of denied boarding will be treated as a cancellation attracting 100% cancellation charges in accordance with clause 32, together with any cancellation charges due in respect of flights pursuant to clause 33.

**21.** In the event that any viral and/or bacterial illness is diagnosed whilst a Passenger is on board that Passenger may be required to remain in his or her stateroom for reasons of health and safety. In the event that any Passenger refuses to remain in their stateroom during the period recommended by the ship's doctor then that Passenger may for reasons of health and safety be disembarked by Princess without any further liability.

**22.** As per above, Passengers are required to notify Princess at the time of booking:

(i) of their specific needs with regard to accommodation, seating, services or any other assistance which is required and/or whether they need to bring any specific medical equipment on board;

(ii) of the nature any assistance required from Princess or any terminal operator;

(iii) if the Passenger wishes to bring a recognised assistance dog on board the ship. Assistance dogs are subject to national regulations. There is also a limit to the number of dogs which can be carried on board.

The electrical supply on board Princess's ships varies but may not be the same as the standard electrical supply in the UK. Passengers should contact Princess for specific details. It is important that any Passenger who will be bringing electrical medical equipment on board the ship contacts the manufacturer or supplier to ensure that the equipment is safe to use on board the ship. In relation to medical equipment there are limited storage facilities onboard. It is the responsibility of the Passenger to arrange delivery of a sufficient quantity for the duration of the Package of all medical equipment and supplies to the ship prior to departure. The requirement for Passengers to notify Princess prior to booking if they need to have medical equipment on board is to ensure that the medical equipment can be carried and/or carried safely. There are restrictions on the number of oxygen cylinders which can be carried in cabins. Passengers must be able to operate all medical equipment. If there are any particular medical conditions which require supervision then such supervision must be organised by the Passenger and at the Passenger's expense. The ships do not provide one-to-one or other carers for any conditions or Passengers. The ships do not offer respite services.

#### PREGNANCY

**23.** Princess does not have on board its ships adequate medical facilities for childbirth. The ship's doctor is not qualified to deliver babies or to offer pre or post natal treatment and no responsibility is accepted by Princess in respect of the inability to provide such services or equipment. Accordingly for reasons of health and safety Princess regrets that it cannot carry Passengers who will have entered their 24th week of pregnancy or beyond at any point during their Package. All pregnant women are required to produce a doctor's or midwife's letter stating that mother and baby are in good health, fit to travel taking into account the proposed itinerary and that the pregnancy is not high-risk. The letter must also include the estimated date of delivery (EDD) calculated from both the last menstrual period (LMP) and ultrasound (if performed). Princess cannot accept a booking or subsequently carry a Passenger unless they comply with the requirements of this clause. In the case of a booking by or on behalf of a pregnant Passenger made before it could reasonably have been known that the Passenger would not be able to join the Package by reason of the Passenger entering their 24th week of pregnancy or beyond at any point in their Package, Princess will refund in full the fare paid by or on behalf of that Passenger, provided that the pregnant Passenger notified Princess as soon as reasonably practicable upon becoming aware that she would not be able to join the Package, but shall otherwise have no liability whatsoever. Princess expressly reserves the right to refuse passage on board to any Passenger who appears to be in an advanced state of pregnancy and Princess shall have no liability whatsoever in respect of either such refusal and/or the carriage of any such Passenger.

#### MEDICAL TREATMENT

**24.** The Passenger acknowledges that whilst there is a qualified doctor on board it is the Passenger's obligation and responsibility to seek medical assistance if necessary during the Cruise.

**25.** The ship's doctor is not a specialist and the ship's medical centre is not required to be and is not equipped to the same standards as a land based hospital. The ship's medical centre is not designed for the provision of extensive or continuing treatment. The ship carries medical supplies and equipment in accordance with the requirements of its flag state. Neither Princess nor the ship's doctor shall be liable to the Passenger as a result of any inability to treat any medical condition as a result.

**26.** In the event of illness or injury a Passenger may have to be landed ashore for medical treatment. No representations are made regarding the quality of medical treatment at any port of call or at the place at which the Passenger is landed. Medical facilities do vary from port to port and no representations or warranties are made in relation to the standard of medical treatment provided by the various hospitals and/or clinics.

#### INSURANCE

**27.** It is a condition of the Contract that every Passenger must have full and valid medical insurance which includes cover for pre-existing medical conditions worldwide, or as a minimum, in the countries that the Passenger is due to visit and which must remain in force for the entire duration of the Package. The insurance policy must, as a minimum, include medical and repatriation coverage for not less than £2 million and must include cover for the cost of emergency evacuations from the ship, including but not limited to, evacuations by helicopter.

**28.** Any cost or expense which is reasonably incurred by Princess for or on behalf of the Passenger in respect of any form of medical, dental or similar treatment, hotel, transportation, repatriation or any other expense shall be repayable by the Passenger to Princess, whether or not such sum is covered by the Passenger's travel insurance. Princess reserves the right to take any action that it considers appropriate to recover any such cost or expense.

#### FARES AND EXTRAS

**29.** All fares are based on costs and exchange rates as at 2 June 2016. Princess reserves the right to vary particulars and fares shown in the brochure after the date of publication. Fares, discounts, supplements and special offers advertised in the brochure or elsewhere may be withdrawn or changed. Fares may go up or down. Passengers should contact their travel agent for up to date fares and charges before booking, or call us on 0845 3555333, or visit our website: [www.princess.com](http://www.princess.com). Princess reserves the right to levy a charge for payments made to Princess by credit card. The Passenger will be advised of the rate of any such charge at the time of making a payment.

**30.** The fare for your Package can be varied due to changes in transportation costs such as fuel, scheduled air fares and other airline cost changes which are part of the contract between the airline (and their agents) and Princess, government action such as changes in VAT or any other government imposed changes and currency changes in relation to an exchange rate variation. In the case of any small variation, an amount equivalent to 2 per cent of the fare for your travel arrangements, which excludes insurance premiums and any amendment charges, will be absorbed for increases and retained from refunds. For larger variations this 2 per cent will still be absorbed for increases but not retained from refunds. In either case there will be an administration charge of £1 per Passenger, together with an amount to cover agents' commission. If this means the Passenger has to pay an increase of more than 10 per cent of the fare for the Package, the Passenger may cancel the Contract and receive a full refund of all monies paid, except for any amendment charges or insurance premiums.

No consequential costs or expenses or loss of profits will be payable. Princess will consider an appropriate refund of insurance premiums paid if the Passenger can show that he/she was unable to transfer or re-use the policy. Should the Passenger decide to cancel for this reason, the Passenger must exercise his right to do so within 14 days from the issue date printed on the final invoice. Alternatively, the Passenger can accept an offer of an alternative Package if Princess is able to provide an alternative and transfer payment made in respect of the original Package to the alternative Package. If the cost of the alternative Package is less than the original Package the difference in fare will be refundable. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the fare for your Package due to contractual and other protection in place.

**31.** All accounts for on-board services and goods and for shore excursions must be settled in full before the Passenger leaves the ship. In the event that a Passenger fails to settle his on-board account at or before the completion of the Cruise, Princess reserves the right to charge interest on the outstanding sums until the date of actual payment and shall be entitled to make a reasonable administration charge for the subsequent collection of such sum due in addition to any costs of legal process. Princess also reserves the right to cancel any future bookings that the Passenger may have and to set off any sums owed to Princess by the Passenger against any sums due to the Passenger from Princess, without prejudice to any other remedies Princess may have under these Conditions or otherwise.

#### CANCELLATION BY THE PASSENGER

**32.** The Passenger may cancel the Contract at any time prior to the commencement of the Package via their travel agent or, for Passengers who have booked direct, by calling our Reservations Department, but in that event Princess shall be entitled to levy a cancellation charge as a percentage of the fare paid for all Package elements except for any flights (which will have cancellation fees applied in accordance with Clause 33), in accordance with the following scales.

#### STANDARD FARE CHARGES

Days before departure	Cancellation Charges
From the date of booking until 91 days before departure	Deposit
90 - 57 days	25%
56 - 42 days	50%
41 - 14 days	75%
Less than 14 days or failure to embark	100%

#### FLEXI FARE CHARGES

Time at which notice of cancellation is given	Cancellation Charges
72 hours or more before 00.00hrs on the departure date*	8%
Less than 72 hours before 00.00hrs on the departure date*	100%

\*The departure date is calculated from the earliest of Package start date, cruise start date and flight start date (when the flights is booked with Princess).

**33.** In addition to the cancellation charges set out in Clause 32, Princess will be entitled to levy the relevant cancellation charges applicable to any flights. For Flexible Air bookings, there are no cancellation charges for bookings cancelled up to 54 days prior to departure. For bookings cancelled 54 days or less before departure cancellation charges equivalent to the full cost of the flights will apply. For Restricted Air bookings, cancellation charges will apply for bookings cancelled at any time. For Restricted Air bookings the cancellation charges will vary but they could be equivalent to the full cost of the flights. The applicable cancellation charges for Restricted Air bookings will be advised at the time of cancellation.

**34.** It may be possible for the Passenger to re-claim cancellation charges (less any applicable excess) under the terms of the Passenger's insurance policy. Claims should be submitted to the appropriate insurer. After departure, if the Passenger disembarks whether by reason of sickness or any other reason the Passenger will not be entitled to a refund of a proportion of the Package not used.

#### ALTERATION AND CANCELLATION BY PRINCESS PRIOR TO DEPARTURE

**35.** Whilst Princess will do its best not to cancel or to make any significant alteration after a booking has been made, it shall nevertheless be entitled at any time prior to departure to cancel the Contract or to change and/or curtail the Package where this reasonably becomes necessary on operational, commercial or other grounds. Princess will inform the Passenger of any such cancellation or change of Package as quickly as possible (with, where appropriate, written confirmation as soon as reasonably possible thereafter). If Princess makes a significant alteration to the Package it will inform the Passenger or its travel agent as soon as reasonably possible. The Passenger will have the choice of either accepting the alteration, accepting an offer of an alternative Package of comparable standard if available (Princess will refund any fare difference if the alternative is of a lower value) or cancelling the Package and receiving a full refund of all monies paid. The Passenger recognises and agrees that it will not normally be possible for Princess to offer an appropriate substitute Package which is available at about the same time as and/or with a similar itinerary to that originally booked, but Princess will do its best to provide a suitable alternative Package of similar duration and value. The Passenger must notify Princess of his decision as soon as reasonably possible and in any event not later than 14 days of being informed of the significant alteration.

**36.** If the Passenger cancels the Package in the circumstances set out in the above clause or if Princess cancels the Package, the Passenger shall also be entitled to compensation as follows (except if the change or cancellation is due to force majeure, non-payment by the Passenger or where the minimum number of Passengers required for a Package to proceed is not reached).

Period of notification given by Princess	Compensation per Passenger
70 to 43 days (90 to 43 days in the case of cruises of 30 days or longer)	5% cruise credit
42 to 29 days	10% cruise credit
28 to 15 days	15% cruise credit
14 to 0 days	20% cruise credit

**37.** The value of any cruise credit will be calculated by reference to the fare actually paid for the cancelled Package and may only be used for other bookings with Princess. Any such new booking must be made by no later than 31 December of the year after the date of the original Package. Credit vouchers may be redeemed against the fare of the new Package net of any discount available to the Passenger at the time of booking. The compensation set out above does not exclude the Passenger from claiming more if he/she is entitled to do so or from requesting that compensation be provided in a different form. No consequential costs or expenses or loss of profits will be payable.

#### ALTERATION AND CANCELLATION BY PRINCESS AFTER DEPARTURE

**38.** After departure, Princess does not guarantee that the ship will call at every port on the itinerary or follow every part of the advertised route or schedule or that every part of the Package will be provided. Princess reserves the absolute right to decide whether or not to omit any such port(s) and/or to call at additional ports and/or to change the advertised route, schedule or Package. If Princess is unable to provide a significant proportion of the Package, it will make suitable alternative arrangements, at no extra cost to the Passenger, for the continuation of the Package. If the Passenger does not accept them, for good reasons, or, if it is impossible to make suitable alternative arrangements, Princess will, where appropriate, provide the Passenger with transport back to the place of departure or to another place to which Princess and the Passenger have agreed. In both cases Princess will, where appropriate, compensate the Passenger. Please note that compensation will not be payable if an alteration is minor or if Princess is not able to provide a significant proportion of the Package due to force majeure.

**39.** Transit or part transit of straits, other sea areas controlled by vessel traffic schemes, canals, rivers and all other navigable waterways may be subject to delay due to operational circumstances and/or the requirements of the local authorities and Princess shall have no liability whatsoever in respect of any such delay.
