SAIL BEYOND BORDERS

It's more than the ultimate cruise ship. It's a game changer.

Celebrity EdgeSM is about to change everything.

The way you experience the world; the way you connect with the ocean; the way you play, dine and unwind at sea. The way you cruise will never be the same again.

She's the first ever ship to be created in 3D – meaning every detail was fine-tuned to perfection. And no expense was spared when selecting her multi-award-winning design team, which includes world-renowned interior designer, Kelly Hoppen MBE.

With wide open spaces, accommodation that brings the outside in with fully retracting glass doors which open out onto your balcony; and an abundance of floor to ceiling windows – **Celebrity Edge opens up the world from the inside out.**

She's the ultimate outwardly facing cruise ship.

We'll be introducing Celebrity Edge to the world with a choice of exclusive 7-night Caribbean itineraries throughout winter 2018/19. Closer to home, Celebrity Edge will offer a range of 7-, 10- and 11-night sailings out of Rome and Barcelona for 2019, including an exclusive sailing direct from Southampton.

From Valencia to Valletta and Monaco to Mykonos – with longer stays at every destination, you'll uncover more of Europe in every direction – as well as two brand new ports of call; Nauplion on Greece's Argolis Peninsula and Santa Margherita on the Italian Riviera.

Are you ready to go where cruising has never gone before?

Our two-storey Edge Villas are the first of their kind in the fleet.

DESIGN MATTERS #01

Meet our multi-award-winning design team

Our visionary approach to the architecture of Celebrity Edge is only one aspect of this revolutionary story. We selected designers who were new to the cruise industry, because we wanted to ensure every aspect of Celebrity Edge would be a departure from traditional thinking about cruising.

DESIGN MATTERS #03

Edge Stateroom with Infinite Balcony

Edge Stateroom with Infinite Balcony

Bringing the outside in for a naturally bigger room.

Internationally renowned Interior Designer Kelly Hoppen MBE took the lead on the design of all Celebrity Edge's accommodation – bringing her warm, harmonious palette to the rooms that serve as your very own spacious sanctuary and more.

Rooms (or staterooms as we call them) are spacious on all of our ships. But on Celebrity EdgeSM we made almost 70% of them even larger. Plus our new Edge Staterooms offer Infinite BalconiesSM – fully-retractable floor-to-ceiling glass doors that transform your entire living space into the balcony, letting you walk right out to the water's edge. Never before seen at sea – they're a first for us, and in the cruise industry, seamlessly blending inside and outside living space at the touch of a button.

And that's for starters; **every single detail is revolutionary:**

- Rooms are even more spacious
- Our new Cashmere CollectionSM bedding features handcrafted, cashmere mattresses from Italy
- Bathrooms are more luxurious than ever before
- We've introduced the very latest technology. Allowing you to control everything from lighting, to curtains, to temperature, and service with a simple touch screen

Holidaying on your own?

We've introduced our brand new Edge Single Staterooms with Infinite BalconiesSM – perfectly proportioned for the individual traveller, multi-generational or extended families who'd like their own space, or even nannies. They offer all the same amenities and services as our double staterooms, feature a queen-sized bed and are even available as connecting rooms.

A resort worthy of Edge status.

On Deck 14 you'll find endless ways to enjoy the outdoors and connect with the sea. Or as we call it, The Resort Deck. Internationally-acclaimed architect, Tom Wright, worked his magic on a wide variety of spaces here, which includes the main pool area, the new Rooftop Garden, the jogging track, and the adults-only Solarium.

The Rooftop Garden

Full of unexpected pleasures day and night, The Rooftop Garden is a living urban playscape inspired by childhood playgrounds. Catch a movie at A Taste of Film (our unique food & film pairings); dance the night away to a live band; dine at the Rooftop Garden Grill.

Pool Deck

With oversized art installations, two 2 storey Martini-Glass hot tubs; and spacious private Cabanas, The Pool Deck is a spectacular space with a distinct resort-style atmosphere.

Pool Bar

Situated alongside the lap pool and underneath a grand installation wall is the Pool Bar. A serene spot to relax, sip your favourite cocktail and take in your stunning surroundings.

Solarium

On The Resort Deck you'll find the blissful adults-only Solarium. Featuring a 3-dimensional art wall that represents the beautiful colours and movement of the ocean, it's the perfect complement to the serene onboard atmosphere.

It's not just revolutionary.
It's magical.

Magic Carpet

The Magic Carpet is the highlight of our outward facing vision. The size of a tennis court, and reaching heights of 13 storeys above sea level, it is the world's first cantilevered, floating platform that travels up the side of the ship. Offering some of the best views on board, this spectacular space extends several decks and transforms into a new venue depending on which deck it's positioned.

Magic Carpet, detail

This is the place to soar over the open ocean while dining, enjoying a drink, or simply relaxing.

- **Down to Deck 2**, the Magic Carpet becomes an extension of the Destination Gateway – a state-of-the-art embarkation station where you'll be whisked away to tendered ports of call aboard our newly reimagined tender boats.
- **While on Deck 5** it serves as an unforgettable open air dining experience that makes fresh ocean fare taste even fresher.
- **On Deck 14**, the Magic Carpet becomes an extension of the relaxing main pool area – with breathtaking views as a backdrop and live music in the air, it's the perfect place to unwind with family or friends.
- **At its highest point on Deck 16**, the Magic Carpet becomes a sky-high venue for an array of mouthwatering experiences such as Dinner on the Edge. Prepare for a unique, al fresco culinary journey that will delight your tastebuds, sight, and sense of wonder, all at the same time.

Eden Restaurant, night

Eden, day

Welcome to Eden. Chillful. Playful. Sinful.

We invite you to indulge every sense in a space that transforms from **chillful mornings** to **playful afternoons** to **sinful evenings**.

Situated over Decks 3, 4 and 5, and the same height as New York's colossal Apple Store, Eden is by far the grandest space we've ever designed. In fact, it has more outward facing glass than any other room at sea, making it a true window to the world.

A place where nature is effortlessly intertwined with design and performance art, and where nature is so present, we call it 'a room that lives'. It's a multi-faceted and innovative experience, and no two visits are ever the same. From the awakening aromas rising from

Eden Café to the natural scents of the Library of Plants growing above Eden Bar; from the divine, experiential cuisine at Eden Restaurant to the crescendo of theatrics that close the night while delighting your eyes and ears.

Early evening brings Eve at Eden, a sensuous mix of performance art, while at dinner, the Eden Restaurant promises a choreographed series of delicious temptations to surprise and delight – along the lines of the soon-to-reopen New York dinner theatre, Queen of the Night. Eve at Eden isn't just a nightclub or a social club. It's an indulgently sinful fusion of performance art, culinary treats, and nightlife that will ignite the senses.

Eden, night

We're changing the world, starting with the Caribbean.

After the two-year design period was complete, the question remained, "Where will we go with Celebrity EdgeSM first?" With an incredible ship designed to highlight the destinations, we decided to start in the corner of the world so often referred to as 'paradise' – the Caribbean. Celebrity Edge offers sun-soaked Eastern and Western Caribbean itineraries from Fort Lauderdale, Florida. But why choose just one? See it all by booking back-to-back sailings for a 14-night luxurious journey.

The minute you set sail, you'll feel completely connected to the islands around you – and every shimmering nautical mile of sea that connects them.
