Eight distinct experiences One incredible place to relax

The **Hamam** is our modern take on the traditional Turkish bath, decked out in sleek marble and gorgeous mosaic tiles. This quiet retreat invites you to loosen muscles with a body polish and soak that will leave you glowing and relaxed.

Sit down, relax, and take a deep healing breath in the **Salt Room**. This simulated salt cave environment is believed to help treat a variety of respiratory and skin conditions.

Soothe your senses in the **Steam Room**. The moist heat is believed to open up your airways, and toxins seem to melt away from your body as you sweat.

What's more renewing than a spring shower? Step into the **Rainfall Water Therapy Room** pre- or post-treatment. Simulated rain showers—ranging from warm to cool, from light drops to a waterfall—massage the body, invigorate your soul, and wash away your worries.

Feel lighter than air in the **Float Room**, as you swing into a meditative sleep, cocooned in floating basket chairs. Floor-to-ceiling windows offer stunning views of the sea, keeping you connected to the water as you reach new heights of restfulness.

Right next to the floating chairs and offering the same panoramic views are our **heated tile loungers**, making this space the perfect zen zone to relax after your treatments. Lie down, stretch out, and let the soothing warmth radiate through your body.

In the **Infrared Sauna Room**, state-of-the-art technology heats the air to calm the body and relieve stress, releasing feel-good endorphins. The infrared lighting system offers many of the benefits of natural sunlight without the damaging effects.

In our luminous **Crystalarium Room**, a gentle warmth exudes from the natural stone walls, and an amethyst crystal serves as the conduit for natural healing energy.

A truly spa-inspired holiday from the massage table to the dining table

When you stay in our signature AquaClass staterooms, you'll not only enjoy unlimited access to the Thermal Suite but also complimentary dining in our Blu restaurant, a personal spa concierge, and soothing touches throughout your stateroom, from aromatherapy diffusers to pillow menus.

Main Dining Experience

Our goal to open your world through the culinary experiences we provide comes to life on Celebrity Edge. We redesigned the main dining experience to include not one but four complimentary, main restaurants—each with a distinctive design and ambience inspired by a specific region of the world.

Tuscan Restaurant

Normandie Restaurant

Cyprus Restaurant

Cosmopolitan Restaurant

Celebrity Select Plus

Celebrity Edge will have not one, but four great main restaurants. Each restaurant will include the same signature dishes offered today across the fleet, which change nightly, as our guests have grown to expect. Plus, each restaurant will also offer a special selection of dishes to showcase each restaurant's regional concept. Celebrity Edge will continue to allow guests to book traditional early and late seating as well as open seating in all four restaurants. More menu selections, more dining times, and more flexibility than ever before.

Cosmopolitan Restaurant

We know our current main dining experience across our fleet is one of the reasons guests sail with us time and time again. To maintain the essence of that experience on Celebrity Edge, we created the Cosmopolitan Restaurant—the next evolution of our current main restaurants. The walk-through wine display at the entrance sets the scene for the cuisine you'll enjoy here—new American with global influences. With exclusive menus, discover favourite dishes prepared in exciting ways that make them brand-new favourites again.

Tuscan Restaurant

Step inside and discover the delicious ambience—a modern classical design inspired by Italian fashion and film. Savour mouthwatering cuisine inspired by authentic southern Italian eateries. The meals here include Italian-inspired dishes, featuring all homemade pastas prepared with a rustic flare. Your taste buds will get a tour of southern Italy without even stepping ashore.

Cyprus Restaurant

Dear to our hearts, this restaurant represents our Greek heritage. We wanted to create a stunning atmosphere that would represent the Mediterranean fare served here, so we worked with world-renowned designer, Patricia Urquiola. In Cyprus, the menu's main focus is seafood and features simple, clean dishes that celebrate the food and beverages of the Mediterranean region.

Normandie Restaurant

With ties to our elegant Murano speciality restaurant on many of our ships and a nostalgic nod to Celebrity Summit® (wooden panels from the ship are incorporated into the design), Normandie Restaurant features contemporary French cuisine in a modern, upscale, refined atmosphere that evokes the romance of springtime in Paris, with a colour palette reminiscent of cherry blossoms in full bloom. Enjoy regional European wines, deliciously uniquely cocktails, tantalising starters, and mouthwatering entrées.

Luminae at the Retreat

Dining on Celebrity Edge is an exclusive affair for our Suite Class guests with access to a private restaurant, Luminae at The Retreat, the highest-rated restaurant in our fleet. Luminae is sumptuously designed by Kelly Hoppen and features menus that change daily and are not available in any other restaurant on board.

luminae
at the retreat

Blu

AquaClass guests will enjoy the exclusive restaurant featuring clean, crisp flavours and inventive cuisine complemented by an extensive list of sustainable and biodynamic wines. Everything here is undeniably delicious. Pair all of that with personalised service, inviting surroundings, and natural light, and you have the fresh and bold experience of Blu.

SPECIALITY DINING

We wanted to expand our global culinary expertise even further on Celebrity Edge. To open the world—and palates—of our savvy travellers even more, we designed exciting new speciality restaurants found nowhere else at sea.

Fine Cut Steakhouse

Discover this upscale dining experience for dinner with service that's elevated to an art form and a space that's warm and inviting with a glamorous palette of rich ruby, amber, and gold design elements. While the design creates an ambience of sophistication, the cuisine offers up the sizzle—literally. With a wide selection of the choicest cuts of meat to the freshest, premium seafood, there's something here for everyone.

FINE CUT
STEAKHOUSE

Le Grand Bistro

Inspired by classic French bistros, the mouthwatering sights, scents, and sounds of a bustling boulangerie-pâtisserie will excite you almost as much as the food itself. The ambience changes from morning to evening, and you have seating options that range from the planter-edged sidewalk to the inner café with stunning views of the sea. So, every time you eat here, it's a whole new experience.

Le Petit Chef Experience

Using innovative technology created by Skullmapping and presented by TableMation Studios, we're bringing your tabletop to life in Le Grand Bistro with Le Petit Chef—an animated character who appears beside your plate and prepares each course you'll be enjoying right in front of you before you're served the actual dish. It's an immersive, mind-blowing fusion of entertainment and dining like nothing you've experienced before.

Raw on Five

Using both raw and refined elements with earth tones, pearlescent accents, and natural textures, we've created a sophisticated yet approachable restaurant. The dramatic raw bar display at the entrance showcases an abundance of oysters, crab, and lobsters to choose from. The menu, also available at the Magic Carpet when positioned on deck 5, will feature more casual offerings like Shrimp Salad, our signature Lobster Roll and sushi and sashimi prepared by our expert sushi chefs.

RAW ON 5

Magic Carpet

When on Deck 5, Magic Carpet is an open-air extension of Raw on 5. Here you'll find an airy, casual seafood restaurant offering select Raw on 5 favourites as well as its own unique menu. When these two restaurants meet, it's the perfect pairing for an unforgettable al fresco dining experience as you glide over the glistening water below.

MAGIC CARPET

Rooftop Garden Grill

Whether enjoying lunch or dining under the stars, the Rooftop Garden Grill is nestled perfectly in its own delicious corner of the Rooftop Garden. Discover the ultimate in outdoor eateries where you're surrounded by the open sky and the most incredible ocean views around while you savour gourmet backyard BBQ favourites.

They're all here, waiting to serve up hand-crafted cocktails and ice cold craft brews or healthy snacks and juices you need to replenish after a day at the spa or pool.
