

## Moors Valley Battles

Our new woodland battlefield at Moors Valley will give you plenty of opportunity to creep and crawl as you outwit your enemy. The gaming guns fire an infra-red beam so there are no painful bruises and the equipment is incredibly accurate. Marshals will introduce the equipment to you and run a variety of scenarios to keep your battles action packed.

Our battlefield at Moors Valley is available to groups over 8 or more. We will be there most weekends and during the week by arrangement. You'll need to be over 8 to play and we run kids only, adults only and mixed family activities.
