Exploring the World in Comfort®

VIKING OCEAN CRUISES 2018-2020

Explore in Viking comfort

In Norway they call it *koselig*. In Denmark, *hygge*. At Viking we simply call it comfort. And we believe it's the only way to explore the world.

Comfort is knowing that you are completely cared for in every way. It's a glass of wine under a starlit sky. Good food in the company of good people. Comfort is savouring the present moment.

It's a genuine smile from someone who cares. And connecting to the wonder of the world, whether it's the view from a mountain top or the bustle of a local market. It's a feeling of contentment and wellbeing. And a feeling of reassurance that you're getting the very best value for money.

Above all, comfort is togetherness, a generosity of spirit and a very real sense of belonging. Come and explore the world in comfort with us.

The Viking *difference*

Stylish, sophisticated and enlightening, a Viking cruise is like no other. It's a journey that is full of surprises, and it starts the moment you step on board.

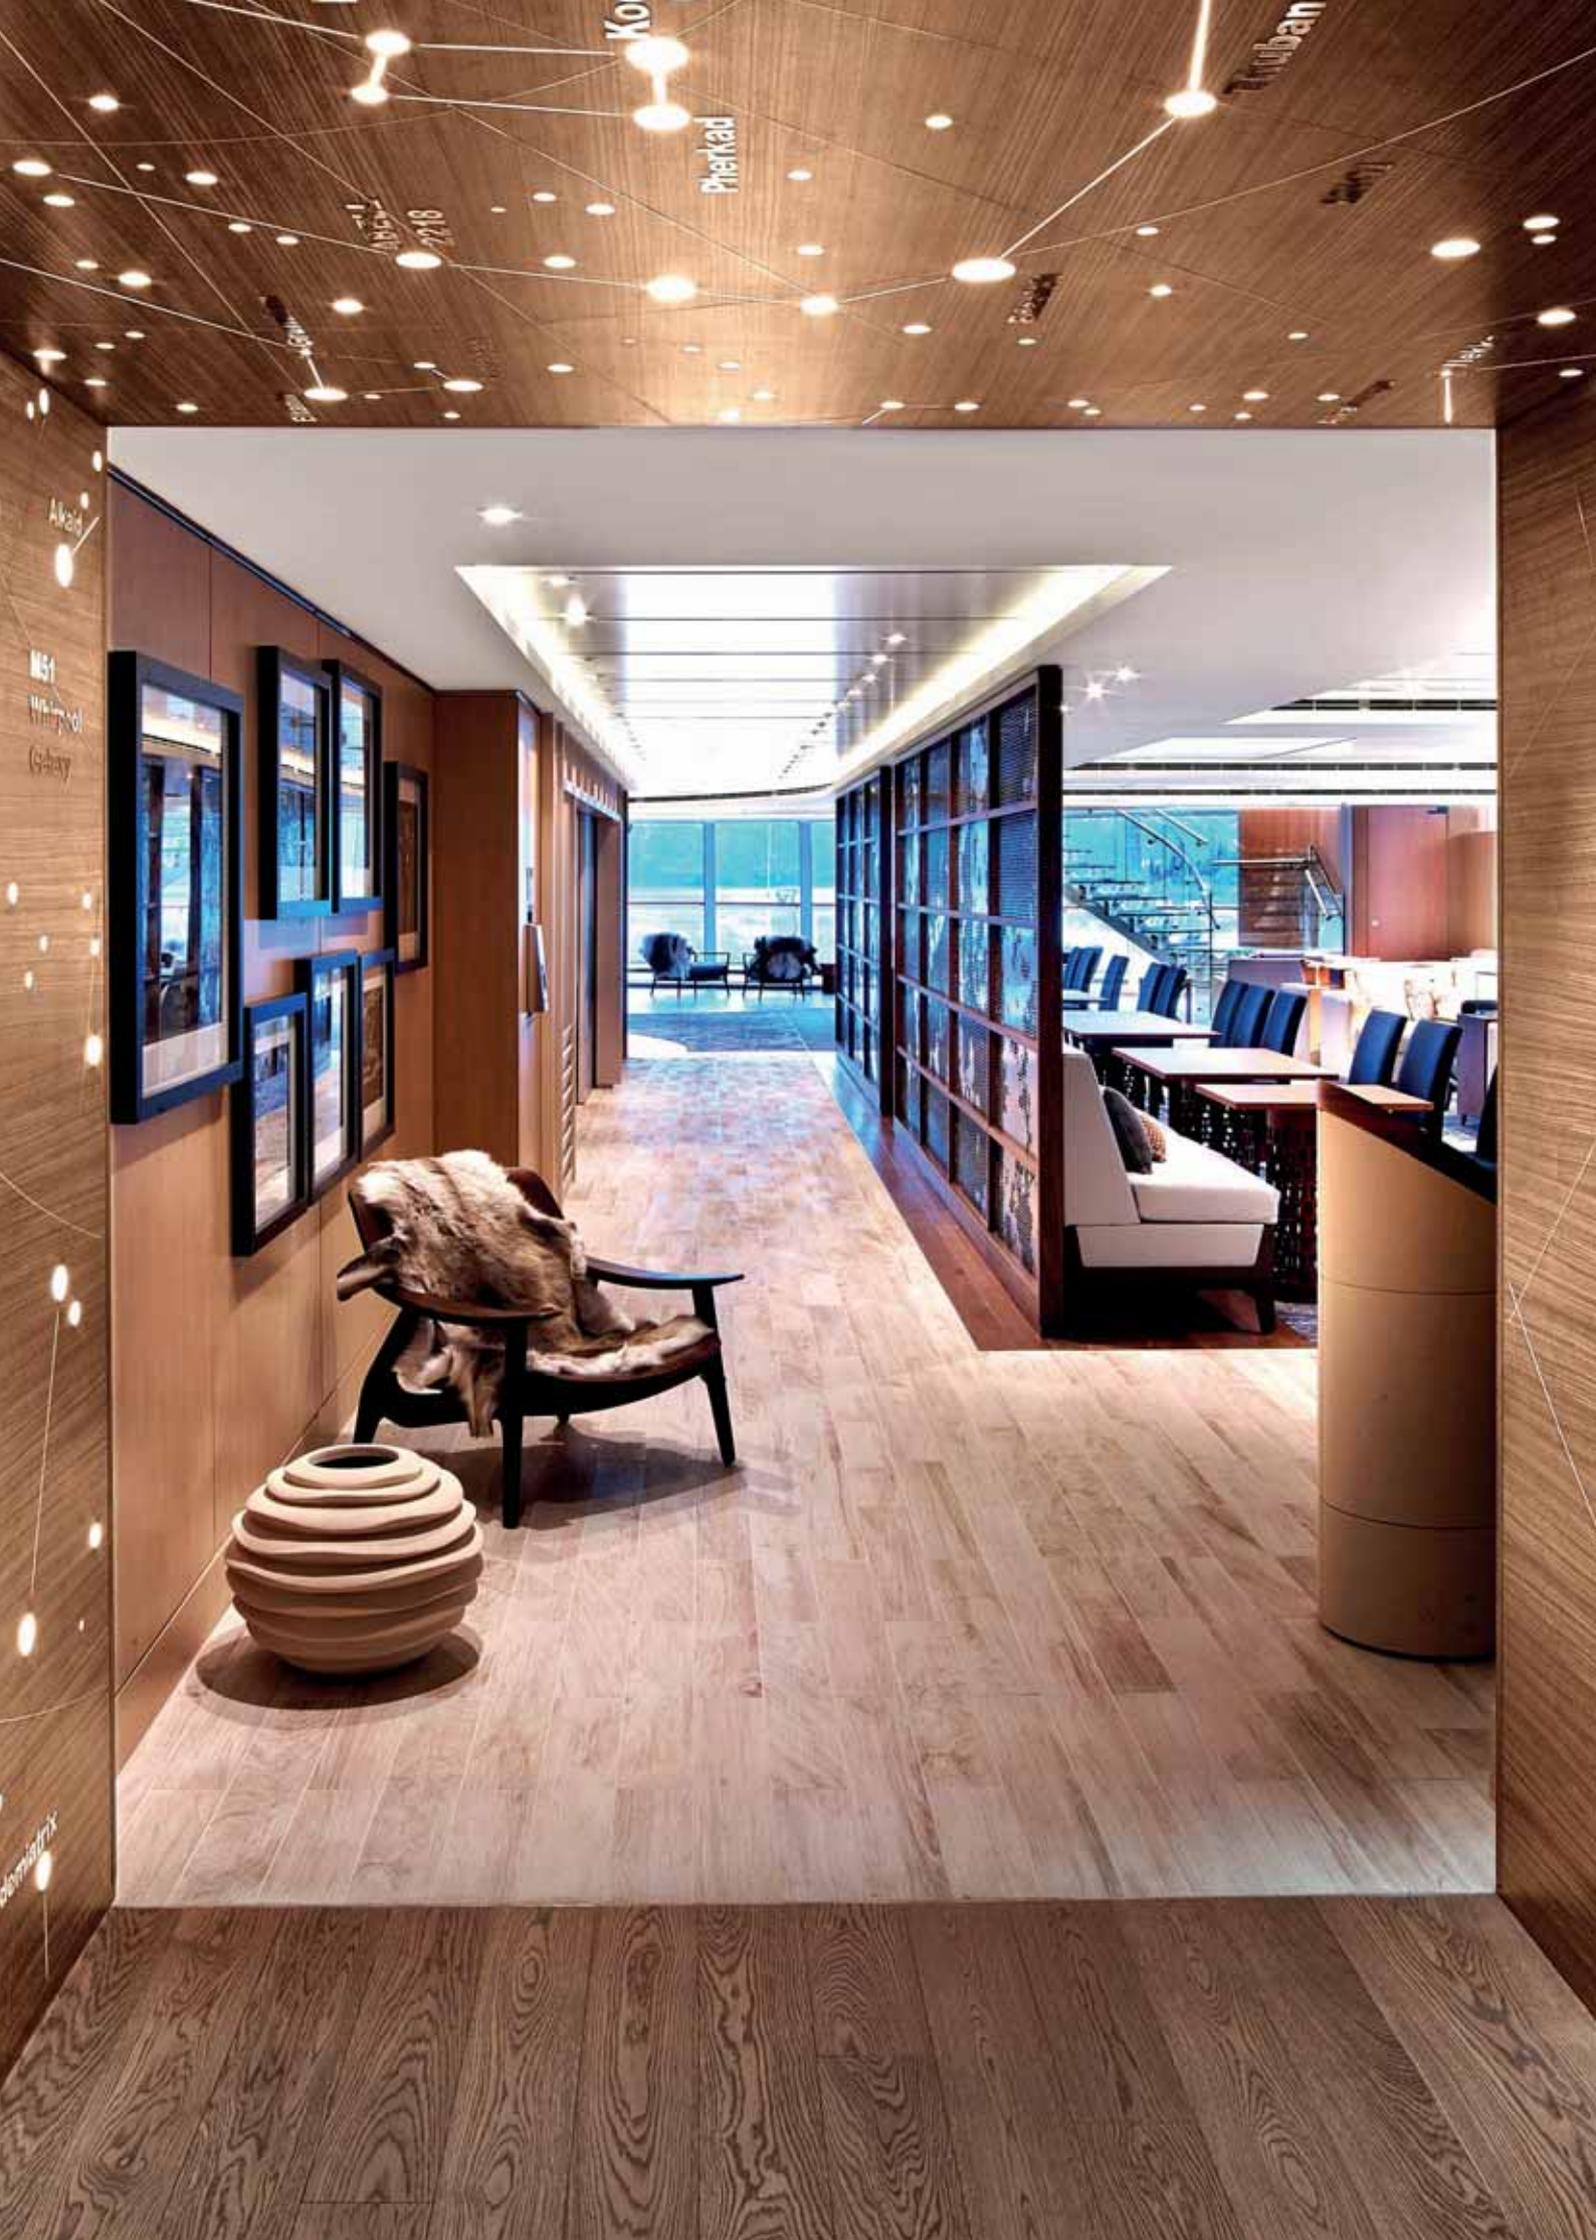

Every Viking ocean ship is large enough to offer all the facilities you could wish for, yet intimate enough to wrap you in comfort. Its smaller size enables you to sail into destinations inaccessible to other vessels and once there you can enjoy more time to explore, and more overnights too. You can also enjoy a complimentary excursion in every port, as well as a choice of optional excursions, offering something for everyone.

Fabulous dining is a highlight of your cruise, with a choice of superb restaurants, all of which are included. Indeed, value is something you can take for granted on a Viking cruise. All those pleasures that are an essential part of your cruise experience – a great cup of coffee, a beer with lunch, wine with dinner, a visit to the spa, logging on to check your emails, and room service – are all free. A cruise should be about the finer things, and with Viking they're all included. Which is also why every stateroom has its own private veranda. Whichever room you choose, you can relax outside and take in the views.

Viking's service doesn't just come with a smile, it comes with award-winning credentials. At the end of the day – and the beginning too, it's all about you. And that's why our guests choose to travel with us, time and again. There is another thing that distinguishes us from other cruise lines; there are no children on board.

Come and discover the Viking difference for yourself.

Enjoy it all, it's all included

On every Viking journey, you can look forward to the highest standard of quality at the best possible price. Included in the cost are all the things you want and need.

From complimentary shipwide Wi-Fi and shore excursions to wine, beer and soft drinks with lunch and dinner, there are a host of 'extras' that won't cost you a penny more.

We call it Viking value, you'll call it brilliant.

A veranda at no extra cost

Every stateroom has an ocean view, and a veranda on which to sit and enjoy it. It also offers the comfort of a king-sized bed or twin beds, fine linens, flat-screen TV with movies on demand, hairdryer, safe, and spacious ensuite with walk-in shower, heated floor and mirror, as well as premium bath products. Twice-daily housekeeping ensures your room is a welcoming retreat at all times.

Expert guided excursions

Get to know more about the places you visit with a free excursion almost every day. As well as visits to UNESCO World Heritage Sites, you can look forward to exclusive and insightful experiences, including home-hosted visits and cultural performances. Viking brings every journey to life, in the most engaging and illuminating ways.

On board gratuities

All Viking staff are Swiss-trained to deliver the highest standard of service. Genuinely warm and friendly, without being intrusive, Viking service is the envy of all other cruise lines. It's reassuring then to know that all your on board gratuities are included.

All on board meals

Enjoy outstanding cuisine in a choice of nine dining venues. From the multicourse gastronomic menu with wine pairings in The Chef's Table and the inspiring Italian fare in Manfredi's, to the daily-changing menu in The Restaurant and a fabulous choice of authentic dishes in The World Café.

Quality wine, beer and soft drinks

What could be nicer than a lovely glass of wine with your meal? How about another? On board, you can look forward to perfectly chilled beers, soft drinks, and lovely wines, often selected from the region through which you're travelling.

Return flights from the UK

We want you to travel in comfort, right from the start of your journey and that means scheduled flights with quality airlines, and from an airport close to home. Just call us to check if we can offer your local airport on your chosen cruise. All airport taxes are also included.

LivNordic Spa

Your journey is all about feeling good, from top to toe, and a highlight of our ocean ships is the exquisite Nordic spa. The hydrotherapy pool, steam room, sauna and Snow Grotto are guaranteed to put a spring in your step and, because it's all free, a smile on your face.

Wi-Fi on board

Stay online and in touch with friends and family throughout your journey with our free shipwide Wi-Fi. Upload photos of the places you're visiting or check your emails. You also have free use of the computers on board, any time.

Enjoy it all, it's all included

Guest services

Car hire in Monte Carlo? Opera tickets in Sydney? Restaurant reservation in Copenhagen? Our on board Guest Services team will help you make the most of your time ashore. Whether it's a specific booking or simply directions to the best shops, they know exactly where to go.

24-hour room service

For those days when you feel like breakfast in bed, dinner under the stars on your private veranda, or late-night nibbles, take advantage of our complimentary 24-hour room service.

No Corkage

One of the loveliest things about exploring new places is enjoying the local wines. Feel free to pick up a bottle on your travels, and bring it on board to enjoy with your meal. We will happily serve it for you, and not charge corkage.

Meet and greet

When you arrive at your destination, you'll be met by a smiling Viking representative who'll take you to your ship or hotel. And when it's time to return home, we'll take you to the airport in good time for your flight. If you book a pre- or post-city break, your ship/hotel/ airport transfers are also included.

Tea, coffee and snacks any time on board

Freshly brewed specialty coffees, teas and delicious pastries and cookies are always tempting, and always available.

Fresh bottled water

You can also look forward to fresh bottled water delivered daily to your stateroom, and when you go ashore to explore. It's another one of those little things that mean a lot.

Daytime discoveries

From cooking classes, fascinating talks and demonstrations to tempting tastings and a thoughtful library of books, our on board enrichment programme adds insight, depth and pleasure to your trip.

Evening entertainment

Evenings on board are the perfect time to relax. Head to The Star Theatre for a show. Watch a movie poolside (popcorn included!) on the giant screen. Find a cosy corner or dance the night away in the intimate nightclub, Torshavn.

Viking Explorer Society membership

Once you have returned from your first Viking cruise you'll become a Viking Explorer Society member, in our free loyalty club. You'll be treated to a £100pp saving on your next cruise (river or ocean), and a variety of exclusive offers, as well as invitations to special events.

As a member of ABTA, Viking is a fully bonded and licensed tour operator. All the flights and flight-inclusive holidays in this brochure are financially protected by the ATOL scheme. Welcome *home*

It's a welcome that will stay with you forever. Step on board and you find yourself in an effortlessly cool boutique hotel with Scandinavian-inspired interiors and with the best views in the world. A stylish collection of bars and restaurants, each one different, every one superb. A state-of-the-art Nordic spa offering sanctuary for body and soul. Great nights out and cosy nights in. Somewhere to be sociable, and somewhere to be by yourself.

Home to just 930 guests, it is both generously spacious and wonderfully intimate. Textures of limestone, granite, glass and natural woods meet handmade textiles, reindeer pelts and soft woollen throws to create relaxed areas in serene Scandi-fresh colours borrowed from the sea, the sky and the earth.

A ship of discovery and of dreams. The one place you can't wait to return to at the end of another incredible day.

The best people, *the most personal service*

Can a cruise consultant make booking your journey a pleasure? Can a waiter make you feel as if you are the most important person in the world? Can a guide feel like a long-lost friend? Yes, if that team works for Viking. When you have the best people, you also have the best service.

At Viking, we have more than 5,000 of our own staff worldwide, all dedicated to making your journey the most memorable experience possible. Our ships are smaller than most and more intimate, and every member of our crew truly feels privileged to work for Viking.

From the moment you first plan your trip to the time you return home, our people take care of you, every step of the way. They are the reason why Viking is consistently voted the best across a number of awards. And why our guests return to cruise with us, time after time.

Taste *the world*

The aroma of saffron-infused pasta.
The delicate flavour of freshly prepared sushi.
The sight of scarlet tomatoes, glistening in a drizzle of olive oil. The silky smoothness of a glass of red, enjoyed in the vineyard it which it was made. You experience travel with all your senses – including taste – and food that

indulges all your senses is food that you remember always. A Viking journey is all about discovery, and that includes the discovery of exciting new foods and wines. Every day, every destination, celebrate food that's fresh, authentic and full of flavour. Good food, good friends, good times.

Meet *the producers*

There is something immensely satisfying about eating food and drinking wine in the place where it is grown or made. Choose from a menu of excursions where food and drink take centre stage. Prepare an authentic pasta dish

in a palace in Venice. Savour the sherry at a bodega in Jerez. Picnic in Provence and drink in the views, along with the rosé. When you understand the provenance of food, it tastes even better.

Wine and dine in every restaurant, *without forking out a penny more*

From Tuscan treats in Manfredi's and a world of flavours in The World Café to a five-course dinner with wine pairings at The Chef's Table, you can dine in every restaurant, and pay no more for the privilege.

With the emphasis on relaxation, there is nothing formal about our restaurants, or our dress code. Smart casual works for us and, more importantly, for you. Wear what you love. Sit where you like. Eat what you want. It's all about choice.

Of course, Viking's generosity of spirit extends to our wine selection, with complimentary wine and beer served with lunch and dinner. Outstanding cuisine all included? We'll drink to that.

In the recent Good Housekeeping Reader Recommended Survey 99% are likely to recommend a Viking Ocean Cruise to a friend, based on their dining experience.*

*Good Housekeeping Reader Recommended Survey 2017: Viking Cruises Food and Dining Experience, 159 Good Housekeeping Readers.

Dine in a choice of restaurants, *for free*

The World Café

Discover flavours of the east in Copenhagen, the tastes of Tuscany in Sydney, and the freshest sushi in the Amazon jungle. Morning, noon and night, explore a world of taste at The World Café. A celebration of foods that make us different, but also bring us together.

The Restaurant

Breakfast and dinner, welcome to The Restaurant. One of the finest restaurants you'll find. Anywhere. Where the daily changing menus complement the daily changing views. And where you can feast on traditional favourites as well as local specialties, all perfectly prepared and presented.

Manfredi's

Long, laughter-filled dinners don't get better than those in Manfredi's, the Italian grill restaurant. Traditional Tuscan and Roman cuisine (think perfectly cooked steaks, fresh seafood, handmade pastas and an overflowing antipasto trolley) in a warm, contemporary setting. *Buon Appetito!*

The Chef's Table

Executive Chef Anthony Mamboussin's dining concept has been impressing guests on every cruise. Five courses, each with a wine pairing, follow a specific theme. Venice Carnival. Sweet and Sour. Asian Panorama. It's a whole new world of discovery.

Mamsen's

In the Nordic deli, feast on waffles laden with fresh blueberries and cream or *gjetjost*, Norway's sweet nutty cheese. Or tuck into pancakes covered in cloudberry jam or glistening with lemon and sugar. Flipping marvellous.

The Wintergarden

A good afternoon. A comfy sofa in The Wintergarden. Sandwiches, cakes and scones, and a pot of your favourite blend of tea. The light and airy surroundings and the striking blonde wooden canopy are as delicious as the cream teas.

The Pool Grill

When stepping in for lunch is a step too far, tuck into a tasty snack at the Pool Grill. Classic, American-style sandwiches, burgers and hot dogs always hit the spot. Pile on the mustard, dress with pickles, slaw and sauces and wash it down with an ice-cold beer or crisp white wine. Lap it up, it's all included.

Private dining

Because it's a special occasion. Or just because. Book your table in one of the private dining rooms at Manfredi's of The Chef's Table. An intimate setting made even more personal.

Alfresco dining

There is nothing like dining in the great outdoors. Big sky. Setting sun and a chance to drink in the fresh air, as well as the views. Step out of The World Café onto The Aquavit Terrace. Breakfast, lunch and dinner, it is everything you want relaxed dining to be.

24-hour room service

Breakfast in bed. Lunch on your private veranda. Late night nibbles. Enjoy room service at any time, without paying any more.

Cheers!

As the day dies down and the evening begins, while away an hour or two with your favourite people and favourite tittle in Paps, the Explorers' Bar. Imbibe in a brandy blended in the year of your birth in Torshavn nightclub. Or indulge in a cocktail by the pool that will leave you stirred, not shaken. On board, there's a great choice of bars, all serving drinks at prices that won't give you a headache.

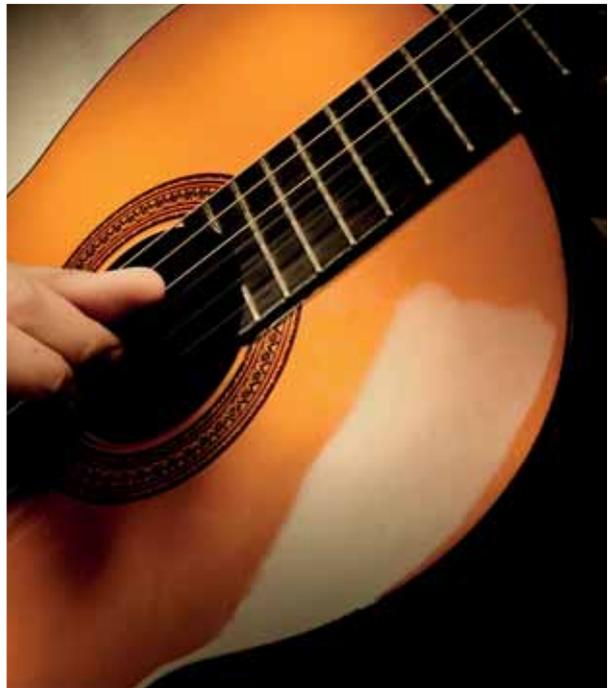

Pay no more *to explore more*

Entertaining talks on the places you'll visit, engaging demonstrations, and dazzling music and dance performances are just some of the ways in which Viking brings each destination to life.

Discover how the past has shaped our world, with our resident historian. Learn how people of ancient empires engineered the world's greatest monuments. Dig deep as you explore the geology of Mediterranean lands. Look beyond the stars in a fascinating talk on astronomy. Test your knowledge in a Team Trivia event. Artists, performers, historians and specialists all contribute to an inspiring programme that gives you a deeper insight into the places you visit, and adds immeasurable pleasure to your journey. A Viking journey can change the way you see the world.

Live *well*

If anyone deserves to feel good when they're travelling, it's you. And if anyone knows what you need, it's Viking. Our journeys are the perfect blend of exploration and relaxation. An opportunity to reconnect with the world and yourself. To rebalance, restore and reenergise.

The Spa (voted the best at sea by *Cruise Critic*) is as beautiful as it is beautifying.

The hydrotherapy pool, steam room, saunas, Snow Grotto and heated beds are guaranteed to put a spring in your step and, because they're all free, a smile on your face.

And because living well is also about eating well, you can look forward to fresh, seasonal foods cooked to perfection. From inspiring fruit smoothies to delicious light dishes, feast on healthy food that's tasty too.

Body *and* soul

Nordic wellness comes from a connection to nature, which includes taking long walks in the great outdoors. On board we've created plenty of outdoor living and dining areas that are a breath of fresh air – beautiful spaces that are inviting and comfortable, where you can relax and soak up the sun.

Do laps or just lap up the views at the pool. Its retractable roof is simply perfect for when the weather is not. And expand your horizons with a dip in the Infinity Pool. As well as a walking track, the Sports Deck features an outdoor gym and other activities, including mini golf, shuffleboard and quoits. Game on.

It's a *gym* thing

The state-of-the-art gym adds some muscle to your exercise regime, and the breathtaking views help you forget how hard you're working. Our personal trainers offer programmes to inspire you to build enthusiasm for movement and exercise, and have fun too.

Salute *the sun*

Flex and stretch in a yoga or pilates class in a studio space that, like the gym, has floor-to-ceiling windows. Yoga mats sit in a handwoven basket. Gleaming weights invite you to step it up a notch and, everywhere, chilled bottled water keeps you hydrated and refreshed.

And... *breathe*

It's all about you *and it's open to all*

Bright and beautiful, The Spa is a destination in its own right. A sanctuary for body and soul, float in the gently bubbling water of the hydrotherapy pool, warmed by the sight of flickering flames of a full-length fireplace. Recline on a heated ceramic bed under soft lighting. Chill out in the Snow Grotto. Relax.

Go with the glow: *the Nordic bathing ritual*

The tradition of alternating hot and cold bathing runs deep in the Nordic culture, and forms the core of the Spa wellness experience. Moving from the hot sauna or steam room to the cold Snow Grotto detoxes the body, relaxes tired muscles and boosts circulation. Best of all, it leaves you feeling energised and composed, with a beautiful healthy glow.

Treat yourself

Enjoy an expertly executed massage that's as smooth and sweet or firm and steady as you like it. A choice of facials are guaranteed to unfurrow your brow. And our pure Scandinavian products are rich in vitamins and antioxidants. And because real men need pampering too, our highly skilled therapists offer tailor-made treatments and grooming experiences for men. Nordic facial, massage, manicure and pedicure are just some of the feel-good treatments on offer. Self-care has never felt – or looked – so good.

The finishing touches

Head to the hair and beauty salon, because you're worth it, of course. A Viking ocean cruise is all about feeling good, from top to toe.

The Rat Pack

Revisited

That's *entertainment*

When the stars come out, so does the entertainment. From sipping an artisan gin and exchanging stories with newfound friends in Paps, the Explorer's Bar, to enjoying the sounds of the guitarist, pianist and singer in one of the lounges. Take a seat in the plush theatre for a dazzling show, or dance the night away in Torshavn nightclub. Sing along to a band, or lie back by the pool under the night sky to watch a movie on the giant screen – the popcorn is on the house. However you choose to spend your evenings on board, being bored is never an option.

Discover

Sydney. Bergen. St. Petersburg. Tallinn. Santorini. Reykjavik. They are all amazing and on a Viking cruise exploring them all with an expert guide is included. As well as taking you to the expected and the iconic destinations, we go beyond to engage you in some unique experiences; from panning for gold in Alaska to learning how the people of St. Lucia create original batik clothing.

You'll also be given the opportunity to discover more secluded, lesser-known places, and satisfy your curiosity with a choice of engaging optional tours, from riding across Norway's Arctic tundra in a helicopter to swimming with turtles in the warm Caribbean waters. With plenty of time in each destination, how you explore is up to you.

A world of *possibilities*

The guide *by your side*

At Viking, we believe that your journey should be one where you can see, hear, taste and touch it all. Our shore excursions are created to show you not just the destination, but its people and their culture. With expert guides who are both entertaining and illuminating, you'll enjoy insightful experiences and encounters that add

immeasurable pleasure to your journey. Whether you're wandering through a UNESCO-listed cathedral in Barcelona or a tropical rainforest in Puerto Rico, practising your tango in Buenos Aires, or chatting with a family in their home in rural Slovenia, you can explore the world, in all its glory.

It's your day, *enjoy it your way*

On every Viking journey, choice is always an option. Will you explore the underground church in Helsinki? Or visit a farm for some homemade berry pie and tales of the Finnish way of life? Do you want to stroll through the Vatican on an exclusive private tour? Or whizz along the French Riviera in a speed boat? With one included guided excursion in each destination, and a wide and diverse selection

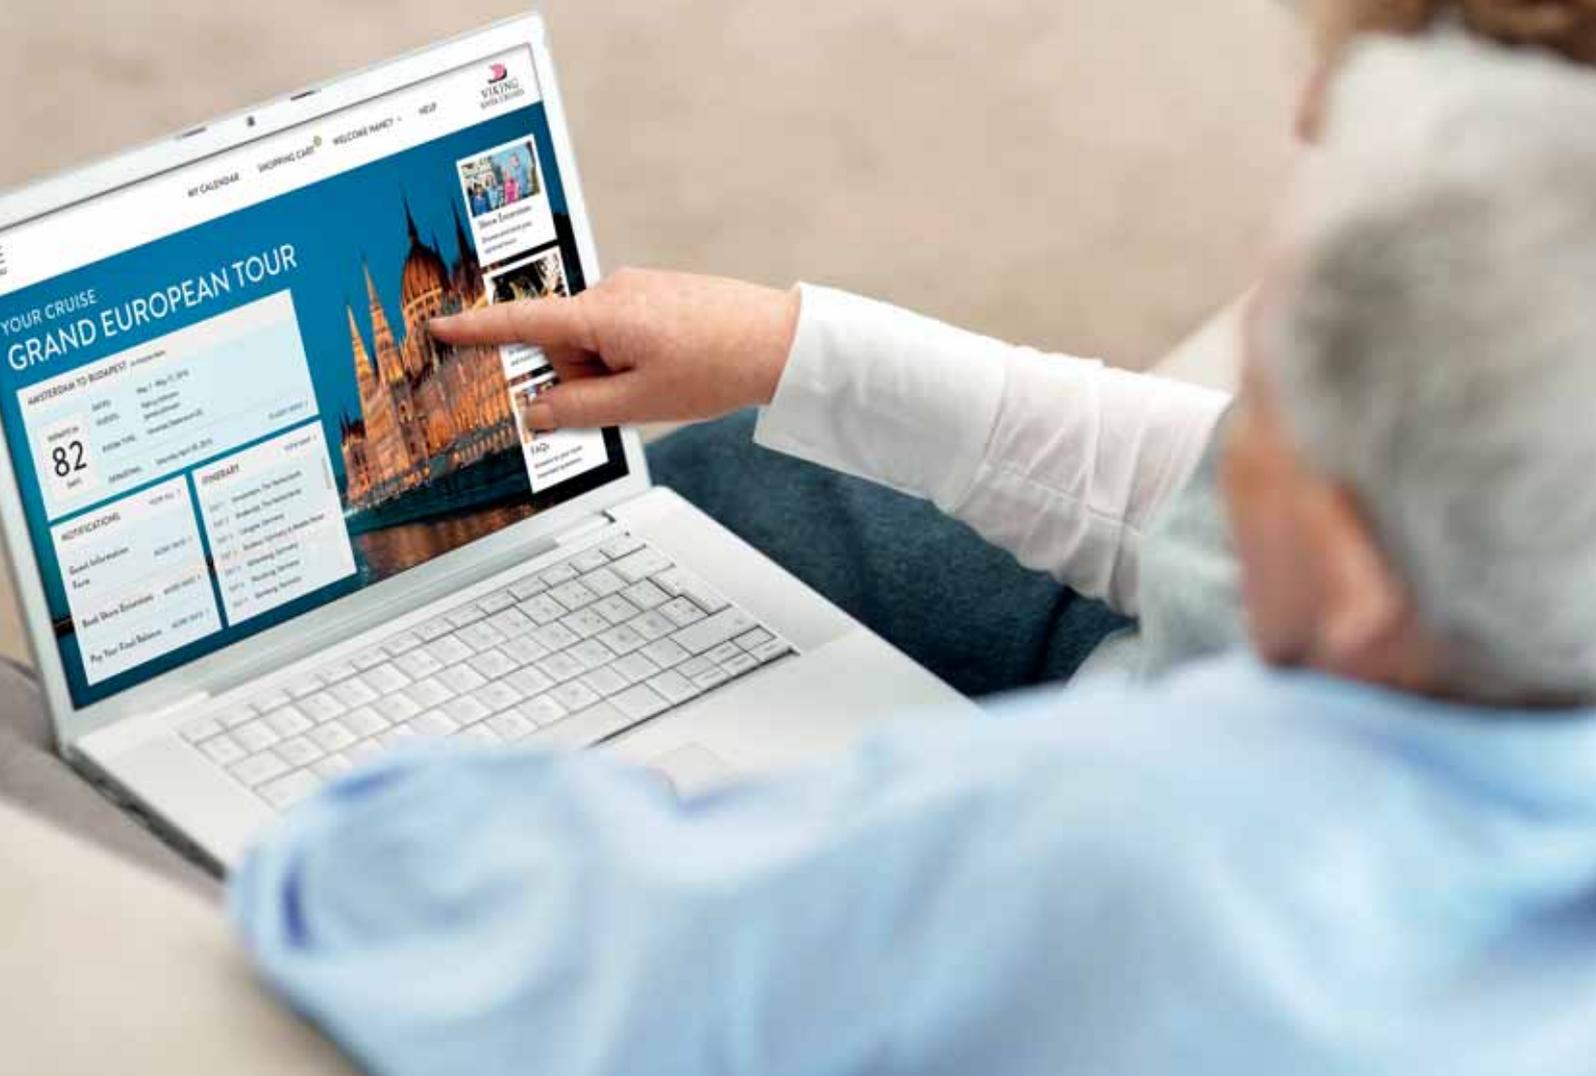

of optional tours, there is something for everyone to enjoy. And for the times when you simply want to wander and make your own discoveries, your on board concierge will give you all the information and maps you need. He or she can make reservations and bookings to help you make the most of your time. It's your day and we want you to enjoy it your way.

Viking Homelands

Big skies and deep fjords. Emerald forests and ice-white glaciers. Invigorating pure air and ethereal Nordic light. The great outdoors is rarely greater than in Scandinavia. In its vibrant cities, old-fashioned charm embraces a forward-looking culture, and cool aesthetics are a natural part of life.

Across the Baltic Sea, the rich and colourful culture continues to weave its magic. From Tallinn's storybook turrets and the imperial splendour of St. Petersburg to the merchant houses of Gdańsk and uber-cool Berlin, Europe's northern lands are proudly individual and, together, eclectic and exciting.

MUST-SEES

Gamla Stan, Stockholm

Stockholm oozes charm, with its storybook 16th and 17th-century buildings, palaces and museums. Follow the scent of cinnamon to one of the cosy cafes for a cup of seriously good coffee.

Rock Church, Helsinki

You could be in a forest or a cave. With its rough-hewn walls of rocks of granite and domed copper roof, Temppeliaukio or Rock Church is an astonishing place of worship, where spirit speaks through nature.

Eidfjord

The town is framed by majestic sheer mountains, cascading waterfalls and deep blue water, where peace and tranquillity reigns. A breathtaking sight that you will remember always.

The Hermitage

Catherine the Great started the art collection, and is reputed to have said "As far as art is concerned, I am not an amateur, I am a glutton." The result is a vast number of works by great masters, in an exceptional setting in beautiful St. Petersburg.

Gdańsk

One of the richest cities in the Hanseatic League, Gdańsk is home to impossibly beautiful architecture and a traffic-free centre that transports you back in time. The town's delicious craft beer is strong enough to also transport you, if you so wish.

Berlin Wall

Twenty-five years after the fall of the Berlin Wall, the best-preserved and most interesting stretch is the East Side Gallery, a 1.3km section on which international artists have painted striking colourful murals.

West Indies Explorer

Of all the world's dream destinations, the Caribbean is surely the dreamiest. Each island has its own distinctive character, yet all are amazing. From the rainforests of Puerto Rico and mountain peaks of St. Lucia to the sparkling waterfalls of Dominica and white-sand beaches of St. Kitts, explore the Caribbean in Viking style.

MUST-SEES

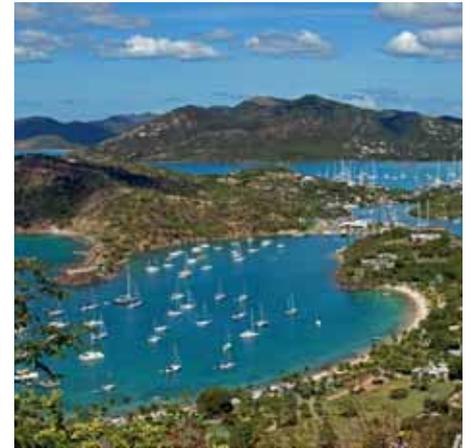

San Juan

There are beaches. There are rainforests. There's a 17th-century fort. And there's a colourful old town of cobbled streets, candy-coloured houses, art galleries, fun bars and salsa music, guaranteed to lift your spirits. Speaking of spirits, there's also some of the best rum in the region.

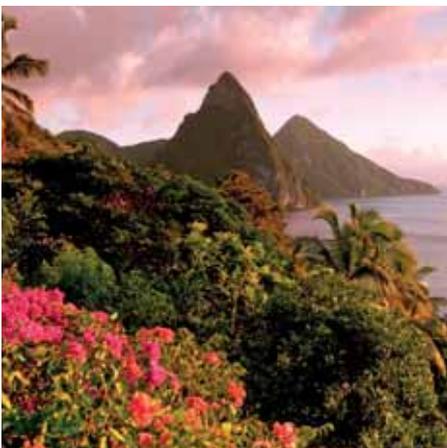

Pusser's Landing

The island of Tortola is full of picture-perfect places, yet few as colourful as the sheltered harbour of Pusser's Landing. Where the trade winds rustle the palm trees and warm waters lap at your feet, this the Caribbean of your dreams.

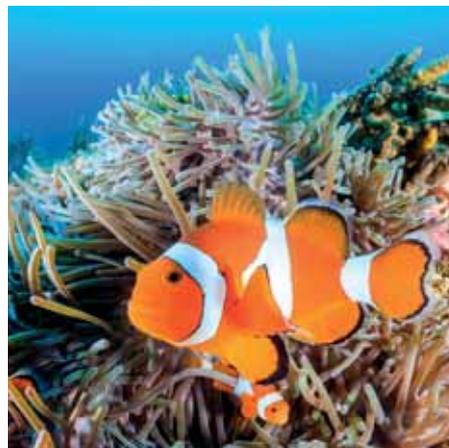

Antigua

Life's a beach in Antigua. Or 365 beaches to be precise. That's one for every day of the year. Tear yourself away from the silky sand and visit English Harbour and Nelson's Dockyard; a restored, Georgian-era marina that's full of character and charm.

St. Lucia

The dramatic twin peaks of the Pitons immediately transport you to *Pirates of the Caribbean*. Spectacularly situated between the two mountains is Sugar Beach. Pull up a sun lounger, lie back and dream of Johnny Depp.

Caribbean waters

Swimming in these warm, turquoise waters is a must, and there are plenty of places where you can go snorkelling and discover an underwater world of pristine reefs and tropical fish. From Antigua to St. Lucia, just dive in.

St. Thomas

At Mountain Top, the highest point on the island of St. Thomas, you can take in fantastic views of the sea and the British Virgin Islands, and drink in the scenery with a banana daiquiri. This is where the cocktail was first created.

The pristine beauty of Norway's crinkle-cut coastline. The rush of tumbling waterfalls. The quiet of the Arctic Circle. The unspoiled beauty of the Orkney and Shetland Islands. For today's traveller, the great adventure lies north.

MUST-SEES

True north

You've seen the pictures, now you can take one yourself as you stand at the dramatic rocky plateau at the top of Nordkapp, or North Cape. Where the Norwegian Sea meets the Barents Sea, the remoteness and beauty is stirring.

Shetland scenery

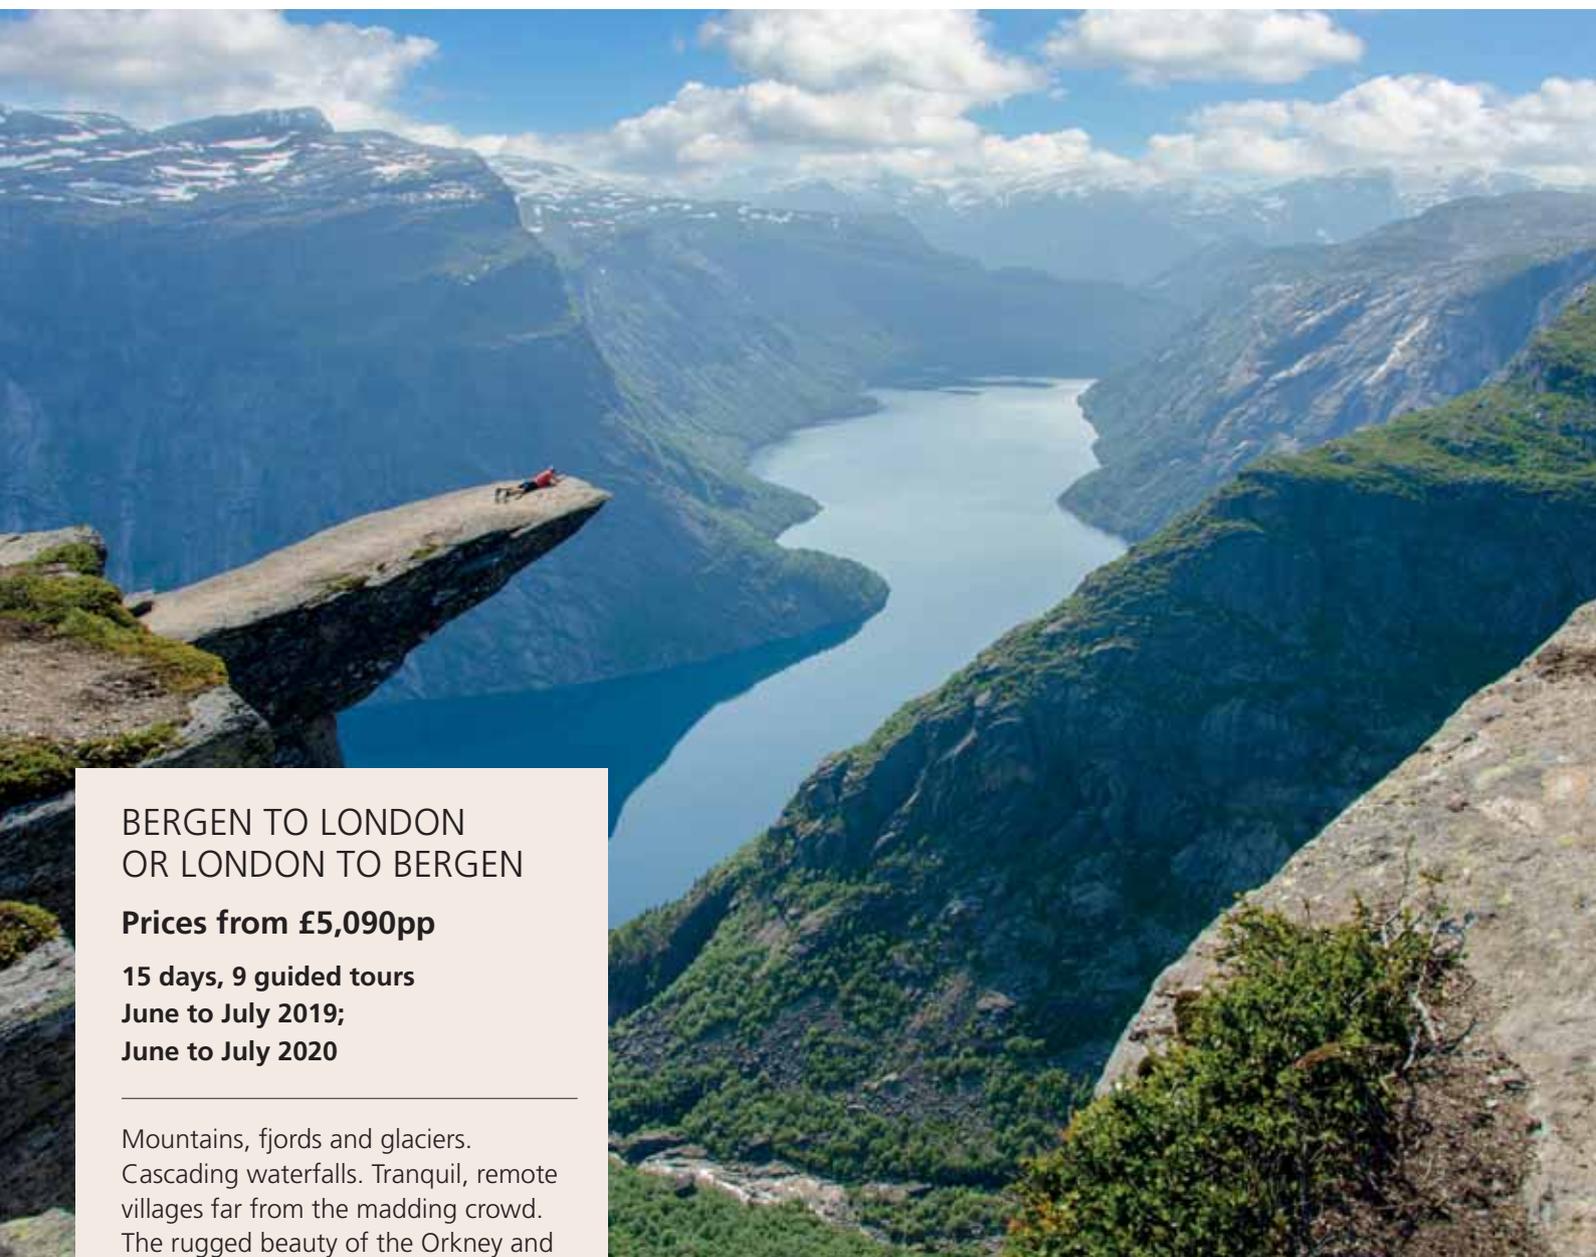

Scotland's most northerly outpost was once under Norse rule, and there's a distinct Scandinavian lilt to the accent. Here, the scenery is rugged and beautiful, and nature rules. From Lerwick, visit a 2,000-year-old roundhouse, and imagine life for those Iron Age people.

Edinburgh's Royal Mile

Connecting Edinburgh Castle and the Palace of Holyroodhouse, the graceful mile-long Royal Mile is a fascinating parade of historic monuments, landmarks and statues, including Canongate, Lawnmarket and the stately Parliament Building.

2018 BOOKING CONDITIONS

These Booking Conditions apply to all bookings which are confirmed as accepted by us on or after 1 January 2018. In respect of any bookings accepted by us prior to this date please contact us for the booking conditions that apply to your particular booking.

INTRODUCTION

Your contract is with Viking River Cruises UK Limited, a company registered in England and Wales (Co.No.01283655) whose registered office is at Nelsons House, 83 Wimbledon Park Side, London, SW19 5LP. Your contract incorporates these Booking Conditions and by making a booking with us you confirm your acceptance of these Booking Conditions.

'Viking', 'Viking Cruises', 'Viking River Cruises' and 'Viking Ocean Cruises' are trading names of Viking River Cruises UK Limited.

A. BOOKING AND PAYMENT

A1. YOUR RESERVATION

A1.1 When you make a booking and pay your deposit or full payment (as applicable), we will reserve your travel arrangements on the basis of these Booking Conditions. Your booking will be taken as confirmed in respect of all persons named on your booking and a binding contract between us will come into existence only upon the earlier of (a) our sending our Confirmation Invoice and/or ATOL Certificate to you or your Travel Agent or (b) the issue of tickets in your name. Prior to doing so, we or your Travel Agent may send you an acknowledgement of your booking. Any such acknowledgement simply indicates that we are dealing with your booking request and is not a confirmation of it.

A1.2 Please check your Confirmation Invoice and/or any ATOL Certificate together with all other documents we or your Travel Agent send you as soon as you receive them. Contact us or your Travel Agent immediately if any information which appears on the Confirmation Invoice and/or ATOL Certificate or elsewhere appears to be incorrect or incomplete, as it may not be possible to make changes later. We regret we cannot accept any responsibility if we are not notified of any inaccuracies in any document within ten days of our sending it out (five days for tickets). Whilst we will do our best to rectify any inaccuracies notified outside these time limits, you will be responsible for any costs and expenses involved in doing so except where we made the mistake and there is good reason why you did not contact us within the above time limits.

A1.3 Normally your cabin number will be advised at the time of booking or on the Confirmation Invoice but this is not guaranteed and may be altered at any time.

A1.4 At the time of booking we may not be able to confirm your exact air or rail arrangements due to airline and rail operator booking restrictions. However your Confirmation Invoice and/or ATOL Certificate will detail those arrangements reserved for you and/or those arrangements provisionally reserved for you and/or those arrangements we intend to reserve for you. Please note flights may be indirect and that some airlines charge for luggage separately. In addition your arrangements may be subject to change by the relevant airline or train operator. Please also note we cannot confirm or guarantee specific airline or rail seat numbers.

A1.5 Any contract is with the "Lead Name" as shown on the Booking Form. We can only accept a booking if the Lead Name is at least 18 years old on or before the date of departure.

A1.6 The Lead Name is responsible for ensuring that other members of his/her party are aware of these Booking Conditions and that they consent to him/her acting on their behalf in dealings with us.

A1.7 If for any reason you did not see a copy of these Booking Conditions when you made your booking and, having now seen them, you now wish to cancel your booking then you may do so by returning all documentation to us or your Travel Agent within 7

days of receipt of these Booking Conditions and all monies provided by you shall be returned provided that travel has not commenced. Cancellation under this sub-clause is not permitted if your booking was made less than 10 weeks prior to travel commencing.

A2. OUR PRICE POLICY AND PAYMENT TERMS

A2.1 We reserve the right to alter prices shown in any of our brochures or in any website and we will inform you of any price changes prior to the issue of our Confirmation Invoice and/or ATOL Certificate. Once our Confirmation Invoice and/or ATOL Certificate has been issued then, save in the case of manifest error, any price changes may only be made in accordance with the remaining provisions of these Booking Conditions.

A2.2 When you make your booking you are required to pay a deposit of 25% of the total price. If applicable, Visa fees must be paid in full with the deposit if facilitated by Viking. If your travel is due to commence within 10 weeks of your booking then the total price shall be payable at the time of booking. In any event the balance of the total price of your travel arrangements must be paid at least 10 weeks prior to travel commencing. Your booking will not be confirmed until we receive your deposit and if the balance is not paid by the due date then we shall cancel your booking and retain any deposit. Any monies paid to any Travel Agent in relation to your booking are held by such Travel Agent on our behalf at all times.

A2.3 Once you have paid your deposit and our Confirmation Invoice and/or ATOL Certificate is issued the price of your travel arrangements is fully guaranteed and will not be subject to any surcharges or alteration (save in the case of manifest error or changes requested by you to travel arrangements are made and where additional costs are incurred). However if we do not receive the balance of the total price of your travel arrangements when due, your booking may be cancelled pursuant to clause A2.2 and any re-booking may well be at a higher price.

A2.4 Please note that from time to time airlines alter their baggage allowance policies and this may occur after we issue our Confirmation Invoice and/or the ATOL certificate. We have no control over any such changes and you will be responsible for any additional charges that the relevant airline may levy in respect of checked-in luggage that exceeds any limits in such altered baggage allowance policy.

A3. WHAT IS INCLUDED AND EXCLUDED IN THE COST OF YOUR HOLIDAY

A3.1 The details of what is included in the cost of your holiday is set out in the individual tour package details in our brochure or on our website.

A3.2 Any further items or services purchased on board are not included in the costs of your holiday

B. CHANGES AND CANCELLATION BY US

B1. IF WE CHANGE YOUR TRAVEL ARRANGEMENTS BEFORE DEPARTURE

B1.1 We hope and expect to be able to provide you with all the services we have confirmed to you in our Confirmation Invoice and/or ATOL Certificate. On occasions changes do have to be made (for example due to river conditions such as high or low water levels, lock closures, local mooring restrictions or adverse weather conditions) and we reserve the right to make these. Most of these changes are minor. However, if we consider them a "Significant Change" we will endeavour to advise you or your Travel Agent as soon as reasonably possible. A Significant Change includes, purely by way of example, a change of accommodation to that of a lower category and/or price, a change of flight or rail times of more than

12 hours, a change of UK departure location, or a significant change of destination or cruise itinerary. In accordance with EU regulations we are required to advise you of the actual air carrier operating your flight/ connecting flight/transfer. We do this by listing carriers to be used or likely to be used on the relevant brochure pages and/or on our website and/or on your Confirmation Invoice and/or your ATOL Certificate. Where your Confirmation Invoice or ATOL Certificate indicates that flight tickets have not yet been assigned, we will notify you of the actual flights and carrier as soon as the flights have been assigned. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in or at the boarding gate. Such a change is deemed to be a minor change.

B1.2 Save where clause H1 applies, if we have to make a Significant Change before your departure we will endeavour to contact you as soon as possible to advise you of any change and we will, if possible, provide you with three alternatives:

B1.2.1 alternative travel arrangements of equivalent or of very closely similar standard and price, if available, or

B1.2.2 alternative travel arrangements of a lower standard together with a refund of the difference in price; or

B1.2.3 cancel your travel arrangements with a full refund of all monies paid.

In all 3 cases, compensation will be paid as detailed in clause D1 below unless the change occurs as a result of circumstances beyond our control where clauses E1 and H1 will apply.

B2. IF WE CANCEL YOUR TRAVEL ARRANGEMENTS

B2.1 In the unlikely event we need to cancel your travel arrangements we will tell you or your Travel Agent as soon as possible. However we will not cancel your travel arrangements less than 14 days before departure unless it is for a reason outside our control as provided in clause H1. If we have to have to cancel your travel arrangements we will provide you with three alternatives:

B2.1.1 alternative travel arrangements of equivalent or of very closely similar standard and price, if available, or

B2.1.2 alternative travel arrangements of a lower standard together with a refund of the difference in price; or

B2.1.3 cancel your travel arrangements with a full refund of all monies paid.

In all 3 cases, compensation will be paid as detailed in clause D1 below unless the change occurs as a result of circumstances beyond our control (in which case clauses E1 and H1 will apply) or we cancel as a result of your failure to pay your deposit or the balance or any other sum when due or where clause B2.2 applies.

B2.2 We regret that some travel packages and shore excursions shown on our website or in our brochures can only be operated if a sufficient number of people book them. We will advise you

2018 BOOKING CONDITIONS

at the time of booking if any travel arrangements or shore excursions are dependent on there being sufficient demand. If there is insufficient demand, we have the right to cancel the travel arrangements in question. If we have to do so, we promise we will tell you no later than 14 days prior to departure. In this situation, you will then have the choice of the options shown in clause B2.1 together with the option, if possible, of the same package departing on a different date. Where we cancel for lack of numbers in accordance with this clause B2.2, no compensation or other amounts (for example, the cost of any connected travel arrangements you have made independently) will be payable.

C. CHANGES AND CANCELLATION BY YOU

C1. IF YOU CHANGE YOUR BOOKING

C1.1 If you want to change your travel arrangements in any way you or your Travel Agent must inform us in writing as soon as possible. We will try to help you, although we cannot guarantee that we will always be able to do this as changes are subject to availability at the time. Please note that typically changes to scheduled flight tickets are very restrictive and may not be possible without having to cancel the original flight and rebooking.

C1.2 Where we can make a change, we will charge for any additional services, facilities, or other items changed, at the price which applies on the day the change is made. In addition, we reserve the right to apply an administration charge of £100 for each person on the booking together with any further costs we incur, for example with our suppliers, in making any change.

C1.3 Any booking discount you may have received at the time your original booking was made may be altered or reduced whenever changes are made if such discount has since been altered, reduced or withdrawn.

C1.4 If you have paid supplements for accommodation and the number of people in your accommodation changes, you may have to pay extra. In addition you may lose any free group places.

C1.5 Any change to your departure date, airport, transport, destination, accommodation, or length of travel has to apply to all members of your booking.

C1.6 You may not change travel arrangements chosen from our brochures or websites to special offer packages such as those featured in any promotional publications, without incurring cancellation charges. Such a change would necessitate the cancellation of your existing arrangements (and be subject to our cancellation charges shown in clause D1) and the re-booking of new arrangements at the price applying on the day the booking is made.

C1.7 Any special offers, savings or promotions may not be combined with other special offers, savings or promotions.

C1.8 It is not usually possible to alter or cancel any travel insurance you may have obtained and your premium will not be refunded, as cover under the policy will already have begun once the policy has been purchased

C2. IF YOU CANCEL YOUR BOOKING

C2.1 If you wish to cancel all or part of your booking, you or your Travel Agent must write to us. If some or all of your party cancel their booking or we are entitled to treat your booking as cancelled in accordance with these Booking Conditions, we will levy a cancellation charge on the scale shown in the table set out in clause D1. These charges are based on the estimated cost of cancelling your arrangements and the expenses and losses we are likely to suffer if we cannot resell the package.

C2.2 If you are travelling on a scheduled service flight,

in the unlikely event that we are able to cancel the arrangements, we will not be able to do so until any air tickets issued are returned to us by you or your Travel Agent.

C2.3 If the reason for your cancellation falls within your insurance cover, you may be able to claim a refund of your cancellation charges from the insurance company less any applicable excess.

C2.4 If you or anyone included within your booking is unable to go for any reason or decides that he/she does not want to travel, you may be able to transfer the whole booking or the place on the booking of the person(s) concerned to someone else/other people suggested by you and acceptable to us subject to the following:

C2.4.1 You must write to us with full details of who cannot or does not want to travel and who you would like to go instead. We must receive this information at least 14 days before departure.

C2.4.2 If the change can be made, you will have to pay an amendment fee of £100 per person named on the booking together with any extra costs we incur or are asked to pay in order to make the change.

C2.4.3 Anyone who travels in place of anyone who was originally due to travel must agree to these Booking Conditions and any other requirements which apply to the booking before the change can be finalised. If the full cost of the travel arrangements should have been paid when the change is requested but has not been, this must also be paid before the change can be finalised.

C2.4.4 Scheduled airlines often do not allow any name changes within a certain period prior to departure and generally not at all after flight tickets have been issued. If you want or need to make a name change when an airline will not allow it, you will have to cancel the original flight (which means you will lose all the money you have paid for that flight) and pay the full cost of another flight (which may not be the original flight or at the same cost as the original flight as the airline is entitled to offer the cancelled flight to anyone on a waiting list for it). This is the airline's decision and we have no control over it.

C2.4.5 It will not normally be possible to transfer bookings or places on bookings within the period of 70 days immediately prior to departure without cancelling the original booking (and thereby incurring cancellation charges pursuant to clause D1) and rebooking.

C2.5 The cost of your travel arrangements (provided that it includes a flight) includes an amount (currently £2.50 per person) which we are required to pay to the Air Travel Trust Fund as part of the ATOL Protection Contribution ("the APC Sum"). If you cancel your travel arrangements the APC Sum is not refundable in any circumstances.

C2.6 If any person on the booking cancels and you cannot fill that person's place, you may have to pay additional supplements for your accommodation. For example, you may have to pay single or under-occupancy supplements.

C2.7 If you do cancel, you must still pay any amendment charges, which arose before the cancellation, and any deposits paid for any pre-booked items or services.

D. CHARGES, COMPENSATION AND DELAYS

D1. CHANGES AND CANCELLATION CHARGES

The following table sets out the sums payable to us or you in the event of Significant Changes or cancellation. These sums are not payable where we have to make a Significant Change or cancel your travel arrangements as a result of:

- matters outside of our control when clauses E1 and H1 shall apply or
- where your booking was accepted "subject to availability" or similar and the travel arrangements are not available. In addition they do not apply where compensation is available under the provisions of clause D2

Period before departure in which notice of cancellation or Significant Change is received	Amount you will receive from us if we make a Significant Change	Amount you will receive from us if we cancel	Cancellation Charge if you cancel
More than 70 days	£10 per person	Return of all monies paid	Deposit only
69-30 days	£20 per person	Return of all monies paid	50% of total Price
Less than 30 days	£30 per person	Return of all monies paid plus £30 per person	100% of total Price

NOTE "Total Price" means the total price payable by you for the travel arrangements excluding insurance premiums, flight upgrade charges and any fees payable for any changes made by you to your booking ("Additional Charges"). If you cancel (otherwise than pursuant to clause B) you will continue to be liable for the Additional Charges in addition to the Cancellation Charges set out above.

Visa application charges are not refundable.

D2. DENIED BOARDING REGULATIONS & TRANSPORTATION DELAYS

D2.1 If any flight you have booked is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline in circumstances which would entitle you to claim compensation against the airline under EC Regulation No 261/2004 – the Denied Boarding Regulations 2004, you must pursue the airline for the compensation due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If your airline does not comply with these rules you should complain to the Civil Aviation Authority on 0330 022 1500 www.caa.co.uk.

D2.2 Unfortunately, flight or other transport delays sometimes occur. Depending on the length of the delay and surrounding circumstances, the carrier concerned should provide refreshments when and where appropriate. We are generally not in a position to provide any assistance in the event of flight or other transportation delays and cannot accept any liability except where expressly stated in these Booking Conditions.

2018 BOOKING CONDITIONS

E. LIMITATION OF OUR LIABILITY TO YOU

E1. If the contract we have with you is not performed or is improperly performed by us or our suppliers we will pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However we will not be liable (and clause H1 will apply) where any failure in the performance of the contract is due to:

E1.1 you; or

E1.2 a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or

E1.3 unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or

E1.4 an event which we or our suppliers, even with all due care, could not foresee or forestall.

E2. In addition to the provisions of clause H1, our liability, except in cases involving death, injury or illness, shall be limited to a maximum of 2 times the cost of your travel arrangements.

E3. Should you or any member of your party suffer illness, personal injury or death attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, we will offer you such advice, guidance and assistance as is reasonable in the circumstances.

E4. Our liability will also be limited in accordance with and/or in an identical manner to:

E4.1 the contractual terms of the companies that provide the transportation for your travel arrangements which are incorporated into and form part of your contract with us; and

E4.2 any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage which are incorporated into and form part of your contract with us and we are to be regarded as having all the benefit of any limitation of compensation contained in these or any other such conventions.

E5. Unless otherwise expressly indicated by us in writing, excursions or other tours that you may choose to book or pay for whilst you are away are not part of the travel arrangements provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator. Where an excursion or other tour is booked through us no refund will be available in the event of you subsequently being unable or choosing not to take part. This clause E5 applies even where a Viking representative accompanies the tour or excursion.

E6. Where you have booked a "Cruise Only" holiday, we cannot accept any liability for the costs of flights or other travel arrangements in the event of changes being made to the scheduled departure or arrival times or locations of the cruise vessel.

E7. The provisions of clauses E1 to E6 inclusive are in addition to any other limitation of liability contained in these Booking Conditions.

E8. Nothing in these Booking Conditions affect any statutory rights that you may have under the relevant jurisdiction applicable pursuant to clause H7.

F: YOUR RESPONSIBILITIES

F1. SPECIAL REQUESTS

If you have a special request, we will do our best to help, but we cannot guarantee it except as set out below. Please advise your Travel Agent or us (if booking direct) of your request at the time of booking and make sure that we are given as much detail as possible. If your special request is vital to your travel arrangements, it must be specifically agreed with us before or at the time you book. We promise to comply with any special request which we have specifically agreed and confirmed in writing. General confirmation that a special request has been noted or passed on to the supplier or the inclusion of a special request on your Confirmation Invoice or on the acknowledgement of your booking or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed in writing all special requests are subject to availability. If any additional cost is applicable, it will either be invoiced to you prior to your departure or should be paid for locally.

F2. YOUR DOCUMENTATION

F2.1 You are responsible for ensuring that you and all other persons included in the booking satisfy all passport, visa, travel insurance and health certificate requirements and we accept no responsibility for any refusal of travel or entry into any destination or for any liabilities, losses, delays or expenses incurred through any irregularity in such documentation. If you have any queries with regard to documentation and insurance requirements you must raise them with us or your Travel Agent well in advance of travel commencing. In the event we are asked to re-issue tickets that have been lost, destroyed or stolen and we agree to do so, any charges incurred as a result of this will be payable by you.

F2.2 Many of the airlines that provide the flight element of the arrangements we sell impose fines and costs on us if any passengers who have booked with us do not have the necessary travel or other documents for the countries they are visiting or passing through, even where this occurs through no fault of ours. In this situation we have no choice but to pass on to you all fines, costs, surcharges, financial penalties and other sums of any description which are imposed on or incurred by us. You will be responsible for reimbursing us accordingly in full.

F3. HEALTH PRECAUTIONS & FCO ADVICE

F3.1 You should check what vaccinations and other health precautions are required or are advisable for your chosen destination and journey with your doctor in good time before departure.

F3.2 Airline regulations state that women 28 weeks or more into pregnancy at the time of return travel must have written confirmation from a doctor that they are fit to travel when checking in for their outward flight. Normally, permission to travel is refused after 32 weeks. We can only accept your booking upon the clear understanding that we cannot be liable if any airline refuses to accept you or any member of your party as a passenger for this reason.

F3.3 You must provide us with full details of any existing medical problem or disability that may affect your travel arrangements (including, in particular, any accommodation requirements) at the time of booking. If in our reasonable opinion, your chosen travel arrangements are not suitable for your medical problem or disability or you are not travelling with someone who can provide all assistance you may reasonably require, we have the right to refuse to accept the booking. If you do not give us full details of your medical problem or disability at the time of booking, we can also cancel the booking when we

find out the full details if in our reasonable opinion the travel arrangements are not suitable or you are not travelling with someone who can provide all assistance reasonably required. If we cancel in this situation, cancellation charges as set out in clause D1 must be paid by the person concerned.

F3.4 The Foreign and Commonwealth Office ("FCO") produces a wide range of material about overseas countries including details of political unrest, crime and health issues. If you have any particular concerns then you should refer to the FCO website at www.fco.gov.uk.

F4. INSURANCE

F4.1 You must take out insurance suitable for your needs before you travel. We cannot be held responsible for any costs you incur as a result of failing to do so.

F4.2 If you participate in sports and activities whilst travelling that have been organised and arranged independently of us, it should be understood that participation is at the individual's own risk and it is your responsibility to obtain the relevant insurance.

F5. BEHAVIOUR

F5.1 You must be responsible for the behaviour of yourself and your party. We can refuse to accept you as a customer or refuse to continue dealing with you and/or any other member of your party by terminating your travel arrangements if behaviour is or is likely to be, in our reasonable opinion, or in the reasonable opinion of any airline pilot, cruise vessel captain or other person in authority, disruptive, upsetting or dangerous to yourself or anyone else or if you or any member of your party have caused or are likely to cause damage to property. We will not pay any refund, compensation or other sum whatsoever or any costs or expenses incurred by you if we have to terminate your travel arrangements due to such unacceptable behaviour. In this situation we will then have no further responsibility for you or any other member of your party (including any return travel arrangements). If your unacceptable behaviour means you are not allowed to board your outward flight we will treat your booking as cancelled from that moment and you will have to pay full cancellation charges (see clause D1).

F5.2 With regard to any flights and/or cruises that form part of your travel arrangements the airline captain or vessel master (as applicable) has authority over the aircraft/vessel and passengers at all times when they are boarding or on board. He/she may prevent you or any member of your party from travelling if you or such member are considered unfit to do so, or if you or such member pose a danger to the aircraft/vessel or passengers. In such circumstances we shall seek compensation from you for any losses caused by your behaviour or by the behaviour of any member of your party (e.g. the cost of diverting an aircraft or vessel). Disruption on board an aircraft or vessel is a criminal offence, and you may be prosecuted. If you are refused carriage on an aircraft because of your disruptive behaviour, or you are under the influence of alcohol or drugs, your airline may pass on your details and the date of the refusal of carriage to other airlines for their information. This in turn may make it difficult for you or others in your party to book other airline tickets.

G. IF YOU HAVE A COMPLAINT

G1. If you have cause for complaint whilst travelling, you must bring it to the attention of the Viking representative on board the cruise vessel or at your hotel. If your complaint is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Service Department at:

2018 BOOKING CONDITIONS

Viking, Nelsons House, 83 Wimbledon Park Side London SW19 5LP giving your booking reference and all other relevant information. Please keep your letter concise and to the point. This will assist us to quickly identify your concerns and speed up our response to you. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report whilst on board or at the relevant hotel. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you are on board and this may affect your rights under this contract.

G2. We are a member of ABTA, membership number V924X.

We are obliged to maintain a high standard of service by ABTA's Code of Conduct. We certainly hope that we can settle any complaints amicably. However, should this prove not to be the case you may refer any dispute to arbitration through ABTA's arbitration scheme. The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability for you in respect of costs. The scheme is subject to certain financial limits on the amount that can be claimed as determined from time to time by ABTA. Please note that the scheme does not apply to claims which are solely in respect of physical injury or illness or their consequences, although claims which include an element of minor injury or illness can be considered subject to a limit as set from time to time by ABTA on the amount the arbitrator can award per person, in respect of this element.

G3. Any application for arbitration under clause G2, together with any related statement of claim, must be received by ABTA within eighteen months of the date of return. Outside this time limit arbitration under the scheme may still be available if we agree, but the ABTA Code does not require such agreement. For injury and illness claims, you may like to use the ABTA/Chartered Institute of Arbitrators Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. The aim is to help you resolve your dispute in a quick and cost effective way. Details are available on request or from www.abta.com.

H. MISCELLANEOUS

H1. CHANGES DUE TO CIRCUMSTANCES BEYOND OUR CONTROL

We will not be liable to pay any compensation if we are forced to cancel or in any way change your travel arrangements as a result of unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even with all due care. These include unavoidable technical problems with transport, changes imposed by rescheduling or cancellation of flights by an airline or main charterer, the alteration of the airline or aircraft type, changes imposed by rescheduling or cancellation of rail travel by the relevant operator, war or threat of war, civil strife, industrial disputes, natural disaster, adverse weather, epidemic or terrorist activity.

H2. YOUR FINANCIAL PROTECTION

H2.1 When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists the flight accommodation car hire and/or other services that are financially protected, where you can get information on what this means for you and who to contact if things go wrong.

H2.2 We, or the suppliers identified on your ATOL certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so due to reasons of insolvency, an alternative ATOL holder may provide you with the

services you have bought, or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances, the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

H2.3 If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

H2.4 We are also a member of ABTA (ABTA number V924X). If your travel arrangements do not include flights, ABTA will financially protect your travel arrangements in the same way except that, if already abroad, you will be returned to the point where your contracted arrangements with us commenced. Please go to www.abta.com for a copy of the guide to ABTA's scheme of Financial Protection.

For further information about ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint (see clause G), contact Consumer Affairs, ABTA, 30 Park Street, London SE1 9EQ tel 0203 117 0599 or www.abta.com.

H3. DATA PROTECTION

Information about you and members of your party, including your names, contact details and any special needs, disabilities or dietary requirements is collected by us when you request information or make a booking with us. We may disclose this information to our service providers (who may be located outside the UK/EEA) for the purpose of providing you with your travel arrangements. Only information necessary for this purpose will be disclosed to them.

In the case of air travel, it may be mandatory for us to disclose information for security and anti-terrorism purposes and any other purpose imposed on us by governments or airlines. We may use your information for the purposes set out in our data protection registration with the Office of the Information Commissioner. We may disclose the same to companies who act as data processors on our behalf. Some information, for example relating to your religion or health, may be "sensitive personal data" within the meaning of the Data Protection Act 1998. We need this information to cater for your needs, but it is collected on condition that we have your positive consent. If you do not agree to our use of your information, we cannot accept your booking. By making a booking with us, you agree to allow your insurers, their agents and medical staff to disclose relevant information to us in circumstances where we may need to act in the interests of everyone in the group with whom you are travelling. For example, if you contract an infectious illness whilst travelling, we may need to make special arrangements for you and ensure that you do not return with the group immediately. From time to time we may contact you by post with information about special offers or travel packages. If you do not wish to receive such information, please notify us. You have the right to ask us in writing for a data subject access request form to obtain a copy of the information which we hold about

you. You will be charged a fee for this. Any request should be addressed to:

Viking, Nelsons House, 83 Wimbledon Park Side London SW19 5LP.

H4. CHILDREN/MINORS

Due to the nature of our cruises, we do not maintain specific facilities or services for children aboard cruise vessels. On all cruises children (being those under the age of 18) must be accompanied by and share a cabin with a parent, legal guardian or other responsible adult over the age of 21. We regret that we are unable to accommodate children under the age of 16 on ocean cruises or under the age of 12 on river cruises and reserve the right to limit the number of children on board any particular vessel.

H5. SUN DECK ACCESS

During passage through locks or under low bridges or in the case of adverse weather, it may be necessary to close the sun deck for passenger use. In the interest of safety, sun deck closures are rigidly enforced.

H6. MOORING AND DOCKING FACILITIES

In some ports, ships may be required to dock alongside each other. On occasions this may result in your view being blocked. You may also need to pass through other ships when going ashore.

H7. JURISDICTION/GOVERNING LAW

We both agree that any dispute, claim or other matter of any description (and whether involving personal injury or not) which arises out of or in connection with your booking or travel must be dealt with under the ABTA Arbitration Scheme or brought in the Courts of England and Wales only (unless you are a resident of Scotland or Northern Ireland in which case any proceedings must be brought in either the Courts of your own country or those of England and Wales). We both also agree that English law (and no other) will apply to your contract (unless proceedings are brought in Scotland or Northern Ireland, in which case Scottish or Northern Irish law, as applicable, will apply instead). If this provision is not acceptable to you, you must tell us at the time of booking.

H8. CONDITIONS OF CARRIAGE

When you travel by air, rail or by sea, your journey may be subject to certain international conventions such as the Warsaw Convention, Montreal Convention the Berne Convention or Athens convention. You agree that the transport company's own Conditions of Carriage will apply to you on that journey. When arranging this transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'. You acknowledge that all of these terms and conditions form part of your contract with us as well as the transport company. You can ask us to provide you with a copy of any of the conditions applicable to your journey. These may limit or exclude liability, especially in respect of lost or delayed baggage.
