Launching in summer 2020, a second wave of boutique luxury.

Spirit of Adventure, our second new ship, will take to the oceans in the Summer of 2020. Being built by the same expert team at the Meyer Werft shipyard, she's a beautiful sister ship to Spirit of Discovery, but with a host of surprises all her own. Here's a sneak peek to whet your appetite.

NEW Spirit of Adventure

- Spirit of Adventure's contemporary look is being masterminded by top design firm AD Associates.
- Their impeccable portfolio includes some of the world's finest hotels, restaurants, ships and luxury real estate.
- She is a sister ship to Spirit of Discovery, sharing the same high levels of boutique luxury, but with her own individual character.
- The grand atrium continues the welcome into our classic, contemporary, British style of cruising.
- Of course every cabin has a private balcony, with exciting and vibrant new designs in all the cabin grades.
- There are also new entertainment venues and speciality restaurants, serving up Nepalese and Italian cuisine.
- The ship's modern feel is another distinctive aspect of our luxury, boutique cruising experience.

Welcome to the world of boutique cruising.

We're leading a new era of British cruising. Step aboard Spirit of Discovery or her new sister ship Spirit of Adventure for a world of luxury, with a private balcony for every guest. These are no mega-liners, but elegant, smaller ships. They offer all the style and service of the world's finest hotels, but on the ocean wave.

The best of all worlds

You might be familiar with the concept of boutique hotels. We've taken it to a new level, by applying it to cruising. That's what you can look forward to when sailing on Spirit of Discovery or our newest ship Spirit of Adventure. All the service, personality and character you expect, but in a new enchanting destination, virtually every day.

Our hallmark chauffeur service

Many guests like the luxury to begin at home, with a chauffeur driving them to the port at Dover or Southampton, totally hassle free. It's included up to 250 miles each way at no extra charge, or you can choose included rail/coach travel if you prefer. Want to drive yourself? That's no problem either. We'll provide free parking for the duration of your cruise. Just choose the option that's best for you and leave the rest for us – see page 22 for more information.

Explore Ashore, a new way to make memories

Another exciting development is Explore Ashore. It's led by a team of destination experts on every cruise, who will be on hand to make sure you don't miss out on the opportunities to explore, discover and tailor your holiday just how you want it.

All the little touches too

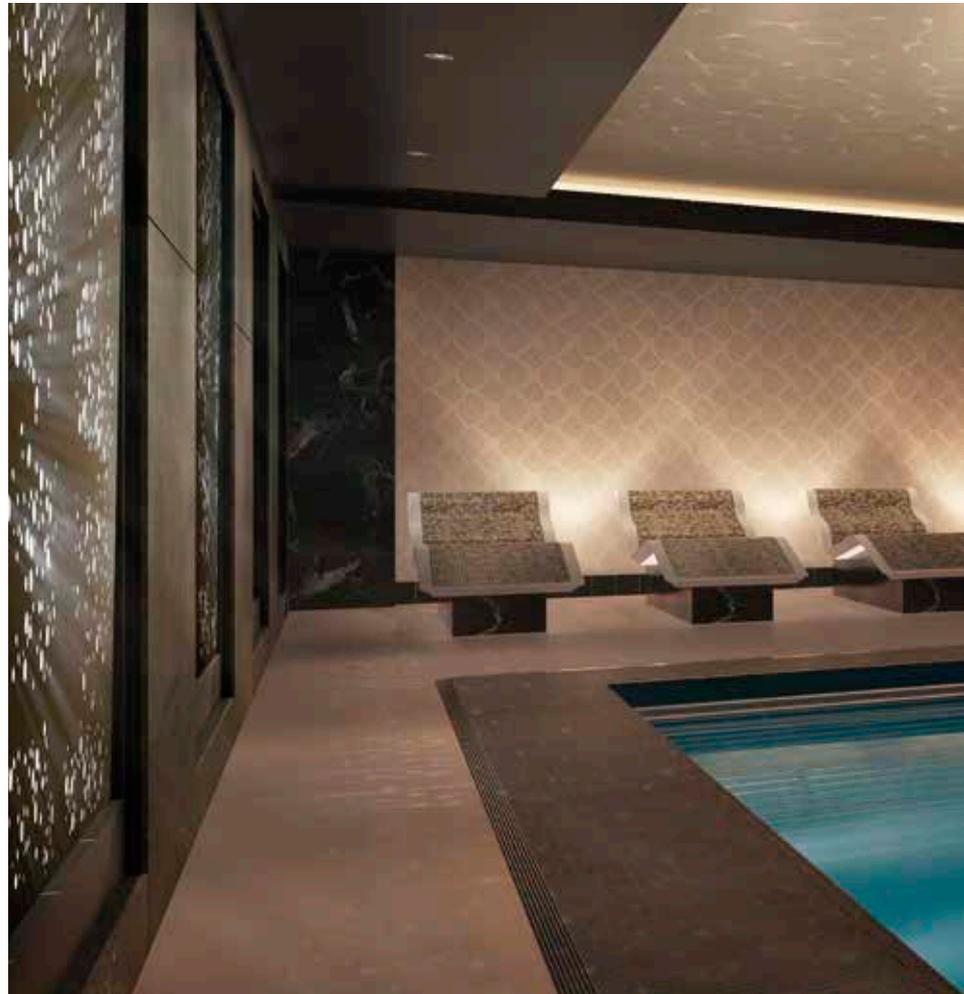

We believe the Saga difference is all the little touches throughout your time on board. Whether it's including gratuities and portage, to complimentary afternoon tea or the nightly turn-down service, they all add up to a big part of your cruise experience. Always with the same high levels of service from our friendly crew. With two staff to every three guests, you'll always be well looked after.

Plus, we guarantee you'll love your first cruise with us, or will happily refund your money!
See page 94 for details.

Step aboard the finest small ships on the ocean wave.

Sleek and sophisticated, both Spirit of Discovery and Spirit of Adventure are British ships offering indulgent luxury and personal space. They showcase all the high-end features you'd expect from a large cruise liner, but never losing that small-ship appeal that makes them so special.

Welcome to The Living Room

When you step aboard Spirit of Discovery or Spirit of Adventure, you'll be welcomed into the grand atrium. Close by are the Living Room areas: the beating heart of the ships where it's easy to meet up and socialise. During the day they have a laid-back atmosphere where you can enjoy drinks, or simply relax. While in the evenings, the Living Rooms become sociable champagne bars, open until late.

Socialise, play and indulge

On both ships, you'll find so many other spaces to socialise, have fun and enjoy your all-inclusive drinks. Meet up with friends in the North or South Cape Bar, or why not curl up with a good book in the cosy Library and adjoining coffee-bar? If you want to keep on top of your fitness while cruising, the cutting-edge gyms are the place to be. Offering spectacular 270° views across the front of the ships, you've never experienced a workout like this before!

Step outside at sea

Not only do our ships have world-class interiors... they also offer the best sea views and exterior spaces you could ever hope for. On the highest decks, the Lido areas have an art deco vibe with a spacious outdoor pool, hot tubs, sun loungers, a restaurant and bar. Both ships also have full wraparound promenades, outdoor terraces and sun decks, which brings an exciting outdoor aspect to every cruise.

Be pampered in the serene Spas

While you're on board, you have the perfect opportunity to indulge in some serious me-time. And there's nowhere better than our ships' serene Spas. Flooded with natural light from floor-to-ceiling windows, they're the perfect setting for our hydrotherapy pools, infrared saunas and steam rooms. From hot stone massage to facials, and manicures to hairdressing, they offer a little bit of heaven. Wherever you are in the world.

A world of fine dining, in our biggest-ever selection of restaurants at sea.

Both Spirit of Discovery and Spirit of Adventure feature opulent new dining rooms, along with a more informal Grill to dine inside or alfresco on the verandah. All restaurants serve the finest British and International cuisine, and your reservation is waiting at every one, free of charge.

A new era of fine dining

Whichever ship you choose, fine dining is one of the real pleasures of our boutique cruises. Best of all, you can eat wherever you like, in a choice of venues to suit your every mood. It's like having a reservation at the best restaurant in town, every night. Only with us, there's no bill to pay at the end of your meal and selected drinks are included at no extra cost.

Welcome to the main Dining Rooms

Serving a variety of culinary choices at breakfast, lunch and dinner, the main dining rooms on both ships offer British and International cuisine, finely cooked by our team of expert chefs. Open seating is the standard, as is exemplary service. And cheese lovers won't want to miss the signature cheese trolley, the perfect end to every dinner service.

Or get fresh in the Grill

An alternative to the main dining rooms, the Grill on both ships offers dining both inside and outside on a spacious verandah. In these restaurants you can help yourself at breakfast and lunchtimes, then in the evenings, our waiters serve dishes 'à la minute'. Adding to the theatre of the venues, you can watch the chefs at work in a fabulous show kitchen. The Grills have been designed to give you the option of a more casual, relaxed fine dining experience, with the same levels of world-class cuisine. At no extra charge of course.

Elegant afternoon tea

It's one of the finest traditions of life on the ocean wave. And on both Spirit of Discovery and Spirit of Adventure, afternoon tea is included free of charge every day in the main dining rooms. Served individually to you at your table étagère-style in a tiered curate stand, it's the perfect showcase for the delicate sandwiches, beautifully-crafted cakes, patisseries and freshly-made scones.

More dining choice, with our exciting new speciality restaurants.

Spirit of Adventure will double our range of speciality restaurants at sea. And while it's the industry norm to charge extra for these, we're delighted to be bucking the trend. Instead, all our restaurants are free-to-dine, with no extra supplements or surcharges to pay.

Khukuri House, a new taste of the East

Spirit of Adventure is delighted to introduce a world first: a Nepalese restaurant on the ocean wave. You can expect fresh flavours that are light and beautifully spiced. Genuine tandoor ovens mean our chefs can create curried meat, fish and vegetable dishes along with authentic Nepalese flatbreads. Saga's hometown of Folkestone has strong links with the local Gurkha community, and Khukuri House is an ode to this history and heritage.

NEW Spirit of Adventure

Amalfi, high-end Italian cuisine

Rivalling anything you'll find on land, Spirit of Adventure's second speciality restaurant offers Italian-style fine dining. Look forward to a mouth-watering menu of Mediterranean dishes, with an emphasis on Tuscan preparation. This includes 'family-style' sharing platters of antipasti along with pasta, risotto, parmigiana and arancini. Plus, a daily specials board to give an Amalfi twist to fresh locally-sourced fish and meats purchased in port that day.

NEW Spirit of Adventure

Spirit of Discovery

Coast to Coast, seafood specialities

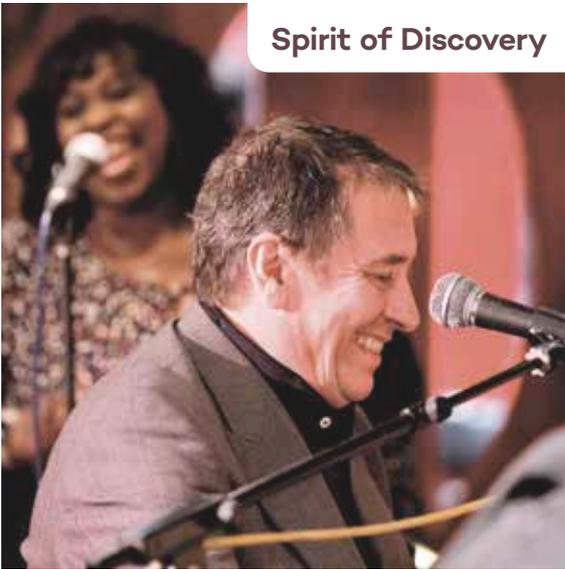

Spirit of Discovery's seafood restaurant is designed to showcase modern seafood cuisine: the best of British and locally-sourced fish, shellfish and even sushi. Dishes are seasonal, and change according to what's fresh in the destination you're visiting. Choose from the signature seafood platter to share, along with a range of sauces and accompaniments. Or who can resist our tempting take on classic fish and chips, served with thrice-cooked chips?

Spirit of Discovery

East to West, spiced-up dining

Inspired by the original East to West restaurant on Saga Sapphire, here your taste buds will be tantalised by the flavours of the Orient. But Spirit of Discovery's East to West is so much more. From sizzling Szechuan beef to five-spiced duck with black truffle, the frequently-changing dinner menu offers a world of fine dining, impeccably presented. And like all our speciality restaurants, no more than 73 other diners guarantees an intimate, boutique experience every time you visit.

Spirit of Discovery

Pictured clockwise from top left:
Spirit of Discovery's theatre,
The Playhouse; The Club by Jools.

Entertainment for you, from day to night.

When it comes to entertainment, our ships are all about choice. Enjoy live musical performances in The Club by Jools or the new Supper Club, take your seat for evening shows in the theatre, or simply relax in the laid-back Britannia Lounges. Whatever you want, you'll be spoilt for choice, day and night.

The Club by Jools

It's another first for Saga: an elegant and lively steakhouse restaurant aboard Spirit of Discovery in partnership with music legend Jools Holland. Based on a 50s cabaret club it offers a delectable menu of classic steaks from filet to t-bone and ribeye, plus more unusual cuts such as tomahawk steaks. The Club is also the place to enjoy live music and cocktails in the evenings, with resident and guest musicians entertaining until late.

Our new Supper Club

Aboard new ship Spirit of Adventure, we're launching an exciting Supper Club. It combines a premium steakhouse restaurant with a live entertainment venue, complete with a large dancefloor. Open for pre-dinner drinks, you can expect relaxed dining throughout the evening, including live music and even dinner theatre. Or arrive after your dinner elsewhere on the ship to enjoy the shows and to socialise until late. It's another of our new ship's wonderful features.

Take your seat at the Playhouse

The new ships also feature our very own theatres at sea. Comfortable, raked seating for over 440 guests means you'll enjoy the best seat in the house wherever you sit, with unrestricted views of the stage. In the theatres you can expect a quality entertainment experience, every night of your cruise. This includes West End style shows, classical music performances, plays and cinema screenings.

Relax in the classic Britannia Lounges

No Saga ship would be complete without a signature Britannia Lounge, and they're both exciting, multi-purpose venues where you'll always find something to see and do. Double-height venues with panoramic windows, you can enjoy talks from guest speakers and classical recitals, or simply order a drink and relax while admiring the spectacular views. Later at night, they come alive with music for dancing and live performances.

Spirit of Discovery

Escape into your own world... Your boutique bedroom at sea.

At the heart of every boutique hotel are the bedrooms. Taking their design cues from London's top hotels, ours are some of the finest cabins afloat. Each one is incredibly spacious and best of all, come with a private balcony as standard, for the ultimate in luxury.

A balcony for every guest

It's one of our ships' most distinctive features: aboard both ships all cabins have a balcony as standard. It means you'll always have your own private outside space to enjoy. So whether you're in the heart of a stunning Norwegian fjord or sailing around the sunny Mediterranean, you can always relax, enjoy the views and fresh air, and watch the sun set as you head to another incredible destination.

Unveiling Spirit of Adventure

The new cabins on Spirit of Adventure are configured exactly as her sister, Spirit of Discovery. But thanks to a new design team at AD Associates, the interior design is completely new and individual, as these concept drawings reveal. Whichever ship you join, all cabins are light, bright and effortlessly stylish. And with an average floor plan of 215 square feet, they're also some of the most spacious standard cabins on the ocean wave.

Sumptuous single cabins

Solo cruisers are also spoiled for choice, with a range of 109 single balcony cabins available on both ships. This is a first for the cruising industry: no other cruise line has dedicated such space to solo cruise-goers. In keeping with our ships' theme of choice, single cabins are available in a wide selection of grades, giving solo travellers just as much choice.

Home Suite Home

For even more luxury, why not upgrade to a sumptuous Suite? They're the most exclusive accommodation our ships have to offer, packed with extra features and a butler service, designed to make your cruise even more special. Offering far more space up to a staggering 730 square feet per cabin, they feature elegant living and dining areas, and much more.

Perhaps enjoy a sundowner at a beachside bar and sit back to watch this spectacular performance by nature on the island that's ranked as the best Caribbean destination to view this phenomenon.

How low can you go?

Enjoy a mini cruise to remember

I can't think of a better way to celebrate Valentine's Day than by dining at one of Rouen's intimate bistros, cafes or restaurants"

advises Shore Excursion Manager, Neil Cron.

place for a romantic stroll. For the ultimate Valentine's Day experience, join a trip to Paris, a city synonymous with love. Escape to the Continent

A mini cruise with a twist...

“

Enjoy the finer things in life during a day at Sandringham, the Queen’s own private estate.

If you’re looking to sample life on board Spirit of Discovery, this four-night mini cruise is just the ticket. We’ve lined up two destinations which, although only separated by the English Channel, are culturally worlds apart. From the classic seaside resort of Great Yarmouth, you can enjoy a regal day out at the Queen’s private residence, Sandringham. Next up is the Netherlands’ cosmopolitan capital, Amsterdam. You won’t feel rushed to see the iconic sights thanks to an overnight mooring allowing you time to soak up the intoxicating vibe of the city’s heady nightlife. If you prefer things of a more sedate nature, we’ve arranged a magical night-time cruise drifting along the historic canals. There will also be the opportunity to explore the surrounding countryside on memorable shore excursions. See the colourful Keukenhof Gardens or experience the traditional side of life in quaint Zaanse Schans and Edam – famous for its waxed cheese. Three fun-filled days spent sightseeing will be complemented by spirited nights on board with bands playing dance music.

Explore ashore: Explore Queen Elizabeth II’s Sandringham home • Discover Amsterdam on a guided cycling tour • Witness the colourful Keukenhof Gardens in spring.

Eclectic Palermo

Sicily's capital has served as a crossroads of civilisations for millennia with Phoenicians, Carthaginians, Saracens and Normans all having left their mark. Baroque churches, Byzantine mosaics and Arabesque domes present an historic backdrop to this vibrant, fast-paced city where you can enjoy delicious street food and explore lively bric-a-brac markets.

Urban hill climbing

For fantastic sea views, our Explore Ashore team say Marjan Hill in Split is hard to beat. This great city park is cloaked in a veil of dense Mediterranean pine and rises 180 metres above the Adriatic. There's a steep path leading up it that's lined with benches – so you can tackle the ascent in stages.

Valletta's Mgarr World War II Shelter

Hidden at the back of a restaurant lies the entrance to these astounding hand-dug tunnels which provided sanctuary for the residents of Mgarr during the Nazi blitz of Malta. At 12 metres deep and 255 metres long, it was one of the largest of its kind and offers a harrowing insight into what it must have been like.

Scenes of Dunkirk

Remembering Dunkirk...

“A miracle of deliverance”

– Sir Winston Churchill.

The Power of Dynamo

- On-board talks from a World War II historian
- Vintage-themed entertainment on board
- Visit Dover Castle with its labyrinth of wartime tunnels.

Overnight stay

- Dunkirk, France.

The world in which we live today was shaped by the success of Operation Dynamo. This seven-night cruise has been arranged to coincide with the 80th anniversary of this heroic mission. At the height of World War II the Allies were facing a monumental defeat at the hands of the rapidly advancing German troops, something Churchill feared would be 'the greatest military disaster in our long history.' With hundreds of thousands of troops

penned along the northern coast of France and Belgium in May 1940, British military leaders decided their only option was to evacuate across the Channel. Learn how the operation was masterminded and carried out and visit some of the key locations involved, not least making a poignant visit to the vast expanse of sand stretching to the east of Dunkirk where many thousands of lives were lost, but so many more were saved.

Norway's Ancient Fjords

Spirit of Discovery departing Dover

Discover the breathtaking fjords of Norway – as wild and dramatic as the Vikings who once sailed them.”

Picture Perfect

- On board photography workshop
- Commentary from the bridge by a Fjordland expert
- On board talks from a guest speaker.

Your cruise takes you first to Sognefjord – Norway's longest and deepest and one of its most dramatic. As its waters plummet to a depth of some 1300 metres, so the mountains that border the fjord rise up, some to over a mile high. From Sognefjord you head for Bergen whose Bryggen – the old wharf area – is a UNESCO World Heritage Site. Once part of the Hanseatic League, its 62 remaining colourful wooden buildings, that span the 14th-16th centuries, stand as testimony to its medieval and later importance. If Sognefjord is regarded as the 'King' of the fjords, then Hardangerfjord is the undisputed Queen. As you sail its blue waters,

be sure to have your camera ready to capture the scenery of this famous waterway, which ranges from waterfalls and glaciers, to National Parks. With useful tips and guidance on how to create the best images from onboard photography workshops, you can create beautiful images and lifelong memories of your holiday. Take in the tranquil and natural beauty as you cruise to Haugesund, where the Viking Kings once ruled. This historic area is close to Avaldsnes, from where King Harald Fairhair created a united Norway in the 9th century. From this historic location, start your return journey as your ship – or in Viking your 'horse of the sea' – heads for the North Sea.

Pictured clockwise from left: King of the Fjords, Sognefjord; Langfoss Waterfall; Sunset over Bergen harbour; Explore Bergen's old fish market

Go chasing waterfalls

As you cruise Norway's longest fjord – Sognefjorden – you'll take in Lustrafjorden, one of the innermost branches of the 'King of Fjords'. This stunning waterway flows through a land of mountains and waterfalls, including the Feigefossen waterfall which cascades some 229 metres (over 750 feet).

Hit the target

Bergen's *Fisketorget* – the city's fish market since the 13th century – is the perfect place to visit if you're hungry. Take in the array of seafood on offer ranging from fish to lobsters, plus fruit and vegetables from local producers. The indoor fish market hosts a veritable 'smorgasbord' of delicious seafood ranging from king crab baguettes to lobster salads with Norwegian caviar, offering a true taste of the sea.

Fløyen high

Look forward to stunning panoramic views over Bergen on a shore excursion to one of Norway's top visitor attractions. The Fløybanen funicular railway is located in the heart of the city, close to Fisketorget and Bryggen wharf, and transports visitors up Mount Fløyen, some 320 metres above sea level, in around six minutes. At the top you can drink in fantastic views of Bergen and the surrounding mountains and fjords.

Splendour of the Baltic

Step into a world of Baltic cities ...

As you step into the old town of Tallinn, you enter one of Europe's best preserved medieval cities...

Rhythms of the region

- Participate in musical activities on board
- Classical and contemporary music from the Baltic region
- Talks on classical and contemporary music from a guest speaker

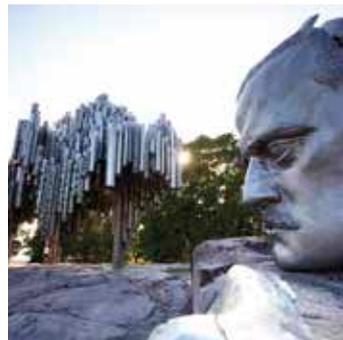

Overnight stay

- St Petersburg, Russia

A wealth of experiences and treasures await you as you cruise Baltic waters. From the extraordinary light of Denmark's Skagen which inspired an artists' colony to the opulence of St Petersburg's famous Hermitage, discover the cultures, history and highlights of the Baltic region. Your cruise starts in Skagen – Denmark's most northerly point – where the Skagen artists' colony flourished for some 60 years until the 1930s. For music lovers, a visit to Helsinki offers the opportunity to explore the city where many works by Jean Sibelius – Finland's most famous composer – were premiered. St Petersburg brings

the opportunity to visit the famous Hermitage, home to some of the world's most glittering art treasures, before contrasting its elegant and stately architecture with the historic streets and buildings of Tallinn in Estonia. This UNESCO World Heritage Site is regarded as one of Europe's great medieval cities. Your cruise comes full circle as you return to Denmark for your final port of call at Esbjerg, distinguished by the sculpture 'Man meets the Sea' – four enigmatic nine-metre high figures that look out over the North Sea, watching as you begin the last leg of your journey.

Pictured clockwise from left: Saaremaa, Estonia's largest island; Man meets the Sea sculptures at Esbjerg; The Sibelius Monument in Helsinki; Explore Estonia's capital, Tallinn; Fascinating exhibits at the Hermitage

Savour Saaremaa

Discover Saaremaa, an island whose landscape and traditions seem oblivious to time, lending it a unique character and atmosphere. It is a UNESCO Biosphere Reserve, and in addition to the island's main town of Kuressara with its picturesque 14th-century Castle, Angla Windmills area, and the Kali Meteor Craters, Saaremaa is also distinguished by having 40% of its total area covered in forests.

Meet the sea for yourself

Head for the sea shore at Esbjerg and stand at the feet of the four nine-metre high seated figures that gaze out to sea. This is the *Mennesket ved Havet* (Man meets the Sea) sculpture by Svend Wiig Hansen, its gravity and scale said to reflect the artist's concept of 'unspoilt' man before he engages with life and nature. Dazzlingly white and monolithic in appearance, these giants of the shore provide an unmistakable landmark and were created to celebrate the 100th anniversary of the municipality of Esbjerg.

The Tsars at night

Step into the world of the Tsars on an exclusive evening visit to the Hermitage. After the doors close for the evening, join your guide on a private viewing of this famous museum with treasures which include artefacts from the ancient world, Renaissance, Impressionist and modern works of art, jewellery, and so much more. Your visit concludes with a memorable performance by the State Hermitage Orchestra and a glass of Russian sparkling wine.

Every cabin has a private balcony so whether you are sitting with a coffee watching the stunning scenery glide by, or you're on a shore excursion, walking through rocky fields with a small group of your fellow passengers, there's something for everyone. This itinerary has been planned in close co-operation with the local pilots and takes you away from the tourist trail to see the real Greenland and its people.

Reflections of Bordeaux

Visit the world's largest reflecting pool in Place de la Bourse which is created by covering smooth granite slabs with a thin layer of water. Every 15 minutes, it is enveloped with a moody fog effect. However, it's at its most beautiful at night when the surrounding 18th-century buildings are illuminated in golden light.

Exploring the world's top wine city independently

Connoisseurs of fine wine will be eager to explore Bordeaux's numerous restaurants, bars and cafes, each of which will have its own extensive wine list. To help narrow down the wide selection on offer, just ask our Explore Ashore team who will be happy to point you in the right direction.

Dine in a private chateau

We've arranged an extra special evening at the private Château Franc-Mayne which is set within 17 acres of rolling vineyards in the St Emilion Grand Cru appellation. Spend the evening touring the underground cellars and sampling the chateau's wine, before sitting down to an exclusive meal.

Riddle of the Sands

Discover the setting for one of our greatest spy novels

“

In October last (1902), my friend 'Carruthers' visited me in my chambers, and, under a provisional pledge of secrecy, told me frankly the whole of the adventure.” (Preface – *Riddle of the Sands*)

'Riddle of the Sands' by Erskine Childers was published in 1903 and is regarded as one of literature's best espionage novels. Immortalised on film, television and radio, it follows Charles Carruthers and Arthur Davies as they take a trip to the Frisian Islands, only to become embroiled in uncovering a plot by the Germans to invade Britain. During your cruise, sail the waters of the Wadden Sea – home to the Frisian Islands, described by Arthur Davies as "... a splendid sailing-ground...". Explore vibrant Hamburg in Germany and Esbjerg in Denmark, visit Emden, dissected by the River Ems, where one river bank lies in Germany and the other in the Netherlands. Venture to Heligoland – once part of the British Empire and covering just over one-and-a-half square miles. During your cruise there will also be a screening of the film of 'Riddle of the Sands', plus talks on espionage from a guest speaker.

Explore ashore: Visit the island of Heligoland, once a part of the British Empire • Follow in the footsteps of Davies and Carruthers on the island of Borkum • Step into the world of shipbuilding at Meyer Werft Shipyard in Papenburg.

The Force is strong...

Look forward to cruising from the south west coast of Ireland to a galaxy far, far away! Around eight miles off the coast of County Kerry, Skellig Michael juts more than 700 feet above the waves and is a popular retreat for seabirds. You may see puffins, kittiwakes, and fulmars as you sail by, but once upon a time you might have seen a Millennium Falcon.

The island – listed by UNESCO with a sixth-century stone monastery complex near its summit – was chosen by producers as a filming location for pivotal scenes in the two most recent Star Wars movies – The Force Awakens and The Last Jedi.

A drink for old time's sake

Our Explore Ashore experts can point you in the direction of the oldest pub in the oldest city in Ireland. Just outside the Viking Triangle in Waterford, situated on George Street, is T & H Doolan's – believed to be close to 500 years old and built into one of the original city walls, almost 1,000 years old, which you can see in the lounge bar.

Pretty Whiddy

Perhaps venture into Bantry Bay to visit Whiddy Island, a delightful hideaway in the harbour with an intriguing maritime history. Look forward to meeting Tim, your hospitable guide, who also runs the pub and delivers the post. Sample some local mussels and pick up some baking tips before returning to the mainland to explore Bantry.

Côte tales

The French Riviera is known as the playground of the rich and famous and nowhere is more synonymous with glitz and glamour than Saint-Tropez. Leave Spirit of Discovery at anchor off the coast and sweep across the glistening waters of the Côte d'Azur and into the harbour alongside luxury yachts and speedboats. Take a stroll around the elegant port and quaint old town and perhaps walk up to the citadel for superb views before whiling away the afternoon browsing boutiques and spotting supercars.

By Royal Appointment

During your call to Monaco, enjoy an exclusive visit to the Place du Palais – home to the ruling Grimaldi family for more than 700 years – as part of a private group. Five minutes before midday you can bear witness to the pageantry of the changing of the guard ceremony – performed by the Carabiniers du Prince – and learn more about the history of this stately building.

A Bay to remember

The Gulf of Saint-Tropez was known as the Gulf of Grimaud until the end of the 19th century and during a tour, you will discover the delightful Provençal villages of Port Grimaud and Grimaud Village. Grimaud village is charming and picturesque, located on the hills of the Maures with stunning views of Saint-Tropez Bay. The old village is built around the ruins of its medieval castle but Port Grimaud was only built in the 1960s, the brainchild of a French architect, who built a 'Venetian-style' village around a lake, complete with canals and bridges which you can see during a 20-minute boat ride.

There was a time when spices were more valuable than gold.”

- North African sailaway party
- North African buffet
- On board screening of the film Casablanca.

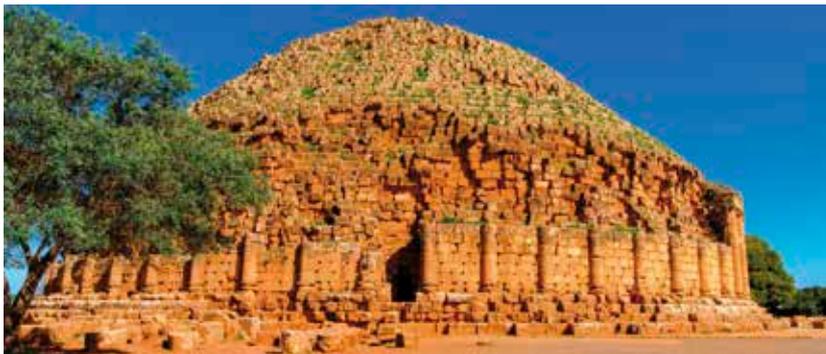

Overnight stay

- Valletta, Malta.

This is the kind of cruise Spirit of Discovery was named for. Lift the veil on one of the most intriguing and culturally-rich regions on earth to discover its secrets and immerse yourself in the colours and flavours of everyday life, which are sure to stimulate all of your senses. Your first port of call is Casablanca and you can enjoy watching the classic Hollywood film on board before gliding into Morocco's largest port to see for yourself the cosmopolitan architecture and experience the vibrant bustle of life in the old medina. The historic web

of alleyways and streets in the heart of the city is full of vendors and the air thick with clamour and aromas to savour. Who knows? This could be just the beginning of a beautiful friendship with North Africa. Your taste buds are in for a treat as you can visit markets, well off the tourist trail, to see the ingredients which make the local cuisine so delicious – as you can discover during a tasting at a local School of Gastronomy. You'll also venture to Algeria, Malta and Tunisia before calling at Europe's gateway to Africa, Tangier.

Pictured clockwise from left: Explore the Hassan II Mosque in Casablanca; Valletta's unique skyline of domes and steeples; The Royal Mausoleum of Mauretania; Try authentic Moroccan cuisine; Search for souvenirs in Morocco's souks

Experience a vibrant souk

Almost entirely destroyed a few centuries ago by a violent earthquake, the Old Medina in Casablanca was subsequently restored to its original glory. It is the oldest part of the city, free from French and Iberian architectural influence. From Place des Nations-Unies, to the charming narrow streets overflowing with the artisan treasures of the souks, lose yourself in the magic of this Moroccan atmosphere.

Set off for the sunset

Pretty much everywhere in Malta can be reached by bus, and if you're looking for a spectacular sunset, your Explore Ashore team can point you in the direction of the number 52 bus from Valletta to the Dingli Cliffs, Malta's highest point and famed as an amazing sunset spot.

Take in Tipaza

Discover the UNESCO World Heritage Site of Tipaza on a fascinating tour. Originally a Carthaginian trading post, it was occupied from the 6th century BC to the 6th century AD. A vast circular mausoleum, said to have been constructed in the first century BC for the royal family of Mauretania, dominates the site while Roman and early Christian ruins are also visible in this delightful setting overlooking the sea. The force of nature

Set off on a hike into the heart of the Bandama Crater, formed thousands of years ago by volcanic activity. The path down is steep and much of the area is overgrown with palms, orange and fig trees. A few other details

Sold out cruises and advance registrations

If you are interested in a cruise that has sold out, speak to your travel agent who will take a few details to register your interest. Then, should any cabins become available at a later date, they will get back in touch with details of how to book. Alternatively, if you're interested in cruises not yet on sale, why not make an advance registration? For a fully-refundable deposit of £90 per person, you can register your details in advance. Then, before the cruises go on general sale, we will contact you to confirm your booking.

How our discounts work

On all cruises we set aside a number of cabins within each grade at a discounted fare, with the highest discount of 35% available on selected grades. These cabins are sold on a first come, first served basis. As cabins are sold, the discount begins to reduce, and continues to reduce, until those selected cabins are sold. This means that the earlier you book, the higher the chance of securing a greater discount. Our price panels clearly show the full cruise price, along with the current discounted fare.

Please note: During busy periods for holiday bookings, the early booking discount can reduce rapidly, and although the price panels are correct at the time of going to press we cannot guarantee that the discounted fares will still be available when you call to book. Your travel agent will be able to advise the best fares when you call. This brochure includes cruises which have been previously advertised at a discount, therefore the cabin availability at the offer prices may now be limited. We recommend that you book early to benefit from the best booking discounts and to secure your preferred cabin and grade. When promoting new cruises for the first time, we contact customers on our Advance Registration list first, allowing them to secure the cabin of their choice and benefit from the best savings. Our brochures are then sent out to loyalty club members first, followed by past cruise-goers and then everyone else.

Our Price Promise

Should we ever cut our prices or bring in a new special offer later on, we'll work out the difference and pass the value of the saving back to you.

Please note: This applies as long as the discounted holiday is the same package offered under the same terms of sale (which means the full terms that apply to your holiday contract, including your cabin grade and whether your cabin is allocated at the time of booking or at embarkation). Optional ad-hoc services are excluded. In calculating any possible saving due, we'll take into consideration all offers and discounts that were applied at the time of booking and compare the overall price that you've been charged with the current price. For cruises, we will pass on the value of the saving in the form of a higher grade cabin, on-board credit or other value added benefit.

All-inclusive cruises

Selected cruises are all inclusive, and include selected wines at lunch and dinner, Saga house-branded spirits, cocktails containing house-branded spirits, draught beer and lager, non-alcoholic cocktails, all mixers and soft drinks.

Insurance policy

Because it's important to be adequately insured when you travel abroad, we offer optional comprehensive travel insurance, underwritten by Great Lakes Insurance SE, UK Branch, and additional cancellation rights with all our overseas holidays. If you are suffering from, or in the last 12 months have suffered from, an illness that has required treatment from a doctor, you must advise us and we'll confirm whether you can be covered under this insurance. A full summary of the optional travel insurance will be provided with your booking confirmation. Cover is available to UK residents only and subject to medical screening. Terms and conditions apply. If you have your own insurance, we will offer you the holiday at a lower price - speak to your travel agent for further details.

Love it first time

Available to guests that have not previously cruised aboard Saga Rose, Saga Pearl, Saga Ruby, Quest for Adventure, Spirit of Adventure, Saga Pearl II or Saga Sapphire, and are booking their first Saga ocean cruise aboard Saga Sapphire or Saga Pearl II. We guarantee you will love your first cruise, or will refund your fare! To take advantage of the guarantee you must state your intention on board to the Hotel Director during the first 72 hours of your cruise at the latest (for cruises seven nights or over; during the first 48 hours for cruises under seven nights). They will endeavour to resolve any issues; if a solution cannot be agreed, Saga will cover costs for your return transport home at the next available port, and refund the fare that you have paid for your cruise (we will not refund any costs you have incurred for items not purchased directly through Saga, such as overnight accommodation or third-party insurance). The guarantee does not affect Saga's standard booking conditions or pre-departure cancellation policy. Further terms and conditions may apply.

Save 10% when you book a second cruise

Why not stay on board for longer? You can make a further saving of 10% off the price of each consecutive cruise you book. This discount is off the current fare at the time of booking, after any other offers have been applied. It makes a longer voyage greater value for money.

A note about special offers

The offers in this brochure supersede any previously advertised offers and unless stated otherwise cannot be combined. Offers are applicable to new bookings only and for any existing booking disadvantaged by new offers, the Price Promise will apply. Saga reserves the right to extend, reduce or withdraw offers at any time without notice. Selected offers cannot be booked online.

Booking conditions

Holiday and Cruise booking terms and conditions

Your holiday booking is with ST&H Limited trading as Saga Holidays or with Saga Cruises Limited for cruises aboard Saga Pearl II, Saga Sapphire and Spirit of Discovery ('Saga' or 'we' or 'our' or 'us'). For cruises aboard Saga's vessels Saga Sapphire, Saga Pearl II and Spirit of Discovery, ST&H Limited acts as agent for Saga Cruises Limited, the ships' operator and your contract is with Saga Cruises Limited and subject to these booking conditions. These terms and conditions, along with the documents referred herein, apply to your holiday booked and form your contract with us. It is important that you read these booking conditions as they not only define our obligations to you but also impose some important commitments upon you. If any part of these booking conditions is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity will not affect the other provisions which shall remain in full force and effect.

1. Your holiday contract

When you make a booking you guarantee that you have the authority to accept, and do accept on behalf of your party, the terms of these booking conditions. Your contract is created when you confirm your holiday, you pay either a deposit or the full balance due and we issue a confirmation invoice. It is your responsibility to provide accurate details at the time of booking, including ensuring passenger details exactly match passport details. It is also your responsibility to check that the information on the confirmation invoice and ATOL Certificate (if relevant) is correct and includes details of everything you have booked (including flights, hotels and other services). If any of the passenger or holiday details on the confirmation invoice or ATOL Certificate (if relevant) are incorrect or incomplete, you must notify us immediately. We will pass on any additional charges incurred as a result of any details not being correct. We reserve the right to refuse to accept and/or not proceed with any booking at any time at our sole discretion. This contract is governed by English law and the jurisdiction of the English courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you live there and wish to do so. A complaint may be referred to arbitration – see section 15.

2. Age qualification

Saga holidays and cruises are for anyone aged 50 or over. A travelling companion or family member travelling with you may be aged 40 or over. Please note there may be non-Saga guests (including children) in residence during your holiday, for whose behaviour we cannot accept responsibility.

3. Your financial protection

ST&H Limited and Saga Cruises Limited provide full financial protection for their package holidays.

- For flight-based holidays this is through our Air Travel Organiser's Licence number O308 issued by the CAA of 45-59 Kingsway London WC2B 6TE www.caa.co.uk, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.
- When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA – The Travel Association of 30 Park Street London SE1 9EQ www.abta.com, telephone 0203 758 8779, email customerprotection@abta.co.uk. For further information, please see www.abta.com. Calls from UK landlines cost the standard rate, but from mobiles may be higher. Check with your network provider. Please note that items not purchased through Saga will not be protected.

ST&H Limited is also licensed by the Irish Commission for Aviation Regulation (Licence No. T. A. 0598) to carry on business in the Republic of Ireland as a travel agent.

4. Your holiday price

Price: Holiday prices can be influenced by taxes such as air passenger duty, aircraft insurance, security, fuel and other associated costs. Our prices are affected by these, as well as exchange rates, suppliers' costs and economic trends. The guide prices shown in our brochures are based on current charges and costs but they may go up or down. We reserve the right to alter the prices of any of the holidays shown in our brochures and will notify you of the current price prior to any booking – please call us or visit our website for the most up-to-date prices. Our holidays, and the prices at which they are advertised, are based on flight availability and a limited number of specially negotiated prices at the time of going to print; they are always subject to availability and flight supplements may apply. You will be advised of any differences to any elements of the holiday, including the price, before your booking is confirmed. Once booked, the cost of your holiday cannot be increased unless you amend your booking. However, Saga reserves the right not to be legally bound in the case of incorrect pricing and acknowledgement of such an error does not mean acceptance of it.

Please note that local taxes are not included within the holiday package price and where necessary these will need to be paid locally by you. We will wherever possible advise you at the time of booking if these apply, but please bear in mind that local taxes may be imposed after you have made your booking. Should you choose not to proceed, this will be treated as a cancellation (see section 7).

Optional ad-hoc services: We provide you with the option to specifically request extras which are in addition to or adaptations of our standard packages. Prices for optional ad-hoc services such as extensions, extra accommodation, upgrades, additional flights that are not part of a standard Saga allocation and domestic flights ('ad-hoc services') can vary depending on when you book. Please note that adding an ad-hoc service may result in additional non-refundable charges to our standard packages due to changes in flight dates, changes to our standard allocated accommodation periods and additional costs passed to us from third party suppliers. They may also result in an additional or higher non-refundable deposit being payable. You will be notified of the total price of your holiday and any increase to your deposit prior to booking. Please note that where a flight upgrade has been booked and there is a change of airline prior to your departure date it may not be possible to offer an equivalent upgrade or there may be an additional cost payable. In this situation we will offer you the opportunity to revert to economy class and refund you the cost of the upgrade; pay any additional costs for the equivalent upgrade; or cancel with a full refund of all monies paid. If an upgrade with the new airline is available and is of a lower value than the original airline, we will refund you the difference in value. Compensation will not be payable.

Price Promise (Saga Pearl II, Saga Sapphire, Spirit of Discovery and Spirit of Adventure only):

Should we ever reduce our prices or bring in a new special offer after you book (optional ad-hoc services are excluded), we'll work out the difference and pass the value of the saving back to you. This applies as long as the discounted holiday is exactly the same package offered under exactly the same terms of sale (which means the full terms that apply to your holiday contract, including your cabin grade and whether your cabin is allocated at the time of booking or at embarkation). In calculating any possible saving due, we'll take into consideration all offers and discounts that were applied at the time of booking and compare the overall price that you've been charged with the current price. We will pass on the value of the saving in the form of a higher grade cabin, on-board credit or other value added benefit.

5. Paying for your holiday

Deposits: When you make your booking, you must pay a deposit payment. The following deposits are payable per person when you book your holiday: Europe and the Mediterranean holidays and river cruises – £150 or 10% of the holiday cost, whichever is the greater;

Long haul holidays – £175 or 10% of the holiday cost, whichever is the greater; UK holidays – £60 (plus £8.50 if you require the optional insurance and additional cancellation rights – see sections 11 and 12);

Ocean cruises – £200 or 15% of the holiday cost, whichever is the greater, up to a maximum of £1,000; Oberammergau 2020 – An initial deposit of £200, plus a further deposit of £400 is payable 300 days before departure.

Certain holidays may require an additional or higher non-refundable deposit or full payment. You will be advised if this is the case at the time of booking.

Balance: The balance of the price of your travel arrangements must be paid at least: 90 days before departure for Saga ocean cruises aboard Saga Sapphire, Saga Pearl II or Spirit of Discovery; 56 days before departure for holidays in mainland Britain of five nights or more;

28 days before departure for holidays in mainland Britain of less than five nights, and for Christmas and New Year holidays in mainland Britain;

75 days before departure for all other holidays unless otherwise stated at the time of booking and on your confirmation invoice.

Unless you are otherwise advised, bookings made after the balance due date (as set out above) must be paid in full at the time of booking and we cannot confirm your booking until full payment is received. Payments can be made by credit card, debit card or by cheque. If the deposit and/or balance is not paid in time, we reserve the right to cancel your travel arrangements. If the balance is not paid in time, we shall retain your deposit to cover costs incurred.

Card and cheque fees: There is no charge for payments made by debit card, credit card or American Express. Each cheque is subject to a £3 administrative charge and should be made payable to Saga Holidays with your name, address and booking reference written on the back. Please send cheques to Saga Holidays, Enbrook Park, Folkestone, Kent CT20 3SE.

Refunds: If you are entitled to any refund(s) relating to your booking, this will go to the lead passenger who made the booking, usually by the same payment method that was used to pay Saga. In the case of card payment, refund(s) will be made to the appropriate card account(s). If a payment has been made in the form of a voucher, any refund, if applicable, will be refunded by voucher. Any fees incurred when making a payment will not be refunded unless Saga causes the cancellation. No refund is available after your departure date if you attend part of the holiday only, or vary or extend the holiday arrangements.

6. If you change your booking

If you wish to change your travel arrangements in any way after your holiday contract is created, for example, your accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. If you make changes before the balance due date, you will be asked to pay an administrative charge of £20 per person for all UK holidays; £25 per person for all Saga ocean cruise holidays aboard Saga Sapphire, Saga Pearl II or Spirit of Discovery; and £40 per person for all other holidays, for each amendment, and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Please note that certain travel arrangements may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. If you wish to change the departure date of your holiday or cruise, you will need to cancel your existing holiday and book the new one – cancellation charges will apply as per the table in Section 9. Any changes you make after the balance due date will be treated as a cancellation by you, and cancellation charges will apply (as set out in the table in Section 9). For cruises, a single supplement may apply if changing from twin to single occupancy. If you wish to change to a lower cabin grade or amend to a cabin allocated on departure, cancellation charges will apply as per the table in Section 9.

Transferring your booking: You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing at least 7 days before departure. Both you and the new traveller are responsible for paying all costs we incur in making the transfer.

7. If you cancel your holiday

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent, along with any travel tickets received, must be received at: Cancellations, Enbrook Park, Folkestone, Kent, CT20 3SE. If you wish to cancel within 14 days of your departure date, please telephone us on 0800 092 0920 (0800 068 5058 for river cruises). Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as per the table in section 9 (see also the exception below). Any additional or higher non-refundable deposit paid will be included in the cancellation charges set out in the table in section 9 or advised by your sales consultant. We will also deduct the cost of any UK connecting or domestic flights. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges. Customers who have included the optional travel insurance benefit from additional cancellation rights (see 'Additional cancellation rights' under Section 12). For holidays in mainland Britain, if you have to cancel your holiday because of illness or death of you or a member of your party, we will refund all your holiday payments except for a handling fee of £60 per person, provided we receive a valid medical certificate. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by Unavoidable and Extraordinary Circumstances. Unavoidable and Extraordinary Circumstances, means a situation that is, in our opinion, beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include, but are not limited to, actual or expected war, riots, civil strife, terrorist activity, Government action or restraint, industrial disputes, natural or nuclear disasters, fire, adverse weather conditions including hurricanes, changing water levels or closure of locks, epidemics, health risks, unavoidable technical problems with transport, damage and accidents from machinery or engines, or closed or congested airports. In such circumstances, we will arrange for your booking to be terminated and for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

8. If we change your booking

We plan the holiday arrangements many months in advance and, although unlikely, we may need to make changes. It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include, but are not limited to, a change in airline carrier; closure of hotel facilities for improvement; flights becoming indirect; building works; change to advertised amenities; change to itineraries; change to included and optional excursions and entertainment. Please note we will not pay compensation or offer alternative options if we make an insignificant change.

If we have to significantly alter any of the main characteristics of the travel services that make up your holiday package, you will have the rights set out below.

- We will contact you and you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one. If the alternative holiday is of a lower value, we will refund any price difference. If the alternative holiday is of a higher value, you will be required to pay the additional amount. We will tell you the procedure for making your choice. Please read any notification of changes carefully and respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.
- We will pay compensation as per the table in Section 9 except where the significant change is due to Unavoidable and Extraordinary Circumstances. This standard payment will not affect your statutory or other legal rights.
- If you choose to accept a refund, we will provide a full refund of your travel insurance premiums if you paid them to us and can show that you are unable to transfer or reuse your policy.

Examples of significant changes include, but are not limited to, a significant change of resort or holiday duration, where your stay is three nights or more; a change of accommodation to that of a lower Q or Berlitz rating category for three or more nights; a change in departure date; a change of departure airport (except between London airports, between Birmingham and East Midlands airports, between Doncaster Sheffield, Manchester and Leeds Bradford airports, between Bristol

and Cardiff airports, between Glasgow and Edinburgh airports, or between Liverpool and Manchester); or your cruise being cancelled by the cruise company or shipping line.

Please note that we do not accept any responsibility or liability for any consequential loss or expenses you may incur from arrangements you have made with any other party or parties.

9. If we cancel your holiday

We reserve the right to cancel your booking. Our 'Guaranteed Departures' will not be cancelled due to insufficient demand. If we need to cancel any other holiday due to insufficient demand, we will do so before the balance due date. The minimum number required will be provided to you with the holiday description. We will not cancel after the balance due date, except for Unavoidable and Extraordinary Circumstances, or failure by you to pay the final balance.

If your holiday is cancelled (for reasons other than a failure by you to pay the final balance) you can either have a full refund of all monies paid or, where available, accept an offer of alternative comparable travel arrangements. If the alternative holiday is of a lower value, we will refund any price difference. If the alternative holiday is of a higher value, you will be required to pay the additional amount. In the event a refund is paid to you, we will:

- provide a full refund of your travel insurance premiums if you paid them to us and can show that you are unable to transfer or reuse your policy; and
- pay compensation as per the table below except where the cancellation is due to Unavoidable and Extraordinary Circumstances. This standard payment will not affect your statutory or other legal rights.

Please note that we do not accept any responsibility or liability for any consequential loss or expenses you may incur from arrangements you have made with any other party or parties.

10. Insurance

You must be adequately insured for all ocean cruises and holidays outside mainland Britain to cover all contingencies such as medical expenses, repatriation, and baggage cover. If you did not purchase the optional travel insurance and additional cancellation rights, or if we're unable to offer the optional cover, we advise that you arrange adequate insurance cover as soon as possible. For your peace of mind, please ensure that your alternative policy includes cancellation cover for the total cost of your holiday and that you are adequately insured for all your needs, including medical emergencies. Please also make sure your insurance is valid from the time of booking until your return from holiday.

Bookings made 18 months or more before departure:

This section only applies to holidays offered with optional insurance and additional cancellation rights. The optional travel insurance and additional cancellation rights cannot be offered with holidays booked more than 18 months before departure. Customers who wish to include the optional travel insurance and additional cancellation rights will have their booking held until 18 months before the departure date. Should you need to cancel prior to your booking being confirmed, a full refund will be available. Once within 18 months of departure, the optional travel insurance and additional cancellation rights can be added and the holiday confirmed. This is subject to the normal insurance policy conditions and these booking conditions.

If the policy does not meet your requirements, you are entitled to cancel at any time prior to your date of departure. 12. Additional cancellation rights

Where you have chosen to include the optional travel insurance the following rights apply:

For the purposes of this section, the following definitions apply:

Business Associate - Someone who works at your place of business in the UK and who, if you were both away from work at the same time, would prevent the business from running properly. A senior manager or director of your business must agree to this.

Close Relative - Your marital/common law partner (defined as living together at the same address and including same sex relationships), parent, parent-in-law, child, grandchild, son-in-law, daughter-in-law, brother,

sister, brother-in-law, sister-in-law or fiancé(e).
Home – The address where you live permanently in the UK.
You/Your – The person(s) named on the booking invoice/holiday confirmation issued by Saga.
Summary of rights: We will refund all the money you have paid to us, less an administration fee of £80 (£60 for UK holidays) per person if the cancellation is due to:

- unexpected illness or death of you or a member of your party;
- death or disablement (by accidental bodily injury or sickness) of your Close Relative or Business Associate, or of any person with whom you had arranged temporarily to reside during your holiday;
- jury service, attendance solely as a witness at a court of law or redundancy (provided your employment has been on a continuous full time basis with the same employer for at least 24 months);
- accidental damage to your home through fire, storm or flooding within 14 days of the planned departure date, rendering it uninhabitable.

We will deduct the cost of any UK connecting or domestic flights and any cancellation charges from the suppliers of any ad-hoc service from any money refunded to you. You must send us a valid medical certificate for (a) or (b) above or the relevant official documentation for (c) or (d) as soon as is practicable, otherwise we will be unable to refund you.

All travel documents must be returned to Saga. If you cancel for other reasons, you must still notify Saga in writing and you will be subject to any relevant cancellation charges as set out in section 7 and the table in section 9.

We will not be liable for cancellations when, at the time of booking the holiday, the person whose condition gives rise to the cancellation:

- had an illness in the past 12 months that has required treatment from a doctor, unless the condition was disclosed to and accepted by us;
- is travelling against the advice of a medical practitioner or for the purpose of obtaining medical treatment abroad;
- is receiving, on a waiting list for, or has knowledge of the need for in-patient treatment for any condition unless the medical condition for which you are on a waiting list for inpatient treatment has been disclosed to us and accepted by us. Should you cancel as a direct result of you undergoing the inpatient treatment for which you are on a waiting list additional cancellation rights will not be provided;
- is expected to give birth 12 weeks (16 weeks in the case of multiple pregnancy) before your planned return date;
- has been given a terminal prognosis by a medical practitioner.

We will not cover any medical condition of a close relative or business associate whose health may affect your decision to travel if you were aware of it prior to booking your holiday.

We will not be liable for cancellations arising directly or indirectly from:

- acts of terrorism in countries to which the Foreign and Commonwealth Office has advised against travelling;
- an accident or breakdown of the vehicle in which you are travelling for which a professional repairer's report is not provided;
- breakdown of any vehicle in which you are travelling if the vehicle is owned by you and has not been serviced properly or maintained in accordance with the manufacturer's instructions;
- withdrawal from service (temporary or otherwise) of an aircraft or sea vessel on the recommendation of the Civil Aviation Authority or a Port Authority, or any similar body in any country;
- redundancy caused by, or resulting from, misconduct leading to dismissal, from resignation or voluntary redundancy, or where a warning or notification of redundancy was given prior to the date the optional insurance was purchased by you;
- suicide or attempted suicide, intentional self-injury, the effect of intoxicating liquors or drugs or flying other than as a passenger in a fully licensed passenger carrying aircraft. This exclusion applies not only to the insured persons but also to close relatives or other persons whose health may affect your decision to travel or cut short your trip;
- any circumstance arising after the date of booking, but prior to the date of issue of the optional insurance policy purchased by you.

13. Our liability to you

We are responsible for the proper performance of all travel services included in this package. You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, and this has affected the enjoyment of your travel arrangements, you may be entitled to an

appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or any member of your party; or a third party unconnected with the provision of the travel services in the package and is unforeseeable or unavoidable; or Unavoidable and Extraordinary Circumstances.

Except in cases involving death, injury or illness, the liability of Saga and any company within the Saga group of companies (including its employees, agents and subcontractors) shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

- the contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; and
- any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions.

Copies of the travel service contractual terms, or the international conventions, shall be provided on request.

Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports and available from airlines. If you are unhappy with your airline's response, you may complain to the Civil Aviation Authority (telephone 020 7453 6888 or visit www.caa.co.uk/passengers). Please note that reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. You agree to assign to Saga any rights that you may have against a third party or person which have caused or contributed to our legal liability to you or which result in us incurring costs on your behalf. You agree that you will provide us and/or our insurers with all reasonable assistance to pursue a claim against any third party or person.

If it is impossible to ensure your return as scheduled due to Unavoidable and Extraordinary Circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday. Note: this entire section 13 does not apply to any separate contracts that you may enter into whilst on holiday (for example, for excursions, entertainment, amenities, activities (including Holiday Experience activities) and other tours).

14. Your responsibility

Saga kindly requests your co-operation and consideration for others while on holiday and reserves the right to curtail your holiday if, in our view, your conduct or behaviour, or that of a member of your party, is disruptive, dangerous, antisocial, or otherwise unacceptable. In such an event, no compensation or refund will be payable and you will be liable to pay any additional expenses reasonably incurred in arranging the curtailment. In addition, you must comply with the terms and conditions of the third party suppliers of any travel services. Failure by you to observe such terms and conditions which are incorporated into this contract and available upon request may affect any compensation or liability we may have towards you.

Medical information: You are responsible for ensuring that any existing medical conditions, disabilities or mobility restrictions affecting you or a member of your party are declared to us before you book or, if newly diagnosed, as soon as possible and no later than 48 hours before your date of departure.

If there is any change in the above circumstances for you or a member of your party, or you or a member of your party develops a new medical condition, please call us to see if we can continue to offer the optional insurance and if the holiday is still suitable. The insurance company will not accept a claim as valid if you do not do this.

In addition, there are other instances where cover is not available under the Medical Expenses or Curtailment sections of our Saga Travel Insurance Policy Booklet. These include where the person(s) making the claim:

- does not follow the advice of a medical practitioner
- is travelling to get medical treatment abroad

- has been given a terminal prognosis by a medical practitioner
- is expected to give birth within 12 weeks (16 weeks in the case of a multiple pregnancy) of arrival home.

The Policy Booklet contains full details of the medical cover provided along with the terms and exclusions. We recommend that you read it carefully. Please note: Regardless of whether you take out the optional travel insurance, for cruises, women who are up to 24 weeks pregnant at the end of the holiday are required to provide a medical certificate of fitness to travel. We cannot carry passengers who will be 24 weeks or more pregnant at the end of the holiday. We reserve the right to request a medical certificate at any stage of pregnancy and to refuse travel if we and/or the Master of the ship are not satisfied that you will be safe during your holiday. The doctors aboard the ships may not be qualified to deliver babies on board, or to offer pre or postnatal treatment, and no responsibility is accepted by Saga in respect of the ability to provide such services or equipment. For air travel, you are subject to the terms and conditions of your airline, which will have its own policies. Please let us know if you are pregnant or become pregnant prior to departure. Please also refer to Mobility and Assistance in section 19.

15. ABTA

ST&H Limited and Saga Cruises Limited are Members of ABTA, with membership numbers W8164 and W8179 respectively. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of notifying us of your complaint; it will not determine how your complaint should be resolved.

16. If you have a complaint

We aim to provide you with an enjoyable and relaxing holiday. In the unlikely event that you have a complaint about any of the services included in your holiday, it is imperative that you report it to our representative or locally appointed agent or hotel director or our duty officer by calling 01303 771999 or emailing duty.officer@saga.co.uk as soon as possible to give them the best opportunity to resolve any issues in resort. If it is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Relations Department at Saga Holidays, Enbrook Park, Folkestone, Kent CT20 3SE. Alternatively, e-mail us at: customer_relations@saga.co.uk or call 01303 774122. Please keep your letter concise and to the point and give your holiday reference number and all other relevant information. If you fail to follow the requirement to report your complaint in resort, we will have been deprived of the opportunity to investigate and rectify it and this may affect your rights under this booking. Please also see clause 15 above on ABTA.

17. Additional assistance

If you're in difficulty whilst on holiday and ask us to help we will provide appropriate assistance, in particular by providing information on health services, local authorities and consular assistance; and helping you to find alternative arrangements and any necessary phone calls/emails. You must pay any costs we incur, if the difficulty is your fault.

18. Data protection

Any personal data you provide will be held securely and for the purpose you have provided it, in accordance with data protection legislation. We may need to disclose personal data to a third party including outside the European Economic Area (EEA) for the purpose of providing your holiday. In addition, your data may be disclosed to regulatory bodies or public authorities, such as customs or immigration, for the purposes of monitoring and/or enforcing compliance with any regulatory rules/codes; and it may be used for marketing, offering renewals, research and statistical purposes and crime prevention. Where you provide information about another person, we accept it on the basis that you have their permission to give us access to their personal data (including special category personal data) and that you have told them who we are and what we will use their data for, as set out above.

If Saga has obtained your permission to do so, they will also contact you by post, telephone, email or other means to tell you about offers, products and services that may be of interest to you. At any time you can opt out of receiving such information, revise the products you would like to hear about or change the method they use to communicate with you. You can update these preferences by calling 0800 092 3665. For further information about how the Saga Group uses your personal information,

please visit saga.co.uk/privacy-policy or contact the Saga Group Data Protection Officer by email: data.protection@saga.co.uk or post: The Saga Building, Enbrook Park, Sandgate, Folkestone, Kent CT20 3SE.

19. Holiday information

Passports: You will need a valid passport for all overseas holidays featured. As requirements vary and can change without notice, we strongly advise you to ensure that your passport is valid for at least six months after the end of your holiday. We recommend that you have at least three blank pages in your passport to cover potential immigration formalities, which may be required in some countries. We recommend that you also take your passport for identification purposes when taking domestic flights.

Visas: If you are a full British citizen resident in the UK, for the majority of destinations, if required, Saga will obtain your visa or tourist card free of charge (postage is not included). We will advise you at the time of booking where you are responsible for obtaining your own visa. For Russian visas, Saga will obtain the paperwork and you will be responsible for purchasing the visa at the Russian visa centre. Should you be unable to obtain a visa for whatever reason and as a result are unable to travel, our usual cancellation fees apply. An application pack will be sent to you approximately 60 days before you travel (90 days for Russia). In order to obtain your visa, it is important that we receive your passport and any applicable documentation in good time before your holiday starts. If you return these documents late, you may incur an additional charge. For passengers cruising into Libya, a group visa will be issued on arrival in Libya for all holders of UK passports, allowing you to go ashore independently and on an organised shore excursion. Passengers holding a US or Swiss passport will not be able to enter Libya. Passports must be valid for at least six months and must not contain evidence of a visit to Israel. For passengers cruising into Algeria, a group visa will be issued prior to arrival for all holders of UK passports, allowing you to go ashore on an organised excursion only. Because of this, all Algerian excursions must be pre-booked. Passports must be valid for at least six months and must not contain evidence of a visit to Israel. It may be necessary for you to arrange your own individual visas for independent travel in some ports. For further information about passports and Saga's visa service, call Saga on 0800 525 290 or email visa@saga.co.uk. If you are telephoning from outside the UK, please call +44 (0)1303 771138 (please note that this is not a freephone number). If you are not a full British citizen resident in the UK, you must confirm your nationality or status at the time of booking. Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

Optional Activities: Any optional activities including, but not limited to, excursions, entertainment, amenities, activities (including Holiday Experience activities) and other tours ('Optional Activities') that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For all Optional Activities, your contract will be with the operator/supplier of the Optional Activity and not with us. We are not responsible for the provision of the Optional Activity or for anything that happens during the course of its provision by the operator/supplier. Full details of the Optional Activities available will be provided in the itinerary sent to you before you travel. Details will also be available to you in resort. We cannot guarantee that the Optional Activities will be available during your holiday and they will only operate if a sufficient number of people wish to take part. Optional Activities are sold subject to the laws and exclusive jurisdiction of the courts of the country or state where purchased. We have included them in brochures and on the website to illustrate your choice, not as a recommendation to take part. If you intend to take part in any Optional Activities, please check your insurance policy to ensure that you are covered for anything that may be considered hazardous. If you are in any doubt, you should contact your insurer. Please also note that any medical services on board our cruises are similarly provided by independent contractors, which do not form part of the holiday package and for which we cannot accept any responsibility.

Cabins – inside/outside guarantees: With these special offer fares, you are guaranteed the minimum grade of cabin shown in the brochure, just not the specific cabin. This will be allocated to you later on, sometimes as

you embark the ship. If you choose not to accept your allocated cabin, which could be located anywhere on the ship, this is treated as a cancellation (see section 7). There is the chance you may be upgraded, although this is subject to cabin availability and in no way forms part of this offer. Note that twin cabins may have two single beds or a double bed.

Mobility and assistance: Our ships have a limited number of cabins adapted for use by those with restricted mobility and we are limited as to the number of disabled passengers or passengers with reduced mobility that we can carry. We reserve the right to refuse the carriage of any person if carrying such a passenger would put us in breach of any applicable safety requirement or law. We also reserve the right to refuse carriage if the design of the vessel and/or the port infrastructure and equipment would make carriage unsafe or not operationally feasible. We reserve the right to require that a disabled passenger or a passenger of reduced mobility is accompanied by another fare paying person capable of providing assistance to ensure compliance with any applicable safety requirement or law or if the design of the vessel and/or the port infrastructure and equipment means that a disabled passenger or person of reduced mobility cannot be carried in a safe or operationally feasible manner without the assistance of another person. Please advise us at the time of booking if you or any member of your party has reduced mobility, requires a specially adapted cabin or would require assistance in an emergency, or as soon as possible before departure should there be a change in circumstances. This is essential for travel by sea or inland waterways, as a risk assessment may need to be carried out prior to your departure. If you do not inform us of such a condition we will not be liable if an airline or cruise line refuses to accept you or any member of your party as a passenger. In the same respect, for land based holidays we need to be made aware of any special requirements that may affect your holiday as our representatives will only be able to provide support in an emergency. Under European law if you are disabled or have difficulty moving around, you can receive assistance when you fly. This free service is available to anyone with mobility problems, for example, because of your disability, age or a temporary injury. To take full advantage of the service you need to book at least 48 hours in advance of your flight. Please contact us as soon as possible prior to your departure. You can also visit our website at saga.co.uk. Please note that personal daily care cannot be provided by any member of the ship's staff.

Health formalities: We will advise you with your holiday confirmation of any vaccinations that are required as a condition of entry to the country(ies) that you are visiting. We recommend that you consult your doctor at least 12 weeks before departure, and they will advise you about any other vaccinations required. You may wish to refer to government health advice for your destination at fco.gov.uk/en/travel-and-living-abroad/travel-advice-by-country/ or call the 24-hour phone line 0845 850 2829 – calls cost 4p per minute with BT; other network prices may vary. Please note: In the interests of the health and safety of fellow passengers, it is a condition of travel that passengers must use the hand sanitisers provided when embarking and disembarking our ships.

- Direct flights are not necessarily non-stop and may have to make an intermediate stop en route.
- Where a meal or snack is included on your flight, this is provided by the airline on a complimentary basis and has no cash value. Should the airline not offer this service for whatever reason, or your flight is amended to an airline which does not give refreshments, no refund shall be made.
- Banned or restricted air carriers: Regulation (EC) No. 2111/2005 came into force in January 2006, establishing a Community list of air carriers subject to an operating ban within the Community. The list is available at <https://ec.europa.eu/transport/modes/air/safety/air-ban>.
- We want all of our customers to be comfortable and relaxed while travelling by coach. For this reason, we do not allow smoking, pets or personal audio equipment on coach journeys.

- We cannot guarantee the class of your rail travel. We will notify you if your preference is unavailable for all or part of your journey and explain your options.
- In respect of VIP door-to-door service transfers, customers may have to share use of the vehicle with customers on different bookings save where the booked service is private.
- Where possible, Saga may facilitate pre-booking of seats and other ancillary items where offered by our transport suppliers. This may be subject to transport supplier charges and Saga administrative charges. Actual seat numbers booked by us cannot be guaranteed as there may be changes for airline operational, safety or security reasons. However, the airline will, where possible, re-accommodate your seats together and match your seating preferences. Where this is not possible then we will refund any applicable seating charges paid to us for the flights affected.
- We cannot accept responsibility for any purchases made on holiday, either individually or when taking part on a tour or excursion. A recommendation to visit a venue is not a recommendation to purchase and the customer does this at their own risk.
- Ships' cabins can vary in size within the same grade. We cannot guarantee the composition of your cabin. It may contain foldaway beds, upper and lower berths, sofa beds or permanent beds. Sea view cabins can be restricted by lifeboats and deadlights, and some inward facing cabins have no porthole. Your cabin may be affected by vibration and mechanical noises.
- In the interests of safety and the well-being of our customers, the Masters (and Saga Cruises Limited) shall have absolute discretion to alter the routing of the cruises at any time and for any reason. The safe navigation of the ship is paramount and circumstances where the route may be changed include, but are not limited to, Unavoidable and Extraordinary Circumstances.
- All ships featured are measured by the gross registered tonnage. This is not the weight of the ship but the total volume of all permanently enclosed spaces.
- The currency used on board cruise ships will depend on the ship's nationality. Many ships operate a 'cashless' system whereby you sign for all purchases which are then charged to your cabin. You settle up at the end of your cruise and can pay by credit card, cash or travellers cheque.
- Cruise escorts will only be available if a minimum number of passengers is achieved.
- Unless otherwise stated, there will be an extra charge for optional facilities, such as sports facilities, bars and Internet facilities. We cannot guarantee special requests that may also be subject to an additional charge.
- Don't forget to check that you have all your belongings before returning home. If necessary and if requested, we will do what we can to return any lost items, but please be aware that restrictions apply and there will be a cost for this service. Details can be obtained from our after-sales team.
- Please note, hotels reserve the right to change the delivery of their meal services, without notice. Where we refer in our brochure to buffet meal service or waiter meal service, this was correct at the time of publication.
- Due to local conditions in some ports, we may be unable to use the most accessible gangway. Passengers may be required to negotiate a steep gangway and/or steps. For customers who are unable to walk unaided or require a wheelchair/scooter, it may be necessary to remain on board.
- If you have any special difficulties or needs, such as a particular diet, you must notify Saga on 0800 373 034.
