The Fred. Olsen difference

At Fred. Olsen, we understand what makes a cruise holiday so special. It's sailing to incredible destinations far and wide in pure comfort with like-minded travellers, enjoying fabulous food as you glide across the ocean and along beautiful rivers, discovering out-of-this-world experiences and awe-inspiring sights and forging friendships that will last a lifetime.

With our extensive experience and knowledge of the cruise industry, we aim to help you explore, learn, discover and make the most of every destination you visit with us; both during the time you spend on board and ashore. We are committed to making sure that every Fred. Olsen cruise is an enjoyable, engaging and memorable experience, no matter how many times you've cruised before.

Taking you even closer with RIBs

With closer cruising at the heart of our ethos, wherever possible we take our vessels right into the heart of the destinations. But the 'closer' experience doesn't stop there. Our immersive on board RIBs can take you closer than ever before, diverting away from regular tourist trails to reach narrow waterways and natural wonders that regular cruise line guests never get to see.

Award-winning cruises

Our friendly staff and crews always work hard to give you the holiday of a lifetime. Pleasingly, this has been recognised by Fred. Olsen winning both 'Best Ocean Cruise Line' at the Silver Travel Awards and *Cruise Critic's* 'Best for Itineraries' for four years running. Equally reassuring is that from over 32,000 independent guest reviews on Feefo, Fred. Olsen has a guest experience rating of 4.5 out of 5, along with Feefo's Trusted Merchant Status – awarded for the fifth time.

Cruise with real confidence, with Fred. Olsen's Enjoyment Promise**

We're so confident that you'll enjoy the whole Fred. Olsen experience that if you find that it's not for you within 48 hours of sailing, just let us know and we'll arrange for a flight back to the UK from the next port and give you your money back. So your relaxation starts the moment you choose Fred. Olsen.

**Please read Terms & Conditions on back cover before booking

Fabulous food – all day, every day

Dining on board is sure to be one of the highlights of your holiday, combining mouthwatering menus with the friendly and personal Fred. Olsen service. All menus include vegetarian options and healthier alternatives, too. Should you have any special dietary requests, simply let us know at the time of booking. For a particularly memorable dining experience, each ship offers premium speciality dining (for a small supplement) in exclusive indoor or al fresco locations. Spaces are limited, so booking ahead is recommended.

Making the most of every moment

Your on board experience is sure to be every bit as memorable as your time ashore. During the daytime, there are games, quizzes, lessons and tutorials, as well as entertaining and informative talks from guest speakers and experts. There are plenty of ways to help you stay in shape too, including Fitness Centres, swimming pools and fitness classes; while the soothing Atlantis Spa offers a wide range of revitalising treatments (selected fitness classes and Atlantis Spa treatments are payable in addition to your cruise price). When night falls, relax and enjoy the sparkle of cabaret, comedy and music as the evenings come alive with orchestras, pianists, entertainers and shows.

Grand Voyages

No other holiday experience quite compares with a Grand Voyage. The two once-in-a-lifetime itineraries in this section are packed full of unforgettable experiences. Cape Town, Singapore, the Falkland Islands and Rio de Janeiro are just some of the breathtaking destinations on the menu.
