°ISRAEL & OMAN

Explore the sacred treasures of the Holy City of Israel and the stark terrain of Oman. Immerse yourself into the intriguing culture and centuries-old heritage.

- Discover the secrets of the ancient lands and explore the complexities of a city held sacred by three religions. From the home of Jesus to the skyscrapers of Tel Aviv, Israel is a land of splendid contradictions.

Feast your eyes on the ripples of golden sands of Oman that seem to kiss the skies at the horizon, and take in the sight of the emerald green waters of the Bimah sinkhole. Often overshadowed by its opulent neighbour, Oman has been quietly harbouring an oasis of wonder.

Mystical, spiritual and holy; complex, engaging and contradictory, Israel is a land like no other. From Jerusalem's sanctified monuments that will stir emotions, to the beaches and nightlife of Tel Aviv, Israel is a land so wonderfully complex, seldom has a traveller returned unchanged.

Ancient and Holy Treasures

Tour the land of the Bible, home to deep religious roots and timeless treasures. Discover the kaleidoscope of Israel's archaeological riches, from Bethlehem with its 4th-century Church of the Nativity, to the headquarters of Jesus' ministry in Galilee. Explore Nazareth, the childhood home of Jesus and the beguiling and bewildering city of Jerusalem. You will find that immersing yourself into the cradle of civilisation is both enlightening and grounding.

Culinary Wonders

Get a taste of modern Israel; a melting pot of culture, tastes, scents and sounds. From fine dining in Tel Aviv's world-famous restaurants, to the vibrant food markets in Jerusalem, intimate cooking classes, and wineries that dot the country – sampling authentic local cuisine is the perfect way to learn about Israel's rich and diverse cultural heritage.

The New Face of Israel

Harmoniously co-existing with the ancient landscape, bustling cities like Tel Aviv present a refreshingly new face of Israel. Take in the paradox of Tel Aviv's vibrant night life, impressive skyline, quaint street cafés and dazzling Mediterranean beaches. You can explore the various facets of the Old City through the eyes of both a Palestinian and an Israeli guide, as they discuss the contemporary issues faced by the country. Visit the unique community of Kibuttz to understand the foundation of modern Israel as well as marvel at the community's social initiatives. Participate in a Shabbat ceremony and further enrich your understanding of Israel.

- A Jerusalem, Israel
- B Jebel Akhdar, Oman
- C Grand Mosque, Muscat, Oman
- D Old Town, Tel Aviv, Israel

The emerging destination of Oman is one of intriguing cultures, stunning natural beauty and intricate history. With Scenic, discover all the hidden secrets this amazing country has to offer.

Discover the Historic Past

The capital Muscat has a history dating back over 900 years. Set between the Hajar Mountains on one side and the sparkling waters of the Gulf on the other, this important port city has a colourful history with past rulers including the Persians and the Portuguese Empire. At Nizwa, the old capital of Oman, the Fort is one of Oman's most famous heritage landmarks and an impressive monument to Omani architecture dating back to the 12th century.

Untouched Natural Beauty

The geographic diversity of Oman is one of its key attractions. The barren and rocky Hajar Mountains dominate the landscape punctuated with green swathes of date palm plantations.

Jebel Akhdar covers the mountain tops high above the desert floor. At Wahiba Sands, the vast stretches of sandy desert and dunes rise up to 150 metres providing the perfect backdrop for sunsets in the wilderness.

°AFRICA

The ultimate African adventure of your imagination may depict a tapestry of magnificent landscapes and wild creatures roaming the vast plains.

- You might find that the reality far surpasses your wildest dreams and that your fondest memories will be of the people and cultures you encounter along the way.

Be enthralled by stunning coastlines and vibrant cities, soaring peaks, gently rolling plains and some of the most intriguing cultures in all of Africa.

Traversing the African continent is one of the world's epic journeys. Track the 'Big Five' of Kruger National Park, witness the power of Victoria Falls and marvel at the diversity of wildlife in the great game parks of Kenya and Tanzania. Endless possibilities for adventure present themselves at every turn.

South Africa & Victoria Falls

From the beautiful Cape coastline, to Table Mountain, Cape Town, Kruger National Park and, of course, Victoria Falls, there's simply nothing to add to any description of this remarkable region, these are wonders that speak for themselves.

Here you'll find a very different wilderness and completely new encounters. Some of it is hilly and carpeted in veldt, then there's the rolling highveld, with a wealth of natural wonder held protectively in the preserve of the nation's renowned Kruger National Park. And beyond that, there is so much to be discovered. A unique and compelling history, cities that are a distinct amalgam of cultures, and landscapes that shift beguilingly from one province to the next.

There's nothing quite like standing in front of the world's largest sheet of falling water which rises up to 108 metres high and spans a gorge carved out of a flat plateau. Victoria Falls isn't just a spectacular natural feature, it's also a place of immense spiritual strength and beauty.

Kenya & Tanzania

The 'greatest wildlife spectacle on Earth', the Masai Mara is home to 95 species and, during the annual Great Migration from July to September attracts over a million wildebeest, zebra and impala. A phenomenon that has to be seen to be appreciated. Enjoy marvellous views of Mount Kilimanjaro, as massive herds of elephants migrate across the dry plains of Amboseli National Park. Shift your gaze downwards to the incredible vistas over Ngorongoro Crater. And, even more spectacular than the views from above, is a game drive along the crater floor among an unparalleled concentration of wildlife. Mass wildebeest migrations so momentous that the ground thunders underfoot, lakes painted pink with flamingos, the snowcapped peak of Africa's highest mountain - these are just some of the wondrous sights on display.

Botswana & Namibia

There are no deserts guite like the ancient Kalahari and the dazzling Namib. Environments unlike any other, these ecosystems are home to some of the most distinctive fauna on the planet, all of whom have had to adapt to this uniquely waterless world. Encounters beyond the extraordinary make Chobe National Park an African Jewel that should be on everyone's bucket list. Experience a very different kind of wildlife excursion, for there are still places in these lands of incredible contrasts, where the animals never get to encounter human beings.

Cape Town to Okavango Delta

Z 24 Day Tour & Cape Town > Maun NEW

Moments of wild wonder

The Okavango Delta is a remote, water-locked wonderland. Here you'll find African wildlife in enormous abundance. In this alternate dimension, human beings have no foothold, and their presence here can be just as surprising to the many creatures that call the delta home.

Many hundreds of bird species flock to these waters and thousands of animals are drawn to the banks daily. The Moremi Game Reserve occupies the east and central areas of the region. Here, dugout canoes are used to navigate past hippos, elephants and crocodiles. You'll soon find yourself immersed in a different world entirely. Make the most of it, and capture those moments of wild wonder at their most authentic.

Bookings

1. We welcome passengers with medical conditions or disabilities. If you or any member of your party has any medical condition or disability which may affect your tour or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability or medical condition after booking. We must reserve the right to decline a reservation of any person or, if full details are not given at the time of booking or the condition/disability develops after booking, cancel when we become aware of these details, if we reasonably feel unable to properly accommodate their particular needs. In the event that you require assistance with embarking or disembarking as a result of your reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. Any passenger affected by a disability or medical condition must ensure they have notified this to their travel insurers and that their travel insurance will provide a suitable level of cover (see clause 36 for more information about insurance).

2. The operation of all tours is conditional on us securing the minimum number of bookings required to operate the tour and to ensure an enjoyable group atmosphere. Where sufficient numbers cannot be achieved, we reserve the right to cancel or change a scheduled tour. Please also see clauses 18 and 19. We will notify you no less than 60 days prior to the departure date of the tour if we have to cancel or significantly change a tour due to lack of numbers.

3. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

We will automatically assume that you do not wish to proceed with a booking if the applicable deposit or full payment, as applicable, is not received by us and we will have no further liability to you. Any accommodation, sightseeing or flights we book for you which are separate to those stated in your itinerary are not included in the deposit or tour price. An extra payment will be required to cover the costs of these additional services, and these services will not be booked until both your holiday deposit and additional service costs are paid in full.

5. Deposits are non-transferable and nonrefundable except as expressly set out in these terms and conditions. We therefore recommend that you take out adequate insurance prior to booking.

If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled. 7. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

10. A binding contract between you and us comes into existence when we issue our confirmation invoice. What are your on-tour obligations?

11. (a) You must follow the Tour/Cruise Director's instructions at all times. You acknowledge that failure to do so may result in restricted access to areas on tour, or if necessary for your own safety and/or that of other passengers, withdrawal from the tour. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the tour of the person(s) concerned.

We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the tour, you must make your own return travel arrangements at your own expense.

12. Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking. Once the tour price has been confirmed at the time of booking, clause 13 below will apply.

13. Once your tour price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your tour price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your tour price (excluding insurance premiums and any amendment fee) will we levy a surcharge. If any surcharge is greater than 10% of your tour price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another tour from us see clause 18. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another tour where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the tour price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the tour price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 30 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

15. The tour brochure and these terms and conditions are valid for the departure dates as stated in the tour brochure unless extra dates are added or otherwise expressly advised by us.

Variation or cancellation by us

16. We start planning the tours we offer many months in advance. Occasionally, we have to make changes to and correct errors in the details of advertised tours both before and after bookings have been confirmed and cancel confirmed bookings.

17. In the event of industrial action affecting air, rail, cruise or other tour related transportation

we will make every effort to contact the lead name and advise of alternative arrangements (if any). However, if contact is not made, you should phone 0808 231 3933.

18. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. However, due to the nature of travel, it may not always be possible for Us to adhere strictly to Your Itinerary and the Operator may need to make alterations to the Tour or Your Itinerary, before or after the commencement of the Tour. Where, due to circumstances outside the Operators control, We are unable to provide the Tour in accordance with Your Itinerary, We will use reasonable endeavours to:(a) give You reasonable notice of any alterations, but there may be circumstances beyond Our control in which alterations will be required with little, or no, advance notice; and(b) provide or arrange appropriate alternative activities, transport and accommodation as required. Occasionally, we have to make a significant change to or cancel a confirmed tour and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your tour. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one. A change of flight time of less than 12 hours, airline (except as specified in clauses 48-51 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.

19. If we have to make a significant change to or cancel a confirmed tour, we will in addition to the options set out in clause 18 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be pavable and no liability beyond offering the options set out in clause 18 can be accepted where (1) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (2) we have to cancel because the minimum number of bookings necessary for us to operate your tour has not been reached - see clause 2. No compensation will be payable and the options set out in clause 18 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms

and conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

20. Very rarely, we may be forced by Force Majeure (see clause 34) to change or terminate your tour after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

Amendment or cancellation by you

21. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 90 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

22. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of tour dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the tour price where, for example, the basis on which the price of the original tour was calculated has changed.

23. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day).

The following cancellation fees apply to each person(s) cancelling and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

24. Cancellation Fees

Days of notice prior to Tour commencement and cancellation charge (per person)

For third party tour codes: DMEJ, DMCD, DMGD, DMCC, DMEE, DMGR, DCDI, DMDI, DMCI, DCDO, DMDO, DMRD, DCTC, DCTJ

180 days and over	Loss of deposit

90 days & less	100% of tour price
For all other tours	

For all other tours:

120 days and over	Loss of deposit
119 - 91 days	50% of tour price
90 days & less	100% of tour pric

NB. Transferring to another date is treated as a cancellation and the cancellation fees above will apply.

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and reinvoice you accordingly.

Our liability

25. We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following: -

- The act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- The act(s) and/or omission(s) of a third party not connected with the provision of your tour and which were unforeseeable/unavoidable or
- Force Majeure as defined at clause 34 below.

26. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our tour brochure as part of your tour and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your tour. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

27. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the tour arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable tour participant to refuse to take the tour in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 24. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

28. As set out in these booking conditions, we limit the maximum amount we may have to

pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1000 per person affected unless a different limitation applies to your claim under this clause or clause 29 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 29 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your tour.

29. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

30. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self employed loss of earnings.

31. You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out below. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to co-operate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

Suppliers

32. Many of the services which make up your tour are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 29).

33. Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

Force Majeure

34. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure. "Force Majeure. "Force Majeure" means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include (whether actual or threatened) war, terrorism, exceptionally high or low water levels, fire, flooding, unusual weather conditions, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, riots or civil disturbances, acts of government, government agencies or other authorities, inability to obtain any necessary licence or consent through no fault of ours and any other event or circumstances beyond the control of us or any supplier of any part of your tour, set out in clause 25 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

Risk and travel insurance

35. You acknowledge and accept that there are inherent risks associated with our tours for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations.

36. We strongly advise you to take out adequate and appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative and emergency repatriation in the event of accident or illness. Guests travelling to Israel and Iran will be required to travel with comprehensive travel insurance. Failure to do so may result in guests being denied entry into these countries.

37. Please read your policy details carefully and take them with you on your tour. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Service availability, itinerary changes and travel advice

38. During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible. Shabbat in Israel is the Jewish name for the Sabbath and is observed weekly. It begins at sundown on Friday and ends at sundown on Saturday. Operational hours of shops, markets and restaurants are reduced during Shabbat. 39. The Foreign and Commonwealth Office may have issued information about your tour destination. You are advised to check this information on the internet at

www.gov.uk/foreign-travel-advice.

Smoking

40. Smoking (including e-cigarettes) is not permitted inside tourist coaches and such other places as are prohibited by us or our suppliers. We will use reasonable endeavours to ensure there are frequent stops on any coach trip and there are permitted areas outside decks onboard some cruise vessels which are available for smoking, however we cannot guarantee these facilities will be available.

Baggage allowance and luggage restrictions

41.1 You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 76 x 53 x 28cm/30 x 21 x 11in and weight up to 23kg (50 lbs) dependent on any airline restrictions. Personal and valuable items such as make-up, cameras, medication, passport, money/credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost. 41.2 For the ZCTC/ZCTK Program, when You are travelling in Kenya there are luggage restrictions due to limited luggage space on flights and four wheel drive safari vehicles. We recommend You use a soft bag (sports bag or alternative) to pack essential items into during this portion of the Tour. Suitcases are unable to be taken with You whilst tour throughout Kenya and will be delivered back to You at Nairobi Airport. Our Service Provider will take reasonable steps to ensure the safety and security of the remainder of Your luggage during this portion of the Tour.

Young travellers

42. Travellers who are less than 21 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 21 or over. Children under 12 years of age are not encouraged and are accepted or rejected at our sole discretion. This is a condition of carriers and cruise operators we use.

Complaints and Damage

43. If a problem occurs during your tour, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your tour. You must also advise the supplier concerned. Any verbal notification must be put in writing and given to our representative/ agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made in writing to us giving full details within 30 days of the end of the tour. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result. Only the lead name should write to us.

Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to ABTA's Alternative Dispute Resolution Scheme. The scheme provides for a simple and inexpensive method of resolving disputes and, where appropriate, arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The arbitration scheme does not apply to claims for an amount greater than $\pm 5,000$ per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1.500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA. only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts/ omissions of the supplier.

44. When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss (reasonably estimated if not precisely known) must be made direct to the accommodation owner or manager or other supplier or to us as soon as possible. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions. You should ensure you have appropriate travel insurance to protect you if this situation arises.

The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions. weather conditions. potential technical problems and the ability of passengers to check in on time. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 18 and 19 will apply. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

If you suffer a delay to your outbound travel arrangements, we will do our best to assist you make the start of your tour or, if this cannot be achieved, join it as soon as possible any costs we incur in making any alternative arrangements in this situation will be your responsibility. In the event of a flight delay, the airline concerned may provide refreshments and/or other assistance depending on factors such as the length of the delay, time of day and number of passengers affected. We cannot accept liability for any delay which is due to any of the reasons set out in clause 25 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

51. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment. distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. Passports and visas

54. British (citizen) passport holders are recommended to have a valid passport with at least 6 months validity from return date. It is your responsibility to ensure any visas required for countries to be visited on the tour have been obtained prior to the tour departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

Please note: You must ensure that You obtain prior to the Tour Departure Date all required entry visas for all countries to be visited during the Tour, as failure to obtain correct documentation may affect Your participation in certain shore excursions and entry to certain countries during the Tour.

If You do not have the correct visa or other documentation necessary to enter a country or participate in any aspect of a Tour ("Documentation"): (a) We will not refund to You all or any portion of the Tour Price; and (b) You will be responsible for any costs You incur as a result of Your failure to obtain the required Documentation, including any costs associated with re-joining the Tour.

55. A full British passport presently takes approximately 4 to 6 weeks to obtain. If you are 16 or over and have not yet got a passport, you should apply for one at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. If you are not a British citizen or hold a non British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) you are travelling through and to which you are intending to travel. Please note, all requirements may change and all clients must check the up to date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

56. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac. org. Information on health abroad is also available on www.nhs.uk/Livewell/Travelhealth. Vaccination and other health requirements/ recommendations are subject to change at any time for any destination. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information. Travellers to certain areas in Africa may be refused entry if they do not hold a Yellow Fever International Vaccination Certificate. Check the country specific requirements for your destination and also consult your doctor. You will not receive a refund if you are unable to be vaccinated and if as a result decide not to complete the Tour.

57. It is the lead name's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty, costs or expenses being imposed on or incurred by us, you will be responsible for reimbursing us accordingly.

Financial security

58. We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 9294). When you buy an ATOL protected flight or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating

to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable.
