Dear Readers and Travel Enthusiasts,

Another year brings new ships to our fleet as we continue to strive to offer the best experience in cruising along European rivers. The "AMADEUS Star" was christened and entered service with the 2019 season and we are proud to announce the upcoming christening of the AMADEUS Imperial in the spring of 2020. Both vessels continue our over 30-year tradition of innovation and excellence with a focus on modern elegance and luxurious comfort. From our glass-protected River Terrace to our in-cabin panorama drop down windows in our Silver class vessels, the indoor pool on the "AMADEUS Queen", the infinity pool on the "AMADEUS Provence", as well as the newly designed lounge on the "AMADEUS Star", it is all about your onboard experience and ultimate comfort as we introduce you to our European heritage and hospitality.

As a traditional family owned Austrian company, we care about the environment as we cruise in "our own backyard" and utilize the latest state-of-the art systems and on-board technology to maintain and sustain our rivers and environments around us.

We sail through Burgundy and Provence along the Rhône and Saône rivers in the south and from Paris to Normandy along the fabled Seine river in the north of France.

In addition, we feature our popular theme cruises offering a variety of masterfully curated Golf and Music cruises as well as our winter portfolio including special holiday itineraries and New Year's cruises.

WATERWAYS OF HOLLAND AND BELGIUM

Tulip Serenade

Amsterdam – Ghent – Amsterdam

The castle Gravensteen in the historic core of Ghent

DAY 1 | NETHERLANDS: AMSTERDAM

This afternoon, embark and settle into your cabin. This evening, join us for a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

A traditional shanty choir performance on board makes a perfect beginning to your journey.

DAY 2 | AMSTERDAM

After a restful night on board, set off to see the sights of one of the most unique cities in Europe. Beautiful bridges connect numerous parts of the city, which is divided by hundreds of canals and waterways, and lined with 17th century architecture.

Be sure to stop by the Oude Kerk (Old Church), the oldest building in the city, or perhaps stop by the Anne Frank House; the day is yours! Enjoy a delicious dinner on board, after which the vessel leaves Amsterdam.

DAY 3 | ARNHEM

Breakfast is served as the vessel arrives in the city of Arnhem. Located in the eastern part of the Netherlands, Arnhem is a bustling city with plenty to offer, including a rich heritage including the famous John Frost Bridge – a “bridge too far” during the Battle of Arnhem – the Airborne Museum of Hartenstein and an Open-air Museum which depicts daily life in Arnhem. You can also visit the Burgers’ Zoo, the most-visited zoo in the Netherlands. Back on board, enjoy dinner as we cruise to the capital of Zeeland.

DAY 4 | MIDDELBURG

After a morning spent cruising the waterways, we arrive in the picturesque town of Middelburg. In the Golden Age (17th c), the Dutch East India Company flourished, evidenced by the merchant houses and storefronts that line the canals. For a feat of modern technology, visit the impressive Delta Works. This expansive series of dams was built to protect the area against flooding and high tides. Several original windmills still stand on the outskirts of town, representing another innovative technology of a bygone era.

DAY 5 | BELGIUM: GHENT

Overnight, cross the border into Belgium and reach the city of Ghent, where your vessel will remain anchored for the day. Ghent is the country’s third largest city and one of Belgium’s best kept secrets. Home to the beautiful St. Bavo Cathedral and the famous Ghent Altarpiece, Ghent is also home to numerous other museums. There is something for everyone. Another beautiful city worth visiting is nearby Bruges, a UNESCO World Heritage Site. Visit the Basilica of the Holy Blood with its holy relic – a vial of blood – that is said to be that of Jesus. Or perhaps visit the Groeninge Museum with its collection of artwork that spans several centuries. This evening, join your fellow travelers for dinner.

DAY 6 | ANTWERP

Wake up in this beautiful Belgian port city, one of the largest ports in the world. Famous

for its diamond trade, Antwerp is also home to numerous cultural jewels. Among them, the Cathedral of Our Lady with paintings by the famous Baroque artist Peter Paul Rubens, including the Raising of the Cross and the Assumption of the Virgin Mary, is not to be missed. Spend the afternoon in Antwerp following individual pursuits or venture to the nearby capital city of Brussels, a major center for international politics. This evening, enjoy the Captain’s Gala Dinner.

DAY 7 | NETHERLANDS: ROTTERDAM

On today’s return to the Netherlands, we arrive at another major port city – Rotterdam. This vibrant city has a strong maritime history as well as bold, modern architecture. Nearby, the historic windmills of Kinderdijk are a good example of the rich history of the Netherlands and a contrast to the modern city. This afternoon, venture to the Keukenhof Flower Gardens. This beautiful park features more tulips in flower than anywhere else in the world. Over 7 million bulbs are planted here annually, with visitors from around the world coming to explore the nine-and-a-half-mile network of footpaths, including the largest sculpture park in the Netherlands.

Later this evening, enjoy a scenic cruise through Rotterdam as the vessel sets off for its final port of call – Amsterdam.

DAY 8 | AMSTERDAM

After breakfast, we bid you farewell. We hope to welcome you back again soon!

Basel – Amsterdam

The magical town of Cochem with the famous Reichsburg and the half-timbered houses

DAY 1 | SWITZERLAND: BASEL

Your journey begins in Basel, the third-largest city in Switzerland. After embarking, you can explore your AMADEUS ship and meet the cruise director on board at a Welcome Cocktail. Your floating hotel departs for Strasbourg shortly before the Welcome Dinner on board.

DAY 2 | FRANCE: STRASBOURG

During the night, your ship left Switzerland and followed the Rhine into the Alsace region in the south of France. During breakfast, arrive in Strasbourg – a city known not only for its romantic old town, but also for the numerous important European institutions housed there. In the morning, explore the city independently, or as part of an organized tour. A detour to the countryside is highly recommended, particularly along the famous wine route, where the quaint wine-growing villages will delight wine-lovers and the general public alike. Late tonight, your ship departs for Germany.

DAY 3 | GERMANY: SPEYER · MANNHEIM

Before breakfast, arrive in the Rhineland-Palatinate town of Speyer, which played an important role in the Holy Roman Empire during the Middle Ages. Your ship remains here until lunchtime, offering time to explore this historic destination. Your trip continues for roughly 25 kilometers toward Mannheim, our next stop along the picturesque Rhine for the remainder of the day. This young city

is best explored with an extended walk, or alternatively you can take a trip to the nearby city of Heidelberg, which boasts a beautiful Baroque old town. Late at night, your ship continues in the direction of Rudesheim.

DAY 4 | RÜDESHEIM · KOBLENZ

Two charming stops await you today. In the morning, arrive in Rudesheim, a town well known for its winemaking, especially Riesling wines. Nearby, Siegfried's Mechanical Music Cabinet with its historic automated musical instruments is a delight. Your AMADEUS ship will depart punctually at lunchtime to cruise the most beautiful section of the river – the legendary Upper Middle Rhine Valley. The view from the Sun Deck of the myth-enshrouded Lorelei Rock is sure to be a highlight of your cruise. Shortly thereafter, we arrive in Koblenz, one of Germany's oldest and most beautiful towns, where you can end the day with a leisurely stroll through the city.

DAY 5 | COCHEM

The vessel departs from Koblenz in the early hours, and makes a detour along the Mosel River to the most romantic part of the valley and the little town of Cochem. The magnificent Reichsburg Castle is situated high above the town, dominating the landscape. Down below, the village, with its narrow streets, half-timbered houses, and numerous restaurants, is an ideal setting to taste the

wines of the region. Back on board, dinner is served as the journey continues to Cologne.

DAY 6 | COLOGNE

The morning is dedicated to the fascinating city of Cologne, which has over a million inhabitants. You can expect a young, vibrant metropolis with a rich cultural history and many world-famous sights, in particular the Cologne Cathedral. A city tour here is a must for everyone with a cultural bent. After lunch, your floating hotel departs from Cologne. The afternoon is spent on board and in the evening, the captain invites you to a festive Gala Dinner, full of wonderful regional dishes.

DAY 7 | NETHERLANDS: HOORN · AMSTERDAM

By lunchtime you will have crossed yet another country border to arrive in the Dutch town of Hoorn. This picturesque village is the starting point for the optional overland trip to the north of Holland and Amsterdam. Those remaining on board will discover the beauty of the Dutch waterways as the ship glides toward the capital city of the Netherlands, where it will remain docked for the evening.

DAY 8 | AMSTERDAM

After breakfast, we bid you farewell. We hope to welcome you back again soon!

DAY 6 | ROMANIA: OLTENITA · FETESTI

The day is spent cruising the Danube as it winds through the beautiful countryside of Romania. Relax on deck as the picturesque scenery glides by. An excursion to the Eastern European capital city of Bucharest is offered for those wishing to explore inland. After dinner the vessel stops to pick up the returning excursion.

Spend the morning cruising Sfantu Gheorghe (St. George), one of the 3 main channels that make up the Danube Delta. At the meeting of the Black Sea and the Danube, this UNESCO site hosts 27 different ecosystems and is home to many unique species of birds, fish, and other creatures. From the fisherman's village of Saint George, observe the daily life of the people who inhabit this fertile delta. for the many caves and rock sculptures hiding among the steep hills. Over dinner this evening, relive the beauty of the day with your fellow travelers.

In 1687 the Austrian troops and Habsburg allies overturned the empire and regained the cities of the Danube. This afternoon, relax on board or

DAY 3 | ROUEN

This morning we reach Rouen, often called the “Ville Musée” (Museum Town). If you enjoy museums, visit one of the many art, history, and antiquities museums scattered across the city. Visit the cathedral that inspired Claude Monet, and the modern Church of Joan of Arc, with its magnificent 16th-century stained-glass windows. See the “Gros Horloge”, the astronomical clock and the Parliament of Normandy.

Finally, visit the “Place du Vieux Marché”, the site where Joan of Arc was burnt at the stake. This afternoon, venture down the romantic

“Abbey Trail” for a view of countless churches, castles, and abbeys.

DAY 4 | LE HAVRE

Although the harbor of Le Havre was largely destroyed in World War II, it was rebuilt and continues to be an important port city in Normandy. Explore the Normandy coastline with a walk along Étretat’s cliff-top paths for a view of steep chalk rocks with impressive needle-like formations, which have inspired many well-known artists. Nearby is the city of Honfleur, where the Seine meets the Atlantic. This harbor town is regarded as a jewel on the Côte Fleurie and is a wonderful place to spend an afternoon.

DAY 5 | LE HAVRE · CAUDEBEC-EN-CAUX

Today, visit some of the most important places in recent history – the Normandy landing beaches and the remains of the artificial harbor in Arromanches.

Not far from the solemn significance of the landing beaches are charming villages that champion many of the things the French hold dear: good wholesome food and drink, a strong local community and beautiful handcrafted things that last.

Throughout Normandy, artisan-cheesemakers, metalworkers, potters, lacemakers, bell forgers, and cidermakers still run thriving trades. After all, Camembert, Livarot, and Pont l’Évêque cheeses all come from Normandy, as do “caramels au beurre d’Isigny” made with creamy Norman salted butter.

Enjoy the smooth, layered flavor of Calvados, an amber-hued brandy distilled from cider and renowned for its sweet aroma.

Your Norman journey ends in Caudebec where you board the ship.

DAY 6 | LES ANDELYS · VERNON

Today, your vessel anchors in the little town of Les Andelys in the shadow of Chateau Gaillard, the erstwhile home of Richard Lionheart. Relax in town or venture farther afield to nearby Giverny, home to Impressionist Claude Monet until his death in 1926. The beautiful surroundings and vivid flora were the inspiration for some of his most famous works. The Captain’s Gala Dinner is a wonderful finish to a fantastic day.

DAY 7 | PARIS

In the early morning, we say “bienvenue” to the French capital once more. Explore the sights of the Cathedral of Notre Dame, the Eiffel Tower, and the bustling Champs Élysées. Another interesting area to explore is the quirky artists’ district of Montmartre. Numerous monuments and remarkable sites have contributed to the worldwide reputation of this district, which was an independent village before being absorbed by the growth of Paris in 1860. Climb to the Sacré-Coeur Basilica, 130 metres above sea level, and discover the panoramic view. Alternatively, round out your experience with a visit to the spectacular Palace of Versailles. Originally a small hunting lodge, the palace was extended to its current size by the “Sun King” Louis XIV and is now one of Europe’s largest palaces.

DAY 8 | PARIS

After breakfast, your AMADEUS crew bids you “adieu” and we hope to see you again soon!

Treasures of Burgundy and Provence
Lyon - Chalon-sur-Saône - Arles - Lyon

Lavender, the "blue gold" of Provence

RHÔNE · SAÔNE

DAY 1 | FRANCE: LYON

This afternoon, embark and get settled in your cabin. This evening, enjoy a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

DAY 2 | MÂCON

This morning the vessel arrives in the town of Mâcon, located in southern Burgundy. This wine region produces some of the most expensive wines in the world. Enjoy the trip through peaceful vineyards and be enchanted by the Mediterranean charm of this region. The excursion also takes you to "Hameau Duboeuf", Europe's premier wine park, dedicated to the history and production of Burgundy wines. At lunch, return to your vessel. Near the city of Mâcon is the Cluny Abbey, dedicated to St. Peter. This afternoon offers the opportunity to visit the spiritual heart of medieval Europe. Founded in 910, the abbey is comprised of three churches and was home to over 10,000 monks at its height. A sumptuous dinner is served on board.

DAY 3 | CHALON-SUR-SAÔNE · TOURNUS

Our exploration of the Burgundy wine region continues with a stop in the town of Chalon-sur-Saône. Half-timbered houses overlook the square teeming with art galleries, speciality shops, as well as a museum dedicated to photography. The countryside is filled with

famous vineyards such as Pommard and Puligny, a wine lover's delight. This afternoon, enjoy the scenery as the vessel continues on its way along the Saône, or perhaps choose to explore the medieval towns of Brancion and Cormatin and rejoin the vessel in Tournus late this afternoon.

DAY 4 | LYON

At the confluence of the Rhône and the Saône Rivers lies the third-largest city in France. This UNESCO World Heritage city is known for its cuisine as well as historical and architectural landmarks such as the Basilica of Notre-Dame de Fourvière and the Vieux Lyon (Old Lyon) which is the Renaissance area along the bank of the Saône. After an exciting morning ashore, relax as the vessel sails past the picturesque countryside and heads south.

DAY 5 | AVIGNON

Spend the day in the Provencal city of Avignon. The city is home to the Papal Palace, once the seat of western Christianity in the 14th century. The palace was home to six papal conclaves, but became obsolete when the papacy decided to return to Rome. The area of Provence is also home to the Pont du Gard, a three-level aqueduct constructed over 2000 years ago by the Romans, which is one of the architectural masterpieces of the ancient world. Your vessel remains in Avignon this evening.

DAY 6 | AVIGNON · ARLES

Arles captured the imagination of the brilliant Impressionist painter, Van Gogh. Walking through the town, many of the settings may seem familiar as some of Van Gogh's best known pieces reflect the beauty of the town. The Camargue Nature Park is located outside Arles. The park covers 86,000 hectares and is known for its unique flora and fauna, as well as semi-wild bulls and white Camargue horses. Enjoy dinner on board with your fellow travelers.

DAY 7 | CHÂTEAUNEUF-DU-RHÔNE · LE POUZIN

Spend the day relaxing on board, or disembark for the optional excursion to the Ardèche Gorge, another natural wonder of the area. Visit the "Grand Canyon of Europe" and rejoin the vessel in time for lunch in the charming small town of Le Pouzin, wedged between the limestone plateaus of the Grads and the riverfront. The *AMADEUS Provence* plies the beautiful waterways of Provence as it winds its way back to Lyon. This evening, the Captain invites you to his Gala Dinner.

DAY 8 | LYON

The crew of the *AMADEUS Provence* bids you farewell after breakfast. We hope to welcome you again soon!

LINZ WALKING TOUR

Discover the upper Austrian state capital Linz on a walking tour. It was a provincial and local government city of the Holy Roman Empire, and an important trade center, connecting several trade routes. As the city where the Habsburg Emperor Friedrich III spent his last years, it was, for a short period of time, the most important city in the Empire. It lost its status to Vienna and Prague after the death of the Emperor in 1493. There are many things worth seeing in Linz. Take a stroll down the main street, which leads to the main square. In addition to the medieval town square in the historic old town and the Mozarthaus, you can see baroque bourgeois family houses, the old cathedral with the Bruckner organ or the new cathedral. Visits depend on Cathedral and Mass openings/times. Visible from afar is the pilgrimage basilica on the mountain Poestling, the landmark of the town. A modern counterpart are the Lentos art museum and the Ars Electronica center, with its striking glass facade. If time allows, explore the local bakeries for a taste of the famous Linzer Torte (Linz Cake).

We will start the morning with a walking tour, including an inside visit to the magnificent cathedral that inspired Claude Monet, and the modern Church of Joan of Arc with its magnificent 16th-century stained-glass windows. EXCURSION ALONG THE "ABBEY TRAIL"

The romantic meanderings of the Seine River are lined with architectural gems: churches, castles and abbeys reflecting the glorious past of medieval Normandy.

More than 100 abbeys once covered this region. Follow our local expert to St. Wandrille, still a living, working community and Jumièges – described by Victor Hugo as the most beautiful ruin in France. They both belong to a prestigious group of Merovingian abbeys in Normandy that later became ducal monasteries.

A short drive in our tour coach will take you to the village of St. Wandrille. The abbey is often referred to as St. Wandrille and is located on the north bank of the Seine. Founded in 649 by St. Wandrille, former minister to King Dagobert 1st, the St. Wandrille Abbey can take credit for having trained a number of bishops and saints of the church, based on St. Benedict's teachings. The entire area is not open to visitors.

However, the ancient ruins of the abbey church are open. The monks purchased a Tithe Barn and moved it to the abbey grounds for their church where, except during services, it is open to the public. You can also discover a small, charming chapel near the monks' cemetery. During this stop, your guide will evoke the former greatness of the abbey church and explain the very interesting classical and medieval architecture which can be found within the walls of the abbey.

The tour will continue to Jumièges, where the first sight of the remains of the immense abbey church in its verdant setting is unforgettable. It's one of the most ancient and important monasteries in the western world. The abbey was founded in 654 by St. Philibert, a courtier at the court of King Dagobert 1st. Destroyed in 841 by the Vikings and again during the Hundred Years War, it was used as a source of dressed stone after the French Revolution. Despite its many 'wounds', the great silhouette seems engraved forever on the landscape. The vestiges of the cloisters and the conventual buildings are dominated by impressive twin towers (150 feet high), which enclose the Romanesque facade. After the visit, you will have some free time at the gift shop or time to relax and listen to the sound of rooks croaking and the wind rustling gently through the trees before heading back to the ship.

CANCELLATION, TERMINATION AND RIGHT TO REMOVE PASSENGERS BY AMADEUS RIVER CRUISES, LLC: Amadeus reserves the right to cancel a cruise at any time, or to have a passenger removed from a vessel in the following instances:

a) Without notice, if the passenger disrupts the execution of the travel or if his/her behavior is dangerous, harassing, abusive, threatening or otherwise disruptive to others or to himself or herself, or is not in accordance with these Terms and Conditions or the Terms and Conditions of the Passenger Ticket Contract, applicable rules or regulations, or the instructions of staff or crew members. In the event of such removal, Amadeus is entitled to recover the full cruise fare and, such passenger may be left at any port or place the vessel calls without any liability of Amadeus or its representatives. Amadeus shall not be required to refund

any portion of the cruise fare paid by any passenger who is removed under the terms of this paragraph, nor shall Amadeus be responsible for expenses for lodging, medical care, meals, transportation, or any other expenses incurred by the passenger. Amadeus shall be entitled to recover from the passenger any costs or expenses incurred by Amadeus, its representatives, or the crew members in the removal of the passenger or the exercise or enforcement of this clause.

b) If, by two weeks prior to the Departure Date, the advertised minimum number of passengers has not been reached, which is 80 passengers per cruise and, in the case of shore excursions, 25 persons, or whatever other minimum number of passengers has been indicated for the cruise or service concerned, or there is otherwise insufficient reservations or demand for the cruise, excursion or service. In all such cases Amadeus shall promptly inform the passenger of the cancellation and forward to him/her its withdrawal statement. All payments received by Amadeus from a passenger for such cancelled cruise will be reimbursed promptly to such passenger. Amadeus will not reimburse the passengers for any expenditure made in expectation of the cruise taking place.

c) If, by four weeks prior to the Departure Date, there has been a material unforeseen increase in the costs of the Departure Date through no fault of Amadeus. All payments received by Amadeus from a passenger for such cancelled cruise will be reimbursed promptly to such passenger.

REDRESS AND DUTIES TO CO-OPERATE: If travel services are not provided as contracted or are disrupted as a result of the fault of Amadeus then the passenger may demand redress in accordance with these Terms and Conditions and the Terms and Conditions of the Passenger Ticket Contract. Nevertheless, the passenger has a duty to co-operate in that he/she must do whatever he/she can reasonably do to contribute to remedying the disruption and to keep any losses that may arise as low as possible or avoid them completely. He/she has a particular duty to advise Amadeus and the tour operator's representative immediately of any possible complaints.

ACTS OF GOD, STRIKE, OR OTHER CONDITIONS BEYOND CONTROL:

a) Before the cruise starts: if execution of the cruise is materially made more difficult, jeopardized, prevented or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and for which Amadeus is not responsible, then the tour operator or Amadeus may cancel, delay or alter the cruise prior to the start of the cruise, and Amadeus shall not be liable for such cancellation, delay, alteration, or other inability to perform. Such circumstances include war, strikes, civil unrest, epidemics, and government directives (such as requisition of accommodation or of means of transportation), embargoes; natural disasters, and accidents; and damage to the vessel (especially to the hull and engines, etc.) or other occurrences that are equivalent to the examples mentioned above in their effect (force majeure). All payments received by Amadeus from a passenger for such cancelled cruise will be reimbursed promptly to such passenger.

b) After the cruise has begun: if the circumstances specified above come about after the cruise has begun then the tour operator or Amadeus may cancel, delay, or alter the remainder of the cruise, and Amadeus shall not be liable for such cancellation, delay, alteration, or other inability to perform. In that case, Amadeus shall, as a consequence of the cancellation, take the necessary measures and see to the return transportation of the passenger insofar as that is agreed in these Terms and Conditions and the Terms and Conditions of the Passenger Ticket Contract and is not precluded by the force majeure circumstances. If the contract is terminated Amadeus has the right to a claim only for reimbursement of the costs of the services that have been provided. The passenger must bear the additional costs of the return transportation and/or other necessary measures.

c) Changes in the water level: unusually low or high river water levels may cause changes to the itinerary, possible re-embarkation on another vessel or transfer(s) by coach or rail, or even to a shortening of the cruise. Amadeus, the tour operator and the vessel's captain sometimes have to take such decisions quickly. Such measures may not justify cancellation, termination or withdrawal from the contract by the passenger; and passengers may not derive from them any claims on the tour operator or Amadeus, including, without limitation claims for monetary damages.

TRAVEL DOCUMENTATION/VISAS: All passengers must have passports valid for six months following disembarkation and necessary visas when boarding. Passengers are advised to check with their travel agent or their consulate service to determine which documents they must obtain. If incorrect documents are obtained, passengers will be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Amadeus accepts no responsibility for obtaining required visas nor for advising guests of visa or other immigration requirements.

INSURANCE: Travel Insurance is not included in the listed fares. For your own peace of mind, we recommend You take out travel insurance, covering in particular possible costs of cancellation, as well as damage to and/or loss of baggage, costs of possible medical treatment, repatriation services, etc. Please take advice from your travel agent.

REVISIONS/CHANGES: After receipt of deposit for a cruise by Amadeus, all changes to the cruise are subject to a \$36 charge per change. See section above under Cancellation Policy for additional details on situations which are classified as cancellations rather than changes.

CHILDREN/MINORS: Due to the nature of our cruise itineraries, Amadeus vessels do not maintain facilities or services for children. On all cruises minors under the age of 16 must be accompanied and share a cabin with a parent, legal guardian or other responsible adult over the age of 21. We regret that we cannot accommodate children under 8 years of age, and we reserve the right to limit the number of minors under the age of 18 years on board.

PASSENGERS WITH SPECIAL NEEDS: Guests who have any medical, physical or other special needs must contact their travel agent or Amadeus directly to obtain specific information. All vessels and coaches are equipped to European standards. Vessel operators will, under appropriate circumstances, permit passengers to use motorized scooters and wheelchairs that satisfy criteria confirmed by Amadeus. In all cases passengers must understand and accept that the vessels do not have lifts permitting easy access from deck to deck, and that some decks are multilevel and/or have significant thresholds. Accordingly passengers with special needs may require the services of a responsible adult, and should be aware that crew availability to assist them is often severely limited.

OPERATOR: The Amadeus ships described in our brochure and other publications are operated by Danubia Kreuzfahrten GmbH / Vienna-Austria.

AMADEUS: Amadeus acts solely as a Sales Agent/Preferred Supplier for the above-mentioned operators of the vessels described in this brochure. Amadeus neither owns nor operates any of the vessels described herein and thus assumes no responsibility or liability for acts or omissions of the vessel owners or operators or their respective employees, agents or contractors in regard to the cruises described herein.

Amadeus and the owners and operators of the vessels shall be entitled to claim the benefit of whichever law, regulation, treaty or doctrine provides the greatest legal protections to Amadeus and the owners and operators of the vessels.

REFUSAL OF PASSAGE: Amadeus shall not be required to refund any amount paid by any passenger who must leave the cruise prematurely for any reason, nor shall Amadeus or the owners or operators of the vessels be responsible for the lodging, meals, return transportation or other expenses incurred by such passenger.

Any dispute between You and Amadeus, directly or indirectly relating to the Terms and Conditions or your cruise, shall be first submitted to mediation in Chicago, Illinois, before a mediator mutually agreed to by the parties. Any action to enforce the arbitrator's decision shall be brought in the state or federal courts in the State of Illinois. Our relationship and these Terms and Conditions are governed by the laws of the State of Illinois, U.S.A.
