# OUR STORY

Marella means 'shining sea' in Celtic and beautifully captures who we are and what we do. It's the place we call home. It's where our spirit of adventure comes from. It's where our discoveries are made.

We sail to over 200 ports around the world, so whether it's ancient cities, tropical islands or sapphire-blue fjords, there's something new over every horizon.

With two decades of sailing experience under our belt, we're an established cruise line with a new name, and a philosophy that has always put warm and welcome service first.

We combine TUI's years of experience in holidays with our cruising expertise across the shining sea.

# THE LOWDOWN

Everything you need to know about our holidays

## WHAT'S NEW

### WAVE HELLO TO WINTER 2020

We're excited to announce that we've released our winter programme earlier than ever before. This means you can book right up until the end of winter 2020. And there are 12 new itineraries to choose from.

### ASIA AFTER DARK

You can now see Singapore when the sun's down, thanks to a pair of new itineraries – Flavours of the Far East and Wonders of the Far East. They both include a late-night stay in the cosmopolitan city, so you can watch its supertrees glow in the dark, or feast on street food at one of the many hawker centres.

### BACK BY POPULAR DEMAND

You might recognise our latest homeport, Dubai. That's because we've sailed from the so-called City of Gold before. We'll be returning for winter 2020, with two jam-packed itineraries, calling in at the likes of Abu Dhabi, Bahrain and Muscat. Find out what you can get up to on pages 82.

## GOOD AS GOLD

For extra peace of mind, this brochure also lists how TUI customers have rated each property in Customer Satisfaction Questionnaires, which we ask guests to complete every time they travel with us. Look out for the Gold Medal holders – these rank within the top 10 highest scoring hotels.

## REVIEWS AND RATINGS

We know how important hotel reviews are. That's why you'll find the latest TripAdvisor scores right here in this brochure and at [tui.co.uk](https://www.tui.co.uk). What's more, we scooped the 2018 TripAdvisor 'Travellers' Choice' awards for **Best Tour Operator** and **Best Holiday Company**.

## GOOD HOUSEKEEPING APPROVED

Here at Marella Cruises, we pride ourselves on our warm and welcoming service. But you don't just have to take our word for it – we've been endorsed with the **Good Housekeeping Reader Recommended** stamp of approval. A massive 90% of our customers said our service was **good or excellent**, and were impressed by staff recognising them on a return visit. Plus, 84% felt the crew went the extra mile when it came to taking care of them – from remembering their names to their favourite drinks. Our customers also commented on the relaxed atmosphere and the sense of community spirit onboard, with the chance to meet different people over dinner every night.

## BETTER HOLIDAYS, BETTER WORLD

We want our cruise holidays to benefit the places you love to visit. That's why we support TUI Care Foundation projects in our destinations that are improving the lives of young people, caring for the natural world, or helping local communities thrive. We also keep a close eye on our journeys and onboard practices to minimise our impact on the environment, including a 'say no to straws' policy to reduce plastic waste.

## YOU'RE ONTO A WINNER

When you pick **Marella Cruises**, you're sailing with an award-winning cruise line. At the Cruise Critic's 2019 Cruisers' Choice Awards, our ships picked up gongs for Best for Entertainment, Best for Shore Excursions, Best for Service and Best for Value. Plus, we won in the Best for Wellbeing category at the Wave Awards 2019, thanks to our partnership with Champneys onboard Marella Explorer.

- Let us entertain you – you'll never be bored on our ships. From early morning exercise classes to late-night West End-style shows, there's always something to keep everybody smiling.

# ARABIAN ADVENTURES

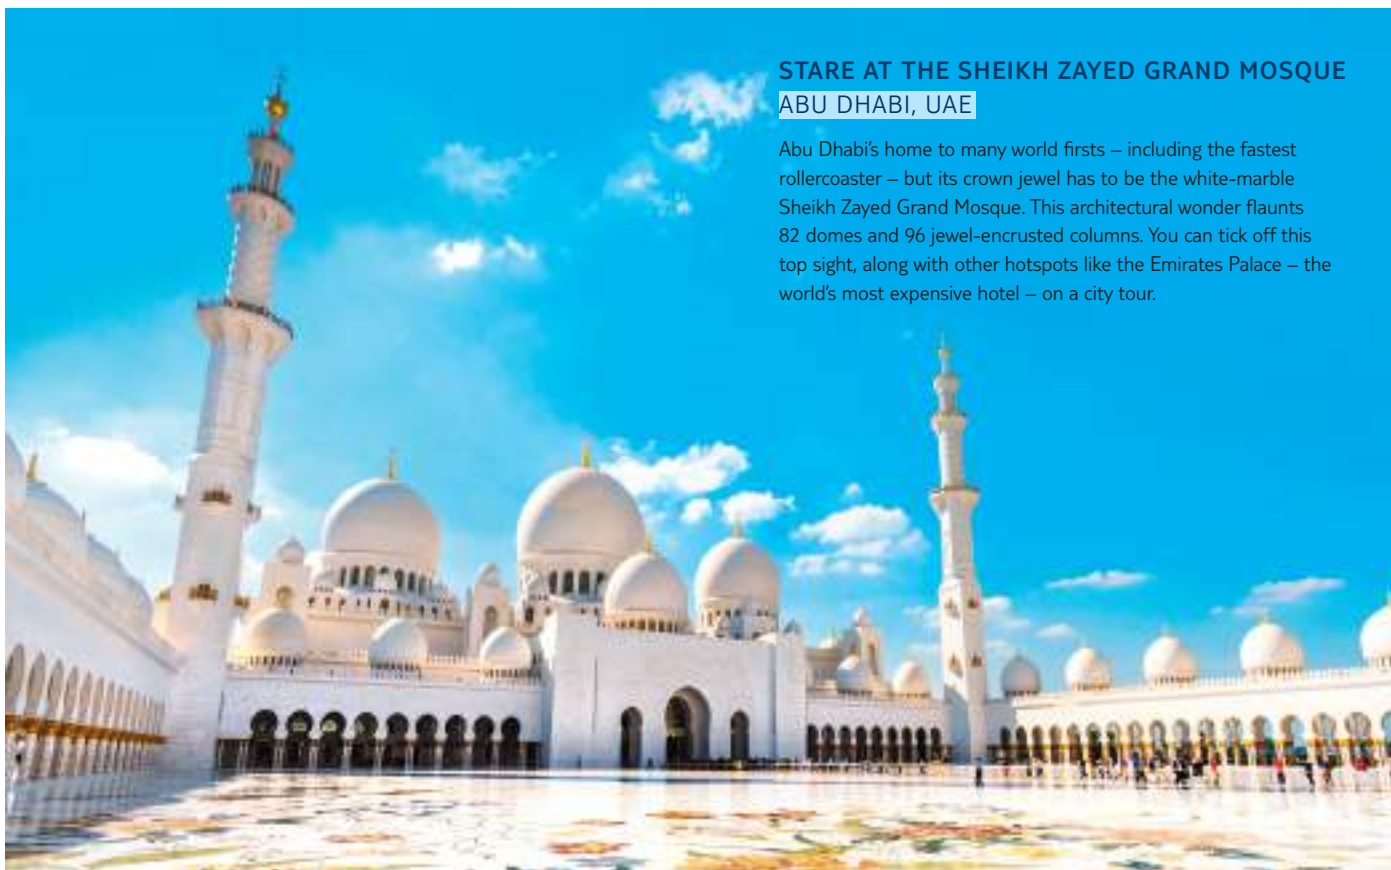

From winter 2020, you can set off on two itineraries from our homeport of Dubai. This city boasts wow-worthy scenery – from sweeping sand dunes to cloud-brushing skyscrapers. And its neighbours are just as impressive. Here's a look at some of the highlights...

## TOP TIP

Islam is the main religion in these parts, so you'll need to dress modestly when in public places and at holy sites – that means shoulders and legs covered. It's a good idea to pack long-sleeved tops and full-length trousers. Ladies, you may need a scarf to cover your head at holy sites, too.

## WHIZZ UP THE WORLD'S TALLEST BUILDING DUBAI, UAE

Dubai's skyline has to be seen to be believed. It's home to record-breaking buildings – picture a towering metropolis, backed by rolling desert. Get a bird's eye view of it all – 124 floors up – on the observation deck of Burj Khalifa, the world's tallest building. At nearly 3,000-feet tall, it acts as the attention-seeking centrepiece of the city, so expect panoramic views as far as the eye can see.

## STARE AT THE SHEIKH ZAYED GRAND MOSQUE ABU DHABI, UAE

Abu Dhabi's home to many world firsts – including the fastest rollercoaster – but its crown jewel has to be the white-marble Sheikh Zayed Grand Mosque. This architectural wonder flaunts 82 domes and 96 jewel-encrusted columns. You can tick off this top sight, along with other hotspots like the Emirates Palace – the world's most expensive hotel – on a city tour.

## SAIL BETWEEN TOWERING FJORDS KHASAB, OMAN

Thanks to its fjord-like inlets and rugged, mountainous coastline, Khasab is dubbed the Norway of Arabia. Hop onboard a traditional Omani dhow boat and discover the valleys by water. You'll anchor down beside rocky Telegraph Island for swimming and snorkelling in the glass-clear waters. Keep your eyes peeled for dolphins – they're regular visitors to Oman's shores.

## HAGGLE FOR SPICES AT A BUSTLING SOUK MANAMA, BAHRAIN

Bahrain's capital, Manama, is a lively hub where ancient meets modern. You can stand in the shadows of the impressive Al Fateh Grand Mosque with its ornate, hand-carved artwork, or visit Manama Souk, a colour-popping bazaar. Here, you can haggle for everything from spices and shisha pipes to patterned rugs and clothing. Plus, it's an excellent place to try Bahraini cuisine.

## TAKE A DIP IN A DESERT SINKHOLE MUSCAT, OMAN

Compared to its flashy neighbours, Muscat moves to a softer rhythm. But that doesn't mean it's any less exciting. Follow the jagged mountains through the Wadi Arbaeen river valley via 4X4, and stop off at the quaint Quriyat fishing village and the impressive Bimmah sinkhole. This turquoise pool sits at the bottom of a 40 x 20 metre crater, and to this day, nobody knows the depth of the water...

# CHOOSE HOW YOU CRUISE

We're not ones to subscribe to the one-size-fits-all philosophy, which is why we've designed a number of ways for you to cruise. See how you can tailor-make your time away...

## CRUISE & STAY

Here's how Cruise & Stay works – spend a week cruising, and once you've returned to the home port, follow it up with three, four, or seven nights in one of our expertly selected hotels. Or, flip the script with a Stay & Cruise holiday, setting sail after a week on the beach. So what are the benefits of Cruise & Stay? For a start, it gives you more time to top up your tan and explore your favourite destination. We reckon it's a neat alternative to the traditional two-week holiday, too – try mixing things up by combining your usual beach break with one that takes you to a new destination each day. Our hotel line-up is pretty special. We've handpicked hundreds of properties for you to choose from, ranging from our flagship TUI SENSATORI resorts, to our adults-only TUI SENSIMAR hotels, via the something-for-everyone TUI FAMILY LIFE range. So, whether you're cruising with friends, family, or as a couple, we've got you covered.

## COMBINE CRUISES

When a week at sea just doesn't cut it, why not stay onboard longer? Once your itinerary is over, you'll remain on the ship for the next one, opening up a whole new range of ports. Look out for the Combine Cruises logo to see which ones can be paired up.

## ADULTS-ONLY CRUISES

You'll need to be 17 or over to step onboard one of our adults-only cruises. All of our Asia and transatlantic sailings are reserved for grown-ups. Meanwhile, Marella Explorer 2 is a completely adults-only ship, so all its sailings are child-free. Keep an eye out for the adults-only logo on our itineraries.

## CABIN ONLY

If you prefer to arrange your own flights and transfers, book a cabin-only cruise. And don't worry, other than the journey, everything else is included in the price.

## PREMIER SERVICE

A fast-track check-in at the port, breakfast in bed once a week, and a free clothes pressing. You get all of the above with Premier Service.

On Marella Discovery and Marella Discovery 2, Premier Service is included when you book a Junior Suite, a Family Junior Suite, a Family Suite, a Grand Suite, an Executive Suite, or a Royal Suite.

On Marella Explorer, you'll need to book an Executive Suite, a Junior Suite or a Family Balcony Cabin. The same goes for Marella Explorer 2, but you'll also get it thrown in with a Royal Suite.

On Marella Dream, it's included with Balcony Cabins, Deluxe Cabins, Suites, and Grand Suites. Deluxe Balcony Cabins and Suites come with Premier Service on Marella Celebration.

## FLEXIBLE DURATIONS

With sailings that range from three to 25 nights, you can cruise for as little or as long as you like. Check out the Cruise Calendar in the back of the brochure to find a duration that suits you.

## FLIGHT-FREE CRUISING

In summer 2020, Marella Explorer 2 will sail from Newcastle and Southampton to Northern Europe. It means that you don't have to fly to reach the ship. Read more about this on pages 180-181.

# COME DINE WITH US

Tapas dishes, gourmet French fare, sushi, design-your-own pizzas – the dining options are endless with Marella Cruises. Each ship has at least five restaurants, including buffets, à la cartes and fine-dining eateries. Here's a few to tempt your taste buds...

47°

## 📍 Marella Discovery & Marella Discovery 2

The main waiter service restaurant onboard Marella Discovery and Marella Discovery 2 keeps things traditional, with hearty dishes like beef wellington and roast leg of lamb. Plus, they change the menu regularly to keep things fresh. You don't need a reservation to eat here – just swing by for breakfast, lunch or three-course dinners.

## THE DINING CLUB

### 📍 Marella Explorer & Marella Explorer 2

This restaurant's been designed with lovers of fine-dining in mind. It's got French flair, so you can expect to see the likes of crab bisque, confit duck breast and chateaubriand gracing the menu. There's a cover charge to eat here.

## THE GLASS HOUSE

### 📍 Marella Discovery & Marella Discovery 2

You'll find The Glass House onboard Marella Discovery and Marella Discovery 2. By night, you can keep it casual with laidback, tapas-style dining. Or, for something a bit different, pick a dish from the 'hot stone' menu and your dinner will be served sizzling on a piping hot slab of rock – there's a cover charge for this option. This place is also open during the day, when it rustles up deli-style dishes and freshly-squeezed juices.

## KORA LA

### 📍 Marella Dream, Marella Celebration, Marella Discovery, Marella Discovery 2, Marella Explorer & Marella Explorer 2

This speciality restaurant has an impressive pan-Asian menu to complement its chic, eastern-inspired interiors. You can expect spicy king prawns or Chinese spare ribs to start, and a choice of meat, fish or vegetarian mains, like Kashmiri chicken curry and lamb rogan josh. There's a cover charge to eat here.

## BEACH COVE

### 📍 Marella Explorer 2

This laidback eatery brings the outside in, thanks to big sliding doors, swing seats and a menu inspired by the great British barbecue. You'll find it on the pool deck, so it's easy to pop in for a relaxed lunch. Plus, it's open for a Continental breakfast and dinner – a cover charge applies for the latter.

# RAISE YOUR GLASS

We don't just focus on food – with a choice of watering holes on each ship, spanning classy piano bars to late-night clubs, Marella Cruises sort you out on the drinks front, too. Check out our favourite bars...

## INDIGO

📍 Marella Explorer & Marella Explorer 2

The cocktail menu and views are both worth shouting about at this flagship bar on Deck 12. You can order drinks inspired by countries from all over the world, before hitting the dancefloor in the neighbouring club, or trying your luck at the card tables in the casino.

## THE 19TH HOLE

📍 Marella Explorer 2

Let your inner Tiger Woods loose at this clubhouse-style bar. It's inspired by all things golf, with buggies for seats, themed cocktails and state-of-the-art simulators, for a little extra. Plus, dedicated hosts help organise fun competitions and tournaments.

## LIVE ROOM

📍 Marella Discovery & Marella Discovery 2

You can take your pick from our biggest selection of on-tap beers at this spacious watering hole. The atmosphere builds pace as the hours draw in – evenings might start with a piano soundtrack and end with pumping dancefloor classics.

## HEMINGWAY'S

📍 Marella Celebration

Because this traditional bar is close to the main restaurant and the show lounge, it makes an appealing rendezvous for pre-dinner drinks. Order a cocktail of the day at the long bar and listen to the sounds of the guitarist and the pianist while you work up an appetite. Or settle in to one of the sofas or cosy armchairs to chat with new friends.

## SQUID & ANCHOR

📍 Marella Discovery, Marella Explorer & Marella Explorer 2

This British-style boozer takes a slightly different form on each ship. On Marella Explorer and Marella Explorer 2, for instance – you can look forward to an extra bar, dealing in premium gins and whiskies\*. The quiz nights and live music take place at all of them, though.

# THAT'S ENTERTAINMENT

Marella Cruises know a thing or two about putting on a show. But that's not the only string to our bow. Take a look at what you can get up to on an evening at sea...

## TAKE TO THE FLOOR ON A NIGHT OUT

Our cruises give you more than one reason to dress up. They all start off with a sail-away deck party, plus you've got soirées throughout the week including cocktails with the captain, performances from Classical Cabaret, guest acts and late-night dancing in onboard nightclubs.

## SING ALONG TO WEST END-WORTHY SHOWS

Each ship comes with a theatre-like show lounge. Here, our cast of professional entertainers star in musical numbers, tribute performances, and Broadway-inspired productions. We regularly fly in special guest performers, too. And it doesn't stop there – each ship has resident bands that play in a different venue every night.

## TEST YOUR KNOWLEDGE AT A GAME SHOW

We're not going to ask you to open any red boxes, and we can't offer seven-figure pay-outs after asking for your final answer. But our fun-filled game shows guarantee to give your brain a workout. And there might be a prize or two up for grabs...

## HAVE A FLUTTER IN THE CASINO

When you're feeling lucky, you'll find a casino onboard each ship. They're fully kitted out with roulette tables and slot machines, and our croupiers are happy to show you the ropes if you're more of a newcomer than a high roller.

## LAUGH 'TIL YOUR CHEEKS HURT AT A COMEDY SHOW

Top comedians from the UK often drop in on our cruises. They host special stand-up gigs in the show lounge, where you'll be chuckling away long into the night.

## MARELLA EXPLORER & MARELLA EXPLORER 2

Entertainment-wise, **Marella Explorer** and **Marella Explorer 2** hit the ball out of the park. These ships both boast the largest Broadway Show Lounges in our fleet, which is where you'll catch performances like spectacular Cogs and dance-filled Zuma. Another highlight is Indigo. During the day, it's the perfect place to take in the views over a quiet drink, thanks to floor-to-ceiling windows. After dark, meanwhile, this bar, club and casino is party central, with flare demonstrations, music and DJ sessions that take place on a state-of-the-art deck. On **Marella Explorer**, you can spend quieter evenings at the cinema, which seats around 100 people. Or, on both ships, there's the option of watching a film under the stars at our open-air cinema, Movies by Moonlight. And there are familiar facilities, like Gamer Zone and Hideout, on top of a sports deck. On **Marella Explorer 2**, you can sip something bubbly to a piano soundtrack at Flutes, or tee off on golf simulators at the themed 19th Hole bar.

## MARELLA DISCOVERY & MARELLA DISCOVERY 2

We've been perfecting the art of cruise entertainment for more than 20 years. And we've taken everything we've learnt into the next generation onboard **Marella Discovery** and **Marella Discovery 2**. You can expect exciting shows, enhanced by top-of-the-range technology, like LED screens and video projection. Strictly's Anton du Beke takes to a live screen at our dance extravaganza, Putting on the Glitz. And our newest show, Elementum, fuses extravagant costumes with amazing visual effects and video-mapping technology. Each of these ships also offers up a climbing wall, a minigolf course and outdoor cinema screenings. Plus, on **Marella Discovery**, you've got Breakout Challenge – an interactive room escape game. There's also the console-stacked Gamer Zone, the teen-friendly Hideout with air hockey and movie screenings, plus Live Casino in our popular Live Room venue. On **Marella Discovery 2**, meanwhile, you can escape to a totally different world with our Virtual Reality Experience.

## DAYS AT SEA

Day two on most of our itineraries is spent at sea, which means the time is yours to do as you like. Keep active with things like aerobics, zumba and shuffleboard. Or, take some downtime in the spa and work your way through the treatment list. Our onboard hosts also lead quizzes and bingo, and you can sign up to the likes of cocktail-making and wine-tasting sessions. If you've got little ones in tow, meanwhile, you can try classes like Babytainment – sensory playtime for parents and babies. Just bear in mind you'll have to pay a little extra for some activities. Make sure to check your daily Cruise News for the top events on each day.

## TRANSATLANTIC ENTERTAINMENT

# SEE MORE OF THE WORLD

The great thing about going on a cruise is the number of different destinations you can explore – all in one holiday. Whether you enjoy touring a city by bike, learning about local culture, or just soaking up the scenery from the comfort of a coach, we've got the excursion for you.

## ADVENTURE SEEKERS

If you've got an appetite for adventure, sea kayaking around Dubrovnik's famous city walls is just the ticket. Or, in Norway's Honningsvåg, you can take to the wheel of an all-terrain vehicle and zoom past icy lakes and rugged mountain peaks. Across the Atlantic, it's all about zip-lining through St Lucia's multi-coloured rainforest. The instructors will even snap a few action shots as you whizz through the trees.

## CULTURE VULTURES

From grand palaces and castles to ancient temples and ruins – when it comes to days out, we know a thing or two about history. In Europe, you can follow in the footsteps of the ancient Greeks with a visit to Athens, or tick Pisa's famous leaning tower off your list. Alternatively, get a glimpse of how the other half live at Russia's Peterhof Grand Palace. If you're venturing further afield, you can explore the legendary Mayan city of Chichen Itza in Mexico, or learn about the underground life of Vietnamese soldiers at the Cu Chi Tunnels.

## IN THE SPOTLIGHT: NICE, MONACO AND MONTE CARLO

This tour lets you tick off the South of France's three big-hitters in one day. You'll start in Nice with a walk around the city's pastel-painted old town. After, it's back on the coach to Monaco's old town, where the highlights include the grand Prince's Palace and the cathedral where Grace Kelly was laid to rest. Your last stop's in Monaco's glamorous Monte Carlo district. Here, you can dip into designer boutiques and glitzy casinos, or walk along the Grand Prix race track.

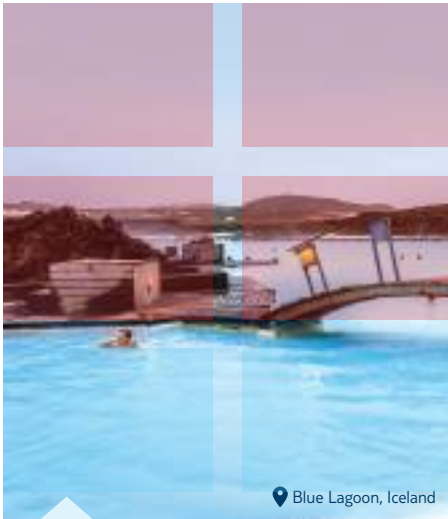

📍 Lisbon, Portugal

## ALL-OVER ROVERS

Rome has a long checklist of historic landmarks, and the trick is packing them all into a single visit. Try a Segway tour of Italy's ancient capital, and you can whizz between the most iconic buildings, postcard-worthy fountains and café-lined piazzas. If you'd rather leave the driving to someone else, an eco-friendly tuk tuk tour of Portugal's capital, Lisbon, is well worth the fare. And, for a proper off-road experience, you can buckle yourself into a dune buggy and explore La Palma's tree-covered volcanic mountains.

📍 Blue Lagoon, Iceland

## WATER BABIES

Aguamar is Ibiza's biggest and best waterpark. There's something for everyone, from a children's play area to white-knuckle Black Hole and Kamikaze slides for grown-ups. For something more relaxed, you can float in the Dead Sea – a body of water which straddles Israel and Jordan. It's so packed with salt that it's impossible to sink. And, if you think water-based activities are reserved for hotter climes, think again. In Iceland, you can warm up with a dip in the toasty waters of the Blue Lagoon.

There are loads of different ways to explore each port of call. If you're unsure where to start, speak to the experts – the onboard Destination Services team. We caught up with **Julie**, one of our **Destination Services Managers**, to get her hints and tips for making the most of your time in port...

## WHAT'S THE ROLE OF THE ONBOARD DESTINATION SERVICES TEAM?

We're here to help you get the most out of the ports of call we visit. With so much choice, we understand that deciding what to do can be difficult. And that's where we step in. Whether you're a history buff or a culture vulture, we can figure out the must-dos for you. Even if you're not quite ready to book, feel free to come and pick our brains.

## WHAT'S THE BENEFIT OF BOOKING TOURS THROUGH US?

Our excursions are an ideal way to explore because it means ditching the guidebooks and letting our travel experts lead the way. Our teams review every one of our experiences, so you can relax knowing that it's tried and tested. Another benefit of going on an excursion with us is that if one of our tours gets held up, you don't have to worry, our team onboard are there to organise everything for you.

## WHAT TYPES OF EXCURSIONS ARE ON OFFER?

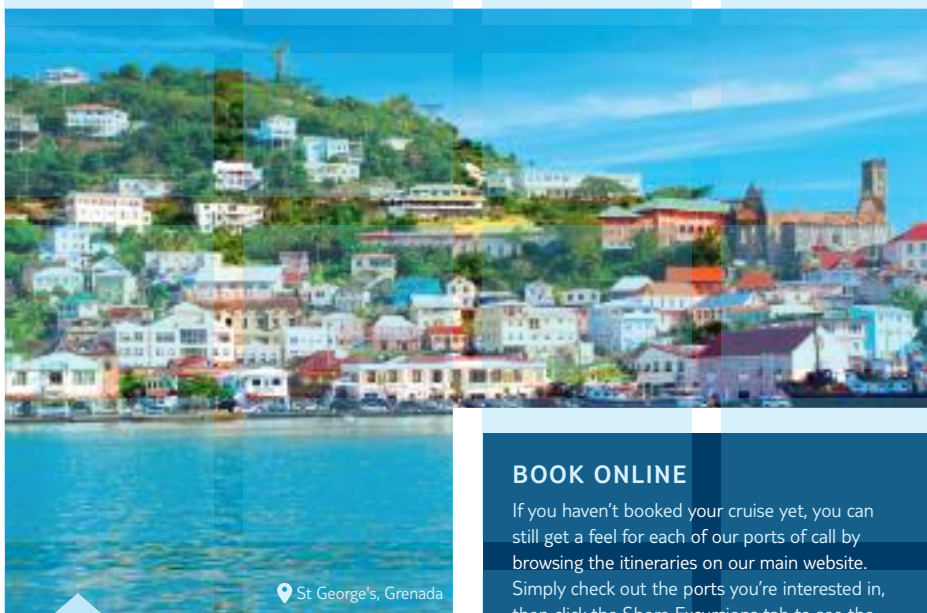

We've got thousands of excursions on offer. Whether you want to have an Indiana Jones moment walking through the Lost City of Petra, or trundle through the streets of Penang on a rickshaw – you're sure to find a tour that suits you. You can even work your dinner off, whizzing around a new destination on one of our bike tours.

## HOW LONG DO THE TOURS LAST?

Our excursions cover all kinds of durations. Opt for a full-day tour to really get to know a place, or sign up for a half-day if you want to pair a morning exploring with an afternoon sunbathing on deck. You can even go on overnight trips on some of our cruises.

## WHAT IF I CHANGE MY MIND ABOUT A TRIP?

No problem. You can cancel or swap it for a different one right up until 24 hours before. Just ask the onboard Destination Services team – they'll take care of it for you.

📍 St George's, Grenada

## TWO-WHEEL TOURERS

Bike your way beyond the tourist hotspots, and you'll see a different side to some of the places where we drop anchor. You can explore the busy markets and colourful streets of Grenada's capital, St George's, or take the pretty coastal road for views across the Caribbean Sea. In Italy, a cable car will lift you and your bike high above the coastline, setting you up for a downhill spin past terracotta-topped windmills and salt flats. We keep mountain bikes on our ships and all the cycle rides are led by experienced guides.

## BOOK ONLINE

If you haven't booked your cruise yet, you can still get a feel for each of our ports of call by browsing the itineraries on our main website. Simply check out the ports you're interested in, then click the Shore Excursions tab to see the types of trips on offer.

Once you know where you're going, you can log on to your account to get a tailored list of the tours you can do while you're away. Most excursions go on sale at the same time you book your cruise, and we guarantee you won't find cheaper prices if you wait and book onboard.

You can also book by speaking to your Travel Advisor, or onboard at the Destination Services desk. Our experienced team can give you advice and insider info to help you decide which tours are for you.

Visit [tui.co.uk/cruise/excursions/login](https://tui.co.uk/cruise/excursions/login) to see the shore excursions we offer.

# ASK OUR EXPERTS

Our experts fill you in on everything you need to know about Marella Cruises.

## ***How do I pay for things onboard?***

We operate a cash-less system on all our ships. Everything is priced in pounds sterling, but you can charge it all to your cabin account as you go. Your account will then be settled in cash, travellers' cheques, or credit or debit card at the end of your cruise. You can find out how much you've spent so far at any point during your holiday by dropping by Reception, or the self-service kiosks on Deck 5 if you're on Marella Discovery, Marella Discovery 2, Marella Explorer or Marella Explorer 2. If you choose to settle your bill in cash, we'll ask for a £200 deposit per cabin per week, which you'll need to keep in credit during the cruise. There's also a charge for using travellers' cheques.

## ***Can I reserve a particular cabin number ahead of my cruise?***

Yes. Take a look at our deck plan and you can book a cabin in advance from just £48. Just give us a call and we'll do the rest. Flick to the ship pages at the back of this brochure to find out more.

## ***What if I think of something else?***

If there's anything else you want to know, give our team a call on **0203 451 2725\*** or speak to your Travel Advisor. You can find more information in the A-Z Guide at the back of this brochure. You can ask a question on our Marella Cruises **Facebook page** or visit **tui.co.uk** for our FAQs.

## ***How do I find out about onboard activities?***

You can find everything from entertainment schedules to restaurant and bar opening times on our Navigate App. This free onboard app – available on all ships except for Marella Celebration – also lets you book excursions, spa treatments and restaurants. If you don't have a smartphone or tablet, you'll find daily schedules and times in Cruise News, which is delivered to your cabin each night.

## ***What do I do with my luggage?***

Some of our cruise destinations – like Barbados, Jamaica and Dubrovnik – offer a bonded luggage service. This means your checked luggage will be taken straight to your cabin, so there's no need to collect your bags when you land. If your cruise includes this, we'll let you know via your booking confirmation.

## ***How do you look after solo travellers?***

Get-togethers are organised for solo travellers, like dinners and coffee mornings. If you'd rather not dine alone, have a chat with the ship's restaurant manager, who'll make sure you're seated with other guests.

## ***Do you cater for disabilities?***

Of course. Just give our Customer Welfare Team a call before you book and they can advise you on things like ship accessibility, bringing equipment onboard, disabled facilities and medical care. All of our ships have a small number of adapted cabins for less mobile passengers. If you require an adapted cabin, please remember to make sure one is definitely available before you book.

## ***What can I do during my days at sea?***

Take a look at our entertainment pages for a rundown of activities. There's a bit extra laid on during our Transatlantic Cruises, too, so you can make the most of your extra time onboard.

## ***Do I need to bring my passport?***

Yes. You'll need your passport for every single one of our cruises – if you don't have it, you won't be able to board the ship.

## ***What time do I have to check out of my cabin?***

You'll normally need to leave your cabin by 8am on your last day, but you can still use all the onboard facilities until your transfer arrives. Plus, you can speak to Reception about a late checkout, or a courtesy cabin to freshen up in before you head off. Take a look at our A-Z for more details, as a late checkout might be off the cards if you're sailing from certain ports.

### **Can I do my own thing in port?**

Absolutely. If you want to explore without the help of a guide, that's fine. You might want to speak to our onboard Destination Services team for information – they're the local experts and can give plenty of tips on transport and things to do. If one of our tours gets held up, don't worry, our team onboard are there to organise everything for you. If you're on your own and you're not back on the ship at the time advertised at the gangway, we can't wait for you. For more information about our tours, visit [tui.co.uk/cruise/excursions](http://tui.co.uk/cruise/excursions)

### **What type of plug sockets are in the cabins?**

The sockets will need either a European or a US two-pin adaptor in the cabins on our ships. The Balcony Cabins on Marella Dream have UK plug sockets.

### **Do you cater for special diets?**

Of course. If you've got any dietary requirements, mention it when you book and let the restaurant manager know once you're onboard. We also provide vegetarian, vegan, gluten-free, dairy-free, and diabetic-friendly options on request.

### **Can I smoke onboard?**

All our ships are non-smoking, which means you can only smoke in designated areas of the open deck – this includes the use of e-cigarettes. Smoking isn't permitted on cabin balconies, either. In Singapore, India, Thailand and the United Arab Emirates, e-cigarettes are banned and will be confiscated.

### **Do I need a visa for my cruise?**

Depending on where you're sailing to, you might need a visa for your cruise. We've teamed up with CIBTvisas to help with all your visa requirements. You can

visit our online portal at [www.cibtvisas.co.uk/marella](http://www.cibtvisas.co.uk/marella) for detailed visa info about your cruise. Just so you know, the info on the site only applies to British passport holders. If you don't hold a British passport, your visa requirements might differ and you'll need to contact the relevant embassy or CIBT for more info.

### **Is Wi-Fi available?**

There's Wi-Fi access in all areas of the ship on Marella Discovery, Marella Discovery 2, Marella Explorer and Marella Explorer 2. All our other ships have internet rooms, as well as designated Wi-Fi zones. Internet access is charged to your cabin account at the rate advertised onboard. Mobiles can also be used on all of our ships, and there are telephones in each cabin, so it's easy to stay in touch with people back home. If you're pairing your cruise with a stay in one of our hotels, we'll let you know which places have free Wi-Fi.

### **Do I need to tip?**

No. Unlike most cruise lines, we don't think tips and service charges should cost you extra, so we've included them in the price. You're not expected to tip any of our crew – unless you want to, of course.

### **What is a tender port?**

It's not always possible to tie a ship up at a dock, so sometimes we anchor a little way out from the shore, and use tender boats to get you to the shore. Where possible, tender ports are marked on itineraries with an asterisk. You'll still get plenty of time in the port, plus you can use the tender services to go back and forth from the ship as much as you like. For guests with disabilities or mobility issues, please bear in mind you'll need

to have some independent mobility to step in and out of the tender boat. Unfortunately, our crew aren't allowed to lift you. See the Special Assistance section in the A-Z Guide for more information.

### **What is a port shuttle?**

If we're not able to dock close to the port entrance, it might be a short walk or bus ride to the port gates. In some places, there'll be a shuttle bus to take you from the ship to the port gates. This will either be provided by Marella Cruises or the local port authority. If it's operated by us, it'll be free, but there might be a small fee for buses run by the local port authority. It'll depend on what berth we're docked at and is only confirmed during the cruise.

### **Are there shuttle buses into the town or city centre?**

In some places, we put on a Town Transfer to whisk you to the town or city centre from the port area. The Marella Cruises-operated shuttle bus will cost no more than £5 per adult and children under 12 go free.

### **What if the port isn't in the destination of interest?**

Some of our ports are a little way out from the main destination of interest – for example, for Bangkok, we dock in Laem Chabang, and for Seville, we dock in the coastal city of Cadiz. When this is the case, the best way to explore is via our shore excursions. You can book our excursions and 'on your own' transfers before your cruise. They're subject to availability.

### **What should I pack?**

Pool and bath towels are provided and every cabin has a hairdryer. If you need to stock up on essentials, our onboard shops sell things like toothpaste. It's a good idea to bring a light jacket with you, as there's often a strong sea breeze.

The onboard dress code varies for each restaurant, but you can easily break it down into Beachwear, Casual and Smart. The first is a 'come as you are' affair, so bikinis and trunks get the thumbs up, plus we ask that you wear something on your feet for safety reasons. Meanwhile, Casual speaks for itself – we're talking tops and shorts or a sundress. Then you've got Smart, which is when you'll need to dress up a bit. Put your sports or swimwear away, and opt

for trousers, smart tailored shorts or a skirt or dress, a shirt or polo shirt and smart shoes, so no trainers or flip flops. If you want to add a jacket or tie, that's up to you. But our gala evenings, formal nights and Dress to Impress nights give you the chance to get really suited and booted. Each of our restaurants has a dress code, and this can differ depending on the time of day, but we'll always let you know.

Finally, if you book any excursions, you might need to adhere to certain dress codes. Islamic countries have strict modesty laws, so, in certain areas, you'll need to cover your shoulders and knees. When visiting mosques or other holy sites, women may be required to cover their hair, arms and legs, and men will need to wear long trousers and a top with sleeves.

You'll also find hundreds of photos, an interactive map, plus our handy Cruise Calendar, which lets you search itineraries and prices by month.

The site's available in a mobile-friendly version, too, making it easier to use while you're on the go.

# PROTECTING GENTLE GIANTS

The TUI Care Foundation is an independent charity funded by the generosity of TUI customers just like you. When you cruise with us, you have the option of donating £1 to the TUI Care Foundation.

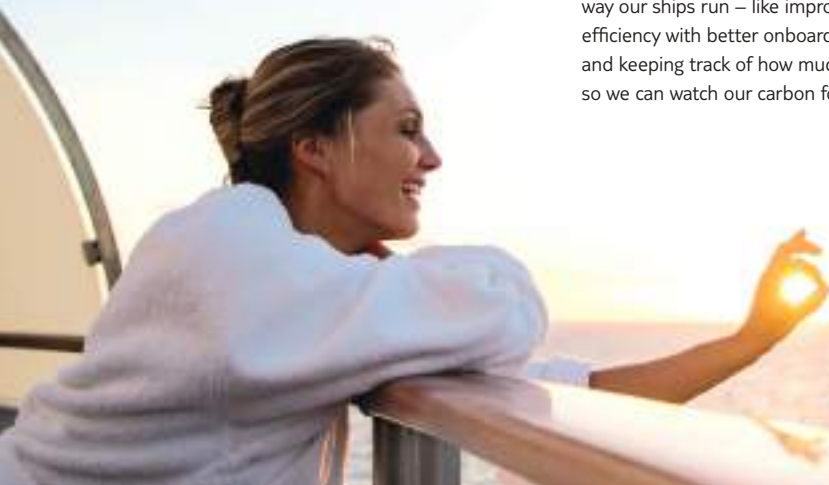

Every penny counts towards our mission to preserve holiday destinations in a way that'll benefit the local people, now and in the future. For instance, we're aiming to protect one million turtles by 2020 as part of our Turtle Aid programme, creating turtle-friendly habitats in our destinations around the world.

## KEEPING THE SEAS SHINING

We're continually doing our best to make our ships as environmentally friendly as we can. A big part of this means reducing how much water and energy we use to get from place to place. So, we've made big changes to the way our ships run – like improving our water efficiency with better onboard water systems, and keeping track of how much energy we use so we can watch our carbon footprint.

You can do your bit, too, by saying no to straws. Did you know that the 550 million single-use straws that Brits and Americans throw away every day end up in our oceans? It's why we've decided to say no to plastic straws. You won't find them at any of our onboard bars – instead, we offer biodegradable straws made from starch. Our cocktail sticks are wooden, too.

## TUI RIVER CRUISES

Introducing our new European river cruises, sailing on the Danube, Rhine, Moselle and Main in 2020. Spend your days getting to know a new place, with stops in time-warped villages and wide-awake cities, like **Budapest**, **Vienna** and **Amsterdam**.

Then retreat to our sophisticated, adults-only ships, where you can look forward to chic cabins and multiple restaurants and bars. Plus, there's so much included in the price, from **direct flights** and **transfers**, to **meals with drinks** and **excursion credit**.

# GET CLUED UP ON VISAS

Did you know British passport holders can visit over 170 countries without a visa? But, there are still some places that require one – even if you're not stepping ashore. We've partnered with CIBTvisas to make the process as hassle-free as possible. Read on to find out more...

## WHERE DO I NEED A VISA FOR?

Some of the countries on our itineraries require a visa for entry, including Cambodia, Jordan, Oman and India.

## WHEN DO I NEED TO GET A VISA?

It depends on the destination. In some countries, you can get a visa on arrival at the airport and free of charge. But there are some that you need to pre-purchase before you go. It's best to check before you travel and allow enough time to get your visa. Plus, visa requirements are subject to change, so make sure to check back close to your sailing date.

## HOW DO I GET A VISA?

If you need a visa before you travel, you can usually get these via the country's embassy, high commission or consulate websites. Alternatively, if you'd like help with getting a visa, you can visit our online portal with CIBTvisas, where you'll find detailed visa information about your specific cruise. For a fee, CIBT can assist with the application process – giving you access to printable forms that you can send back to them. They also offer advice on visas.

Look out for the 'visa required' logo on the itinerary pages to see which sailings need a visa.

Then visit  
[cibtvisas.co.uk/marella](http://cibtvisas.co.uk/marella)  
for more details.

Just so you know, the information on this page and the portal only applies to British passport holders. If you don't hold a British passport, you'll need to check with the relevant embassy or CIBT for more info.

## AT A GLANCE

- Sunbathe on award-winning Crane Beach
- Uncover Barbados' colonial past at Sunbury Plantation House
- Become a rum connoisseur during a Mount Gay distillery tour

Holidays in Barbados serve up the Caribbean with a twist. Expect sweet-but-spicy cuisine, free-flowing rum, and a British-style love for cricket

## THE PLATINUM COAST

At first glance, Barbados appears to play by all the tropical island laws, following the book to the letter when it comes to its coastline. The island is home to more than 92 kilometres of long blonde beaches, which are backed by palm trees and lapped by luminous blue waters. The western coast is especially popular for holidays to Barbados. It's where you'll find the resorts of St James and St Peter and has even earned itself the nickname of the Platinum Coast, thanks to the purity of its sand.

## RUM PUNCH

Beyond the sand, Barbados doesn't always tow the Robinson Crusoe line. The island does have a few quieter resorts, like Maxwell Beach, which is pin-drop peaceful, but on the whole it can be a bit of a firecracker. Bajan food blurs the line between sweet and savoury, and the rum shops make it easier to order punch than coffee. St Lawrence Gap leads the nightlife pack. This resort is a hub for reggae bars, calypso clubs and, some of the best restaurants in the Caribbean.

## DEPARTURE TAX

You won't have to worry about saving the last of your currency to pay departure tax, as we're including the cost in the price of your holiday.

## BRIDGETOWN

The capital city, Bridgetown, shows off the quirkiest side to holidays in Barbados. It's here the Caribbean influence collides head on with the heritage left over from British rule. You can watch a game of cricket on the green and stand in the shadow of the admiral Nelson statue, before heading to the harbour to watch live reggae or dance to calypso.

## DESTINATION AIRPORT

Bridgetown

## FLYING TIME

9 hours

## AVERAGE TEMPERATURE

Barbados' temperatures never deviating far from the high 20s. The island is the driest from February to May.

# JAMAICA

**PRE-BOOKABLE EXCURSIONS** – all of our excursions are available to book in advance at [gotui.com](http://gotui.com)

Incredible beaches and a feel-good vibe are just a couple of things you can look forward to on a holiday to Jamaica.

## CARIBBEAN GOOD LOOKS

All the Caribbean stereotypes are present and correct in Jamaica. Along the coast, you've got white sands fringed by palms, and ramshackle beach bars serving up jerk chicken to Bob Marley beats.

Inland, meanwhile, hidden waterfalls, banana plantations and soaring mountains vie for your attention. Best of all, the scenery is served up alongside Jamaica's famous take-it-easy vibe.

## PLENTY OF HISTORY

The island has got its fair share of history, too, thanks to age-old mansions and 18th-century plantations. Rose Hall in

Montego Bay is case in point. According to legend, this grand mansion is haunted by the ghost of a white witch. Then there's Kingston, the island's capital. The streets here are packed with colonial buildings, and museums that tell the story of its past.

## POPULAR RESORTS

The main resorts on the island are Montego Bay, Negril and Ocho Rios. In these lively towns, luxury beachfront hotels sit shoulder-to-shoulder with reggae bars, bric-a-brac huts and nightclubs. A sleepier scene, meanwhile, comes courtesy of untouched Lucre and peaceful Runaway Bay. Here, you'll find virgin beaches and a snail-like pace.

## DEPARTURE TAX

You won't have to worry about saving the last of your currency to pay departure tax, as we're including the cost in the price of your holiday.

## AT A GLANCE

- Climb to the top of Dunn's River Falls
- Enjoy a guided tour of an old sugar plantation
- Tick off sights and museums in Kingston

## DESTINATION AIRPORT

Montego Bay

## FLYING TIME

10 hours 30 minutes from Gatwick

## AVERAGE TEMPERATURE

In summer temperatures top 30 degrees. Winter is a bit cooler. Expect the mercury to hover in the mid to high 20s.

### A SNAPSHOT

TUI Sensatori Resort Negril is set on a long, white-sand beach, which runs along the west coast of the island. Thanks to its soft sands and tropical backdrop, it regularly features on lists of the world's best beaches.

### KEY FACILITIES

■ 5 pools ■ 1 kids' pool ■ 9 bars ■ 6 restaurants ■ Free Wi-Fi ■ Cultural sessions ■ Dance classes ■ Fitness classes ■ Play House ■ Beach parties ■ Evening entertainment programme ■ Vassa Spa\*

### LOCATION

■ On the famous Seven Mile Beach in Negril, on the west coast of the island ■ Footsteps from the Caribbean Sea ■ 10-minute taxi ride from centre of Negril

### POOL SCENE

There are four pools, including an adults-only number and two that come with swim-up bars. There's also another pool with a swim-up bar in the new premium section. Children have a splash area, as well, which features waterfalls and sprays.

### FOOD & DRINK

The main buffet restaurant features dishes from around the world, with interactive

cooking stations and an open kitchen where the chefs prepare your food. At Palms, the breakfast is on a more intimate scale, and it comes with sweeping views of Seven Mile Beach.

### SPORTS & ACTIVITIES

The sports and wellbeing facilities are more laid-back than those at other TUI Sensatori resorts. Instead of instructed sports lessons, think yoga and tai chi in a beachside palapa.

### EVENING ENTERTAINMENT

Evenings are fairly low-key at the resort, with beach parties and live music in the Rasta Lounge.

### HEALTH & BEAUTY

The resort has strategically positioned a series of open-sided gazebos on the beach, so you can get your massage\*.

### GREENER & FAIRER HOTELS

This place is found inside the Negril Marine Park, and it takes marine wildlife seriously. You'll be given some guidelines on what you can do to help, like keeping your distance from coral and not removing wildlife from the water.

# CROATIA - DUBROVNIK & ISLANDS

**PRE-BOOKABLE EXCURSIONS** – all of our excursions are available to book in advance at [gotui.com](https://www.gotui.com)

## AT A GLANCE

- Explore the Medieval city of Dubrovnik
- Set sail for the region's offshore islands
- Soak up the sunshine on Zlatni Rat Beach

A scenic coastline and cobbled towns made for exploring – holidays to the Dubrovnik region of Croatia solve the beach-or-city-break dilemma.

## BEACH AND CITY

The Dubrovnik region, in the south of Croatia, is enjoying a spell in the limelight at the moment – and for good reason. Combining a sweep of Adriatic coastline and a scattering of islands with the Medieval city of Dubrovnik, it offers a beach and city break in one.

## MEDIEVAL DUBROVNIK

Lord Byron certainly wasn't exaggerating when he described Dubrovnik as 'the pearl of the Adriatic'. The city's terracotta rooftops are instantly recognisable, its old town is wrapped in chunky stone walls, and its cobbled alleyways lead down to a pretty harbour.

## SCENIC COASTLINE

Outside of the city, the Dubrovnik region's towns and villages are edged by pine-draped hillsides that tumble into bays and coves. One of the most popular resorts is the seaside town of Cavtat, which is backed by mountains and woodland. The pebble beaches here play host to watersports like windsurfing and sailing. For something a bit quieter, the coastal villages of Mlini and Plat are also home to some good beaches, which tend to stay crowd-free, even in the height of summer.

## ISLAND-HOPPING

The islands cast off the coast of the Dubrovnik region, such as Brač, Hvar and Lopud, are all within day-tripping distance. Their sleepy shores feel like a world away from the mainland.

## DESTINATION AIRPORT

Dubrovnik

## FLYING TIME

2 hours 15 minutes from Gatwick

## AVERAGE TEMPERATURE

Summers here are warm and dry. In July and August temperatures are over 30°C. Expect spring and autumn to be in the mid-20s.

# CAMPANIA

**PRE-BOOKABLE EXCURSIONS** – all of our excursions are available to book in advance at [gotui.com](https://www.gotui.com)

Holidays to Campania take you to Sorrento's villa-studded hillsides, smouldering Mount Vesuvius, and Naples – the birthplace of pizza.

## ITALY'S SOUTH-WEST

Campania, also known as the Neapolitan Riviera, is the second most populous region of Italy. And it's easy to see why everyone wants a piece of the area's pie. Its coastline curves around the sun-soaked bays of Sorrento and Naples on Italy's south-west coast. Inland, meanwhile, you'll find ancient ruins like Pompeii and natural wonders like Mount Vesuvius.

## SORRENTO & THE AMALFI COAST

Cosmopolitan cities and rustic towns dot Campania's coastline. The leader of the pack is Sorrento, with its designer boutiques and pavement cafés. Swing around the peninsula and you come to the hamlet of Massa Lubrense. Carry on some more and the Amalfi Coast comes into view. Here, towns like Ravello and Positano spill down the cliffside in showers of pastel-coloured houses.

## ISCHIA

Campania also calls the island of Ischia its own. This island is the pamper capital of Italy. Its R&R credentials begin with its beaches. Maronti Beach on the south coast, for example, unravels for three kilometres. Then you've got the island's spa scene to consider – you'll find more than 70 thermal springs and mud baths dotted around.

## AT A GLANCE

- Explore the ruined city of Pompeii
- Tuck into wood-fired pizza in Naples
- Sip limoncello in a pavement café in Sorrento

## DESTINATION AIRPORT

Naples

## FLYING TIME

2 hours 45 minutes from Gatwick

## AVERAGE TEMPERATURE

In July and August summer temperatures regularly hit 28°C. In March, April and October, the temperatures hover at 18°C.

#### AT A GLANCE

- Sunbathe on Sidari Beach
- Splash the cash in the jewellery shops in Corfu Town
- Whizz down the waterslides at Aqualand

Offering sandy beaches, traditional town squares and some of the best nightlife in Greece, holidays to Corfu cover summer holidays from every angle.

#### THE EMERALD ISLE

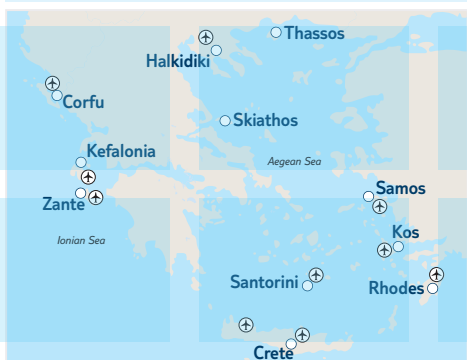

From the stripes of the national flag to its sugar cube villas and sparkling seas, Greece wears a uniform of blue and white. But Corfu throws an extra colour into the mix – green. Known as the Emerald Isle, the second-largest of the Ionian Islands is covered in cypress trees, olive groves and wild flowers.

#### LOW-KEY TOWNS

Where you choose to stay will depend on the atmosphere you're after. Gouvia and San Stefanos, in the north, are 2 of the quieter resorts. There's plenty of space on the wide sandy beaches here, and the candle-lit tavernas tend to be family-run affairs.

#### LIVELY BEACH RESORTS

In Sidari and Roda, the pace picks up with the introduction of karaoke bars and cafés serving British breakfasts. That said, you'll still find quiet coves on the coast when you need a bit of down-time. If partying is your main priority, make a beeline for Kavos, where strobe lights and DJ booths are the tools of the trade.

#### DESTINATION AIRPORT

Corfu

#### FLYING TIME

## AT A GLANCE

- Take it easy on the soft sands of Alcudia Beach
- Dip in and out of the boutiques and tapas bars in Palma
- Pack a picnic and make a beeline for the Tramuntana Mountains

There are a million and one reasons why so many people go on holiday to Majorca – knockout beaches and a trendy capital are just a couple of them.

## KING OF THE BALEARICS

The biggest of Spain's Balearic Islands, Majorca has long been a favourite with the world's travel pack. It's got extremely good looks on its side, after all. We're talking tiny inlets, sweeping bays and sandy coves, all lapped by turquoise waters. And away from the coast, it's a case of sweet-smelling pine forests, hidden hamlets and jagged mountain peaks. Not to mention almond groves that burst to life with powder pink blossom each February.

## POPULAR RESORTS

Resort-wise, families flock to the shores of Alcudia, Puerto Pollensa and Cala Bona, which are brimming with restaurants, shops and cafés. Ca'n Picafort is another favourite. This former fishing village has got a 13-kilometre ribbon of sand to its name. Sa Coma, meanwhile, is great for couples thanks to its tree-lined prom and romantic eateries.

## LIVELY NIGHTLIFE

Things get lively over on the island's west coast, with the peppy trio of Palma, Palma Nova and Magaluf leading the way with their neon-lit bars and bass-pumping clubs. Majorca's boutique-brimming, tapas-loving capital city draws a cosmopolitan cocktail crowd, too.

## DESTINATION AIRPORT

Palma

## FLYING TIME

2 hours 15 minutes from Gatwick

## AVERAGE TEMPERATURE

The average temperature in Majorca rests around the 18°C mark, but in summer, the island has no problem reaching 31°C.

# CYPRUS

**PRE-BOOKABLE EXCURSIONS** – all of our excursions are available to book in advance at [gotui.com](http://gotui.com)

Beaches are only part of the story on a holiday to Cyprus. The island is also home to mountain scenery, centuries-old sights and unforgettable food.

## AN ISLAND FOR EVERYONE

Thanks to its sandy stretches, ancient sights and up-tempo nightlife, Cyprus is a firm holiday favourite, attracting everyone from families to clubbers. A mix of laidback and lively resorts fringe the island, along with beautiful beaches – 64 are Blue Flag-certified. And if you go inland, you'll find sleepy villages, hidden hamlets and the scenic Troodos Mountains.

## LARNACA REGION

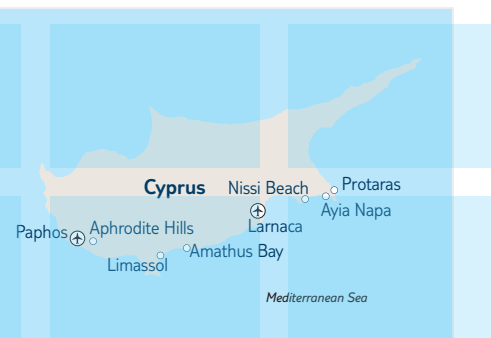

The Larnaca region of Cyprus is home to the family-favourite resort of Protaras. Its golden beach and clear shallow waters are a winning combination for anyone with little ones, and its main strip has a good mix of restaurants, cafés and bars. Further south is Ayia Napa. It's best known as a clubbing mecca, but it's also home to one of the island's best beaches and has a pretty old town. Neighbouring Nissi Beach completes the trio of resorts. It boasts a waterpark and white-sand beach with its own islet.

## PAPHOS REGION

The town of Paphos is the best-known resort on Cyprus' west coast. A traditional harbour town, it's got a handful of golden beaches, a pretty marina and a long list of historical sights, including the Tombs of the Kings. Elsewhere in the region is Limassol, which has a 7-mile stretch of beach, and Coral Bay, where you'll find a large horseshoe-shaped cove with Blue Flag credentials. If you're after somewhere away from it all, the quiet seaside villages of Polis, Amathus Bay and Latchi give you an authentic slice of island life.

## AT A GLANCE

# COSTA DEL SOL

**PRE-BOOKABLE EXCURSIONS** – all of our excursions are available to book in advance at [gotui.com](http://gotui.com)

Holidays to the Costa del Sol can be tailor-made to suit you. Sandy beaches, glitzy towns, historical villages and lively theme parks are just a few of the things Spain's Sunshine Coast has to offer.

## A NATIONAL TREASURE

Britain's love affair with the Costa del Sol has just passed the diamond anniversary point. It was slightly more than 60 years ago that holidaymakers from the UK started to head to Spain's southern coast. Today, the relationship couldn't be stronger. Not only do thousands of visitors travel over here every year, but 300,000 expats now call this place home.

## THE SUNSHINE COAST

The secret to the Costa del Sol's success is in its name. The sunshine coast experiences approximately 320 days of sun every year. What's more, the region's 161-kilometre coastline has everything you need to make the most of the weather. In Marbella alone there are 25 kilometres of silky sand, broken up by five-star hotels and beach clubs. Torremolinos' beaches, meanwhile, are backed by tapas bars, shops and ice-cream parlours. And in Benalmadena, a whitewashed old town sits shoulder-to-shoulder with a cosmopolitan harbour area.

## PUEBLO BLANCOS

The Costa del Sol is the gateway to Andalucía. This part of Spain is known for its pueblo blancos – whitewashed villages that spill down the hillside. It's also the location of guidebook-touted cities like Granada and Seville.

## AT A GLANCE

- Marvel at the glitz and glamour of the Alhambra Palace
- Put the Champagne on ice in one of Puerto Banus' beach clubs
- Improve your par on 'Costa del Golf's greens

## DESTINATION AIRPORT

Malaga

## FLYING TIME

2 hours 45 minutes from Gatwick

## AVERAGE TEMPERATURE

In summer, temperatures don't tend to stray from the 30s. In the spring and autumn, expect highs of between 18 and 22 degrees.

# TENERIFE

**PRE-BOOKABLE EXCURSIONS** – all of our excursions are available to book in advance at [gotui.com](https://www.gotui.com)

It's no surprise holidays to Tenerife are so popular with Brits. The island offers up huge beaches, year-round sunshine and city-sized resorts.

## A HOLIDAY HOTSPOT

Tenerife's unerring reputation has been built on the back of decades of good reviews. One of the earliest came from Queen Victoria, who used to take her vacations here in the 19th century. If you want a more up-to-date character reference, you only need to look to the two million holidaymakers who flocked here in 2016.

## THE BEACH SCENE

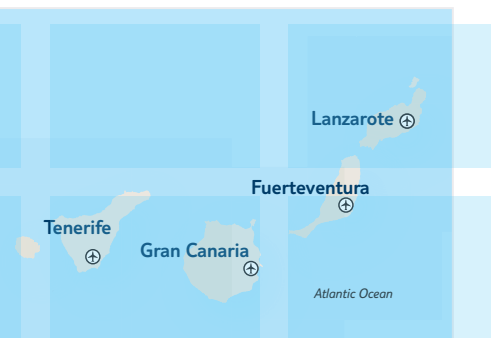

The secret of Tenerife's success starts with its beaches. On the island's south coast, resorts like Playa Las Americas, Los Cristianos and Costa Adeje have something going on around the clock. There are white sands and watersports to see you through the day and a world's worth of restaurants, bars and nightclubs to move you through the night. The tourism limelight shines a little softer on the resorts on the west coast. Days in Playa de la Arena, for example, revolve around the sleepy volcanic beach, and nights play out in beachside restaurants.

## MOUNT TEIDE NATIONAL PARK

There's more to Tenerife than its coastline. Its interior is dotted with banana plantations, traditional villages and national parks. There are more than 40 protected nature areas, which join together to cover almost half of the island. Take a trip to the centre, and you'll discover Mount Teide, the third largest volcano in the world. It's surrounded by an unearthly landscape of solid lava.

## AT A GLANCE

- Hop between lilo and lounge on Las Vistas Beach
- Ride the cable car up Mount Teide
- Shop until you drop in the boutiques of Santa Cruz

## DESTINATION AIRPORT

# GRAN CANARIA

**PRE-BOOKABLE EXCURSIONS** – all of our excursions are available to book in advance at [gotui.com](https://www.gotui.com)

Sweeping beaches, bustling resorts and villages ripe for exploring make holidays to Gran Canaria a failsafe choice year-round.

## A WORLD FAVOURITE

As far as holiday destinations go, Gran Canaria is part of the world's vintage collection. The third-largest Canary Island first appeared on the Spain tourism radar as far back as the 19th century, and it's gone from strength to strength ever since.

## THE BEACH SCENE

Gran Canaria's enduring appeal begins with its beaches – and it's not a case of one size fitting all. On one hand, you've got the larger-than-life coastal resorts of Playa del Ingles and Maspalomas, where sunbathing is serious business and nightlife is of the neon variety. On the other hand, you've got the sleepier towns of Puerto Mogan, Bahia Feliz and Puerto Rico, where the beaches come with more space and the evening entertainment is a little lower-key.

## MELONERAS AND PLAYA TAURITO

Recently, Gran Canaria has started a collection of more bijoux beach resorts, too. In Melonerias and Playa Taurito, everything comes with a touch of gloss. Shops go down the boutique route and hotels lean towards luxury.

## SCENIC INTERIOR

Another reason Gran Canaria's popularity has stood the test of time is its good-looking interior, where cliffs and gorges wax and wane. If you want to catch a glimpse of traditional island life, there are plenty of hamlets here, too. Just half-an-hour's drive from Playa del Ingles, you'll discover Fataga, where car-free cobbled streets are lined with whitewashed houses.

## AT A GLANCE

- Navigate the sand dunes at Maspalomas
- Tick off the island's waterparks and theme parks
- Enjoy a shopping spree in Las Palmas

## DESTINATION AIRPORT

Las Palmas

## FLYING TIME

4 hours 15 minutes from Gatwick

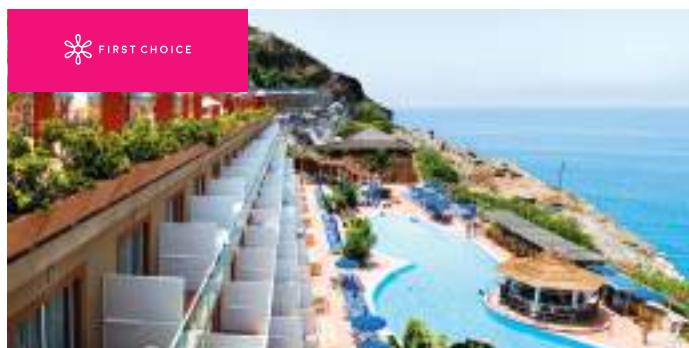

## AVERAGE TEMPERATURE

Gran Canaria's default setting is warm. Daytime temperatures tend to average somewhere between 16°C and the mid 30s.

# WELCOME ABOARD MARELLA EXPLORER

Marella Explorer's the biggest ship in our fleet, so it goes without saying that the facilities are first-class. The restaurant and bar counts are in the double digits, and the relaxation factor's upped with a Champneys spa. There's even a deck dedicated to sports and family activities.

## Vista

## TASTE

### THE MEDITERRANEAN

If you can't decide on what cuisine to go for, this is the place to come. It's a three-in-one deal with areas inspired by Italian, Spanish and Portuguese dishes. You can design your own pizza and pasta, tuck into tapas for dinner, or pay a little extra to try traditional Portuguese meat and veg skewers, AKA espetadas. There's also a bar with an al fresco terrace.

### THE MARKET PLACE

You can watch the chefs whip up dishes from around the world at this buffet

restaurant. It's made up of lots of different food stalls, hence its name, The Market Place.

### LATITUDE 53

The main waiter service restaurant is a good-looking dining venue, with a gold-and-grey colour scheme and striking, floor-to-ceiling windows.

### VISTA

You'll find Vista on deck 5 in Latitude 53. Come evening, it transforms in to a contemporary Italian restaurant. It's similar to Gallery 47° on Marella Discovery and Marella Discovery 2.

## FAMILY

Marella Explorer puts families first – here are some of the kid-friendly facilities you'll find onboard this ship...

### HIDEOUT

This hangout spot has been designed with older kids and teens in mind – think games consoles and comfy seating. Plus, there's an al fresco terrace filled with colourful hammocks.

### GAMER ZONE

Everyone can play games at the aptly named Gamer Zone. It's fully stocked with consoles.

### M CLUB

Little ones can join in with fun sessions at the Kids'

Club, which feature games from M Crew – characters exclusive to Marella Cruises.

### MINI M CLUB

Parents can play and learn with their tots at Mini M Club. This space – designed for little ones aged between 6 months and 3 years – is open from 9am to 8pm every day. Plus, once a day, there's an hour's sensory play session, run by M Club hosts.

### SPORTS & FAMILY DECK

You can get stuck in to a basketball match, a game of mini-football or a table tennis rally on this deck. There's a jogging track up here, too, for a scenic morning run.

### MINIGOLF

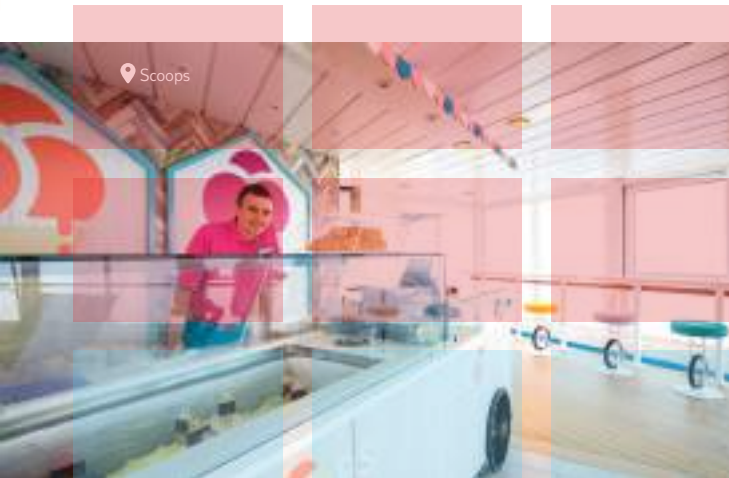

Practise your putt on this minigolf green.

## M Club

## Scoops

## CHILL

53

The clue's in the name here. This bar is right next to Latitude 53, so it's perfectly placed for some pre-dinner drinks.

## SCOOPS

For those with a sweet tooth, try Scoops. This vintage-looking parlour serves up dollops of ice-cream in a range of flavours, and you can add toppings, too. The seating's just as quirky – a collection of bike seats sit facing out to sea. A charge applies here.

## POOL

The pool is split in two by a stage in the middle, which is where the entertainment team run their daily activities from.

## SNACK SHACK

This laidback eatery's perfect for grab 'n' go lunches or snacks. You can help yourself to sandwiches and salads, or order a burger or hot dog. There are colourful beach huts to eat them in, too.

## THE SHACK

This deck bar provides cool-down drinks in between sunbathing. You'll find it just above Snack Shack, overlooking the pool.

## INDULGE

### SURF & TURF STEAKHOUSE

This place does what it says on the tin, specialising in all things meat. The menu takes in mains like pork chops, lobster and grilled chicken – but the highlight has to be the 28-day-aged steaks. The interiors are inspired by the meaty menu, as well, with chopping board artwork and leather booth seating. A cover charge applies for dining here.

### KORA LA

You'll feel like you've switched continents when you dine at this restaurant. Oriental-style lanterns and paintings are paired with a pan-Asian menu of curries and noodle dishes. You'll pay a cover charge to eat here.

## UMI SUSHI

Sushi, sashimi and nigiri rolls are prepared right in front of your eyes at this eatery. It's open for dinner only, and costs a little extra.

## THE DINING CLUB

This fine dining restaurant was made for foodies. You'll be treated to high-end cuisine, making it the ideal spot for an extra special evening. There's a charge to dine here.

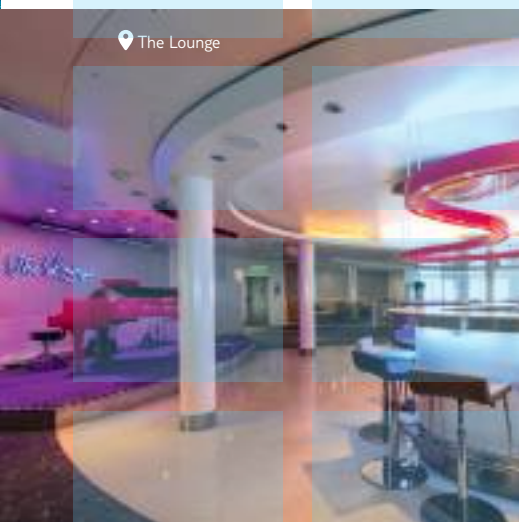

## APERITIF

Aperitif specialises in all things premium. You can get cocktails like an Aperol Spritz or a chocolate espresso martini, as well as Prosecco and a range of spirits – all included as part of our premium drinks package.

## The Dining Club

## The Lounge

## RELAX

### THE COFFEE PORT

If you're in need of a caffeine boost, this place will do the trick. Lavazza coffee and sweet treats are served here. Plus, it's a great people-watching spot, since it overlooks the atrium and comes with a chilled-out musical soundtrack. A small charge applies here.

### THE VERANDA

Cocoon chairs and Balinese beds add to The Veranda's luxe, adults-only atmosphere. Plus, it's at the front of the ship, so the views are first-class.

## THE VERANDA CABANAS

If you're feeling extra plush, you can hire a private cabana for the day or the week. Plus, you can order drinks without moving from your lounge, courtesy of call buttons.

## CHAMPNEYS SPA

Like any other Champneys spa, you can book in for treatments, like facials, body wraps and massages, plus there's a beauty salon. The spa doesn't scrimp on size – it packs in a sauna with widescreen windows, a relaxation room and VIP suites with private steam rooms and saunas. Alternatively, you can work up a sweat with the sea in sight at the gym.

## THE LOUNGE

A colour-changing feature bar, hot-pink piano and funky, ring-shaped seats take their place in this eye-catching lounge bar. You can admire the views, while listening to the soothing soundtrack of the live pianist.

## WHIRLPOOL BATHS

A trio of whirlpool baths sit next to the main pool.

## THE ATTIC

This is a quiet, noise-free zone, where you can slip away and get stuck into your latest holiday read.

## ENJOY

### INDIGO BAR, CLUB & CASINO

Whether you're after a bar, a club or a casino, our flagship venue gives you all three. During the day, you can come here to grab a drink from the impressive feature bar and soak in the panoramic views from its top-of-the-ship setting. After dark, things live up, with flare demonstrations and cocktail-making. Or you can hit the dancefloor, and try out the slot machines and card tables at the casino.

### SQUID & ANCHOR

Our first pub at sea is a modern take on a traditional British boozer. There

are two bars to pick from – one deals in premium gins and whiskies, which are chargeable. Plus, this place is the home of a live band, quiz nights and a couple of arcade machines.

### BROADWAY SHOW LOUNGE

This huge show lounge rivals any Broadway theatre, with lots of brand-new shows on offer.

### THE CINEMA

Movie days and nights come courtesy of the indoor cinema. Family-friendly films are on the agenda, with extra screenings during high season. If you'd prefer to watch something al fresco, keep an eye out for our Movies by Moonlight showings.

## BROAD STREET SHOPS

When the ship's at sea, it's time to hit the shops. The onboard boutiques are stocked with everyday essentials and loads of duty-free products, including perfume, jewellery and souvenirs.

## PHOTO STUDIO

Pop in to the studio for a professional photoshoot. You'll also find kiosks, where you can view and buy all the photos captured by our onboard photography team.

# WELCOME ABOARD MARELLA EXPLORER 2

There's a suitably grown-up feel to this adults-only ship. We've cherry-picked some of the facilities from its sister ship Marella Explorer, like a Champneys spa, The Dining Club and Indigo Bar, Club and Casino. But there are some exciting new ones, too.

## JUST SO YOU KNOW

If you want to find out more about our ports of call or excursions, come and chat to our Destination Services team. You'll find them by Reception.

## Nonna's

### TASTE

#### NONNA'S

Made-to-order pizza and pasta dishes are up for grabs at this place, which is open for lunch and dinner.

#### THE MARKET PLACE

You can watch the chefs whip up dishes from around the world at this buffet restaurant. It's made up of lots of different food stalls, hence its name, The Market Place.

## LATITUDE 53

The main waiter service dining venue, with a gold-and-grey colour scheme and striking, floor-to-ceiling windows.

## VISTA

You'll find Vista inside Latitude 53. Come evening, it transforms into a contemporary Italian restaurant. It's similar to Gallery 47° on Marella Discovery and Marella Discovery 2.

### PLAY

#### THE 19TH HOLE

Themed cocktails aren't all this clubhouse-inspired bar brings to the table. You can take up a seat in a golf buggy, or tee off on one of two golf simulators for a little extra.

#### SQUID & ANCHOR

This pub at sea is a modern take on a traditional British

boozer. There are two bars to pick from – one deals in premium gins and whiskies, which are chargeable. Plus, this place is the home of a live band, quiz nights and a couple of arcade machines.

#### MINIGOLF

You can take in the views while putting on this minigolf course, since it's on Deck 15.

## The 19<sup>th</sup> Hole

## CHILL

### SNACK SHACK

If there's any eatery that knows how to make you feel like you're on holiday, it's Snack Shack. This place is laid out like British-inspired beach huts. As such, you can look forward to grab 'n' go lunches, like sandwiches, burgers and salads, as well as fish and chip dinners.

### THE SHACK

This deck bar provides cool-down drinks in between sunbathing. You'll find it just above Snack Shack, overlooking the pool.

### SCOOPS

For those with a sweet tooth, try Scoops. This vintage-looking parlour serves up dollops of ice-cream in a range of flavours, and you can

add toppings, too. The seating's just as quirky – a collection of bike seats sit facing out to sea. A charge applies here.

### THE TERRACE

You'll find this spot just outside The Market Place, so you can dine al fresco. It's right at the back of the ship, too, making it perfect for sundowners.

### THE BEACH COVE

Like the name suggests, this place has a beachy vibe. Big sliding doors will make you feel like you're eating al fresco, the menu's inspired by barbecues, and the decor includes quirky swing seats.

### POOL

The pool's the place to be during the day, with daily trivia and games, whirlpool baths and a bar to help you cool down.

## INDULGE

### SURF & TURF STEAKHOUSE

This place does what it says on the tin, specialising in all things meat. The menu takes in mains like pork chops, lobster and grilled chicken – but the highlight has to be the 28-day-aged steaks. The interiors are inspired by the meaty menu, as well, with chopping board artwork. A cover charge applies for dining here.

### APERITIF

Thanks to its location, Aperitif is a great place to go before or after a meal at one of our speciality restaurants. Its menu features everything from

Prosecco and spirits to cocktails.

### THE DINING CLUB

This fine dining restaurant was made for foodies. You'll be treated to high-end cuisine, making it the ideal spot for an extra special evening. There's a charge to dine here.

### KORA LA

You'll feel like you've switched continents when you dine at this restaurant. Oriental-style lanterns and paintings are paired with a pan-Asian menu of curries and noodle dishes. There's a separate sushi menu, too.

## RELAX

### CHAMPNEYS SPA

This brand-new spa's in a class of its own. First of all, it's operated by Champneys, which means you can book in for first-rate facials, body wraps and massages, as well as pampering beauty treatments. It doesn't stop there, though, because this place also packs in a relaxation room and a stunning thermal suite, which makes the most of the sea views. There's a gym for workouts, too.

### THE COFFEE PORT

This place is the biggest Coffee Port in our fleet, serving sweet treats and Lavazza coffee – the latter of which is included in our premium drinks package. Alongside this, you can make use of the books and board games, or charge up your phone at the USB points. And there are sweet treats, courtesy of our in-house chocolatier. In a first for

Marella Cruises, there's a special after-dark menu, too, featuring coffee and tea-based cocktails. Plus, you can make your own coffee or hot chocolate using a selection of premium liqueurs – which are included as part of the premium drinks package.

### THE VERANDA

Cocoon chairs and Balinese beds add to The Veranda's luxe, relaxing atmosphere. Plus, it's at the back of the ship, showing off stellar views of the horizon.

### THE VERANDA CABANAS

If you're feeling extra plush, you can hire a private cabana for the day or the week. Plus, you can order drinks without moving from your lounge, courtesy of call buttons.

### WHIRLPOOL BATHS

Four whirlpool baths sit next to the main pool.

## ENJOY

### INDIGO BAR, CLUB & CASINO

Whether you're after a bar, a club or a casino, our flagship venue gives you all three. During the day, you can come here to grab a drink from the impressive feature bar. After dark, things liven up with flare demonstrations and cocktail-making. Or you can hit the dancefloor for a silent disco, and try out the card tables at the casino.

### BROADWAY SHOW LOUNGE

This huge show lounge rivals any Broadway theatre, with 12 new shows on offer.

### BROAD STREET SHOPS

When the ship's at sea, it's time to hit the shops. The onboard boutiques are stocked with everyday essentials and loads

of dutyfree products, including perfume, jewellery and souvenirs.

### PHOTO STUDIO

Pop in to the studio for a professional photoshoot. You'll also find kiosks, where you can view and buy all the photos captured by our onboard photography team.

### FLUTES

If you're after something bubbly, Flutes is the bar for you. You can sip glasses of Champagne\* or Prosecco while listening to the sounds of a pianist. Plus, there are handy 'press for bubbles' buttons dotted around.

\*Please note, Champagne isn't included as part of the standard All Inclusive package or the premium drinks package.

Atrium Bar

## TASTE

### ATRIUM BAR

Grab a seat – and a glass of bubbles – at this classy bar, and you'll have a great view of the entertainment in the atrium.

### 47°

The main restaurant is a big, stylish venue, finished in the colours of the sand and the sea. Daytime meals here come with a side-order of sea views, thanks to floor-to-ceiling windows, and a grand double staircase leads up to a separate restaurant.

You'll find this trendy Italian restaurant on the second floor of the main dining room. It's a laidback place, with no cover charge, and its designer look features a colour scheme inspired by the sunset.

### THE GLASS HOUSE

This place has a split personality, but for all the right reasons. By day, it deals in deli-style light bites and freshly squeezed juices. Come sundown, the venue turns into casual restaurant with a tapas-style menu. Plus, you can cook your own steaks on hot stones, for an extra charge.

## CHILL

### MAIN POOL

An open-air pool with loungers lined up along the water's edge, while music and quizzes keep the atmosphere up.

### ATRIUM

The heart of each ship is taken over by a spectacular five-storey atrium. Think panoramic windows, mood lighting, and Willy Wonka-esque glass lifts. Low-key entertainment is held here,

### ISLANDS

Big buffet spreads are laid out in this restaurant, with showcooking stations on-hand to offer things like breakfast omelettes, and carvery roasts in the evening. You can grab snacks in between meals, too.

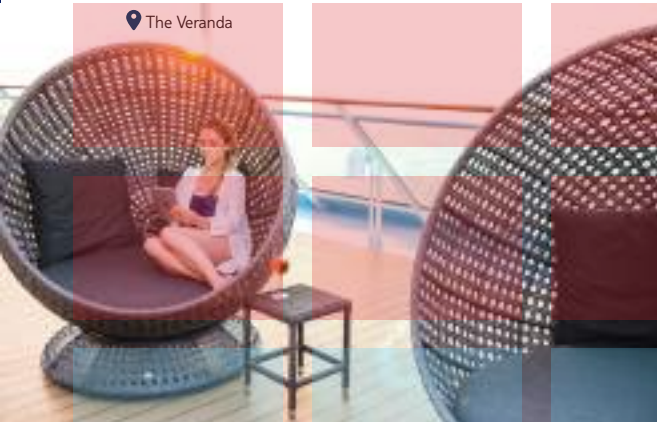

### SNACK SHACK

Festival food stalls and iconic British beach huts provided the inspiration for this grab 'n' go eatery. That means you can pick up things like bacon butties for breakfast, and sweet chilli chicken wings, salads and focaccia sandwiches in the afternoon.

## INDULGE

### BAR ELEVEN

# PORTS OF CALL

From Agadir in Morocco to Zadar in Croatia, you can visit an alphabet's worth of destinations when you take a Marella Cruise.

Alanya, Turkey

## AALBORG, DENMARK

On the banks of the Limfjord, a shallow part of the sea which snakes inland, Aalborg's harbour is more low-key than some of the bigger ports. Away from the more industrial parts of the riverfront, Denmark's fourth biggest city is like a step back in time. Tudor-like merchant houses play a big part, and even the 16th-century castle is a blend of whitewashed panels and dark red beams.

## ABU DHABI, DUBAI AND EMIRATES

It's set on a skinny peninsula that dangles across Kingston Harbour, but much of the town slipped to the seabed after an earthquake in 1692. Without doubt, porcelain, palm-fringed sands and still turquoise waters are the star of this island show. But that's not all Antigua's got to boast about. Get ready for towns in a rainbow riot of colours. Quiet countryside that slumbers in the sunshine.

## SUEZ CANAL (TRANSIT), EGYPT - NILE

Built back in the 19th-century, the Suez Canal is still considered a bit of an engineering feat. Slicing through the Isthmus of Suez, it allows ships to shave a cool 7,000 miles off their journey between Europe and Asia. It's seen its fair share of the spotlight since then, like in the Fifties when Britain and France got into a tug of war over who should control it.

## TALLINN, ESTONIA

Across the water from Finland lies this captivating World Heritage Site, the capital city of Estonia. Without doubt, Tallinn is one of Europe's most remarkable architectural havens. The old town is a magnificent jumble of Medieval walls and turrets, spires and winding cobbled hills. Don't forget your cameras for this one.

## TARANTO, ITALY

Taranto is surrounded by a natural harbour so this city and seafood go hand in hand – it's particularly well-known for oysters and mussels. The historical old town spreads over an island, while the new town is all about sleek and stylish palm-lined avenues.

## THIRA, SANTORINI

Prepare to fall head over heels for this sun-blushed beauty. Santorini is the very essence of Greek charm. Sugar-cube houses cling to the cliffs. Vivid blue church domes add a splash of colour. And steep cliff-sides tumble into an impossibly clear sea. Just beautiful.

Fusing French Riviera glam with the feel of a traditional old town, Toulon is your gorgeous gateway to the Côte d'Azur.

## TRAPANI, SICILY

The Greeks, the Romans, the Saracens, the Normans – they all squabbled over the pretty hook-shaped harbour of Trapani. And no wonder. Packed with reminders of its long and colourful past, this place offers up great sights, waist-bustingly good seafood and bags of that irresistible Sicilian charm. It's a west coast corner to fall head over heels for.

## TRIESTE, ITALY

This Italian city showcases cobbled, café-lined piazzas, Baroque churches and an old town that's packed with pastel-coloured buildings. It's a great jumping-off point for trips to scenery-laden Slovenia, too, as the city nuzzles up against the border.

## TROMSO, NORWAY

The biggest city above the Arctic Circle, Tromsø's been the starting point for countless polar expeditions. Norwegians call it the Paris of the North, and one thing's for sure – it's a city to fall in love with.

## VALENCIA, VALENCIA

Valencia is an expert in marrying up the old and the new. Ancient Arabian architecture and Gothic churches are given a run for their money by new icons like the futuristic City of Arts and Sciences. Beyond the city borders, Albufera National Park follows the coast south. The massive lake here is home to 250 species of birds, including flamingos.

## VALLETTA, MALTA

As your ship cruises into Valletta, a magical skyline of soaring steeples and bulbous church domes rises to greet you. This is Malta's quintessential capital, a captivating city steeped in history.

## VENICE, ITALY

With 117 islands, 150 canals and more than 400 bridges, it's time to swap your cruise ship for a gondola and embark on an affair to remember in one of the world's most romantic cities.

## VILLEFRANCHE, FRANCE

Think of the French Riviera and what springs to mind? Expensive yachts? Wide, palm-fringed boulevards? Glittering turquoise seas? Experience the glamour and glitz of France's most famous stretch of coast.

## WARNEMUNDE, GERMANY

Gilded with gorgeous beaches, Medieval Warnemünde is a popular holiday spot. Spend the day lounging on the sands or climb to the top of the lighthouse to enjoy the views over the Baltic Sea. If your ship is in port for more than a few hours, you can also visit the German capital, Berlin.

## WILLEMSTAD, CURACAO

This little Dutch island is slowly beginning to creep onto the tourist radar, and for good reason. It offers up an unbeatable mix of footprint-free beaches and pretty colonial towns. The storybook port of Willemstad leads the pack, with its candy-coloured, red-roofed houses that gild the downtown area. It's such an impressive sight, UNESCO have even granted the town a place on its World Heritage list.

## ZADAR, CROATIA

Zadar doesn't put age before beauty, it offers them both at the same time. This Dalmatian city on the Adriatic Coast is one of the oldest in Europe, and its timeline can be traced back more than 3,000 years. Having said that, it's more than a little easy on the eye. The traffic-free streets are paved in pearly marble, its town houses are topped with red roofs, and the city is dotted with ancient Roman ruins and historical churches.

## ZAKYNTHOS TOWN, ZANTE

Zakynthos Town is packed with culture – from centuries-old castles to museums stocked with relics from the past. Elsewhere, the island's shoreline focuses on natural wonders, like cliff-framed beaches and stunning sea caves, while the interior is cloaked in olive groves.

## ZEEBRUGGE (FOR BRUGES), BELGIUM

Zeebrugge is the gateway to the charming Belgian city of Bruges – a perfectly-preserved open-air museum, filled with cobbled streets, canals and Medieval monuments. And it's all laced with the scent of the city's famous chocolate.

## GETTING TO NEWCASTLE'S PORT OF TYNE

There are plenty of reasons why the Port of Tyne in Newcastle makes a great home port for our cruises from the UK. For starters, the city boasts an international airport, a major train station, and links to the A1 – so getting to the port is a breeze. And, we've sorted out some pre-bookable extras that you can add on to make things even easier...

### BY CAR

Proximity to the A1 makes the Port of Tyne easily accessible. Head for Northumbrian Quay, Port of Tyne International Passenger Terminal, Cobledene, North Shields, Tyne & Wear, NE29 6EE. When you get there, have your Marella Cruises paperwork to hand. The port staff will direct you to the luggage drop area, and you'll be shown where to park your car. There'll be a free shuttle bus from the car park to the ship. Ask your Travel Advisor to add port car parking at the time of booking your cruise. Or, if you've already booked, just call **0871 230 2800**. It's important to pre-book a space, as they're limited.

### BY TRAIN

Newcastle Central Station is a 20-minute cab ride from the cruise terminal, and it has intercity services connecting you to Edinburgh, York and London. From London, you can reach Newcastle in less than three

hours. On embarkation days, there'll be a free bus between Newcastle Central Station and the Port of Tyne running every half an hour, between 12pm and 2.30pm. At the end of your cruise, the shuttle will run back to the train station at 30-minute intervals between 7.30am and 9.30am.

### BY AIR

Newcastle International Airport lies 15 miles to the north of the Port of Tyne – taxi journeys normally take less than 30 minutes. The airport is served by flights from many UK airports.

## GETTING TO SOUTHAMPTON'S PORT

When it came to picking a second home port for our UK cruises, Southampton was the obvious choice. After all, it's the UK's cruise capital. It's well-connected in all the other departments, too, with an international airport, a train station and easy access to the M3. If you don't want to make your own way there, there's also the option of getting a coach transfer. Here are some of your options...

### BY CAR

Southampton Port has two major motorways at its fingertips – the M3 and M27 are both half an hour's drive away. Head for the Dock Gate assigned to your cruise, which'll either be Dock Gate 8, 10 or 20, City Cruise Terminal, Solent Road, Western Docks, Southampton SO15 1HJ. When you arrive, make sure you have your Marella Cruises paperwork ready. The port staff will direct you to the luggage drop area, and they'll show you where to park your car. There'll be a free shuttle bus from the car park to the ship. Ask your Travel Advisor to add port car parking when you're booking your cruise or if you've already booked, call **0871 230 2800**. It's important to pre-book a space, as they're limited.

### BY TRAIN

Depending on your Dock Gate, Southampton Central Station is between a five and 15-minute cab ride. It has links to Brighton, Cardiff and Manchester – to name just a few. From London, you can reach Southampton in just over two hours. Taxis are available from right outside the station.

### BY AIR

Southampton Airport is just 10 miles away from Southampton Port, so taxi journeys shouldn't take much longer than 20 minutes. You can fly here from plenty of UK airports, including Edinburgh, Manchester and Newcastle. Taxis wait outside the Arrivals Hall. And the airport's served by Southampton Airport Parkway Station, which runs regular services to Southampton Central Station.

However you choose to get to the Port of Tyne, it's worth bearing in mind that check-in time on embarkation day is between **12.30pm and 3pm**, and check-out on the last day of your cruise is between **7am and 9am**.

Just so you know, check-in time on embarkation day is between **12.30pm and 3pm**, and check-out on the last day of your cruise is between **7am and 9am**.

## INTRODUCING INTERCRUISES

We've teamed up with Intercruises to provide you with transfers to the Port of Tyne and Southampton Port from lots of pick-up points across the UK. Your Intercruises transfer will get you to the port in plenty of time, and the drivers will be in contact with the ship, so there's no need to worry if there's traffic, for example. We will be able to tell you or your travel agent the up-to-date price of your chosen travel arrangements and of any other services advertised by us before confirming your booking.

We reserve the right to increase the price of your holiday after you have booked but no later than 20 days before the departure date stipulated and will forward an Amendment Invoice reflecting any changes made, and will provide you with justification and a calculation of how the increase has been calculated. After a Confirmation Invoice has been sent to you, any increase to your holiday price will only be as the result of the direct consequences of changes in: 1) The price of the carriage of passengers resulting from the cost of fuel or other power sources; 2) the level of taxes or fees on the travel services included in the package travel contract imposed by third parties including tourist taxes, landing taxes or embarkation/disembarkation fees at ports and airports; and 3) the exchange rates relevant to the package. An administration charge and any relevant travel agent's commission is included within these amounts. If any of the costs detailed above decrease before your departure date, you will be entitled to a price reduction and will receive a refund of the amount less any administrative expenses we have incurred.

If the increase would be 2% or less of the holiday price shown on your Confirmation Invoice (excluding insurance premiums and any amendment charges), we will absorb the changes in our costs described above and will only pass on any increase above that level. If any change in our costs would cause a reduction in your holiday price, we will not make refunds of amounts less than 2% of your holiday price (calculated as above), but we will refund in full amounts exceeding such 2%, less any administrative expenses we have incurred.

If the increase is more than 8% of the holiday price (calculated as above), then:

1. You may cancel your holiday booking within 14 days of the Amendment Invoice date and receive a refund of all monies paid to us except any amendment charges; we will only consider an appropriate refund of insurance premium paid if you can show us that you are unable to transfer or re-use your policy; and
2. The increase will be considered a Major Change as described in section 4 below and, unless you choose to cancel under paragraph 1 above, you will be entitled to the alternatives set out in section 4 for those circumstances, but in either case you will receive compensation in accordance with section 4. The price quoted on the last Amendment Invoice issued is guaranteed, unless you change your holiday booking. Any increases in our costs which occur after the last Amendment Invoice has been sent will be borne by us. Should you instruct your credit/debit card company to "charge back" any payment(s)

properly due from you in respect of your booking, we will charge you a fee of £10 per incident and associated costs. We further reserve the right to cancel your booking and/or take legal action against you for all outstanding payment(s).

### 3. If We Cancel Your Booking

We aim to provide your holiday as booked. But if, for example, there are not enough people booked on your holiday or you do not pay the balance of the holiday price on time, we may cancel it. We may also cancel your holiday when there are not enough people booked and we have notified you of the minimum number required. In these circumstances we will let you know based on the duration of your holiday as follows:

Cancellation	
Duration of holiday	Notice of cancellation
More than 6 days	20 days before departure
Between 2 - 6 days	7 days before departure
Less than 2 days	48 hours before departure

We reserve the right to cancel your holiday in any circumstances but if we cancel your holiday, except where this is because you have not paid, you can either have a refund or accept a replacement holiday from us of equivalent or similar standard and price, if we are able to offer you one. We may offer you a replacement holiday from another company in our group. Should you choose this option the terms and conditions of your holiday will not change and these conditions will still apply to your booking. In either case, we will pay you compensation, using the scale shown, (unless we cancel your holiday because you do not pay us the balance of the holiday price, or because of one of the events listed in the 'Important Note – Events Beyond Our Control', or there are not enough people booked on your holiday) and we will always refund the difference in price if the replacement holiday is of a lower standard and price. We will not cancel your holiday less than 12 weeks before you go, unless this is the result of one of the events in the 'Important Note – Events Beyond Our Control', or you have not paid.

### 4. If We Change Your Booking Details

We hope that we will not have to make any change to your holiday but, because our holidays are planned many months in advance, we sometimes do need to make changes. We reserve the right to do this at any time. We will let you or your travel agent know about any important changes when you book. If you have already booked, we will let you know as soon as we can, if there is time before your departure. Flight timings shown by us are for guidance only and may change. Occasionally it may be necessary to change the aircraft type for your flight, which may mean that some facilities such as in-flight entertainment or the advertised seat pitch may not be available. Where we are unable to provide a seat option that you have paid for we will refund the amount you have paid. Your Confirmation Invoice will show the latest planned timings. Your actual flight timings will be shown on your ticket (including any e-ticket itinerary), which you should check carefully when you receive it.

### Major Changes To Your Holiday

Occasionally, we have to make major changes to the flight or accommodation making up your holiday with us.

Major changes to your holiday for which we will pay compensation unless the change is for reasons beyond our control (see 'Important Note – Events Beyond Our Control') using the scale shown, may include a price increase of more than 8%, or a significant change of destination, a change in accommodation to that of a lower category, a change in the time of your departure or return flight by more than 12 hours, a change of UK departure airport (excluding changes between London airports, London, Ebbsfleet and Ashford stations and between Dover/Folkestone ports). A delay to your flight that we need to make within 24 hours before you are due to depart will not be considered a major change unless the delay is for more than 24 hours. These changes are only examples and there may be other significant changes which constitute major changes. If we tell you about any of these changes after we have confirmed your holiday booking, you may either:

- accept the new arrangements offered by us; or
- accept a replacement holiday from us of equivalent or similar standard and price, at the date of the change, if we are able to offer you one. We may offer you a replacement holiday from another company in our group. Should you choose this option the terms and conditions of your holiday will not change and these conditions will still apply to your booking; or
- cancel your holiday with us and receive a full refund of all monies paid.

Either way, we will pay you compensation, using the Compensation table shown, unless the change is for reasons beyond our control (see 'Important Note – Events Beyond Our Control') and we will always refund the difference in price if the replacement holiday is of a lower standard and price, at the date of the change.

This standard payment will not affect your statutory or other legal rights. We will only make one payment for each full-fare-paying adult in the holiday booking. Any children not paying the full adult fare will receive 50% of these amounts. Children using a free child place will not receive any standard payment.

Compensation	
Any compensation payable will be on these scales based on how many days before your booked holiday departure we tell you of a major change.	
Period before departure when a major change is notified	Compensation payable per person
84 days or more	0
83-29 days	£10
28-15 days	£20
14-8 days	£30
7-0 days	£40

### If The Change Is Not Acceptable To You

If any major change indicated above is not acceptable to you, you can cancel your holiday booking. In this case, we will refund all the money you have paid us and will pay you compensation, as shown above, depending on how many days before your holiday we tell you about this change unless the change is for reasons beyond our control (see 'Important Note - Events Beyond Our Control'). This standard payment will not affect your statutory or other legal rights.

### Important Note – Events Beyond Our Control

Events beyond our control include but are not limited to: war, threat of war, riots, civil disturbances, terrorist activity and its consequences, industrial disputes, any failure to secure relevant flying rights, natural and nuclear disasters, fire, epidemics, health risks and pandemics, unavoidable and unforeseeable technical problems with transport for reasons beyond our control or that of our suppliers; closed or congested airports or ports, hurricanes and other actual or potential severe weather conditions, and any other similar events. In February 2005 a new Europe-wide law relating to denied boarding, delays and cancellation of flights came into force. This law granted rights to passengers

# OUR AGREEMENT WITH YOU, AND YOURS WITH US

including in certain circumstances the right to cancel their flight and receive reimbursement of the cost of the flight from their airline. Full details of these rights is published at EU airports and is also available from affected airlines. You should note that reimbursement of the cost of a flight that forms part of your holiday is the responsibility of your airline and will not automatically entitle you to reimbursement of the cost of your holiday from us.

## 5. What Happens To Holiday Complaints

We can usually sort out any complaints you may have. But if we cannot agree, you can use ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute and available from [www.abta.com](http://www.abta.com). If you made your booking online you can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>.

## Your Financial Protection

When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate, or a suitable alternative. In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative, at no extra cost to you. You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme, or your credit card issuer where applicable. If we, or the suppliers identified on your ATOL Certificate, are unable to provide the services listed - or a suitable alternative, through an alternative ATOL holder or otherwise - for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to - or confer a benefit on - you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent, or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

All money accepted from you by a travel agent acting as our agent is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

The Package Travel and Linked Travel Arrangements Regulations 2018 require us to provide security for the monies that you pay for the package holidays booked from us and for your repatriation in the event of our insolvency. We provide this security by way of an ATOL (number 2524) administered by the Civil Aviation Authority Gatwick Airport South, West Sussex, RH6 0YR, UK, tel: 0333 103 6350, email: [claims@caa.co.uk](mailto:claims@caa.co.uk) and a bond held by ABTA (V5126), 30 Park Street London, SE1 9EQ, tel: 0203 758 8779, email: [consumerprotection@abta.co.uk](mailto:consumerprotection@abta.co.uk) for packages that do not include flights. Calls from UK landlines cost the standard rate, but from mobiles may be higher - check with your network provider.

## 6. Our Responsibility For Your Holiday

We will arrange for you to receive the travel services that make up the holiday that you choose and that we confirm. These services will be provided either directly by us or through independent suppliers contracted by us. Except where we are a Booking Agent we are responsible for making sure that each part of the holiday you book with us is provided to a reasonable standard and as was advertised by us (or as changed and accepted by you). If any part of your holiday is not provided as described, we will pay you compensation, if appropriate, unless this is due to reasons beyond our control (see 'Important note - events beyond our control').

We have taken all reasonable care to make sure that all the services which make up your holiday advertised by us are provided by efficient and reputable businesses. These businesses should follow local standards. However, overseas safety standards are generally lower than in the UK, for example few hotels yet meet EC fire safety recommendations, even in Europe.

## 7. Personal Injury

If you suffer injury, illness or death directly as a result of the services provided as part of your holiday, we may make a payment to you. We will not make any payment if your injury, illness or death was caused by an event or circumstances which the person who caused it could not have predicted or avoided even if they had taken all necessary and due care. We will not make any payment if your illness, injury or death was your own fault. If we do make a payment, it will be similar to one you would receive under English law in an English court.

1. You must tell us and the supplier involved about your injury or illness and complete a report form while you are in the resort (see section 13). You should also write to After Travel Customer Support at the address given in our A-Z Guide ([www.tui.co.uk/a-zguide](http://www.tui.co.uk/a-zguide)) about your claim within three months of coming home from your holiday to allow us to investigate it properly and co-operate with us so as to enable us to carry out such investigation. Please include a letter about your injury or illness from your doctor.

2. You should transfer to us any rights you have against the supplier or any other person.

3. You should co-operate fully with us if we or our insurers want to enforce those rights.

4. Any payments we make may be limited in accordance with international conventions.

We ask you to transfer your rights to us so that we can claim back from suppliers any payments we make to you, plus any legal or other costs. We will not make a profit from this. If we get back from the supplier more than we have paid you plus these costs, we will give the extra money to you.

Where you or someone on your holiday is in difficulty, we will give you appropriate assistance without undue delay by:

1. providing appropriate information on health services, local authorities and consular assistance; and, 2. assisting you to make distance communications and helping you find alternative travel arrangements. We reserve the right to charge a fee for such assistance if the difficulty is caused intentionally by you or through your negligence, but any fee charged will be reasonable and will not exceed the actual costs we incur.

If you or someone on your holiday booking is injured, falls ill or dies while taking part in an activity which is not part of the holiday, or you need to incur unpredictable extra expenses for which we are not liable because the event is beyond our control (see 'Important Note - Events Beyond Our Control') we will, where appropriate and subject to our discretion, try to help if we can. We may help everyone on your holiday booking up to a total cost to us of £5,000 as long as the following conditions are met:

1. You must ask us for help within three months of coming back from holiday.

2. You must make a claim under your insurance policy's legal expenses or other appropriate section.

3. You must show us proof that your insurance company has received your claim and, if you get back the cost of legal or other expenses, you must repay us any money we have spent in helping you.

## 8. Excursions

From time to time we may introduce you to reputable third party suppliers of excursions or other leisure services. If you choose to enter into a contract for the provision of excursions or other leisure services, your contract will be with that supplier directly and we act only in the capacity of an agent, and therefore would have no liability for the proper performance of that contract. The terms and conditions in this 'Our Agreement With You' will not apply to any contract for the provision of excursions or other leisure services.

Your Agreement with Us

## 9. Your Contract

By asking us or your travel agent to confirm your booking, you are accepting on behalf of all persons travelling on this booking that the terms of this Agreement, which incorporate the information, restrictions and obligations set out in our A-Z Guide, and the conditions of any terms and conditions of carriage - see Conditions of Your Ticket - constitute the entire agreement between us with regard to your booking and your travel arrangements. You also consent to our processing personal information about you and other members of your party. Where the context permits, reference to "you" and "your" will include you and all persons travelling on this booking. Your contract with us shall be governed by and construed in accordance with the law of England and Wales. You agree to submit to the exclusive jurisdiction of the courts of England and Wales over any claim or matter arising under or in connection with your contract with us. You may however choose to submit to the law and jurisdiction of Scotland or Northern Ireland if you are resident in either of these jurisdictions, but not to any other law and/or jurisdiction.

It is a condition of booking that you and all members of your party provide certain information that may be sent to governmental authorities and border control and security agencies for the purpose of security and counter terrorism. This is known as Advanced Passenger Information, sometimes known as APIS. In the US this may be referred to as Secure Flight and applies for flights to and from the US plus certain flights that overfly the US. The information you must provide will include, but not be limited to, full name - as shown in your passport or travel document, gender, date of birth, travel document type, number, country of issue and expiry date, and for travel to the United States, your country of residence and the address for your first night's stay. You must provide this information to the airline between 6 months and 24 hours before departure, or between 6 months and 3 days before departure if you're going to the United States, Mexico or Jamaica. For TUI Airways flights you can do this by visiting <http://eapi.tui.co.uk> or by calling 0203 451 2706. Calls from UK landlines cost the standard rate, but from mobiles may be higher. Check with your network provider.

It is your responsibility to comply with all passport, visa and other immigration requirements. Your passport and travel documents must be intact; you may be refused travel if they are damaged or have been tampered with. We do not accept any responsibility if you cannot travel because you have not complied with these requirements.

You will be required to pay a deposit to us for each person when you book unless this is within 12 weeks of departure when the full amount for the booking is payable. The deposit amount will be specified by us or your travel agent when your booking is made. If it is not specified then it will be the amount that we ask you to pay when you book, even if this is 100% of the holiday price. If you pay less than the deposit under a low deposit booking scheme, then this is only part of the deposit referred to in this paragraph. The remaining deposit will be due on cancellation or date specified at time of booking or on your confirmation invoice. Please note your booking deposit may be increased or there may be a charge payable for some accommodation, holidays or flight bookings where it is necessary to secure specific facilities with full payment at the time of booking e.g. weddings, coach touring and specific types of airline tickets.

Once confirmed, the booking deposit, additional charges paid and insurance premiums will not be refunded in the event of cancellation except in the circumstances specified in Sections 2, 3 or 4 or as otherwise required by law. This is your only commitment until 12 weeks before you go. Within two weeks of booking, we will send you a Confirmation Invoice showing how much you owe us. You must pay the amount on the last invoice issued by us, at least 12 weeks before you go on holiday. If you don't, we reserve the right to treat your booking as cancelled and to charge you a cancellation charge up to 100% of the total on that last invoice, in accordance with section 12.

If you pay money for your booking to a travel agent appointed by us, they will hold that money as our agent from the time they receive it until they pay the money to us. Telephone bookings may incur an additional charge, check at time of booking. We do not accept personal cheques, only building society and bankers' drafts will be accepted.

## 11. If You Change Your Booking

1. You must ensure all names and details are entered correctly at the time of booking. You will receive an invoice once your booking is confirmed and must contact us straight away if there is something that you need to correct, or if you don't receive an invoice within 7 days of confirming your booking.

2. Subject to Section 11.4, you may transfer your booking to another person, providing the following conditions are met:

- You provide us with at least 7 days notice, and authorise the change in writing (which includes email)
- The new lead passenger accepts the transfer and the terms of Our Agreement
- That person complies with the terms of the existing booking
- That person has valid holiday insurance - you cannot transfer your insurance to the new lead passenger.

We'll charge amendment fees to change a name on a booking outside 14 days to departure; these will be added to the new invoice. The new lead passenger, and you should they fail to pay, will be responsible for the payment of any balance due on that new invoice.

3. We charge an 'Amendment Fee' for each detail of your booking we allow you to change: see the amendment fees table below. Please note that more major changes, including but not limited to, travelling later than planned, changes which lower the basic price of your holiday, and changes which result in your holiday ceasing to be a Package Holiday will be treated as a cancellation and incur appropriate charges in line with Section 12.

4. Certain airlines and other transport providers treat changes as a cancellation and charge accordingly, up to 100% of the cost for that part of the arrangement. Where applicable these charges will be passed on to you.

5. When changing your holiday details, the price of your new travel arrangements will be based on the price that applies on the day you make the change. These prices may not be the same as when you first booked. Some accommodation is priced according to the number of people staying there. If your party size changes, we'll recalculate your booking cost based on the new number of people going. If fewer people share the accommodation, then the cost per person may go up. This extra cost isn't a cancellation charge, and it isn't normally covered by insurance.

OUR AGREEMENT WITH YOU, AND YOURS WITH US

6. Some arrangements cannot be removed once they have been added to your booking. These include transfers, flight options, children's activities, accommodation options incl. room/board upgrades and late checkout rooms. Certain extras, such as excursions, theme park tickets and airport extras may be non-refundable. We will make this clear when you book those arrangements, please check with us if you are unsure when booking.

A £50 per booking charge will be applied if you cancel car hire insurance more than 14 days after the initial holiday booking.

Guide To Our Amendment Fees

Change	29 days or more to departure	28 - 15 days to departure	14 - 0 days to departure
To change a name, passenger or passenger type	£25 per person		
To change accommodation, flight time, airport, duration and/or to travel earlier than planned*	£50 per person	90% of original cost	100% of original cost
To travel later than planned	Cancellation charges apply - see section 12		

\* please note there won't be any reduction in the price you pay, even if your new travel arrangements are cheaper than the original booking.

12. If You Cancel Your Booking

If you want to cancel your booking, or part of it, you must contact us as soon as possible. If you have made your booking through a Travel Agency, your agent must advise us of your request to cancel. Once your booking has been cancelled you can expect to receive a cancellation invoice within 14 days. If you don't please contact us. To cover the cost of processing your cancellation, and to compensate us for the risk that we may not be able to resell your travel arrangements, we'll make a cancellation charge on the scale shown below. You are responsible for paying this charge.

Your deposit is non-refundable, even if the cancellation charge calculated is lower than the deposit amount paid. Where extra facilities or transport options, see Sections 10 and 11.4, are non-refundable, in part or in full, the cost of these will be added to the cancellation charge you have to pay.

If you booked using a Low Deposit Offer, the full deposit amount stated on your confirmation invoice will need to be paid upon cancellation.

The cancellation charge may be higher for certain travel arrangements, such as coach tours or scheduled airfares. Please ask for details of cancellation charges when you book and check your insurance policy to see if you'd be covered for the cost of any cancellation charges.

Guide to our cancellation charges	
These charges are based on how many days before your booked departure we receive your cancellation notice, and are a percentage of the total cost of your booking, not including your insurance premium. If you want to cancel one or more passengers on the booking you'll have to pay a proportion of the applicable cancellation charge for those passengers..	
Period before departure when notice of cancellation is received	% of total booking price
70 days or more	Loss of deposit*
69-63 days	30%
62-49 days	50%
48-29 days	70%
28-15 days	90%
14-0 days	100%

13. If You Have A Complaint

You must inform us without undue delay, taking into account the circumstances of the case, of any lack of conformity which you perceive during the performance of the travel services included in the package travel contract. If you have a complaint whilst away, you must immediately notify the supplier of the service in question (e.g your hotelier) and our resort representative and complete a report form whilst in resort. If they are unable to resolve the problem, or a member of our staff is not available, you should contact us straight away by telephone/fax and we will endeavour to assist. If you are still not satisfied on your return home, you must write to our After Travel Customer Support at the address given in our A-Z Guide, within 28 days of returning from your holiday to allow your complaint to be investigated properly. Please write your holiday reference number on your letter, and include all relevant information, as well as your daytime and evening telephone numbers. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract.

14. Online Check-in

You can check in online prior to departure if your flight is provided by TUI Airways. When checking in online you will be required to provide your advanced passenger information. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in.

15. Your Conduct

We reserve the right to refuse to accept you as a customer or continue dealing with you if we, or another person in authority, believe your behaviour is disruptive, causes unnecessary inconvenience, is threatening or abusive, you damage property, you upset, annoy, disturb, or put any other traveller or our staff or agents in the UK or resort in any risk or danger, on the telephone, in writing or in person.

If the Captain of your flight or cruise ship or any of our resort staff or agents believes that you could be disruptive or that you are suffering from a contagious disease, they can also refuse to let you proceed with your travel arrangements, restrict your movements on board, disembark you from a ship or aircraft, or remove you from your accommodation or excursion.

If you are disruptive and prevented from boarding your outbound flight in the UK, we will treat your booking as cancelled by you from that moment, and you will have to pay full cancellation charges (see section 12). If this occurs overseas then you will become responsible for your own return home and any other members of your group who cannot or will not travel without you. We will not be liable for any refund, or compensation or any costs or expenses you incur.

If you are refused carriage because of your behaviour, or you are under the influence of alcohol or drugs, your airline may pass on your details and date of the refusal of carriage to other airlines for their information. This in turn may make it difficult for you to book other airline tickets. In any of these circumstances no refunds or compensation will be paid to you.

As a result of your behaviour during any stage of your holiday including on an aircraft, transfer, in any accommodation, cruise or excursion, we reserve the right to make a claim against you for any damages, costs and expenses (including legal expenses) incurred as a result, including but not limited to:

- (i) cleaning, repairing or replacing property lost, damaged or destroyed by you,
- (ii) compensating any passenger, crew, staff or agent affected by your actions, and
- (iii) diverting the aircraft/cruise for the purpose of removing you. Criminal proceedings may also be instigated.

For the purposes of this section reference to "you" or "your" includes any other person in your party.

Fit to Travel

We, the local port authorities, and/or the ship's senior officers shall be entitled to administer a public health questionnaire on their own behalf at any time. You and all passengers travelling with you agree to supply accurate information regarding any symptoms of illness including but not limited to gastrointestinal illness, in relation to travel by sea and/or by air. We and/or your cruise ship captain may deny boarding to any passenger that we consider in our sole discretion to have symptoms of any viral or bacterial illness including but not limited to norovirus. Refusal by a passenger to complete the relevant questionnaire may result in denied boarding. This will be treated as a cancellation, and 100% cancellation charges will be payable by you.

We and/or the ship's senior officers may refuse travel to any passenger who is considered to be unfit to travel, or likely to endanger health or safety of any other passenger, or is likely to be refused permission to land at any port or render the cruise ship liable for maintenance of port or repatriation. Alternatively we and/or the ship's senior officers may require the passenger to remain in his/her cabin for reasons of health and safety. If the passenger refuses then we and/or the ship's senior officers may disembark the passenger without liability.

16. Your Accommodation

Any accommodation we arrange for you must only be used by those people named on your Confirmation Invoice, or on latest Amendment Invoice issued. You are not allowed to share the accommodation or let anyone else stay there. You are responsible for the cost of any damage caused to your accommodation or its contents during your stay. These charges must be met by you and may have to be paid locally.

17. The Conditions Of Your Ticket

When you travel by air or by sea, your journey may be subject to certain international conventions such as the Warsaw Convention, Montreal Convention or Athens Convention. You agree that the transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging this transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'.

You acknowledge that all of these terms and conditions form part of your contract with us as well as with the transport company. You can ask us or the travel agent booking your holiday to provide you with a copy of any of the conditions applicable to your journey. The airline's terms and conditions are available on request and the cruise conditions of carriage are available at [www.tui.co.uk/cruise](http://www.tui.co.uk/cruise).

We will tell you the identity of the air carrier when you book with us and if it is not known at that time or subsequently changes we will inform you as soon as possible and no later than at check-in.

18. Contacting You

If you book via our website or have opted in other circumstances for us to contact you via e-mail, we will communicate with you using the e-mail address you have provided. For example, to provide your e-confirmation, e-ticket, e-cancellation, etc. We will assume that your e-mail address is correct and that you understand the risks associated with using this form of communication. You may still have to contact us via our call centre or in writing as required in our terms and conditions.

A-Z GUIDE

We understand the smallprint is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format please contact our Customer Welfare Team on 0203 451 2585. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. Lots of our customers choose to add a hotel stay to their cruise. With that in mind, this guide covers both the cruise element, as well as the 'stay' part so all the information's in one place. We make it clear when we're talking about the ship, rather than the hotel.

In line with EU regulations, we need to let you know who you'll be flying with. This includes any connecting flights or transfers. These are the carriers we may use – **A3** Aegean **ABR** ASL Ireland **AEA** Air Europa **AMV** AMC Airlines **AP** Albastar **BA** BA Cityflyer/British Airways **BE** Flybe **BGH** Balkan Air **BJ** Nouvelair Tunisie **D8** Norwegian **EI** Aer Lingus **EVE** Evelop **FHY** Freebird Airlines **FPO** ASL France **JAF** JetairFly **KM** Air Malta **LS** Jet 2 **MON** Monarch Airlines **MT** Thomas Cook Airlines **OHY** Onur Air **PC** Pegasus **QS** Travel Service **ST** Germania **TBA** Carrier To Be Advised **TOM** TUI Airways **VOE** Volotea **X3** TUIFLY **ZB** Monarch Airlines **7M** Mistral Air

We'll let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI Airways. So if you're flying with another airline, you'll need to check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

## A

**A La Carte**

A La Carte benefits aren't available on Cruise & Stay holidays.

**Accuracy**

We published this brochure in July 2019. Our prices and information were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice. Please see Itineraries for more details.

**Adult Properties**

These are hotels that cater really well for adults in terms of facilities and destination.

They include our Sensimar, Gold and Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted.

For adults-only hotels in the Dominican Republic, the minimum age accepted for all travelling on the booking is 18 years.

**Advanced Passenger Information**

You, and all members of your party, must tell us certain information that we'll send to government authorities and border control and security agencies for the purpose of immigration, security and counter terrorism. This is known as Advanced Passenger Information, or APIS. It may also be referred to as E-borders in the United Kingdom.

The information you must provide will include, but not be limited to, your full name - as shown in your passport or travel document, gender, date of birth, travel document type, number, country of issue and expiry date. You must provide this information to the airline between 6 months and 24 hours before departure, or between 6 months and 3 days before departure if you're going to Mexico or Jamaica. For TUI Airways flights you can do this by visiting <https://flightextras.tui.co.uk> or by calling 0203 451 2706. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. You'll need your booking reference number, the lead passenger's surname and your date of departure to access the site.

**Age Ranges**

No under-18s can travel on their own. For our hotels and cruises, 2 to 12-year-olds are classed as children unless we say otherwise. Infants under 6 months old aren't permitted to travel on our cruises.

**Air-conditioning**

This may depend on the time of year and be subject to hotelier discretion. You may have to pay for it when you get there. All our ships are air-conditioned and you won't need to pay any extra.

**Airline Rules**

Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Egyptian nationals, with official residence in the UK, can only travel on inclusive tour package arrangements, except when travelling to Sharm El Sheikh on a scheduled flight.
- Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.

**Airport Lounges**

You can pay for airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

**Alcohol**

During your flight with us and outside of your ship cabin once onboard, you can only drink the alcohol that our staff serve you. During embarkation we have the right to search luggage and hold any alcohol that we believe has not been purchased on your flight. We'll only do so if we think it's necessary, but please retain your proof of purchase just in case. Any alcohol that is not permitted onboard will be returned to you on your departure.

Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol. You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive benefits. You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel. You may also find timings change for things like happy hours in bars and dining times.

**Amenities**

On our cruise ships, there may be a temporary loss of power from time to time because power is generated onboard, and toilets onboard use a vacuum system.

**Artist Impressions**

These, together with any computer-generated images, are there to give you an idea of how the property or ship will look – they're not replicas of the finished building or ship.

## B

**Baby Centre**

This is a dedicated space onboard Marella Discovery and Marella Discovery 2 for parents and young children where they can make use of cots, a nursing chair and soft play area. This facility is not staffed so parents need to supervise their children.

**Balconies**

If the description refers to a French or Juliette balcony, this means that your room will have glass doors but you won't necessarily be able to go out onto the balcony as it'll be shallow in depth. If you're on the ground floor, you'll get a terrace instead of a balcony, even if it says 'BL' or 'balcony' on your confirmation. Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Even if you're on a low floor, never leave your children unattended on your balcony.

**Banned Airlines**

To improve safety, the European Commission has banned some airlines from operating in European airspace. In line with EU directive (EC) no. 2111/2005, Article 9, we need to make you aware of the list of banned airlines. To view the list of airlines that are subject to an operating ban within the European Community, visit [http://ec.europa.eu/transport/modes/air/safety/air-ban/search\\_en](http://ec.europa.eu/transport/modes/air/safety/air-ban/search_en).

Beaches

When you're on the beach, make sure you check any flag warning systems and take local conditions into account, particularly things like undercurrents and tides. You'll also need to supervise children at all times as most beaches won't have a lifeguard. You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches. Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws.

Building Work

From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

Bungalows

If the description of your accommodation refers to bungalow, this means that you may be located in an accommodation block within an annexe building separate from the main building which may not necessarily be single storey or detached.

C

Cabins

Deck plans and photographs are provided as a guide. The size, layout and décor of the cabins may differ slightly from those shown. Generally speaking, cabins are smaller than hotel rooms, and extra berths are usually upper bunks that are accessible via a short ladder. Please bear in mind cabins with extra berths are not necessarily larger. Some can accommodate a rollaway bed – see **Rollaway Beds**. Cots are available, too – see **Cots**.

Personal grooming items such as hairdryers, travel irons, curling tongs, hair straighteners and shavers are permitted when used with caution. However, if such devices are determined to pose a hazard, they will be removed and returned on the last day of the cruise prior to disembarkation. If you have more than one cabin that is adjacent or opposite to each other then children up to 13 must be accompanied, if the cabin is separate then under 18's must be accompanied.

We have a limited number of cabins that have been adapted for the disabled – see **Special Assistance**.

Cabin Reservations

You can book a particular cabin number up to 15 days before you go. Bear in mind, there's always some background noise on a ship. This may be louder when manoeuvring - turning the ship around, for example, or in bad weather. Cabins in the centre of the ship, and on higher decks, tend to be less affected. Once you've booked your cruise, simply call us to request a cabin number. You can reach us on 0203 636 1862 8am to 8pm Monday to Friday, 9am to 6pm Saturday and 10am to 5pm Sunday. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your landline provider. We'll confirm your cabin number over the phone - there is a charge for this. Some cabins can't be booked and they all depend on availability. If for any reason we can't give you your reserved cabin we'll move you to a suitable alternative and refund your booking fee on board. You can cancel your cruise if the cabin you wanted isn't available but you'll need to pay the normal cancellation charges. We set these out in Section 12 of Our Agreement With You. We don't class a change to the cabin you've booked as a 'Major Change' to your holiday.

Some cabins qualify for extra benefits – see **Premier Service**. Views from certain cabins may be obstructed by lifeboats.

Cabin Supplements see Supplements

Captain's Gala Reception

On Marella Celebration and Marella Dream there's one formal night on each seven-night cruise. For men, a dinner jacket or tuxedo are the norm but a suit and tie is fine. For women, it's a cocktail or evening dress. The self-service restaurant is open as normal on formal night if you prefer something a bit more casual.

On Marella Explorer, Marella Explorer 2, Marella Discovery and Marella Discovery 2, gala receptions are more casual and are known as a 'Dress to Impress' night.

Celebration of Vows

The items that are included in the package are subject to availability. Please contact us for more details – the number you need is in the **Getting In Touch** section at the end of this guide under Finishing Touches.

Check-in

For Your Flight

We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure. UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too. If we think you may be under the influence of alcohol or pose a threat to passengers or crew, you won't be able to fly. The same applies if you smoke, use insulting or abusive words before or after you board. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane. It's also a criminal offence to cause disruption on board, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trips.

Online Check-in

You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with reduced mobility. Boarding cards must be printed on A4 paper and be clearly legible with no rips or tears. You must drop off your bags before bag drop closes, 45 minutes before your flight time. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in. Please also see Section 14 of Our Agreement with You and Yours with Us.

For Your Accommodation

Check-in time is usually 3pm to 4pm. Depending on when your flight arrives, you may miss a meal if you've booked All Inclusive, Half or Full Board. If your flight arrives late at night, this is classed as the first night of your holiday and your room will be ready when you arrive. If you arrive in the early hours of the morning the day after your flight departed, your room may not be available until the hotel's normal check-in time.

For Your Ship

You'll be able to and board the ship as soon as your coach or taxi from the airport or hotel arrives in the port. Your cabin will be ready for you. If you've opted for a 'cabin-only' holiday, it means you've just booked the cruise part with us and you'll need to organise your own flights and transfers from the airport to the ship. Check-in is Midday to 2 hours before the ship sets sail. For cruises departing from the UK you can check in at the Cruise terminal between 12.30pm and 3pm and board thereafter. When you get there, have your Marella Cruises confirmation to hand and follow the instructions of the port staff who will direct you to the ship. Just keep in mind that there aren't as many facilities at cruise ports as you'd expect at an airport, so make a note of the check-in time on your confirmation. See Onboard Accounts for more details on checking in.

Check-out

For Your Accommodation

On the last day of your holiday, you'll usually have to leave your room by mid-morning or noon. You may be able to keep your accommodation for longer, but there could be a charge. Depending on the time of your flight, you may miss a meal at your hotel. Also, you might not be able to use some of the facilities or the full All Inclusive package.

If your flight leaves on or after midnight, you'll have to check out of your hotel room by midday the previous day. There'll usually be a courtesy room or apartment available for you where you can change and leave your bags until it's time to leave. You can pay for a late check-out room, which are normally available until 6pm that evening. The hotel will allocate them on a first-come, first-served basis. You may be able to stay in the room you've had during your holiday, but you may have to move to another. The rooms will only be for you and your group to use, and will have beds and a private bathroom. Late check-out only covers the use of your room. If you're on a Stay & Cruise holiday you won't be able to use a late check-out room at your hotel as your transfer will arrive to take you to the port.

For Your Cruise

You need to leave your luggage outside your cabin the night before you leave – by 2am. On disembarkation day, you need to be ready to leave your cabin by 8am. We'll have given you your bill the night before so there's no need to check out. We'll take you to the airport in good time for your flight home. Until then, you can stay on the ship. Courtesy cabins will usually be available so you can freshen up before you leave, but if you want to guarantee a cabin you can pay extra to check out later. You'll need to book this with Reception during your cruise. You may also have to move to a different cabin. On cruises departing from the UK disembarkation usually takes place between 7am and 9am, meaning that late check out cabins are not available for these sailings.

Child Prices

Our child prices are subject to availability and only apply when a child shares with two full-fare-paying passengers. We set a limit on our child prices, and we have a limited number of cabins with extra berths for children, so you should try to book early. Child prices are for children between 2 and 12 inclusive. You'll also need to pay £79 on long haul and £35 on short haul for an infant under the age of 2 on the date of return travel.

If any children in your group turn 13 after you've booked but before - or during - your holiday, they'll need to pay the adult price, plus the amendment fee. Children count towards group offers as long as they're paying the adult fare and will pick up any applicable occupancy discounts. You don't pay cabin supplements for children when a child price applies. But you will pay full deposit, flight fare, extra facility, hotel room and board supplements, and insurance premiums for any children who use the reduced price.

Child Protection

We believe we have an important role to play in protecting children's rights everywhere. Our child protection policy applies both in the UK and abroad. We train our resort staff to identify situations where children may need protection and report them to the relevant organisations. We're signed up to the Child Protection Code [www.thecode.org](http://www.thecode.org). This independent organisation monitors and supports our child protection activities. If you suspect any child is at risk on your holiday, please tell your Holiday Advisor or call Crimestoppers, anonymously, on 0800 555 111.

Conditions Of Carriage

Certain rules and regulations apply to air and sea travel. These are set out in the Montreal Convention for air, and the Athens and London Conventions for sea. By law we need to give you these in 'legal speak' to avoid any misinterpretation. For full details of the cruise conditions of carriage go to <https://www.tui.co.uk/destinations/info/cruise-conditions-of-carriage>. We can supply a full copy of both if you ask us to.

Montreal Convention

This is a notice required by European Community Regulation (EC) No. 889/2002.

Air carrier liability for passengers and their baggage

This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention.

Compensation In The Case Of Death Or Injury

There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £96,000), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

Advance Payments

If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

Passenger Delays

In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980).

Baggage Delays

In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,000 SDRs (approximately £960).

### Destruction, Loss Or Damage To Baggage

The air carrier is liable for destruction, loss or damage to baggage up to 1,000 SDRs (approx. £960). In the case of checked baggage, it's liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

### Higher Limits For Baggage

A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

### Complaints On Baggage

If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within 7 days, and, in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

### Liability Of Contracting And Actual Carriers

If the air carrier performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

### Time Limit For Action

Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

### Basis For The Information

The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

### Athens Convention

Your cruise is subject to the terms and provisions of the Athens Convention relating to the Carriage of Passengers and their Luggage by Sea 1974 ("the Athens Convention"), the London Convention of Limitation on Liability for Maritime Claims 1976 ("the London Convention") and Regulation (EC) 392/2009 on the liability of carriers of passengers by sea in the event of accidents ("the Regulation"). The Athens Convention and Regulation are expressly incorporated into these Conditions and any liability we may have for death or personal injury or for loss of or damage to luggage (including vehicle), or loss of or damage to specific/mobility equipment for Passengers with Reduced Mobility arising out of carriage by sea shall be determined accordingly. In most cases, the Athens Convention and Regulation limit the carrier's liability for death or personal injury, or loss of – or damage to – luggage and specific/mobility equipment for Passengers with Reduced Mobility and make special provision for valuables. It presumes that luggage has been delivered undamaged to the passenger unless written notice is given to us (as carrier) either (i) in the case of obvious damage, before or at the time of leaving the ship or when the luggage is returned to the passenger, and (ii) in the case of damage which is not obvious or if the luggage, or part of it, is lost, within 15 days from the date of leaving the ship or from when the luggage was – or should have been – returned to the passenger. Any damages payable by us and/or the ship owner up to the limits provided by the Athens Convention shall be reduced by the maximum deductible specified in Article 8.4 of that Convention. In no circumstances shall we – or the ship owner – be liable in respect of consequential loss and damage, detention, delay or over-carriage, howsoever caused. In cases of death or personal injury in the event of a shipping incident, where compensation is payable by the carrier, the carrier may make an advance payment up to the limits provided by and in accordance with the Regulation. Insofar as the cruise may be performed on a ship not owned by us, it is agreed that we shall at all times nevertheless be deemed a ship owner for the purposes of the London Convention, whether as amended or otherwise and as in force in any relevant jurisdiction from time to time, and so entitled to limit liability there under.

For full details see <https://www.tui.co.uk/destinations/info/athens-convention>

### Cots

We don't charge for cots on our ships, but you'll need to book a cabin with enough floor space for one. See Cabin Reservations in the Getting in Touch section.

There's usually room for one cot in all our hotel rooms, but you'll need to check with us before you travel to make sure there'll definitely be one available when you arrive. In some countries you'll need to pay a daily charge to hire a cot. If you decide to bring your own travel cot, bear in mind there's no extra luggage allowance for these and the airline will charge extra if you go over your limit.

### Crèches

These are available at some properties but unfortunately not on our cruise ships.

At TUI Family Life, NNEB, CACHE or equivalent staff look after under-threes for two-hour sessions throughout the day. Sessions in TUI crèches cost £9 each and you can book them in the UK or in resort if they're available. Plus there's a discount when you book three, six, nine or 12 two-hour sessions in the UK. Nine sessions or more can only be booked on two-week holidays.

At our Sensatori resorts, there's a nursery for children up to four-years-old that's available all week. You can book full or half-day sessions for the duration of your holiday. You can expect to pay around £105 for a week's worth of half days, and £210 for full days. You'll need to book before you go to guarantee a place. Unfortunately there isn't a nursery at Sensatori Resort Jamaica. Mothercare equipment including cots, playpens, strollers, highchairs, sterilisers and bottle warmers are available to book at our Sensatori resorts except Sensatori Resort Jamaica, but you'll need to sort this before you go. Prices range from £10 to £25. At Sensatori Resort Jamaica you can pick up a free baby kit when you get there that includes strollers and cots - you'll need to request this before you go.

Bear in mind, wherever the crèche, if your child's ill they won't be accepted. Also, you'll need to supply your own nappies, prepared feeds and packed lunches. We can't guarantee standards at crèches that aren't run by us.

### Data Protection

Data Protection All details provided by you will be held by us and used in accordance with our Privacy Notice. We will process personal data about you and members of your party so that we can manage your account or booking, provide you with our products, services and/or any other travel arrangements booked with us. By providing other people's personal data, you must be sure that they agree to share their data with us and, where appropriate, they understand how their personal data may be used by us. For more information, please refer to our Privacy Notice available on our website or upon request in our stores.

### Day-Before Bag Drop

The day before bag drop service at the airport is only available to Stay and Cruise holidays. It is not available for Cruise or Cruise and Stay holidays

### Delays

Depending on airport facilities, we provide light refreshments for a delay of two to four hours, a meal – or vouchers for a meal – for four to eight hours, overnight accommodation for delays of eight to 12 hours if it's necessary and possible. If a delay is longer than five hours, you can cancel your flight and we'll refund the flight part of your holiday. We'll only refund the whole cost of your holiday if we change or cancel your holiday. We set out exactly what this means in Our Agreement With You. If you booked your complete cruise holiday – including flights, transfers and the cruise itself – with us and there's a flight delay, we'll attempt to get you to the ship where possible. See **Insurance** for details.

### Dress Code

For dress codes onboard your cruise please refer to pages 24-25. See **Gala Meals** and **Captain's Gala Reception** for details.

### Drinks Package See All Inclusive Drinks Package.

### Duty Free

You can't take duty-free cigarettes, tobacco, or cigars into Barbados unless you are joining one of our cruise ships on the day of your arrival.

## E

### Entertainment Onboard

Each itinerary has its own entertainment programme but you'll need to bear in mind, if you're combining two itineraries in winter, Nov - Apr, to make one holiday, you may find some of the acts are repeated. Also, just so you know, we may need to change guest acts and speakers.

### Extra Charges

The key aspects of your holiday will be included in the price when you book – see Prices for details. But it's important to point out you may have to pay extra for some things when you get there. For example, you might want to book an excursion, use a safety deposit box or enjoy something from the minibar or room/cabin service. You may also need to pay extra for things like sports, beauty treatments and classes. If we're aware you'll need to pay extra for a particular activity or facility, we'll show you by adding an asterisk after the item. See **All Inclusive Hotels** for more details.

## F

### Family Rooms

These are generally for two adults and two children. They're available in selected accommodation but when hotels are fully occupied, family rooms may be limited. See **Cabins**.

### Family Life

Our full TUI Family Life programme starts on or after 1st May so if you're in a TUI Family Life Hotel before then, you may find certain activities aren't available yet. Check the individual property descriptions for details on what's on when.

### Finishing Touches

You'll need to book them at least seven days before departure and pay for them in full when you settle your invoice.

### Flight Times

Actual flight times are on your tickets. They are local times based on the 24-hour system. We can't guarantee the flight times in our brochure, on our website or on your booking confirmation won't change, so please always check your tickets.

### Flying With Children

Infants less than 14 days old are not allowed to travel. Any child over 14 days and under two years old on the date of their return travel is classed as an infant. Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI Airways for information on approved car seats. You'll find the number at the end of this guide.

### Free Cabin Upgrade Offer

On selected departure dates and during certain booking periods it's possible to book a cabin upgrade offer. This means you can book a higher grade of cabin at a reduced price. See **Special Offers**.

## G

### Gala Meals

Many hotels and apartments host gala meals over the Christmas and New Year period. Bear in mind that men will probably have to wear a jacket, shirt, tie and long trousers. You'll see if it's included by checking the individual property descriptions. If you're on a cruise over the Christmas and New Year period, they'll be included.

### Gold

Gold is designed with couples in mind so we don't accept bookings for children under 16 here in the UK. There may be children's facilities though, and we can't guarantee a completely child-free environment. This is because hoteliers may accept bookings from other countries on rare occasions or a child may be booked as an adult. See **Adult Properties** for more details. Bear in mind the full Gold programme won't start until the first arrival on or after 1st May, and entertainment at the end of the season may change.

### Gold Medals

If you see one of these on a property description, it means it's a customer favourite. Each year, we award Gold Medals to hotels that score highly in our Customer Satisfaction Questionnaires.

### Group Offers

You may qualify for discounts if there are 10 or more in your party. When you're about to book, ask your Travel Advisor to contact our Groups Department. Or call our Groups booking line yourself – you'll find the number at the end of this guide. Of course, group offers and discounts are subject to availability and we may withdraw them at any time.

We base discounts on how many are travelling and everyone needs to travel on the same date. Their holidays must be for the same length and to the same accommodation. If it's more convenient for them, we can sometimes make arrangements for large groups to leave from different airports. They may not be available in conjunction with any other offers.

# A-Z GUIDE

Cancellations within your group may mean a drop in your discount, and the people who cancel will need to pay our standard cancellation charges. One last thing – if you want your cabins to be close to each other, you'll need to reserve your cabin numbers before you go.

## I

### Insurance

You'll need to take out a suitable insurance policy for you and anyone travelling with you. This includes infants and children. We'll tell you about our insurance policy when you book. If you choose not to take out our insurance, you'll need to tell us who you're insured with. We'll need the company details and your policy number before you travel. We can't accept responsibility for any loss that you or anyone travelling on your booking suffers if the individual isn't adequately insured. As with all insurance policies, terms and conditions apply, so you need to make sure you've got the right policy for you. See **Delays** for details.

If you're travelling to the European Economic Area you'll also need a European Health Insurance Card. You can apply at [www.ehic.org.uk](http://www.ehic.org.uk). You'll need to have both this card and adequate travel insurance. If you're on a cruise holiday with us, the European Health Insurance Card isn't accepted in private medical centres on our ships.

For travel to Cuba, you need to show proof of medical insurance before you can enter the country. This also applies if you're calling at Cuba on one of our cruise itineraries. So have a copy of your valid insurance policy with your tickets and passport for when you get to your resort airport. Visit [www.cubaminrex.cu/English/LookCuba/Articles/Others/2010/06-04.html](http://www.cubaminrex.cu/English/LookCuba/Articles/Others/2010/06-04.html).

### Itineraries

The arrival and departure times shown in the brochure are correct at the time of print but may change. The activities we describe at ports may not always be possible - due to the time spent in port or other factors outside of our control such as bad weather - and are always subject to availability. Sometimes we have to alter the time in port, the order of ports or substitute ports entirely due to bad weather, port congestion, public holidays or other operational reasons. If we alter the time in port it will mean that certain trips will only be possible if there's enough time to do them. Sometimes it may be necessary to anchor or tender off shore rather than dock. These changes can happen before or during your cruise. In exceptional circumstances we may have to change your ship. See **Local Laws** for details.

## K

### Kids' Clubs

No matter which kids' club you're looking at, there are certain things to bear in mind.

- Children who are unwell won't be accepted
- If your child has a disability, we will do our best to look after them but please check with us before you book that the club can accommodate your child's particular needs
- Sometimes, even when you have checked in advance, there may be reasons why the club can no longer accommodate your child's particular needs. When this happens we will do our best to include them in as many activities as possible but you may need to stay with your child to provide the care and attention that they require.
- If your child has an allergy or any other special requirements, please let us know when you sign them into the kids' club for the first time
- Staff aren't authorised to administer medication or change nappies, so you'll need to return to the club to do this if necessary
- Staff may provide snacks and drinks during the day but you'll need to bring along a packed lunch for your child. Having said that, on our ships lunch will be provided.
- You must register your child for all activities, sign them in at the start of the session, and out at the end
- You must stay within the complex or on the ship while your child is in the club and also leave details of your whereabouts in case you're needed
- Activities may have to be cancelled, numbers limited and a rota introduced. This may be for health and safety reasons or at particularly busy times
- Even if you've booked a package holiday with us, you may need to pay extra for some activities and sessions when you get there.

### Kids' Clubs

Our Kids' Clubs are for three to 11-year olds, with two hours of daytime activities, five times a week. For evening activities, it's two hours of activities up to three times a week. Sometimes we'll combine ages for activities but it won't affect our strict staff-to-child ratios. We'll have two staff on hand at all times. In our hotels, our club activities only run from 1st May to 31st October, unless the property description says otherwise. We may need to finish activities before the end of October if there isn't enough demand. On our ships, club activities run year-round. We're constantly updating and reviewing our clubs, so things like activities or the names of clubs might be different to what we describe.

### Sensatori Kids' Clubs

The Play House at Sensatori resorts is for 3 to 12-year-olds. It's open six days a week and some evenings for an hour or two at a time. At Sensatori Resort Jamaica, the children's club is provided by our partners, Karisma, and so it differs to what you'll find in our other Sensatori Resorts.

### Hotel-run Kids' Clubs

Only clubs run by us meet our specification, which include strict staff to child ratios. Standards and facilities at hotel-run clubs vary. You should make sure you're satisfied with the facilities and staff providing the service before enrolling your child. We're unable to take responsibility or guarantee that standards at hotel-run clubs meet UK standards.

## L

### Lifts

All of our ships have lifts - you can check where they are on the ship deck plans.

Some of our hotels don't have a lift. If stairs are a problem for you, please ask us for details before you book so we can suggest a suitable property. See **Special Assistance**.

### Local Laws

For our cruise itineraries, you'll need to abide by the laws and customs of each country we visit. This especially applies to the Islamic countries that we visit as part of our Dubai sailings, including the UAE, Oman, Qatar, Bahrain and Jordan. We advise you to dress modestly when out and about in these destinations, covering your shoulders and knees. Things like offensive gestures, shouting, drunken behaviour and kissing in public should be avoided. When visiting religious sites you may be asked to cover arms and legs, and women may need to cover their hair. Sometimes public holidays and events mean we have to change our itinerary or miss the port altogether. See **Itineraries**. Sometimes local laws, religious customs or events mean facilities aren't available. For example, in all Muslim countries during the month of Ramadan, bars and restaurants – including hotel restaurants – change their

opening hours. You may not be allowed to eat, drink or smoke in public areas during daylight hours either. Chewing gum is banned in Singapore, drinking and gambling ages vary by destination, and in some countries, the use of e-cigarettes is prohibited - please see the Smoking section. It's a good idea to find out more before you travel. For the most up-to-date information, check [www.fco.gov.uk/en/travel-and-living-abroad/travel-advice-by-country/](http://www.fco.gov.uk/en/travel-and-living-abroad/travel-advice-by-country/).

### Lost Property

If you leave something behind on the plane during your flight out, you'll need to contact the overseas airport and ask them to check their lost property. If it's on your flight home, let us know and we'll do our best to track down the item for you. If you leave what we class as a 'valuable item' at your hotel or on one of our ships, like a camera, a laptop or a wallet, we'll do our best to find it for you. If your item is found, you'll need to contact the hotel to arrange for it to be returned, and there may be a charge for this. If we can't find your item, we'll send you a statement to support your travel insurance claim. For help with lost property, contact After Travel Customer Support – you'll find their details in the **Getting In Touch** section.

### Luggage

This section explains how much you can take, what you can pack, and how to keep your valuables safe. Please make sure you know your limits so your trip can get off to a smooth start. Luggage allowances vary, and could change - please check when you book.

### Bonded Luggage

If your cruise is sailing from the Caribbean or Dubrovnik, your luggage is transported as part of our bonded luggage service. When you first arrive at your UK airport, you'll need to visit the Marella Cruises stand, where your luggage will be tagged with your cabin number. Once you've checked it in, it'll be security sealed and transported for you. You don't need to collect your luggage at your arrival airport, as it will be delivered directly to your cabin.

### On Cruises From The UK

There are no luggage restrictions on cruises from the UK, provided no one piece of luggage weighs more than 23kg. But please bear in mind that storage in your cabin is limited. Please note that if you have booked transfers, there may be luggage restrictions. We advise you to check this with your transfer provider.

### On TUI Airways

You can check in 20kg. Under twos get a 10kg luggage allowance, and we won't charge you to take your folding pushchairs either. You can share your allowance with others on your booking, but no single bag can be more than 23kg. This is for health and safety reasons. If you have booked extra luggage allowance, you still need to make sure each bag is under 23kg, otherwise check-in staff won't accept it. Also, we can only accept luggage if it's packed and secured in suitcases or bags, and we believe it can stand up to reasonable handling. Otherwise, we may ask you to sign a disclaimer before we can take it. This also includes any bags we believe are already damaged.

As for hand luggage, you can take one item on your flight up to 10kg. The maximum dimensions are 55x40x20cm. You can't buy extra hand luggage allowance. You should be able to lift your hand luggage into the overhead storage compartments yourself. Other bags, such as handbags or laptop bags, must fit in your single item of hand luggage. There are restrictions on what you can carry in your hand luggage so make sure you read the information that comes with your tickets. For example, you should pack valuables in your hand luggage – never your checked-in luggage. This includes money, jewellery, computers and important documents. Your airline won't be liable for loss or damage to valuable or fragile items packed in hold luggage, no matter how it's caused.

### On Other Airlines

If you're not flying with TUI, you'll need to find out what your allowance is for checked-in luggage and hand luggage. Some airlines don't give infants their own allowance.

### Excess Luggage And Sports Equipment

There may be a charge for excess luggage and sports equipment. Whether or not we can carry it will depend on capacity on the day. You can arrange to take golf clubs, windsurf boards, diving equipment and other sports equipment on your flight. If you don't book, you may still be able to check your own equipment in. But we can't guarantee this and there'll be a charge. Bear in mind, any problems with excess luggage charges need to be sorted out at the airport. We can't guarantee you'll be able to take bulky sports equipment with you on the coach to your holiday accommodation, and there may be an extra charge.

### Lost And Damaged Luggage

Please report any lost luggage or damage to us within seven days. If not, under the terms of the Montreal Convention, we won't be liable. See **Montreal Convention** for details. If your luggage is damaged on your way back to the UK, you need to complete a Property Irregularity Form (PIF) at the airport and keep a copy of it for insurance purposes. If your luggage is damaged between the coach and the ship, you need to report this to reception as soon as possible to help with any insurance claims.

### Low Season

You may find that if you're travelling outside of peak holiday periods, like May and October, some facilities – both in your hotel and resort – may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand.

## M

### On Your Flight

Meals are only included on long haul flights. Please let us know when you book if you require any children's meals. Just so you know, we don't provide meals for under-twos so you'll need to bring something with you. Remember to tell us if you have any special dietary requirements. We can't guarantee we'll be able to meet them, but we'll do our best. For group bookings, everyone in your party will need to either book in advance or decline the meal. For all other flights, we offer a range of snacks and drinks to buy onboard.

### At Your Hotel

Meals are usually served in the hotel's main restaurant. The set-up here may change from buffet to waiter service, or vice versa. For à la carte restaurants you may be limited to a certain number of visits per stay and you may need to make a reservation. You may need to pay extra for these, too. Not all of the hotel's restaurants will necessarily be open at the same time. Meals for infants are not included in the price of your holiday so you'll need to make your own arrangements. **Full Board Plus** includes a Continental breakfast, lunch and dinner with drinks included during mealtimes. **Full Board** includes a Continental breakfast, lunch and dinner. **Half Board** includes a Continental breakfast and dinner – or lunch, if you wish – at some hotels. **Bed & Breakfast** usually means Continental breakfast.

### On Your Cruise

All meals are included – see the individual ship pages. There's a cover charge at the speciality restaurants on all our ships. You can expect to pay from £12 to £35 for a three-course meal.

## Medical Conditions

### For Your Flight

If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical clearance include respiratory, coronary or infectious illness. You'll need to give your request for medical clearance to the airline at least four working days before you're due to fly. If you're unsure what conditions require a 'Fitness to Fly' certificate, it's best to contact our Customer Welfare Team before you book - their number is at the end of this guide. We also recommend that you contact your doctor before you book if you've got any concerns about your health. The risk of deep vein thrombosis while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. It needs treatment with blood-thinning drugs to prevent clots breaking off and travelling to the lungs. You can take precautions to reduce the risk. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible. Elastic stockings may be helpful. Drink plenty of non-alcoholic liquids to prevent dehydration. See your doctor if you think you may be particularly prone to DVT.

If you think you might need to ask for therapeutic oxygen during your flight, please contact your airline for details at least one month before your departure date. TUI Airways does not charge for this, but you must request it in advance so we can confirm that it'll be available for you. Contact our Customer Welfare team for more information – their number is at the end of this guide. See **Special Requests** for more details.

### For Your Cruise

All ships have a medical centre with an English-speaking doctor. There's a charge for all treatments, and we don't accept the European Health Insurance Card, or EHIC, on board. Our medical centres are well equipped but not designed for extensive or continued treatment of existing conditions. If you're planning to use a medical centre on shore, remember to take your insurance claim form. If you're concerned about seasickness, ask your doctor or pharmacist for advice before you go. It's worth pointing out you won't be able to board if you're showing signs of a contagious disease.

### Money Exchange

#### On Your Cruise

Our ships use sterling onboard. You can change small amounts of money - cash or travellers' cheques - but charges apply. You can't use a debit or credit card to change money. See **Onboard Accounts**.

#### At Your Hotel

If you want to change money when you get there, check the property descriptions to find out if you can do this at your hotel.

## O

### Official Ratings

Each country has its own system for rating properties. We'll always publish any official ratings where they're available, usually as stars. But there are a few things we need to tell you on this front. In Greece, you'll also find reference to A to C instead of stars, with A being the best. This is based on facilities and ground space.

### Onboard Accounts

Our ships are cashless and prices onboard are in pounds sterling. There are limited exchange facilities so you can change small amounts of money - cash or travellers' cheques - to use ashore. You can charge everything you buy onboard during your cruise to your cabin account. Accounts are opened when you board the ship and can be settled in cash, or by travellers' cheques or credit/debit card. To settle your account with cash we'll need a £200 per cabin deposit for each week of your cruise. On all Marella ships we accept Visa and Mastercard credit and debit cards. You just need to register with your credit or debit card when you check in. It's worth bearing in mind there's a surcharge for using a credit card and for changing travellers' cheques.

### Onboard Spend

We have this special offer on some of our cruise holidays, subject to availability. The way it works is an amount of money is credited to your onboard account at the start of your cruise. This credit is only available to adults. It can't be transferred to anyone else and can't be refunded. See **Special Offers**.

## P

### Passports

The name in your passport must match the name on your ticket otherwise you may not be able to travel and your insurance could be invalid. If someone in your group changes their name after you have booked, tell us and we'll issue the ticket in the new name. If you've already received the ticket, return it and we'll send one with the correct name. There may be a fee for this change. Passports are required for all cruises departing from the UK. British Citizens must hold a valid ten-year passport. Please note that certain destinations insist on at least 6 months validity from the return date. UK citizens can check out the gov.uk website for passport, visa and health information. Other nationalities should check with their own governments. It is also your responsibility to check whether you need a visa to enter your destination country.

If your passport has an Israeli stamp, you may be refused entry to some countries.

If this happens, you would have to stay onboard. Talking of Israeli stamps, if your ship docks in Israel, your passport won't be stamped – instead, you'll get a stamp on a separate piece of paper. For more information, visit Her Majesty's Passport Office website at <https://www.gov.uk/government/organisations/hm-passport-office>. If you don't have a UK passport, you should always check with your own embassy, high commission or consulate before you book. Please also see **Visas**.

### Pregnancy

You can cruise onboard our ships up to the 24th week of pregnancy. If you're sailing on any of our ships you'll need to have a medical certificate to prove that you're fit to travel. If you're more than 24 weeks at the end of your cruise then you won't be able to sail. Please check your insurance policy for any restrictions that apply.

### Premier Service

Premier Service is available when you book any type of Suite on any of our ships. It's also available if you book a Family Balcony cabin on Marella Explorer, a Deluxe Balcony cabin on Marella Celebration, or a Deluxe or Balcony cabin on Marella Dream. Benefits include express check-in – subject to availability, and a free pressing service – this applies to your first 24 hours onboard, is limited to 1 use and 3 items per person, and is subject to the laundry's terms and conditions. You also get breakfast in bed – one free Continental breakfast for each passenger, each week.

## Premium Club

Premium Club seating is available to book on long haul flights. If you book to fly Premium Club, your luggage allowance will be 23kg in the hold and 10kg as hand luggage. Lounge access and fast-track security are only available on departure from UK airports. You can access the lounge from 3 hours before and up to your original scheduled departure time. We advise you wear smart casual clothing. Fancy dress, vests, football shirts, tracksuits, baseball caps and other sports clothing are not allowed to be worn in the lounge. Shorts aren't permitted either unless they are tailored and knee length. Entry to lounges is subject to the individual lounge operator who may impose their own conditions and who reserves the right to refuse admission to anyone wearing clothing which their staff believe may cause offence to others. At London Gatwick, Edinburgh and Birmingham the lounge provider is the No.1 Lounge. At Manchester Terminal 2 it's the Swissport Lounge. At Glasgow it's the Sky Lounge. At Newcastle it's the Aspire Lounge. At East Midlands it's the Escape Lounge, and at Cardiff it's the Cardiff Airport Executive Lounge. If the lounge is unavailable, alternative facilities may be offered. The location of fast-track security and airport lounges in the UK will be provided by TUI Airways staff at the TUI bag drop.

Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see Select Your Seat. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your provider. We'll always do our best to seat your group together but we can't guarantee this.

### Prices

Our brochure prices are accurate at the time of publication, but you should only use them as a guide. The prices we give are selected from a range of prices available within the high season or outside the high season and the price you pay will depend on when you're travelling. Prices may go up and down throughout the season. The brochure price is based on the standard occupancy for the room type included in the package so the price will change if the room is occupied by a different number of guests, see **Occupancy Supplements/Discounts**. Please also see **Special Offers**.

### What's Included

The basic cost of your holiday includes the following...

- Return flight from the UK
- Air Passenger Duty at the standard economy rate.
- Transfers between the airport, your accommodation, and cruise ship. This is usually by coach.

### Prohibited Items

To ensure your safety and security some items are prohibited from being carried onto our vessels. Each time you board the ship we will security screen you and your baggage, if any prohibited items are found they may be permanently confiscated. The list of prohibited items can be found here: <http://www.tui.co.uk/destinations/info/faq/luggage-guidelines>. This list is not exhaustive and any other items which the Port or Ship security staff consider pose a risk may also be refused.

## R

### Rollaway Beds

These are only suitable for 16s and under but can be used to accommodate adults on our cruise ships. If your room or cabin has a rollaway bed set up, the floor space may be limited.

### Room Upgrades

If you arrange a different room type with the hotel when you arrive, this won't be included in your contract with us. See **Cabins** for cabin upgrades.

## S

### Safety

Overseas' safety standards are generally lower than ours in the UK. We take reasonable care to make sure only reputable businesses provide the services that make up our holidays, and we expect them to provide those services in line with local standards.

### Safety Drills Onboard

All our ships comply with the International Convention for the Safety of Life at Sea – SOLAS. It's a legal requirement for you to attend our safety and lifeboat drill.

### Sailing Times

The sailing times for our cruise holidays are correct when we publish them, but they may change. See **Itineraries** for more details.

### Sea Views

On our cruise ships, the view from some cabins may be obstructed. See **Cabins** for details. In hotels, if you book a room with a sea view, it may be partly blocked by trees or smaller buildings, or across a road, but you'll still be able to see the sea. If we describe a room as a Limited Sea View, this will

# A-Z GUIDE

generally mean that your view of the sea will be to the side rather than directly in front of you. There may also be more obstructions like trees between your room and the sea than with a Sea View room.

## Seating

The minimum seat pitch on our aircraft is 29 inches. The minimum seat width is 16 inches. If you think you'll have difficulty fitting into this seat size, please call our Customer Welfare Team before booking - you can find their details at the end of this guide. You might need to pay an additional charge depending on what options are available.

## Seats With Extra Legroom

These are available to book on selected short and mid haul flights and are suitable for and children. Our Select-Your-Seat service is included, in accordance with our Select Your Seat terms and conditions - see **Select Your Seat**. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Just so you're aware, we'll always do our best to seat your group together but we can't guarantee this.

## Seats With Extra Space

These include seats that are close to or next to emergency exit doors, behind a bulkhead or behind a dividing wall. In our Dreamliner aircraft they may also be located in the first 4 rows of the Economy Club cabin. Seats with extra space are only available for adults and children aged 12 years and over to book in advance, and just so you know we may allocate these seats to families with children if the seats are not located in an emergency exit row. Emergency exit row seats are only available to passengers who are able to move quickly and operate the emergency exit without difficulty - in line with European Aviation Safety Authority (EASA) regulations.

Just a few things to bear in mind before you book an emergency exit row seat...

Any passengers who have difficulty moving quickly - either because of physical or mental impairment or disability, age or sickness, or physical size - cannot sit in these seats. Neither can anyone who's under the age of 16 - whether accompanied or not, anyone who requires an extension seatbelt, anyone who's under the influence of alcohol or anyone who's travelling with an assistance animal. These regulations have been put in place by the EASA and are for the safety of our passengers. The cabin crew have the final say and we kindly ask that their decisions are respected.

## Select Your Seat

If you pay to take advantage of our Select Your Seat service, you'll be able to log in to your booking 90 days before your return flight and choose your seats. You'll also get access to online check-in 2 weeks prior to departure - a full 7 days before this is made available to other customers. Once you've checked in and confirmed your chosen seat, you won't be able to change it. That said, in some circumstances, we may have to change your seat. This would only be for operational, safety or security reasons. In accordance with the Civil Aviation Authority's guidelines, certain requirements must be satisfied before we can allocate seats near the exit. If we do have to change your seat, we'll try to keep it as close to what you booked as possible. A refund will only be offered if we can't seat you in a similar position to your original request. A similar position means the same type of seat - window, aisle etc - as your original selected seats. In such cases, we ask that you keep a copy of your confirmation documents and boarding cards.

## Ship Maintenance

Ongoing maintenance may happen while you're onboard one of our cruise ships. We'll do our best to keep noise to a minimum.

## Shore Excursions

All shore excursions are subject to change. Please note that passengers must be 18 or older to go on a ship-sponsored shore excursion on their own. For full terms and conditions, including details on our cancellation policy, please see the Cruise Shore Excursions Terms & Conditions at <http://www.tui.co.uk/editorial/legal/cruise-shore-excursions-terms-and-conditions.html>. Please also see **Itineraries**.

## Single Cabins

These cabins are for sole occupancy. Twin berths are available to book just for yourself, but you'll need to pay a supplement.

## Single Rooms

Single rooms and rooms for sole occupancy are available in most hotels, but demand always exceeds availability. Sometimes when we refer to single rooms it may mean a room suitable for sole occupancy. Single rooms are generally smaller, may not have the best locations or the same amenities. If you're booking a double room just for yourself, you'll usually be asked to pay a supplement. This also applies to self-catering accommodation, where, for example, three people choose a property for four. Our prices reflect the costs of the rooms contracted to us.

## Smoking

All our ships are non-smoking which means you can only smoke in designated areas of the open deck. Smoking isn't permitted on cabin balconies, either. As for e-cigarettes you can only use these in the designated areas on deck. In Singapore, Thailand, India and the United Arab Emirates, e-cigarettes are banned and will be confiscated.

## Spa

Spas in our hotels and on our cruise ships aren't included in the price of your holiday unless we say otherwise. In Spain and the Canary Islands, by law only over-16s can use the facilities.

## Special Assistance

If you're planning a cruise and have a disability, use a wheelchair, have special dietary needs, a sensory impairment or are undergoing medical treatment, you must let us know when making your booking. Failure to do this may result in you being refused boarding on arrival at the ship. Our ships have fully equipped medical centres, but they're not designed for extensive or continuing treatment of existing conditions.

We don't have wheelchairs available to hire onboard. If you need a manual wheelchair or a mobility scooter, please bring this with you. You can use both manual and electric wheelchairs onboard our cruises, but we do have a limit on the number we can carry for safety reasons. Due to health and safety regulations, our crew are restricted in the maximum weight they're allowed to lift. This means we're unable to accept any wheelchairs or scooters that don't break down into pieces, with a maximum weight of 32kg per individual piece. See **Wheelchairs** for more details.

Some properties have things like ramps and specially adapted rooms - please call our Customer Welfare Team for more information.

## Special Offers

Our offers are only available on the holidays and dates we advertise, are per booking, and are subject to availability.

## Special Requests

We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

## Suite Concierge

Our Suite Concierge is available for guests who have booked a Royal Suite, Executive Suite, Grand Suite, Family Suite or Junior Family Suite on Marella Discovery 2. The Suite Concierge is open 24 hours a day and a member of the team will be available at various points throughout the cruise to make reservations on your behalf for the spa, speciality restaurants, shore excursions and future cruise bookings.

## Supplements

### Cabin Supplements

We base the price of your holiday on a Deck 4/5 Inside on Marella Explorer and Marella Explorer 2, a Deck 2/3 Inside on Marella Discovery and Marella Discovery 2, a Deck 4/5 Inside on Marella Dream, and a Deck 1/2 Inside on Marella Celebration. You can book other cabin types if you pay extra for a room upgrade. Cabin supplements vary by sailing date and prices may go up or down. Occasionally it's possible to upgrade your cabins once onboard check with reception for availability and prices. Children don't pay cabin supplements where the child price applies - See **Child Prices** for details. Any special offers will be limited. See **Free Cabin Upgrade Offer**.

### On Your Flight

Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

### Occupancy Supplements/Discounts

Depending on the number of people sharing a room, you may need to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be discount if more people share a room. Occupancy supplements/discounts may go up or down throughout the season.

### Swimming Pools

It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. Waterslides may have height or age restrictions. Due to ship regulations, children in swim nappies, pull ups or children who aren't completely toilet trained are not permitted in any of the onboard pools. If you're on one of our ships, swimming pools will be filled as long as the sea water is considered safe for you to swim in. Having said that, we may occasionally need to close the pools for other reasons. For example, if the weather's particularly bad.

# T

## Taxes

You may need to pay a tourist tax either at the airport or at your hotel. This won't apply if you're on one of our cruise holidays - unless you're combining your itinerary with a hotel stay. Taxes change regularly so check before you go. From winter 2019, Cruise & Stay customers won't need to pay a departure tax for Barbados and Jamaica, as it'll be included in the price of your holiday. See **Prices** for more details.

## Tour Operator Ratings

We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no-frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

## Towels

You'll be given pool towels on our ships for use during your cruise. If they are not returned, a £10 charge will be added to your onboard account.

## Transatlantic Activity Programme

These workshops vary in length depending on the activity but as a guide will usually be held over a period of at least 5 days. Activities are subject to change.

## Transfers

The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. Our cruise holidays include transfers between the airport, ship and hotel by coach or minibus.

For other types of cruise holiday the arrangements will be different...

## Go-as-you-please

We'll provide transfers between the airport and the ship but you'll need to make your own way to and from your accommodation.

## Cabin Only - No Flights

If you have booked the cruise part on its own then transfers aren't included and it's down to you to get to the ship on time. The last check-in is two hours before the advertised sailing time, so build plenty of time into your schedule for checking in and boarding.

## Town Transfers

In some places, we put on a Town Transfer to take you to the town or city centre from the port area. The Marella Cruises-operated shuttle bus will cost no more than £5 per adult and children under 12 go free.

## Port Shuttles

If we're not able to dock close to the port entrance, it might be a short walk or bus ride to the port gates. In some places, there'll be a shuttle bus to take you from the ship to the port gates. This will either be provided by Marella Cruises or the local port authority. If it's operated by us, it'll be free, but there might be a small fee for buses run by the local port authority. It'll depend on what berth the ship is docked at and is only confirmed during the cruise.

## Twin Cabins

Some twin cabins can take a 3rd or 4th bed but they're usually camp or folding beds. Cabins that take extra beds or a cot aren't necessarily bigger than standard rooms, so space may be limited. See **Cabins**.

# V

## Vaccinations

Speak to your doctor at least 2 months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet - Health Advice for Travellers. Call 0800 555 777 for a copy.

## Visas

We've teamed up with CIBTvisas to help with all your visa requirements. You can visit our online portal at [www.cibtvisas.co.uk/marella](http://www.cibtvisas.co.uk/marella) for detailed visa info about your cruise – from the required documents needed to support your application, to forms for you to print out and send to CIBT. Just so you know, all of the info on this site applies to British passport holders. If you don't hold a British passport, your visa requirements might differ – you'll need to either contact the relevant embassy or CIBT for more on this.

We'll organise a group visa for British or Irish passport holders. This will cover all your ports of call and trips ashore. There are some exceptions, see the individual country details below. If you haven't got a British or Irish passport, you'll need to check entry requirements with individual embassies or consulates. If you don't have one of these passports, you'll need to organise your own visas for each port of call. Without the right visas, you won't be allowed to board the ship. It's also worth pointing out, if you're visiting more than one port of call in a particular country, for example in Greece, you'll need a multiple-entry visa.

Here are some other key things to tell you...

**Cambodia** If you are a British Citizen you will need to purchase a transit visa on arrival to the port. The cost will be \$30.

**Cuba** There's a visa requirement for Cuba, but you don't need to buy one before your cruise. It'll be arranged onboard for you and charged to your onboard account, at a cost of around £15 per person.

**Dominican Republic** If you're a citizen of the Dominican Republic you won't be able to sail on our cruises unless you have a US or Schengen visa. This is because of local immigration laws.

**Dubai** If you are a British Citizen, you can obtain a visa on arrival at the airport free of charge. If you haven't got a British or Irish passport, you may need to obtain a visa from the UAE Consulate before you arrive in the UAE.

**India** If you're a British citizen, you need a visa. These must be obtained before your cruise, as they can't be secured onboard. The type of visa required may vary depending on your itinerary. Please visit [www.cibtvisas.co.uk/marella](http://www.cibtvisas.co.uk/marella) for specific visa requirements for your cruise.

**Jordan** If you're a British Citizen you can obtain a visa on arrival free of charge.

**Malaysia** If you are a British Citizen you can obtain a visa on arrival at the airport free of charge.

**Oman** If you're a British Citizen and you are flying in or out of Oman, then you will need a visa. Just visit [www.cibtvisas.co.uk/marella](http://www.cibtvisas.co.uk/marella) for the specific visa requirements for your cruise.

**Lebanon** If you're an Israeli national or have an Israeli stamp in your passport, you may not be allowed ashore in Lebanon.

**Russia** If you go on one of our organised shore excursions, you're covered by a group visa. But if you wish to go ashore independently you'll need to obtain your own visa. These must be purchased from the Russian Federation Embassy prior to your cruise and will not be available on ship or upon arrival in St Petersburg. Most of our customers prefer to join our programme of day and evening organised excursions in St Petersburg for ease.

**Sri Lanka** If you're a British citizen, you'll need an e-visa for Sri Lanka. Just visit [www.cibtvisas.co.uk/marella](http://www.cibtvisas.co.uk/marella) for the specific visa requirements for your cruise.

**Vietnam** Currently British citizens don't require a visa for visits of up to 15 days. However, this is subject to change, so please visit [www.cibtvisas.co.uk/marella](http://www.cibtvisas.co.uk/marella) for the most up-to-date info on visa requirements.

### Weather

There are sometimes tropical storms and hurricanes in the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign & Commonwealth Office and work with the Federation of Tour Operators. Bad weather may even force us to change parts of your itinerary. This may happen before the cruise starts or during it. It may also mean departure or arrival times at ports change. Also, local conditions may mean we have to limit our time at that port, or miss it out all together. We may also have to change your ship for a similar one. Some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather. Where we display weather information, this is supplied by the Met Office, © Crown copyright, the Met Office.

### Wheelchairs

#### On Your Flight

When you fly with us, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured.

If you've got an electric wheelchair, you'll need to let our Customer Welfare Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit [www.caa.co.uk](http://www.caa.co.uk) for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Wheelchairs need to be stored in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be stored in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging.

You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see <http://www.bhta.net/home/air-transport-advice-lists.html> where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

Here are the door sizes of TUI Airways' aircraft, so you can check if your wheelchair will fit onboard -

**B737-800 Forward** - 48" x 35" / 1.22m x 0.89m Rear - 48" x 33" / 1.22m x 0.84m

**B757-200 Forward** - 55" x 42.5" / 1.40m x 1.08m Rear - 54" x 45" / 1.40m x 1.14m

**B767-300 Bulk** - 38" x 43.5" / 0.96m x 1.10m

**B787-8 Bulk** - 45" x 40" / 1.14m x 1.02m

If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Customer Welfare Team can help you with this.

## Resort Transfers

If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this.

### On Your Cruise

You'll need to bring your own standard-size, collapsible wheelchair to use on our ships. Unfortunately, due to safety reasons, we have to limit the number of wheelchairs we can allow onboard so please call our Customer Welfare Team before you book. If you plan to use your wheelchair onboard and require adapted facilities you must book a specially adapted cabin. All our ships have small number of these cabins - you can see them on the deck plans. They have bathrooms adapted for wheelchair-users and have wider access. These cabins may only be booked by those who require adapted facilities. If you plan to use your wheelchair onboard, but do not require adapted facilities, please contact our Customer Welfare Team to make sure an appropriate cabin type can be selected. See [Cabin Reservations](#).

### Going Ashore

If you're bringing a wheelchair to use when you're ashore, we'll look after it for you at the gangway so it's there when you need it. But you'll have to be able to manage the gangway without it. In ports where a tender to shore is necessary, you'll have to stay onboard if you can't manage without your wheelchair. At other times, depending on the port and its tides, it may not always be possible for you to leave the ship at all due to gangway access. Some excursions may not be suitable for the less mobile, please contact our Shore Excursions Team to confirm before booking, you'll find their details at the end of this guide. See [Special Assistance](#).

### Wi-Fi

On Your Cruise Wi-Fi onboard our ships depends on satellite connectivity, so a strong signal can't be guaranteed and bandwidth is limited. Wi-Fi is only available in some public areas and is not available in cabins. If you use Wi-Fi onboard it will be charged to your onboard account.

At Your Hotel Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges. Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

## Y

### Your Opinion

We ask customers travelling with us to fill in a Customer Satisfaction Questionnaire online when they get home, and to rate various aspects of their holiday experience. All the questionnaires are analysed by an independent market research company. Then, we publish the results, where they are available, for each of the properties. The scores you see are results for the last season and are shown as the percentage of guests who rated their holiday overall – so accommodation, location and meals – as good or excellent. If a property has recently moved across to TUI from our sister company, First Choice, we'll publish the last season's scores from First Choice so you can still see how the property's been rated by our customers. Some properties and ships don't have a score for a number of reasons – it may be new for that season, we may have received less than 20 responses, or the hotel or ship has changed – perhaps been refurbished, is under new management, or now caters for a different type of customer. Or perhaps the full season scores weren't available when we went to print.
