

SOUTH DOWNS WALKS AND RIDES ON VIEW RANGER

The South Downs National Park's walk and ride guides are now available on **View Ranger**, the outdoor discovery app. **View Ranger** is an all-in-one trail guidebook, navigator and adventure hub in your pocket.

SOUTH DOWNS NATIONAL PARK

How to access our routes on View Ranger

Download the free View Ranger app from your app store. Once registered you can search for South Downs National Park to view all of our routes.

You can also upload your own routes to share the new places you've discovered in the South Downs National Park and beyond.

All our routes are available for FREE – you do not need to buy any maps to view our walks and rides.

You can also use View Ranger to view our routes and more on a computer or tablet, visit southdowns.gov.uk/viewranger for details.

View Ranger is available on iPhone and iPad, Android devices, Symbian devices and Kindle Fire HDX 4G.
