It's better to talk

Our website is informative and inspirational but to gain the most from our personalised service we prefer to talk about your holiday requirements. Contact our travel consultants, who have a level of expertise that simply isn't available online. Together we can plan a completely unique, bespoke luxury holiday.

Before you travel

With detailed knowledge of our hotels, our travel consultants can book interconnecting, family-style, and ultra-luxury rooms and suites. At enquiry stage, we're happy to contact hoteliers to ensure that exact room types or suites are available to book. For those with specific needs, we can book specially adapted room types and discuss accessibility requirements, and the overall suitability of our resorts and hotels.

Travel in style

We feature the services of Tristar Worldwide Chauffeurs, to start a holiday in style. We can also book Ace Handling's personalised VIP meet and greet service; it's wonderful to have a personal assistant on hand to help at airport check-in, or to be met on arrival back from holiday. In conjunction with Lounge Pass, we offer all the usual lounge facilities prior to flying out, and at most of our overseas airports. And we're pleased to offer cabin upgrades and enhanced flight services where available.

Flexible flying

We can book flights from any airport, with any airline, in any cabin class and for any duration. We can mix and match airlines to maximise holiday time away; fly out and back with different airlines, at times and on days that are the most convenient. To take advantage of the reliability of scheduled flights from London and some of UK's larger regional city airports, we're also pleased to offer add-on domestic flights. We also enjoy partnerships with fully licensed airline companies specialising in the provision of private jets.

Our star ratings

Our printed star ratings may not be the official star ratings of the properties featured. We base our ratings on the experience of our Purchasing Managers who select from the following categories: Palace, 5 star superior, 5 star, 4 star superior, 4 star, 3 star superior and 3 star. Some hotels will receive a 5 star superior rating and be categorised as a Luxury hotel. These properties, along with those rated Palace, are widely recognised as some of the world's finest hotels. Properties labelled boutique are small and intimate with the ambiance of a private home. They are characterful, with an individual approach to design and décor, and offer a high degree of personal service. Properties denoted Classic acclaimed are those which have proved to be consistently popular with, and are held in high regard by, Classic Collection Holidays' guests.

Our commitment to sustainability

We are keen to mitigate our environmental impact wherever possible. In our offices we reduce, re-use, re-cycle. The paper used in our brochures is from sustainably managed forests and controlled sources. We're also reducing the number of brochures that we produce by extending each brochure's life cycle from 12 to up to 24 months. We are introducing polybag envelopes made from 100% recycled polythene and which are 100% recyclable. To offset the carbon emissions from staff flights, we contribute annually to The Travel Foundation who lead sustainability studies to ensure natural resources are better protected through improved tourism practices.

Travelife is an international certification system which promotes sustainability within the tourism industry. Travelife criteria cover key sustainability areas including water and energy use, recycling, supporting local culture, and the protection of human rights. Working in partnership with tour operators the aim is to increase awareness of sustainability within hotels and amongst hotels' guests and visitors.

Eco-luxury initiatives

With the aim of preserving the quality and beauty of holiday destinations for future generations, many hotels have developed sustainability initiatives to improve their ecological footprint. As a result, a number of our featured hotels have received awards from, or are affiliated to, ecological organisations such as Travelife, Green Key and Blue Flag.

Over the last decade Adrian Hoteles have secured Travelife Gold environmental certification, and since 2019 all three hotels, Jardines de Nivaria, Roca Nivaria Gran Hotel and Colon Guanahani, have added to their commitment to the environment by switching to 100% green energy for their electricity. The hotel group is also committed to eradicating single-use plastic. To further facilitate environmental initiatives Adrian Hoteles encourages its suppliers and commercial partners to support a sustainable future.

Iberostar's Wave of Change policy concentrates on the reduction of plastic pollution, the promotion of sustainable fishing and the conservation and protection of marine eco-systems throughout its properties worldwide.

Luxury Boutique La Isla Y El Mar, constructed from materials local to Lanzarote such as volcanic stone, has obtained a Biosphere Smart Hotel accreditation from the Institute of Responsible Tourism to consolidate its position as a sustainable hotel. It offers zero miles water, from its own well, to its customers, and further energy and waste management efficiencies.

Barcelo Tenerife is a property which has been recognised by Travelife for its contribution to the conservation of nature, the local landscape and the island's cultural heritage, as well as the benefits that it brings to the local community.

The Isla de Lobos restaurant at Princesa Yaiza Suite Hotel Resort hosts tasting menus featuring the produce of Finca de Uga. This is one of the most popular farms in Lanzarote where traditional agricultural methods and sustainability merge together, to create fully sustainable, zero miles, food and wine.

A number of our featured hotels are attempting to reduce carbon emissions by exploring alternative sources of energy, sourcing food as locally as possible to reduce food miles and encouraging guests to conserve energy, recycle and cut down litter, waste and pollution. Should you have any questions about the sustainability credentials of any of our featured hotels, please ask our travel consultants.

A perfect family holiday

There's nothing quite like a family holiday to create the fondest of life-long memories. We know how important it is to get everything right, especially when travelling with young children. You can rest assured that we've got the knowledge, experience, and the support in resort, to make sure that the whole family has the best possible holiday.

For children

Facilities for younger guests are highlighted on the hotel pages and may include separate pools, paddling pools or sections of the main pool specifically for children, mini clubs for youngsters of varying ages, dedicated play areas, babysitting services, early meal times and special child-friendly menus. Our featured hotels normally provide high chairs, and cots (payable locally), and many feature sports facilities designed to suit the whole family. Some hotels provide kettles, fridges and sometimes even microwaves, and if any of these additional facilities are important to you, simply ask our travel consultants for details.

Child prices

Many hotels offer substantial reductions and sometimes free stays to the first child when they share with two adults and there is sufficient space. For this reason, child prices may sometimes only be given in upgraded, larger room types. In a room for four occupants a reduction may be available to a second child. Some hotels offer reductions to older children and children staying in rooms where they do not share with an adult.

Children's clubs

Some hotels run supervised children's clubs ranging from crèches, mini and maxi clubs to activities for teenagers. Crèches and clubs are payable locally although some hotels offer them on a complimentary basis. Dates of clubs vary from year-round to high season (summer; Christmas and Easter) only, and we can advise regarding prices, dates of operation and if pre-booking is necessary.

Babysitting

Some hotels have a babysitting service which is bookable and payable locally. Babysitting services do vary and sitters may be a member of hotel staff not specifically qualified in child care. It is advisable to check locally about the services offered including whether the sitter remains in the room, or makes use of a monitoring device.

Interconnecting rooms

A number of our featured hotels are able to offer interconnecting rooms and suites. These may be requested on arrival at the hotel, although wherever possible, we will do our best to guarantee these at the time of booking.

Single occupancy

Some of our guests when travelling on family, or multi-generational, holidays prefer not to share a bedroom or suite. Should you wish to book a single room or a twin room or suite for sole occupancy please speak to one of our travel consultants.

Villas and hotel villas

Villas provide luxury, exclusivity and privacy for small groups of friends or family, and although we specialise in luxury hotels, we are pleased to feature a handful of superior villas in the Canary Islands, either as exclusive villa accommodation or villas connected to one of our hotels. Additionally, some of our featured hotels offer suites with kitchenette facilities.

Family activities

The Canary Islands have plenty of water parks, fun parks and zoological parks to keep the whole family entertained including in Tenerife, Siam Park, a vast water fun park, whilst set in tropical gardens high in the hills above Los Cristianos is Las Aguilas Jungle Park featuring numerous animals and birds, plus walkways with tunnels, suspension bridges, waterfalls and caves. Gran Canaria's Aqualand Maspalomas has an abundance of waterslides and attractions for the whole family and in Las Palmas the new aquarium, Poema del Mar, is home to over 350 species of marine life. On Fuerteventura, Oasis Park & Zoo boasts more than 250 types of animals, shows and botanical gardens and Guinate Tropical Park on Lanzarote is located at the foot of an extinct volcano and is a paradise for bird lovers.

Family friendly

A number of our featured hotels offer facilities for families: interconnecting rooms, children's pools, play areas, early meal times and child-friendly menus. Babysitting services, high chairs, cots, creches, children's clubs and activities for teenagers may be offered on complimentary basis, or payable locally, and operating dates for clubs may vary. Best of both worlds

We tailor make every holiday and are delighted to organise two centre or multi centre holidays. The Canary Islands are particularly suited to this as they offer many options for travelling quickly and easily between the islands. They all have airports and ports served by different companies and covering a variety of routes. And with the distances between islands being quite short, it won't take you that long to travel from island to island.

The whole archipelago is served by eight airports which connect all the islands. In all cases, the direct flying time is less than an hour and there are frequent departures operated by Binter and Canaryfly. Travelling by boat between the islands is usually more cost effective, if more time consuming, and offers a more leisurely setting from which to enjoy your journey: spot dolphins, whales and other species. There are frequent sailings, from just 30 minutes to up to six hours' duration, operated by Armas and Fred Olsen.

You could discover Tenerife and then visit the islands of La Gomera and La Palma. Try a city break in Las Palmas, Gran Canaria before heading to Fuerteventura. Combine a few days enjoying the beaches and watersports of Fuerteventura before transferring to Lanzarote for some road cycling, or hiking amidst its lunar landscapes.

Simply let us know which islands and hotels you'd like to visit and our Personalised Travel Team can organise the best flights, ferries and transfers to suit your itinerary.

The island

Tenerife is the largest and most popular of the Canary Islands, and boasts the greatest number of tourist attractions. Home to Mount Teide, Tenerife also features numerous beaches, magnificent sea cliffs, bustling new resorts and traditional towns and villages. The coastline stretches some 269km and features spectacular cliffs and coves, some with golden sands, and many black volcanic sand beaches. Resorts include sophisticated Costa Adeje, the quiet town of Garachico and the traditional and tranquil Guia de Isora, as well as the buzzing purpose-built resort of Playa de Las Americas and popular Los Cristianos. Pyramids de Guimar

Mount Teide

Sightseeing on Tenerife

El Teide

Caldera de las Canadas is a 16 km wide volcanic crater with Mount Teide at its northern edge. The high altitude walking is sensational but not for the faint-hearted although a cable car takes you to within 200 metres of the summit to enjoy stunning views from this volcanically active summit, which at 3,718 metres is Spain's highest mountain.

Pyramids de Guimar

These Mayan-like and intriguing step pyramids on the east coast have been the subject of much debate regarding their origins and use. In addition to the six pyramids the park is home to a museum, much of which is dedicated to the work of the scientist Thor Heyerdahl.

Santa Cruz

Tenerife's capital, Santa Cruz, boasts many beautiful historic buildings with its hub around the Plaza de Espana, close to the busy harbour. There are two noteworthy churches, a lively bazaar and food market, a state of the art Opera House, and a couple of interesting museums: one housing the cannon which allegedly removed Admiral Nelson's arm.

La Laguna

The island's oldest church, dating back to 1502, displays a grand and rich interior with outstanding gold and silver paint, wonderful metalwork, elaborately carved gilded ceiling panels, beautiful wood carvings and an eye-catching seven storey tower.

Siam Park

Siam Park is a magical water kingdom with attractions ranging from a meandering lazy river to a 28 metre tower dropping into a mysterious aquarium.

Los Gigantes

These spectacular sheer cliffs marking the abrupt edge of north western Tenerife's Teno Massif are a breathtaking sight. Soaring 600 metres skyward from the Atlantic Ocean, Los Gigantes cliffs are best viewed on a boat trip, from which you might additionally be lucky enough to see a pod of dolphins.

Welcome to La Palma

Known locally as Isla Bonita, La Palma is truly beautiful with remarkable scenery ranging from soaring forest-covered mountains in the north to volcanic lunar landscapes in the south contrasting with wide, fertile valleys, dramatic sea cliffs, and black sandy beaches that fringe the Atlantic shores.

The island

The greenest and most rural of the Canary Islands, La Palma boasts picturesque villages, sleepy towns and pleasantly warm temperatures all year round. As a World Biosphere Reserve it has 19 naturally protected areas including majestic pine forests and lush laurel woods, deep ravines, salt pans, waterfalls, natural parks, volcanic craters and a unique caldera. Owing to the rugged topography the climate is varied with the west dry and hot whilst the east is lush, and the abundance of microclimates fosters a richness of flora and fauna. On the west coast, the historic port and fishing harbour of Tazacorte boasts a black sand beach and extensive banana plantations whilst set along a small stretch of coastline, tranquil Los Cancajos features a cluster of hotels, a few shops, cafés and restaurants, and one of the island's best beaches set along three black sandy bays.

Activities

La Palma provides a good range of activities including star gazing, paragliding, mountain biking, boat trips, watersports, diving and snorkelling, and with a network of 1,000km of signposted routes, the trekking is superb. The evergreen laurel woods of Los Tilos contain an extraordinary range of flora and fauna, the awe-inspiring crater in Caldera de Taburiente National Park is a must-see, whilst hikes in the volcanic south take you through fields of black and red ash to the Teneguia volcano and the north offers walks leading past tiny rural hamlets, cultivated fields, forests and coastlines. There are around 50 beaches and coves, mostly with black volcanic sand or pebbles, and boat trips are easily available from the port at Tazacorte to include the volcanic cave of Cueva Bonita, the beautiful beach at Playa de la Veta, and the opportunity to see dolphins, whales, tortoise and flying fish.

Local dining

With an incomparable view over the Atlantic Ocean, Hotel Hacienda de Abajo features restaurant El Sitio, an exquisitely decorated a la carte venue offering innovative flavours in a cuisine combining local foods with rich, elaborate, international influences.

Flights to La Palma

Direct flights are available from Manchester and London to the island although, due to the significant number of flights to Tenerife from your local airport, you may like to consider a two centre holiday to Tenerife and La Palma.

Welcome to La Gomera

Lying to the west of Tenerife, La Gomera is the most relaxing of all the Canary Islands with dense forestry, beautiful cedar groves and breathtaking ravines. Small villages are scattered inland amongst the terraced valleys and the mountains sweep the coastline as dramatic sea cliffs.

The island

La Gomera's verdant interior, where the green terraced valleys cut steeply through the mountains, is spectacularly beautiful. In the centre of the island is the protected Parque Nacional de Garajonay and more than a third of this small island, which is less than 21km from north to south, is protected by UNESCO, and owing to the mountainous terrain there are some particularly quaint old customs such as the whistling language, historically used by the locals to communicate between the valleys. The capital and main port, San Sebastian, is famed for its links with Christopher Columbus and a week-long Columbus festival is held annually. The small, peaceful fishing village of Playa de Santiago with its pebble beach and port is located in a sheltered and attractive setting and at the centre of the town's harbour area, Plaza del Carmen is a favourite meeting place for locals with restaurants, bars and a seafront promenade.

Attractions and activities

La Gomera is truly unspoiled providing a perfect destination for those wanting a tranquil holiday. With its dense forestry, beautiful cedar groves and breathtaking ravines, La Gomera appeals to nature lovers and walkers of all levels. In the centre of the island, and a must for keen walkers, there's Parque Nacional de Garajonay with its dense, lush flora and fauna and the evergreen laurel forest of El Cedro. There are also opportunities for hiking through the Benchijigua nature reserve or enjoying a magical walk through Raso de Brumas forest and farmlands. The 18-hole course beside Hotel Jardin Tecina also makes the island a great getaway for golfers. The island's rugged coastline offers a few pebbly and black sand beaches; the best are at Playa Santiago and Valle Gran Rey.

Local dining

Hotel Jardin Tecina's La Cueva provides an unique dining experience. Enjoy a romantic and thrilling dinner for two in a cave, complete with double bed, overlooking the Atlantic. Typically Canarian cuisine is delivered from a basket on a zip-wire for maximum privacy. Once the meal is over, be lulled to sleep by the sound of the ocean beneath the night sky. High above Agulo, La Gomera's prettiest village, sample the finest tapas and creative international cuisine in a glass-bottomed restaurant. If you've a head for heights, you'll love the unique seven metre glass skywalk.

Transfers to La Gomera

Fly to Tenerife South airport and cross by catamaran or ferry to La Gomera, approximately 40 minutes. Crossing timetables are limited and you may need to stay overnight in Tenerife at the beginning or end of your holiday.

Welcome to Fuerteventura

The Canary Island of Fuerteventura is second in size to Tenerife and the closest to the North African continent. Boasting a relaxed and typically Spanish way of life, it is fantastic for watersports enthusiasts, with a year round sunny climate and a fabulous coastline of sandy beaches.

The island

Fuerteventura is blessed with miles and miles of lovely soft sands and its beautiful coastline attracts visitors seeking glorious beaches and fantastic waters. Inland, the rugged peaks of extinct volcanoes are separated by wide lowland plains dotted with small traditional villages and old-fashioned windmills. The relaxed and typically Spanish way of life combined with more than 150 splendid beaches of soft sand and virtually constant sunshine, entices sun worshippers and watersports fanatics, and beginners, all year round. On the northeast coast the former sleepy fishing village of Corralejo is now Fuerteventura's premier resort, boasting some of the island's best beaches, fine seafood restaurants and chic bars. Along the coast, modern Caleta de Fuste is popular with families and has a sheltered beach skirting a wide horseshoe shaped bay. In the south the long narrow Jandia Peninsula is fringed on the eastern side with excellent sandy beaches stretching for over 30km between the resorts of Costa Calma, Morro Jable and down to the lighthouse at Punta de Jandia.

Attractions

Just offshore is the tiny island of Isla de los Lobos, named after the once abundant monk seals. Divers, snorkellers, surfers and sporting fishermen claim the clear waters. For those slightly less adventurous, barbecue excursions and swimming trips are enhanced by sailing across in glass-bottomed cruisers. Popular Acua Waterpark in Corralejo is ideal for a family day out, as is Oasis Park & Zoo and a submarine tour; diving down to depths of 30 metres, allowing you to get close to the local marine life.

Festivals

Fuerteventura boasts colourful island-wide carnivals in February, and in June the streets are lined with flowers laid in intricate patterns as part of the celebrations of Corpus Christi. The annual Fuertemusica features an array of outdoor concerts and musical events, there's a three-week long jazz festival, and the kite festival in November draws large crowds.

Cuisine

Fish is fresh and exquisite in Fuerteventura, and in Jandia, El Cotillo and Corralejo, you'll find high quality restaurants, with marvellous sea views, serving fine fish and seafood. Canarian dishes made with salty potatoes and mojo sauce, from peppers, garlic and paprika, are a speciality here and the goat cheeses are of international repute. With more than 300 choices of wine and an impressive collection of 1000 brandies, La Bodega wine cellar at Elba Palace Golf & Vital Hotel offers a wine by the glass menu and local cheese tasting.

Welcome to Lanzarote

Famed for its year round sunny climate, Lanzarote's interior is a mix of ochre coloured lunar landscape mountains and low lying lava fields whilst the coast boasts fabulous beaches for sun worshippers and is a haven for watersports fanatics with perfect weather and clear waters.

The island

Despite Lanzarote's volcanic moonscape nature it, somewhat surprisingly, boasts many white sandy beaches, although there are still numerous dark volcanic sand beaches. Lanzarote is famed for its watersports and the ideal weather conditions, coasts of clear waters, and the fine sands, ensure its popularity with windsurfers, surfers and sailors. A plethora of underwater caves, reefs, shipwrecks and fish, is fantastic for diving, snorkelling and big game fishing. The former fishing village of Puerto del Carmen is a busy, popular resort boasting a long beach of golden sand, lively nightlife and a quieter, delightful Old Town. Along the coast, quiet Puerto Calero features an attractive waterfront, and the sandy beach is perfect for families and sun worshippers. The pretty resort of Playa Blanca is a great choice for a peaceful holiday with its glorious blue flag awarded golden sandy beach and Costa Tegüise is a popular well-established resort and a paradise for windsurfers and watersports enthusiasts.

Attractions

Timanfaya National Park is a must see for any visitor to Lanzarote. Here the Fire Mountains, the now-dormant volcanoes which devastated the island, feature a legacy of an amazing lunar type terrain which harbours numerous rare plant species. The surreal caves and underground lava tunnels of Cueva de los Verdes and Jameos del Agua, are well worth exploring, as is the Cactus Garden and the Mirador del Rio viewpoint; all legacies of Lanzarote's most famous inhabitant, César Manrique. The ancient capital of Lanzarote, Tegüise, is a well kept, old-fashioned town with wide cobbled streets and a craft market on Sundays. For a day of escapism, catch the ferry from Orzola for the half-hour trip to the tiny island of La Graciosa with its two sleepy villages, glorious sandy beaches and volcanic peaks; explore the island on foot, by bicycle or 4x4 jeep.

Local dining

In the heart of the Timanfaya National Park, enjoy sunset dining at the El Diablo restaurant. Designed by César Manrique, it offers spectacular views, and fish and meat grilled with heat direct from the earth's crust on its Volcan Grill. At Jameos del Agua there's a chance to dine on freshly grown local products with traditional flavours, and then enjoy a lakeside concert of classical music in the famous caves.

Festivals

Fiestas, festivals and celebrations are plentiful on Lanzarote with several lively carnivals held in February, and numerous festivities honouring the island's saints throughout the year. A fine international jazz festival is held in July and St John's Day in June features outdoor concerts, traditional rituals and sporting competitions together with bonfires and firework displays.

Your Journey and our preferred Airline and Lounge Partners

Classic Collection Holidays excels in creating personalised luxury holidays. Fly at the best available time with the most suitable airline from the most convenient airport.

We can book flights from any airport, with any airline, for any duration. We can mix and match airlines to maximise holiday time away; fly out and back with different airlines, at times and on days that are the most convenient. Many people like to travel from a local airport, so we feature all available charter and scheduled services. To take advantage of the reliability of scheduled flights from London, we're also pleased to offer add-on domestic flights. Our travel consultants can recommend airport lounges, provide further details of flight upgrades and the services provided by different airlines.

Many of our destinations are served by British Airways and we are proud of our Preferred Partner status with this airline.

Euro Traveller customers in the main cabin enjoy the highest standards expected of British Airways. With regard to luggage, we include one bag (maximum 23kg) per person.

Cabin upgrades are available dependent on the route. British Airways' Club Europe benefits include generous legroom, meals and snacks relevant to the time of day and flight duration, complimentary drinks (wine, beer and spirits), dedicated check-in desks and use of an airport lounge. Club Europe customers also benefit from an increased hold luggage allowance and two bags (maximum of 23kg each) per person.

Charter flights Through a range of charter airline partners, we are delighted to offer a choice of direct flights from many UK airports. These flights may restrict your holiday duration to 7 or 14 nights, but we know that to fly direct to your holiday destination from your local airport is normally preferable.

Domestic flight connections via London So that our customers can take advantage of the flexibility and reliability of scheduled flights from London, we are pleased to offer domestic flights from all UK airports.

Private jets We enjoy partnerships with fully licensed companies specialising in the provision of private aircraft. For total flexibility, privacy and convenience, we can charter a private aircraft giving you the ability to create your own holiday timetable. Choose the aircraft type, seating arrangements, level of service, departure airport and flight timings that suit you best.

No frills flights No frills flights are often available from regional airports and do not provide complimentary drinks or meals although you may purchase refreshments on board.

Airport lounges Our travel consultants can arrange airport lounge access in many of our departure and destination airports allowing you a relaxing start and finish to your holiday.

Holiday Information

MAKING A BOOKING

If you book through a travel agent, they will check details and availability with us and if you accept these as satisfactory, a formal contract will exist between you and Classic Collection Holidays. If you make a booking directly with us, we will discuss and confirm the details of the holiday with you and, if you accept these as satisfactory, a formal contract will exist between you and Classic Collection Holidays and your credit card details will be taken at that time. In either event, you must pay the appropriate initial payment or, if within 8 weeks of departure, the full holiday price. Late bookings made within 8 weeks of departure require that the total balance is paid immediately. Normal cancellation charges apply to late bookings should you subsequently cancel. Recommendations can be made by our team although the final decision as to hotel and resort suitability is ultimately your choice and we cannot be held liable for our suggestions. To help maintain our high levels of service, calls may be recorded.

Special requests At the time of booking please inform us of any special requests such as adjoining rooms, dietary requirements etc. We will inform the property management and/or carrier of your requirements but we cannot guarantee that these will be met. Where additional local costs are involved, payment should be made directly to the supplier. BEFORE YOU TRAVEL

Passports, visas and travel advice Your passport, visa, any international driving permits and immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements. For British citizens, a full ten-year passport with a minimum of six months validity from the intended date of return to the UK is required for travel. Children under 16 must hold their own five-year passport. Contact the UK Passport Advice line 0300 222 0000 or www.gov.uk/browse/abroad/passports for information. Please note that your name and initials on your flight tickets/documentation must match those on your passport. For up to date visa information you should check the Entry Requirements page relevant to the country/ies you are visiting on the UK Foreign, Commonwealth & Development Office (FCDO) website at www.gov.uk/foreign-travel-advice ensuring that you allow sufficient time to apply for any necessary visas, or to purchase e-visas via foreign government websites. If you do not hold a British Citizen's passport you should check your requirements with the relevant Embassy or Consulate. We recommend that you seek advice from the UK Foreign, Commonwealth & Development Office (FCDO) regarding your holiday

destinations before booking your holiday and continue to check for updated information.

Staying safe on holiday Your safety is of paramount importance to us whilst you are on holiday; unfortunately, crime is prevalent the world over and we urge you to take precautions overseas as you would at home. We encourage you to visit www.counterterrorism.police.uk/staysafe/ which provides information and advice for holidaymakers.

Travel documentation Your flight tickets including e-ticket information and holiday itinerary will normally be dispatched approx. 30 days prior to departure although very late booking confirmations and e-ticket details may be forwarded by email only.

Vaccinations & health requirements In some countries it is wise, and sometime obligatory to have certain vaccinations. As guidance frequently changes it is strongly recommended that you check with your GP's surgery or www.travelhealthpro.org.uk for up to date information regarding health risks or vaccination requirements as soon as possible but at least 6 weeks in advance of travel. If you are travelling with medication, please contact the relevant Embassy or Consulate for up to date guidance on regulations concerning the carriage of drugs.

Mosquitoes In many countries mosquitoes can spread disease such as dengue, chikungunya, West Nile, malaria, yellow fever and Zika virus. It is your responsibility to seek medical advice prior to travel, particularly if you have an underlying medical condition, are pregnant or plan to become pregnant within 6 months of your return. It is important to seek medical attention if you have a fever or display any other symptoms. Should you become unwell on your return please ensure that you inform your doctor of any overseas trips you have taken in the last 12 months.

UK airport charges To cover the cost of development or improvement works, some UK airports charge an airport improvement fee which is payable within the relevant check-in area.

OUR BROCHURE & HOLIDAY DETAILS

Brochure accuracy This brochure was printed on 28 April 2021. Details are valid until publication of any revised edition, or you are notified otherwise by your travel agent or our reservations staff. From prices were calculated on 8 April 2021. All the facts in this brochure are re-checked for accuracy by our staff and, where possible, our hoteliers, although of course it is always feasible, especially in low season, that facilities may be unavailable as hotels, especially those which are open all year round, will require maintenance (e.g. pools), redecoration and refurbishment. Service within hotels may change from time to time e.g. dining changes from traditional waiter service to buffet style. Such events are regrettably beyond our control although we will alert you to significant changes at time of booking, or if you have already booked, we will contact you as soon as is reasonably possible if there is time before your departure.

Room types and upgrades Single rooms normally carry a supplement which is for the convenience of having a room to yourself and location/facilities may be inferior to that of a twin room. In family rooms and twin or double rooms that take additional beds, do note that the extra bed/s could be of a folding or convertible sofa type and beds for children may not be full adult-sized singles. When additional beds are put in a room, floor space will be reduced, and cupboard access may be limited. Junior suites normally have a sitting area, and suites have a sitting area or separate sitting room. Ocean or sea view rooms enjoy views of the ocean/sea although foliage, buildings etc may sometimes interrupt a full view. Ocean facing or sea facing rooms will face the ocean/sea but will normally be on lower floors where the view of the ocean/sea may be obscured through gardens/trees etc. Side ocean view or side sea view rooms tend to offer a restricted view of the ocean or sea. Please note that the main additional feature of any room category attracting a supplement may often be its view and that this will not necessarily include additional internal room facilities or amenities.

Room upgrade supplements are normally detailed on the hotel pages, but occasionally you may see the phrase on request which means that we will have to contact the hotel for up-to-date prices.

Hotels for couples Some hotels, particularly in long haul destinations cater for mixed sex couples only, and in some countries same sex couples are illegal. We therefore recommend that before confirming your holiday you thoroughly research your destination.

Hotel facilities some facilities may incur a local charge e.g. sun loungers, sports, games, use of fitness/leisure and spa facilities, children's clubs and children's amenities, safety deposit boxes and car parking. The operation of some facilities may be dependent upon seasonal demand and/ or hotel occupancy rates.

Air-conditioning Most hotels offer in-room air-conditioning although this may be controlled centrally and might only be available at certain times of the year or subject to the prevailing weather.

Check in/out & duration of holiday On arrival at hotels, check in time is normally 4pm and check out 11am. Most hotels can provide luggage storage and changing room facilities if you arrive earlier or stay later, and you may be able to pay locally for a late check out from your room. The number of nights on your confirmation invoice refers to the number of nights reserved for you in your hotel. If you arrive very late at night or in the early hours of the morning, your accommodation is immediately available as it will have been reserved for the whole night and this will count as one of your holiday nights.

Meal arrangements Full board normally consists of breakfast, lunch and dinner; half board is breakfast and dinner. Full board or half board arrangements are generally served in the main dining room. Some hotels offer table d'hote. A full a la carte menu is available for an extra cost in most of our hotels and customers should note that when half or full board is offered as

a la carte dining, exclusions such as lobster, prawns etc may be available for a local supplement. Most hotels offer the option of booking any number of nights on half or full board so that you can pay in the UK and decide which nights you wish to eat at the hotel when you arrive: simply ask our travel consultants for details.

All inclusive Arrangements vary widely between hotels and where this concept is offered, it is wise to check specific details at booking stage as many hotels only include local spirits and wines and may limit your choice of restaurant. As with meal arrangements (above), if a full a la carte menu or restaurant is not included within the all inclusive concept, it may be available for an additional cost and exclusions such as lobster, prawns etc may be available for a local supplement.

Dress code Due to the sophisticated nature of many of our hotel restaurants, shorts and t-shirts are unacceptable for evening dining and slightly more formal attire is recommended. Formal dress is normally required for gala dinners. Specific dress is recommended for certain tours and safaris and this will be communicated at time of booking confirmation.

Children & infants To take advantage of children's prices, a child must normally be aged 2-11 years at the date of return and must share a room with two adults or full fare paying passengers, although some hotels offer special reductions for a second child sharing the room, or for older children, or for a child travelling with one adult, or where children share an interconnecting room. Children paying child prices can normally benefit from reduced half board supplements (when booking same board basis as adults) and will not normally be charged room supplements although if these are payable, relevant prices will be advised at time of booking. Normally children staying in their own room will be charged as full fare paying passengers including relevant room and half board supplements. Please note that infants and children's dates of birth (on the date of return from holiday) must be advised. Infants (under two years of age at date of return) pay a charge to cover any flight costs. Hotels will charge locally for food and cots. Please note that the regulations applied to the manufacture of cots in other countries are not as high as those in the UK and may not conform to British safety standards.

Child seats Although we can request child seats for private transfers in resort, they cannot always be guaranteed and in such cases, we suggest that you bring your own.

Babysitting arrangements are available at many properties although the service will vary, and the sitter may not remain in the room with the child. If you wish to use a babysitting service, you must arrange and pay for it locally with the sitter who is frequently a member of the hotel staff not qualified in child care.

Health & safety We endeavour to regularly check all our properties for compliance in respect of local regulations. However, guests must exercise caution particularly with regard to fire safety, swimming pools, balconies, lifts etc, where compliance may not be equal to British standards.

Resort development may be in progress and occasionally the work involved will result in building work being in evidence. We cannot forewarn of all developments, however; if the works taking place, either through noise or other inconvenience, is felt by us to affect your overall holiday enjoyment, we will supply all such information. Many of our resorts are in popular holiday destinations which invariably have busy road networks so you may encounter some traffic disturbance especially during peak season.

Representation Due to the specialist nature of our programme it is not always practical to visit our guests in their hotel especially during multi-centres, island hopping or fly drive holidays. All customers will be given emergency contact numbers and departure details will be confirmed during your stay. A member of our overseas team, or local agent, will normally make contact with you within 24 hours of your arrival to ensure that everything is in order; although should you encounter any difficulties during your stay, please contact your hotel manager in the first instance, and if further assistance is required, simply make us or our local agent aware and we will endeavour to resolve the matter.

100% FINANCIAL PROTECTION

All the flight inclusive holidays within this brochure are financially protected by the ATOL scheme under ATOL number 5837. When you pay you will be supplied with an ATOL certificate (for further information about financial protection please see our booking conditions and www.atol.org.uk). For holidays and travel arrangements which do not include travel by air, your financial protection is administered by the Association of British Travel Agents (ABTA) under membership number W5429. In the unlikely event of our insolvency, the CAA and/or ABTA will ensure that you are not stranded abroad and will arrange to refund any money you have paid to us for an advance booking. ABTA members help holidaymakers get the most from their travel arrangements, and assist them in the unlikely event that things do not go according to plan. Under ABTA's Code of Conduct, we maintain a high standard of service to our customers. For further information about ABTA, the Code of Conduct, and the arbitration scheme, contact ABTA www.abta.com

We are proud to be members of AITO (Association of Independent Tour Operators) www.aito.com which represents many of the UK's leading holiday companies and travel agents. AITO encourages exceptionally high standards of quality and service and, as members, we agree to abide by AITO's Code of Conduct and adhere to its Quality Charter.

Coronavirus Covid-19 Given the introduction of new health and hygiene requirements related to the Coronavirus Covid-19 pandemic, certain amenities and facilities mentioned in this brochure may be limited or unavailable. Social distancing measures, mandatory health screening, temperature checks and quarantine may be in place during your journey, in your holiday destination and on your return to the UK. Where we are made aware of any changes which we believe might have a significant impact on your holiday, we will endeavour to let you know. However, changes may be implemented at any time and at short notice. We ask for your understanding if we have not been able to inform you of any changes before your departure on holiday. Please do not travel if you have symptoms of Coronavirus Covid-19.

Booking Conditions

OUR COMMITMENT TO YOU

1. Provision of your holiday We will arrange for the provision to you of the services which make up the inclusive holiday as confirmed to you. These services will be provided either directly by us or by independently contracted suppliers. When you, or your travel agent, ask for your holiday booking to be confirmed, we allocate your chosen holiday to you and give confirmation of the booking at that moment. It is then that a firm contract exists between you and Classic Collection Holidays Limited (Registered in England no. 1512421) on the basis of these booking conditions. This also acts as your acceptance of our booking conditions and your holiday is secured from that moment. If your holiday includes flight arrangements, you will be issued with an ATOL certificate immediately and, in any event, you will receive a holiday confirmation invoice verifying the details. All holidays and offers advertised in the brochure are subject to availability and are as confirmed to you by telephone or on your Holiday Confirmation Invoice.

2. Your holiday price

A. When you book All prices, supplements and offers shown in this brochure are based on costs at time of printing (28 April 2021) although we reserve the right to amend all prices, supplements and offers (up or down) when we receive notification of new costs. Hotels practice fluid pricing which means that costs may significantly increase during periods of high demand. Offers may not be available where we have exceeded our contractually pre-allocated rooms at certain hotels. Prices in this brochure include airline rates applicable at the time of printing and are subject to change. The government charges a levy to cover financial protection in the event of an airline failure and we automatically add this to your invoice total at the booking stage. Once you have confirmed your holiday booking, the price is protected subject to clause 2D of these booking conditions. Please note that not all hotel features detailed are complimentary, and some are subject to seasonal demand.

B. VAT and Exchange rates Our VAT Registration number is 503 944 749 and all prices quoted in this brochure include VAT where relevant (at 20% at time of going to press). The brochure prices of holidays were calculated using exchange rates quoted in the Financial Times Guide to World Currencies on 8 April 2021 in relation to the following currencies: Euro 1.1545 and US Dollar 1.3734. Please note a) these rates are not comparable with note or tourist rates which are quoted in national newspapers b) hotel costs, transfers, resort representation, excursions, local taxes and part of the flight cost are typically paid in the currency of your holiday destination country. Aviation fuel is paid in US Dollars. All of these costs are affected by changes in the cost of buying foreign currency, as per exchange rates listed above. We reserve the right to increase our prices in accordance with these booking conditions.

C. Surcharges (after booking) Once you have booked, the price of your holiday travel arrangements may be varied due to changes in transportation costs such as fuel, scheduled airfares and any other airline cost changes which are part of the contract between airlines (and their agents) and the tour operator or organiser; and also in respect of government action such as changes in VAT or any other government imposed changes. In the case of any small variation, an amount equivalent to 2% of the price of your travel arrangements, and any amendment charges, will be absorbed or retained. For larger variations, this 2% will still be absorbed for increases but not retained from refunds. In either case there will be an administration charge of £1 per person together with an amount to cover agent's commission. In the unlikely event that this means that you have to pay an increase of more

than 8% of the price of your holiday travel arrangements, you may cancel your booking and receive a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice.

D. Tourist or environmental tax Some regions and cities impose a tourist or environmental tax. Amounts often vary between region and hotel star rating and often are payable by customers locally on departure from their accommodation. Taxes may be introduced or changed without prior notice and our travel consultants are happy to advise current rates where applicable.

3. If your booking is changed It is unlikely that your booking will have to be changed, but we do plan the arrangements many months in advance, therefore we reserve the right to do so at any time. Most of these changes are very minor; but where they are major; we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. A major change is one that is made to a major part of your holiday arrangements before departure, such as a change of your departure airport (except between London airports), resort area or time of departure or return by more than twelve hours or offering accommodation with a lower category rating. If we must make a major change you have the choice of the following: A accepting the changed arrangements as notified to you, B purchasing another available holiday from us, or C cancelling your holiday and receiving a full refund of all monies paid. Additionally, if we make a major change after you have paid the full balance of your holiday and you accept A, B or C you will be entitled to compensation on the scale shown below.

Period before scheduled departure within which a major change is notified to you or your travel agent:	Compensation per adult
More than 56 days	Nil
43-56 days	£20
29-42 days	£30
15-28 days	£40
0-14 days	£50

Important note Compensation payments do not apply to changes caused by reason of war or threat of war, riot, civil strife, terrorist activity, industrial disputes, natural and nuclear disasters, fire, or other circumstances that may amount to force majeure.

4. If your holiday is cancelled We reserve the right in any circumstance to cancel your holiday and, in this event, we will return to you all money you have paid us or will offer you an alternative holiday of comparable standard to purchase. In no case, except for those beyond our control, will your holiday be cancelled after the balance is paid and, in such cases, compensation will be paid per clause 3.

5. What happens to complaints As members of ABTA (membership number W5429) we are obliged to maintain a high standard of service to you which is set out in a Code of Conduct. If we can't resolve your complaint (see clause 5 in **Your Commitment to Classic Collection Holidays** below) you may use ABTA's arbitration scheme which is approved by the Chartered Trading Standards Institute. Further information on the Code and ABTA's assistance in resolving disputes can be found online at www.abta.com

6. Our responsibility for your holiday

We accept responsibility for ensuring that all component parts of the inclusive holiday, limited to items included on confirmation invoice, and subject to the paragraph

entitled Air Passenger Rights below, are supplied to you as described in this brochure and to a reasonable standard. If any such part is not provided to your satisfaction due to the fault of our employees, agents, or suppliers, we will pay you appropriate compensation if this has affected the enjoyment of your holiday (see Important note in paragraph 3 above). Our liability in this respect is limited to a maximum of three times the value of the holiday. We must ask you however, to be patient and understanding in the event of unforeseen alterations to your holiday made by our suppliers over whom we have no direct control.

Air Passenger Rights Under EU law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However, reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in paragraph 3. If your airline does not comply with these rules you can make a complaint via the Civil Aviation Authority www.CAA.co.uk

7. Excursions (whilst participating in arrangements made by us)

Excursions, tours or experiences that you may choose to book or pay for locally whilst you are on holiday are not part of the holiday provided by us and not included within the package. For any excursion or other tour that you book, your contract is with the operator of the excursion or tour and not with us and we are not responsible for the provision of the excursion or tour or for anything that happens during its provision.

8. Personal Injury (whilst participating in arrangements made by us)

We have taken all reasonable and proper steps to ensure that proper arrangements have been made for all the holidays which are advertised in this brochure and that the suppliers of the various services which will be provided to you as part of the inclusive holiday are efficient, safe and reputable businesses, and that they comply with the local and national laws and regulations of the country in which they provide those services. We have no direct control over the provision of services to customers by suppliers. However, subject to the Notes below, we will pay to our customers the equivalent of such damages as they would be entitled to receive under English law in an English Court for any personal injury to the customer, including illness or death, caused by the negligence, as understood in English Law, of the servants or agents of ourselves or of any of our suppliers contracted or sub-contracted by us to provide any part of the arrangements for your holiday as described in this brochure. With regard to any relevant international convention for example, the Montreal Convention in respect of travel by air; the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail, and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage, we are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions. Copies of these can be made available on request.

9. Personal Injury (unconnected with travel arrangements made by us)

If you, or any member of your party, suffer death, illness or injury whilst overseas arising out of an activity which does not form part of your holiday arrangements or an excursion arranged through us, we shall at our discretion, offer advice, guidance and assistance. Where legal action is contemplated and you want our assistance, you must obtain our written consent

prior to commencement of proceedings. Our consent will be given subject to you undertaking to assign any costs or benefits received, under any relevant insurance policy to ourselves. We limit the cost of our assistance to you or any member of your party to £5,000. Under your travel insurance cover; you must make an insurance claim under the legal expenses section in respect of any legal fees incurred abroad for that purpose.

Notes in respect of paragraphs 8 & 9 We would request that you (a) notify us of any claim for personal injury within 2 months of your return from holiday; (b) assign to Classic Collection Holidays any rights against a supplier or any other person or party you may have relating to the claim; and (c) agree to co-operate fully with us should our insurers wish to enforce those rights. This assignment is necessary to enable us to try to recover from suppliers any compensation paid to customers and associated costs as a result of personal injury to customers caused by the negligence of those suppliers. It is not our wish to profit from such assignment, and in the unlikely event of our recovering more than such compensation and costs, any excess will be paid to the injured customers.

YOUR COMMITMENT TO CLASSIC COLLECTION HOLIDAYS

1. Your holiday contract As soon as your holiday booking is confirmed, a firm contract exists between you and Classic Collection Holidays on the basis of these booking conditions which are governed by English law and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so. Any disputes arising will be heard in the English Courts unless you prefer the courts of Scotland or Northern Ireland.

2. Payment for the holiday You pay a deposit of £150 per person short haul or £200 per person long haul (or an agreed sum to cover non-refundable flight seats and/or hotel or other costs) when you book. This is your commitment until 8 weeks before departure when your final balance is due, unless otherwise specified at time of booking. You must pay the balance at least 8 weeks before departure. For bookings within 8 weeks of departure, full payment is required at time of booking. If payment is not received as above, we reserve the right to treat your booking as cancelled and your deposit/s would be forfeited. If you pay a travel agent for your holiday, they will hold that money as our agent from the time they receive it until they pay it to us. Deposits and balances paid to us can be made by bank transfer, cheque or card.

3. If you change your booking If you want to change any details of your booking (e.g. transfer to a different holiday, substitution of a passenger; departure date or airport), we will do our best to help as soon as we receive your request in writing. We charge an amendment fee of £25 per person for each detail of the booking to be changed and, in addition to the amendment fee, we will charge for any additional costs we incur in making the amendment/s. You should give us reasonable notice of changes and please note that it is highly likely that amendment costs will increase the closer the change is made to your departure date. If amendments to a booking are made, and the booking is subsequently cancelled, we reserve the right to charge the original cancellation charges that would have been payable prior to the amendment.

IMPORTANT

Some arrangements (e.g. flights purchased from certain airlines and certain hotel bookings or other costs) may not be refundable or transferable after a reservation has been made and any alteration request may incur a cancellation charge of up to 100% of that part of the holiday arrangements. Where the price varies depending on the number of persons travelling and the numbers

are amended, the price will be recharged based on the new party size. Any increase in price per person payable as a result of a part cancellation is not a cancellation charge and will not normally be covered by your chosen insurance. A separate cancellation charge will be levied in respect of bookings cancelled in accordance with paragraph 4 below. A new confirmation invoice will be issued as appropriate on which the cancellation charges will be shown.

4. If you cancel your booking You or any member of your party may cancel your booking, or part of it, once it has been confirmed, but the instructions will only be valid if in writing and signed by the person who confirmed the booking. Your written instructions should go either to the travel agent you booked with, asking them to notify us immediately, or if you booked direct, to us. Cancellation fees are on the scale shown, although please note that some holiday components have more restrictive cancellation terms and if this is the case, these will be communicated at time of confirmation. The amount payable depends on when we receive your written instructions.

Period before scheduled departure within which written holiday instructions are received by us	Amount of cancellation (% of total price)
More than 56 days	Deposit/initial payment
43-56 days	30% or deposit if greater
29-42 days	50% or deposit if greater
15-28 days	70% or deposit if greater
8-14 days	90% or deposit if greater
7 days or fewer	100%

5. If you have a complaint If you have a complaint about your holiday please refer the matter to the supplier immediately (airline, hotel, car hire company etc) and our local or telephone agent/representative in resort. Matters can most easily be resolved for you on the spot when the supplier can see and understand the exact nature of any problems. If your problem remains unresolved you must contact us using the contact details on your travel documentation and we will do everything reasonably possible to resolve your complaint whilst you're away. It is unreasonable to take no action whilst on holiday, then complain afterwards. In the unlikely event that matters cannot be resolved to your satisfaction our agent/representative will ask you to record details on a holiday report form of which you will be given a copy, and you must then follow up your report by contacting our Customer Relations team within 28 days of return.

6. Holiday illness If you, or any member of your party, become unwell whilst on holiday you must consult a local doctor in order to receive appropriate treatment and to obtain a full medical report. You must also report your illness as soon as reasonably practicable to our local or telephone agent/representative, the contact details of whom can be found on your travel documents.

Notes in respect of paragraphs 5 & 6 Failure to follow the procedures set out in paragraphs 5 and 6 above may reduce or extinguish any rights you have to claim compensation from us or any of our suppliers either in accordance with these booking conditions or otherwise.

7. Holiday participation We reserve the right to decline to accept or retain any person as a customer if their conduct is disruptive and affects the enjoyment of other holidaymakers, and we shall be under no liability for any extra costs incurred by such a person as a result of our doing so. Aircraft captains are legally entitled to deny boarding to any passenger presenting themselves at the aircraft who, at the captain's absolute discretion, are unacceptably under the influence of alcohol or drugs.

Any passenger who is denied boarding on the outbound flight for that reason, shall be deemed to have given notice of cancellation of his/her booking at that moment, and cancellation charges will apply in accordance with paragraph 4.

8. Your accommodation is only provided for the use of passengers shown on the confirmation invoice as confirmed by us; subletting, sharing or assignment is prohibited.

9. Your travel ticket conditions When you travel with an air or sea or rail carrier, their conditions of carriage apply, some of which limit liability. These conditions are often the subject of international agreements between countries, and copies of the conditions which apply are available for inspection at the travel agent where you book your holiday.

10. Travel Insurance We strongly recommend that you and all members of your booking are adequately insured on holiday and that the insurance is suitable for your needs and the type of activities you will be undertaking as part of your holiday. You are responsible for indemnifying us in full in the event that we incur any losses or expenses arising out of your failure to take out adequate insurance cover.

11. Data Protection & GDPR Classic Collection Holidays is registered under the Data Protection Act 1988 and deals with all personal data in accordance therewith. It is, of course, necessary for us to pass personal data to airlines, hotels, transportation companies, insurers and other agents in order that we can arrange your holiday. By confirming a booking with us, you have consented to allow the passing on of such data as we determine necessary for that purpose. Under the Data Protection Act, you have the right to inspect relevant personal information held by us. On 25 May 2018, the General Data Protection Regulation (GDPR) came into force and relevant information including our role as data controller, is detailed in the privacy policy statement on our website.

12. If we become insolvent By confirming a booking with us, you agree that, in the event of our insolvency, where applicable ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original booking. You also agree to accept that in circumstances where the travel service supplier provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid.
