

EXPEDITION CRUISES

Asta Lassen
Chief Executive Officer,
Hurtigruten Expeditions
April 2022

Epic Adventures

We're excited to be launching our new expedition cruises, with the 2023/24 season being our most extensive yet. We've got more globe-spanning adventures lined up for you including getting closer to the wilds of Alaska, and taking you deeper than ever into Antarctica with a selection of three ships and 34 expedition cruises.

We'll be sailing more frequently into Canada's iconic Northwest Passage, and – for the first time ever – with two ships making simultaneous transits in opposite directions. What's more, we're offering more circumnavigations of Iceland, some unique experiences in the Arctic jewel that is Svalbard, and several 16-day attempts to push south of the Antarctic Circle.

To accompany you, we're making our Expedition Teams even bigger, meaning more activities, and learning opportunities for you. Whether it's kayaking or hiking in nature, attending lectures, or doing science projects, our friendly and international destination experts will be there to help turn your expedition cruise into an adventure.

Furthermore, we'll continue to be pioneers of sustainable cruising, pushing the boundaries of what's possible. We've used the recent global pause in cruising to invest in our ships, adding fleet-wide shore-power connectors and onboard Science Centers where scientists and guests can help contribute to environmental projects.

An expedition cruise with Hurtigruten Expeditions will ignite your sense of adventure. Join us as we sail towards new horizons.

12 REASONS TO EXPLORE WITH US

© ESEFEN MILLS

It's been almost 130 years since we first pioneered expedition cruising. Join us as we continue to explore the planet, visiting some of the world's most beautiful and pristine regions – you'll be expanding your horizons in more ways than one!

1

230 ports and landing sites

Encompassing 15 global destinations, our expedition cruises probe the furthest reaches of the planet, from Antarctica to the Arctic, Galapagos to Guinea Bissau, as well as the legendary Northwest Passage.

2

Expect the unexpected

An expedition cruise is an experience like no other. In true explorer style we work with nature, changing our plans to seek out exciting opportunities and setting our course for adventure.

3

Unique experiences

Whether it's setting foot on Antarctica, kayaking at the foot of an Alaskan glacier, or visiting a tribal community in Africa's little-visited Bissagos Islands – authentic experiences await you.

4

Expedition Teams

Handpicked experts from a range of fields will deliver lectures, guide you on shore visits, and take you kayaking and expedition boat cruising while fostering your sense of wonder in the places we visit.

5

Science focus

With our onboard scientists and the most extensive science programme in the industry, we bring nature right into the heart of our ships where you can learn more about our destinations and contribute to important research.

6

Modern expedition ships

Engineered for exploration, small enough to dock at local ports and get intimate with nature – all our ships feature stylish cabins designed for comfort and relaxation.

7

Green pioneers

From our state-of-the-art hybrid electric ships, our ban on single use plastic and our focus on environmental protection, our desire to drive change for good sits at the heart of our ethos.

8

Delicious food

Regionally inspired and locally sourced, all food is cooked by master chefs and served in our stylish onboard restaurants, and features a diversity of exquisite seafood, meat and plant-based dishes

9

Inclusive value

All our expedition cruises include complimentary beer and wine at meals, free Wi-Fi and an activity in every port of call – and there are no extra taxes or gratuities to pay.

10

Working with local communities

Whether it's an Inuit settlement in Canada or a village in tropical Cape Verde, supporting and trading with the local communities we visit is how we've always done business.

11

Fully immersive experience

Expedition boats for beach landings, kayaks for water level exploration, snow shoes and survival gear – you'll be getting up close and personal with the environment in the destinations you visit.

12

Friendly and informal

There's no dress code onboard, and you'll experience a warm and professional service. Just relax – after all, we've been doing this for almost 130 years!

TAKING SUSTAINABILITY SERIOUSLY

Exploring this blue planet of ours for more than a century has taught us the importance of being green.

Hurtigruten has been sailing to polar regions for almost 130 years. Over decades, our Captains, Expedition Teams and returning guests have witnessed the impact of climate change on these vulnerable areas with their own eyes.

If we want the Arctic, Antarctica and everywhere in between to remain places of pristine nature, pure water and clean air, we know that all of us have a big job to do. But it's a job we realise is of paramount importance, and worth it for our children and grandchildren.

That's why we've committed to the UN's Sustainable Development Goals, putting them at the heart of who we are and what we do. They are our guiding principles, taking us steps ahead of current regulations to offer you greener and more sustainable expedition cruises on and for the planet.

What we've achieved so far

We're proud of the progress we've made in a range of areas. But rest assured, we're not stopping there. This is just the start and there are many more exciting initiatives to come.

- We were first to institute a fleet-wide ban on non-essential single-use plastic
- We invest heavily in green tech like hybrid power and biofuels from food waste
- We launched the world's first hybrid-powered expedition ships and plan for more
- We stopped using heavy fuel oil decades ago and still campaign for a worldwide ban
- We support stricter visitor regulations in the delicate destinations we explore
- We offer full menus of healthy and delicious plant-based dishes on board
- We inspire guests on every one of our cruises to be environmental ambassadors
- We collaborate with international scientific institutes and share vital research data
- We support local communities by choosing to trade with small-scale suppliers
- We engage in voluntary beach clean-ups in many of the areas we go ashore at
- We are founding members of AECO and IAATO which work to protect polar regions
- We have established the Hurtigruten Foundation to fund a variety of eco-projects

What is sustainability?

According to the UN World Commission on Environment and Development, sustainability is the ability to meet the needs of the present without compromising the ability of future generations to meet their needs. Sustainability is measured in three different pillars: environmental, social and economic – and they all count.

YOUR EXPEDITION DREAM TEAM

Aboard every Hurtigruten Expeditions ship you'll find a team of highly skilled adventurers who are passionate about making your cruise an unforgettable journey of discovery.

Our Expedition Team members are some of the very best. Whether they're marine biologists or Mesoamerican archaeologists, they're experts in their fields and handpicked for each itinerary. Between them there's decades of knowledge, a blend of youth and maturity, and a diversity of backgrounds and interests. Together they share a common goal – to ignite your sense of adventure and quest for knowledge.

Intrepid experts

Made up of skilled professionals and destination specialists, some Expedition Team members are Arctic nature guides or volcanologists, others are ecologists with hands-on conservation experience, and a few could even be called birding gurus. But these experts don't hide behind prestigious titles and dusty books – they love adventure, and they know all the best places to spot wildlife and uncover cultural gems. They will enhance your expedition by guiding you in exceptionally seamless activities on and off shore.

Mind blowing lectures and workshops

When they're not guiding you over ancient ruins or across Arctic tundra, you'll find the Expedition Team in the Science Center. Here, they give lively talks on anything from glaciology to local mythology. They enjoy organising a range of onboard activities, including art workshops and photography lessons too. Friendly and enthusiastic, they love nothing more than sharing little-known facts and anecdotes. And if you catch them in the Explorer Lounge, they may even tell a funny story or two.

Unlocking nature for you

The scientists of the team will inspire you in our state-of-the-art Science Centers. You can use advanced microscopes to analyse biological or mineral samples, and underwater drones to see what's going on in the surrounding seas. And if the team has ongoing research, they'll happily show you their work, as well as help you participate in our global Citizen Science projects.

Dedicated to sustainable exploration

The Expedition Team care deeply about the protection and preservation of the places we visit, and they're well-versed in AECO and IAATO guidelines. With a commitment to sustainability, they're trained to safeguard not only you, but also the wildlife, fragile habitats and local communities we explore. With an inside connection to each destination they know just where to go and how to do it. On your expedition cruise you'll learn how you can help too, ensuring the explorers of tomorrow have the same breathtaking experiences as you.

Scientists on every cruise

Our onboard Expedition Teams feature scientists from a range of disciplines, providing you with a scientific understanding of each destination.

Multilingual teams

Communicating is easy with our talented international Expedition Teams.

More activities

A big team means that in remote places, we are staffed to offer a range of activities simultaneously, from zodiac cruising to kayaking.

Citizen science

Collect data from across the planet while on your expedition cruise and contribute to important scientific research. These are the Citizen Science Projects we support.

Add on more adventure to your expedition with us, choosing from more than 300 optional excursions as well as pre and post-extensions in destinations across four continents.

Local experts all over the world

All the excursions and extensions we offer as part of your expedition are run by suppliers in the destinations we visit. Each excursion and extension is carefully handpicked to ensure you get the best of the bunch. This means you'll get an authentic experience delivered by local experts who are truly in the know. It also means we'll be helping support livelihoods and local economy in these communities. It's a win-win situation for everyone!

Extra excitement every time

Aside from all the activities and excursions already included, there are also a large range of optional excursions that you can pick from and pay for. Here are just a few examples of the added fun you can have: snorkelling in crystal clear waters in the Caribbean; sleeping in a tent close to thousands of penguins in Antarctica; seeing the Northern Lights on a dogsledding trip or from a snowmobile in the Arctic winter; discovering ruins of ancient civilisations in South America. You can also visit national parks, museums and famous UNESCO sites, join local food tastings, go

on history walks, hikes and enjoy kayaking all over the world.

Adventures before or after your expedition

You'll be journeying to exotic parts of the world to meet your expedition ship. Adding a few days at the beginning or at the end of your expedition with one of our pre or post-programmes is a great way to get you in the right frame of mind at the start of your expedition and to continue to scratch your explorer's itch at the end of it.

Specific optional excursions and available extensions can be found under the itinerary of each expedition cruise on our website; hurtigruten.co.uk

SCIENCE CENTER, MS ROALD AMUNDSEN © AGURTXANE CONCELLON

YOUR HAVEN TO THE HORIZON

Your expedition ship is your home away from home; casual, comfortable, and complete with everything you need for your adventure and more.

Sailing in style

If you picture an expedition as being on a rusty old frigate with faded décor, prepare to have your expectations blown away. Top to bottom, bow to stern, you'll find that your ship is full of fresh modern interiors inspired by simple Scandinavian chic, with extra homely touches here and there. We've made every effort to use natural materials like pine-wood, slate and leather, imbuing your onboard environment with an earthy, elemental feel reminiscent of the places you'll be exploring. Each night, you'll actually look forward to sleeping soundly in your cabin, happily snuggled between a warm duvet and soft cotton linen.

Laidback vibes

From the get-go, you'll see that life on the ship is relaxed and the atmosphere calm and informal. The only dress code is that there isn't one and you won't see a butler or black-tie dinner in sight. We want you to be thinking about all the exciting places you'll be discovering with us, not worrying about what you'll wear at dinner! Feel free to get to know the Expedition Team and chat to the friendly crew. They'll have many stories to share about previous expeditions and their personal adventures. Together, we'll travel to the most remote coasts in the world and become one big family of explorers. We wouldn't have it any other way.

Gaze at gorgeous views

Each public area of the ship, be it the restaurants, outdoor gym, lounge, bar or even sauna, has been designed with your viewing pleasure in mind. There are wide windows, sometimes floor to ceiling, that blur the line between outside and in. The open-plan setting bathes public areas in natural light and gives you an ever-changing gallery of passing scenery to lose yourself in. You'll enjoy spending time on the outdoor observation decks too, where Expedition Teams can sometimes be found pointing out sites of interest in the sur-

rounding landscape or identifying species of seabird currently flying alongside the ship.

Social hubs

What is an adventure without companions to share it with? As you set foot on exotic shores together, you'll naturally grow closer with your fellow explorers. You'll probably find that, just like you, they also share a love of nature, wildlife and community. Enjoy swapping stories in the various seating areas dotted around the ship which usually have great views so that you don't miss a thing. You can also

hang out in the Science Centre, deciding which of the many Citizen Science projects you can do together. Afterwards, pull up a few cosy armchairs in the Explorer Lounge and Bar, order some fine wine, and toast to new experiences and new friendships.

FROM WORKING OUT TO CHILLING OUT!

Your ship comes equipped with a full suite of facilities for you to maintain an active lifestyle balanced by relaxation therapies for both body and mind.

© NILS LUND

© OSCAR FARRERA

© ANDREA KLAUSSNER

Healthy hearts

Some of our expedition ships has an indoor gym. Aside from rowing machines, fitness bikes, and free weights, some ships also feature advanced SKILLMILL™ equipment which will help you to build strength and to tone up. If you're on one of our hybrid ships and the weather allows for it, you can also enjoy the fresh sea air while working up a sweat in the outdoor gym or while doing lengths in the heated infinity pool. Watching the waves while

circuiting the 150-metre outdoor running track might even add an extra spring to your step!

For calmer forms of exercise, our warm-water voyages organise daily yoga classes run by professional instructors, great for keeping your body supple and energised.

Relax and rejuvenate

After a work-out in the gym or a long day of activities off the ship, you'll definitely want to spend some time recharging.

Blow off some steam in the sauna with panoramic views or soak away any stresses in the outdoor hot tubs. A meditation session will take you on an inner journey to clear out the mental cobwebs, leaving you feeling at peace and refreshed. And to really treat yourself, there's the Wellness Center on our hybrid ships. Skilful therapists offer a variety of tension-releasing treatments that cleanse the skin and the soul. Infuse yourself with an aromatherapeutic scrub, feel

© RUTT

© OSCAR FARRERA

magical hands soothe tired muscles with a full-body massage, or relax in the sauna. Whichever you pick, you'll feel like a new you after each visit.

© HURTIGRUTEN

LOVING LOCAL FOOD

Prepare your tastebuds for mouth-watering meals on board, inspired by the region's flavours and crafted from mostly locally sourced ingredients.

Low food miles, high quality

As we explore the coasts of countries across the world, each culture has its specialty produce that you'll be excited to savour firsthand: Chilean bass, Mexican limes, Norwegian cloudberries, British clotted cream, French wine. Sourcing our food locally supports local businesses, creates positive ripple effects in the communities we visit, and promotes more sustainable and seasonal eating. Good food, good karma.

Dishes of the destinations

Your exploration isn't just one of sights and sounds but tastes too. Our chefs might pick a selection of unique local herbs and spices to add to their dishes, infusing them with an extra twist. Or perhaps they'll take inspiration from the area's traditional cooking techniques to prepare your main course. To round off the meal, locally grown fruit could make an appearance as part of your yummy dessert.

Each expedition also immerses you further in the local cuisine with a

Signature Seafood Evening as well as tastings that showcase the region's delicacies. Imagine tucking into creamy clam chowder off the coast of Cape Cod, succulent king crab in Arctic Norway, wine tasting in Seattle, or slices of succulent Argentinian steak on your way to Antarctica. All these gastronomic gestures add authentic tastes to your every bite, completing the cultural and culinary experience.

Sophisticated plant-based menus

We believe that the future of food is a plant-based one. Rather than simply offer generic options on the menu, we've fully embraced full menus of gorgeous 'green' food. It's not only our commitment to sustainability that drives our desire to celebrate plant-based food. Every dish looks and tastes so good! If you've already stepped into this world, you'll be in for a treat on board. If you've yet to be converted, our menus will inspire you to try. This is healthier eating, for you and the planet too.

A delicious menu might look like this:

- Three-bean soup with garlic fried kale
- Beet Bourguignon with pearl barley, sautéed carrots, red onion, and pumpkin seeds
- Grilled watermelon with vegan ice cream, black pepper, and mint

A focus on food

The Expedition Team will give lectures and talks that give you the stories behind the food we serve on board. These could be presentations that delve into the historic and cultural connection of delicacies of the region. Or they might focus on how a science-based approach can help agriculture or fishing become more sustainable. Your expedition may also feature optional excursions to nearby farms, fisheries, or vineyards. Each promises a profound look at the importance these local industries have had on the surrounding communities.

Your ship's restaurants serve up high-quality, perfectly presented dishes that really do taste as good as they look.

PALATE PLEASERS

Lindstrøm - for fine dining

Enjoy a rotating menu of exceptional modern dishes inspired by the regions we explore. To complement your gourmet meal, ask for recommendations from the extensive wine list.

Fredheim - bistro-style café

From the open kitchen, Fredheim's chefs create dynamic dishes throughout the day, from international favourites to local goodies. Treat yourself to chicken kebabs, steamed dumplings, NY-style beef hot dogs or one of our plant-based meals.

Aune - the main restaurant

Tuck into bountiful breakfasts with made-to-order eggs and omelettes and freshly baked bread, a generous lunch and a three to five-course dinner, accompanied by stunning views of the scenery outside.

Cheers! Bottoms up! Skål!

After a day's adventure, there's nowhere better to go for a nightcap than the Explorer Lounge and Bar. Available beverages include hot drinks, juices, sodas and a stock of beers, wine and spirits. Try a glass (or two) of oak cask-matured Norwegian aquavit.

INCLUDED IN YOUR EXPEDITION

Relax, enjoy and learn from the moment you step aboard. There'll be lots of opportunities for discovery and exploration, so we've made sure you have everything you need to get the most from your expedition.

Active immersion offered every day

Revel in the sense of adventure with an included activity every day. Whether it's a nature walk through a forest or an expedition boat cruise in a picturesque fjord, there's a range of activities designed to inspire you.

Passionate Expedition Teams

Your cruise will be enriched beyond your expectations by our onboard group of highly skilled global experts. From leading onshore landings to delivering fascinating lectures and sharing spellbinding stories, our Expedition Teams will ignite your sense of wonder.

Immersive Science Programmes

Expand your mind as you collect and study samples from nature in our state-of-the-art Science Centers. Make a difference with Citizen Science projects and learn with our onboard scientists.

Keep your wallet in your pocket

On an expedition cruise, the only surprises you'll get will be encounters with magnificent wildlife or waking up to awe inspiring scenery. There are no extra fees, as all gratuities, taxes and even Wi-Fi are included.

Pro photos that capture memories

Fully re-live your adventure with high quality digital photos shared in a logbook after the cruise. A professional photographer is also on hand to boost your skills with free workshops, personal tips and photoshoots.

The drinks are on us

Beer, wine and soft drinks are provided with every meal, and you can enjoy free tea and coffee at any time. You'll also get a quality, reusable water bottle as part of our sustainability pledge.

Tantalise your taste buds

Enjoy outstanding cuisine as our onboard master chefs prepare delicious dishes featuring meat, seafood and plant-based options inspired by the region you're sailing in. Everything is made with quality ingredients and served in our stylish signature restaurants.

Kick back and relax

Well-equipped fitness suite, heavenly sauna and hot tubs, observation decks boasting panoramic views, a research library – these extensive, premium facilities are designed to make you feel at home while on board.

Equipped for adventure

We supply whatever equipment your destination requires, from snowshoes to paddleboards, so you can travel lighter and be well-prepared to get close to the places you visit. You'll take your free high-quality expedition jacket home with you, ready for your next adventure!

ALASKA

The Call of the Wild

Experience the majesty of nature's epic wilderness, from its stunning scenery and rich culture to its iconic wildlife.

Exploring nature's epic wilderness

Alaska is a destination for true explorers. With immense glaciers, deep fjords and vast stretches of wilderness, its scenery alone never fails to impress visitors. You'll also see remains of the gold rush era in the fishing villages, abandoned towns and bustling harbour towns you visit.

The waters of Alaska are teeming with life. You might see whales, porpoises, dolphins or even large colonies of sea lions. On land, look out for moose and caribou wandering the

forests and brown bears fishing for salmon in the rivers. Birders can look forward to spotting some of the many rare species that call Alaska their home.

A long history

Alaska is also a great place for history buffs. The history of the area is well-documented by its artefacts. And the people who live here are proud of their collective heritage and are more than willing to share it with you.

People have inhabited the Aleutian Islands, other

islands in the Bering Sea and parts of western Alaska since the Second Ice Age. These communities share a common heritage and reliance on the North Pacific Ocean and Bering Sea, but each holds its own unique traditions. Inside Passage Alaska is home to the Tlingit, Haida and Tsimshian people, whose history is reflected in towering totem poles. Alaska has a more concentrated indigenous population than any other state, at more than 14 percent.

Totem pole // Photo: © HURTIGRUTEN

Russian settlers left a legacy of onion-domed churches gleaming with icons. In 1867, Russia agreed to sell Alaska to the United States for \$7.2 million. This amounted to about two cents an acre.

Bear country

Alaska really is bear country and all species of North American bears flourish here: grizzly, brown and black bears. In the north, polar bears roam. The brown bear is common in the coastal areas – in the interior they are called grizzly bears. They are very large and can weigh

from 350 to over 500 kilos. Black bears are abundant – an estimated 100,000 inhabit Alaska.

Alaska is the largest state in the United States in terms of area, but the population is only just over 700,000. If Manhattan had the same population density as Alaska, only 28 people would inhabit the island.

An adventure to remember

It wouldn't be a true adventure if it was completely predictable. Your safety is of utmost

importance to us, so the captain and Expedition Team will continuously assess the weather and ice conditions at sea to see which landings are safe to make.

For example, when visiting Katmai National Park, we'll choose between visiting Kinak Bay, Kunak Bay and Geographic Harbour, perhaps visiting two or even all three if time and weather permits. Whatever places you are able to visit, we can definitely guarantee you the adventure of a lifetime.

Alaska

May - September 2023

Nome

Made famous in 1898 when gold was found in the area, there is still evidence of the gold rush era everywhere, including abandoned dredges and old railroad tracks.

St. Matthews Island

Many pioneers have attempted to settle this island over the centuries but it remains uninhabited, with only seabirds and occasional foxes to wander its black sand beaches.

Dutch Harbor / Unalaska

Explore the area's rich culture and history in the Museum of the Aleutians and the Aleutian World War II National Historic Area, and keep your eyes peeled for wildlife in the sea and in the air.

Anchorage

Alaska's largest city comes packed with restaurants and galleries, and Anchorage Museum provides deep insights into the state history through an amazing collection of artwork and artefacts.

Unga Village

Settled by Aleuts in 1833, this once picturesque town is now an abandoned collection of wooden buildings surrounded by a carpet of pink louseworts and fireweed.

Chignik

Learn about red salmon in this typical small Alaskan fishing village, visit the fish factory and explore the salmon streams in the scenic surroundings.

Explore Alaska to discover its rugged nature, rare wildlife, indigenous culture and rich history.

ALASKA

66°33'N Arctic Circle

Cordova

Alaska's secret gem. Cordova maintains a small town, traditional vibe and it can only be reached by sea or small plane, so only a few people get to witness its spectacular setting.

Icy Bay

Three prominent glaciers feed vast chunks of floating ice into the waters of this bay, where wildlife like humpback whales, orcas, sea lions, seals and otters feed.

Haines

Originally home of the Chilkat Tlingit people before the gold rush, the town is known as 'Valley of the Eagles' and attracts numerous bald eagles, bears and moose.

Wrangell

Step back in time in one of Alaska's oldest and most historic island towns to discover ancient petroglyph carvings and moss-covered totem poles and learn about the local Tlingit people.

CANADA

Misty Fjords

Part of the two million acres of Tongass National Forest, this is a pristine coastal wilderness of evergreen trees, deep fjords, majestic snow-capped peaks and a wide variety of wildlife.

Sitka

Only accessible by sea or air, Sitka has a blend of culture and historical sites from when the area belonged to Russia and even the Tlingit people who lived here over 10,000 years ago.

Kodiak

This bustling fishing port is home to Alutiiq Museum and Baranov Museum which feature artefacts from both the Russians and the Alutiiq natives who lived here more than 7,000 years ago.

Vancouver

Set amidst beautiful mountain scenery, this cosmopolitan city also hosts Victorian buildings in Gastown, the 167-metre-high Vancouver Lookout and great beaches.

USA

ADVENTURES IN ALASKA

From towering mountains and cavernous fjords to vast forestland and miles of coast, the largest state of the US is full of natural wonders that fill all who come here with awe.

Our landings and activities help you connect with the places you'll see. Town tours and visits to UNESCO World Heritage sites will enlighten you on the history and culture of the Alaskan people. For wildlife lovers, birds, whales, and bear safaris and walks in national parks will be the highlight.

Kayaking*

Glide through the water in silence and get close to the majestic nature of Alaska. Paddle ocean passages, iceberg lagoons or the calm waters of Alaska's coastal areas with an experienced guide.

Expedition Boat Cruising

Although your expedition ship is small, there are limits on where it can go due to its size. This is where our small Zodiac boats come in. Enjoy gliding through the water as you take in the stunning views of such places as College Fjord and Katmai National Park.

* Please note that these are optional activities and an additional cost applies.

Landings

Whenever weather and sea conditions allow, we'll attempt landings via small Zodiac boat. Places might include the likes of picturesque Geographic Harbor or Kukak Bay, a place perfect for bear spotting. Once ashore, the Expedition Team will guide you on where to go and what there is to see, and ensure you stay safe at all times.

Photo programme

This included programme is designed for photographers of any ability, giving you tips that will help you better capture the spectacular photo opportunities in Alaska. You may also have a chance to join a more intensive one to two-hour Photo Adventures* session.

Shore excursions*

Optional excursions offer special experiences that bring you a step closer to the places we visit. These range from wildlife safaris, fishing, visits to UNESCO World Heritage sites and national parks.

Town walks

From gold rush towns like Nome and Wrangell to Russia's Alaska capital Sitka, the places you'll visit have a rich history. Haines is historic for being the home of the indigenous Chilkat Tlingit people, while Petersburg is known as 'Little Norway' for its proud Nordic heritage.

Wildlife watching

Alaska's woodlands are home to caribou, moose and over 70% of North America's brown bear population. Many rare birds also tend to be more easily spotted in Alaska. The annual salmon run is eagerly awaited by tourists and locals alike, as well as bears and bald eagles.

Science Center

The microscopes and other high-tech equipment here allow for hands-on demonstrations and workshops, which deepen your understanding of the places you visit. We also invite you to participate in Citizen Science projects, which in turn contribute to important research.

Hiking*

The Expedition Team run guided hikes to viewpoints and sites of interest, like Point Adolphus, an area famous for attracting humpback whales. They'll pick some of the most scenic spots around for you to enjoy.

Lectures and talks

Both on and off the ship, members of our Expedition Team give in-depth lectures on a variety of topics to enhance your expedition experience. The subjects chosen are specific to your destination and will cover the history, culture and wildlife of Alaska.

NORTH AMERICA

East Coast or West Coast Vibes

Colourful coastal cities, charming towns, and jaw-dropping national parks – come and discover the Atlantic or Pacific coasts of North America with us.

Canadian Charm and Authentic Americana

Peggy's Cove village, Nova Scotia // Photo: Getty Images

Sail along the Pacific coast from California's San Diego all the way to Vancouver. A-list cities steeped in history and culture are present, alongside unspoilt forests and animals that put the wild in 'wild west', giving you a picture-perfect American post-card brought to life.

Or cruise the Atlantic coast from Halifax, Nova Scotia, to bustling and historic Boston. You'll visit small towns that give Maine and Massachusetts their soul, and chow down on fantastic food. You'll also discover incredible museums and art galleries, explore UNESCO World Heritage sites and visit historic colonial settlements.

From big-city bustle to small-town charm

As far as contrasts go, the cities and towns along the coasts of North America couldn't be more varied. You'll experience a mixture of modern, cosmopolitan cities, and small towns and communities well off the beaten track. On the west coast, you can enjoy the vibrancy of San Diego and Vancouver as well as the old town charm of places like Santa Barbara and Eureka, California.

Cruising along the eastern seaboard is a wonderful experience. Big cities like Boston, for example, need no introduction. But you'll equally love soaking up the maritime atmosphere in historic seaports like Lunenburg in Nova Scotia. There are also the many charms of Maine in Eastport and the art scene of Provincetown to delve into.

A natural wonderland

Although you'll encounter a range of habitats on any of our North American expedition cruises, they all share one thing in common – stunning natural beauty. Along the coast of northern California, you'll find

the Redwood National and State Parks, home of the tallest, oldest and largest tree species on Earth. Olympic National Park is a place of great biodiversity and you'll explore its sub-alpine region up around Hurricane Ridge.

Known as the 'Crown Jewel of the North Atlantic Coast', Acadia National Park is no less picturesque. Home to over 300 bird species, you'll find towering forests, wildflower meadows, rugged shores, hidden caves, and miles and miles of hiking trails. You can delve into the natural beauty on offer through optional excursions, including hiking, kayaking and small boat excursions.

Wildlife of North America

The route you take will determine what animals you are likely to encounter, but the range of fauna found along both ocean coasts is impressive. Whale watching is the popular draw – and rightly so – but these shores are also a birdwatcher's delight. They're home to hundreds of bird species, from pelicans to bald eagles. You'll scan for animals including deer, mountain goats, moose and black bears along the way.

Sampling food and wine of the coast

Food is a highlight on any good expedition, and these are no exception. Aside from the sumptuous meals you'll enjoy on the ship, you'll be going ashore to experience some of the best dining experiences on the planet. Perhaps you'll sample world class pinot noir in Santa Barbara, or enjoy the fabled lobster, mussels and scallops of Maine, washed down with a local craft beer. Whatever itinerary you pick, you'll have plenty to sate and surprise your palate.

North America

May - September 2023

Olympic National Park

Both an International Biosphere Reserve and World Heritage Site, this park comprises three distinct ecosystems: the Pacific coast, a temperate forest and a sub-alpine forest.

Redwood National Park

Surround yourself with nature's skyscrapers in this International Biosphere Reserve, where some trees are over 1,500 years old and reach more than 100 metres above ground.

North America
Cruises

COASTAL ADVENTURES ON THE PACIFIC AND ATLANTIC

Prepare for adventure, whether you choose to explore North America's Pacific or Atlantic coastlines. Both are home to national parks with diverse habitats and wildlife. Here are several ways you can take in the lush forests and coastal towns of North America.

* Please note that these are optional activities and an additional cost applies.

Kayaking*

One of the great things about kayaking is that if you're really lucky marine life will surface right next to you when you least expect it. It could be a playful dolphin or a curious whale. What's more, the unique oceanic habitat in Maine's Castine Harbor allows bioluminescent phytoplankton to flourish, and if conditions are right, seeing the waters glow from a kayak is a magical experience.

Landings

Each expedition cruise has a range of interesting landing sites and communities to visit. There's history to uncover in the colonial town of Lunenburg, Nova Scotia; art and seafood in Rockland, Maine; and California Riviera lifestyle in Santa Barbara. Highlights will certainly include exploring the west coast's Olympic National Park and Redwood National Park, or Acadia National Park in Maine on the eastern seaboard.

Lectures and talks

You'll be sailing with a knowledgeable Expedition Team who are experts in a variety of fields. They give fascinating lectures on relevant topics that include history, geology, and biology. Informal talks and impromptu guiding may also take place out on deck or ashore.

Science programme

During your expedition cruise you'll have access to the ship's Science Center, with information on the landscapes and ecosystems you'll encounter along the way. You can also get involved in various Citizen Science projects that ask you to document wildlife and to send your observations to worldwide research institutes. Scientists sail with you on every cruise.

Birdwatching

The Pacific and Atlantic coasts are home to hundreds of different bird species and colonies. You may spot Common Murres, petrels, or cormorants, Brown Pelicans, various gull species, and Great Blue Herons. You'll likely see several species of shorebirds feeding at the water's edge. If you're lucky, you'll get to see Bald Eagles – the national bird and iconic symbol of the USA – swooping along the beaches of the west and east coasts or patrolling the skies above wetlands.

Food and wine tasting*

The coastal towns and bigger cities offer a multitude of food and drink experiences. Sailing along the coastline means the seafood we taste is fresh, and the lobster juicy. On the west coast, there are numerous wineries, and none more appealing than the ones that await you in Santa Barbara. The chardonnay, pinot noir, and Rhône varieties offered here have made this Californian region a wine-lovers haven.

Hiking*

Your Expedition Team offers guided hikes to sites of interest and viewpoints, based on different activity levels. Prepare to be dwarfed by the giant trees in Redwood National Park. You'll also have guided or unguided hiking trails to choose from in Acadia National Park, taking you through wildflower meadows and dense forests.

US WEST COAST - HIGHLIGHTS AND NATIONAL PARKS OF THE PACIFIC

NORTHBOUND

Join us as we sail up America's Pacific coast from San Diego to Vancouver via Santa Barbara and explore Redwood and Olympic national parks along the way.

Santa Barbara

Embarking hybrid-powered MS Roald Amundsen in San Diego, we set course for Santa Barbara, which has a distinctly Mediterranean feel to it, from terracotta-tiled architecture to inviting beaches.

Look for whales and seabirds as we sail past the surrounding Channel Islands and all along our way up the Pacific Coast.

Redwood National Park, Eureka, and San Juan Islands

Prepare to be amazed as you enter the old-growth forest of Redwood National Park. These are some of the tallest trees in the world, over 100 metres in some cases, and around 1,500 years old.

You'll also have an opportunity to walk around the seaport city of Eureka which boasts splendid Victorian architecture and do some whale-watching around the spectacular San Juan Islands near Olympic National Park.

Olympic National Park and Vancouver

You'll explore Hurricane Ridge, the sub-alpine region of Olympic National Park, a UNESCO World Heritage Site. Go on a guided hike through the park to spot its rich flora and birdlife.

Your expedition cruise rounds off in the world-class Canadian city of Vancouver.

INCLUDED ACTIVITIES

- Lecture programme
- Science activities
- Art activities
- Photo lectures
- Birdwatching
- Sightseeing by trolley
- National Park visit

Departure: 11 September 2023

FROM HALIFAX TO BOSTON – HISTORY, SEAFOOD AND NATURE RESERVES

Come with us on an expedition cruise where we discover the historic sites, cultural diversity and dramatic natural scenery of New England and North America's eastern seaboard.

Halifax and the Canadian seaboard

Start your expedition by exploring Halifax, the cosmopolitan capital of Nova Scotia. We'll also follow the Light-house Route to the scenic village at Peggy's Cove.

It's then on to the sandbars of Sable Island and its National Park Reserve, famed for wild horses and seals.

Next, you'll visit the former colonial settlement of Lunenburg before sailing to Eastport, Maine. Here, you can stroll the historic downtown district and, if weather conditions are right, you can join a local lobster boat to 'Old Sow', a natural whirlpool believed to be the biggest in the Western Hemisphere.

Seafood, Art and National Parks

When you get to Rockland, you'll get to experience small-town New England charm, and perhaps savour some succulent fresh lobster.

We'll go on to discover 'Down East' culture in Bar Harbor, which is also your gateway to exploring the wonderful scenery and diverse birdlife of Acadia National Park.

In Provincetown, you can walk the National Seashore-protected sand dunes of Cape Cod and tour the local art galleries.

Your cruise then comes to its close in the dynamic, historic and characterful city of Boston.

hurtigruten.co.uk

An aerial photograph of a tropical beach. The top half shows a wide expanse of white sand with several palm trees and other tropical vegetation. A few people are scattered across the beach, some sitting on towels. A small red-roofed structure, possibly a lifeguard stand, is visible. The bottom half of the image shows the turquoise ocean with white waves crashing onto the shore. A dark, rocky outcrop is visible in the lower right corner, partially covered by dense green foliage.

From verdant volcanic
peaks to coral-filled waters,
Mayan temples, and exotic
wildlife – Central America and
the Caribbean have it all!

CENTRAL AMERICA & CARIBBEAN

Paradise found

A tropical beach scene at sunset. In the foreground, a black hammock with fringe hangs between two palm trees. The beach is sandy and features several lounge chairs and tables, some with cushions. In the background, the ocean is visible with gentle waves. The sky is a mix of orange and blue, indicating the time is either sunrise or sunset. The overall atmosphere is peaceful and idyllic.

Where dreamscapes are a reality

It's no coincidence why most people's idea of paradise is based on the tropical land and seascapes of Central America and the Caribbean. Closed canopy forests, towering volcanoes, azure skies, and turquoise blue waters teeming with colourful marine life are just some of the stunning sights that await you.

We'll take you to authentic Central American coastal communities – from vibrant, cosmopolitan cities to isolated villages nestled in a gorgeous pocket of rainforest. You'll visit sleepy fishing towns with dark sandy beaches, ancient Mayan ruins and national parks home to some of the most exotic wildlife on the planet.

Mayan magic

Your expedition to Central America will take you into Maya territory. You'll have the opportunity to learn about their history in informative lectures from our Expedition Team and on optional excursions to ancient ruins. Whether you're taking in stunning views atop a carefully restored Mayan temple in Belize or exploring a village preserved in volcanic ash in El Salvador, you will leave with a deeper knowledge of this fascinating civilisation.

Spectacular scenery

You might recognise the dramatic sights and sounds of Central America's jungles from films and wildlife documentaries, but nothing can prepare you for experiencing the extraordinary sounds and sights for yourself. And that's without even mentioning the pristine beaches, lagoons, atolls, reefs, and palm-tree islands the Caribbean is so famous for.

Genus: Exotic

The dense forests of Costa Rica alone, commingled with trees and vegetation harbour are about

5% of the world's biodiversity. The Caribbean and Central America are a haven for a range of animals, including iguanas, dolphins, whales, sloths, monkeys, turtles, manta rays, and toucans. Hiking up a volcano, trekking through a forest, or simply strolling through a botanical garden, you'll see why this special part of the world is a dream for animal lovers, birdwatchers, and photographers alike.

Giving back to the communities

The region is a mix of native customs, immigrant traditions, and Spanish and English colonial influences. Our commitment to sustainable travel also includes forming meaningful relationships with local communities. One of our included activities in Granada, Nicaragua, is a local school visit where we plan to drop off donated school supplies.

Adventures on land and sea

Enjoy a range of optional excursions as well as pre or post-cruise adventures to make the most of your expedition here. Take a romantic catamaran tour to the many bays of Huatulco, Mexico. See spectacular coral and colourful fish while snorkelling in Belize's famed barrier reef. Scan for Basilisk lizards and crocodiles from a riverboat in Puntarenas, Costa Rica before your cruise.

Culinary charms

As you would expect, the food in this area is as delicious as it is diverse. Sample a pupusa, the national dish of El Salvador – a corn tortilla filled with either cheese, pork or beans. Join an optional excursion to a communal kitchen in Piedra de Moros, Mexico to see how authentic tortillas and tamales are made. We also have to make mention of two of Central America's greatest exports – coffee and chocolate.

📍 Central America and Caribbean

April – October 2023

Cabo San Lucas

In addition to the stunning beaches, azure waters and spectacular jagged granite rocks in the shape of arches, you can also enjoy marine wildlife and local Baja Californian cuisine.

Puerto Vallarta

One of Mexico's premier coastal destinations, with highlights like The Church of Our Lady of Guadalupe, Mercado Municipal Río Cuale and the seafront boardwalk El Malecón.

North
Pacific
Ocean

MEXICO

USA

Belize City

Full of colourful colonial architecture, Old Belize also has a moving museum – a train that takes you through Belize's history and natural beauty.

Huatulco

A dream for nature lovers and photographers, the area is home to nine scenic bays, 36 pristine beaches, sheltered coves, beach resorts, and a national park.

Acajutla

Once a Mayan village, you can enjoy the comfortable atmosphere here, stroll the dark sand beaches and sample typical Salvadoran dishes and famous regional coffee.

Lighthouse Reef

Considered one of the best marine sites in the whole Caribbean, a thrilling variety of sea life, lush cays and opportunities to participate in water activities await you.

JAMAICA

Caribbean
Sea

Portsmouth

If you're looking for a mountain paradise by the sea, Dominica is the place - there are more mountains, volcanoes, and jungles here than anywhere else in the Lesser Antilles.

DOMINICA

Corn Island

One of the Caribbean's best-kept secrets, the incredible beaches, friendly locals and sleepy restaurants are completed by pristinely beautiful coral reefs surrounding the island.

HONDURAS

NICARAGUA

COSTA RICA

PANAMA

COLOMBIA

San Blas Islands

For nature lovers and sun-worshippers alike, the San Blas islands offer the best of both worlds. Fervently protected by the indigenous Guna people, they're the epitome of untouched nature and culture.

Bocas del Toro

This National Marine Park is an archipelago of clear blue waters, breathtaking beaches and uninhabited islets, with red frogs, three-toed sloths and exquisite birdlife.

A woman is lying in a green mesh hammock, suspended between two trees. She is wearing sunglasses and a dark top. The background shows a tropical beach with turquoise water, a sandy shore, and a clear blue sky. The hammock is strung between two large trees with green foliage.

SUN-SOAKED ACTIVITIES IN CENTRAL AMERICA AND THE CARIBBEAN

The region of Central America and the Caribbean is an outdoor adventure playground ripe for exploration, catering to nature enthusiasts, thrill seekers, and beach lovers alike. Pick from various included and optional activities to help immerse you in this tropical paradise.

* Please note that these are optional activities and an additional cost applies.

Nature landings

Embark on small expedition boats to make landings at sites set in the gorgeous scenery which are hard to reach and off the beaten track, adding to your sense of discovery when you do. Look forward to exploring smaller, less-visited islands of the Caribbean and meeting the local communities that call them home.

Lectures

Your expert Expedition Team will be delivering lectures on a range of fascinating topics, such as geology, marine biology, history, photography, ornithology, and many others. This will primarily be in the ship's onboard Science Center, but more informal guiding may happen on deck or even ashore during a landing.

Bird watching

Central America and the Caribbean is a birdwatcher's mecca. From mountain ranges and rainforests to coastal areas, you can spot hundreds of bird species in pristine, natural surroundings. Scan for frigate birds and boobies from deck, pelicans along the coast, and beautiful parrots and hummingbirds in the jungle.

Stand-up paddleboarding*

The warm and clear waters of the Caribbean Sea are perfect for stand-up paddleboarding. It will give you a unique view of what's under the water and out on the horizon. With only a little instruction, you'll be able to stand on the board, paddling away, looking at the colourful forms of exotic fish darting in and out of coral reefs beneath you.

Hiking*

Picture yourself standing on a hill overlooking the town of San Juan del Sur, Nicaragua. It's taken you an hour to walk to the colossal statue of Jesus on top, but you're rewarded with panoramic views over the town and beach. Or imagine exploring a vast rainforest in Costa Rica hearing the chirps of exotic birdlife, with a towering volcano dominating the skyline.

Snorkelling*

The Caribbean and Central America offer great possibilities for snorkelling. Beneath the water is a colourful world full of marine life, spectacular coral reef landscapes, and even the occasional submerged shipwreck.

Kayaking*

Calm bays, lagoons, beaches and rugged coastlines are some of the picture-perfect settings for kayaking. It's also a great way to discover remote places that can't be reached otherwise. You also never know what sea life you'll see — or sometimes even surface right next to you!

Yoga and meditation programme

Our ships offer you the opportunity to participate in yoga and meditation classes, refreshing you in body, mind, and soul. They may be held out on deck, to take advantage of the Caribbean sunshine and balmy sea breeze.

Shore excursions*

Tour volcanos by coach or scenic bays by catamaran. Sample the local culture through cultural performances or cooking classes. Visit ruins and learn about Mayan history. Whatever you choose to do, it'll add special memories to your expedition.

ARENAL VOLCANO WITH COASTAL HIGHLIGHTS OF CENTRAL AMERICA

NORTHBOUND

Discover the magnificent Arenal Volcano conservation area by exploring a rainforest, a natural park and wildlife sanctuary, before moving on to coastal highlights of Central America.

La Paz Waterfall Gardens and Arenal Volcano

Your adventure begins in San José and first goes to La Paz Waterfall Gardens. The nature park and animal sanctuary here offers beautiful scenery, orchid and butterfly gardens, and a range of exotic wildlife.

Continue to the region around Arenal Volcano to paddle the Peñas Blancas River which runs through the lush rainforest. You'll also enjoy thrilling views as you take a walk among the tree-tops along a set of canopy-level hanging bridges.

End your visit in Fortuna Village by bathing in volcanic natural hot springs, then leave for Puntarenas and the start of your cruise.

Coastal cities and local communities

Enjoy slow-paced days as we take you to rarely visited cities in Costa Rica, Nicaragua, El Salvador and Mexico on the way to San Diego.

You'll have a perfect combination of beach life, local community visits, culture and wildlife, while indulging yourself in yoga sessions, spa treatments and delicious food on board hybrid-powered MS Roald Amundsen.

EXPLORE THE NATURE AND CULTURE OF CENTRAL AMERICA'S PACIFIC COAST

NORTHBOUND

Discover nature, culture, beaches and cities along Central America's Pacific coastline, cruising from Costa Rica to Nicaragua to El Salvador to Mexico.

Beautiful beaches and incredible biodiversity

Central America's coastline is blessed with miles and miles of unspoilt beaches, bays and coves. The pristine waters and protected ecosystems provide a safe habitat for thousands of animals, birds and marine life.

In Puntarenas, you'll join an exciting Tárcoles River to the Guacalillo Mangrove Estuary. There are then optional excursions to see volcanos in lush, wildlife-rich national parks in San Juan del Sur and Acajutla. Or take a catamaran tour of Huatulco's scenic bays and perhaps admire orchids, palms and cacti at Puerto Vallarta's botanical gardens. Cabo San Lucas is a favourite hideaway for celebrities and boasts some of the best beaches around.

Vibrant cities and culinary delights

You'll start in Costa Rica's capital San José before going on to San Juan del

Sur to tour the colonial City Granada. Puerto Corinto is next, where you get to visit the former Nicaraguan capital of León. In Acajutla, there may also be optional excursions to the Salvadorian cities of Sonsonate or Nahuizalco and Ataco. Same for Tapachula – a culturally diverse city near Puerto Chiapas where Chinese and Mexican cuisine thrives side by side.

Along your journey, you might get to try a range of local delicacies, from tamales to tejuino. Go for a Churchill sundae in Puntarenas or try Baja California cuisine in San Diego.

There may also be optional excursions to a community kitchen in Huatulco and a cooking class in Puerto Vallarta. Or how about a visit to the temptingly-named Chocolate City close to Puerto Chiapas?

FROM PANAMA TO BARBADOS – EXPEDITION CRUISE TO THE SOUTHERN CARIBBEAN

Visit tropical rainforests, sublime beaches, and indigenous communities on an expedition cruise from the coasts of Panama and Colombia to the islands of the southern Caribbean.

Set sail to Barbados via Panama and Columbia

Setting off from Colón, you'll sail eastwards along the Caribbean coast via some of Panama and Columbia's scenic gems. Discover the San Blas archipelago, a labyrinth of tiny islands with sandy beaches, palm trees and spectacular coral reefs. In Santa Marta, you'll explore one of South America's oldest towns, located at the foot of the Sierra Nevada. Colombia's Guajira Peninsula offers something completely different, with a slice of desert landscape amidst the tropical paradise coast.

Island hopping in the Caribbean

We'll land at five different islands, from Bonaire to Barbados, including Dominica, St. Lucia and Grenada.

You'll experience all that the Caribbean is famous for, such as spectacular beaches, jungle-covered volcanoes, distinctive cultural mixes and European-legacy colonial towns.

We don't do traditional cruises where onboard entertainment is the order of the day. Your expedition comes with a host of activities that will help you learn more about the unique cultures and dazzling biodiversity of the Caribbean. You'll enjoy in-depth lectures from our Expedition Team, take part in citizen science programmes, go on nature walks, and choose optional excursions to enrich your adventure.

11 days MS Roald Amundsen

Departure: 23 September 2023

TROPICAL WATERS AND REMOTE ISLAND COMMUNITIES IN THE CARIBBEAN

Join us on an unforgettable tropical cruise, carried out in our unique expedition-style from Miami to the stunning islands of the Caribbean and Central America.

Miami magnificence and Mayan majesty

Your voyage begins with two days in the city of neon, Miami, with one night in a hotel right on Miami Beach. Spend time exploring Downtown Miami and Little Havana. You'll also join a guided walking tour through the Art Deco District over in South Beach.

After embarking the ship, we'll head to Belize, home to several historic locations of the ancient Maya empire. Just outside of Belize City is Altun Ha, one of the best-restored Mayan ruins, giving you to get a true sense of the ancient civilisation.

A sea of flora and fauna

We land at Half-Moon Caye island in the Lighthouse Reef,

home to the Blue Hole natural monument. UNESCO's Seaflower Biosphere Reserve in the waters around Isla Providencia has inspired a nickname: the Sea of Seven Colours. In Bocas del Toro, you may have a few optional excursions to spot the exotic wildlife in this National Marine Park.

Island communities

One of the perks of an expedition with us is the opportunity to learn about the island communities we'll be visiting. Through lectures from our expedition team, you'll learn about their history and society. The warm welcome you'll receive on Big Corn Island will stay with you, and that's even before sampling the local food.

INCLUDED ACTIVITIES

- Lecture programme
- Nature landings
- Shorter hikes/walks
- Science activities
- Art activities
- Photo lectures
- Birdwatching
- Yoga and meditation sessions
- Visit to Mayan ruins
- Cultural show

Activities are subject to change.

SOUTH AMERICA

Wonders of the world

Journey the Pacific coastline,
unravelling the mysteries
of ancient civilisations and
discovering exotic wildlife
found nowhere else.

Ancient history, colourful culture, exotic wildlife

Few places on Earth provide the rich diversity of South America. Visit the archaeological treasures of great ancient civilisations – most notably the Inca. Discover incredible biodiversity in the rainforests, mangroves and coastal plains. Relax on idyllic beaches and experience the fascinating melting pot of cultures that influence its vibrant towns and cities.

Choose from a wide range of itineraries that take you to destinations in Chile, Costa Rica, Ecuador, Panama and Peru. Several expedition cruises also allow you to pick one of these iconic highlights – the ‘Lost City’ of Machu Picchu, the unique wildlife of the Galápagos Islands, the cultures of Lake Titicaca, or that marvel of modern engineering, the Panama Canal.

Lost empires

Long before Latin colonial powers, great Pre-Columbian indigenous civilisations such as the Moche, Chimú, Quechua, and the most famous of all, the Incas ruled the region. There are ancient ruins of city complexes, sun-worshipping pyramid temples, and imposing fortresses to discover. The area around Pisco near Nazca is famous for mysterious geoglyphs while few sites are as iconic or as impressive as Machu Picchu high above the Sacred Valley.

Age of Discovery

Spanish conquistadors arrived on the continent in the late 1400s and 1500s, bringing colonial influences which inspired the architecture that continues to charm so many today. You’ll see some of the best examples of the neo-colonial style in UNESCO-listed Valparaíso, La Serena, the ‘City of Churches’ in Chile, and the World Heritage historic centre in Lima, Peru.

A cultural kaleidoscope

South America enjoys a fascinating melting pot of cultures. See authentic Panama hats still being handwoven in Ecuador. Visit the Afro-Colombian community at Bahía Solano, meet indigenous Embera in the jungle of Darien National Park, or go aboard the floating reed islands of the unique Uru people in Lake Titicaca.

Andean scenery

Depending on your itinerary, you’ll explore the Pacific coastal plains, mangroves and tropical forests of the northern Latin American countries or head down to the glacial landscapes of Torres del Paine National Park and the Chilean fjords of Patagonia. Visit nature reserves like Manuel Antonio National Park in Costa Rica, or rich archipelagos like the Ballestas Islands in Peru, Isla de la Plata in Ecuador, and the famed Galápagos Islands.

El Dorado of biodiversity

South America is the world’s most biodiverse region with an unparalleled number of plant and animal species, many native to South America. The Galápagos Islands alone are a treasure trove of rare and endemic wildlife. Spot the Andean condor, blue-footed boobies, green turtles, iguanas, giant tortoises, guanacos, squirrel monkeys, sloths, and many more.

A union of flavours

Lima sits at the gastronomic heart of South America’s culinary renaissance, serving up a feast of street food and fine dining. For lovers of fresh fish, ceviche and tiradito are a must. Enjoy Chinese-Peruvian style cooking, Chifa, and try picarones, an African-fusion dessert made from pumpkin dough and sugar cane. Then finish with a Pisco sour, made from the local brandy.

South America

April 2023 – March 2024

The Galápagos Islands

Situated on the equator in the Pacific Ocean, these isolated islands teem with rare animals such as marine iguanas, giant tortoises, red-footed boobies, and many more. Most famously, the various finches found here inspired Charles Darwin, leading to his theory of evolution by means of natural selection.

You can discover the Galápagos Islands on some of our expedition cruises, or with an added pre/post experience.

Equator

GALÁPAGOS ISLANDS

Isla de la Plata

Nicknamed 'Ecuador's other Galápagos', Isla de la Plata is a part of Parque Nacional Machalilla and hosts a wide range of wildlife.

Manta

Enjoy lovely beaches and great local seafood before going to the town of Montecristi where Panamanian straw hats originated and are still handmade today.

Lima

Called the 'City of Kings', the Peruvian capital is famed for its reminders of Inca civilisation, a World Heritage historic centre of colonial-era architecture and internationally recognised cuisine.

Nazca Lines

From Paracas, join an optional excursion to Pisco Valley to see the mysterious and UNESCO-listed Nazca Lines - huge geoglyphs etched into the desert in the shape of animals or plants.

Valparaíso

This colourful and unusual UNESCO-listed city is built on steep hillsides and exists as a maze of monuments, churches, historical funicular lifts and colonial architecture.

Pacific Ocean

Scan the QR code to browse all South America cruises

Panama Canal

A marvel of modern engineering and a testament of human ingenuity, this artificial 82 km (51 mile) waterway connects the Atlantic Ocean with the Pacific Ocean.

Machu Picchu

Believed to have been built as a citadel for Inca Emperor Pachacuti around 1450, Machu Picchu was mysteriously abandoned after the Spanish conquest with no written records left behind. Thick vines and trees kept 'the Lost City' hidden for centuries until it took its rightful place as one of the New Seven Wonders of the World.

You can discover Machu Picchu on some of our expedition cruises, or with an added pre/post experience.

Lake Titicaca

According to ancient Andean belief, Lake Titicaca is the birthplace of the sun and the Incas. Both the largest lake in South America and the highest navigable body of water in the world, this is the home of the Uru people who live on floating islands handwoven from reeds.

You can explore Lake Titicaca and its surrounding areas in some of our expedition cruises, or with an added pre/post experience.

1 departure:
October 2023

MS Fram
2 departures:
April – September 2023

UNFORGETTABLE EXPERIENCES IN SOUTH AMERICA

Our goal is to provide you with a thrilling exploration of South America, whether that's hiking through rainforests, kayaking on Lake Titicaca, or meeting Kawéskar villagers in Chile. With our wide range of landings, included activities, and optional excursions, you'll really get to know the variety this incredible continent offers.

Landings

Go ashore to discover charming cities like Lima, Peru, resort towns like Iquique, and remote villages like Puerto Edén. Landings bring you to look for wildlife, such as on Isla de la Plata, or the days spent in the Galápagos archipelago where you'll land on several different islands.

* Please note that these are optional activities and an additional cost applies.

Community visits

Hang out with Afro Colombians in Bahía Solano, ascend the Teleférico in the bustling Ecuadorian city of Quito, or see original Panama hats handwoven in the handicraft town of Montecristi. Head into Darien National Park to an indigenous Embera settlement in the jungle or meet the Uru people atop their floating islands made from reeds on Lake Titicaca.

Our expedition boats are used for landings where the ship is unable to dock, and also for taking a scenic tour of the area. These small tender boats are crucial in attempting a landing on the legendary Cape Horn or for exploring the Chilean fjords and glaciers more closely.

Escorted by experienced local guides or Expedition Team members, you can get close to nature on scenic hiking trails through Manuel Antonio National Park in Costa Rica or among spectacular fjords in Puerto Williams.

Admire the scenery from the water among the mangroves of Golfito Bay in Costa Rica, or on a guided tour of Lake Titicaca, where you may spot some of the 14 native fish species and 18 types of amphibian that live there.

The region is home to over 2,500 native bird species that include brightly-coloured tropical birds, birds of prey, and seabirds. Spot for Darwin's finches on Santa Cruz Island in the Galápagos, the El Oro parakeet in Buenaventura nature reserve in Ecuador, or Humboldt penguins on Ballestas Island, Peru.

On selected expedition cruises in South America, you'll be able to connect with nature and get your energy flowing with our onboard yoga and meditation classes, run by a professional instructor. When weather allows for it, this will take place out on deck.

During your expedition, you'll have access to the ship's Science Center, with its extensive library and scientific equipment. Our Citizen Science projects let you explore the natural world while also contributing data to international research studies.

Among the many optional excursions on offer, you can tour the ancient temples of Chan Chan, admire Mochican ceremonial pyramids, explore Torres del Paine National Park from Puerto Natales, or visit a banana plantation or petrified forest in Puerto Bolívar.

The Expedition Teams conduct daily lectures and workshops on many relevant topics. Learn about indigenous Pre-Columbian civilisations, the history of the conquistadors and South America's diverse ecosystems and wildlife.

GALÁPAGOS

Nature's Greatest Showcase

Witness the 'crucible of evolution' as we explore Galápagos aboard our refurbished expedition ship with a team of hand-picked expert guides.

The inspiration behind a classic

Sometimes called a 'living laboratory', the remote Galápagos Islands are a unique example of pristine nature, giving us an insight into the very processes of life on Earth. It was here that naturalist Charles Darwin set foot in 1835, and the experience led him to write his ground-breaking book about evolution, *On the Origin of Species*.

Our journey to these astonishing volcanic islands follows in Darwin's footsteps, bringing you closer to the animals and sights that inspired him. In particular, we'll be looking out for the most of the so-called 'Big 15' – the 15 most iconic animal and bird species of the Galápagos, including giant

tortoises, marine iguanas, Galápagos Albatross, Blue-footed Boobies, and others.

Unique wildlife and ecology

From the famous giant tortoises, which lumber around the greener parts of the islands, to the scaly marine iguanas that have evolved to graze on underwater vegetation, you'll see why Galápagos is such a special destination for nature lovers. Due to the uniqueness of each island, a huge range of terrestrial and aquatic wildlife flourishes in this haven of biodiversity.

What's more, having evolved with no major predators, much of the wildlife is impervious to the presence

of people and remains remarkably tame. Of course, we'll maintain a respectable distance, but you'll be able to get close to the animals, whether they be Galápagos sea lions, Blue-footed Boobies, land iguanas, Frigate Birds or other members of the 'Big 15' iconic species.

A crucible of evolution

Hidden away in the vastness of the Pacific, the Galápagos archipelago formed millions of years ago when subsea eruptions pushed up a group of volcanic islands. Due to their remoteness, they were at first arid and barren, but were soon colonised by rain-forest animals from Central and South America floating across on rafts of vegetation.

Galápagos turtle // Photo: Getty images

Only the birds and reptiles could survive such a long voyage, and so the Galápagos became seeded by new arrivals, free from mammalian predators. Each species was compelled to adapt to the often very different island environments, making natural selection apparent to Darwin when he arrived. You'll learn all about this and more as your knowledgeable onboard Expedition Team inform and educate you by way of onboard lectures and guided nature walks.

Your Hurtigruten expedition cruise: educational, informal, and enjoyable

At Hurtigruten Expeditions we want to show you some of the most remote

and beautiful places in the world and do it in a way that gives back. You'll learn all about the unique and fragile ecology of the Galápagos Islands and why its protection is important. What's more, with a focus on science and conservation, you'll learn heaps of interesting things from the knowledgeable Expedition Team, who've been exploring the islands for years.

Along the way you'll visit a variety of islands and ecosystems, from the white sandy beaches and black volcanic rocks of Santa Fe to the lush highlands of Santa Cruz where wild giant tortoises thrive. At the same time, you'll enjoy outstanding cuisine and

hospitality aboard our modern, comfortable and small expedition ship.

📍 Islands of the Galápagos

January 2023 – March 2024

Fernandina Island

One of the youngest of the isles, Fernandina is rocky, arid and covered in cacti. It's one of the few places you can see the Flightless Cormorant and Galápagos Penguin.

Santiago Island

One of the bigger islands, Santiago was once a haven for pirates but today it's better known for its Galápagos fur seals, land iguanas and sea lions.

Isabela Island

The largest of the islands is also one of the most volcanically active and is comprised of six shield volcanoes. Isabela is rich in birdlife and is also home to Galápagos giant tortoises.

THE EXPEDITION CRUISE FLEET

MS Santa Cruz II
129 departures:
January 2023 – March 2024

Floreana Island

This small island was once visited by Charles Darwin, and its wildlife highlights include a very photogenic flamingo lagoon. While here, why not post a letter home from quirky Post Office Bay.

Quito

Ecuador's capital features beautiful UNESCO-protected architecture and has an eternal spring-like climate.

Genovesa Island

Small and far-flung, little-visited Genovesa Island is a haven for birdlife – so much so that it's sometimes called 'bird island'. Look out for the rare Red-footed Booby here.

North Seymour Island

Home to silver-grey palo santo trees, numerous bird colonies and thousands of land iguanas.

Baltra Island aka South Seymour Island

A section of ocean floor blasted to the surface has made this flat island an ideal base from which to start exploration.

South Plaza Island

A stunning array of flora for such a small island, as well as a rare land/water hybrid iguana.

Santa Fe Island

White sand beaches, sea lion colonies lazing in the sun and the perfect island for a spot of snorkelling.

Santa Cruz Island

Home to the Charles Darwin Research Station, an optunia cactus forest, and the cool highlands where giant tortoises thrive.

Española Island

A wildlife haven with Blue-footed Boobies, Nazca Boobies and Galápagos Albatross, as well as marine iguanas and a famous blowhole.

San Cristóbal Island

Visit the Cerro Colorado Tortoise Reserve and see these gentle giants lumbering around in their six-hectare protected forest.

Journey in Darwin's footsteps and discover the incredible beauty and biodiversity of the Galápagos Islands

Scan the QR code to browse all Galapagos cruises

ADVENTURES AROUND THE GALÁPAGOS ISLANDS

Explore the vast archipelago of diverse volcanic islands as we take you on a guided voyage around one of the planet's most beautiful and bio-diverse destinations. From rocky and arid islands dominated by cacti and iguanas, to the lush tropical highlands of Santa Cruz where giant tortoises amble, you'll experience a range of habitats and climatic conditions.

Our onboard Expedition Team are friendly Galápagos experts with many years of experience in these islands. They'll join you on shore landings and nature walks, sharing their knowledge of natural history and explaining conservation efforts. With most wildlife unafraid of humans, you'll be getting far closer to much of it than you might be used to. Of course, we'll always maintain a respectable distance to avoid inadvertently disturbing the animals.

* Please note that these are optional activities and an additional cost applies.

Kayaking and SUP boarding

Some places are ideally suited to exploration aboard a kayak. We have a number of sea kayaks onboard for such a purpose, and they're perfect for paddling the waters around Santa Fe, Española and Santa Cruz. Alternatively, why not try out SUP boarding – our expedition ship also carries a number of boards for your enjoyment.

Nature walks

Exploring the various islands on foot turns an experience into an adventure. You'll be heading ashore a lot and walking on trails that lead through a range of distinct ecosystems. Depending on the itinerary, you could be walking amidst the silvery Palo Santo trees with their delicate incense scent on North Seymour, watching giant tortoises lumber through the undergrowth on Santa Cruz, or walking to the sea lion colony on Santa Fe.

Landings with expedition boats

Our small expedition boats allow you to land on beaches and terrain that would otherwise be too rugged for larger vessels to get close to. They're great for wildlife watching, so we'll be on the lookout for marine creatures as we head to and from the ship. Try the glass-bottomed boat and observe marine life and reefs from above - it's like snorkelling without getting in the water!

Snorkelling

What could be better than drifting over a colourful reef and seeing the amazing marine life illuminated in the crystal-clear water? We have all the snorkelling gear you'll need and our expert Expedition Team will bring you to some pretty amazing places where you might see placid turtles, colourful fish, diving marine iguanas and curious sea lions performing underwater acrobatics. If you want to wear a wetsuit, we have some available for hire.

Lectures and talks

Your Expedition Team are the most recent link in a chain of experts with many years of experience exploring the Galápagos Islands. They'll give in-depth lectures on a variety of topics to enhance your learning. The subjects chosen are specific to where you are on your cruise and will teach you about the Galápagos Islands, their wildlife, and current conservation efforts.

Conservation and research centres

The Galápagos Islands are the focus for global conservation and research efforts. We'll visit the Charles Darwin Research Station, where over 200 scientists and volunteers are engaged in projects to boost biodiversity. You'll see baby tortoises being reared in incubation pens, as well as other inspiring conservation success stories. Another project, on San Cristobal, is set in a forest that doubles as a tortoise reserve - here you'll see these gentle giants in their natural habitat.

Wildlife watching

Your expedition cruise in the Galápagos Islands will be - let's face it - one continuous wildlife watching experience. Because animals here evolved without many predators they have no fear of humans, meaning you can get closer to photograph them lazing around on the beaches and volcanic rocks - or in the case of giant tortoises, ambling peacefully along. But we'll also be on the lookout for faster-moving things, such as dolphins, reef sharks and Galápagos hawks.

13 days MS Santa Cruz II

32 departures: 1 January 2023 to 10 March 2024

FROM MACHU PICCHU TO THE GALÁPAGOS ISLANDS

Join us on an expedition including the historic sanctuary of Macchu Picchu and the natural wonders of the Galápagos Islands.

Peruvian historical gems

Peru's natural and cultural treasures need no introduction. Lima's historic centre is packed with the immaculately preserved architecture you'd expect from a UNESCO World Heritage Site. You'll go back in time in Cusco as you wander its cobbled streets and take in Inca engineering and Spanish-era architecture. Travelling up the Sacred Valley, you'll discover the enigmatic Inca citadel Machu Picchu before heading to Ecuador to visit an active volcano.

In Darwin's footsteps

Charles Darwin's visit to the Galápagos Islands aboard H.M.S. Beagle led to his seminal work *On the Origin of Species*. On your expedition cruise, you'll follow in Darwin's footsteps, learn about his discoveries and make a few of your own.

Your Galápagos expedition features handpicked landings where you'll see wildlife in a wide variety of island ecosystems. See sea lions basking in the sun on Mosquera Islet and giant tortoises on San Cristóbal

and Santa Cruz. Gaze at the famous land iguanas of Santa Fé and South Plaza and discover the colourful bird colonies of Española, Edén Islet, and North Seymour.

Your expedition ship – MS Santa Cruz II

MS Santa Cruz II's crafted itineraries give you some of the best island coverage and wildlife viewing opportunities in the Galápagos. Many excursions take place at exclusive visitor sites, meaning we'll often have entire areas to ourselves. Having multiple naturalist guides aboard Santa Cruz II also means you'll be able to choose from a wider range of activities each day.

Your ship is also one of the few vessels operating in Galápagos that comes equipped with a full range of exploration tools, including dinghies, kayaks, snorkelling gear and paddleboards. There's even a glass-bottom boat.

SOUTH AMERICA EXPEDITION CRUISE - MACHU PICCHU & GALÁPAGOS

Join us on a journey of historical and ecological discovery as we explore some of South America's iconic treasures before setting out in Charles Darwin's footsteps to witness the incomparable Galápagos Islands.

South American Adventure

The first part of the adventure takes place on land as we visit Lima and the capital of the Inca empire at Cusco, Peru, before travelling up the Sacred Valley to the enigmatic lost city at Machu Picchu. In Ecuador you'll get to explore Quito and visit Cotopaxi Volcano before we fly out to the next stage of our adventure.

Darwin's islands of evolution

The Galápagos Islands are famed for their association with the evolutionary theorist Charles Darwin. Our comprehensive itinerary calls at the centrally-located Santa Cruz Island, the volcanic island of Fernandina, Isabela and Floreana - two of the four islands visited by Darwin - and balmy Baltra, before continuing to Santiago, the adjacent islands of Rábida and Bartolomé, and isolated Genovesa. The landings take in a wide variety of ecosystems and picturesque landscapes, and provide great opportunities for seeing

wildlife such as sea lions, turtles, marine iguanas, giant tortoises, flamingos and iconic Darwin's Finches.

4 Darwin Suite - Santa Cruz II

Elegant Suites & Comfortable Cabins

Our ships offer superbly designed accommodations creating the perfect setting to relax after a great day of exploring.

MS Santa Cruz II

1 Voyager Single Cabins

With comfortable spaces and large windows to illuminate the interior, these cabins have a single bed and a bathroom with shower/WC.

2 Explorer Cabins

The Explorer cabins are bright and comfortable with large windows and the perfect place to relax after a day exploring. These cabins have twin beds and a bathroom with shower/WC.

3 Explorer Family Cabins

A few Explorer cabins can be configured for families. These cabins have a large window, twin beds and a sofa bed (ideal for children under 12). They have a bathroom with shower/WC.

4 Darwin Suites

Our Darwin Suites features double windows, superb comfort and deluxe amenities. Available in a twin or double and if more space is needed, they can be interconnected with an Explorer cabin. They have a bathroom with shower/WC.

Please note that the standard of suites and cabins varies and some cabins have individual specifications. To learn more, please visit Hurtigruten.co.uk/our-ships

MS Roald Amundsen, MS Fridtjof Nansen & MS Fram

1 Polar Inside

Our cosy Polar Inside cabins can be found on MS Fram. All cabins include bathrooms with shower/WC. Most of the cabins have separate beds where one doubles as a sofa, while some are equipped with a double bed or upper and lower berths.

2 Polar Outside

Our Polar Outside cabins are situated mostly on middle or lower decks, and all have bathrooms with shower/WC. Some have double beds, others offer separate beds (where one is a sofa bed) or upper and lower berths.

3 Arctic Superior

Relaxation and comfort are the hallmarks of our Arctic Superior cabins. Situated on both upper and middle decks, they all have bathrooms with shower and WC. They are also equipped with tea and coffee making facilities. Most of them have separate beds, where one doubles as a sofa and some have double beds.

4 Expedition Suites

The most exquisite cabins on the ship, Expedition Suites feature luxurious amenities such as private balconies, and some feature private hot tubs, as well as large windows (often floor to ceiling) that afford spectacular views. Most of our suites feature double beds, and feature bathrooms with shower and WC.

Please note that the selection of extras above may vary between cabin categories and between ships. Subject to change.

MS Roald Amundsen

The world's first ever hybrid-powered expedition ship is a masterpiece of design. Public areas and cabins are comfortable and stylish, making generous use of natural materials such as granite, oak, birch, and wool. All cabins have outside views, half with private balconies, and aft suites even boast private outdoor hot tubs. It is also the first ship in our fleet to have both indoor and outdoor gyms, a 150-metre outdoor running track, outdoor infinity pool and a dedicated Wellness Center. Enjoy delicious food from three restaurants concepts, relax in the Explorer lounge & bar, and learn through lectures in the Science Center, the heart and hub of the ship.

MS Fridtjof Nansen

Welcome aboard our newest built expedition ship and your hybrid-powered home at sea with a high-spec Science Center. There's an indoor and outdoor gym and a 150-metre outdoor running track to keep active while an outdoor infinity pool with hot tubs, a scenic sauna, and the Wellness Center take care of the relaxation side of things. Dine in one of three onboard restaurants which serve a wide variety of dishes. All areas of the ship have a fresh Scandinavian contemporary design, homely and modern. Each cabin has a window to an outside view. Half feature private balconies while the aft suites go further and sport private outdoor hot tubs to soak in.

The most sustainable cruise ship in the world

Awarded by Stern, battery-hybrid powered MS Fridtjof Nansen has been named the safest and most sustainable cruise ship in the world in 2021.

MS Fram

MS Fram is a favourite in our fleet and has undergone some exciting refurbishments in 2022. As a small and manoeuvrable vessel, it offers a small ship expedition experience, taking you where larger ships can't reach, and opening up a greater range of potential landing sites. It's spacious outside decks allow you to get closer to nature and wildlife while the Science Center is at the heart of the ship. Stay in shape in the gym, enjoy the relaxed atmosphere in the Explorer lounge & bar, and treat yourself in the restaurants, sauna, and hot tubs.

TERMS AND CONDITIONS

1. YOUR CONTRACT

These Booking Terms and Conditions together with our privacy policy, the information contained in your brochure and any other written information that we brought to your attention before we confirmed your booking, form the basis of your contract with Hurtigruten Ltd whose registered office is at Bedford House, 69-79 Fulham High Street, London, SW6 3JW (Company No: 02865967), a company wholly owned by Hurtigruten AS.

When you book an air package holiday or sailing with us the contract between us will exist as soon as you or your travel agent asks us to confirm your booking. We then become responsible to provide you with the voyage arrangements or air package holiday you have booked and you become responsible to pay for them, in each case subject to these terms and conditions. You will also become responsible to pay for any additional arrangements made by us on your behalf including International Flights not included in any air package, optional excursions, travel insurance or other arrangements requested by you and booked.

When you make a booking you guarantee you have the authority to accept and do accept on behalf of your party the terms of these booking conditions and accept responsibility for making all payments to us for all members of the party. We are unable to accept provisional or conditional bookings. We will send all documents and other information to you and you will be responsible for ensuring that all other members of the party are kept fully informed.

A confirmation invoice which you should check as soon as you receive it will be sent on receipt of your deposit. If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge and additional costs (see clauses 6 and 7 below) which may be as much as the whole of the original price of your arrangements. Only one invoice and one set of documents will be issued. No verbal amendments may be made by either party to these written booking conditions; any change must be in writing signed by the Chief Executive of Hurtigruten AS.

If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate and a confirmation. Upon receipt, if you believe that any details on the ATOL Certificate or confirmation or any other document are wrong you must advise us immediately.

If you book your holiday through a travel agent all communication must be through that agent. Please quote your booking reference number in all communications.

You are responsible for complying with any visa or other entry requirements for you or any of your party who are not full European Union Passport Holders.

2. YOUR FINANCIAL PROTECTION

We provide financial security for flight inclusive Packages and ATOL protected flights. We do this by way

of a Escrow held in favour of the Civil Aviation Authority (www.caa.co.uk; 45-59 Kingsway, London WC2B 6TE) under ATOL number 3584.

When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. The price of our flight inclusive Arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to Customers who book and pay in the United Kingdom.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL Scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We provide financial security for holidays not including flights by way of a Escrow held with ABTA (www.abta.com; 30 Park Street, London SE1 9EQ).

If you book Arrangements other than an ATOL protected flight or Package from us, your monies will not be financially protected. Please ask us for further details.

3. PAYMENT

Once you have asked us to confirm your booking the total price of the arrangements you have booked is due and is payable as follows:

(i) If you book more than 60 days (90 days for Expedition voyages) before your scheduled departure date a non-refundable deposit of 20%. The balance is due 60 days before your

scheduled departure date. (90 days for Expedition voyages). No second invoice will be sent. Travel documents will be issued 7 to 14 days prior to departure.

(ii) If you book less than 90 days - before your scheduled departure date the full price is payable when you book.

Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by cash, bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it).

Online Bookings

Bookings made online that cost less than £800 or made within 90 days of departure require full payment at the time of booking and no refund is made if cancelled.

Your booking may be cancelled if we do not receive payment by the due date (we will not normally send reminders) and cancellation charges as set out under 'If You Cancel' (see below) will be payable by you.

4. FITNESS TO TRAVEL ON THE SHIP, PREGNANCY, DISABILITY OR REDUCED MOBILITY, MEDICAL/ MOBILITY EQUIPMENT

In order to ensure that the Carrier is able to carry passengers safely and in accordance with applicable safety requirements established by international, EU or national law or in order to meet safety requirements established by competent authorities including the ships flag state every Passenger warrants that he/she is fit to travel by sea and that his/her conduct or condition will not impair the safety of the ship or inconvenience the other passengers. We reserve the right to require any Passenger to produce medical evidence of fitness to travel in order to assess whether that Passenger can be carried safely in accordance with applicable international, EU or national law. If we consider it necessary, we are entitled to administer a health questionnaire prior to boarding.

If it appears to us, the Master or the Company's nominated medical representative that a Passenger is for any reason unfit to travel, likely to endanger safety, or likely to be refused permission to land at any port, or likely to render the Carrier liable for Passenger maintenance, support or repatriation, then the Carrier or the Master shall have the right to take any of the following courses:

(i) Refuse to embark the Passenger at any port;

(ii) Disembark the Passenger at any port;

(iii) Transfer the Passenger to another berth or cabin;

(iv) If the Company's nominated medical representative considers it advisable, to place or confine him/her or to transfer the Passenger to a health facility at any port, at the Passenger's expense;

(v) To administer first aid and administer any drug, medicine or

other substance or to admit and/or confine the Passenger to a hospital or other similar institution at any port provided that the ship's nominated medical representative and/or Master considers that any such steps are necessary.

Where a Passenger is refused embarkation as a result of safety and/or fitness to travel, neither we nor the carrier shall be liable for any loss or expense occasioned to the passenger thereby, nor shall the passenger be entitled to any compensation from the Carrier.

Passengers who need assistance and/or have special requests or need special facilities or equipment with regard to accommodation, seating or services required or need to bring medical equipment must notify us at the time of booking. If there are any particular conditions, disabled or reduced mobility which require personal care or supervision then such personal care or supervision must be organised by the passenger and at the passenger's expense. Those passengers confined to wheelchairs must furnish their own standard size foldable wheelchairs but needn't be accompanied by a travelling companion. Unless we and/or the Carrier agree otherwise and in writing Passengers are limited to bringing 2 items of such mobility or medical equipment on board per cabin with a total value not exceeding £2,200. All equipment must be capable of being carried safely and must be declared before the sailing. The Carrier may decline to carry such equipment where it is not safe to do so or where it has not been notified in time to enable a risk assessment to be carried out.

Pregnant women are welcome onboard our cruises, however, we recommend seeking medical advice prior to travel at any stage of the pregnancy. For the sake of the mother and baby, a medical certificate may also be needed at certain stages of the pregnancy.

Up to 4 weeks before the due date

A medical certificate is not needed.

Between 2-4 weeks before the due date

A medical certificate is needed to travel with us.

Less than 2 weeks before the due date

For the sake of the mother-to-be and the baby, pregnant mothers are not permitted to travel with us less than 2 weeks before the due date.

5. A - PRICES

All Voyage prices shown in this brochure are in pounds sterling and are per person based on full occupancy of the cabin accommodation unless otherwise stated.

Single/Sole occupancy of cabins with more than one berth is at our discretion as single/sole use of multiple berth cabins will be limited. We reserve the right to change any of the prices quoted in this brochure although there will be no change within 30 days of your departure date. You will be advised of the current price of the voyage or air package holiday you wish to book before your contract is confirmed.

The price of your confirmed holidays is subject at all times to variations in:

- (i) the price of transportation resulting from the cost of fuel or other power sources;
- (ii) the level of taxes or fees applicable to the holiday imposed by third parties not directly involved in the performance of your holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; or
- (iii) the exchange rates relevant to your package.

You will be charged for the amount of any increase in accordance with this clause and, where this is necessary, we will notify you of the relevant adjustments by issuing a new invoice. However, if this means that you have to pay an increase of more than 8% of the total price of your confirmed holiday (excluding any amendment charges and/or additional services or travel arrangements), you will have the option of accepting the price increase and paying the requested amount, accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any amendment charges and/or additional services or travel arrangements not forming part of your package. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date on your new invoice.

Should the price of your voyage or air package holiday go down due to changes above then any refund due will be paid to you, less an administration fee of £60. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual or other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

5. B - VOYAGE AND AIR PACKAGE HOLIDAY

Prices Do Not Include:

- Travel Insurance • Luggage Handling • International Flights except where included in the Air Package Holiday Price • Optional Excursions • Gratuities

Optional Excursions booked before you travel or local excursions or other activities that you may choose to book and pay for whilst on holiday are not part of your voyage or air package holiday arrangements provided by us nor are we agents for the provider of the service. For any excursion or other activity you book before departure or with which you are assisted in arranging whilst on holiday, your contract will solely be with the supplier of the excursion or activity and not with Hurtigruten. We are not responsible for the provision of your excursion or activity or for anything that happens during the course of its provision by the supplier.

6. IF YOU CHANGE OR TRANSFER YOUR BOOKING

If you wish to change your travel arrangements after they have been confirmed we will do our utmost to help but it may not always be possible. Any request for changes to be made must be in writing by the person who made the booking or your travel agent. You will be asked to pay an administration charge of £60 per person and any further cost we incur in making this alteration. NB: most airlines will charge a fee for ticket changes. Costs may increase the closer to the departure date that changes are made. For example, the transfer within 60 days of departure of arrangements involving a scheduled flight will mean the cancellation and re-booking of this flight and a significant additional charge.

If you change the number of people in your party, the price of the arrangements will be recalculated for the new party size e.g. this may mean that accommodation is under-occupied and each member of the party may have to pay an increased price.

Any increase in price caused by changes you have requested is not a cancellation charge even though it may arise because a member of your party has cancelled. Any change by you to your confirmed arrangements after departure is in all cases subject to availability and any relevant costs.

Transfer of Booking: If any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- that person is introduced by you and satisfies all the conditions applicable to the Arrangements;
- we are notified no less than 7 days before departure;
- you pay any outstanding balance payment, an administration fee of £60 per person as well as any additional fees, charges or other costs arising from the transfer; and
- the transferee agrees to these booking conditions and all other requirements applicable to the holiday booking.

You and the transferee remain jointly and severally liable for payment of all sums.

If you are unable to find a replacement, cancellation charges as set out will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

7. IF YOU CANCEL BEFORE DEPARTURE

You, or any member of your party, may cancel your travel arrangements at any time. Written confirmation from the person who made the booking or your travel agent must be received by us via email or our offices. For postal cancellations, we recommend recorded delivery. Cancellation takes effect the day we receive your letter or email. Since we incur costs in relation to your arrangements from the time we confirm your booking you will have to pay the applicable cancellation charges as shown in the table below (which also applies if we cancel because you have failed to make payments on time - see 'Payment' section) together with the cost of any

air fare for which we have had to pay at the time of the booking and will be payable immediately on cancellation.

EXPEDITION CRUISES:	
When the cancellation letter is received by us before departure	Charges as a % of the total holiday cost (excl. insurance premiums)
90 or more days	20%
60-89 days	40%
28-59 days	70%
15-27 days	90%
Less than 14 days	100%

If you have to cancel for a reason covered by your travel insurance you may be able to reclaim the cancellation charges, less applicable excess. Insurance premiums are not refundable.

8. IF YOU CANCEL DUE TO FORCE MAJEURE

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of unavoidable and extraordinary circumstances occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or which significantly affects transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any compensation. Please see clause 10 for more information on Force Majeure.

9. IF WE CHANGE OR CANCEL YOUR BOOKING

We reserve the right to change any of the details, and correct any errors in this brochure or invoices at any time. If changes are made before you have made your booking we will advise you before we confirm your arrangements.

We reserve the right in any circumstances to cancel your travel arrangements (for example if a minimum number of participants for a particular travel arrangements not reached, we may have to cancel it) and to change airline, aircraft types, vessels and itineraries without liability for any subsequent loss. Even after we have confirmed your booking we may have to cancel or make alterations to your booking but we will not cancel your travel arrangements less than 60 days before your departure except for reasons of force majeure or failure by you to pay the final balance in full. Most alterations will be minor and while we will do our best to notify you or your travel agent of any changes as soon as reasonably possible if there is time before your departure, we will have no other liability to you.

Occasionally we may have to make a significant change ("Significant Change") to your confirmed arrangements. Significant Changes include the following:

- Change of UK departure airport. Note: A change from one London airport to another is not considered a Significant Change. London airports are Heathrow, Gatwick, Stansted, Luton and London City.
- Change of your time of departure or return by more than 12 hours.
- Change of your flight from a day flight to a night flight if this also includes

a change to your departure time of 3 hours or more.*

Change of resort.

Change of holiday accommodation to accommodation of a lower official rating.

* For the purposes of the contract night flights are those which depart from the UK between 2200 and 0600 hours or arrive in the UK between 2400 and 0600 hours.

If we have to make a Significant Change we will notify you as soon as possible and you may either:

- (a) accept the Significant Change and the contract between us will then be varied to incorporate the change; or
- (b) take alternative arrangements altogether (subject to availability). If the alternative arrangements selected are a lower price than those originally confirmed the difference will (if already paid) be refunded to you; or
- (c) withdraw from the booking completely in which case we will, as soon as possible, refund all money paid to us.

You must inform us of your decision as soon as reasonably possible and not later than 7 days of being informed of the alteration. If you choose (a) or (b) above, you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, as per the amount shown in Scale A below. If you choose (c) we will pay you compensation shown in Scale B below. In all cases we will have no liability for any other or greater compensation or for expenses or losses incurred.

Period before departure notification given by us

Credit/Compensation	per fare paying passenger (excluding infants)*
---------------------	--

	Scale A	Scale B
0-7 days	£50	£25
8-14 days	£40	£20
15-28 days	£30	£15
29-42 days	£20	£0
43-59 days	£10	£5
Over 60 days		Nil

*The compensation shown above applies to full fare paying adults only. Children or others travelling at concessionary rates will receive compensation pro rata based on the concessionary price against the full adult price as shown on the confirmation.

IMPORTANT NOTE: We will not pay you compensation in the following circumstances:

where we make a change that is not a Significant Change;

where we make a Significant Change or cancel your arrangements more than 60 days before departure;

where we have to cancel your arrangements as a result of your failure to make full payment on time;

where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;

where we are forced to cancel or change your arrangements due to Force Majeure (see clause 10).

TERMS AND CONDITIONS

Please note: where arrangements with a higher price than the original arrangements are offered by us and accepted by you, the difference in price will be deducted from any compensation payable. In no case will we pay compensation if the arrangements offered by us and accepted by you are of a higher price than those originally booked by you and in the same location where no additional payment is made by you. If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will make alternative arrangements for you at no extra charge and, if appropriate in all the circumstances, will pay you reasonable compensation.

A flight or ship delay does not constitute a change to holiday arrangements.

10. FORCE MAJEURE

Except where otherwise expressly stated in these Booking Conditions we are unable to accept liability or pay compensation where the performance or prompt performance of our contractual obligation is prevented or affected by reason of circumstances amounting to 'force majeure' i.e. any event which we or the supplier(s) of the service(s) could not, even with due care foresee or avoid. Such events may include, but are not limited to, war, threat of war or civil commotions, riots, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather, fire, flood, drought, government action, airport and port regulations and closures, technical transportation problems, maintenance to vessels, scheduling of transport and similar events outside our control.

A flight or ship delay does not constitute a change to holiday arrangements.

11. COMPLAINT PROCEDURE

If there is a problem during your holiday, you must report it on board immediately or to the relevant airline, ground handler, hotelier or other supplier, so that prompt efforts can be made to resolve the problem. In the unlikely event that a problem cannot be resolved at the time and you wish to complain, you must send us full written details within 28 days of your return.

Failure to take either or both of these steps will prejudice our ability to resolve your problem and / or investigate it fully. In consequence, any right to compensation you may have will be extinguished or, at the very least, substantially reduced.

Where the port of embarkation for your sailing is in the EU then any complaints relating to EU Regulation 1177/2010 on Passenger Rights when travelling by Sea and Inland waterways must be made to us in writing no later than 2 months after return from travel or the date on which the service complained of was performed. We will provide a final reply within 2 months. You must supply full details to enable us to deal with your complaint.

Please note that we offer an Alternative Dispute Resolution service through our ABTA membership. Please see clause 12 for further details. You can also access the European Commission Online

Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

12. ABTA

We are a Member of ABTA, membership number V7545. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

13. OUR LIABILITY TO YOU

(i) We will accept responsibility for those arrangements we agree to provide or arrange for you as an 'organiser' under the Package Travel, Package Holidays and Package Tours Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations) as set out below. Subject to these booking conditions, if we or our suppliers perform or arrange your contracted holiday arrangements negligently, taking into consideration all relevant factors, we will pay you reasonable compensation. The level of such compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(iii) Where death and or personal injury and or loss of or damage to property occurs during carriage by air or by sea then liability and the extent of damages recoverable will be dealt with by International Conventions as set out in paragraphs (v) and (vi) and not otherwise.

(iv) As set out in these booking conditions we limit the maximum amount we may have to pay for any claims you may make against us which do not involve personal injury, illness or death. Except where loss of and/or damage to luggage or personal possessions is concerned if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 13 (vi) below.

(v) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier

or hotel keeper concerned would have to pay under the international convention or regulation which applies to the travel arrangements or hotel stay in question. (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens convention for international travel by sea).

Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request. We do not have any liability to you by virtue of the Regulation 261/2004 which applies solely to the operating carrier. Any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier; any sums you receive from the carrier will be deducted from any amount due from ourselves.

(vi) Travel by sea is governed by the provisions of the Convention Relating to the Carriage of Passengers and their Luggage by Sea 1974 as amended in 1976 ("The Athens Convention") and where applicable from 1 January 2013 EU Regulation 392/2009 relating to the Liability of carriers of passengers by sea in the event of accidents ("EU Regulation 392/2009"). For the purposes of the Athens Convention and EU Regulation 392/2009 we are the Contracting Carrier.

The Athens Convention and EU Regulation 392/2009 limit the Carriers' liability for death or personal injury or loss or damage to luggage and makes special provision for valuables. It is presumed that luggage has been delivered to you undamaged unless written notice is given by us and/or the performing Carrier.

a) in the case of apparent damage, before or at the time of disembarkation or redelivery; or

b) in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.

Damages for cabin luggage payable by the Carrier are limited up to the Athens Convention limit of 833 SDRs or 2250 SDRs if EU Regulation 392/2009 applies. Limits shall be reduced in proportion to any contributory negligence by the Client and by the maximum deductible specified in Article 8(4) of the Athens Convention or EU Regulation 392/2009.

In so far as we may be liable to a Client in respect of claims arising out

of carriage by sea, we shall be entitled to all the rights, defences, immunities and limitations available, respectively, to the actual carrier and under the relevant Conventions and nothing in these Booking Conditions shall be deemed as a surrender thereof. To the extent that any provision in these Booking Conditions is made null and void by the Athens Convention or EU Regulation 392/2009 or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but not further.

Any liability in respect of death and personal injury and loss of and damage to luggage which we may incur to you shall always be subject to the limits of liability contained in the Athens Convention or EU Regulation 392/2009 for death/ personal injury of 46,666 Special Drawing Rights (SDR) or 300,000 SDR under Athens Convention or 400,000 SDRs under EU Regulation 392/2009 except in the case of liability for war or terrorism 250,000 SDRs. We are not liable for valuables, monies or other securities including jewellery and watches. If they have been deposited with the reception desk on the ship for safe keeping and a receipt issued then in those limited circumstances the Carriers liability will be as set out in the Athens Convention or EU Regulation 392/2009. The use of safes on board a Vessel is not a deposit with the ship or with the company under the Athens Convention or EU Regulation 392/2009 or otherwise. The limits are 1200 SDRs pursuant to Athens or 3,375 SDRs pursuant to EU Regulation 392/2009.

(vii) Where there is any loss of or damage to property including luggage which is not covered by any international convention and where liability is not limited by reference to any enactment, terms of conditions, then any legal liability that we may have for any such losses or damage will not exceed £500 per guest.

(viii) You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out in clause 11 above. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

(ix) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description: (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or (b) relate to any business.

(x) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

14. YOUR RESPONSIBILITIES AND INDEMNITY

When you book arrangements with us you accept responsibility for the proper conduct of yourself and your party. If your actions or omissions cause damage to any property in the provision of the contracted arrangements, or cause delay or diversion to any flight or other means of transportation, you agree to fully indemnify us against any claim (including professional fees and legal costs) made against us by or on behalf of the owner of such property or the operator of the flight or other means of transportation. The Captain of an aircraft or Master of a ship has authority over the aircraft/ship and passengers at all times when they are boarding or on board. There will be no liability on our part, or that of any supplier, for any refund, compensation, or costs thus incurred. Additionally, we will have the right to recover full costs resulting from the incident from the passenger.

At any port or place we may refuse to embark or may disembark any passenger who, in the opinion of the ship's authorized personnel, might be excluded from landing at further destinations by local authorities or who may be suffering from any contagious or infectious disease, or whose presence may be detrimental to the wellbeing of passengers or crew. In cases of quarantine of the ship, or individual passengers (passengers may be required to remain in their cabin or as instructed by authorised personnel on board if they or any other occupant of the accommodation presents any symptoms or may be considered to put other passengers at risk) we will not be liable for expenses thus caused and in such cases as above there will be no entitlement to any refund or compensation and we will have no liability for costs incurred as a result.

Your specific passport and visa and health requirements and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept responsibility if you cannot travel because you have not complied with the latest requirements. If you have made independent travel arrangements you accept responsibility for joining the ship in good time, regardless of any change to the sailing time or date, or to the itinerary. We are not able to refund monies paid to us, or any third party acting on our or your behalf, or make compensation or other payments where, for whatever reason, you fail to join the ship. Passengers going ashore are responsible for re-boarding the ship prior to departure from port.

We reserve the right to substitute another vessel for the scheduled

vessel whether or not owned or operated by Hurtigruten. Any part of the travel arrangements and the voyage is subject to cancellation, delay, modification, or island/mainland visit cancellation for any reason, including medical disembarkation of crew or passengers or any other circumstances beyond our or our suppliers' control. You therefore acknowledge and agree that the scheduled itinerary for the voyage and the announced departure and arrival times are not guaranteed and we shall not be liable to passengers for any damages or other claims in the event of any delay, changes in itinerary or inability to perform services by reason of any event or events beyond our or our suppliers' control.

15. INSURANCE

It is a condition of the contract with us that every member of the booking has travel insurance in force for the entire duration of the booking, covering at least the cancellation of the booking and providing medical cover for illness or injury and repatriation while overseas. Please provide us with the name of your insurer, together with their 24-hour emergency number when you book or as soon as possible.

16. TIMINGS, DELAYS & OTHER TRAVEL INFORMATION

Timings are estimates only and cannot be guaranteed, even if shown on tickets. They may be changed due to regulatory authority requirements, weather conditions, maintenance or technical reasons, and the ability of passengers to check in and board on time. Sometimes delays cannot be avoided but in such situations, in conjunction with our local agents or representatives, we will try to ensure your comfort during the course of any delay.

Where the port of embarkation is in the EU and the company reasonably expects the departure of a cruise to be delayed for more than 90 minutes beyond its scheduled departure time, passengers departing from port terminal shall be offered free of charge snacks, meals or refreshments as are appropriate given the waiting time, provided they are available and can reasonably be supplied. If the delay in departure necessitates a stay of one or more nights or a stay additional to that intended by the passenger where and when physically possible the Company shall, subject to the Package Travel Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations, offer passengers departing from port terminals free of charge adequate accommodation on board or ashore, and transport to and from the port terminal and place of accommodation in addition to the snacks, meals and refreshments previously referred to. The maximum amount that the

company will pay for accommodation ashore and transport to and from the port terminal shall be equivalent to 80 Euros per person per night for a maximum of three nights. The company will not have an obligation to provide such accommodation ashore where the delay is caused by weather conditions endangering the safe operation of the ship.

Please note the existence of a "Community list" (available for inspection at https://ec.europa.eu/transport/modes/air/safety/air-ban_en) detailing air carriers that are subject to an operating ban with the EU Community.

17. PROMPT ASSISTANCE

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to you or a third party unconnected with the provision of the arrangements, or as a result of failures due to unusual and extraordinary circumstances, and you suffer an injury or other material loss, we will offer you such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and with distance communications and finding alternative travel arrangements. Where you experience a delay which is not owing to any failure by us, our employees or sub-contractors, this prompt assistance is likely to extend to providing help in locating refreshments, accommodation and communications but not paying for them. Any airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements.

18. VALIDITY OF TERMS AND CONDITIONS

These terms and conditions are valid from April 2022 and the details and prices may be superseded. Changes may occur after the date of release, and some hotel/ship facilities may become unavailable. While this brochure features photography and descriptions of local wildlife, there is no guarantee of sightings.

19. LAW AND JURISDICTION

Your contract shall be governed by English law and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so.

20. DATA PROTECTION

In order to process your booking and ensure your travel arrangements run smoothly and meet your requirements we, Hurtigruten Ltd, need to use the information you provide such as name, address, any special needs/dietary requirements etc. We take full responsibility for ensuring that proper security measures are in place to protect your information. We must pass the information on to the relevant suppliers of your travel arrangements such as airlines, ships, hotels, transport companies etc. The information may also be provided to security or credit checking companies, public authorities such as customs/immigration if required by them, or as required by law.

Additionally, where your holiday is outside the European Economic Area (EEA), controls on data protection in your destination may not be as strong as the legal requirements in this country. We will not pass any information on to any person not responsible for part of your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we cannot provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.) Please note that where information is also held by your travel agent, this is subject to your agent's own data protection policy. Hurtigruten is not responsible for the privacy practices of any other companies.

Please see our privacy policy for further information: <https://www.hurtigruten.co.uk/practical-information/general-tc>

Date: April 2022

The air holidays in this brochure are ATOL protected by the Civil Aviation Authority. Our ATOL number is 3584. Please see booking conditions for more information. ATOL protection only applies to holidays that include international air travel, and therefore does not apply to all holiday and travel services shown in this brochure. Please ask us to confirm what protection may apply to your booking.

Hurtigruten is also a member of ABTA. UK & Ireland and is bonded accordingly. This ensures the protection of your monies, once paid to Hurtigruten, for all holidays contained in this brochure that are not ATOL protected, for example voyage only. It also covers your repatriation to the UK in the unlikely event of our insolvency.

CARBON FOOTPRINTS: In partnership with CLIMATE CARE (www.jpmorganclimatecare.com) we would also like to invite you to contribute a small amount per passenger, which will be used on projects designed to offset the emissions generated by your air travel.

ENVIRONMENTALLY CERTIFIED PAPER Our brochure is printed on paper certified by the Forest Stewardship Council® (FSC®), sourced and produced following strict environmental standards.
