# A UNIQUE APPROACH TO RIVER CRUISING

## *Understanding the story behind our floating boutique hotels*

Uniworld's story is unique within the river cruise industry. From modest beginnings as a small hotel in South Africa, we have evolved into a global consortium of luxury boutique hotels, famously known as *The Red Carnation Hotel Collection*. Being the sister brand to this successful entity has empowered us to draw on their century's worth of knowledge and experience, enabling us to provide the most exquisite luxury river cruises in the industry. The driving force behind our floating boutique hotel concept is Beatrice Tollman, who acquired Uniworld in 2004 with the ambition of transforming it into the world's most luxurious river cruise line.

Her personal imprint can be witnessed everywhere—from the unique design of our ships and the recipes for our locally sourced cuisine to our unparalleled staff attentiveness. She has been honoured for her lifetime of achievements in hospitality, including induction into the *British Travel and Hospitality Hall of Fame*.

### OUR DNA

Our roots as hoteliers have instilled a commitment to delivering industry-leading service. Our river cruising experience is crafted to immerse our guests in the destination while delivering exceptional service. Every member of the Uniworld team is dedicated to the mantra, ***"No request is too large, no detail too small."*** This ethos exemplifies the level of service you can anticipate from your initial booking call to your warm welcome aboard any of our ships.

### OUR OWN TEAM

To provide the best service, you need the best team. We take pride in the fact that we don't employ agency staff onboard our ships; they're truly part of the family and treated as such.

It's this extra care and attention that drives them to consistently deliver the very best to our guests.

# SHIPS INSPIRED

*by the destinations  
they sail through*

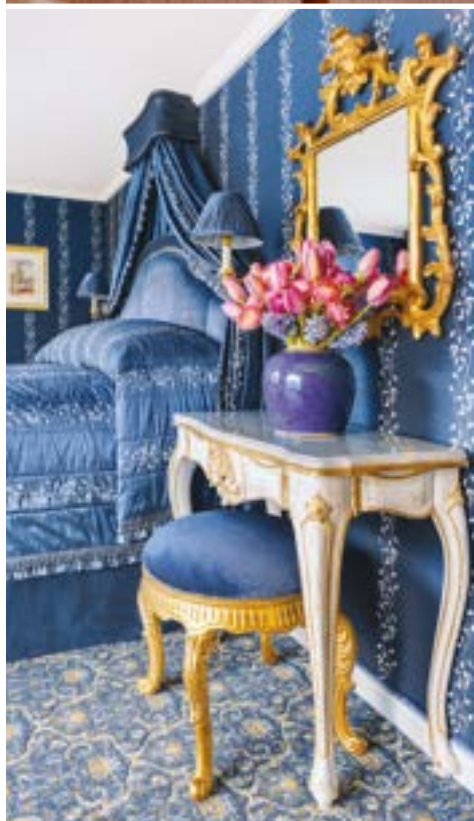

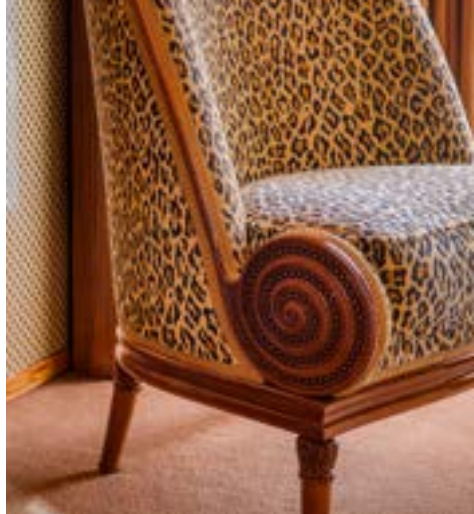

We take pride in being the only river cruise line that seamlessly blends the inspiration of our ship designs with the captivating destinations we sail through. Each of our meticulously crafted vessels reflects the distinctive charm and character of its surroundings, setting a new standard of luxury and elegance in the cruise industry. We've designed our ships to offer an unparalleled boutique hotel experience on the world's rivers. Whether you're sailing from Paris or exploring the Mekong, you'll feel like you're staying in the finest Parisian boutique hotel with all the amenities, or experiencing a sophisticated ambiance reminiscent of what you'd expect at Raffles.

## **A HOST OF BREATHTAKING ORIGINAL ARTWORK**

Step aboard and be captivated by the onboard artwork, exquisite colour patterns, and meticulous finishings that create an atmosphere of ultra-luxury. Our ships serve as floating galleries, adorned with stunning original artwork that showcases the rich cultural heritage of the regions we visit. Step into a world where masterpieces come to life as you encounter renowned works by celebrated artists like *Pablo Picasso, Joan Miró, Henri Matisse, and Marc Chagall*.

## **DESTINATION-SPECIFIC AMENITIES**

Our commitment to providing exceptional experiences extends to the onboard amenities as well. Depending on the destination, you'll find an array of remarkable features on our ships. For instance, our *S.S. Sphinx* ship in Egypt, *S.S. São Gabriel* in Portugal, and *S.S. Bon Voyage* in Bordeaux boast rooftop pools that cater to warmer weather, allowing you to relax and soak up the sun while enjoying panoramic views. Meanwhile, other vessels may offer unique experiences like cinemas, indoor pools, private chef's table experiences, and other amazing amenities, ensuring that each journey with Uniworld is tailor-made for your ultimate comfort and enjoyment.

INAUGURAL SEASON

Here's a prime example of why each of our Super Ships stands out from the rest in the industry, and why they are the perfect choice for an unforgettable luxury adventure. Take the *S.S. Bon Voyage*, designed specifically for sailing through the picturesque summer landscapes of Southwest France. This extraordinary ship boasts a stunning Soleil deck, complete with a large canopy and comfortable seating, making it the ultimate spot to watch the passing vineyards and chateaux as you cruise along the river. On the spacious top deck, you'll also find an inviting infinity pool, further enhancing the relaxation and enjoyment of your journey.

#### SUITES & STATEROOMS

In addition to the public spaces, the *S.S. Bon Voyage* features three decks of staterooms, ranging from our entry-level Classic cabins to our one-of-a-kind Grand Suites.

#### LE CAFE DU SOLEIL

Poolside service at Le Café du Soleil offers casual French cuisine, as well as open-air cooking demonstrations from our chefs. You can even enjoy a wine and painting art workshop as you sail.

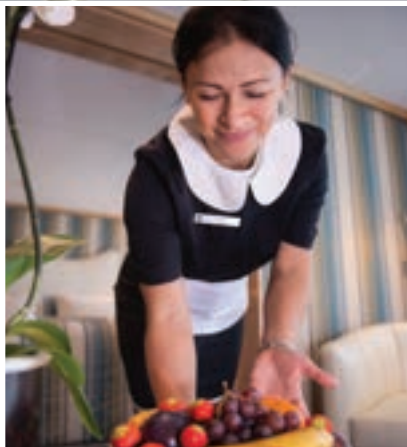

#### SOLEIL DECK

Our suites feature more room to roam, often with living areas, spacious bedrooms, and larger bathrooms equipped with double sinks, tubs, and marble tiles.

## FULLY STOCKED BAR

In addition to a bottle of wine upon arrival, our in-suite mini-bars are filled with a selection of drinks. You'll also have a crystal carafe that can be refilled daily as you please, from a selection of brandy, whiskey, and vodka.

## FRESH COOKIES & FRUIT PLATE DELIVERED DAILY

What makes your suite feel like home? It's all in the *Tiny Noticeable Touches*-such as a fresh fruit plate and a selection of cookies left in your room every day, courtesy of our pastry chef.

## LIMITED AVAILABILITY

## 01

### **REACH NET ZERO GREENHOUSE GAS EMISSIONS BY 2050**

Reducing the environmental impact of our business isn't just a "nice-to-have" for us, it's at the core of all that we do. Last year, we reset our goal to achieve carbon neutrality by 2030, to the more ambitious goal to achieve net zero greenhouse gas emissions by 2050. This goal is backed by our net zero science-based targets, and will be financed by our industry-first Carbon Fund. In 2022, our parent company The Travel Corporation became the first global tour operator to have all three near-term (2030), long-term and net zero (2050) targets validated by the Science Based Targets initiative.

## 02

### **SINGLE-USE PLASTICS ELIMINATION INITIATIVE**

We're setting our sights on a plastic-free future. We're in the process of banning more than 60 types of single-use plastics-including straws, water bottles and bags-across all operations. We are constantly working with our suppliers to avoid plastic wrapping on goods and find more ways to eliminate waste onboard.

## 03

### **SUSTAINABLE FOOD REDUCTION ONBOARD**

Food waste is one of the largest contributors to climate change, which is why we've partnered with **Leanpath**, a food waste management company, to reduce our carbon footprint. Their system measures the quantity of food discarded after every meal onboard. With these precise measurements, our chefs will have the necessary data and confidence to prepare the perfect amount of each dish. Since first implementing Leanpath, Uniworld has prevented 25,000 kg of food waste, thereby avoiding the emission of nearly 200 tonnes of carbon across the eleven ships currently using the system, as of April 2023. Uniworld was, in fact, the first river cruise line to introduce this kind of food waste reduction system to our fleet.

## 04

### **MAKE TRAVEL MATTER® EXPERIENCES**

Uniworld introduced **MAKE TRAVEL MATTER® Experiences** to several of our incredible trips and itineraries. If you love fine wine, you'll love the twin villages of Tournon and Tain-l'Hermitage.
