GOOD REASONS FOR GOLF & CRUISE..... 4

THE BEST CRUISE SHIP IN THE WORLD..... 5

OUR GOLF PACKAGES..... 6

A TYPICAL GOLF & CRUISE DAY..... 7

OUR GOLF & CRUISE VOYAGES..... 8

## DEAR GOLFERS,

After we were forced to restrict the scope of our Golf & Cruise voyages to some extent in recent years for reasons beyond our control, we have expanded it again for 2024 and 2025. True to the original saying "The world is our (playing) field", Golf & Cruise

voyages with the EUROPA 2 will once again take place on four continents.

An extraordinary golfing experience awaits you on all our routes aboard the luxury cruise ship. Join our competent and enthusiastic PGA (Professional Golfers' Association) golf instructors to discover new fairways and experience personal moments of happiness ashore, but also on board. There are golf simulators with integrated video analysis on the ship. You can choose from over 30 virtual golf courses. This guarantees your training success, and afterwards you can put what you have learned into practice on the golf courses ashore together with the PGA golf instructor. It doesn't get any better or more effective than this. Our Golf & Cruise voyages have even more to offer: At least one lecture on current golfing topics is given on every cruise, and

experienced tour guides accompany us on the trip to the golf course – so you can learn country-specific details first-hand.

Even though golf is an individual sport, we give you the opportunity to take part in exclusive group events such as our popular golf dinner. Even on cruises that are not part of the Golf & Cruise format, our "golf a la carte" programme allows guests to book tee times at courses along the route at short notice. There are of course plenty of rental clubs available so that you can spontaneously indulge in your favourite sport at any time.

On the following pages, we present unique golfing opportunities for on board and ashore with the EUROPA 2.

We look forward to seeing you there.

Yours sincerely,

*Guido Tillner*

## A TYPICAL GOLF & CRUISE DAY.

Wake up in a different port each morning, start the day with a healthy breakfast, enjoy a game on the world's most beautiful golf courses and finish the evening with a good drink and entertainment. This dream holiday itinerary for golf lovers is what awaits you every day on our Golf & Cruise voyages.

Each Golf & Cruise voyage is characterised by the perfect mix of an exclusive travel format, exceptional experiences with places and people and, of course, plenty of time for the greatest hobby in the world. Enjoy a relaxed start to your day on the EUROPA 2 with a hearty breakfast on the veranda of your suite.

A transfer including a tour guide will then take you right from the port to the region's most beautiful golf clubs. The green fee will have been paid in advance and your clubs will be ready and waiting. While you do a few warm-up exercises, your golf pro will give you some initial tips. After 18 exceptional holes, enjoy a drink with a view in the clubhouse before heading back to the ship by shuttle.

Each journey to a new destination offers you the chance to also improve your game on board in the state-of-the-art golf simulators or with training modules. And as the ship sets sail for the next golf course, you can look back on the days experiences with your fellow golfers over a sundowner or end the evening in style on the dance floor.

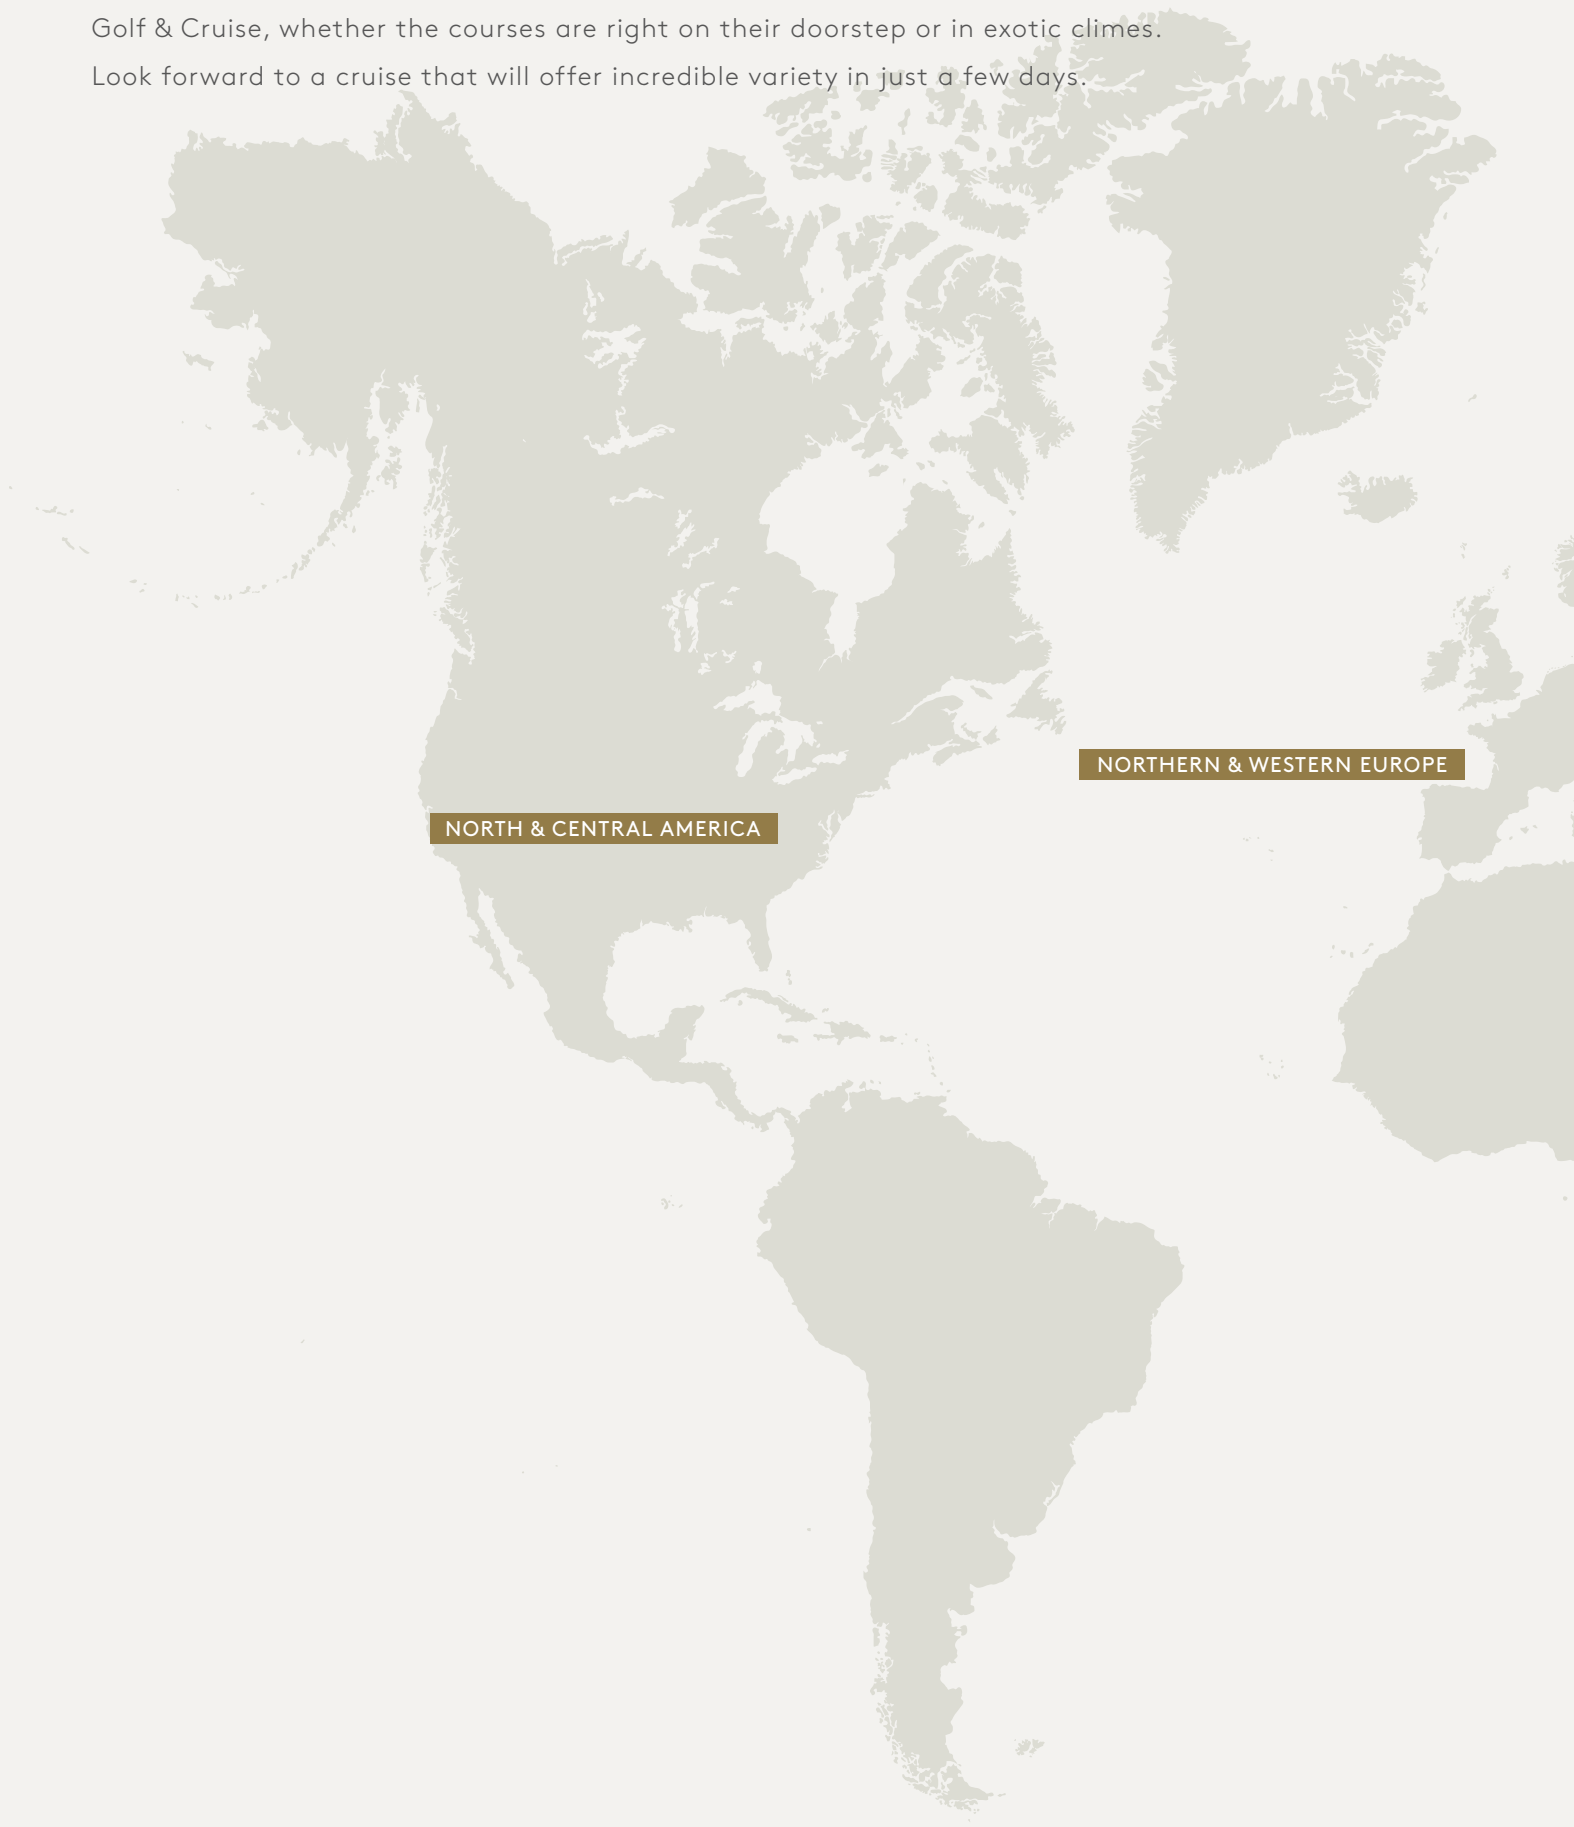

## GUIDO TILLMANNS: "BENEFIT FROM INSIDER KNOWLEDGE AND LOOK FORWARD TO YOUR GOLFING EXPERIENCE."

One of the key requirements is accessibility: the golf courses should ideally be no more than 60 minutes from the port. We use a tried-and-tested list of criteria when scouting for courses; our many years of experience mean that we know exactly what qualities to expect in each region of the world. We take on board feedback from our golf pros when it comes to newly built or renovated courses. We are happy to experiment when we receive top ratings and we head for new destinations each year.

## WHERE SHALL WE TEE OFF?

Across the oceans and straight to the tee, golf lovers are in their element with Golf & Cruise, whether the courses are right on their doorstep or in exotic climes. Look forward to a cruise that will offer incredible variety in just a few days.

**MONTE CARLO – CIVITAVECCHIA (ROME)**

01 Sep – 10 Sep 2024 | 9 days

On this voyage of discovery to the northern Mediterranean, French and Italian golf courses present enjoyable contrasts. The characteristic course of **Golf du Cap d'Agde** near Sete is a real delight. The three nine-hole courses are shaped by the geological features: broad fairways that weave through ancient oaks and shrubs, numerous dog-legs that come into contact with plenty of water, and areas fringed by lava rock.

A varied game awaits you at the **Cosmopolitan Golf & Country Club** near Florence. At only around 500 m (547 yd) from the sea, the course is designed with dunes and dips to preserve the existing features of the terrain. Look forward to an 18-hole course with varying contact with water hazards along the way.

Perched on a high plateau in the immediate vicinity of the Mediterranean Sea, the 27 holes of **Golf Dolce Fregate Provence** are divided into an 18-hole and a nine-hole course. In the middle of Tuscany, 27 golf courses were created at the same time. The **Castelfalfi Golf Club** is divided into the Mountain Course (18 holes), with its considerable differences in altitude, and the Lake Course (nine holes), with exceptional panoramas and numerous water features. This route follows the Atlantic coast from north to south and is sure to thrill any golfing fan. Not far from Honfleur, Tom Simpsons debut course at **Golf Barriere Deauville** lies up on Mont Canisy. The three well-designed nine-hole options are split into the red, white and blue courses, offering something for players of every level to enjoy. Golfing in the middle of the Atlantic? One place that grants this wish is the **Clube de Golfe da Ilha Terceira**, where a veritable 18-hole paradise awaits you, nestled in a sea of azalea and hydrangea flowers. But be careful when choosing your club, above sea level and the proximity to the ocean mean that it can get very windy.

Another fantastic place to play is where golfing legend Severiano Ballesteros made a dream come true. He created a very delicate design informed by nature for the 18-hole course of **Porto Santo Golf Club**. The North Course runs along the spectacular coastal cliffs for breathtaking views, while the South Course has a more American design with plenty of water features. You'll also encounter a remarkable six par 5 holes here.

**HAMBURG – BILBAO**

07 Jul – 19 Jul 2025 | 12 days

On course for the English Channel. Between Europe and Great Britain, four extraordinary golf courses are on the Golf & Cruise programme. The **Golf Barriere Deauville** course is extremely close to the mooring point of the EUROPA 2, in the hills of Mont Canisy. This course dates back to 1929 and is one of the first created by Tom Simpson. Divided into three 9-hole courses – red, white and blue – they provide every opportunity for players of different levels. The nicely planted fairways always weave past mature trees and expansive heathland. This type of layout demands a continuous straight line in terms of play.

The multi-award-winning golf course **Golf du Medoc** lies in what is possibly the world's most famous wine-growing region. The Chateaux Course has been a special feature of this 36-hole site since 1989. The typical parkland course with its fairways blends harmoniously into the surrounding natural environment. After the day's golfing adventures have come to an end, you can look forward to a glass of red from the region at a wine tasting.

## Cruise EUX2319

**STOCKHOLM – KIEL**

20 Aug – 29 Aug 2023 | 9 days

This cruise takes you on a trip into a new world of golf. The **Kalmar Golfklubb** in Sweden offers 36 parkland-style holes, all lined to varying degrees with native trees. These natural barriers between the playing areas mean you should restrict yourself to a no-nonsense, low-risk game.

The **Gdansk Golf & Country Club Postolowo** was named Poland's best golf course by Golf Digest. In the middle of the course lies a large lake. The 18 holes and the 7,100 m (7,765 yd) from the rear tee demand a certain level of physical fitness from golfers. Bunker landscapes protect the designated landing areas, and the expansive fairways are so far apart that a golf cart is recommended.

## Cruise EUX2413

**KIEL – KIEL**

09 Jul – 21 Jul 2024 | 12 days

Tackle some grand rounds of golf along the Baltic coast – from Scandinavia to the post-Soviet states. The **Sierra Golf Club's** parkland course is located in the middle of the Tricity Landscape Park, with a view of the Baltic Sea. The 18 generously arranged holes are among Poland's top destinations. The largely sweeping fairways promise a relaxed round of golf with very good handicap potential. Only the occasional water crossing requires increased attention.

With its very expansive fairways, the **National Golf Resort** is Lithuania's golfing pride and joy. Despite water hazards on 12 of the 18 holes, the layout promises a positive score for players of any level. The exposed 18th green is also something to look forward to. An ideal cruise for guests who enjoy high-quality golf and culture.

**KIEL – HAMBURG**

21 Jul – 29 Jul 2024 | 8 days

Just as tempting for beginners as for advanced players – all golfers will be in their element on this Baltic Sea route. The course at **Gdansk Golf & Country Club Postolowo** demands great dedication. It was named the best course in Poland by Golf Digest magazine, and the 7,100 m (7,765 yd) from the rear tee are truly in the league of champions. There are plenty of nerve-racking bunker landscapes to tackle over the 18 holes.

**Kungsbacka Golfklubb** is situated in the midst of Swedish nature, and its fairways – which are mostly very narrow – run through mature forest. The expansive 18-hole design necessitates a forward-looking game plan as well as assistance from a golf cart. The ability to send your golf ball in the right direction is absolutely essential if you are to return to the clubhouse with a good score on this course.

Your game at the Danish **Kokkedal Golfklub** may well become a piece of precision golfing. Don't be deceived by the manicured parkland course – the fairways on the 18-hole course are mostly very narrow and are fringed by the original mature trees.

In a region that is not necessarily known for the sport of golf, you will be able to enjoy surprising golfing experiences that you are sure to remember for years to come. With the **Bro Hof Slott Golf Club and the Stadium Course**, two 18-hole courses present outstanding – if very different – options in the typical resort style: the Stadium Course and the Castle Course. Golfers will need their skills to overcome the modulated terrain and avoid the bunkers on the way to the greens, which are rather small compared to the fairways.

Named the best golf course in Poland by the international magazine Golf Digest, the **Gdansk Golf & Country Club Postolowo** features 18 holes that demand a fair amount of commitment.

AUSTRALIA AND NEW ZEALAND:  
GOLFING IN PARADISE.

Cruise EUX2403

**AUCKLAND – SYDNEY**

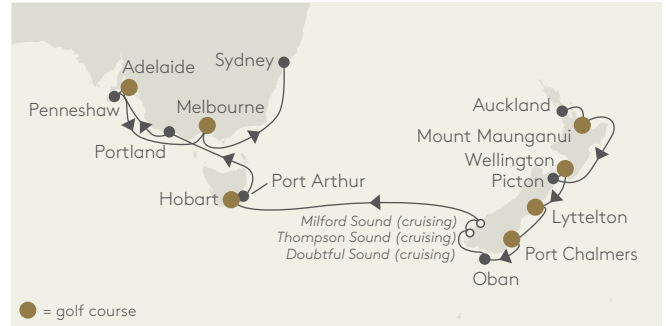

16 Feb – 07 Mar 2024 | 20 days

Whether in New Zealand or Australia, this cruise is an impressive cultural and golfing experience. The striking parkland course at **The Otago Golf Club** offers golfers particularly exciting challenges and a fun game. A serious drive is required right from the tee boxes, but the 14th hole in particular will stick in your mind. The fairway with its 45-degree dog-leg requires a drive of at least 220 m (241 yd) to achieve the ideal line for conquering the 404 m (442 yd) length.

The former pastureland south of Melbourne was converted into a golf course back in 1912. Today, the parkland course at the **Woodlands Golf Club** boasts 18 wide fairways, some of which are impressive in length and all of which end on rather straightforward greens.

Lyttelton (Christchurch), Clearwater Golf Club

Cruise EUX2426

**BENOA (BALI) – MELBOURNE**

14 Nov – 03 Dec 2024 | 19 days

Fancy some golf “down under”? This region has unique geological conditions for the game. The original sandy terrain at the **Royal Queensland Golf Club** is a constant natural obstacle on the fairways, meaning that you should definitely always have your sand wedges within reach on the wide fairways. However, those who are not afraid of a sandy terrain will most likely finish with a very positive result.

The **Royal Adelaide Golf Club** is located directly in the city of Adelaide. On the wide fairways, you will occasionally be surprised by man-high pot bunkers on the way to the pin – these sand hazards, designed according to the British model, protect many a green in a rather massive way.

Cruise EUX2427

**MELBOURNE – AUCKLAND**

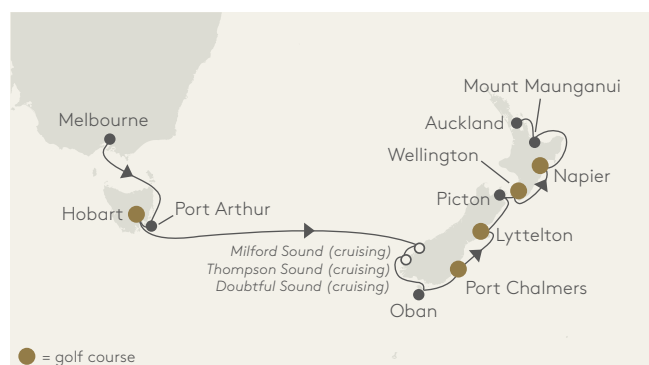

03 Dec – 18 Dec 2024 | 15 days

This cruise offers up to six golfing locations that present extraordinary golfing experiences – and extraordinary scenery. The origins of the **Royal Hobart Golf Club** date back to 1916, and the course is a perfect symbiosis of bushland and recurring views of the nearby turquoise Tasman Sea. Before you make it to the large, fast greens, there are a formidable 80 strategically placed bunkers waiting on the broad fairways.

Since 1895, the **Royal Wellington Golf Club** has been located in the highlands of the “windy city”; designed as a parkland course, it most recently underwent significant renovation in 2013. Due to its location, the 18-hole golf adventure is often influenced by the wind, which is feared in the region.

**LOS ANGELES – PANAMA CITY**

A real treat for golfing connoisseurs. The two 18-hole courses at the **Vista Vallarta Golf Club** were conceived by the two great masters Jack Nicklaus and Tom Weiskopf, who each dedicated himself to one course. The courses feature extremely wide fairways and strategically placed bunkers. As is so often the case, the geological conditions also determine parts of the design.

Golfing adventures taking in truly unique experiences with flora and fauna. An amazing 60 % of the fairways weave through spectacular jungle landscapes at **La Iguana Golf Course**. The exotic bird species that live in this region vie for attention along the way with their calls. If you can afford to take your eye off the ball, you might feel the gaze of a yellow-throated toucan and other creatures watching you.

Miami, Crandon Golf at Key Biscayne

Cruise EUX2509

**PANAMA CITY – NEW YORK**

16 May – 01 Jun 2025 | 16 days

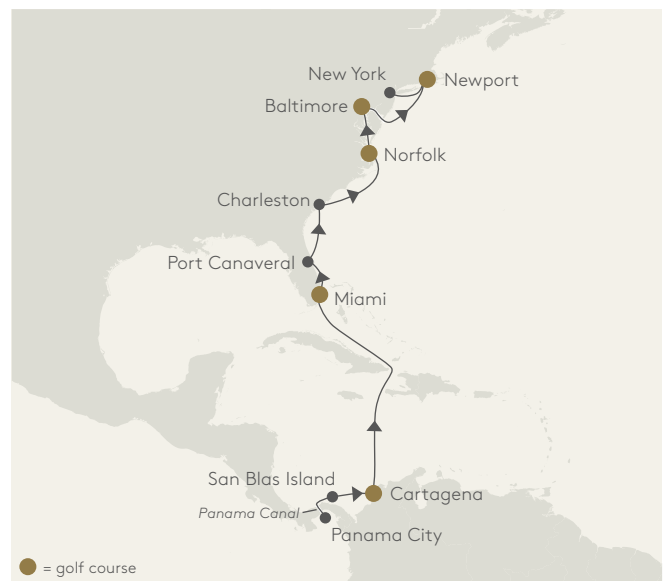

It's one against five. One golf course on the South American continent and, after a few days at sea, five exceptional courses on the North American East Coast. Each round will be a one-of-a-kind experience for your personal sporting history.

Star architect Pete Dye meticulously planned the Resort Course at the **Kingsmill River Golf Club**, ensuring painstaking precision in the implementation of his designs. He placed particular importance on expansive and broad fairways, which are intended to visually inspire the player. A total of eight tee boxes create suitable starting options for players of any level. Perhaps this is why "The River" has also been used for multiple national tournaments featuring the greats of the game.

The pristine nature of Baltimore County is home to 18 holes of championship golf at the **Hunt Valley Golf Club**. The course leads over gentle hills and through scenic valleys, with the individual fairways offering plenty of room for forward-looking play. A skilful route around the numerous streams and water features takes you to spacious, gently modulated greens.
