THE SMALL SHIP ADVANTAGE™

American Cruise Lines is the largest U.S. cruise line with more ships, itineraries, and options than any other. Our secret to success is the small size of each ship.

Small Ships Fit in Port ★ Where others run one behemoth ship, we operate multiple small ships. Each can navigate the widest range of river and sea conditions, offer the greatest breadth of itinerary options, and, most importantly, fit harmoniously in the communities we visit.

The Newest Ships ★ Each small ship offers all the amenities and comforts sophisticated travelers have come to expect. In 2018, American Cruise Lines revolutionized river travel with the first truly modern ships on the U.S. rivers. With the most environmentally friendly fleet in the country, each newly constructed ship is the perfect venue for responsible exploration.

The Largest Staterooms ★ For fifty years, American Cruise Lines has taken pride in the generous size of our staterooms, which average over 350 square feet. Although each ship may be small, we challenge you to find larger onboard staterooms anywhere. Plus, every new ship has staterooms with private balconies and floor-to-ceiling glass doors.

Most Itinerary Options ★ Our fleet offers more than 50 itineraries visiting 35 states. With different ship styles, itineraries, and seasonal specialty cruises, the breadth of options provides something for every interest.

SEMIQUINCENTENNIAL

In 2026, the United States will commemorate the 250th anniversary of the signing of the Declaration of Independence – a milestone in the nation's history. Throughout the year, we will be celebrating this historic occasion on our more than 50 itineraries across the country. Featured will be special community events, commemorative gifts, and themed onboard programs that honor the spirit of America.

★ *American Cruise Lines Leads the Way* ★

WHAT WE ARE NOT

American Cruise Lines does not follow the competition. While others may offer Mega-Mississippi riverboats, or older ships with gimmicks to bring you aboard, we are proud of what we are not:

ONBOARD ENRICHMENT

Resident Historians & Experts ★ Every cruise features an onboard expert who hosts discussions and is available throughout each day to add context to your journey. These accomplished professionals also provide briefings on each port, offer their recommendations based on your interests, and connect the stories of each destination to the history of the region.

Nightly entertainment ranges from interactive lectures to live musical performances in one of the ships' inviting lounges. Resident entertainers provide light music in the afternoon, while renowned artists join us in the evening for world-class entertainment.

ONSHORE EXPERIENCES

Each of our small ships provides a genuine and customized exploration of areas inaccessible to large ships and crowds, allowing us to explore small towns in the most meaningful way possible. Our guided shore excursions bring out the distinct flavor and unique culture of the destinations visited.

Through a careful understanding of our guests, we provide an enriching, destination-focused experience. Small groups visit historic homes, museums, music venues, and more, as we discover each unique place. Every excursion is led by a local guide and accompanied by an American Cruise Lines' team member who is always available to assist.

OUR CULINARY PROGRAM

Our team of master chefs prepares a traditional American menu with a regional flair that features the freshest ingredients. Local foods are brought aboard daily, some from the farms and vineyards that we visit along the way. Our culinary program is one more way that we connect your onboard experience to the destinations we visit.

The brand new *American Encore, American Serenade, American Symphony, American Melody, American Jazz, American Harmony, and American Song* have elevated the standard for riverboat cruising globally. Sophisticated and cosmopolitan, these modern riverboats feature the largest staterooms of any riverboat in the world and are the only ones to have a grand multi-story atrium in the center of the ship, a variety of sizable lounges, and private balconies in each spacious stateroom.

Traditional Paddlewheelers | 110-180 Guests | River Class

American Splendor, American Heritage, American Pride, and American West offer a classic paddlewheel experience with modern design features and amenities. Guests can enjoy large staterooms with private balconies, hotel-style bathrooms, and a variety of unique lounges. CRUISE CANCELLATION PROTECTION

With Our Cancel For Any Reason Protection Plan

We want to put your mind at ease from anything that may arise before your cruise with our Cancel For Any Reason Protection Plan.

Cancel for ANY Reason ★ This plan provided by American Cruise Lines allows you to cancel for ANY reason and receive a money-back refund or the issuance of Cruise Credits beyond our standard cancellation terms.

Simplified Process ★ If the unexpected does occur, we offer an easy cancellation process that ensures you receive your money-back refund or are issued Cruise Credits quickly.

Affordable Peace of Mind ★ We created the Cancel For Any Reason Protection Plan to provide you with peace of mind at an affordable price as you prepare for your cruise. Plan pricing is simple and based on the cost of your cruise package.

This is not insurance. The Cancel For Any Reason Protection Plan is a cancellation fee waiver program provided by American Cruise Lines. It is an addendum to American Cruise Lines' Passenger Contract that replaces the Passenger Contract's standard cancellation terms.

We look forward to having you on board, but understand that sometimes the unexpected happens.

For information on the Cancel For Any Reason Protection Plan, including the full list of definitions and terms, please contact American Cruise Lines, **800-894-8570** or visit **[AmericanCruiseLines.com/general-information](https://www.AmericanCruiseLines.com/general-information)**

General Information

The following information will answer many of your questions about the details of your cruise. For additional information, please call American Cruise Lines at **800-814-6880**.

Departure Ports: All departure ports are located near major airports. Transportation between the airport and ship may be available for an additional charge. Parking is available at all departure locations at nearby commercial garages or lots at a reasonable weekly rate.

Departure Times: Cruises depart at 1:30 p.m. or earlier if all passengers have arrived. Passengers may board after 11:30 a.m. Crew members will carry your luggage to your stateroom. Passengers are recommended to arrive no later than 12:30 p.m. Cruises sometimes return the evening before the last day of the cruise, and passengers may stay on board until 8:30 a.m. on the last day. Breakfast is served on the last day of every cruise.

All-American: American Cruise Lines offers a unique experience that emphasizes the history and culture of the United States. American Cruise Lines is an American company and operates ships which are built and registered in the United States. Additionally, all crew members and employees are Americans.

Reservations: Reservations should be made as far in advance as possible to ensure the availability of the cruise and stateroom choice.

Fare: American Cruise Lines, Inc.'s per person fare includes passage, dining service, snacks, complimentary cocktail parties, and entertainment aboard the ship. Fares do not include most shore excursions (unless otherwise noted). Guests are not expected to leave a gratuity on board.

Shore Excursions: Every American Cruise Lines shore excursion falls into one of three categories: 1) FEATURED shore excursions are complimentary. Featured excursions are selected excursions which typically are offered daily on

Columbia & Snake River, Mississippi River, and Alaska Cruises. 2) PREMIUM shore excursions typically cost between \$20 and \$70 and may be purchased on board with your Hotel Manager. 3) SIGNATURE shore excursions are particularly unique excursions with limited availability and which often cost more than \$70. We recommend that you reserve these excursions in advance with your Cruise Specialist. For more information on shore excursions, please visit www.americancruiselines.com or speak with your Cruise Specialist.

Single Occupancy: Single cabins are available on all ships. If one person chooses to occupy a double stateroom he/she will be charged 150% or 175% of the double occupancy rate depending on the type of stateroom occupied.

Deposits and Payments: A deposit of \$500.00 per person is required to confirm any reservation on trips of 9 nights or less, and a deposit of \$900.00 per person is required to confirm any reservation on trips of 10 nights or more. Final payment is due 90 days prior to the sailing date. Any Reservation made within 90 days of the departure date must be accompanied by full payment and is subject to Cancellation Terms. Contact American Cruise Lines, Inc., for additional deposit and payment information concerning groups.

What to Bring: Casual sportswear is suggested during the day. Casual country club attire is recommended in the evenings and for dinner. Comfortable walking shoes, windbreaker, sweater for cool evenings, and light rainwear are also recommended items. 110-volt household current is available in all staterooms for electric appliances.

Dining Service: Meals are served in the spacious dining salon, which accommodates all passengers at one seating. The day's menu is announced well in advance, and consists of fresh meats and seafood, as well as in-season fruits and vegetables. Special menus are

available to passengers on restricted diets. Most special dietary needs can be accommodated, though advance notice is appreciated. All meals are prepared to order. Coffee, non-alcoholic beverages, and snacks are available 24 hours a day.

Itineraries and Sailings: American Cruise Lines Inc., does not guarantee departure point, termination point or any intermediate stop. Itineraries, schedules, routes, ships, and staterooms are always subject to change at any time without notice due to weather conditions, availability of docks, shoaling, river conditions, operation of locks, mechanicals, or any other reason. The times and dates of departure and arrival are also subject to

change. Some Intracoastal Waterway cruises may travel coastwise at times. The Mississippi River between St. Paul and St. Louis has particularly fickle river conditions which may require last minute itinerary changes.

TV and Internet: All ships are equipped with satellite TV and wireless internet. Internet and TV service can be intermittent, particularly in remote areas.

Passenger Cancellation Terms: Cruise cancellation protection is recommended and available. For information on the Cancel For Any Reason Protection Plan, contact American Cruise Lines, Inc.
