Let's explore together...

There's no question that river cruising is one of the best ways to explore the world, whether it's sailing between iconic European big hitters like Budapest, Vienna and Bratislava; cruising through some of Europe's prettiest scenery, visiting charming towns and villages you might otherwise never see; or gliding down the Nile, stopping in to visit Egypt's eternally popular ancient cultural sites.

Every single one of our itineraries is carefully created by our team of travel specialists who know these destinations inside and out. They have handpicked included experiences that really showcase the beauty of each place, but throughout the journey you are also looked after by a Cruise Director or Tour Manager who's on hand with insider insights and support to help you get the best of your trip. And between all of this exploration, you're on board your floating boutique hotel sailing serenely to your next new favourite destination, enjoying excellent service and food on board as you go. It really couldn't be better.

To help you explore even further afield, in 2027, we've launched three brand new worldwide river cruises.

Experience the serenity and beauty of India with a journey along the Ganges, marvel at the timeless beauty of China's Yangtze River, or feel the pulse of Vietnam and Cambodia on our new Mekong cruise, where we're launching a brand-new ship – the Riviera Alba. This is the first time we're launching a Riviera ship outside of Europe, so it's an incredibly special moment for us, allowing us to blend Riviera's top-notch quality and service with the magic of the Mekong.

So whether you're looking for your first foray into river cruising, or have travelled the world with us onboard one of our ships, we're confident that there's a holiday for you to indulge your curiosity.

We look forward to seeing you on board.

The Riviera difference

Your time away is precious and should never be compromised. Nobody knows that better than us. It's a privilege that our guests trust us time and time again to look after their holiday plans, and that's why we never take anything for granted.

Unrivalled holidays, created by our Masters of Travel

At Riviera, we are totally obsessed about travel. Holidays can be where some of the best memories of our lives are made. It's no small feat to create our tours and cruises, and we are proud to call ourselves 'Masters of Travel', curators of the finest holidays. A bold claim, but one we really believe in. Our specialists go the extra mile when creating our itineraries, and they are genuinely passionate about the destinations we visit, so when you book one of our holidays, you know you are getting decades of experience in every detail.

This also shows in how we've thoughtfully balanced out seeing the iconic sites each destination is known for, with time to tread the paths less travelled and get a new perspective away from the tourist trail.

And we're so confident in the quality of our itineraries that we offer a 'Happiness Guarantee': If you're not completely happy by the second day of your holiday, we'll bring you straight home and give you a full refund.

We'll look after you like family

When you book with Riviera Travel, you are not just booking a holiday, you are joining our family. That may seem extreme for a travel company, but we really mean it – we'll take care of you as one of our own. But the proof is in the pudding. That's why we've been awarded the esteemed 'Recommended Provider' accreditation by Which? for 13 years, and why 96% of our guests would book with us again. Our knowledgeable and friendly team are committed to making every step easy and enjoyable – from the moment you first contact us, to the very end of your journey when you arrive home happy and with a camera full of memories.

While you travel, our experienced Cruise Directors and Concierges will go above and beyond to ensure every aspect of your holiday runs smoothly. So, with every detail taken care of, all you need to worry about is your packing!

Luxury travel, without the price tag

One thing we will never compromise on is quality. It's at the heart of every Riviera Travel holiday. It's not just the finest ships that are a given when booking a cruise, but it's also the small-but-important details, such as all of the included experiences with passionate local guides and an expert Riviera Cruise Director looking after you throughout.

We believe that luxury travel shouldn't cost the earth and we offer the best value for money – we're so confident you won't find the same quality of experience for less elsewhere that if you do, we'll refund you the difference.

We know it's normally rude to discuss age, but we're incredibly proud to have over 40 years of experience as the UK's leading tour operator. It's this history, the scale of our business and the strong relationships we've built with our suppliers (which enables us to negotiate exceptional rates) that means we can offer such remarkable value – and we pass those savings straight back to you. Our prices are fair and straightforward, with no hidden extras.

You make the choices, we do the hard work

Variety is the spice of life, and there's no 'one size fits all' when it comes to the perfect travel experience. To make sure you can tailor your holiday to suit you, we've built choice into every aspect of our holidays, putting you in control. Choose from our extensive collection of holidays, then customise your experience to your exact requirements. Whether you want to upgrade your travel, or add additional excursions or visits to suit your interests, we give you the flexibility to choose. But freedom and flexibility doesn't mean a lack of support. You'll be looked after by our award-winning team every step of the way, and if anything goes awry, we'll take care of it so you can enjoy every single moment.

Today you have the choice between a full day excursion with visits to Lucerne and the Bernese Oberland, or a guided tour in Lucerne and a free afternoon in Basel. Lucerne is often considered Switzerland’s most beautiful city, spectacularly situated among stunning mountain views. It has been attracting well-heeled visitors for two centuries, including our very own Queen Victoria. Highly recommended is an invigorating stroll along the Chapel Bridge, a unique covered wooden walkway crossing the lake, supported by stilts and lined with colourful flower-filled window boxes. Not only is it the city’s most iconic structure, it’s a superb way to absorb Lucerne’s regal atmosphere. As you enter the Bernese Oberland in central Switzerland, the views become quite literally breathtaking! This is the grand alpine heart of Europe with some of the finest mountain scenery on earth, described by the composer Mendelssohn as ‘the most wonderful of all in this unbelievably beautiful country’. On viewing the legendary snow-capped peaks of the Eiger, Mönch and Jungfrau you’ll be quite simply awestruck. We then ascend by mountain railway for more extraordinary vistas, with the crystal-clear lakes reflecting the meadows and forests

Burgundy, the River Rhône & Provence

Enjoy the many splendours of the scenic wine regions in the south of France. From lush, terraced vineyards and sun-baked hills, to dramatic rugged gorges, pretty villages and medieval towns, with their delightful streets, charming architecture and atmospheric wine cellars.

Beaune

Your Itinerary

DAY 1 – Arrival in Lyon

Arrive for your flight to Lyon, Marseille or Montpellier, or take the Eurostar and travel via Lille, where you'll board a high-speed TGV to Lyon. On arrival, we transfer by coach to our ship moored in Lyon's historic centre. (D)

DAY 2 – Lyon

After our first splendid breakfast, we've a leisurely start enjoying a guided tour of Lyon, one of France's most fascinating cities. The Rhône Valley had been the route of choice for marauding armies and peaceful traders for centuries, and Lyon's current site, at the confluence of the Rhône and Saône Rivers, cried out to be fortified. The Old Town, a UNESCO World Heritage Site, is crammed with antique shops and intriguing traboules – narrow covered passageways enabling silk merchants to transport their wares to the river without getting wet – that today are a joy to amble through. As well as its glorious architecture, Lyon is generally acknowledged as France's (and to locals the world's) gastronomic capital. While you enjoy your first lunch the ship quietly slips its mooring. Cruising upstream, we catch the first glimpses of the vine-clad slopes of the hazy green Beaujolais hills as we approach one of the world's most revered red-wine producing regions. As the afternoon drifts into evening and we cruise past the town that gives them their name, the white wines of Mâcon hold sway – and what could be better than a cool, crisp glass in the lounge before enjoying this evening's culinary delights in the restaurant, prepared by our outstanding chef. (B,L,D)

Included Experience – Guided tour of Lyon

DAY 3 – Beaune

Rising this morning we're berthed in Chalon, gateway to Burgundy and home of Nicéphore Niépce, the inventor of photography. On this morning's tour we see some of the pretty yet surprisingly small villages that produce some of the world's most sublime wines – Meursault, Volnay, Pommard, Gevrey-Chambertin and many more. Nearby is medieval Beaune, Burgundy's wine capital, which is wonderful to wander around. At its centre is the Hospices de Beaune, also known as the Hôtel-Dieu. Originally built in the 15th century as a hospital for the disadvantaged, it's a jewel of High Gothic architecture,

The region's sunflowers follow the sun, a phenomenon known as heliotropism

Lyon

instantly recognisable for its colourful glazed roof tiles arranged in dazzling geometric patterns. After a guided tour you are free to explore as you wish before returning to the ship for lunch and enjoying an afternoon sailing. (B,L,D)

Included Experience – Guided tour of Beaune with Hotel Dieu

DAY 4 – Vienne & Tain l'Hermitage

Overnight the ship has cruised almost imperceptibly downstream and we enjoy breakfast in Vienne before you are free to explore at leisure. Strikingly located in a narrow section of the Rhône where the river meanders dramatically around a steep bluff, Vienne is a treasure trove of historic remains, including the stunning Roman Temple of Augustus and Livia, one of only two edifices of this type in the whole of the country. From the ship, maybe head to the top of the city, the Mont Pipet hill, where the view onto the Rhône will inspire keen photographers. As the train weaves through the charming, narrow streets of the old town, soak up the history of this fascinating place. Wander back to the ship for another superb lunch, during which we enter perhaps the most picturesque section of the Rhône as the river squeezes and twists past Condrieu, Saint-Rambert d'Albon and Saint-Vallier, with wooded cliffs

Ardèche Gorges

rising high on both sides. Later we moor in Tain l'Hermitage, where another of the world's most revered wines is produced: Syrah. To find out more about the history and production of wine here, we will enjoy an onboard wine-tasting. (B,L,D)

Included Experiences – Visit to Vienne and wine-tasting on board

DAY 5 – Ardèche Gorges

This morning, we cruise effortlessly downstream. In the distance you'll catch glimpses of the Alps and, as we approach Valence, the landscape gradually becomes less green with more ochres and magentas, the houses have sloping terracotta roofs typical of the Mediterranean and the air carries heady aromas of pine and cypress. After lunch we explore one of France's most outstanding landscapes – the Ardèche Gorges, whose scale is a fitting reminder of Mother Nature's awesome power. During your tour of the Ardèche, you have two exciting options to choose from: You could explore a Lavender farm, which includes a fascinating museum where you can learn all about the process of cultivating lavender and the distillation of essential oils. Or, if you're more mobile, you can visit the Grotte de la Madeleine. A prehistoric cave composed of limestone, with a complex network of chambers and passages that contains a collection of fascinating art, dating back to around 17,000 years ago. After dinner delight in a ballroom dancing performance in the lounge with the opportunity to learn some basic steps of a French madison line dance!

Included Experiences – Option 1: Tour of the Ardèche Gorges with visit to the Grotte de la Madeleine. Option 2: Tour of the Ardèche Gorges with visit to the Lavender Museum. Live ballroom dancing performance

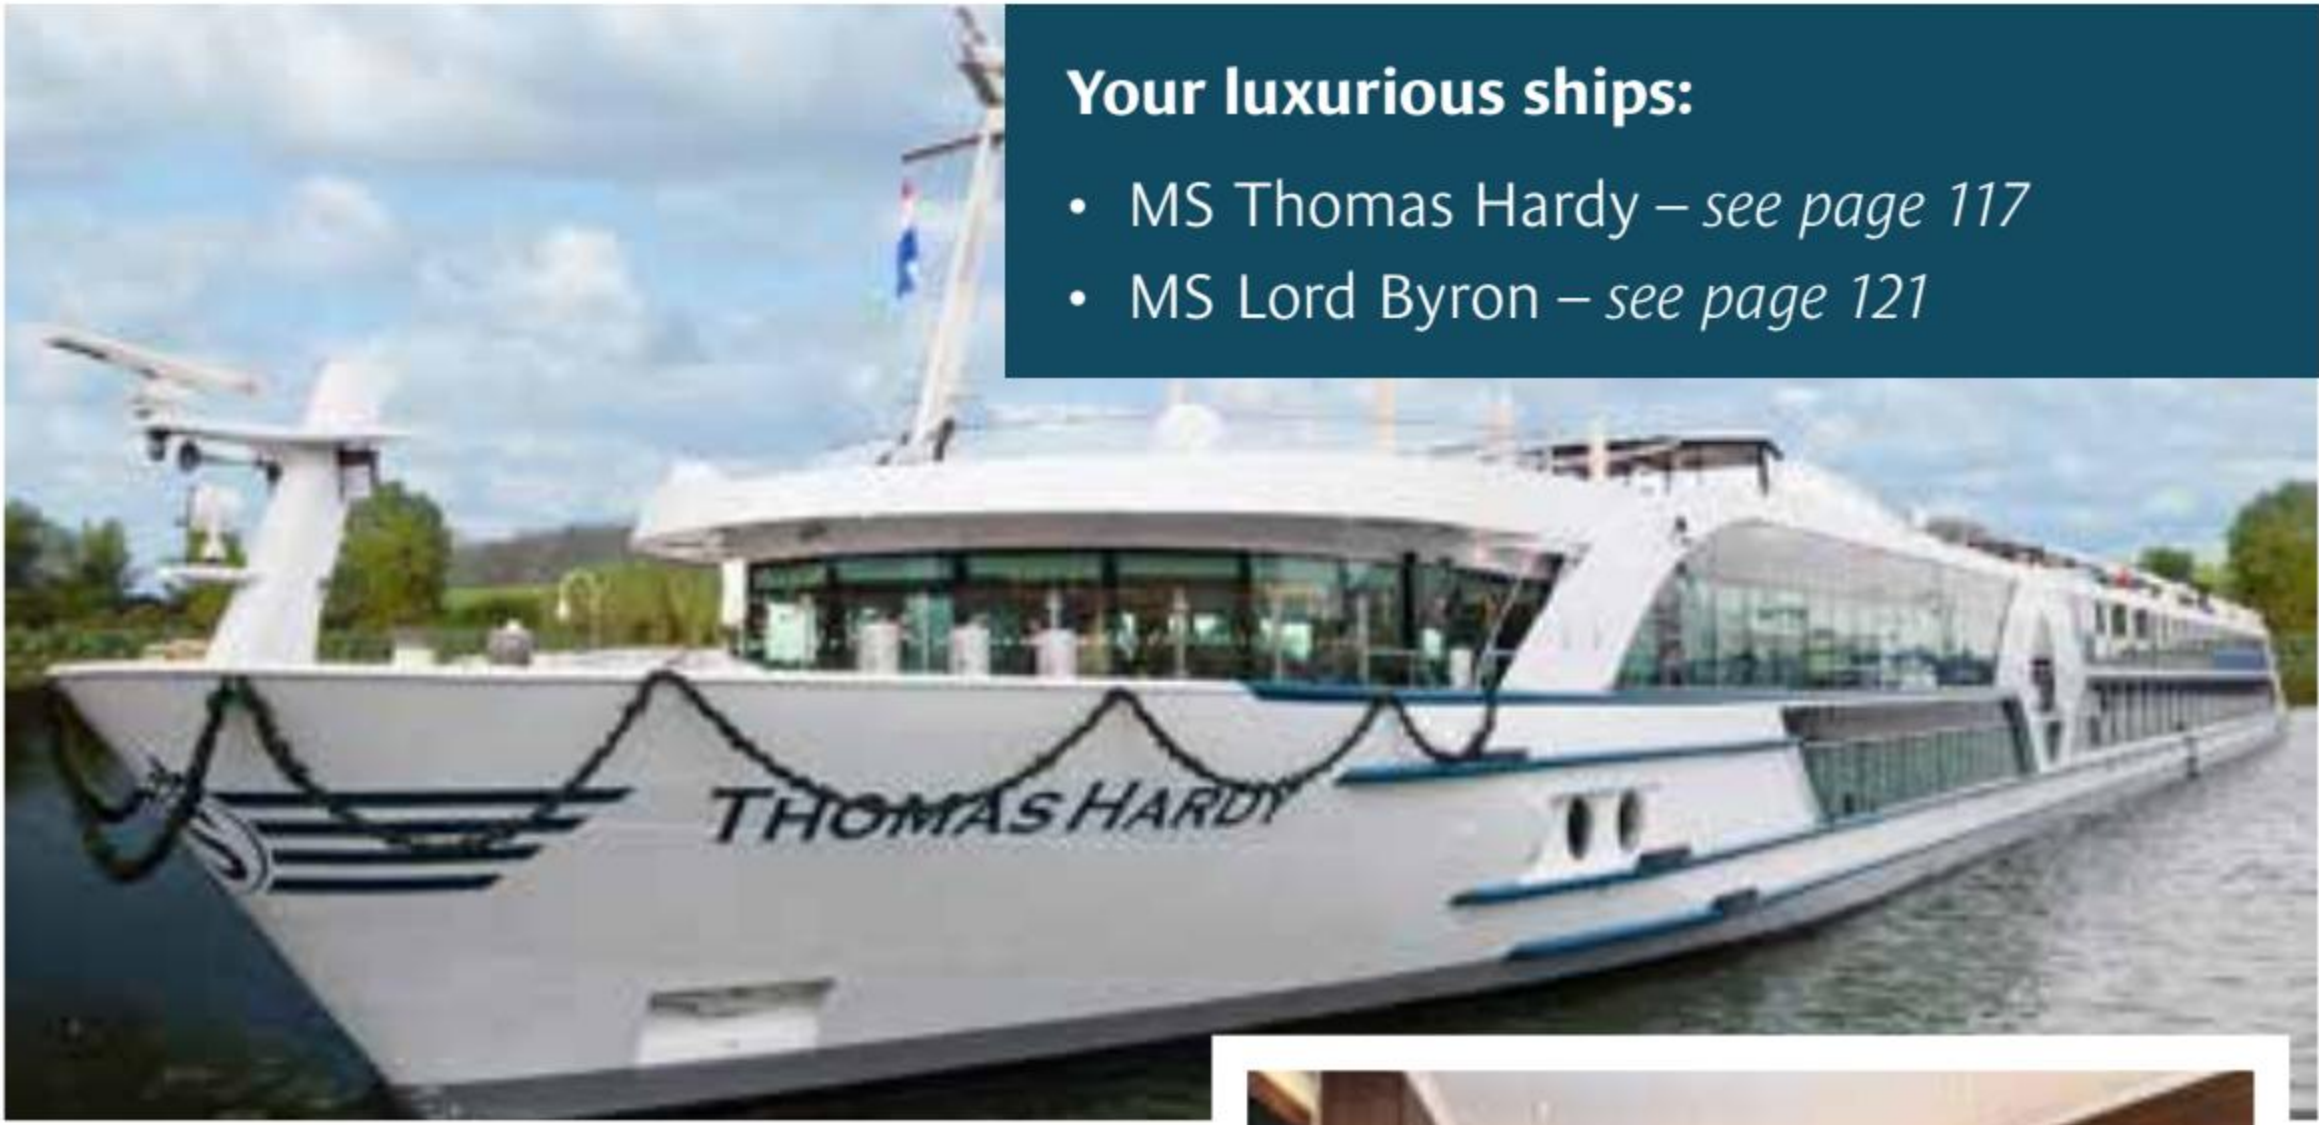

Arles

DAY 6 – Arles & Pont du Gard

You awake under the azure skies of deepest Provence and amid the warm stone colours of Arles, many of whose historic monuments are UNESCO World Heritage Sites. Although small in size, it was the key stronghold on the Roman road to Spain, one of the empire’s richest possessions. Seagoing ships could reach here and the city became a regional capital, briefly ruling over Gaul, Spain and Britain. Our guided tour will help you appreciate the finer points of Arles’s magnificent Roman remains, including the splendid amphitheatre, one of the best preserved in the world, the earlier theatre built during the reign of Augustus and the Alyscamps, the ancient necropolis with its extraordinary atmosphere. Alternatively, if you are interested in art – especially Van Gogh – you can opt for a tour of Arles, where you learn about his life and work. The disturbed but great genius of an artist Van Gogh lived in Arles for just over a year, from February 1888. It was his most prolific period and, inspired by Arles and the light and beauty of the Provençal countryside.

After lunch we visit the amazing Pont du Gard Roman aqueduct, one of the wonders of the ancient world. No amount of fame can diminish the first sight of this 2,000-year-old structure, which was the highest bridge

built in the Empire – the Romans themselves considered it the most important testimony to their greatness. Its statistics are staggering: over 900 feet long and almost 160 feet high, with its stones each weighing up to six tons. Rejoining the ship, we cruise along the Rhône and, during dinner, pass the imposing 15th-century castle at Tarascon standing guard on the river bank. (B,L,D)

Included Experiences – Morning option 1: Guided tour of Arles, focussing on its Roman history. Morning option 2: Guided tour of Arles, focussing on Van Gogh’s life and work in Arles. Visit to the Pont du Gard

DAY 7 – Avignon

Today, we embark on a guided tour of Avignon, one of the most extraordinary and intriguing cities in France. The city is immaculately preserved, nestling behind its almost-intact 14th-century walls and boasting more remarkable monuments, superbly decorated buildings, churches, chapels and convents than you can possibly count. Most important is the stunning Popes’ Palace, made up of two buildings that together form the largest Gothic palace in the world. With turrets, towers, parapets and other fortifications, its exterior resembles a mighty fortress, while the interior is a tour de force of medieval architecture and ornamentation, adorned with priceless frescoes, Gobelin tapestries and graceful sculptures. Exclusive cruises

All our European river cruises are exclusive to guests of Riviera Travel and we personally select every aspect of the cruise itinerary. We want to ensure that you enjoy the outstanding service we are renowned for.

Fine culinary experiences

Fine dining experiences await on board your next river cruise. From buffet breakfasts, delicious lunches and four course dinners.

Local Flavours

Across our fleet, your chef will prepare a range of dishes every evening, inspired by the regions that you cruise through. Whether it's a traditional Hungarian soup flavoured with smoky paprika, a French cassoulet or indulgent Dutch dessert.

Additionally, our expert sommeliers have carefully selected a choice of wines which showcase popular and lesser known grape varieties. Some wines will have been produced from vineyards just a few yards away from the restaurant.

Look out for 'Local Flavours' on your menu every evening.

First-class flexible dining

Start your day with a bountiful breakfast buffet in our main restaurant, featuring over 60 delicious options. At lunch choose your main course, including a chance to try some local dishes, of course. Crispy salads from the buffet or hard-to-resist dishes at the pasta station are also on offer. And at the end of the day, sit down to a four-course à la carte dinner featuring the dishes you know and some soon-to-be favourites. You'll be begging our chefs for the recipe. And if you want more, double portions are available on request.

No other place on Earth evokes mystery and wanderlust like Egypt. And there's no better way to experience this ancient and fascinating country than on a cruise along the Nile.

The Nile

Your Itinerary

DAY 1 – Arrival in Cairo

Fly to Cairo, transfer to our hotel and settle in for a three-night stay. (D)

DAY 2 – The Pyramids, Sphinx & Coptic Museum

Drive to the Giza plateau for a close-up view of the Great Pyramids. The truly gigantic size of the three main pyramids only becomes fully apparent when they tower above you in all their majesty. Also marvel at the mighty Sphinx, one of the world's largest free-standing sculptures. After your visit, lunch will be served at a local restaurant. This afternoon, we visit King 'Tut's' tomb; its treasures form the centrepiece of the Egyptian Museum. (B,L,D)

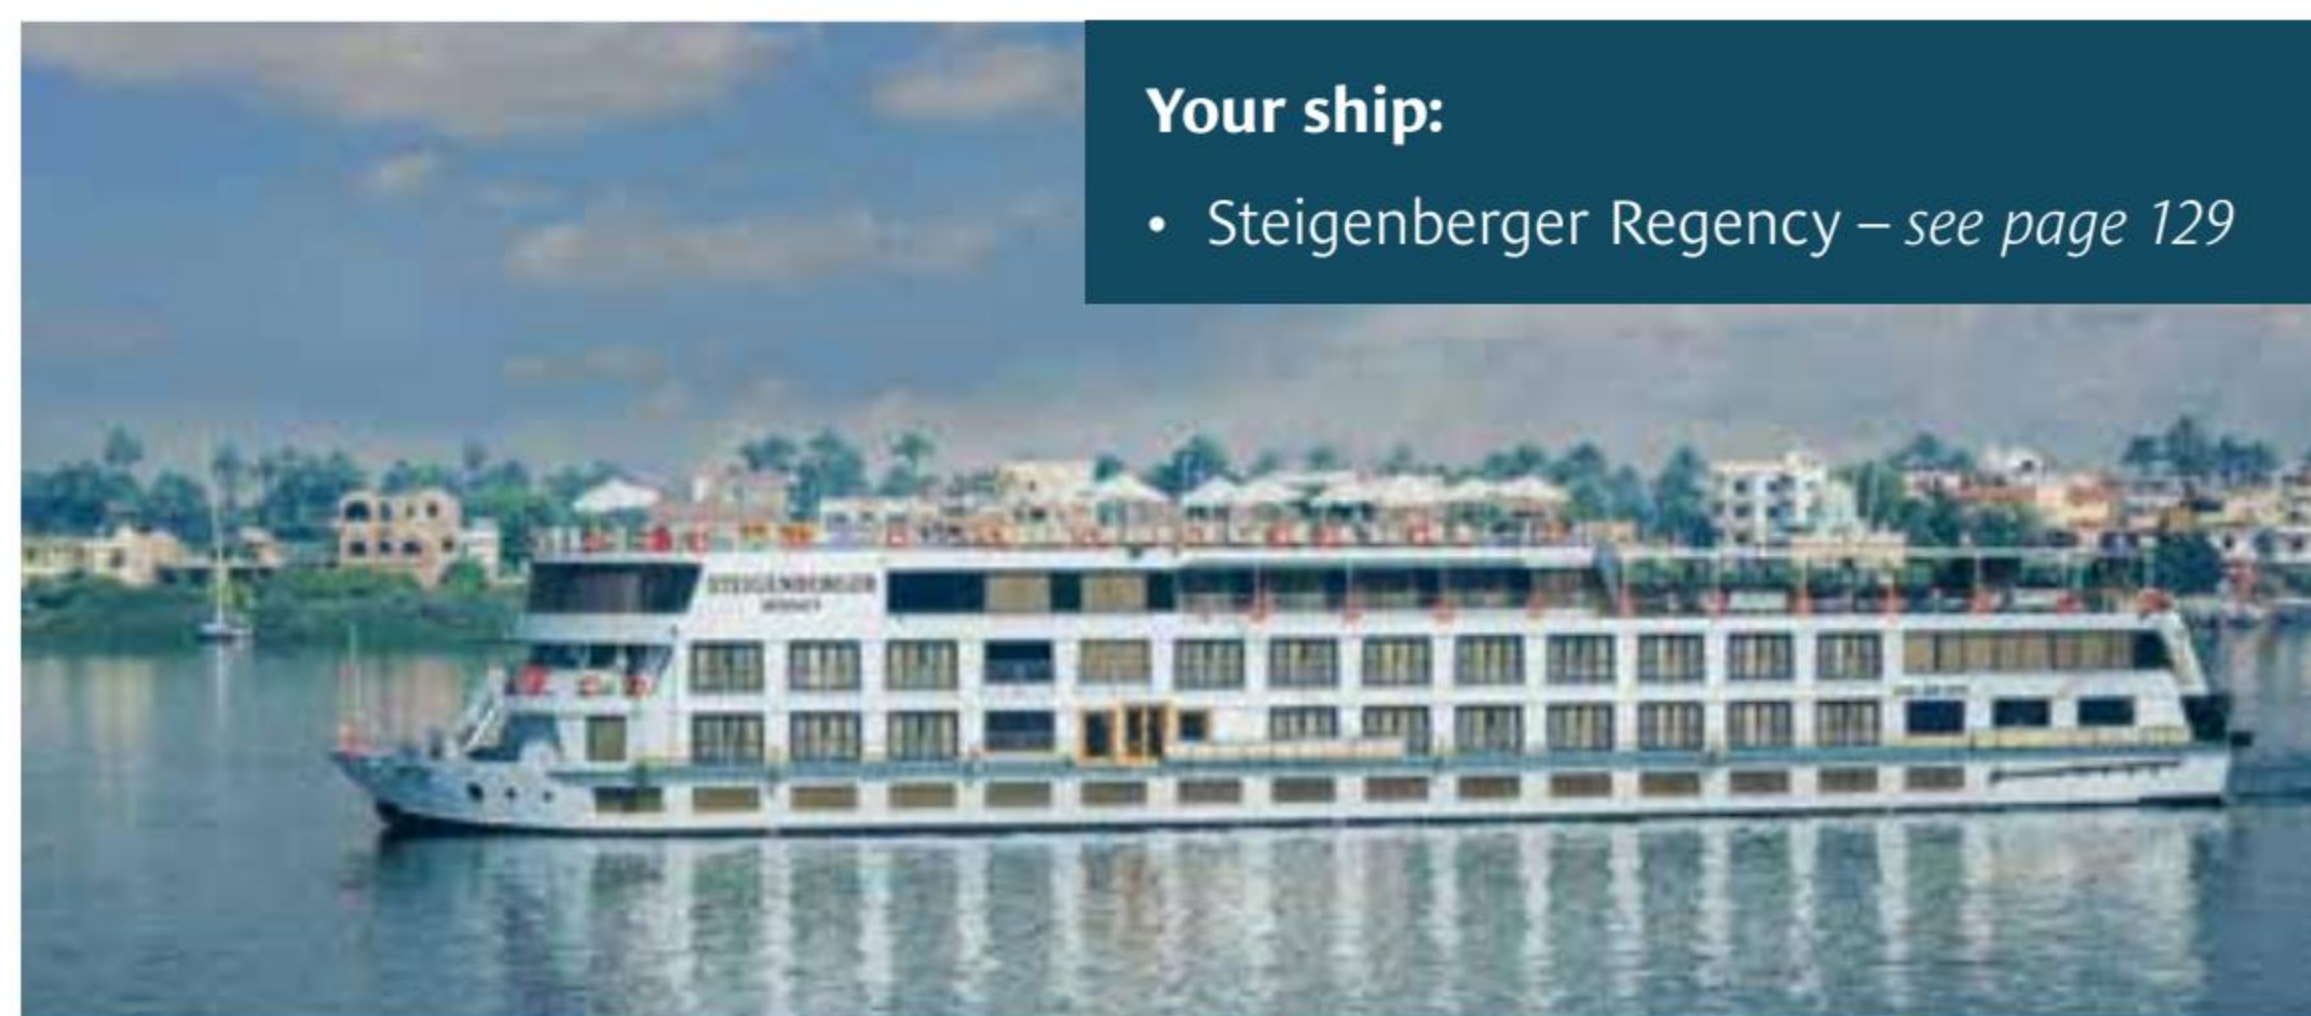

Included Experiences – Visit to the Great Pyramids of Giza and Sphinx & the Egyptian Museum

DAY 3 – Coptic Cairo & Citadel

This morning, we'll explore Old Cairo's Christian history and see the remarkable 3rd century 'Hanging Church', the Coptic Museum and the Ben Ezra synagogue, said to be the place where the Pharaoh's daughter found Moses in his basket amongst the reeds.

After lunch at a local restaurant, enjoy a guided tour of the Citadel of Cairo, seeing the Mosque of Muhammad Ali and the Khan El-Khalili Souk. It's a treasure trove of Egyptian culture with bustling streets filled with local artisans and vendors selling everything from traditional souvenirs to local spices and handicrafts. (B,L,D)

Included Experience – Visit to the Temple of Hathor in Dendera

DAY 6 – Kom Ombo

Relax with a morning sailing. Later, we'll arrive in Kom Ombo and visit the magnificent temple. Unusually it's dedicated to two gods, Horus (the falcon-headed god) and Sobek (the local crocodile god). This duality is cleverly reflected in the architecture – there are twin entrances, two linked hypostyle halls and twin sanctuaries. After your visit, sail to the city of Aswan where your ship will moor overnight. (B,L,D)

Included Experience – Visit to the Temple of Kom Ombo

DAY 7 – Aswan

This morning, we'll visit one of modern Egypt's greatest achievements – the Aswan High Dam. Measuring more than 2 miles long at its crest, it was completed in 1970 after 11 years of construction.

We'll continue to the tiny island of Philae – a mere 450m long and less than 150m wide, and home to the Temple of Philae. We'll visit the Nubian Village of Gharb Soheil where we will be greeted by the sight of its majestic domed mud-brick houses. As we wander through the village on foot, we'll experience the bustling energy of local life and see local artisans, who craft exquisite textiles, jewellery and pottery, while families go about their everyday lives. You'll also see the Unfinished Obelisk. Despite not being completed, it is without a doubt the largest obelisk ever constructed and offers a valuable insight on how such structures were created in ancient Egypt.

Following lunch back on board, we'll hop on a traditional Egyptian wooden sailing boat for a tranquil felucca cruise, crewed by a friendly local sailor. (B,L,D)

Included Experience – Visit to the Temple of Edfu

DAY 10 – Temple of Karnak

Visit the Temple of Karnak and the astounding Hypostyle Hall. Another highlight is the great Obelisk of Hatshepsut, carved from one 97-foot-high block of polished red granite, and weighing over 300 tons. It has stood here for over 3,450 years – a testament to the ability and ingenuity of its creators.
