The Riviera difference

Your time away is precious and should never be compromised. Nobody knows that better than us. It's a privilege that our guests trust us time and time again to look after their holiday plans, and that's why we never take anything for granted.

Unrivalled holidays, created by our Masters of Travel

At Riviera, we are totally obsessed about travel. Holidays can be where some of the best memories of our lives are made. It's no small feat to create our tours and cruises, and we are proud to call ourselves 'Masters of Travel', curators of the finest holidays. A bold claim, but one we really believe in. Our specialists go the extra mile when creating our itineraries, and they are genuinely passionate about the destinations we visit, so when you book one of our holidays, you know you are getting decades of experience in every detail.

This also shows in how we've thoughtfully balanced out seeing the iconic sites each destination is known for, with time to tread the paths less travelled so that you can really get under its skin and get a new perspective away from the tourist trail.

And we're so confident in the quality of our itineraries that we offer a 'Happiness Guarantee': If you're not completely happy by the second day of your holiday, we'll bring you straight home and give you a full refund.

We'll look after you like family

When you book with Riviera Travel, you are not just booking a holiday, you are joining our family. That may seem extreme for a travel company, but we really mean it - we'll take care of you as one of our own. But the proof is in the pudding. That's why we've been awarded the esteemed 'Recommended Provider' accreditation by Which? for 13 years, and why 96% of our customers would book with us again. Our knowledgeable and friendly team are committed to making every step easy and enjoyable - from the moment you first contact us, to the very end of your journey when you arrive home happy and with a camera full of memories.

While you travel, our experienced Tour Managers will go above and beyond to ensure every aspect of your holiday runs smoothly. So, with every detail taken care of, all you need to worry about is your packing!

Exclusive travel, without the price tag

One thing we will never compromise on is quality. It's at the heart of every Riviera Travel holiday. It's not just the hand-picked hotels that are a given when booking a holiday - although they are included, of course - but it's also the small-but-important details, such as all of the included experiences with passionate local guides and an expert Riviera Tour Manager looking after you throughout.

We believe that travel shouldn't cost the earth and we offer the best value for money - we're so confident you won't find the same quality of experience for less elsewhere that if you do, we'll refund you the difference.

We know it's normally rude to discuss age, but we're incredibly proud to have 40 years of experience as the UK's leading tour operator. It's this history, the scale of our business and the strong relationships we've built with our suppliers (which enables us to negotiate exceptional rates) that means we can offer such remarkable value - and we pass those savings straight back to you. Our prices are fair and straightforward, with no hidden extras.

You make the choices, we do the hard work

Variety is the spice of life, and there's no 'one size fits all' when it comes to the perfect travel experience. To make sure you can tailor your holiday to suit you, we've built choice into every aspect of our holidays, putting you in control. Choose from our extensive collection of holidays, then customise your experience to your exact requirements. Whether you want to upgrade your travel, extend your trip, or add special excursions or visits to suit your interests, we'll do the hard work behind the scenes to bring your perfect trip to life. But freedom and flexibility doesn't mean a lack of support. You'll be looked after by our award-winning team every step of the way, and if anything goes awry, we'll take care of it so you can enjoy every single moment.

Holiday happiness. Guaranteed.

Holidays should be all about you enjoying yourself, without having to worry about the little details. That's where we shine. Here are just a few of the ways we look after you so that you can feel completely confident that we're the right choice for your next adventure.

Holiday Happiness. Guaranteed.

You're always protected by our Happiness Guarantee; if you're not happy by day two of your holiday, we'll bring you home with a full refund.

Your money is safe and secure

No matter what, your money is safe and secure and fully protected by ABTA and ATOL.

24/7 access to UK based team

We're on hand before and during your holiday. If anything were to go awry during your travels, you can call our emergency number at any point.

Price promise

You'll usually get our lowest prices by booking early. But should we ever drop the price after you've booked, we'll automatically send you a Future Travel Voucher for the difference in value, plus an extra 25%.

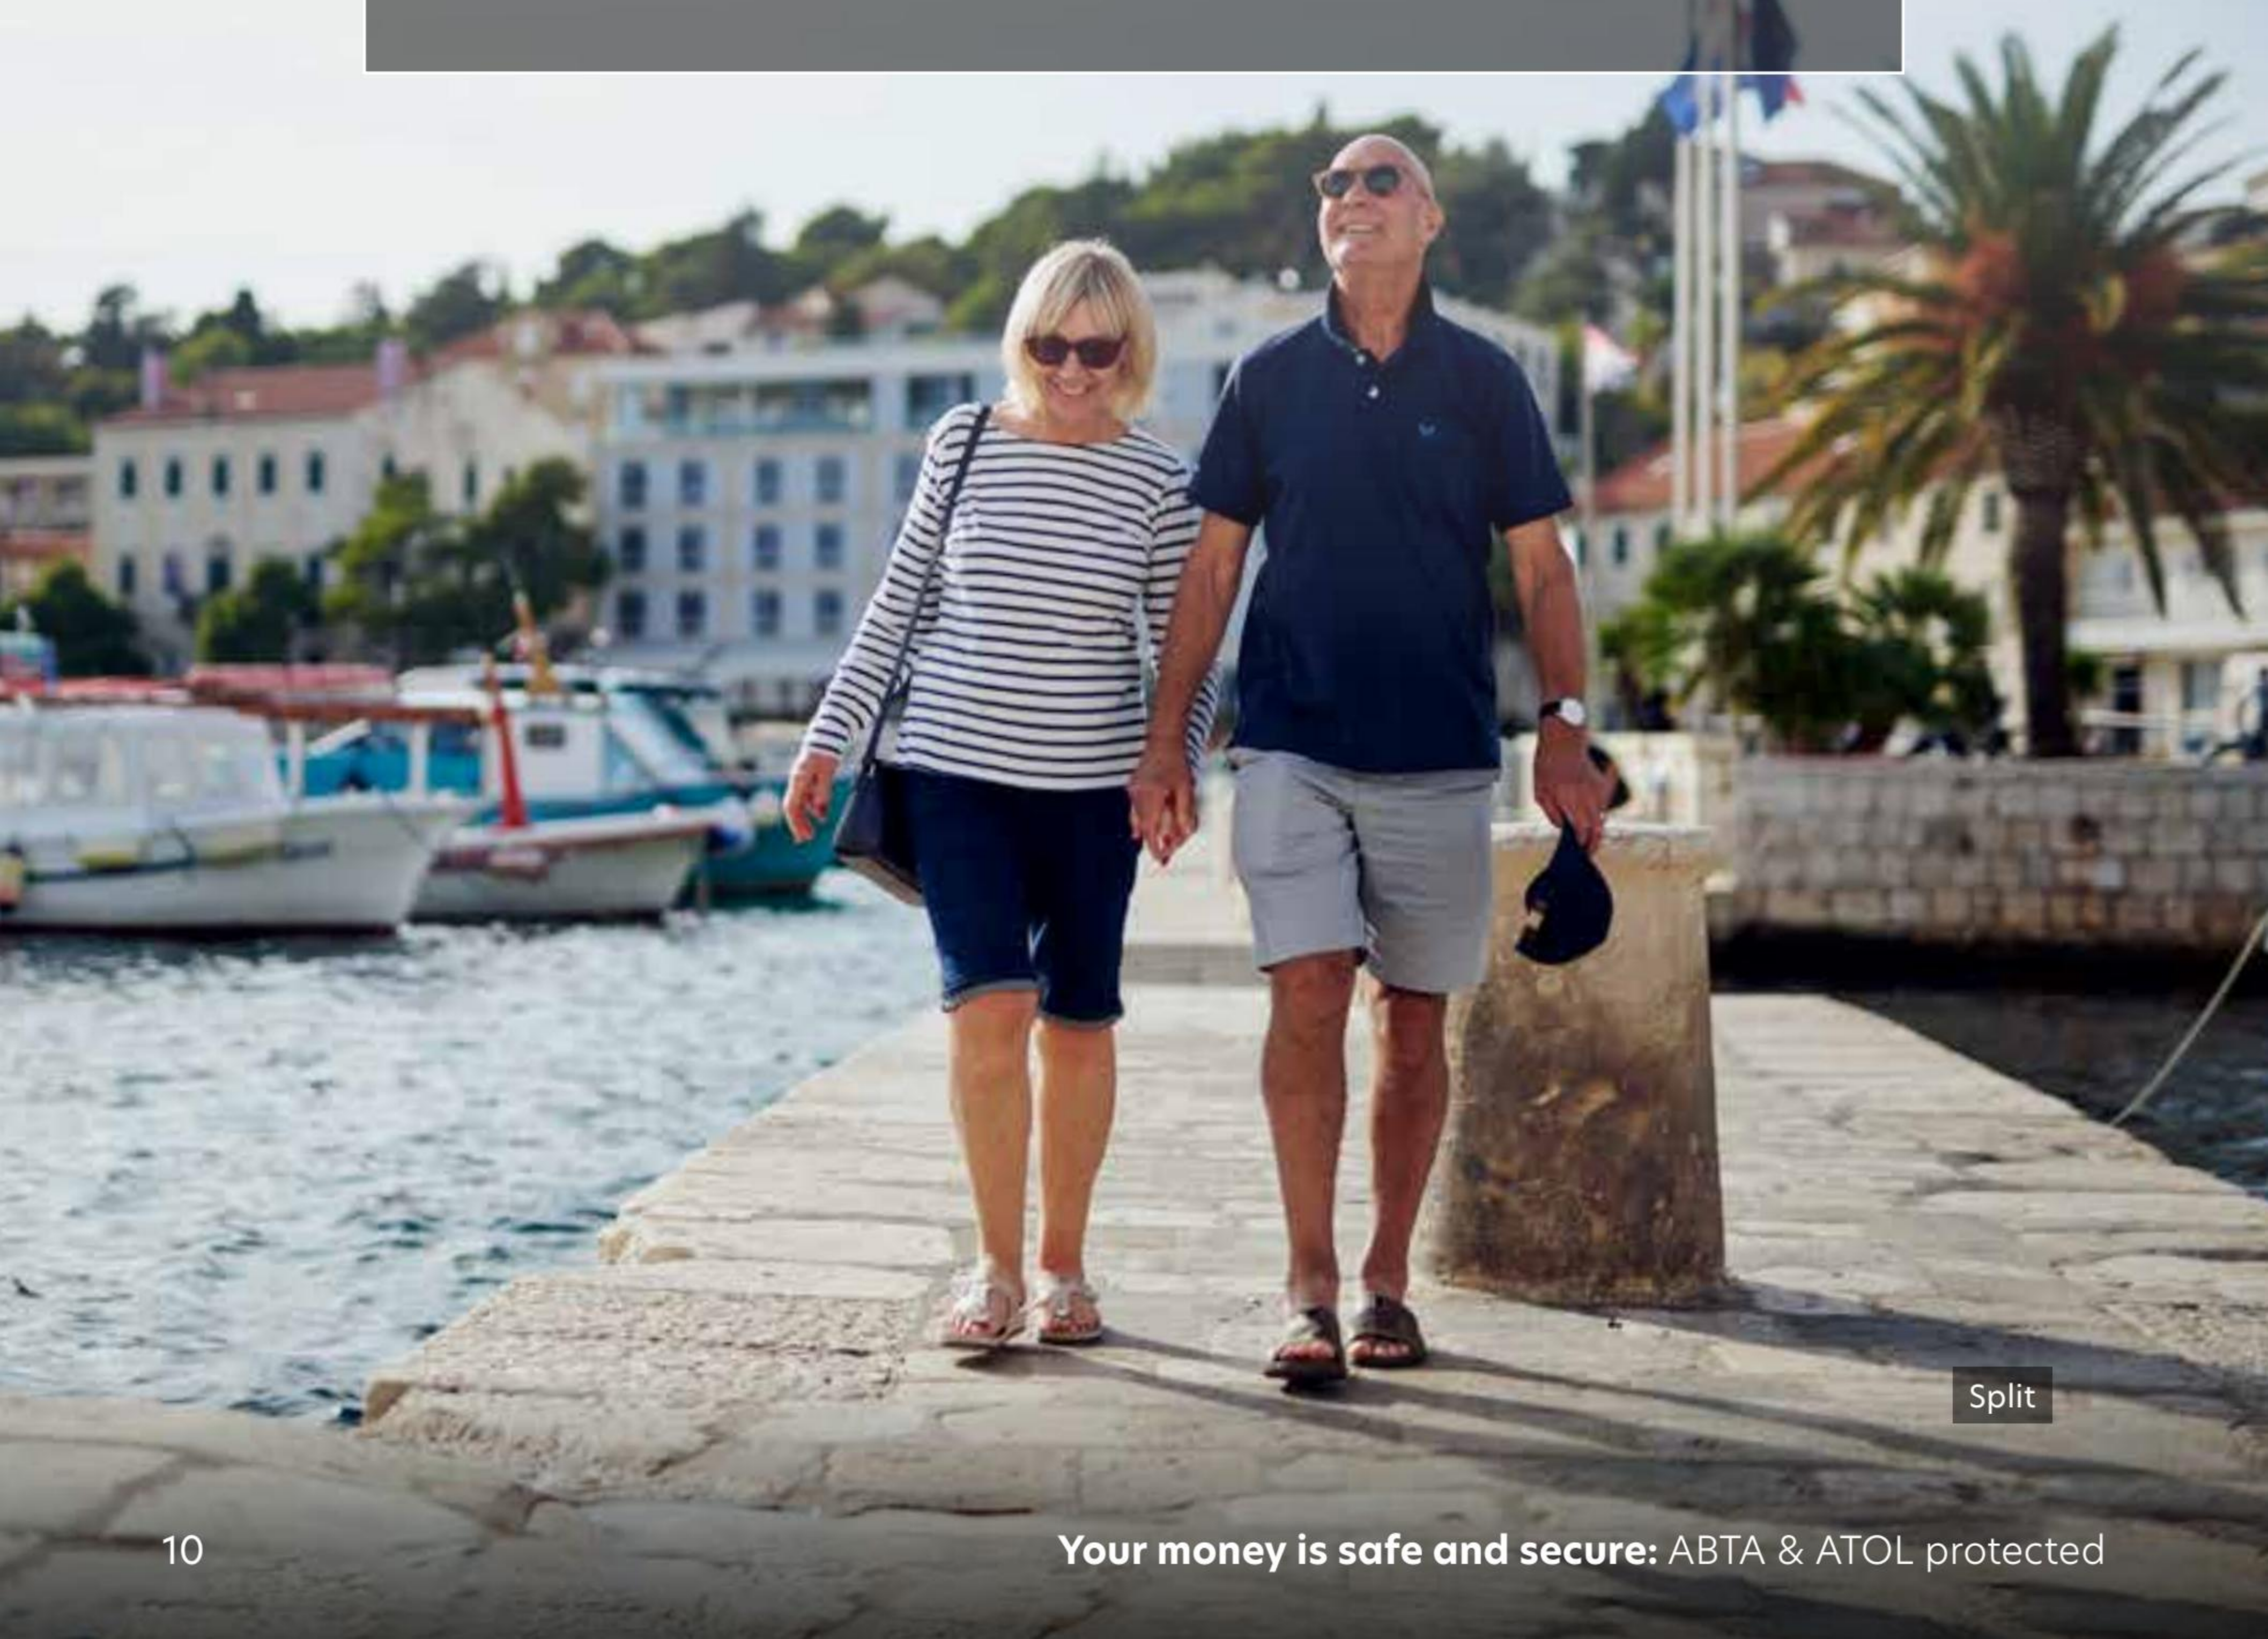

Unbeatable value for money

We have 40 years' experience creating holidays and nurture exceptional relationships with our suppliers across the globe, so rest assured that your holiday will always be unbeatable value for money.

Free Wi-Fi

Stay in touch throughout your cruise.

Free time to relax or explore

Our yacht cruises are planned so you have plenty of time to relax and enjoy life on board and when ashore, wander at your own pace – the perfect balance.

Idyllic swim stops

Drop anchor in pretty bays and quiet coves far from the crowds, to swim off the ship's platform as if it were your own private yacht!

Exclusive cruises

All our Adriatic yacht cruises are exclusive to Riviera Travel guests, and we personally select every aspect just for you.

Life on board

It's no exaggeration to say that our yachts are super stylish and sophisticated, but don't worry about it being overly formal - life on board is leisurely and relaxed. And with an impressive 4:1 guest to crew ratio, you can expect attentive, personal service. You'll never want to go home.

A typical day

It goes without saying that you'll be starting the day right with a delicious breakfast, and it's a real event as you'll be eating as you sail the Adriatic's turquoise waters, staying close to shore so that you get glorious coastal vistas. While away the minutes with a lazy morning on the sun deck, letting the lapping waves slowly wake you up.

Next, it's time to drop anchor in a tranquil deserted bay. You may even be able to convince yourself that this is your own private yacht, as you jump (or gently step) off the back of the ship for a refreshing swim. Back on board, there's more relaxation with unreal views on the menu as you tuck in to a delicious lunch, chatting with your fellow cruisers about what lies in store at the next port of call.

Speaking of ports, when you arrive, you'll hop ashore and instantly be immersed in Croatian culture and history. The cobbled streets and honey-coloured buildings add another layer of magic and are just perfect for getting lost in. Find hole-in-the-wall eateries serving up gelato and pastries, browse the little shops filled with curiosities, then find a spot to sip an aperitif as the sun goes down. Then, as we're sure you've worked up quite an appetite by now, you'll find a restaurant of your choice (the crew can make recommendations if you need it), then top off the evening with your favourite nightcap on the ship's terrace.

Relaxed dining

What tickles your fancy for breakfast? Eggs and bacon? Pastries and coffee? You'll not be bored on board as you'll have a selection of hot and cold options. Lunch and dinner are even better, if that's possible, with mouthwatering set menus inspired by local cuisine. Enjoy delicious meat and fish dishes and crisp salads, all freshly prepared and served with finesse and a smile. Of course, no cruise is complete without the superb Captain's Dinner, when the chef serves an extra-special menu inspired by Croatian and Mediterranean flavours. It's a highlight, for sure.

Casual elegance

You can leave your ball gown and tux at home as shorts and t-shirts are the order of the day! And there is no seating plan, so you choose your own table and dining companions. We won't be surprised if you

quickly get to know your crew and fellow sailors on first name terms, as the atmosphere on board is so warm and friendly.

Your choice of restaurants ashore

Sampling the local cuisine on holiday is all part of the fun as far as we're concerned, so we've made sure there's times to dine ashore when lunch or dinner is not served on board. Our ships are moored overnight so every evening you can step straight off the vessel for an evening stroll or a digestif with the locals in an atmospheric little bar before heading back on board.

Your exclusive yacht

Elegant, glamorous, exclusive. If your idea of a perfect holiday includes these three words, it's time to consider a Riviera Travel yacht cruise.

Opulence on board

You'll feel like the captain of your own ship as you stand on the sun deck as the yacht glides along the postcard-worthy Adriatic coastline. On the deck below you'll find the elegant-yet-informal restaurant and bar where you'll be dining in style with your fellow travelling companions whilst enjoying those endless views through the panoramic windows. And if you're not ready for the night to be over just yet, there's the stylish terrace area, which is the perfect spot to catch up on some reading or for a chat over coffee (we won't tell anyone if you make it Irish!).

MS Il Mare – see page 56

MS Mendula crew

Welcoming, professional crew

It goes without saying that every tiny detail is meticulously inspected before you're welcomed on board. Your friendly crew are always on hand to look after your every whim without ever being intrusive, and with a generous 4:1 ratio of guests to crew, you are guaranteed that personal attention that makes you feel like a VIP. Working closely with the Riviera Tour Manager, the English-speaking crew will anticipate your every need in a manner which is intuitive and efficient yet discreet and friendly.

Your cabin

A holiday is the last place you should be compromising on comfort. That's why our cabins are stylish and restful, providing the perfect haven to unwind and recharge.

Get comfortable and cosy

You'll often hear us compare our ships to a floating boutique hotel, but that's because it's true! Whichever deck you choose, our elegantly furnished, fully air-conditioned cabins are the perfect place to relax.

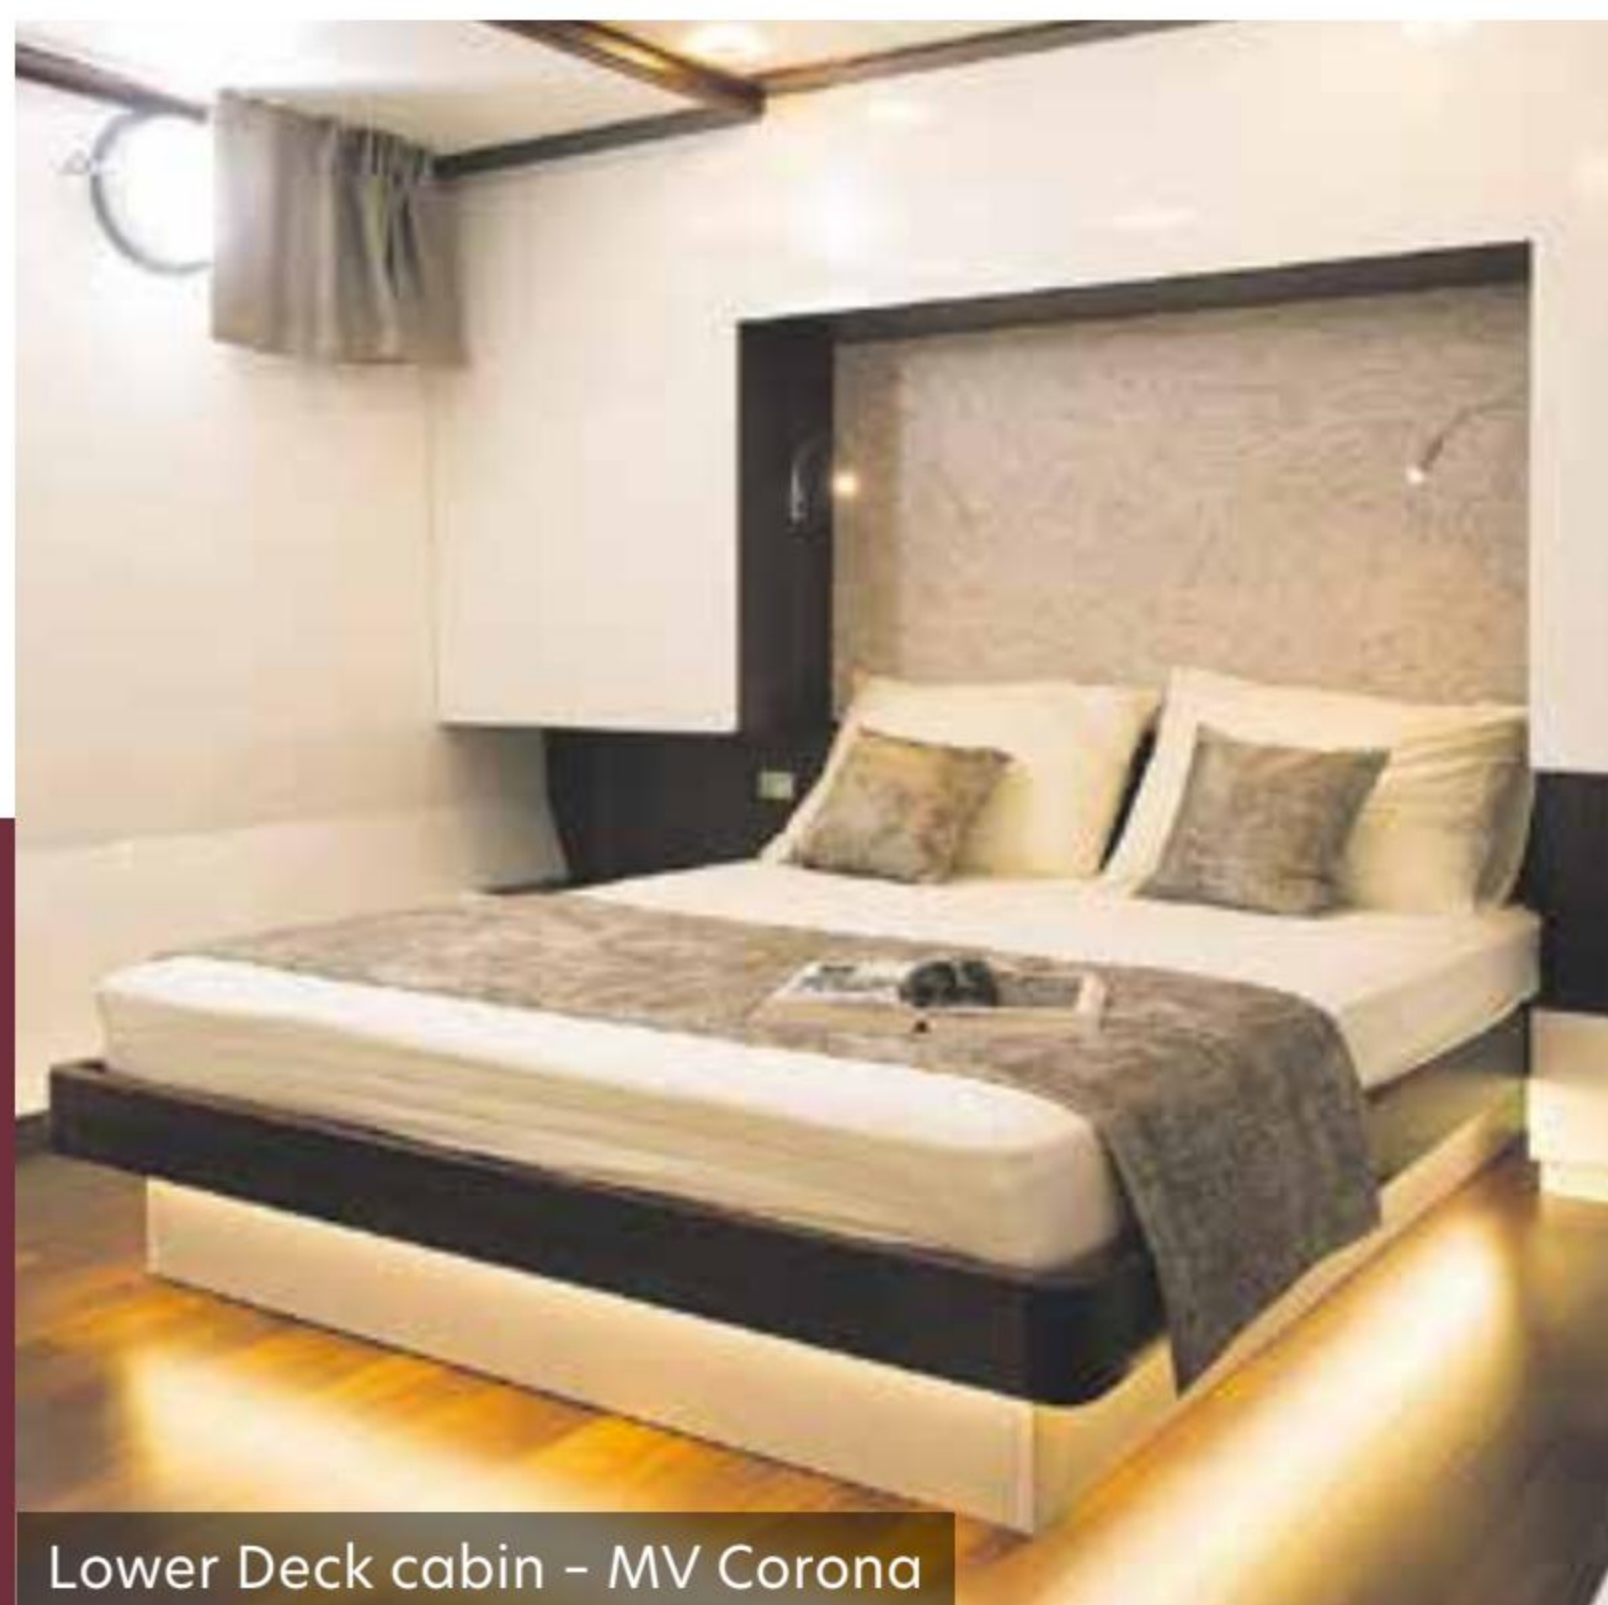

Cabins are surprisingly bright and airy, with comfortable hotel-style beds made up with crisp linens, and well-appointed en suites. Cabins mostly have porthole windows to allow plenty of natural light in, but some ships also have cabins with their own private balcony so you can enjoy the panoramic views in the privacy of your own home-from-home.

Bathroom - MS Adriatic Sun

DAY 8 - Dubrovnik, Kravice Falls & Mostar

This morning we'll say farewell to your crew, disembarking MV Corona and heading inland for the next leg of our adventure, across the border and into Bosnia and Herzegovina.

One of the most beautiful natural sites in the country, Kravice waterfalls is located on the Trebižat River. The falls stand approximately 25 metres high with 20 waterfalls cascading into the lake below. Enjoy a visit here to admire the crystal waters and lush green surroundings.

Kravice Falls

Continuing on, we'll visit a local winery for a tasting that includes local prosciutto and cheese followed by a traditional 'under the bell' lunch.

This afternoon, we will arrive at the city of Mostar. We'll enjoy a short, guided tour this afternoon absorbing the sights and sounds of this atmospheric place, admiring the mix of centuries-old Turkish architecture jostling alongside fine 19th-century buildings reminiscent of Central Europe. What stories these cobbled streets could tell as you wander the ancient alleyways, where artisans fashion metalwork in tucked-away workshops as they have done for centuries. (B,L)

+ Included Experiences - A visit to Kravice waterfalls, a visit to a winery with prosciutto and cheese tasting and a guided tour of Mostar

DAY 9 - Sarajevo

We'll venture out to the capital of Bosnia and Herzegovina, Sarajevo. This hidden gem brings together a wealth of history and culture. Situated in a valley with a river running through its centre and surrounded by forests on all sides, the city seems like it's been plucked from the pages of a fairytale.

On our guided tour this morning, we'll see the Sebilj Brunnen Fountain and Gazi Husrev-beg Mosque - built in 1530, it's the largest in Sarajevo Centre. We'll see the spectacular City Hall built in

pseudo-Moorish style between 1892-1894. As well as stroll along the Miljacka river, passing the Latin bridge – the site of the assassination of Archduke Franz Ferdinand of Austria in 1914, which began the July Crisis that ultimately led to the outbreak of World War I.

After our morning tour, there'll be some free time for lunch – the cobbled streets of the 15th-century old town, or Bascarsij, are the perfect place to soak up a slice of local life and enjoy a spot of people-watching with a cup of Bosnian coffee.

We'll then visit the Tunnel of Hope Museum to learn more about the history of Sarajevo and the site itself. Built during the 1992 – 96 siege, when Sarajevo was surrounded by Bosnian Serb forces and supported by the Yugoslav's People's Army, the Tunnel of Hope was the city's only link to the outside world. It was thanks to the 800m-long, 1m-wide, 1.6m-high tunnel between two houses on opposite sides of the airport runway that the besieged city of Sarajevo regained access to just enough food and electricity to survive and by the end of the war, it also housed telephone lines and oil supplies.

Later, we'll return to Mostar and spend the evening at leisure. (B)

+ Included Experience – Full-day tour of Sarajevo, including a visit to the Tunnel of Hope Museum

DAY 10 – Mostar, Vjetrenica & Trebinje

On our way out of Mostar, we'll make a short stop at a local Turkish coffee house, evidence of the longstanding influence of Ottoman rule in the region, for a tasting. Coffee has been a part of

life here since the 16th century as coffee houses became social centres where people gathered to talk, listen to music or play games- a tradition that is still practised today.

Continuing on to Vjetrenica, in the Dinaric Alps Mountain range, we'll visit a fascinating cave system. Its main canal nearly two and a half thousand metres long and the largest lake, some one hundred and eighty metres long. It's been described as the richest cave in the world in terms of its subterranean biodiversity, providing a home to more than 200 animal species, of which 40 were discovered right here in the cave system – it's so important it was granted UNESCO World Heritage status.

After our visit to the caves, we'll drive to Trebinje, situated on the banks of the Trebišnjica River in the heart of East Herzegovina. Here we'll spend our last evening. On arrival, you can enjoy some free time for a bite to eat before our guided tour this afternoon. Our local guide will introduce us to this enchanting town with a compact centre, including a small walled town and market square – perfect for exploring on foot. This evening, we'll enjoy a farewell dinner at the hotel – a chance to reminisce on the highlights of the trip. With your new-found friends. (B,D)

+ Included Experiences – Visits to a Turkish coffee house and the Vjetrenica caves and a guided tour of Trebinje

DAY 11 – Return home

After breakfast, bid farewell to Bosnia and Herzegovina, transferring back over the border to Dubrovnik airport for your flight home. (B)

Your itinerary

DAY 1 - Arrival in Split & Trogir

On arrival in Split, we'll transfer to our hotel in Seget Donji, just along the coast from the charming town of Trogir.

We'll spend the rest of the day at leisure (flight time permitting) so there's time to settle into your hotel or perhaps take a short stroll down to the pretty seafront. If you're feeling a little more energetic, the centre of Trogir is less than a 25-minute walk away. In some of the bars here, you might see signs advertising 'free grappa' – shot glasses of grappa come round on a little tray, signalled by the tinkling of a bell that has an almost Pavlovian effect on those in the know.

This evening, you can meet your fellow travellers as we dine together for a welcome dinner in the hotel. (D)

DAY 2 - Trogir & farm visit

Our day begins with a walking tour of Trogir. In the paved streets tucked behind an attractive waterfront and imposing 15th-century walls of this UNESCO-protected town is a cornucopia of historical buildings. Around every corner looms another palace, church, tower or fortress to see.

After exploring Trogir, we'll have worked up an appetite so our next stop in the vicinity of Vodice is perfectly timed.

Here, at a traditional family-run farm specialising in prosciutto-making, we'll stop to savour a taste of Croatia during a delicious farm-to-table lunch in the countryside. After lunch, we'll continue on to our hotel in the Plitvice Lakes area, where we'll stay for two nights, and enjoy the rest of the day at leisure. (B,L)

+ Included Experiences - Guided walk of Trogir and visit to a family farm with lunch

DAY 3 - Plitvice National Park

Today, be prepared to be mesmerised by the beautiful lakes and waterfalls of the Republic of Croatia's oldest and largest national park, Plitvice Lakes.

Located in the mountainous region of Lika, halfway between Zagreb and Zadar, the park is home to a series of around 90 sparkling waterfalls that connect 16 turquoise-coloured lakes. The highest waterfall, Veliki Slap - or Great Waterfall - stands 78 metres high but Sastavci Slap is considered the most beautiful waterfall in the park, situated in serene surroundings near Novakovića Lake. Rumour has it, it's affectionately named after a local man who was always seen crossing the lake in his boat.

Here, we'll enjoy a guided tour to discover the park's natural beauty for ourselves as well as a boat ride across the emerald green Kozjak Lake, the largest and lowest in the area.

After our visit, we'll head to a nearby restaurant for a late lunch before visiting

Korana. This quaint village is home to historical architecture, including one of the oldest mills still in operation, a water drive sawmill and a promenade along the Korana River. If the weather is warm, you might even spot some locals swimming in its clear waters. (B,L)

+ Included Experiences - Guided tour of Plitvice Lakes National Park and visit to the village of Korana

DAY 4 - Plitvice - Split

This morning, we'll transfer to the vibrant city of Split arriving at lunchtime to join your superb four-star ship, MS Adriatic Sun, your home for the next seven nights. The captain and crew will be on hand to welcome you.

For the rest of the day, it's time to relax! Perhaps you'll catch some 'rays' on the sun deck or take a stroll ashore. It'll soon be time for dinner and the ship's restaurant awaits. Perhaps later take an after-dinner stroll ashore in this most magical of cities. (B,D)

Arrive in Dubrovnik, transfer to our ship and relax with an evening at leisure in this historic city. (D)

DAY 2 - Mljet National Park & Trstenik

We'll have a swim stop this morning as we sail from Dubrovnik to Mljet. Here, we'll enjoy a visit of the stunning national park, including the tiny islet of St Mary's with its 12th-century former Benedictine monastery.

Later, we'll take a short voyage to the pretty little seaside village of Trstenik where we remain moored overnight so you can have dinner at your leisure in this charming spot. (B,L)

+ Included Experiences - Visit of Mljet National Park & visit to Trstenik

DAY 3 - Makarska

Our leisurely morning sailing, including a swim stop in the beautiful waters of the Adriatic, takes us to Makarska. Here, you can enjoy views of Mount Biokovo and discover the town's history of piracy. Our hosts will guide us through a carefully curated selection of delicious local wines, sharing their deep knowledge and captivating stories. DAY 9 - Kotor Bay

Experience the delights of Kotor Bay today as we venture over the border into Montenegro. Arriving in idyllic Perast, where the echoes of Venetian rule is etched in its architecture, you're greeted by traditional stone buildings that ascend the hillside from the water. We'll visit its famous man-made island, crowned by Our Lady of the Rocks church, with its striking blue dome, on a boat ride. Inside the church and museum, there's much to admire - all donated by grateful locals - including a collection of paintings by Perast-born Tripo Kokolja, a 17th-century Baroque artist, and a dazzling tapestry embroidered by Jacinta Kunić-Mijović, who is said to have woven her hair through the gold and silver threads!

Our Lady of the Rocks church

The Natural and Culturo-Historical Region of Kotor is a World Heritage Site, inscribed in 1979. Its bay is dotted with sleepy fishing villages and charming old towns. The moated town of Kotor is a testament to Montenegro's rich history, with charming Romanesque churches nestled within a medieval marble-pathed maze, including the magnificent Kotor Cathedral with its striking twin towers. Here, you can enjoy some free time exploring the cobbled streets and enjoying a spot of lunch in one of the many cafés.

After a day full of stunning scenery and historic towns, we'll make the journey back to our hotel in Dubrovnik. (B)

DAY 10 - Dubrovnik

Enjoy a Dubrovnik from a different perspective today as we ride the cable car to the top of Mount Srđ. With views stretching over 60km away, it's no wonder the French chose this mountain peak to construct their Napoleonic Fort. Once a strategic lookout during the Croatian War of Independence, this incredible vantage point now captivates visitors, stunning them into silence as they soak in the sights of Dubrovnik and the expansive Adriatic beyond.

The rest of the afternoon is leisure before a farewell dinner in a traditional 'under the bell' restaurant. (B,D)

The highest waterfall, Veliki Slap – or Great Waterfall – stands 78 metres high but Sastavci Slap is considered the most beautiful waterfall in the park, situated in serene surroundings near Novakovića Lake. After our visit, we'll head to a nearby restaurant for a late lunch before visiting Korana. This quaint village is home to

A low-angle, upward-looking shot of a ship's steering wheel and mast. The wooden steering wheel is in the foreground, with its spokes and a brass hub clearly visible. The mast and rigging extend upwards into a clear blue sky. The perspective creates a sense of height and grandeur.

Life on board

Reset, recharge, renew. It's time to slow the pace, hold the news and let the good times roll. Step into the romance of the nautical golden age on a Tall Ship cruise to discover the unbridled joy of being at sea, all without compromising on your creature comforts.

For a real authentic sailing experience, you can't get better than the Royal Clipper, Star Clipper and Star Flyer. These ships are truly exquisite. From the immaculate sun deck where sun loungers beckon for a spot of sun worshipping, to the well-appointed cabins where you can create a stylish home-from-home, you're surrounded by beauty. And that's before we've even mentioned the natural beauty of the azure waters and rugged coastline that steals the scene at every turn. Add to that the dramatic raising of the sails whilst a pod of young dolphins dance in the bow wave of the ship, and you'd be forgiven for thinking this was a dream.

Restaurant – Royal Clipper

Despite all of this chicness, life on board is beautifully informal, so you can unwind and really make yourself at home. You'll find every ship is remarkably spacious and cleverly designed so that you'll always be able to find places to enjoy your own company and a quiet moment to yourself to listen to the waves lapping on the hull or watch a memorable sunset. Catch up on some reading in the gentle ambience of the ship's library with its wood panelling and elegant upholstery, unwind in the comfort of your beautiful cabin or just drink in the sea air and panoramic views up on deck with a long drink from the Tropical Bar and let your cares drift away.

Let's not forget the culinary pleasures that await in the ship's restaurant. For early risers there's tea, coffee and fruit juices available from the bar, with a hot and cold breakfast buffet plus fruits and freshly baked bread and pastries, creating a delicious pick and mix. But if that doesn't tickle your fancy, there's also an omelette station that will serve eggs just the way you like them. Lunch comes in the

Library – Star Clipper

form of a buffet with plenty of options, but don't forget to leave room for the tempting desserts. However, the highlight of the day is without a doubt dinner. This is where you'll sit at a private table with crisp linens and fine silverware to create a fine dining experience that feels like a real treat, especially when you combine it with attentive service from your crew. If, after all that indulgence, you want some more moments of pleasure, you can join your fellow travellers in the piano bar for your favourite after-dinner tipple.

Your luxury Tall Ship

It's hard not to be charmed at the old-school glamour of our Tall Ships. They're the kind of ships that demand attention when docked quayside, drawing in admiring glances. It's a unique experience to climb aboard a classic vessel like this, and even more special to sail on one.

Evoking maritime heritage of the past, sister ships Star Clipper and Star Flyer are reconstructions of a 19th-century four-masted Barquentine, which sailed the seas for several hundred years (except, you'll be pleased to hear, with modern safety features). Then there's the largest of our ships, the Royal Clipper, inspired by the 1902-built Preussen, it is the only five-masted fully rigged sailing ship in the world. When her 42 sails unfurl and billow bright white against a blue sky, hold your breath – it's certainly a sight to behold.

SPV Royal Clipper

Lounge - Royal Clipper

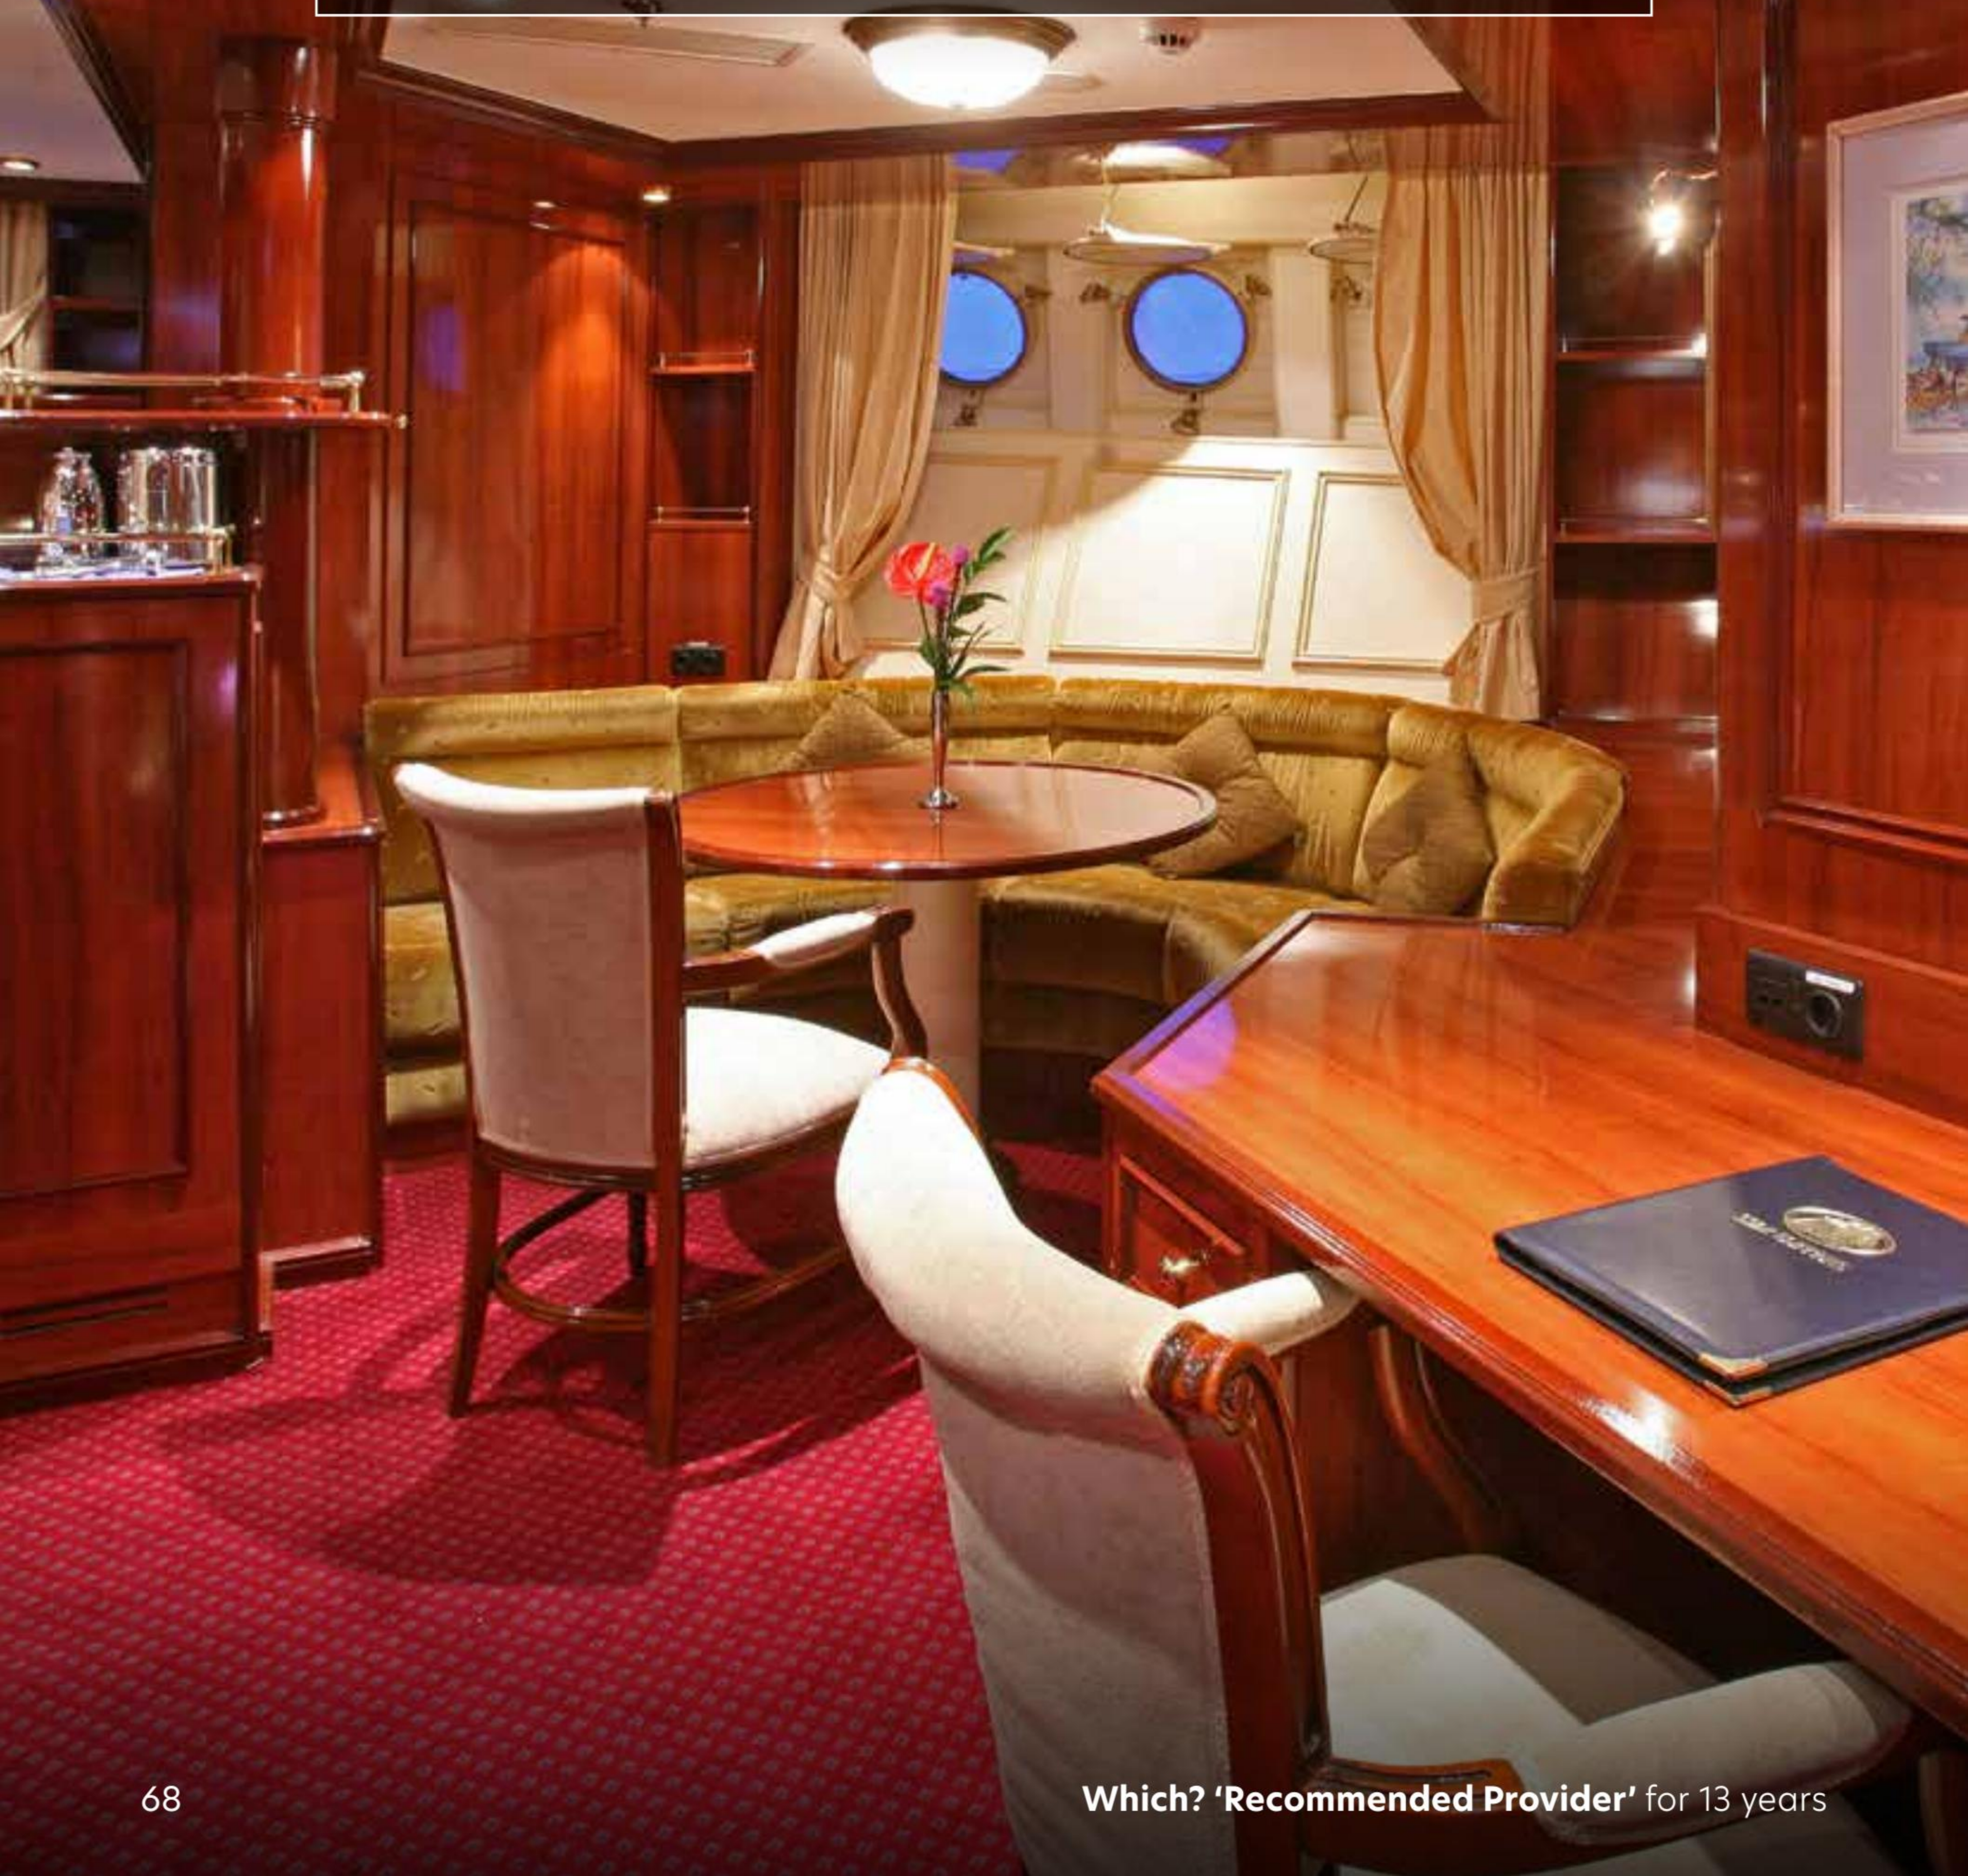

Royal Clipper

Despite their grandeur, our ships are small enough to sail closer to shore than large ocean cruisers. This means you get the best views possible – you need to see them to believe them – and stop in at lesser-visited ports to explore intriguing nooks and crannies, either with our expert guides or led by your own two feet.

It would be remiss to gush over the outside of the ships, when there's so much to love inside, too. You'll find outstanding craftsmanship at every turn: rich hardwoods and polished brass give that classic look, while elegant furniture and tasteful lighting set a refined yet laid back tone. And if you can drag yourself away from your cosy, chic cabins, the open decks have small swimming and splash pools which are too tempting to resist, particularly when you want to cool off and relax and enjoy the views.

Your cabin

Kick off your shoes, take in the views and settle in for a comfortable stay. You might be a long way from home but our airy cabins, elegantly designed and beautifully appointed with extra special touches, will be your haven as you cast off for new adventures

When off on an adventure on the Big Blue, you might be a long way from home – that's sort of the point – but we know it's still important to have those home comforts. Take your pick from our range of airy cabins and suites located across various decks, all elegantly designed. Suites are reminiscent of a sailing golden age, some with a private veranda, perfect for a chilled aperitif or enjoying a morning coffee as the sun comes up; while cabins are furnished to create an authentic and traditional sailing experience.

If cruising is an art, then our ships have certainly mastered it.

A Mediterranean Odyssey aboard the Royal Clipper

2026
NOW ON
SALE

Stromboli

Corfu

Be inspired by the best of the Mediterranean, embracing the history, culture and incredible views along the way. Your journey begins in historic Rome, before sailing south to the spectacular bay of Capri and stunning Sicily, then gliding around the famous boot and up to beautiful Montenegro, Croatia and Venice.

Your itinerary

DAY 1 - Arrival in Rome

You should arrive at the airport to take your flight to Rome where we stay one night.

DAY 2 - Board the Royal Clipper

Rome was, is and always will be, one of the world's most compelling cities with probably more to see here than in any other capital on earth. The grandeur of the Colosseum, scene of some of the most cruel acts ever committed, the Appian Way where Spartacus was crucified, the magnificence of St. Peter's, the grandeur of the Vatican, the Trevi Fountain and flamboyant Baroque buildings are all here - and the list is endless.

This afternoon we drive to the port of Civitavecchia to board the SPV Royal Clipper, as we sit down for the first of our delectable dinners, the ship gently slips her mooring and heads off into the Tyrrhenian Sea - bon voyage! (B,D)

+ Included Experience - Guided tour of Rome

DAY 3 - Sorrento & Pompeii

This afternoon we anchor below the multi-hued villas of Sorrento, which is everything you imagine an Italian town to be: cobbled streets and quaint squares, bright flowers decorating every

pastel-coloured, crumbling building, the stylish young astride their 'vespas' and the wondrous aroma of fresh coffee drifting from the pavement cafés which grace almost every street corner.

Or you can visit nearby Pompeii where we have an included guided tour of this amazing site. The story is well known, but this is more than a series of ruins; the state of preservation is remarkable. You will be moved by the simultaneously fascinating yet eerie, pained expressions of the victims of Vesuvius, preserved as a monument for all time. (B,L,D)

+ Included Experience - Guided tour of Pompeii

DAY 4 - Amalfi Coast & Capri

This morning feast your eyes on the legendary coast of Capri! Cited by most guidebooks as Europe's most beautiful, a claim, once seen, it is difficult to refute. It is easy to see why it is so adored: as we approach the island, you can see fishing boats at anchor rising and falling with the waves and pretty shops lining the quaint quayside. The picturesque main town is perched high above and you may wish to visit the 'Blue Grotto' whilst you are here, a large cavern reachable only by boat, and which by a freak of nature is bathed in an incandescent blue light.

+ Included Experiences – Guided tour of Athens plus visits to the Acropolis & Acropolis Museum

DAY 3 - Ancient Corinth

This morning, we will leave our hotel and head towards Ancient Corinth. It was known as the wealthiest city of ancient times because of its strategic port location, allowing control of both sides of the Isthmus. Explore the historic streets where notable figures such as Pausanias, a Roman traveller, and St. Paul, a Christian missionary, once walked. Follow in their footsteps with visits to the ancient market and theatre, and the Peirini fountain.

After your visit, continue to the Corinth Canal connecting the Saronic Gulf with the Corinthian Gulf. The canal has two submersible bridges, located on both ends, which lower into the water each time a vessel travels through. You'll have the opportunity to take photos as we pause to admire this superb feat of engineering. Later, we'll head to the port of Piraeus to board the Star Clipper. (B,D)

DAY 4 - Delos & Mykonos 🚢

Today we visit two distinct and charming Cycladic islands. In the morning, we'll visit the small island of Delos, believed to be the birthplace of the twin gods Apollo and Artemis. Here, we'll enjoy a fascinating visit of the ruins of its great temple of Apollo, the theatre, the marble Terrace of the Lions and elegant mosaic-lined houses.

It is then only a short sail to the white-washed town and blue-domed churches of Mykonos. Admire the enchanting windmills that dot the coastline and relax with a drink or bite to eat in one of its numerous tavernas, bars and cafés. You will have some free time this afternoon to explore independently. (B,L,D)

+ Included Experiences - Visits to Delos and Mykonos

DAY 5 - Kusadasi & Ephesus

Mooring in the Turkish port of Kusadasi, the gateway to Ephesus, we will enjoy a guided tour of this incredible ancient city. So great was Ephesus that the Romans made it their capital of Asia, with its two-storey Library of Celsus and the enormous amphitheatre. Only a portion of the city has been excavated, but the findings reveal a society that was highly advanced and lived in opulent homes adorned with marble halls, mosaics, and stunning frescoes.

After having lunch on board, you can take a leisurely walk along the seaside promenade in Kusadasi or practice your bargaining skills in the local shops before we depart later this afternoon. (B,L,D)

+ Included Experience - Guided tour of Ephesus and visit to Kusadasi

DAY 6 - Rhodes

Before breakfast, enjoy a leisurely walk on the ship's deck as we sail towards the stunning island of Rhodes, the oldest inhabited medieval city in Europe. Arrive late morning and enjoy a guided walking tour, exploring the Old Town's narrow streets and admire the impressive city walls that kept invaders at bay for centuries. As you enter the Palace of the Grand Master of the Knights of Rhodes, take a moment to appreciate the breathtaking mosaics and medieval architecture. After, there will be free time to wander at leisure.

Alternatively, you can choose an optional tour to the beautiful, white-washed village of Lindos, situated 30 miles away along the scenic East Coast. During this tour, we will have the opportunity to climb 300 steps up the Acropolis, and offers stunning views, including St Paul's Bay. (B,L,D)

+ Included Experience - A guided walking tour of Rhodes

DAY 7 - Kos

One of the most popular Dodecanese Islands, Kos offers picturesque beaches, traditional fishing villages, and lively towns and promenades. It has huge historical significance as the home of Hippocrates, the father of modern medicine. During our guided tour we will explore the Asklepieion, which was constructed during the 4th century BC and is considered the most important archaeological site on the island.

Sounion

Athens

SPV Star Flyer

Next we'll visit the beautiful mountain village of Zia. With its panoramic views, it is known as a centre for local arts and crafts, honey and herb production. We'll also visit the famous plane tree where, according to legend, Hippocrates taught his students over 2,500 years ago.

After lunch on board, you'll have the afternoon to explore the island at your own pace. (B,L,D)

+ Included Experiences - Guided tour of Kos

DAY 8 - Amorgos

Explore the captivating Cycladic Island of Amorgos, inhabited since the Early Bronze Age. You'll be amazed by the golden sand beaches with their aquamarine blue waters. The movie The Big Blue was filmed on this island, along with many picturesque bays, caves, and ancient footpaths to explore. We'll take a tour of the island, and one of the highlights of the day is a visit to the Panagia Hozoviotissa Monastery, seemingly embedded in the rockface. The view of the Aegean from there is spectacular - it is important to note that

there are 300 steep steps to reach the viewpoint.

The old town sits 400m above sea level and features a 13th-century Venetian castle. Here, we explore a labyrinth of narrow streets lined with white houses and picturesque squares. (B,L,D)

+ Included Experience - Guided tour of Amorgos

DAY 9 - Poros

This morning, enjoy the delights of sailing on the Star Clipper/Flyer as we cruise back towards Athens - the Captain may even unfurl the 16 sails for a memorable moment on deck.

We call into the small island of Poros, located in the heart of the Saronic Gulf. Heading ashore by tender, you will discover an enchanting island with pine forests, charming tavernas, and elegant neo-classical structures. Under your own steam, enjoy a stroll along the waterfront, wander the narrow streets of the main town, or explore the remnants of a small Doric temple devoted to Poseidon.

Alternatively, you may choose to join an optional excursion to Epidaurus Theatre and Museum. Epidaurus was the site of a shrine devoted to Aesculapius, the Greek God of Medicine and consisted of a sanctuary where illnesses were cured as well as a 14,000-seat theatre. Transferring by tender to the port of Galatas, we will take a short drive to Epidaurus and visit the magnificently preserved theatre, along with the nearby museum. (B,L,D)

+ Included Experience - Independent visit to Poros

DAY 10 - Sounion & Athens

This morning we will disembark the Star Clipper/Flyer and head to Cape Sounion and the Temple of Poseidon. As we drive along a beautiful coastal road, we will see some of the lovely suburbs of Athens before reaching the southernmost point of the island. Admire the iconic columns of the temple while taking in breathtaking views of the Aegean Sea and Saronic Gulf. After ample time to explore the temple and admire the views, we stroll through the Agora, the political, social and commercial heart of the city for some free time to find lunch in one of the many cafés and restaurants before heading to your hotel for one night. (B)
