Aji Wa, Queen Anne

The finest dining, anywhere in the world

Menus designed by Michelin-starred chefs.
Dishes that celebrate the destinations our
ships sail to. When it comes to dining at sea,
we set the bar high.

You'll find everything from light bites to haute cuisine
on board. Menus that reflect where you are in the world.
And chefs willing to whip you up something special
(even when the rest of the ship is sleeping).
Choosing where to eat presents as many possibilities
as what to eat. Bountiful buffets. Poolside grills.
Afternoon Tea. Each day is a culinary adventure.

Build your own nourishing bowl at The Pavilion Wellness
Café, or choose from the finest fillets at the steakhouse.
On Queen Anne you could choose the Japanese omakase
menu at Aji Wa, a taste of India's spice trail at Aranya, or
perhaps Mediterranean-inspired dining at Tramonto.

At the Golden Lion, finessed pub favourites (including a
selection by Michelin-starred chef Michel Roux) deliver a
taste that pairs perfectly with our own Cunard ales.
Then there's the culinary artistry that awaits you in your
ship's main dining room, where à la carte meals unfold
in a symphony of style and flavour.

The Britannia experience

There's nothing quite like those first steps into your stateroom on a Cunard voyage. As you close the door and embrace the privacy and space of your on board home from home, you'll enjoy a sense of relaxation like no other. It's the moment your holiday truly begins, in this space where a soft bathrobe and plush mattress await you at the end of each day of adventure.

Your stateroom steward will turn down your room each night and refresh it each morning. There's also complimentary room service at breakfast, should you feel like a leisurely morning spent lounging in bed for as long as possible (well, you are on holiday after all).

Staying in a Britannia stateroom also allows you to dine in the Britannia Restaurant. With the flow of conversation and full waiter service, dining in this double-height space always feels like an event. Enjoy the freedom to keep things flexible with Open Dining or perhaps opt for a set time of Early or Late.

Sustainability at Cunard

Taking steps to look after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking action to reduce our impact on the environment and invest in our communities and people to deliver positive change – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around five key focus areas.

Focused on the environment

Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low-carbon or zero-carbon emission technologies, developing and installing advanced air-quality systems, and partnering with organisations and stakeholders to support our decarbonisation efforts.

Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we are shifting how we work with our supply chain partners to reduce waste.

Partnering with our destinations and communities

More sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history, and natural resources.

Biodiversity and conservation

Our efforts are focused on taking responsibility to minimise our impact by implementing best practice across our operations, building partnerships with experts, and investing in programmes to support biodiversity and conservation.

Investing in people

Inclusion and belonging

Our employees are at the heart of our operation, and we've built well-being programmes to support their physical and mental health, encourage social connectivity with family and friends, and promote a balanced lifestyle.

Our success depends on the diversity, talent, and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

Further information

At Cunard, and with our parent company Carnival Corporation & plc, we have established a number of 2030 sustainability goals and 2050 aspirations. For more information please visit: cunard.com and carnivalsustainability.com

The Transatlantic Crossing, by Cunard

Effortless days to unwind. Time to spend as you please. When it comes to escaping it all, nothing compares to a Transatlantic Crossing.

This unique ocean journey, sailed by our fleet since 1840, offers a chance to disregard life's usual pace in favour of one you determine. It's also an opportunity to indulge in the things that bring you most pleasure, while adjusting gradually to the time difference in New York or Southampton.

So, how will you pass your days on board the world's only ocean liner? A Cunard Insights talk from a guest speaker perhaps? A 3-D documentary in the Illuminations luxury cinema? Fencing lessons or a Mixology Workshop?

Food and drink wise, you'll be spoilt for options. Complimentary breakfast in bed. 24 hour room service. A midnight buffet. Then there's the White Star Service you'll experience on board, adding yet another dimension to this legendary ocean journey.

Caribbean, by Cunard

From centuries-old rum distilleries to kaleidoscopic marine life, the islands of the Caribbean have so much to offer. And that's on top of the seemingly endless choice of sugar-sand beaches.

Explore the fusion of cultures in Puerto Rico's San Juan. Hear stories of past seafarers in Tortola. Snorkel the vibrant underwater world of St Lucia before heading to Bridgetown to sample delicious local seafood, and while away a few hours on the beach. Then, in Cozumel, step into another world as you embrace ancient Maya culture, taking in ruins and sampling traditional recipes.

Get to know these magical islands in style, as you spend days out looking for secret coves and tranquil bays, and balmy evenings on board enjoying every minute of the Caribbean. Whether it's on deck with a cold cocktail, or simply gazing at the view from your own balcony - with room service on its way - which of the day's adventures will fill your thoughts?

Northern Europe and British Isles, by Cunard

Fascinating contrasts and pristine scenery are just two of the ingredients that make a voyage to Europe's northernmost nations magical.

In Norway, a place where nature pulls out all the stops, mirror-like fjords pave the way for all kinds of adventures. Or perhaps your sights are set on Iceland, where natural wonders like gushing waterfalls, geysers, and the turquoise waters of the Blue Lagoon await.

You could explore fairytale-like architecture in cities such as Copenhagen, Stockholm, and Tallinn with its UNESCO-inscribed old town – perhaps finding time for the odd pastry as you do. A British Isles voyage takes in the Highlands of Scotland and emerald shores of Ireland, as well as Cunard's spiritual home of Liverpool.

Discover these storied stretches of land and sea for yourself and, as you sail, revel in everything that comes with life on a Cunard Queen. From Michelin-starred chef residences and White Star Service to a Mareel spa staffed with London Wellness Academy-trained experts, each day brings the potential for something extraordinary.

Casablanca, Morocco

Iberia, Atlantic Coast, and Canary Islands, by Cunard

Rich artistry in Spain. Bustling souks in Morocco. Pastel palaces in Portugal. Our Atlantic Coast voyages are a treat for all the senses.

Find yourself taking photo after photo as you discover unspoilt beaches, UNESCO-listed treasures, and world-famous cuisine. From the azure coves of Southern Europe to the medieval alleyways of North Africa, remarkable sights await.

Explore volcanic landscapes and black-sand beaches in the Canary Islands. Immerse yourself in UNESCO-listed architecture and port cellars in Portugal. Discover Madeira's botanical gardens and spend New Year's Eve witnessing the famous firework display.

Morocco brings minaret-topped buildings in Casablanca and whitewashed medinas in Tangier, while Agadir offers a gateway to Marrakech with its fragrant spice stalls and maze-like alleys. Just off the coast of Africa, the Cape Verde island of Saint Vincent seduces with its white-sand beaches and lively cafés, where music drifts out of every door.

Flamenco shows and smoky tapas. Grand mosques and stately squares. Soak up the history of this storied region, with plenty of on board relaxation and amber sunsets to bask in on deck.

Saguenay, QC, Canada

USA and Canada, by Cunard

From the sophistication of New York to the old-world charm of Québec, some of North America's greatest treasures await discovery on our unforgettable USA and Canada voyages.

An overnight call in New York means spending days exploring Manhattan's iconic neighbourhoods, art galleries, and world-class boutiques. Then you can witness the bright lights of Times Square as darkness falls.

Further north, discover Boston's pivotal role in the American Revolution along the famous Freedom Trail. Overnight stays enable you to sample the night-time delights here too, as well as join in the special celebrations on Independence Day.

Explore more of New England and discover a taste of coastal life in picturesque Newport, renowned for its Gilded Age mansions and yachting heritage. Cross into Canada's beautiful Atlantic provinces like Nova Scotia to uncover the vast, untamed wildernesses that surround Halifax and Sydney.

As you venture further, come face to face with Québec's only fjord, the jaw-dropping Saguenay Fjord. This natural wonder offers bountiful whale watching from the decks of your Cunard Queen, as you sail past quaint riverside hamlets. Nearby Sept-Îles stuns with its rugged scenery and rich native Innu traditions.

Of course, a highlight of any Canadian voyage is a call in historic Québec City, where the magical UNESCO Site feels like stepping back in time. With ample luxuries on board to revel in, indulge your senses on Queen Mary 2 as you uncover North America's diverse landscapes, culture, and history.

Mediterranean, by Cunard

Lively tapas bars in Barcelona. Bustling bazaars in Istanbul. A Mediterranean voyage unlocks the door to so many memorable experiences.

Home to some of the world's oldest cities, the Mediterranean is a fascinating region to explore. A blend of cobbled paths and azure waters, where life moves at its own unhurried pace and humble ingredients are steeped in flavour. Join one of our Mediterranean sailings from Southampton or begin your voyage in Barcelona, Civitavecchia, Hamburg, Istanbul, Piraeus, or Trieste.

Salerno, just south of Naples, is the perfect place to savour a taste of 'La Dolce Vita'. Or perhaps you'd prefer Kotor, Montenegro's charmingly historic capital, where winding streets and Romanesque churches seem to fan out in every direction.

Pearl of the Adriatic, Dubrovnik, introduces vistas peppered with terracotta rooftops. Valletta's Barrakka Gardens gives way to the noon canon firing in Malta. And Greece's magical islands never fail to enchant with their winding clifftop walks and flower-adorned buildings.

Dubrovnik, Croatia

Short Breaks, by Cunard

A short voyage brings you a glimpse of the unique cities of Europe, all while enjoying a taste of our iconic ships.

From Zeebrugge, you could spend an afternoon exploring medieval Bruges, with its picture-perfect canals and tasty local chocolate. Or perhaps wander the museum-lined streets of vibrant Amsterdam and stroll past works by Rembrandt and Vermeer in the Rijksmuseum. In Rotterdam, marvel at the bold post-modern architecture and shop for one-of-a-kind fashions in chic boutiques. Uncover centuries of seafaring history in Kiel, home to a fascinating maritime museum, and explore the neo-renaissance architecture of Hamburg's eye-catching Rathaus, before admiring seven centuries of art in the Kunsthalle museum.

Make your time on board your own, enjoying whatever it is you like to do on holiday. Maybe that's simply spending time with your nearest and dearest, perhaps getting reacquainted over a spirited game of cards? Or is it booking in for an ocean-inspired treatment at the spa? Topped off with our White Star Service, a short break with Cunard is set to be a getaway to remember.

Valet car parking at Southampton

If you choose to drive to the terminal, you will be directed to the drop-off point for your vehicle, where you can unload your luggage before your parking representative takes your vehicle to a secure car park. After disembarking, your car will be delivered to the terminal for collection.

Car park bookings can be made 72 hours after your cruise is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book please visit cruisebooking.co.uk or call Cruise & Passenger Services Ltd (the operator) direct on 0345 071 3939 and quote your booking reference.

Whether you're travelling on one of our short cruises to Hamburg, experiencing one of our glamorous Transatlantic Crossings, or discovering shores further afield, we can arrange and tailor flights to meet your requirements. You can make the most of your destination by extending your stay, or spoil yourself by upgrading your flight.

Holiday Package Add On

Let us take care of the complexities on your Fly-Cruise holiday by arranging all the necessary flights and transfers, to and from the ship and airport, as well as any overnight hotel stays that may be required.

A Holiday Package Add On includes flights, transfers to/from the ship to the airport, and an overnight hotel stay where applicable.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300^.

Upgrade your flight

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

Change your flight date

We can also help if you'd like to extend your holiday, either before or after your cruise.

Whether you choose to book a hotel stay through Cunard, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred flight dates when you book your cruise, or at least before the balance due date for your holiday.

Please note that should you decide to explore a destination independently, and we have provided your flights, you will need to make your own way to or from the ship on the day of embarkation/disembarkation and, depending on the flights you choose, additional charges may apply.

World and South America Discovery, Voyages and Sectors

Our 'Cruise Only' fares give you the flexibility to make your own travel arrangements. If you would prefer to include a Holiday Package Add On, please call us on 03453 550 300^.

Occasionally, flight times necessitate an overnight stay in the port of embarkation/disembarkation, in which case hotel accommodation will be provided.

Whether you're flying straight to your ship, or have booked a land tour or hotel stay through Cunard, we can help to enhance your journey.

Add another destination

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your cruise.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your cruise finishes in Auckland why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Vancouver before joining your ship in Seattle.

Prices will vary depending on the flights that you choose, so please call for a quote.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300^.

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

See 'Our fares' on page 41 for an indication of benefits.

Your Cunard holiday is subject to our Booking Conditions, which you can view by visiting cunard.com/booking-conditions

Queen Elizabeth** – 165–167
Queen Anne** – 168–170

**Although certain Queens and Princess Grill Suites can accommodate a third/fourth berth, these are capacity controlled by the numbers of covers available in the restaurants. Please call for availability.

Children

- ◆ Unfortunately, Cunard cannot accept any child under the age of six months as a guest. We are unable to accept infants of 12 months or less on any Full World Voyage, Transatlantic Crossing, or other remote itineraries.
- ◆ Children pay the applicable adult per person fare when travelling as a first or second guest.
- ◆ Infants aged between six months and two years, accommodated as a third or fourth guest in a stateroom, travel free on board. A nominal fee may be charged for infants between the ages of six months and two years where transfers, hotel stays, and air travel are involved, which we will discuss with you at the time of booking.
- ◆ Guests aged two to 17 years, travelling as a third or fourth guest in a stateroom, pay the full fare less the relevant third or fourth person discount.
- ◆ Please note that children under the age of 16 are not permitted to travel in a stateroom without an accompanying guest who is aged 18 or over.

Single guests

Single Staterooms are available on board Queen Mary 2, Queen Victoria, and Queen Elizabeth. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement which typically ranges from 175% to 200% of the per person fare, depending upon availability and/or stateroom grade. Please note that 'sole occupancy' is limited and subject to availability – and the percentage of the sole occupancy supplement may change without prior notification.

Stateroom changes

Occasionally it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same, or a higher stateroom grade, at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a wish to be in a specific position on the ship – and do not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at the discretion of Cunard. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

Guarantee staterooms

When you or your travel agent make a reservation, you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number. This is to avoid further complications in the event of cancellations.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate a stateroom number, you can rest assured you will be given a stateroom of the type you have booked, or in some instances, of a higher grade, though it may be situated on a different deck to that shown on the deck plan for the grade guaranteed. The fare you have been quoted will, however, remain unchanged.

Bar and wine services

A 15% service charge is automatically added to your on board account for each beverage purchase made in our bars or restaurants, which is shared amongst the relevant crew. Naturally, you are free to reward any member of the crew over and above these amounts, at your discretion.

Spa and salon services

For your convenience, a 15% service charge will be added to your account. However, should you wish to adjust the amount, please make this request during checkout.

Travel information

Essential information

Our online 'Essential information' page explains everything you need to know before booking your Cunard voyage, as well as useful information to refer to after your holiday is booked. It covers everything from luggage and what to pack, to vaccinations and visas. We've moved this information online to ensure we're providing you with the most up-to-date details and developments. Please visit cunard.com/essential-information

Please note there are mandatory vaccination requirements in place for certain itineraries on sale within this brochure. Please make sure you familiarise yourself with these details within the Essential information section on the website. Failure to comply with these vaccination requirements could result in you being denied boarding.

For current travel advice for the countries you are visiting, please refer to the Foreign & Commonwealth Development Office website at www.gov.uk/foreign-travel-advice.

The information in this section is for holders of British passports only and is correct at the time of going to print.

Anyone who does not hold a British Citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

Medications

Please ensure you travel with sufficient medications to last the duration of your voyage; it is also recommended to carry a small additional contingency supply.

We do not permit guests to carry any preparations on board that may contain CBD or other cannabis products.

Passports

If you are a British Citizen, a full passport is required for all voyages. All British Passports must be valid for travel and have at least six months validity after you return home at the end of your holiday. It is recommended that you have some blank pages in your passport for entry and exit stamps. All British Citizens over the age of 16 require a full 10-year British Passport for all voyages. Children need their own passports. It is important that names and

initials on the passport exactly match those on your boarding passes.

For voyages including EU (or Schengen area) ports your passport must be:

- ♦ Issued less than 10 years from the voyage embarkation date. If we have arranged flights for you as part of your booking, the voyage embarkation date shall mean the date of departure of your outgoing flight.
- ♦ Valid for at least three months, by the voyage disembarkation date, (regardless of whether or not the passport has an extension period).

For up-to-date passport information please visit cunard.com/passports

Please note that British Visitor Passports are no longer valid. British Subject passport holder requirements may differ so please check these before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please be aware that if you are applying for your first British Citizen passport, you may be required to attend interviews prior to the passport being issued. For this reason, we would advise all guests in this situation to allow a minimum of six weeks to obtain their passports. For further information, please contact the HM Passport Office on 0300 2220 000, or visit the website at www.gov.uk/government/organisations/hm-passport-office

If you DO NOT HOLD A BRITISH CITIZEN PASSPORT, your passport, travel documentation, and visa requirements may be different. You should check with your travel agent or our preferred visa supplier, CIBT (0845 899 7256), to ensure you have the correct documentation.

Please note that it is your responsibility to have a valid passport and the appropriate visas for your journey.

Required hotel stays

Cunard can arrange flights and transfers for you to join your ship when you purchase a Holiday Package Add on. Where the included flight timings necessitate a pre-/post-voyage overnight stay, Cunard will include a hotel room at the international port of embarkation / disembarkation for the night before or after your voyage.

This accommodation will not be assigned until 30 days prior to your sailing and for

operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel and our cancellation terms will apply as per the voyage Booking Conditions, which you can view at cunard.com/booking-conditions For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing guests the chance to rest before or after a long flight. If you wish to have time to explore your city of embarkation/ disembarkation, we recommend you book one of our hotel stay packages. If you are booked on one of our hotel stay packages, or land tours, on the same date as a required hotel stay, you will not be eligible for the required hotel stay.

International flight arrangements

If you have booked a flight through Cunard, this will be in economy class from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/ disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The included airports vary by voyage and date of booking, and supplements will apply to other departure airports.

For details of how we can tailor your flights, please see page 153.

Baggage allowance

Baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at cunard.com, after booking. While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

Excess baggage

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your boarding pass, an excess baggage charge will likely be made by the airline at check-in.

Please note Cunard is not responsible for airlines' baggage restrictions.

All flights – please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- Flights will not necessarily be direct or non-stop. All flight times, air carriers, and flight routes are subject to change. Cunard has no control over any changes airlines may make to flight times, but will inform you of any changes.
- Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- When we charter aircraft from an airline, we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- We will determine the city airport, e.g. for London either Heathrow, Gatwick, or London City may be used, and this may not be the same for your outbound and return flights. Therefore you may have to transfer, under your own arrangements, between London airports. For Québec, Québec or Montreal may be used.
- Airlines reserve the right to refuse travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our on board needs questionnaire, you may be required to provide additional information directly to the airline in order for them to assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.
- In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry a powered mobility aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to obtain seats together.

- Airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
- For long-haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking, or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
- Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person, plus any costs charged by the airline. Costs vary depending on the airline and the change(s) you want to make.
- To comply with immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.
- If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your ticket, as our transfers will not be included. You will need to make your own transfer arrangements between the airport and the ship.

Transatlantic Crossings

- ♦ One-way Transatlantic Crossing voyages do not include flights, which can be booked through Cunard at an additional cost. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver Fare.
- ♦ We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).
- ♦ If you want to fly to/from an alternative US airport, we can also arrange this for you (an additional fee may apply).

Regional departures – please note:

- The regional flight supplement is in addition to any Cunard Fare.
- Flights are offered subject to airline schedules available at the time of booking. Should subsequent schedule changes result in no regional service being available from a particular airport, no alternative transport will be provided and any regional supplement will be refunded in full.

- Regional flights will not necessarily be direct or non-stop.
- If a same-day connection is not possible, the cost of any overnight accommodation will be at your own expense.
- Flights from Guernsey and Jersey can only be booked the day prior to your onward travel, and overnight accommodation will be at your own expense.
- If you book regional flights to/from Southampton Airport through us, then the fare includes optional transfers to/ from the cruise terminal. If you would rather make your own way between the airport and the port, please advise us at the time of booking.
- Transfers between London airports are not included.

Carriage of dogs

Cunard can accommodate assistance dogs and service dogs (as defined by the Animal and Plant Health Agency) on all our ships on Southampton to Southampton voyages, as well as New York to Southampton voyages on Queen Mary 2. Please ensure you contact us prior to booking to ensure your chosen voyage is suitable. Assistance dogs and service dogs are accommodated in staterooms with their owners.

Non-assistance dogs and non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in kennels, and are not allowed to visit any guest area of the ship. Visit cunard.com/kennels for more information on our on board facilities.

For all dogs, it is your responsibility to obtain the relevant documentation and certificates, and comply with customs requirements, to allow the dog to travel. Please refer to the following websites www.cdc.gov/importation/bringing-an-animal-into-the-us/index.html and www.gov.uk/bring-pet-to-great-britain for further details.

Frequently asked questions

Before you sail

Ask Cunard

Whether you're new to cruising or you've sailed many times before, Ask Cunard is here to help. You will find answers to the most popular questions. If you're unable to find what you're looking for within these pages visit: cunard.com/en-gb/frequently-asked-questions for a wealth of information

What's included in my fare?

See page 40 for details.

Do I need a passport, a visa, or vaccinations?

All guests must have a valid passport, and some itineraries require you to obtain a visa before departure. Vaccinations will depend on where you are travelling to. **On itineraries where it is mandated, failure to meet the vaccination requirements for Yellow Fever will result in you being denied boarding.** Please visit cunard.com/essential-information for further information.

Do I need to take out travel insurance?

Yes. It is a condition of the contract that you obtain travel insurance that covers all pre-existing medical conditions to cover the risk of you needing medical care on board or in a foreign country. We have a relationship with Holiday Extras who can offer comprehensive travel insurance covering our requirements. You'll find further details on page 188, and at cunard.com/insurance and you can obtain a quote and full terms and conditions from holidayextras.com/ [cunard](https://cunard.com/en-gb/the-cunard-experience/what-to-pack) or by calling 0800 316 3061.

If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. You might want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes and quizzes are a great way to make new friends. If you love to dance but need a partner, then our dance hosts are available on

selected Cunard voyages, meaning you needn't miss out on the joy of gliding across the dance floor. For 2025, our dance hosts will be available on Queen Mary 2's Transatlantic Crossings. For 2026, our dance hosts will be available on Queen Anne and Queen Mary 2's World Voyages.

What do I wear on board during the day?

You'll need to pack according to the local weather in the destinations you'll be sailing to. It's wise to check the relevant weather forecasts before you embark, in order to be prepared. On board during the day, simply wear whatever makes you feel most comfortable. We do ask, however, that swimming costumes and gym wear are reserved for the poolside, on deck, or in the spa and fitness centre. We request that swimwear must be covered up before entering any indoor dining areas.

Is there a dress code on board?

Travel in style; your very own version of elegance. Leisurely days on board the ship have no strict dress code. Whether you're dipping in the pool or relaxing on deck with a book, you're welcome to wear whatever makes you feel your best. However, we gently ask that swimwear and sports attire be reserved for the pool, Fitness Centre, and Sports Deck.

Each evening, should you choose to dine in your main dining restaurants, we kindly ask that you follow the dress code below. For dining elsewhere on the ship, please feel free to dress in a way that makes you most comfortable.

Dressing for Dinner

We invite you to dress as if you were heading out for a special dinner or an evening at the theatre. Whether that's choosing between a blouse, skirt and dress, or trousers, chinos and smart jeans to pair with a collared shirt. We encourage you to find confidence and comfort in your own stylish way.

Feel free to embrace tradition or add a contemporary twist. Jackets, sports coats, and blazers are not essential but always welcome, if you wish to add a touch of refinement to your evening look.

We kindly ask that you maintain the Dressing for Dinner dress code in our four main dining restaurants: Queens Grill, Princess Grill, Britannia Club and Britannia Restaurant. Casual clothing, such as non-collared shirts, t-shirts, shorts, and ripped jeans can be worn in the more relaxed restaurants on board.

Gala Evenings

As the ship transforms for our renowned Gala Evenings, we invite guests to embrace the spirit of the evening and express their unique style – whether you choose a timeless tuxedo with a tie or bow tie, sophisticated separates, or a show-stopping floor-length dress. We encourage you to let your outfit reflect your personality and flair, whether that means making a bold statement with a standout piece or expressing yourself more subtly with understated embellishments and accessories. Military uniforms and formal national dress are also warmly welcomed, adding a classic touch.

If such an occasion isn't for you and you'd prefer something more relaxed, we also offer an array of casual dining venues, lounges, and bars to choose from where you can enjoy a more relaxed dress code.

How many Gala Evenings will be on my voyage?

As a guide, there is a Gala Evening at least once on every voyage of three nights or more, and two Gala Evenings per week on voyages of seven nights or more. Details of daily dress codes, Gala Evenings, and themes can be found on My Cunard at cunard.com in the calendar view of your voyage. The evening dress code will also be specified in your ship's Daily Programme the evening before.

Please advise us at the time of booking, when we will send you a menu to make your selection; this must be returned no later than 10 weeks prior to departure. Queen Elizabeth

Queen Anne

Carinthia Lounge, Chart Room, Lobby Bar, Room 1840, and Bright Lights Society (nightclub after evening shows have finished).

What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2 – pages 158, 159–161
Queen Victoria – pages 158, 162–164
Queen Elizabeth – pages 158, 165–167
Queen Anne – pages 158, 168–170

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts, or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with a balcony, provides the most scenic way to watch the ever-changing views.

What is a hotel and dining service charge?

During your voyage, you will meet many members of our team who will provide excellent service all over the ship. To ensure crew working within Restaurant and Housekeeping are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account. Every dollar collected will be shared among crew members who help provide and support your voyage experience, including the restaurant and buffet waiters, your stateroom steward, and accommodation personnel. For the latest information regarding service charges, visit cunard.com/service-charges
Of course, should you wish to individually reward any crew member who has made your time on board particularly memorable, please feel free to do so.

A 15% service charge applies to all beverage and spa services on board. Casino tips can be given directly to the individual at your discretion.

What is the currency on board and how do I pay for items I buy?

The currency on board all our ships is the US dollar. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Voyage Card. Our ships do not accept cash, except at the Purser's Office for the purchase of foreign currency,

and the settlement of your account. In order for charges to be posted onto your account you will need to register your credit card via online check-in or before boarding the ship. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash, please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card. Cunard / P&O Cruises and our retail partners reserve the right to pass on local VAT or other sales taxes where these are payable in any port on goods and services sold on board.

Will I be charged VAT or similar sales taxes on EU voyages?

Passengers are advised that during intra-EU cruises (cruises that begin and end in the EU and only call at EU ports), government regulations prohibit the sale of tax and duty-free items. This means that liqueur and tobacco will not be available to purchase (other than in quantities for on board consumption) and VAT will be added to goods purchased in the shops and boutiques at the appropriate EU rate. Prices displayed in the retail outlets are exclusive of any VAT or similar tax.

For example: If you are on a round-trip Maltese cruise that only visits Croatia, Greece and Italy or a roundtrip Italian voyage that only calls in France and Spain, duty/VAT free shopping will not be available. If your voyage includes a non-EU country (such as Turkey or Montenegro) then duty/VAT free shopping will be available.

Will I be charged VAT on a UK domestic voyages?

Passengers are advised that during domestic-UK cruises (cruises that begin and end in the UK and only call at UK ports including Northern Ireland), government regulations prohibit the sale of tax and duty-free items. This means that liqueur and tobacco will not be available to purchase (other than in quantities for on board consumption) and VAT will be added to goods purchased in the shops and boutiques at the appropriate UK rate. Prices displayed in the retail outlets are exclusive of any VAT or similar tax.

For example: If you are on a round-trip UK cruise that only visits ports in England, Scotland, and Northern Ireland duty/VAT free shopping will not be available. If your voyage includes a call in a non-UK country (such as France or the Republic of Ireland e.g. Cobh) then duty/VAT-free shopping will be available.

Spanish IVA (VAT) on Bar and dining charges

During international voyages (i.e. voyages that include visits to non-EU countries) but also visit Spanish ports, regulations require that Spanish IVA (VAT) at a rate of 10% is payable on all bar charges, Select Dining/cover charges and room service charges. This applies only whilst our ships are in Spanish territorial waters (i.e. during the times when we are entering and exiting Spanish ports as well as the time we are alongside). Prices displayed in our bars, restaurants and room service menus are exclusive of this tax and therefore an additional 10% will be added during these times. If a receipt is provided, the Spanish IVA (VAT) element will be itemised separately.

VAT in Retail, Photo Gallery & Spa

During domestic UK voyages (that begin and end in the UK and only call at UK ports including Northern Ireland) and Intra-EU voyages (that begin and end in the EU and only call at EU ports) tax regulations require VAT to be paid, and VAT will be payable on the following items: purchases in the on board Retail Outlets, Photo Gallery and Spa/Salon. It does not apply, however, to treatments and services in the Spa/Salon. During the periods where VAT is chargeable, you will be unable to purchase liquor and tobacco products to take home.

Prices displayed on board are exclusive of VAT and therefore the VAT element will be added to the advertised prices, where applicable, upon purchase. The VAT element will be itemised separately on your receipt. On voyages where Maltese, Italian, German, Spanish, or UK VAT are due, confirmation can be found in the ship's daily newspaper and other media channels.

How do I register my credit card?

You will be able to register your credit card via our online check-in website, My Cunard, or before boarding the ship in the terminal. All credit card details are encrypted.

How can I avoid issues with my credit card?

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

When you register a credit or debit card to cover your on board spending, an amount up to US\$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured US\$ amount.

The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 26 nights your credit card will be charged during the voyage for the spend to date, and again at the end of the voyage for the remaining spend. You will be notified of the date your card will be charged shortly after you embark. Please therefore ensure that you have sufficient funds to settle your account.

On occasion, some authorisations can remain on your card account for up to 28 days. This particularly happens if you register a different card during your voyage. You may therefore want to contact your card provider on your return to release these authorisations.

When will I receive my boarding pass and itinerary information?

Approximately 35 days prior to your departure date, your electronic documentation will be available through My Cunard at my.cunard.com. This includes information relating to any hotel stays or land tours booked.

How will I know which Shore Experiences are available?

Booking online

Shore Experiences will be available to book on My Cunard, and will require payment in full at the time of booking. This method of booking gives you the best chance at getting your first choice of experiences before spaces run out. Please note that you can only book Shore Experiences online up until three days prior to departure. Log in to My Cunard to explore the latest availability.

Booking on board

You may book Shore Experiences on board, which will be charged to your on board account, to be settled at the end of your voyage.

The cancellation deadline is 48 hours prior to each port.

Tour tickets, once booked, are subject to a 10% cancellation fee if returned to the Tour Office prior to the deadline.

Tour tickets returned within 48 hours of arrival in port are subject to a 100% cancellation fee.

What if I feel seasick?

Don't worry – your ship's medical team is always on hand with a remedy. Seasickness is best countered with an injection or tablets, which should soon have you feeling well again and settle you for the duration of your stay on board. Medical charges will apply. Over the counter sea-sickness remedies are also available for purchase in the on board shops.

Is there enough to do during days at sea?

Yes, plenty. You'll be amazed by just how much there is to do. From deck sports, friendly quizzes, and dance classes, to fascinating talks and movies, there's so much to choose from. Your ship's Daily Programme (delivered to your stateroom each evening) has full details of all the activities, events, and entertainment happening the next day.

Is there a spa and salon on board?

All our ships feature Mareel Wellness & Beauty. Taking inspiration from the oceans on which our ships sail to indulge mind, body, and soul. We invite you to relax, and enjoy renewed energy, coupled with improved health and appearance with comprehensive spa, beauty, and fitness facilities on board.

Can I travel when pregnant?

Pregnant guests can travel with us, however, **we cannot accept guests who will be more than 23 weeks pregnant (i.e. 23 weeks + 1 day or more) at any time during the cruise.** For more information please see cunard.com/booking-conditions or call 03453 550 300*.

Accessibility

In order to help us facilitate your needs, including any health conditions or disabilities, we ask that you inform us of these at the time of booking your voyage.

When booking your voyage you must inform us of any mobility or accessibility requirements. You must also advise us of any emergency assistance requirements in the unlikely event of an emergency.

An evacuation chair is needed if guests would be unable to use the stairs due to mobility or other circumstances. For anyone bringing a wheelchair or powered mobility device, this is a mandatory requirement.

One-to-one assistance is a mandatory requirement if the guest would require someone to guide and steady them on the stairs in the event of an emergency, due to mobility or other circumstances. To follow safety regulations crew will still need to be allocated to support guests even if their travelling companion could do this. We recommend that guests who are blind, experience heightened anxiety, or have a non-visible disability, have, as a minimum, one-to-one assistance in the unlikely event of an emergency. For anyone bringing a mobility aid, like a walking stick or walker, this is recommended only.

This is still the case even if a carer or companion will be supporting you during your time on board. Failure to notify us of

these requirements may result in you being denied boarding at your own expense at the cruise terminal.

Mobility Equipment

Any guest who is a full-time wheelchair or powered mobility device user, or requires the use of their device inside their stateroom, must be booked into an accessible stateroom that provides the space and features required to suit guests' needs. If you tell us (on your On Board Needs Questionnaire) that you will be bringing mobility equipment and the stateroom you have chosen is not a fully accessible stateroom or selected suite, there may be insufficient room to manoeuvre your mobility aid.

Therefore, we may need to contact you to discuss other stateroom options. Non-accessible staterooms are suitable for part-time manual wheelchair users who do not need their wheelchair to move around the room. Please note access to the ensuite is via a raised threshold and a step is required to enter the bath/shower. We are unable to accept powered mobility devices in these staterooms, with the exception of selected suites. Unfortunately, we no longer provide wheelchair rental services on board. Each guest who requires a wheelchair is responsible for making their own arrangements prior to the voyage.

Please visit My Cunard for more information and, if necessary, to complete the questionnaire or provide a new one if your situation has changed.

For up-to-date information regarding accessibility and mobility needs please visit our website.

Booking Assistance – Why do I need to complete an on board needs questionnaire for every voyage?

We require a questionnaire to be completed for each voyage you travel on to ensure that we have the most accurate and up-to-date information. We understand circumstance can change, therefore it is important for this to be completed.

After you have booked your voyage you can access the On Board Needs Questionnaire via the accessibility section on My Cunard. **The On Board Needs Questionnaire must be completed as soon as possible after booking and no later than 14 days prior to departure.**

How can I book assistance to embark and disembark the ship in Southampton?

All our Southampton cruise terminals are fully accessible for powered mobility device and wheelchair guests. Where possible, they feature lifts, a dedicated check-in, accessible toilet facilities, and high-level linked walkways. Wheelchair or arm assistance is provided during embarkation and

disembarkation for guests with disabilities or guests with reduced mobility that have pre-booked this via the completion of an On Board Needs Questionnaire.

We would kindly request that you let us know as soon as possible, and at least two weeks prior to embarkation, should you require assistance. Please note, assistance will start once you enter the accessibility check-in desk inside the terminal. We cannot provide assistance from cars or other vehicles. Please ensure that your hand luggage is kept to a minimum and can be managed between the wheelchair user and their companion.

There are no restrictions when taking medication and sharps through in hand luggage at check-in at Southampton.

Requesting wheelchair assistance

We would kindly request that you let us know in advance if you require assistance by completing an On Board Needs Questionnaire. Guests will be asked to wait in turn for assistance to embark and disembark the ship and given the number of requests made for assistance your allotted time may differ. Wheelchair assistance is only available in Southampton.

If you are requesting assistance to embark the ship then you will also be required to book assistance in the event of an emergency.

On Board Needs Questionnaires are available to complete on my.cunard.com after booking. If you require a hard copy you can request this via our Customer Contact Centre (local call charges apply), or your travel agent.

Powered mobility device policy – Is your policy compliant with all applicable legislation?

Yes – our policies and procedures comply with all applicable ship safety and disability/equality legislation, including the EU Passenger Rights Regulation. We aim to offer our services to all disabled persons or persons with reduced mobility subject to applicable safety requirements and within the parameters of each ship design, port infrastructure, and equipment. Powered mobility devices are only accepted in accessible staterooms and selected suites.

Adapted staterooms – Can an able bodied guest book an accessible stateroom?

Accessible staterooms can only be booked by guests who have a requirement for the adapted facilities. For example, this may be a need for a walk in shower and grab rails in the bathroom, or larger floor space to manoeuvre a wheelchair or safely store a powered mobility device.

If accessible staterooms are available within 21 days of a departure, they can be offered for general sale and available for all guests to book.

Can I book an adapted stateroom if I have a disability that does not require the use of a wheelchair or powered mobility device?

Any guest who has a requirement for the facilities is welcome to book an accessible stateroom. Examples of this could be a wet room with no steps, or a larger floor space to store a powered mobility device or manoeuvre in a wheelchair.

Guests who do not require the use of the facilities should not book an accessible stateroom.

If a guest books into an accessible stateroom without a need for any of the adapted facilities, we reserve the right to request that the guest moves. This may be at additional cost if moved to a stateroom in a higher category.

Do you cater for children with disabilities in the children’s clubs?

We encourage all children to use our fantastic children’s facilities, but we are unable to provide one-on-one support or care. If the child requires such assistance, a parent or carer will need to be present with them at all times.

If your child has a disability and would like to take part in our activity programme, please ensure you provide a full account of your child’s needs when registering your child and speak with our Youth Team to arrange a chat with our Youth Manager when on board. We can then do our best to make sure they have a fun and safe holiday.

Getting ashore

When choosing your voyage, please bear in mind that it may not be possible for wheelchair users to get ashore at some ports of call. Staff will be able to provide wheelchair or arm assistance from the top to the bottom of the gangway, only where safe to do so. Guests must make their own way to/from the terminal/shuttle bus/tour buses etc. Please note if your Shore Experiences are operated by minibus, there will be no storage space for powered mobility devices or wheelchairs. We are unable to offer wheelchair access to go ashore in tender ports. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship’s brow, to give all wheelchair users easy access to shore. We do our very best to make sure that all guests can get ashore in as many ports as possible, although there will be times when it is not possible to deploy the ship’s brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, La Coruña, Le Havre, La Rochelle,

Lisbon, Zeebrugge, Málaga, Cádiz, Madeira, Rotterdam, Hamburg, Boston, Halifax, Portland, Québec, and San Francisco. This policy is in the interest of guest safety.

Planning and availability

Our Shore Experience descriptions set out to offer practical advice based upon our operating practice. You can find the full range of Shore Experiences on My Cunard, by logging in once you have booked your voyage using your booking reference. We would strongly advise you to read the descriptions to make sure that your chosen experience is suitable for your personal requirements.

We use our best efforts to obtain appropriate transport, although it is not always possible for us to secure fully accessible vehicles. Please note that – due to applicable safety requirements, the design of the ship, or port infrastructure and equipment – in certain ports of call, it may not be possible for us to offer a Shore Experience programme suitable for guests who are not able to board a coach via the steps. Please be aware that in consideration of health and safety, tour providers/coach operators reserve the right to refuse carriage to any guest who is unable to negotiate the steps of the coach independently*. Taxis are usually available for hire close to the ship’s berth, should guests wish to travel independently.

For further information, please contact our specialist accessibility team on 03453 550 300* (Monday-Friday 9.00am-5.00pm) or by email at GRSpecialistSupport@carnivalukgroup.com

*This does not apply to lift coaches for full-time wheelchair users.

In the terminal, your luggage will be arranged in the luggage reclaim area according to the colour coded labels, which will be provided to you prior to disembarkation. As many bags are similar in appearance, please check each luggage label to ensure you are claiming your own luggage.

For those guests who are travelling on a World Voyage, your account will be settled several times during your stay on board. For guests who travel on two or more consecutive voyages, your account will be settled at the end of each voyage. These settlement dates will be advised when you are on board.

Local expert guides

All Cunard guides possess a wealth of local knowledge. By sharing their expert insights, you'll get a more thorough understanding of the destinations you visit, and find your experiences more rewarding and inspiring.

What are anchor ports and possible anchor ports?

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol ^A or ^{PA}. Where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely.

If you use a wheelchair or a powered mobility device, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/powered mobility device and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/ powered mobility device. The crew will endeavour to assist you where practical and safe to do so, and providing that no individual part of the wheelchair or powered mobility device weighs more than 20kg.

Is the port always the main destination?

Usually, although there are some exceptions where the main places of interest are not on the coast, but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown in brackets, i.e. Civitavecchia (tours to Rome), Italy. At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service, or a city transfer service. If you have booked your voyage paying the Cunard Fare, shuttle buses will be offered

free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type.

Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

What does scenic cruising and sail by mean?

A scenic cruise is when your ship sails through areas of outstanding natural beauty – think Norway's Fjords or Alaska's Inside Passage.

A sail by is when your ship sails closer to shore to allow you to see a featured landmark from deck – such as Cape Horn or Easter Island.

Brochure information

2. Personal details

We'll ask for the full name (Mr, Mrs, Miss, etc.) of each guest as it appears on their passport.

All restaurants on board offer a choice of tables for 2, 4, 6, or 8 diners.

All restaurants are non-smoking. When you book, please advise us of your preferred table size, Early, Late, or Open Dining, and whether you are travelling with another party. Please note that while every effort will be made to meet these preferences, we cannot guarantee to do so in all cases.

If you would like to arrange these with Cunard we have a range of packages available, please speak to your booking agent or add packages online at the time of booking.

Deposit

Once you're happy with your accommodation and fare, we'll give you a booking reference number. We will then ask you to pay a deposit of 15% per person. For bookings made within 90 days of departure we will ask you to pay the full fare amount.

After you book

Cunard must receive the balance of your fare no later than 90 days before departure. If you are booking through a travel agent, they may request payment of the balance in advance of this date in order to ensure that your monies reach us by the balance due date. If it is not received by Cunard by the due date, we reserve the right to end the contract between us and re-sell the accommodation held for you, which will also result in the forfeiture of your deposit.

We offer an auto charge payment option, where your final balance can be taken from the credit or debit card you used to pay your deposit, and this option can be set up for you during the booking process. Alternatively, you can visit our website at cunard.com/balance, where you can log in and pay your balance via our secure online payment facility. This facility offers a quick and convenient way to pay your balance.

Here's what happens after you've made your reservation:

- ♦ If you have booked with us directly we'll send you a confirmation detailing the amount received, the balance outstanding, and the due date for payment in full. If you have booked your voyage with a travel agent the balance information on your confirmation will vary according to their policy. Contact your travel agent directly if you have any questions.
- ♦ After your reservation has been made your online portal is available to you at cunard.com/yourbooking. To log in you will need to supply your first name, surname, date of birth, and booking reference. My Cunard is unique to you and holds all the information you need relating to your holiday. You can view essential information, including visa and vaccination requirements, embarkation and disembarkation arrangements, dress codes, shuttle bus information,

manage your dining and stateroom layout (bed configuration) preferences, and provide essential immigration information, which is required in order to release your boarding passes. Using My Cunard you can also book Shore Experiences, tables in our alternative, fine dining venues, and spa and salon treatments. In addition, you can pre-purchase gifts as well as drinks and WIFI packages.

- ♦ Around 21 days prior to your departure, all travel documentation, including boarding passes and luggage labels, should be retrieved and printed through My Cunard. An email notification will be sent to you advising you when these documents are available. If you are travelling with children and wish to use the children's facilities, you'll need to register them on My Cunard no later than 15 days before departure.

You agree that in return for such a payment or benefit you assign absolutely to those trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable).
